**Re: *In the Matter of An Investigation into the Intrastate Switched Access Rates of All Kentucky Incumbent and Competitive Local Exchange Carriers*, Case No. 2010-00398.**

Dear Mr. Derouen:

In Appendix A of its November 5, 2010 Order (the "Order") in the above -referenced case, the Public Service Commission of the Commonwealth of Kentucky (the "Commission") ordered that within 45 days from the date of the Order "[e]ach ILEC ... shall file their current intrastate access rate tariff(s)." (Order, Appendix A.) Furthermore, Appendix B Paragraph 3(d)-(f) of the Order states that,

d. All electronic submissions shall include an introductory file in PDF format that is named "Cover Letter" and that contains a general description of the filing, a list of all materials not included in the electronic filing, and a statement attesting that the electronically filed documents are a true representation of the original documents. The "Cover Letter" file and any other document that normally contains a signature shall include a signature in electronic format. The electronic version of the cover letter accompanying the paper filing may be substituted for a general description.

e. If the electronic submission does not include all documents contained in the paper version (e.g., confidential materials or materials that are too large or bulky to transfer by electronic medium), then the absence of these documents shall be noted in the "Cover Letter" document.

f. No electronic transmission or uploading session shall exceed 20 files or a total size of 100 megabytes. No individual file shall exceed 25 megabytes.

(Order, Appendix B).

In compliance with that Order, the following Rural Local Exchange Carriers ("RLECs") electronically file this cover letter along with the pleading cover page for their Intrastate Access Tariff:

- Ballard Rural Telephone Cooperative Corporation, Inc.
- Brandenburg Telephone Company
- Duo County Telephone Cooperative Corporation, Inc.
- Foothills Rural Telephone Cooperative, Inc.
- Gearhart Communications Co., Inc.
- Highland Telephone Cooperative, Inc.
- Logan Telephone Cooperative, Inc.
- Mountain Rural Telephone Cooperative, Inc.
- North Central Telephone Cooperative Corporation
- Peoples Rural Telephone Cooperative, Inc.
- South Central Rural Telephone Cooperative Corporation, Inc.
- Thacker-Grigsby Telephone Company, Inc.
- West Kentucky Rural Telephone Cooperative Corporation, Inc.

Furthermore, in order to comply fully with the Commission's Order, this filing also contains the General Subscriber Service Tariffs of the following RLECs, whose General Subscriber Service Tariffs reference their Intrastate Access Tariff:

- Ballard Rural Telephone Cooperative Corporation, Inc.
- Brandenburg Telephone Company
- Foothills Rural Telephone Cooperative, Inc.
- Highland Telephone Cooperative, Inc.
- Logan Telephone Cooperative, Inc.
- Mountain Rural Telephone Cooperative, Inc.
- Peoples Rural Telephone Cooperative, Inc.
- Thacker-Grigsby Telephone Company, Inc.
- West Kentucky Rural Telephone Cooperative Corporation, Inc.

However, due to the size, volume, and number of these files, the RLECs are unable to submit their Intrastate Access Tariff or their General Subscriber Service Tariffs electronically through the Commission's electronic filing system in accordance with Appendix B Paragraph 3 of the Commission's Order. The RLECs will instead file paper copies of each of these tariffs with the Commission and will supply the Commission with a compact disc with the tariffs in electronic format.

Finally, in accordance with the Commission's orders in this case, counsel for the RLECs certify that the electronic version of this filing is a true and accurate representation of the original paper copy that has also been submitted for filing.

Thank you, and if you have any questions, please call me.

Very truly yours,

A handwritten signature in black ink, consisting of a horizontal line with several loops and a large, elongated oval shape below it.
