RE: Final Location of the Electric Transmission Line Structures and Certification of Construction by Southern Indiana Gas & Electric Co. d/b/a Vectren Energy Delivery of Indiana, Inc. Pursuant to Order of the Kentucky State Board on Electric Generation and Transmission Siting, Case No. 2010-00223

Dear Mr. Derouen:

Southern Indiana Gas & Electric Co. d/b/a Vectren Energy Delivery of Indiana, Inc. (hereafter, Vectren), tenders herewith an original paper copy and electronic CD copy of the "as-built" drawings/maps of the final location of the 345kV Interstate Electric Transmission Line structures and a certified statement that the construction has been satisfactorily completed in accordance with the Board's Order in the above referenced matter. This filing completes the Monitoring and Reporting Requirements established by the Board in the December 21, 2010 Order granting a Certificate to Construct this transmission line.

Thank you again to the Board and your dedicated staff for your work on this important electric reliability project. Please do not hesitate to contact me if you have any questions or concerns.

Sincerely,

Jason R. Bentley
