Re: Weather Normalization Report – Case No. 2009-00172

Dear Ms. Bridwell:

Pursuant to the Commission's Order in Case No. 2009-00172, dated July 21, 2009, Louisville Gas and Electric Company ("LG&E") herewith files its Weather Normalization Adjustment ("WNA") report for the period November 2025 through April 2026.

This report demonstrates that LG&E billed customers a total of \$5,776,166 under the WNA during the period November 2025 through April 2026. The billing was due to the fact that total actual heating degree days during the period were below the normal heating degree days.

In accordance with 807 KAR 5:001, Section 8 and the Commission's Order on July 22, 2021 in Case No. 2020-00085, I certify that the electronic filing has been transmitted to the Commission on June 26, 2026 and that there are currently no parties in this proceeding that the Commission has excused from participation by electronic means.

If you have any questions regarding this report, please contact me.

Sincerely,
