Re: Case No. 2008-00427

Dear Ms. Stumbo:

It has come to our attention that two inadvertent mistakes were made in filings Kentucky American Water has submitted in this case. Enclosed please find the filings that correct those mistakes. First, in response to Item No. 1(a) of the Commission Staff's First Set of Information Requests, several work papers related to "other rate base" were omitted from Work Paper 1-11. The attached file is in *addition* to the Work Paper 1-11 documents that were filed on November 14, 2008.

Second, the October 31, 2008 Schedules B and D to Exhibit 37 of Kentucky American Water's Application contained a few mistaken references to work papers. The attached pages of Schedules B and D correct those mistaken references and these pages can *replace* their counterpart pages in the October 31, 2008 filing.

Finally, in compliance with Ordering Paragraph 4(f) of the Commission's October 30, 2008 Order, I certify that the electronically filed documents are a true representation of the original paper documents that will be hand-delivered to the Commission.

Very truly yours,

Stoll Keenon Ogden PLLC
