Re: *Weather Normalization Report - Case No. 2009-00172*

Dear Ms. Bridwell:

Pursuant to the Commission's Order in Case No. 2009-00172, dated July 21, 2009, Louisville Gas and Electric Company ("LG&E") herewith files its Weather Normalization Adjustment ("WNA") report for the period beginning November 2021 through April 2022.

This report demonstrates that LG&E billed customers a total of \$5,847,221 under the WNA during the period November 2021 through April 2022. The billing was due to the fact that actual heating degree days during the period were below the normal heating degree days.

In accordance with 807 KAR 5:001, Section 8 and the Commission's Order on July 22, 2021 in Case No. 2020-00085, I certify that the electronic filing has been transmitted to the Commission on June 24, 2022 and that there are currently no parties in this proceeding that the Commission has excused from participation by electronic means.

If you have any questions regarding this report, please contact me at (502) 627-3442.

Sincerely,
