Publicly Filed

Request:

25. Provide the total amount of revenues and volumes for retail vertical services for each year from 2001 through 2010, and for 2011 most recent data available.

Response: OBJECTION. This request is overly broad and unduly burdensome, particularly because it seeks information that is of dubious relevance to this investigation. It is also insufficiently precise as to either the revenues or volumes requested.

Without waiver of the objection, *see* Attachment 1.

Note: TWTC's records go back to 2007 in Kentucky.
