RE: Public Hearing Request
Case # 2005-00142 Transmission Lines
Case # 2005-00152 Generation Plant

Dear Executive Director;

Because I am an affected landowner by either the transmission line or generation plant I here by request a public hearing for the afore mentioned **cases #2005-00142 and #2005-00152**. I would welcome the opportunity to make a public comment regarding the taking of my property by the German Foreign Power Broker E-On, the parent company of Louisville Gas & Electric and Kentucky Utilities.

Respectfully yours,
