Re: *Adjustment of Rates of Kentucky American Water*

Dear Beth:

Case No. 2007-00143

Contemporaneously with the delivery of this letter, we filed a notice on behalf of Kentucky American Water of its intention to file an application for an increase in rates no earlier than four weeks from the date of this letter. We have a procedural question related to electronic filing. 807 KAW 5:001, Section 8(2) requires the original and ten copies of all applications. With prior approval of the Public Service Commission, Kentucky American Water filed Case No. 2004-00103 in electronic form and the original and one copy of all electronically filed documents were filed in paper medium subsequent to electronic filing. Kentucky American Water is prepared to file its new case only in electronic form. We request a deviation from the regulation and encourage the Commission to accept this case in electronic form only for filing and service purposes. Please advise us of the Commission's decision on this issue as soon as possible.

Very truly yours,

STOLL KEENON OGDEN PLLC
