Re: *An Investigation Into the Intrastate Switched Access Rates of All Kentucky Incumbent and Competitive Local Exchange Carriers*
Case No. 2010-00398

Dear Mr. DeRouen:

Insight Phone of Kentucky, LLC (“Insight Phone”) submits this letter in response to the Commission’s May 30, 2012 Order in the above-captioned docket. That order directs “all affected parties” to provide certain information relating to their access tariffs, in the interest of assessing compliance with the reforms adopted in the Federal Communications Commission’s order released on November 28, 2011 (FCC 11-161). Although Insight Phone has not been served with the Commission’s Order, on June 5, 2012 it filed tariff revisions reflecting rates applicable to Transitional Intrastate Access Service, *see* 47 C.F.R. § 51.911(b), and is providing confidential support information in the interest of cooperating with the Commission’s efforts. A motion for confidential treatment is included with this filing.

Should you have any questions or require any further information, please contact Julie P. Laine, Group VP, Regulatory, 60 Columbus Circle, New York, NY 10023, Tel. 212-364-8482.

Respectfully,

Douglas F. Brent

Jeff DeRouen
