PURCHASE AND SALE AGREEMENT, dated as of February 17, 2012 (this “**Agreement**”), by and among Corix Utilities (Illinois) LLC, a limited liability company organized under the laws of Delaware (the “**Buyer**”), and the persons set forth on Schedule A hereto (each a “**Seller**” and, collectively, the “**Sellers**”).

RECITALS

WHEREAS, the Sellers collectively own 100% of the issued and outstanding membership interests (the “**Company Interests**”) in Hydro Star, LLC, a Delaware limited liability company (the “**Company**”); and

WHEREAS, in accordance with this Agreement, the Buyer desires to purchase from the Sellers, and the Sellers desire to sell to the Buyer, 100% of the Company Interests.

NOW THEREFORE, in consideration of the foregoing premises and the respective representations and warranties, covenants and agreements contained herein, the receipt and sufficiency of which is hereby acknowledged, the Parties hereto agree as follows:

ARTICLE I

DEFINITIONS

SECTION 1.1. Definitions. Capitalized terms used in this Agreement have the meanings ascribed to them by definition in this Agreement or in Appendix A hereto.

ARTICLE II

PURCHASE AND SALE

SECTION 2.1. Purchase and Sale of Company Interests; Letter of Credit.

(a) Upon the terms and subject to the conditions set forth in this Agreement, at the Closing the Sellers will sell, transfer and deliver to the Buyer, and the Buyer will purchase from the Sellers, all of the Company Interests for an aggregate purchase price for all Company Interests (the “**Purchase Price**”) equal to (i) [REDACTED] (the “**Base Purchase Price**”), plus (ii) the Interim Capital Contribution Amount, plus (iii) the Cabarrus Woods Adjustment Amount plus (iv) the Bradfield Farms Adjustment Amount, plus (v) the Sandy Creek Adjustment Amount, plus (vi) the Bayside Adjustment Amount, plus (vi) the Specified Distribution Adjustment Amount.

(b) No later than five (5) Business Days prior to the Closing Date, the Sellers Representative will deliver to the Buyer a statement (the “**Estimated Purchase Price Statement**”) setting forth the Sellers calculation of the Purchase Price and each component thereof (together with reasonable documentation of its calculation of each such component) (the “**Estimated Purchase Price**”).

(c) If the Buyer reasonably disagrees with the Sellers’ calculation of the Estimated Purchase Price or any component thereof, it shall promptly notify the Sellers

Representative of its disagreement, and provide its calculation of such disputed components and the Parties shall negotiate in good faith to resolve any such disagreements and to agree on the Estimated Purchase Price and each component thereof by 5:00 p.m. New York time on the last Business Day prior to the Closing Date. If the Buyer and the Sellers Representative mutually agree on an adjustment to the Estimated Purchase Price set forth in the Estimated Purchase Price Statement, then that mutually agreed amount will be used in the determination of the Purchase Price paid by the Buyer pursuant to Section 2.3(a)(i). If the Buyer and the Sellers Representative are unable to mutually agree prior to the Closing Date on any change proposed by the Buyer to the Estimated Purchase Price set forth in the Estimated Purchase Price Statement, then (i) the Estimated Purchase Price set forth in the Estimated Purchase Price Statement delivered by the Sellers Representative pursuant to Section 2.1(b) (as adjusted to reflect any changes mutually agreed to by the Buyer and the Sellers Representative) will be used in the determination of the Purchase Price paid by the Buyer pursuant to Section 2.3(a) and (ii) the Buyer may dispute the Sellers' calculation of the Purchase Price pursuant to Section 2.5.

(d) No later than five (5) Business Days following the date of this Agreement the Buyer will provide the Letter of Credit to the Sellers.

SECTION 2.2. Closing. The closing of the transactions contemplated by Section 2.1 of this Agreement (the "**Closing**") shall take place at 10:00 a.m., local time, at the offices of Morgan, Lewis & Bockius LLP, 101 Park Avenue, New York, New York on the sixth Business Day following the satisfaction or waiver of the conditions set forth in Article VII (other than those conditions that by their nature are to be satisfied at the Closing), or at such other time, date and place as may be mutually agreed upon in writing by the Parties (the date on which the Closing actually occurs being referred to as the "**Closing Date**").

SECTION 2.3. Transactions to be Effected at the Closing.

(a) At the Closing, the Buyer will:

(i) pay to the Sellers (by wire transfer of immediately available funds in U.S. Dollars to such account or accounts specified by the Sellers to the Buyer prior to the Closing) an aggregate amount equal to (A) the Purchase Price minus (B) the Aggregate VCS Payment Amount;

(ii) pay to the Company (by wire transfer of immediately available funds in U.S. Dollars to such account or accounts specified by the Sellers to the Buyer prior to the Closing) an amount equal to the Aggregate VCS Payment Amount; and

(iii) deliver to the Sellers all other documents, instruments or certificates required to be delivered by the Buyer at or prior to the Closing pursuant to Section 7.2 of this Agreement.

(b) At the Closing, each Seller will deliver to the Buyer:

(i) all such Seller's right, title and interest in and to the percentage of outstanding Company Interests set forth opposite such Seller's name on Schedule A under the heading "Company Interests" free and clear of all Liens (other than Liens (x) arising pursuant

to, or as a result of the transactions contemplated by, or described in, this Agreement, (y) arising pursuant to applicable securities Laws and (z) for Taxes not yet due or delinquent or being contested in good faith) pursuant to an Instrument of Assignment; and

(ii) all documents, instruments or certificates required to be delivered by such Seller at or prior to the Closing pursuant to Section 7.1 this Agreement.

(c) Immediately prior to the Closing, all unvested or not fully vested Value Creation Share Awards then outstanding shall become fully vested. Seller shall cause each Value Creation Share Award outstanding at the Closing to be satisfied and cancelled by the Company's payment to each holder of any Value Creation Share Award at the Closing in an amount in cash equal to the amount due to such holder under the Value Creation Shares Plan arising from or otherwise triggered by the transactions contemplated by this Agreement (less any applicable withholding Taxes). The payments to be made by the Company pursuant to this Section 2.3(c) shall be made concurrently with the Closing.

SECTION 2.4. Withholding.

(a) At Closing, each Seller shall have delivered to the Buyer a non-foreign affidavit described under Treasury Regulation Section 1.1445-2(b)(2)(iv)(A) stating that he is not a "foreign person" as defined in Treasury Regulation Section 1.897-9T(c) and (ii) a fully executed IRS Form W-8 or W-9.

(b) The Buyer shall be entitled to deduct and withhold from the amounts paid to Sellers pursuant to this Agreement the amounts required to be deducted and withheld under the Code or any applicable provision of any federal, state, local or foreign Law. Any amounts so withheld shall be paid over to the appropriate Governmental Entity. To the extent that amounts are so deducted and withheld, such amounts shall be treated for all purposes of this Agreement as having been paid to the applicable Person in respect of whom such deduction and withholding was made. The Buyer acknowledges that (assuming the delivery of the documents set forth in Section 2.4(a)) no withholding is anticipated to be required pursuant to this Section 2.4(b), and the Buyer shall notify a Seller in writing prior to making any such withholding as to its intention to so withhold and the basis for such withholding.

SECTION 2.5. Purchase Price Adjustment. If the Buyer and the Sellers are unable to mutually agree on the Estimated Purchase Price pursuant to Section 2.1(c), then within ten (10) days following the Closing Date the Buyer shall provide the Sellers Representative written notice of the components of the Purchase Price to which the Buyer objects and its proposed calculation of such components (the "**Objection Notice**"); provided, however, that (a) the Buyer shall only be entitled to object to any component of the Purchase Price to the extent it objected to such component pursuant to Section 2.1(c). For purposes of clarity, the Parties acknowledge and agree that the Buyer shall not be permitted to object to (i) the Purchase Price unless the Buyer objected to the Purchase Price prior to the Closing pursuant to Section 2.1(c) and (ii) any component of the Purchase Price (A) that the Buyer did not object to prior to the Closing pursuant to Section 2.1(c) or (B) to which the Buyer and the Sellers reached an agreement pursuant to Section 2.1(c). The Buyer and the Sellers shall be deemed to have agreed upon all items and amounts that are not disputed by the Buyer in the Objection Notice. The

