Case No. 2012-00072

Dear Mr. Derouen:

Northern Kentucky Water District submits revised tariffs required by the final order in this case, which are to become effective on January 1, 2013 and January 1, 2014. These tariffs also reflect the updated annual revisions to the sub district rates, the current map of sub district areas and updated street listing of the affected sub districts.

The documents filed electronically are true copies of the originals that will be filed with the Commission. A copy of this letter has been served on the only intervener in the case, the Attorney General.

Very truly yours,

John N. Hughes

Attorney for Northern Kentucky  
Water District
