Dear Ms. Bridwell,

Pursuant to the Commission’s Order in Case No. 2009-00172, dated July 21, 2009, Louisville Gas and Electric Company (“LG&E”) herewith files its Weather Normalization Adjustment (“WNA”) report for the period beginning November 2020 through April 2021.

This report demonstrates that LG&E billed customers a total of \$1,691,142 under the WNA during the period November 2020 through April 2021. The billing was due to the fact that actual heating degree days during the period were below the normal heating degree days.

In accordance with 807 KAR 5:001, Section 8, this is to certify that the electronically filed documents are a true and accurate copy of the same documents that will be filed in paper medium subject to the terms of the Commission's March 16, 2020 and March 24, 2020 Orders in Case No. 2020-00085 (Electronic Emergency Docket Related to the Novel Coronavirus COVID-19) (“COVID-19 Orders”); that the electronic filing has been transmitted to the Commission on June 25, 2021; that there are currently no parties in this proceeding that the Commission has excused from participation by electronic means; and that the original in paper medium of this filing will be delivered to the Commission consistent with the COVID-19 Orders.