Parties shall use reasonable efforts to resolve in good faith during the thirty (30) days following delivery of the Objection Notice any dispute properly asserted in the Objection Notice. If the Parties are unable to resolve any disputed items within thirty (30) days following delivery of the Objection Notice, the disagreement may be submitted for resolution to a firm of independent accountants of national standing to which the Buyer and the Sellers agree (the “**Independent Accountants**”), which firm shall make a final and binding determination as to only those components of the Purchase Price in dispute with respect to this Section 2.5 on a timely basis and promptly shall notify the Parties in writing of its resolution. The Independent Accountants shall not have the power to modify or amend any term or provision of this Agreement or modify previously agreed to items among the Parties. The costs and expenses of the Independent Accountants shall be allocated between the Parties based upon the percentage which the portion of the contested amount not awarded to each Party bears to the amount actually contested by such Party, as determined by the Independent Accountants. If the Buyer does not provide an Objection Notice within the time period and in the manner set forth in this Section 2.5, the Estimated Purchase Price set forth in the Estimated Purchase Price Statement shall be final and binding on the Parties for all purposes hereunder. If the Purchase Price paid by the Buyer pursuant to Section 2.3(a)(i), exceeds the Purchase Price that would have been paid had the amounts of the components determined by the Independent Accountants been used to determine the Purchase Price, the Sellers shall (by wire transfer of immediately available funds in U.S. Dollars to such account or accounts specified by the Buyer to the Sellers concurrently with the delivery of the Objection Notice) pay the Buyer, an amount equal to such excess.

ARTICLE III

REPRESENTATIONS AND WARRANTIES RELATING TO THE SELLERS

Each of the Sellers, severally, but not jointly, and solely with respect to such Seller, represents and warrants to the Buyer that each statement contained in this Article III as it applies to such Seller is true and correct as of the date hereof (and on the Closing Date to the extent specifically provided in Section 7.1(a)), except as set forth in the disclosure schedules accompanying this Agreement (collectively, the “**Disclosure Schedule**”):

The execution, delivery and performance by such Seller of this Agreement and the Instrument of Assignment, and the consummation by such Seller of the transactions contemplated hereby and thereby, have been duly authorized by all necessary action on the part of such Seller, and no other action is necessary on the part of such Seller to authorize this Agreement or the Instrument of Assignment or to consummate the transactions contemplated hereby or thereby. This Agreement has been (and at Closing, the Instrument of Assignment will have been) duly executed and delivered by such Seller and, assuming the due authorization, execution and delivery by each other Party hereto, this Agreement constitutes (and at Closing, the Instrument of Assignment will constitute) a legal, valid and binding obligation of such Seller,

SECTION 3.3. Noncontravention.

(a) Neither the execution, delivery and performance of this Agreement by such Seller, nor the consummation of the transactions contemplated by this Agreement, will, with or without the giving of notice or the lapse of time or both, (i) violate any provision of the Organizational Documents of such Seller, (ii) violate any Law or Order applicable to such Seller or (iii) violate any Contract to which the such Seller is a party or is legally bound, except in the case of clauses (ii) and (iii) to the extent that any such violation would not reasonably be expected to have, individually or in the aggregate, a Material Adverse Effect or a material adverse effect on such Seller's ability to perform its obligations hereunder.

(b) No consent, approval, license, permit, certificate or authorization from any Governmental Entity (each, a "**Permit**") of, or notification, registration, declaration or filing with a Governmental Entity (each, a "**Filing**"), is required in connection with the execution and delivery of this Agreement by such Seller, the performance by such Seller of its obligations hereunder and the consummation by such Seller of the transactions contemplated hereby other than (i) Permits and Filings set forth on Section 3.3(b) of the Disclosure Schedule, (ii) Permits and Filings which have been obtained or made by such Seller prior to the date hereof and (iii) Permits and Filings the failure of which to obtain or make would not reasonably be expected to have a Material Adverse Effect or a material adverse effect on such Seller's ability to perform its obligations hereunder.

SECTION 3.4. Legal Proceedings. Except as set forth on Section 3.4 of the Disclosure Schedule, there are no Legal Proceedings pending or, to the Knowledge of the Sellers, threatened against or otherwise relating to such Seller, that would, individually or in the aggregate, reasonably be expected to have a material adverse effect on such Seller's ability to perform its obligations hereunder.

SECTION 3.5. Capitalization. Such Seller owns (of record and beneficially) the percentage of outstanding Company Interests set forth opposite such Seller's name on Schedule A under the heading "Company Interests" free and clear of all Liens (other than any

Lien (a) arising pursuant to, or as a result of the transactions contemplated by, or described in, this Agreement, (b) arising pursuant to applicable securities Laws and (c) for Taxes not yet due or delinquent or being contested in good faith) and, at Closing such Seller will transfer to Buyer all of Seller's right, title and interest in and to such percentage of outstanding Company Interests free and clear of all Liens (other than Liens (A) arising pursuant to, or as a result of the transactions contemplated by, or described in, this Agreement, (B) arising pursuant to applicable securities Laws, and (C) for Taxes not yet due or delinquent or being contested in good faith).

SECTION 3.6. Brokers. Except as set forth on Section 3.6 of the Disclosure Schedule, such Seller does not have any liability or obligation to pay fees or commissions to any broker, finder or agent with respect to the transactions contemplated by this Agreement.

ARTICLE IV

REPRESENTATIONS AND WARRANTIES RELATING TO THE COMPANY

The Sellers, severally, but not jointly, represent and warrant to the Buyer that each statement contained in this Article IV is true and correct as of the date hereof (and on the Closing Date to the extent specifically provided in Section 7.1(a)), except as set forth in the Disclosure Schedule:

SECTION 4.1. Organization and Existence. The Company is a limited liability company duly organized, validly existing and in good standing under the Laws of the State of Delaware, and has all requisite power and authority to own, lease and operate its properties and assets and to carry on its business as it is now being conducted. The Company is duly qualified or licensed as a foreign corporation to do business, and is in good standing, in each jurisdiction where the character of its properties or assets owned, leased or operated by it or the nature of its activities makes such qualification or licensing necessary, except where the failure to be so qualified or licensed would not be reasonably expected to have, individually or in the aggregate, a Material Adverse Effect.

SECTION 4.2. Capitalization.

(a) The Company Interests set forth on Schedule A represent all of the issued and outstanding Company Interests. The Company Interests are duly authorized and validly issued and were not issued in violation of any preemptive rights, rights of first refusal or similar rights. Except for such Company Interests and Value Creation Share Awards, and any additional Value Creation Share Awards permitted to be awarded pursuant to Section 6.2(a)(iii), there are no other authorized or outstanding Equity Securities of the Company. The Sellers will cause the Aggregate VCS Payment Amount to be calculated and paid correctly in accordance with the Value Creation Shares Plan.

(b) Except as set forth on Section 4.2(b) of the Disclosure Schedule, (i) there are no outstanding direct or indirect restrictions on transfers (including, no rights of first refusal or similar rights) or voting of the Company Interests and (ii) no Person has been granted any agreement or option, or any right or privilege capable of becoming an agreement or option, for

the purchase, subscription, allotment or issue of any Equity Securities of the Company.

SECTION 4.3. Subsidiaries.

(a) A true and complete list of each Subsidiary of the Company, together with the jurisdiction of incorporation of each such Subsidiary is set forth on Section 4.3(a)(i) of the Disclosure Schedule. Except as set forth on Section 4.3(a)(ii) of the Disclosure Schedule, each Subsidiary of the Company is duly organized, validly existing and in good standing under the laws of its jurisdiction of its incorporation or formation, as applicable, and has all requisite power to own, lease and operate its properties and to carry on its business as now being conducted. Except as set forth on Section 4.3(a)(iii) of the Disclosure Schedule, each such Subsidiary of the Company is duly qualified or licensed as a foreign corporation to do business, and is in good standing, in each jurisdiction where the character of its properties or assets owned, leased or operated by it or the nature of its activities makes such qualification or licensing necessary, except where the failure to be so qualified or licensed would not be reasonably expected to have, individually or in the aggregate, a Material Adverse Effect.

(b) Except as set forth on Section 4.3(b) of the Disclosure Schedule, all of the Equity Securities of each Subsidiary of the Company are owned (of record and beneficially), directly or indirectly, by the Company free and clear of all Liens, other than any (i) Lien arising pursuant to applicable securities Laws and (ii) Permitted Liens. Except as set forth on Section 4.3(b) of the Disclosure Schedule, (A) there are no outstanding direct or indirect restrictions on transfers (including, no rights of first refusal or similar rights) or voting of the Equity Securities of any Subsidiary of the Company and (B) no Person has been granted any agreement or option, or any right or privilege capable of becoming an agreement or option, for the purchase, subscription, allotment or issue of any Equity Securities of any Subsidiary of the Company.

