Case No. 2012-00072

Dear Mr. Derouen:

Northern Kentucky Water District and the Attorney General submit a Stipulation and Recommendation and a Joint Motion to cancel the scheduled hearing. The parties have agreed that a hearing is unnecessary. Due to the timing of the publication of the hearing notice, Northern must have the notice to the local newspaper by noon on November 1 to have it published on November 8th. The paper publishes weekly on Thursday. To meet the seven day minimum notice requirement, NKWD is forced to accommodate the newspaper's schedule.

To avoid having the hearing advertised and subsequently being cancelled, it is requested that the order cancelling or postponing the hearing be issued prior to November 1.

In accordance with the Commission's orders in this case, I certify that the electronically filed documents are a true representation of the original documents that have been submitted for filing. A copy of the electronic filing has been served on the Attorney General.

Very truly yours,

John N. Hughes

Attorney for Northern Kentucky
Water District
