BEFORE THE PUBLIC SERVICE COMMISSION

In the Matter of:

Adm. Case No. 2010-00398

**TWTC's 2nd Amendment to 6/10/11 Petition for Confidential Treatment
re response to 5/2/11 AT&T data requests**

tw telecom of kentucky, llc ("TWTC"), pursuant to 807 KAR 5:001 § 7 and KRS 61.878(1)(c), hereby submits this second amendment to its Petition for Confidential Treatment re the response to AT&T data requests, filed June 10, 2011 ("the 6/10/11 Petition"). In the 6/10/11 Petition, TWTC requested that the Commission classify and protect as confidential certain information filed with the Commission as part of TWTC's response to data requests propounded by AT&T in this proceeding on May 2, 2011. An amendment to the 6/10/11 Petition, filed on June 17, 2011, sought the same confidential treatment for TWTC's supplemental response to AT&T 5/2/11 Data Request #25 as well as Data Request #7, which was mistakenly omitted from the list of responses for which TWTC is seeking confidential treatment.

Having now executed a Confidentiality Agreement with other parties to this proceeding, TWTC further amends the 6/10/11 Petition to replace ¶4 thereof with the following:

4. TWTC has signed a Confidentiality Agreement with other parties to this proceeding, pursuant to which it will be making a limited disclosure of the confidential information to other signatory parties. Under the classification system in that agreement, the information for which confidential treatment is sought is "Highly Confidential Information," and on the materials provided to other signatories, TWTC has marked each Response (or attachment thereto) containing such information with: "Highly Confidential Information – Attorney's and Special Designee's Eyes Only."

WHEREFORE, TWTC continues to respectfully request that the Commission classify and protect as confidential the specific information described in, and highlighted in the attachments to the original Petition and the Amended Petition, pursuant to 807 KAR 5:001 § 7 and KRS 61.878(1)(c), and accordingly maintain the information as a nonpublic part of the Commission's file in this proceeding and otherwise prevent public disclosure of the confidential information.