(c) Except for the ownership interests in the Subsidiaries of the Company, none of the Company or any of its Subsidiaries own, directly or indirectly, any Equity Securities in any other Person.

SECTION 4.4. Noncontravention.

(a) The consummation of the transactions contemplated by this Agreement will not, with or without the giving of notice or the lapse of time or both, (i) violate any provision of the Organizational Documents of the Company or any of its respective Subsidiaries, (ii) violate any Law or Order applicable to the Company or any of its respective Subsidiaries or (iii) except as set forth on Section 4.4(a) of the Disclosure Schedule, violate in any material way any Contract to which the Company or any of its Subsidiaries is a party or is legally bound, except in the case of clauses (i), (ii) and (iii) to the extent that any such violation would not reasonably be expected to have, individually or in the aggregate, a Material Adverse Effect.

(b) No Permit or Filing with any Governmental Entity is required by the Company or any of its Subsidiaries in connection with the consummation of the transactions contemplated by this Agreement other than (i) Permits and Filings set forth on Section 4.4(b) of the Disclosure Schedule, (ii) Permits and Filings which have been obtained or made prior to the date hereof and (iii) Permits and Filings the failure of which to obtain or make would not

reasonably be expected to have a Material Adverse Effect or materially prevent or delay the consummation of the transactions contemplated hereby.

SECTION 4.5. Financial Statements. The Sellers have previously furnished or made available to the Buyer copies of (a) (i) the audited consolidated balance sheets of Hydro Star Holdings Corporation, a Delaware corporation (“**HSHC**”), and its Subsidiaries as of December 31, 2009 and December 31, 2010 and the related consolidated statements of income, shareholder’s equity and cash flows for the years ended December 31, 2009 and December 31, 2010 and (ii) the unaudited balance sheets of the Company as of December 31, 2009 and December 31, 2010 and the related statements of income, shareholder’s equity and cash flows for the Company for the years ended December 31, 2009 and December 31, 2010 (items (a)(i) and (ii) collectively, the “**Annual Financial Statements**”) and (b) (i) the unaudited consolidated balance sheet of HSHC and its Subsidiaries as of November 30, 2011 and the related consolidated statements of income, shareholder’s equity and cash flows for the eleven-month period ended on November 30, 2011 and (ii) the unaudited balance sheet of the Company as of September 30, 2011 and the related statements of income, shareholder’s equity and cash flows for the Company for the nine-month period ended on September 30, 2011 (items (b)(i) and (ii) collectively, the “**Interim Financial Statements**” and, together with the Annual Financial Statements, the “**Financial Statements**”). The Financial Statements have been (and the Additional Financial Statements will have been) prepared in all material respects in accordance with GAAP applied on a consistent basis during the periods involved (except as may be indicated in the notes thereto), and, on that basis, present fairly, in all material respects, the consolidated financial condition, results of operations and cash flows of the Company and HSHC and its Subsidiaries as of the indicated dates and for the indicated periods (subject, in the case of the Interim Financial Statements, to normal year-end adjustments that were not or are not expected to be, individually or in the aggregate, materially adverse to the Company, HSHC and their Subsidiaries, taken as a whole, and the absence of notes).

SECTION 4.6. Absence of Certain Changes or Events. Except as set forth on Section 4.6 of the Disclosure Schedule, since September 30, 2011 with respect to the Company, and November 30, 2011 with respect to HSHC and its Subsidiaries (respectively, the “**Balance Sheet Dates**”), the business of the Company and its Subsidiaries has been conducted in accordance with the ordinary course of business consistent with past practices, except in connection with any process relating to a sale of the Company, including entering into this Agreement. Since the Balance Sheet Date, as applicable, there has not been any change or event that, individually or in the aggregate with other changes or events, has resulted in, or would be reasonably expected to result in, a Material Adverse Effect.

SECTION 4.7. Legal Proceedings. Except as disclosed on Section 4.7 of the Disclosure Schedule, there are no Legal Proceedings pending or, to Knowledge of the Sellers, threatened in writing against or otherwise relating to the Company or its Subsidiaries that (a) challenges or seeks to enjoin, alter or materially delay the transactions contemplated by this Agreement or (b) would, individually or in the aggregate, reasonably be expected to result in a Material Adverse Effect. Except as disclosed on Section 4.7 of the Disclosure Schedule, none of the Company nor any of its Subsidiaries is subject to any Order of any Governmental Entity that (a) challenges, enjoins, alters or materially delays the transactions contemplated by this Agreement or (b) would, individually or in the aggregate, reasonably be expected to result in a

Material Adverse Effect.

SECTION 4.8. Compliance with Laws; Permits; Filings.

(a) Except for such noncompliance that would not, individually or in the aggregate, reasonably be expected to be material in any state to all Subsidiaries of the Company operating in such state, taken as whole, or as disclosed on Section 4.8(a) of the Disclosure Schedule, the Company and each of its Subsidiaries is, and since January 1, 2009 has been, in compliance with all, and not in default under or in violation of any Laws applicable to it or its business or properties.

(b) All Permits of all Governmental Entities that the Company and its Subsidiaries require in order to own, lease, maintain, operate and conduct their respective businesses as currently conducted, are held by the Company and its Subsidiaries, as applicable, except as disclosed on Section 4.8(b) of the Disclosure Schedule or such Permits that failure to have would not, individually or in the aggregate, reasonably be expected to be material in any state to all Subsidiaries of the Company operating in such state, taken as a whole. The Company and each of its Subsidiaries is, and since January 1, 2009 has been, collectively, in compliance with the terms of all such Permits, except for such noncompliance that would not, individually or in the aggregate, reasonably be expected to be material in any state to all Subsidiaries of the Company operating in such state, taken as whole.

(c) All Filings (including all rates, tariffs, franchises, service agreements and related documents) required to be made by the Company and its Subsidiaries under applicable Laws relating to the regulation of public utilities have been filed with the appropriate Governmental Entities, and all such Filings complied in all material respects, as of their respective dates, with all applicable requirements of applicable Laws, except where the failure to make such filings or for such filings to comply with all applicable requirements of applicable Laws, would not, individually or in the aggregate, be reasonably expected to be material in any state to all Subsidiaries of the Company operating in such state, taken as whole.

(d) The Company and each of its Subsidiaries, to the extent necessary to conduct their respective businesses as currently conducted, is duly authorized and franchised by the relevant Governmental Entity to provide water service and/or wastewater service and otherwise operate as a “water company”, “water utility”, “waterworks corporation”, “wastewater company”, “wastewater utility” or similar entity within the jurisdictions in which the Company and its Subsidiaries provide water and/or wastewater service, except where the failure to be so authorized or to hold such franchise would not, in the aggregate, reasonably be expected to be material in any state to all Subsidiaries of the Company operating in such state, taken as whole.

(e) This Section 4.8 does not relate to (i) employee benefits, which matters are the subject of Section 4.11, (ii) environmental matters, which matters are the subject of Section 4.13, or (iii) matters related to Taxes, which matters are the subject of Section 4.15.

SECTION 4.9. Material Contracts.

(a) Section 4.9(a) of the Disclosure Schedule sets forth a list of the following types of Contracts (other than any Contracts affecting real property) to which the Company or

any of its Subsidiaries is a party or otherwise is legally bound:

(i) each Contract with any Affiliate of the Company or any of its Subsidiaries;

(ii) any non-competition Contract or other Contract that purports to limit in any material respect the ability of the Company or any of its Subsidiaries from providing water or wastewater services in any location (excluding use or other limitations on owned, leased or subleased real property);

(iii) any Contract providing for indemnification by the Company or any of its Subsidiaries of any Person, except for any indemnification provisions that are (x) both (A) not material to the Company or any of its Subsidiaries, taken as a whole and (B) entered into in the ordinary course of business consistent with past practice or (y) entered into in connection with the purchase or sale of any water or wastewater system (for purposes of clarity, this clause (y) does not limit the Sellers' disclosure obligations with respect to Contracts required to be disclosed by Section 4.9(a)(iv));

(iv) any Contract pursuant to which the Company or any of its Subsidiaries purchased or sold any water or wastewater system during the five-year period prior to the date hereof;

(v) any Contract (other than computer or telecommunications software and hardware licenses for generally commercially available software or hardware entered into in the ordinary course of business) pursuant to which the Company or any of its Subsidiaries is granted, or grants to a third party, a right to use any material Intellectual Property, or is restricted in its right to use or register any material Intellectual Property, including any material license agreements, coexistence agreements, and covenants not to sue;

(vi) any Contract for Indebtedness; and

(vii) any Contract reasonably expected to result in future payments to or by the Company and/or any of its Subsidiaries in excess of \$250,000 per annum, except for Contracts that are terminable on less than ninety (90) days' notice without penalty (other than de minimus payments).

