RE: CASE NO. 2012-00013

This upload represents the Licking Valley RECC 2012-2015 Construction Workplan...which is a support document in this application for a Certificate of Public Convenience and Necessity (CPCN) for the subject projects and activity within the workplan for the 2012-2015 period.

Licking Valley RECC requests PSC approval of the electronically filed work plan and the awarding of a CPCN.

Upload files include---

A PDF file of the application letter: *2012-00013_app_CPCN.pdf*

A PDF file of the PSC application regulations: *CPCN_app-reg.pdf*

Articles of Incorporation: *LVRECC Articles of Incorporation.pdf*

Estimated Annual Cost of Operations Spreadsheet:

LVRECC_Est_ANN_\$_COMP_CWP_PROJS.xls

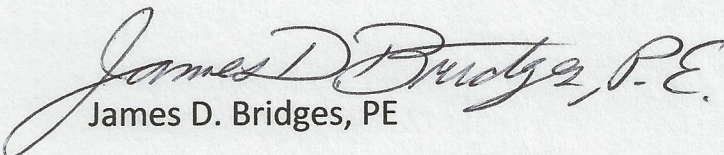

A PDF File of system Improvement projects on map Drawing (3 paper copies in hardcopy mailing): *CKT_MAP-2012-00013_CWP.pdf*

A complete version of the 2012-2015 CWP (excludes economic conductor analysis which follows in next file: *LVRECC 2012-2015.pdf*

PDF showing the Economic Conductor Analysis: *econ-conductor_app_A*

One complete paper copy with 3 map drawings will be filed via US Postal Service.

I certify that this electronically filed document is a true and complete representation of the original document.

James D. Bridges, PE
