RE: CASE NO. 2010-00316.

This submission represents a supplemental response of Owen Electric Cooperative, Inc. to PSC staff's First Information Request per order dated February 23, 2011. A response document is included.

In addition to the response document, an Excel file is included in this electronic filing. The file describes the amount of special equipment purchased during the period of time in question.

I certify that this electronically filed document is a true and complete representation of the original document.

A handwritten signature in black ink, appearing to read "Rebecca Witt", is written over a horizontal line.