(b) The Contracts required to be set forth on Section 4.9(a) of the Disclosure Schedule are collectively referred to as the "**Material Contracts**". None of the Company or any of its Subsidiaries or, to the Knowledge of the Sellers, any other party thereto, is in, or, during the three-year period prior to the date hereof, has received written notice of any, violation of or default under (including any condition which with the passage of time or the giving of notice would cause such a violation or default under) any Material Contract other than those violations or defaults that would not, individually or in the aggregate, reasonably be expected to result in a Material Adverse Effect. A copy of each Material Contract (subject to redaction or non-disclosure to protect proprietary or confidential information concerning the Company or its Subsidiaries or as otherwise necessary to comply with the confidentiality obligations of the Company or its Subsidiaries) has previously been made available to the Buyer. Each Material Contract is a valid and binding agreement of the Company and its relevant Subsidiaries, as

applicable, is in full force and effect (except to the extent such Material Contract terminates or expires after the date hereof in accordance with its terms), and is enforceable against the Company or its relevant Subsidiaries and, to the Knowledge of the Sellers, each other party thereto, in accordance with its terms, except (i) as limited by bankruptcy, insolvency, reorganization, moratorium, fraudulent conveyance or other similar Laws relating to creditors' rights generally, (ii) as limited by general principles of equity, whether such enforceability is considered in a proceeding in equity or at Law or (iii) for such failures to be valid and binding or in full force and effect that would not, individually or in the aggregate, reasonably be expected to result in a Material Adverse Effect. Each of the Company and its relevant Subsidiaries has performed in all material respects all obligations required to be performed by it under each Material Contract and, to the Knowledge of the Sellers, each other party to each Material Contract has performed in all material respects all obligations required to be performed by it under each Material Contract, in each case except for such failures as would not individually or in the aggregate, reasonably be expected to result in a Material Adverse Effect.

(c) Except as set forth on Section 4.9(c) of the Disclosure Schedule, the consummation of the transactions contemplated by this Agreement will not (i) result in the loss or impairment of any material rights under any Material Contract, (ii) trigger the payment of any additional amounts with respect to any Material Contract, other than any immaterial amount or (iii) require the consent of any third party under a Material Contract.

SECTION 4.10. Real Property.

(a) Owned Real Property. The Company or a Subsidiary of the Company has good and marketable fee title to each parcel of real property purported to be owned by the Company and its Subsidiaries (the "**Company-Owned Real Property**") which are material to the business or consolidated financial condition of the Company or any of its Subsidiaries free and clear of all Liens, except for Permitted Liens.

(b) Leased Real Property. Section 4.10(b) of the Disclosure Schedule contains a list of all leases and subleases (such leases and subleases that are required to be set forth on Section 4.10(b) of the Disclosure Schedule, collectively, the "**Real Property Leases**") under which the Company or any of its Subsidiaries is lessee and which provide for payments by the Company or any of its Subsidiaries in any one case annual payments of \$100,000 or more (the "**Company-Leased Real Property**" and, together with the Company-Owned Real Property, the "**Real Property**"). None of the Company or any of its respective Subsidiaries or, to the Knowledge of the Sellers, any other party thereto, is in, or, during the three-year period prior to the date hereof, has received written notice of any, violation of or default under (including any condition which with the passage of time or the giving of notice would cause such a violation or default under) any Real Property Leases other than those violations or defaults that would not, individually or in the aggregate, reasonably be expected to result in a Material Adverse Effect. A copy of each Real Property Lease (subject to redaction or non-disclosure to protect proprietary or confidential information concerning the Company or its Subsidiaries or as otherwise necessary to comply with the confidentiality obligations of the Company or its Subsidiaries) has previously been made available to the Buyer. Each Real Property Lease is a valid and binding agreement of the Company and its relevant Subsidiaries, as applicable, is in full force and effect (except to the extent such Real Property Lease terminates or expires after the date hereof in accordance with its

terms), and is enforceable against the Company or its relevant Subsidiaries and, to the Knowledge of the Sellers, each other party thereto, in accordance with its terms, except (i) as limited by bankruptcy, insolvency, reorganization, moratorium, fraudulent conveyance or other similar Laws relating to creditors' rights generally, (ii) as limited by general principles of equity, whether such enforceability is considered in a proceeding in equity or at Law or (iii) for such failures to be valid and binding or in full force and effect that would not, individually or in the aggregate, reasonably be expected to result in a Material Adverse Effect. Each of the Company and its relevant Subsidiaries has performed in all material respects all obligations required to be performed by it under each Real Property Lease and, to the Knowledge of the Sellers, each other party to each Real Property Lease has performed in all material respects all obligations required to be performed by it under each Real Property Lease, in each case except for such failures as would not individually or in the aggregate, reasonably be expected to result in a Material Adverse Effect.

(b) Except as set forth on Section 4.11(b) of the Disclosure Schedule:

(ii) each Company Benefit Plan that is intended to be qualified under Section 401(a) of the Code is subject to a favorable determination letter from the IRS and, to the Knowledge of the Sellers, no event has occurred and no condition exists that is reasonably likely to result in the revocation of any such determination;

(iii) each Company Benefit Plan has been maintained in all material respects in compliance with its terms and applicable Law, including ERISA and the Code; and

(iv) to the Knowledge of the Sellers, no Company Benefit Plan is reasonably expected to give rise to a tax under Section 409A of the Code to the extent the terms of the plan are complied with.

(f) All contributions required to be made to and all amounts required to be credited under any Company Benefit Plan (whether required pursuant to the terms of the Company Benefit Plan, applicable Law or otherwise) have been timely made or accrued in accordance with GAAP, as the case may be.

(g) Except as set forth on Section 4.11(g) of the Disclosure Schedule or except as required by applicable Law, neither the Company nor any of its ERISA Affiliates has a contract, plan or commitment, whether legally binding or not, to adopt any plan, agreement or arrangement that would be a Company Benefit Plan if adopted.

(h) Except as set forth on Section 4.11(h) of the Disclosure Schedule and payments required under the Value Creation Shares Plan, the consummation of the transactions contemplated by this Agreement, whether alone or together with any other event, will not give rise to liability for severance or termination or other pay, or accelerate the time of payment or vesting or increase the amount of compensation or benefits due to any present or former employee, director or officer of the Company or its Subsidiaries or their beneficiaries. Except as set forth on Section 4.11(h) of the Disclosure Schedule, no amounts payable under the Company Benefit Plans will fail to be deductible for U.S. federal income tax purposes by virtue of Section 280G or Section 162(m) of the Code.

SECTION 4.12. Labor and Employment Matters.

All material insurance policies of the Company and its Subsidiaries are valid, in full force and effect and enforceable policies and all premiums with respect thereto have been or will be timely paid. Each of the Company and its Subsidiaries is insured in such amounts on such terms and against such risks and losses as (x) the Company reasonably believes are customary in all material respects for companies in the United States conducting the business conducted by the Company or the applicable Subsidiaries (taking into account the location and size of such entity) and (y) as is required by applicable Law.

SECTION 4.23. Assets; Rates. Except for such tangible personal property the failure of which to have good and valid title to would not reasonably be expected to materially impair the conduct of operations of the Company and its Subsidiaries, taken as a whole, each of the Company and its relevant Subsidiaries has good and valid title to all tangible personal property which it purports to own, except for assets consumed in the ordinary course of business since the Balance Sheet Dates, as applicable, and which are material to the business or financial condition of the Company or relevant Subsidiaries free and clear of all Liens except Permitted Liens. Except as set forth in Section 4.23 of the Disclosure Schedule, each item of material tangible property is in good working order and is adequate and sufficient for the Company's or its Subsidiaries' current use, ordinary wear and tear expected, except for any failures that do not or would not reasonably be expected, individually or in the aggregate, to have a Material Adverse Effect.

