(I)	16" Diameter	563.56	6,762.70

Special Provisions

- (D) No charge shall be made for water used in extinguishing accidental fires or for Underwriters' tests, and water shall be drawn from a private fire service connection for any other purpose.
- (N) Fire service connections are furnished for the sole purpose of supplying water for the extinguishment of fires. If the Company has reason to believe water is being used for other purposes, including that the connection or line is leaking, the Company may install a meter to monitor usage, and, in addition to the rates for fire protection listed above, all usage shall be billed at the Commercial rate in Service Classification No. 1. The applicable Service Charge listed In Service Classification No. 1 shall also be charged.
- (N) The charges under this provision are in addition to any general water service and sewer charges.
