KENTUCKY-AMERICAN WATER COMPANY
CASE NO. 2010-00036
COMMUNITY ACTION COUNCIL'S FIRST REQUEST FOR INFORMATION

Witness: Sheila Miller

10. What is the current, average, total monthly cost and usage for all residential customers of Kentucky American Water Company? Where possible, provide this response broken down by county.

Response:

The current, average, total monthly cost and use for all residential customers of Kentucky American Water Company is detailed on Schedule N filed in the Company's original application and labeled as KAW_APP_EX37N_022610 Page 3 of 3. The electronic version was provided in response to KAW_R_AGDR1#1_042610 with a file name of K_REV10.XLS under tab Bill Comparison. The Company does not have a calculation of an average residential usage that excludes zero usage customers.

For the electronic version of this response, refer to KAW_R_CACDR1#10_043010.pdf.

13. Given that the proposed increase in rates will make the cost of water less affordable for many residential customers, does Kentucky American Water Company have a plan to prevent increases in its shutoff rates and the amount of arrearages owed by its residential customers?

Response:

KAW's termination of service is guided by the Rules of the Public Service Commission. KAW shareholders contribute significant funds to the "Help to Others" program, as do some of KAW's customers on a voluntary basis, to support customers who have trouble paying water bills. The CAC knows better than the Company what other funding is available for this purpose. In past Company rate cases, the Company has proposed a low income discount tariff. The Commission in the past has determined such a tariff provision is not permissible, and the Company has not requested a low income tariff in this case based on past Commission rulings.

For the electronic version, refer to KAW_CACDR1#13_043010.pdf.

Has Kentucky American Water Company explored/considered offering lifeline rates, low-income rates or other forms of making water more affordable for those whose income is not sufficient to pay for all essential services? Response:

Please see the response to KAW_R_CACDR1#13.