The Sellers hereby disclaim any such representations or warranties and the Buyer hereby disclaims any reliance upon any Evaluation Material and each acknowledges and agrees that none of the Sellers nor any of their respective directors, officers, employees, stockholders, agents, Affiliates or representatives shall have or be subject to any liability to the Buyer or any other Person resulting from the distribution to the Buyer of, or the Buyer’s use or reliance on, any such Evaluation Material.

ARTICLE V

REPRESENTATIONS AND WARRANTIES OF THE BUYER

The Buyer represents and warrants to the Sellers that each statement contained in this Article V is true and correct as of the date hereof (and on the Closing Date to the extent specifically provided in Section 7.2(a)), except as set forth in the Disclosure Schedule.

SECTION 5.1. Organization and Existence. The Buyer is a limited liability company duly organized, validly existing and in good standing under the laws of Delaware.

SECTION 5.2. Authority and Enforceability. The Buyer has the requisite power and authority to execute and deliver this Agreement, to perform its obligations hereunder and to consummate the transactions contemplated hereby. The execution, delivery and performance by the Buyer of this Agreement and the consummation by the Buyer of the transactions contemplated hereby have been duly authorized by all necessary action on the part of the Buyer, and no other action is necessary on the part of the Buyer to authorize this Agreement or to consummate the transactions contemplated hereby. This Agreement has been duly executed and delivered by the Buyer and, assuming the due authorization, execution and delivery by each other party hereto, constitutes a legal, valid and binding obligation of the Buyer, enforceable against the Buyer in accordance with its terms, except as limited by (a) bankruptcy, insolvency, reorganization, moratorium, fraudulent conveyance or other similar Laws relating to creditors’ rights generally and (b) general principles of equity, whether such enforceability is considered in a proceeding in equity or at Law.

SECTION 5.3. Noncontravention.

(a) Neither the execution, delivery and performance of this Agreement by the Buyer, nor the consummation of the transactions contemplated by this Agreement, will, with or without the giving of notice or the lapse of time or both, (i) violate any provision of the Organizational Documents of the Buyer, (ii) violate any Law or Order applicable to the Buyer or (iii) violate any Contract to which the Buyer is a party or is legally bound, except in the case of

clauses (ii) and (iii) to the extent that any such violation would not reasonably be expected to have, individually or in the aggregate, a material adverse effect on the Buyer's ability to perform its obligations hereunder.

(b) Assuming the accuracy of Sellers' representations in Sections 3.3(b) and 4.4(b), no Permit of, or Filing with, any Governmental Entity is required in connection with the execution and delivery of this Agreement by the Buyer, the performance by the Buyer of its obligations hereunder and the consummation by the Buyer of the transactions contemplated hereby other than (i) Permits and Filings set forth on Section 5.3(b) of the Disclosure Schedule, (ii) Permits and Filings which have been obtained or made by the Buyer prior to the date hereof and (iii) Permits and Filings the failure of which to obtain or make would not reasonably be expected to have a material adverse effect on the Buyer's ability to perform its obligations hereunder.

SECTION 5.4. Legal Proceedings. There are no Legal Proceedings pending or, to the Knowledge of the Buyer, threatened against or otherwise relating to the Buyer that would, individually or in the aggregate, reasonably be expected to have a material adverse effect on the Buyer's ability to perform its obligations hereunder.

SECTION 5.5. Available Funds. The Buyer has access to, and will have access to at the Closing, cash which is sufficient to enable it to consummate the transactions contemplated by this Agreement (including paying the Purchase Price and other costs and expenses contemplated by this Agreement). Corix Infrastructure Inc. has delivered a valid and binding equity commitment letter to Highstar Capital Fund II, L.P. pursuant to which Corix Infrastructure Inc. has committed to fund the Purchase Price to the Buyer at the Closing (a copy of which has been provided to the Sellers) and Corix Infrastructure Inc. has received a valid and binding equity commitment letter from certain affiliates of British Columbia Investment Management Corporation ("**bcIMC**") pursuant to which bcIMC has committed to fund or cause its Affiliates to fund the Purchase Price to Corix Infrastructure Inc. at the Closing (a copy of which has been provided to the Sellers) (collectively, the "**Commitment Letters**"). Each Commitment Letter is in full force and effect and has not been withdrawn or terminated, or otherwise amended or modified in any respect, and no withdrawal, termination, amendment or modification is contemplated. Each Commitment Letter is a legal, valid and binding obligation of the parties thereto. There are no other agreements, side letters or arrangements relating to any Commitment Letter that could affect the availability of the funding of the Purchase Price under such Commitment Letters (the "**Financing**"), and the Buyer does not know of any facts or circumstances that may be expected to result in any of the conditions set forth in any Commitment Letter not being satisfied, or the Financing not being available to the Buyer, on the Closing Date. No event has occurred which, with or without notice, lapse of time or both, would constitute a default or breach on the part of the Buyer or any other party under any term or condition of any Commitment Letter, and the Buyer has no reason to believe that any term or condition of closing to be satisfied by under the Commitment Letters will not be timely satisfied. Any and all commitment fees or other fees required by each Commitment Letter to be paid have been paid on or before the date of this Agreement. The Commitment Letters contain all of the conditions precedent to the obligations of the parties thereunder to make the Financing available on the terms therein. The Financing will be available to the Buyer on a timely basis to consummate the transactions contemplated by this Agreement and the Buyer knows of no fact or

circumstance that would cause the Financing to be unavailable on such basis. It is acknowledged and agreed by the Parties that the obligations of the Buyer under this Agreement are not subject to any conditions regarding the Buyer's, its Affiliate's, or any other Person's ability to obtain financing for the consummation of the transactions contemplated hereby.

SECTION 5.6. No Distribution. The Buyer acknowledges that the Company Interests being acquired pursuant to this Agreement have not been registered under the Securities Act of 1933, as amended, or under any state or foreign securities laws. The Buyer is purchasing the Company Interests for its own account and not with a view to any public resale or other distribution thereof, except in compliance with applicable securities laws.

SECTION 5.7. Investigation. The Buyer is a sophisticated entity, is knowledgeable about the industry in which the Company and its Subsidiaries operate, is experienced in investments in such businesses and is able to bear the economic risk associated with the purchase of the Company Interests and the other transactions contemplated by this Agreement. The Buyer has such knowledge and experience as to be aware of the risks and uncertainties inherent in the purchase of the type contemplated in this Agreement, as well as the knowledge of the Company and its Subsidiaries and their respective operations in particular, and has independently, based on such information made its own analysis and decision to enter into this Agreement. The Buyer has had access to the books, records, facilities and personnel of the Company and its respective Subsidiaries for purposes of conducting its due diligence investigation of the Company and its respective Subsidiaries.

SECTION 5.8. Regulation as a Holding Company. Neither the Buyer nor any of its Subsidiaries is a "public utility company" or a "holding company" or a "subsidiary company" or an "affiliate" of any holding company which is required to register as a holding company under the Holding Company Act, in each case as defined in the Holding Company Act.

SECTION 5.9. No Conflicting Contracts. Neither the Buyer, nor to the Knowledge of the Buyer, any of its Affiliates, is a party to any Contract to build, develop, acquire or operate any water utility facility, or otherwise owns assets or is engaged in a business, that would reasonably be expected to materially impair or prevent the Closing (including materially impairing or preventing any Governmental Entity's granting of a Permit).

SECTION 5.10. Brokers. Except for Wells Fargo Securities, LLC (the fees and expenses of which will be the responsibility of Buyer and/or its Affiliates), neither the Buyer nor any of its Affiliates has any liability or obligation to pay fees or commissions to any broker, finder or agent with respect to the transactions contemplated by this Agreement.

Notwithstanding anything contained herein, the Buyer shall not be permitted during the Interim Period to contact any of the Company's or its Subsidiaries' vendors, customers or suppliers, or any Governmental Entities (except in connection with applications for Permits or Filings required to be made prior to the Closing under this Agreement and, in such case, only in accordance with the terms of this Agreement) regarding the operations or legal status of the Company or its Subsidiaries without receiving prior written consent from the Sellers and the Buyer shall not have the right to conduct any environmental testing, sampling or analysis (including any soil, water, groundwater, surface water or air testing, sampling or analysis) at, on, under or from any Real Property.

(b) Following the Closing, each of the Sellers shall be entitled to retain copies (at such Seller's sole cost and expense) of all books and records relating to its ownership of the Company and its Subsidiaries, as applicable, and their respective businesses, provided, however, that such retained copies shall be subject to the confidentiality obligations set forth in Section 6.5(c).

