Date: August 18, 2005
Subject: Docket # 2005-001-52

RECEIVED
AUG 23 2005
PUBLIC SERVICE
COMMISSION

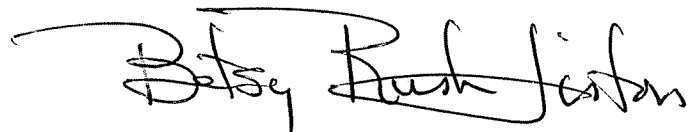

As landowners living within sight of the existing Trimble County LG&E Power Plant, located in Wises Landing, we would like to request further public hearing. We are concerned about water and air quality issues in connection with the proposed expansion of the plant to almost double its current size.

This is very important to us as well as the community at large and we thank you for your attention in this matter.

Sincerely,

Charles R. Liston

Betsy Rush Liston
