Case No. 2012-00072

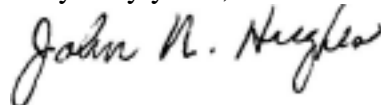

Dear Mr. Derouen:

In the order dated July 20, 2012, the Commission scheduled a conference for November 9, 2012. Because of previous commitments, the Northern Kentucky Water District staff cannot attend a conference on that date. Given the early stages of this case, it is probably premature to try to reschedule the conference. A number of factors could affect the timing or even need for the conference. However, as a courtesy to you and the staff, I am providing this notice so that you will be aware of the need to change the date of the conference.

As the case develops, it should become easier to find a date suitable for everyone. At the appropriate time, I will submit alternative dates for the conference along with a motion to reschedule.

If you have any questions about this matter, please contact me.

Very truly yours,

John N. Hughes

Attorney for Northern Kentucky  
Water District
