SWITCHED ACCESS RATES OF ALL KENTUCKY)	CASE NO.
INCUMBENT AND COMPETITIVE LOCAL)	2010-00398

MOTION OF PAETEC FOR FULL INTERVENTION

US LEC of Tennessee L.L.C., d/b/a PAETEC Business Services) (“PAETEC”) pursuant to 807 KAR 5:001, Section 3(8), respectfully moves that the Kentucky Public Service Commission (“Commission”) permit PAETEC to intervene fully in the above-captioned proceeding. In support of its Motion, PAETEC states as follows:

1. On November 5, 2010, the Commission issued its Order establishing this proceeding to examine, *inter alia*, “the switched access rates of Kentucky incumbent and competitive carriers.” It specified that a focus of its investigation would be “to determine if the switched access rates of Kentucky telecommunications carriers include above-cost implicit subsidies,” and if as such that “they qualify as anti-competitive.” The Commission also stated that it would determine “whether it should develop a regulatory scheme that firmly establishes a methodology for charging intrastate switched access rates” in Kentucky.

2. US LEC of Tennessee L.L.C., d/b/a PAETEC Business Services (“PAETEC”) is an authorized competitive local exchange carrier (“CLEC”) and is providing telecommunications services, including switched intrastate access services, within the Commonwealth of Kentucky. PAETEC also is a duly authorized interexchange carrier (“IXC”) providing telecommunications services within the Commonwealth of Kentucky.

3. PAETEC charges its customers for switched access services pursuant to US LEC of Tennessee Inc. Tariff Kentucky P.S.C. No. 1.

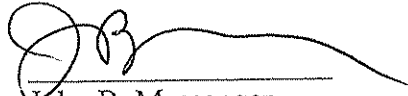

4. Any Commission decision in this proceeding is likely to have a direct, substantial, and material effect upon PAETEC's business plans, rights, duties, and legal interests, which must be adequately represented. PAETEC's participation in this proceeding should represent those interests and otherwise help to present and develop facts and issues that will assist the Commission in fully considering the issues raised in the Commission's Order of November 5, 2010.

5. Accordingly, PAETEC moves that it's motion to intervene be granted in this matter with the right to participate fully in this proceeding as a party, and that counsel for PAETEC, listed below, be served with pleadings, testimony, exhibits, correspondence, and all other documents submitted by parties and with all Commission orders and other filings.

WHEREFORE, in recognition of the foregoing, PAETEC moves that the Commission grant its Motion for Full Intervention as a party in this proceeding.
