Dear Ms. O'Donnell,

Clark Energy is submitting advance notice to electronically file an application for a certificate of convenience and necessity to replace our existing Frenchburg, KY branch office with a new facility. The application and all supporting documentation will be filed using the procedures and guidelines of the Commission's electronic filing process. An original paper copy of all documents filed electronically will also be submitted for the Commission's official case file.

I request that Commission staff assign this application a new case number so that the electronic filing process may proceed. Clark Energy already has an assigned user ID and password. A copy of this letter will be e-mailed the Commission at [pscfilings@mail.state.ky.us](mailto:pscfilings@mail.state.ky.us). This copy is a true, accurate and complete representation of the original letter, which is being forwarded to you for the Commission's official case file.

Please contact me ([smesser@clarkenergy.com](mailto:smesser@clarkenergy.com)) at Clark Energy should you have any questions or need additional information.
