RE: CASE NO. 2010-00316.

This submission represents the Owen Electric Cooperative Corporation response to PSC staff's first information request per order dated Feb 23, 2011. A response document is included.

There are two Excel files included in this electronic filing. One file describes construction in process as of Jan 31, 2011. The other file describes the Work Order Closings.

I certify that this electronically filed document is a true and complete representation of the original document.
