Re: Case No. 2010-00036

Dear Mr. Derouen:

Enclosed please find Kentucky American Water's Responses to the Attorney General's First Set of Information Requests. Please note that the documents that are responsive to several items (12, 41, 48, 49, 50, 154, 181, and 361) are the subject of a Petition for Confidential Treatment filed today. Therefore, in accordance with Ordering Paragraph 5(f) of the Commission's February 16, 2010 Order, please be advised that those documents are not included with the electronic filing of these responses. Rather, they will be submitted under seal along with the Petition for Confidential Treatment. Aside from that and in accordance with Ordering Paragraph 5(f) of the Commission's February 16, 2010 Order, I certify that the electronically filed documents are a true representation of the original paper documents that will be hand-delivered to the Commission. Finally, enclosed please find a CD with responsive items as noted in the responses themselves.

Very truly yours,

Stoll Keenon Ogden PLLC