(c) After the Closing, at Sellers' sole cost and expense, the Buyer will, and will cause its Representatives to, afford to each of the Sellers, including their respective Representatives, reasonable access to all books, records, files and documents to the extent they are related to the Company and their respective Affiliates and equity holders in order to permit such Persons to prepare and file their respective Tax Returns and to prepare for and participate in any investigation with respect thereto, to prepare for and participate in any other investigation and defend any Legal Proceedings relating to or involving such Person, to discharge its obligations under this Agreement, to comply with financial reporting requirements, and for other reasonable purposes, and will afford such Person reasonable assistance in connection therewith. The Buyer will cause such records to be maintained for not less than six years from the Closing Date and will not dispose of such records thereafter without first offering in writing to deliver them to the Sellers; provided, however, that in the event that the Buyer transfers all or a portion of the business of the Company or any of its Subsidiaries to any third party during such period, the Buyer may transfer to such third party all or a portion of the books, records, files and documents related thereof, provided such third party transferee expressly assumes in writing the obligations of the Buyer under this Section 6.1(c).

SECTION 6.2. Conduct of Business Pending the Closing.

(a) During the Interim Period and except as prohibited pursuant to this Section 6.2, the Sellers shall cause the Company and each of its Subsidiaries to use commercially reasonable efforts to conduct their businesses in, and not take any action not in, the ordinary course of business consistent with past practices and good water and wastewater utility practices (giving consideration to the location, size and technology of each water and wastewater system), and, subject to the requirements of this Agreement, to use commercially reasonable efforts to preserve, maintain and protect in all material respects their assets and properties, maintain its corporate organization (including good standing in applicable jurisdictions) and to keep available the services of their key officers and employees, to preserve their relationships with Governmental Entities and counterparties to Material Contracts and to comply in all material respects with applicable Laws. Without limiting the foregoing, during the Interim Period, except as otherwise expressly contemplated by this Agreement or set forth on Section 6.2(a) of the Disclosure Schedule or as consented to by the Buyer, which consent shall not be unreasonably withheld, conditioned or delayed, the Sellers shall cause the Company and each of its Subsidiaries not to:

(i) transfer, lease, license, guarantee, sell, mortgage, pledge, encumber or otherwise dispose of any of its material assets or properties, other than (A) sales or dispositions of obsolete or surplus assets, (B) sales and dispositions in connection with the normal repair and/or replacement of assets or properties or involuntary sales in lieu of condemnation or in connection with eminent domain or similar Legal Proceedings, (C) sales or dispositions required by and in accordance with any Material Contract or Real Property Lease, (D) the grant of easements, rights of way and non-monetary Liens on real property in the ordinary course of business consistent with past practice and not having or reasonably expected to, individually or in the aggregate, materially detract from the value of the relevant property or materially interfere with the Company's or relevant Subsidiary's conduct of its business in the ordinary course consistent with past practice, (E) consummation of the Bradfield Farms Transaction, the Bayside Transaction or the Sandy Creek Transaction, in each case, in accordance with the terms of the relevant transaction agreement made available to Buyer prior to the date hereof and (F) sales or dispositions contemplated by Section 6.2(a) of the Disclosure Schedule;

(ii) directly or indirectly acquire, whether by merger or consolidating with, or acquiring all or substantially all of the assets of, any other Person;

(iii) grant, issue, sell, pledge, encumber or otherwise dispose of, or split or combine any of the Equity Securities of the Company or any of its Subsidiaries, other than any award of additional Value Creation Shares provided that the aggregate number of outstanding Value Creation Shares shall not exceed the 10,000,000 Value Creation Shares to the extent authorized under the Value Creation Shares Plan;

(iv) declare, set aside or pay any dividends on, or make any other

(v) liquidate, dissolve, reorganize or otherwise wind up their business or operations;

(vi) purchase any Equity Securities of any Person other than a Subsidiary, except for short-term investments or cash equivalents made in the ordinary course of business consistent with past practices;

(vii) amend or modify their respective Organizational Documents;

(viii) effect any recapitalization or reclassification of the Company or any of its Subsidiaries or effect any like change in the Company’s or any of its Subsidiaries’ equity capitalization (other than capital contributions by the Sellers to the Company or by the Company or any of its Subsidiaries to any other Subsidiary so long as any such capital contributions by the Sellers is done with the prior written consent, not to be unreasonably withheld, of the Buyer);

(ix) engage in any material new line of business;

(x) (A) change any material Tax or accounting methods, policies or practices, except as required by a change in GAAP or applicable Law, (B) make, revoke or amend any material Tax election or amend any material Tax Return or (C) enter into any settlement or closing agreement affecting any material Tax liability, if such action described in subclauses (A), (B) or (C) would reasonably be expected to materially and adversely affect the Company or any of its Subsidiaries after the Closing;

(xi) adopt any new or make any material amendment to any Company Benefit Plan, increase the compensation and employee benefits of any officer or employee of the Company or any of its Subsidiaries except (A) any increases in the rate of compensation to any officer or employee in the ordinary course of business consistent with past practice that in the aggregate do not exceed ■ of the per annum compensation currently paid to all officers and employees of the Company and its Subsidiaries, in the aggregate (not including in such calculation any payments permitted pursuant to clause (D) of this Section 6.2(a)(xi) or made under the Utilities, Inc. Annual Short Term Incentive Plan), (B) any increases pursuant to any existing Contracts or Benefit Plans, (C) any immaterial amendment to any Benefit Plan made in the ordinary course of business or (D) any payments payable to any officer or employee of the Company or any of its

Subsidiaries that has been agreed to by the Buyer and the Sellers;

(xii) create, incur, assume, guarantee or otherwise become liable with respect to any Indebtedness other than (A) in the ordinary course of business consistent with past practices, including in respect of customer advances, customer deposits and construction advances, in an aggregate amount not to exceed [REDACTED] (B) intercompany debt, (C) the incurrence of indebtedness for money borrowed or guarantees of indebtedness for money borrowed under the Utilities, Inc. Credit Agreement that would cause all indebtedness under such facility to exceed [REDACTED] outstanding at that time (not including in this calculation (1) such indebtedness incurred in emergency situations, (2) such indebtedness incurred for capital expenditures directed by a Governmental Entity but not otherwise included in the Capital Expenditure Plan, (3) any outstanding letters of credit issued as of the date hereof pursuant to the Utilities, Inc. Credit Agreement (or the renewal or replacement of such letters of credit)), the Sellers shall consult with, and reasonably consider any comments received from, the Buyer's appointees to the Transition Committee or (D) the incurrence of indebtedness for money borrowed pursuant to the HSHC Credit Agreement (to the extent such Indebtedness is repaid by the Sellers at or prior to Closing); provided, however, that HSHC or Utilities, Inc. may in the Sellers' sole discretion amend, amend and restate, supplement, modify, refinance, renew, extend or replace the HSHC Credit Agreement or the Utilities, Inc. Credit Agreement, as applicable, or enter into a new credit facility to replace such facility, at then current market rates and then current market terms (to the extent that such indebtedness under the HSHC Credit Agreement is repaid by Sellers at or prior to Closing and the changes to the Utilities, Inc. Credit Agreement would not reasonably be expected to result in material additional costs to terminate such agreement as of Closing);

(xiii) other than in connection with the expenditures to be made under the Capital Expenditure Plan, (A) prior to the expiration or termination of the applicable waiting period imposed by any Governmental Entity under the HSR Act, other than in the ordinary course of business, enter into any new Material Contract; and (B) following the expiration or termination of the applicable waiting period imposed by any Governmental Entity under the HSR Act, (1) other than in the ordinary course of business, amend, replace, modify, terminate (unless the counterparty is in default under the applicable Material Contract and such termination is permitted) or waive any material term under any Material Contract, other than as permitted pursuant to Section 6.2(a)(xii) or (2) enter into any new Material Contract, other than to replace a then-effective Material Contract on substantially similar terms;

(xv) fail to maintain insurance in such amount and against such risks and losses as are consistent with the insurance heretofore maintained by or on behalf of the Company and its Subsidiaries;

