Re: An Investigation Into the Intrastate Switched Access Rates of All Kentucky  
Incumbent and Competitive Local Exchange Carriers  
PSC 2010-00398

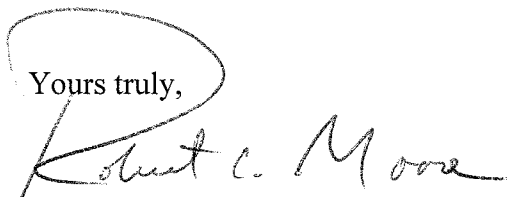

Dear Mr. Derouen:

The Kentucky Public Service Commission's ("Commission") November 5, 2010 Order in the above-referenced matter directs carriers to file their current intrastate access tariffs into the record of the proceeding. The Commission's electronic filing procedures require, unless otherwise directed, that one paper copy of the filing be filed in order for electronic documents to be accepted as the official record. The current intrastate access tariffs of Windstream Kentucky East, LLC ("Windstream East") and Windstream Kentucky West, LLC ("Windstream West") collectively consist of approximately 1500 pages. Based upon informal discussions with Commission staff, and in lieu of a paper copy, please find enclosed for filing a CD containing a copy of the companies' intrastate access tariffs. This filing is made with full reservation of the rights of Windstream West and Windstream East as alternatively regulated companies.

The attached certificate of service certifies that the filing was made electronically today, and that a copy of the Read 1<sup>st</sup> document has been served by e-mail on the parties of record. Parties of record can access the information at the Commission's Electronic Filing Center at <http://psc.ky.gov/efs/efsmain.aspx>.

If you have any questions, or if I can be of assistance, please do not hesitate to contact me.

Yours truly,

Robert C. Moore
