Re: Case No. 2009-00530 – ecoPower Generation-Hazard, LLC

Dear Judge Noble:

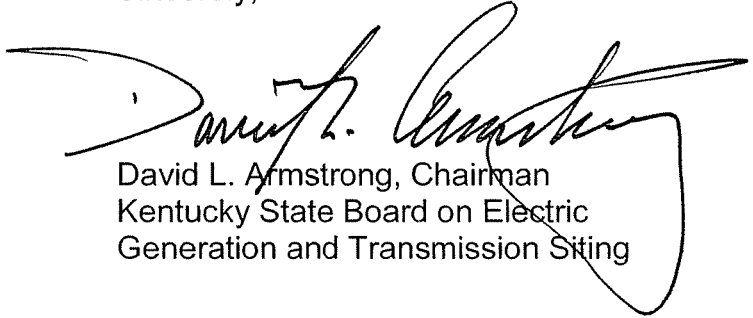

On behalf of the permanent members of the Kentucky State Board on Electric Generation and Transmission Siting ("Siting Board"), I wish to thank you for your service on the Siting Board during its review of ecoPower Generation-Hazard, LLC's ("ecoPower-Hazard") application for a certificate to construct a merchant 50 megawatt biomass-fired electric generating facility and a 69 kilovolt non-regulated transmission line in Perry County, Kentucky.

As you know, on May 18, 2010, the Siting Board issued its Final Order in the above-styled case, granting ecoPower-Hazard's application for both the generation facility and transmission line. Pursuant to KRS 278.702(2), the term of service of the ad hoc members appointed to the Siting Board by the Governor under KRS 278.702(1)(d) ends upon the issuance of a final determination in the proceeding for which they were appointed. Therefore, your term of service with the Siting Board ended on May 18, 2010, concurrently with the issuance of the ecoPower-Hazard Final Order.

Hon. Denny Ray Noble

Again, thank you for your participation on the Siting Board. Please feel free to contact the Executive Director of the Public Service Commission, Jeff Derouen, with any questions or concerns you may have in the future regarding the ecoPower-Hazard generation and transmission projects.

Sincerely,

A handwritten signature in black ink, appearing to read "David L. Armstrong". The signature is fluid and cursive, with a large loop at the end.