(xvi) other than in connection with Section 6.2(b), make any commitment for, make or authorize any capital expenditures other than (A) capital expenditures that do not exceed, in the aggregate, ██████████ in any given fiscal year (the “**Capital Expenditure Plan**”); (B) capital expenditures directed by a Governmental Entity but not otherwise included in the Capital Expenditure Plan; or (C) capital expenditures with respect to emergency situations, provided, however, that the Company and its Subsidiaries may, in the sole discretion of the Sellers, delay the making of any capital expenditures included on the Capital Expenditure Plan and in the event any portion of the Capital Expenditure Plan is not utilized in 2012, such amount shall be added to the Capital Expenditure Plan for 2013; provided, further, the Sellers shall cause Utilities, Inc. to deliver to the Transition Committee a copy of the annual capital expenditure budget prior to approval of such budget by the Board of Directors of Utilities, Inc. and cause Utilities, Inc. to consult with and reasonably consider any comments to such budget received from the Buyer’s appointees to the Transition Committee, provided, further, that prior to making any material deviation from any capital expenditure that is budgeted in the then applicable Capital Expenditure Plan for more than ██████████ or new, unbudgeted capital expenditures in excess of ██████████, the Sellers shall cause Utilities, Inc. shall to consult with, and reasonably consider any comments received from, the Buyer’s appointees to the Transition Committee;

satisfactions that do not require more than [REDACTED] in the aggregate for all such payments, discharges, settlements and satisfactions;

(xix) make any rate case filing unless the Company or its Subsidiaries, as applicable, have first consulted with, and reasonably consider any comments received from, the Buyer's appointees to the Transition Committee; provided, in no event shall the Company or any of its Subsidiaries be required to consult with the Buyer with respect to index pass throughs, rate trackers, reconciliations or other routine filings; and

(xx) agree or commit to do any of the foregoing.

(b) Notwithstanding Section 6.2(a) or any other provision herein, the Company and each of its Subsidiaries may take commercially reasonable actions with respect to emergency situations and/or to comply with applicable Laws (which means, in the case of capital expenditures, as directed by a Governmental Entity); provided, however, that the Sellers shall provide the Buyer with notice of such action as soon as reasonably practicable after taking such action.

(c) Notwithstanding anything to the contrary contained herein, the Parties acknowledge that (i) except for Permitted Dividends, none of the Company, HSHC or Utilities, Inc. or any of its Subsidiaries shall make or pay any dividends or any distributions (whether in cash, stock or property) to HSHC, the Company or the Sellers and (ii) HSHC and the Company may, in the sole discretion of the Sellers, use any cash they hold as of the date hereof or the proceeds of any amount contributed by the Sellers, directly or indirectly to the Company or any of its Subsidiaries, or the proceeds of any Permitted Dividend to pay any Indebtedness of HSHC and making or paying any Permitted Dividend or paying any such Indebtedness shall not affect the calculation of the Purchase Price.

SECTION 6.3. Letter of Credit.

(a) The Buyer shall cause the Letter of Credit to remain in full force and effect until the Closing. The Sellers shall not draw upon, or exercise any rights with respect to, the Letter of Credit except pursuant to this Section 6.3 or Section 8.3 of this Agreement. The Sellers will return the Letter of Credit to the Buyer at the earlier of (a) the Closing and (b) 30 days after a termination of this Agreement in accordance with Article VIII in a situation where the Termination Fee is not payable by the Buyer.

(b) The Buyer agrees to cause the issuer to renew the Letter of Credit, in the same form from time to time during the term of the Agreement, at least 30 days prior to the expiration of the Letter of Credit or any renewal thereof so that a Letter of Credit issued by the issuer, or a different commercial bank in the United States or Canada (that can be drawn on in the United States) that satisfies the credit rating set forth in the definition of "Letter of Credit", to the Sellers shall be in full force and effect through the term of this Agreement and for at least 30 days after any termination of this Agreement. Notwithstanding the foregoing, if the issuer does not satisfy the renewal requirements of the previous sentence, the Sellers shall be permitted to immediately draw upon and exercise rights with respect to the Letter of Credit and retain such

funds until such time as the Sellers would have been required to return the Letter of Credit to the Buyer pursuant to Section 6.3; provided, however, if following such draw by the Sellers the Buyer delivers to the Sellers a replacement Letter of Credit issued by a commercial bank in the United States or Canada (that can be drawn on in the United States) that satisfies the credit rating set forth in the definition of “Letter of Credit”, the Sellers shall promptly return such funds to the Buyer.

(c) Notwithstanding the foregoing, if the credit ratings of the commercial bank that provides the Letter of Credit cease to satisfy the requirements set forth in the definition of “Letter of Credit” contained herein and the Buyer does not, within one (1) Business Day after such requirements have ceased to be satisfied, provide to the Sellers a substitute letter of credit containing substantially identical terms to the Letter of Credit from a commercial bank in the United States or Canada (that can be drawn on in the United States) that satisfies such credit rating requirements, the Sellers shall be permitted to immediately draw upon and exercise rights with respect to the Letter of Credit and retain such funds until such time as the Sellers would have been required to return the Letter of Credit to the Buyer pursuant to Section 6.3; provided, however, if following such draw by the Sellers the Buyer delivers to the Sellers a replacement Letter of Credit issued by a commercial bank in the United States or Canada (that can be drawn on in the United States) that satisfies the credit rating set forth in the definition of “Letter of Credit”, the Sellers shall promptly return such funds to the Buyer.

(d) The Parties acknowledge and agree that a draw upon the Letter of Credit by the Sellers shall not be considered an admission by the Buyer that a Termination Fee is due or payable. In the event the Sellers draw upon the Letter of Credit and a court of competent jurisdiction enters a final, nonappealable order that such Termination Fee was not due pursuant to the terms of this Agreement, the Sellers shall return the drawn funds to the Buyer.

SECTION 6.4. Non-Solicitation. From the date hereof through the Closing or earlier termination of this Agreement, none of the Sellers, the Company nor any of their Subsidiaries nor any of their respective Representatives shall, directly or indirectly, enter into, knowingly solicit, initiate or continue any discussions or negotiations with, or knowingly encourage or respond to any inquiries or proposals by, or participate in any negotiations with, or provide any information to, or otherwise cooperate in any way with, any Person or other entity or group, concerning any sale of all or substantially all of the assets of the Company and its Subsidiaries, taken as a whole, or a majority of outstanding shares of capital stock of the Company or any conversion, consolidation, liquidation, dissolution or similar transaction involving the Company and its Subsidiaries other than with Buyer and its Representatives.

SECTION 6.5. Confidentiality; Publicity.

(a) The Parties shall reasonably cooperate to prepare and make a public announcement and create and implement a communications plan regarding this proposed transaction promptly following the date hereof. Notwithstanding the foregoing, none of the Parties will make any public announcement or issue any public communication regarding this Agreement or the proposed transaction or any matter related to the foregoing, without the prior written consent of the other Parties (not to be unreasonably withheld), except (a) if such announcement or other communication is required by applicable Law or Order, in which case the

disclosing Party shall, to the extent permitted by applicable Law or Order, first allow the other Party to review such announcement or communication and the opportunity to comment thereon; (b) in the case of the Sellers, the Buyer and their respective Affiliates, if such announcement or other communication is in connection with fundraising or other investment related activities or is to its direct and indirect investors; (c) to the extent consistent with the communications plan mutually agreed upon by the Parties, internal announcements to employees of the Company and its Subsidiaries or to employees of the Buyer and its Affiliates; (d) announcements and communications to Governmental Entities in connection with Filings or Permits relating to the transactions contemplated by this Agreement; or (e) if such announcements or communications are consistent with the communications plan mutually agreed upon by the Parties.

(b) The confidentiality provisions of the Confidentiality Agreement shall be incorporated herein, with effect from the date hereof until the earlier to occur of (i) the Closing or (ii) two years from the date hereof.

(c) During the two-year period following the Closing, the Sellers will, and will cause their respective Affiliates and Representatives to, hold in confidence any and all information concerning the Company or any of its Subsidiaries that would have been considered “Confidential Material” under the Confidentiality Agreement had it been disclosed to the Buyer prior to the date hereof, except to the extent that the Buyer was permitted to disclose such information under the Confidentiality Agreement.

SECTION 6.6. Expenses. Except as otherwise expressly provided in this Agreement, whether or not the transactions contemplated hereby are consummated, each Party will pay, and the Sellers will cause the Company and each of its Subsidiaries to pay, its own costs and expenses incurred in anticipation of, relating to and in connection with the negotiation and execution of this Agreement and the transactions contemplated hereby. Notwithstanding the immediately preceding sentence, (i) the Buyer, on the one hand, and the Sellers, on the other hand, shall each be responsible for 50% of all filing fees required by Governmental Entities, including PUCs with respect to Filings or Permits required in connection with the execution and delivery of this Agreement, the performance of the obligations hereunder and the consummation of the transactions contemplated hereby, including filing fees in connection with filings under the HSR Act, and (ii) the Buyer shall be responsible for all legal fees and expenses relating to the services provided to the Parties or the Company or any of its Subsidiaries, collectively, by local counsel in connection with making such Filings and obtaining such Permits.

SECTION 6.7. Governmental Filings.

(a) **HSR Act Filing.** The Buyer and the Sellers shall use their reasonable best efforts to make an appropriate filing of a Notification and Report Form pursuant to the HSR Act with respect to the transactions contemplated hereby within 15 days following the execution of this Agreement. The Buyer and the Sellers shall supply as promptly as practicable any additional information or documentary material that may be requested pursuant to the HSR Act and shall take all other actions necessary to cause the expiration or termination of the applicable waiting periods under the HSR Act as soon as practicable. The Buyer and the Sellers shall comply substantially with any additional requests for information, including requests for production of documents and production of witnesses for interviews or depositions, made by the Antitrust

Division of the United States Department of Justice, the United States Federal Trade Commission or the antitrust or competition law authorities of any other applicable jurisdiction (the “**Antitrust Authorities**”) and take all other reasonable actions to obtain clearance from the Antitrust Authorities. The Buyer shall exercise its reasonable best efforts, and the Sellers shall cause the Company and its Subsidiaries to use their reasonable best efforts, to prevent the entry in any Legal Proceeding brought by an Antitrust Authority or any other Governmental Entity of an Order that would prohibit, make unlawful or delay the consummation of the transactions contemplated by this Agreement.

(b) Other Regulatory Filings. The Buyer and the Sellers will use their reasonable best efforts to, and Sellers will cause the Company and its Subsidiaries to, as soon as reasonably practicable and in no event more than 60 days following the execution of this Agreement, prepare and file with each applicable Governmental Entity all Filings and requests for such Permits as may be necessary for the consummation of the transactions contemplated hereby in accordance with the terms of this Agreement. The Buyer and the Sellers will, and Sellers will cause the Company or its Subsidiaries to, diligently pursue and use their reasonable best efforts to obtain such Permits as soon as reasonably practical and will cooperate with each other in seeking such Permits. To such end, the Parties agree to make available the personnel and other resources of their respective organizations in order to obtain all such Permits. Each Party will promptly inform the other Parties of any material communication received by such Party from, or given by such Party to, any Governmental Entity from which any such Permit is required and of any material communication received or given in connection with any Legal Proceeding by a private party, in each case regarding any of the transactions contemplated hereby, and will permit the other Party to review any communication given by it to, and consult with each other in advance of any response to, or meeting or conference with, any such Governmental Entity or, in connection with any Legal Proceeding by a private party, with such other Person, and to the extent permitted by such Governmental Entity or other Person, give the other Party the opportunity to review such response and to attend and to participate in such meetings and conferences.

(c) Subject to Section 6.7(d), the Buyer agrees that the obtaining of required consents and approvals of parties to Contracts with the Company and its Subsidiaries, and any Filings or Permits with or from any Governmental Entity, are the responsibility of the Buyer, and that the Buyer shall take, or cause to be taken, all actions and to do, or cause to be done, all things required, necessary, proper or advisable to obtain such third-party consents and approvals of parties to Contracts with the Company and its Subsidiaries and such Filings or Permits with or from any Governmental Entity as are required, necessary, proper or advisable in connection with the consummation of the transactions contemplated hereby; provided, however, that the Sellers shall, and shall cause the Company and its Subsidiaries to cooperate with reasonable requests of the Buyer in connection with obtaining such consents and approvals. Without limiting the foregoing, and subject to Section 6.7(d), from the date hereof through the Closing Date, the Buyer agrees that except as may be agreed in writing by the Sellers, the Buyer shall not, and shall not permit any action which could reasonably be expected to impact the ability of the Parties to secure all required Filings or Permits with or from any Governmental Entity to consummate the transactions hereunder, or take any action with any Governmental Entity relating to the foregoing, or agree, in writing or otherwise, to do any of the foregoing, in each case which could reasonably be expected to materially delay or prevent the consummation of the

transactions contemplated hereby or result in the failure to satisfy any condition to consummation of the transactions contemplated hereby. Without limiting the foregoing, and subject to Section 6.7(d), from the date hereof through the Closing Date, the Sellers agrees that except as may be agreed in writing by the Buyer, the Sellers shall not, and shall not permit any action which could reasonably be expected to impact the ability of the Parties to secure all required Filings or Permits with or from any Governmental Entity to consummate the transactions hereunder, or take any action with any Governmental Entity relating to the foregoing, or agree, in writing or otherwise, to do any of the foregoing, in each case which could reasonably be expected to materially delay or prevent the consummation of the transactions contemplated hereby or result in the failure to satisfy any condition to consummation of the transactions contemplated hereby.

(d) Notwithstanding any provision of this Agreement to the contrary, in using its reasonable best efforts as contemplated by this Section 6.7, the Buyer shall not be required to take or refrain from taking any action if such action would have, or would reasonably be expected to, individually or in the aggregate, have, a Material Adverse Effect or a material adverse effect on the business, properties, condition (financial or otherwise), assets or results of operations of the Buyer, the Company and its Subsidiaries, taken as a whole, after giving effect to the transactions contemplated hereby and the terms and conditions of any Permits obtained in respect of such transactions. Nothing in this Section 6.7 shall obligate the Buyer or the Company or any of their respective Subsidiaries to take any action that is not conditioned on the consummation of the transactions contemplated hereby.

SECTION 6.8. Transfer Taxes. Notwithstanding any provision of this Agreement to the contrary, all Transfer Taxes incurred in connection with this Agreement and the transactions contemplated hereby shall be paid by the Buyer; provided, however, that Buyer shall not be liable for, and Sellers shall be liable for, any Transfer Taxes incurred in connection with the Bayside Transaction, Bradfield Farms Transaction, Cabarrus Woods Transaction and Sandy Creek Transaction, regardless of when such transactions were or are consummated. The Sellers and the Buyer shall cooperate in timely making all filings, Tax Returns, reports and forms as may be required to comply with the provisions of such Tax laws.

SECTION 6.9. Tax Matters. Except as provided in Section 6.8 relating to Transfer Taxes:

(a) With respect to any Income Tax Return covering a taxable period ending on or before the date hereof (a “**Pre-Signing Taxable Period**”), or a taxable period beginning on or before the date hereof and ending after the date hereof, whether or not ending after the Closing Date (a “**Straddle Taxable Period**”), that is required to be filed after the Closing Date with respect to the Company or any of its respective Subsidiaries, (i) the Buyer shall cause the Company to prepare such Income Tax Return, in a manner consistent with the Company’s past practice and reflecting the utilization of any available net operating loss carryforwards or other tax attributes, and to deliver a copy of such Income Tax Return as so prepared to each of the Sellers for the Sellers’ review and approval (which approval shall not be unreasonably withheld, conditioned or delayed) at least 30 days prior to the due date for filing such Income Tax Return (after giving effect to any permitted extensions), (ii) the Sellers and the Buyer shall cooperate and consult with each other in order to finalize such Income Tax Return, reflecting all reasonable

comments of the Sellers with respect therewith, and (iii) thereafter the Buyer shall cause such Income Tax Return to be executed and timely filed with the appropriate Taxing Authority. Buyer shall pay or cause to be paid all Income Taxes due with respect to the period covered by such Income Tax Return, provided, however, that the Buyer will be entitled to indemnification pursuant to Section 9.2(a)(iii) with respect to any Taxes paid after the date hereof that are attributable to any Pre-Signing Taxable Period or the Pre-Signing portion of any Straddle Taxable Period, determined in accordance with Section 6.9(b), without regard to when such Tax Return is filed. The Buyer shall be responsible for the preparation of all Tax Returns, other than Income Tax Returns, of the Company and its Subsidiaries that is required to be filed after the Closing Date, and the payment of all Taxes, other than Income Taxes, due with respect to such Tax Returns, and the Sellers shall have no obligations with respect to such Tax Returns or such Taxes.

(b) The amount of Income Taxes that are payable for a Straddle Taxable Period that are allocated to the Pre-Signing portion of such period shall equal the amount of Income Taxes that would be payable if the taxable year ended on the date hereof (calculated as if there were an interim closing of the books as of the date hereof); provided, however, that deductions for depreciation and other similar deductions and allowances shall be apportioned by multiplying any such deductions and allowances by a fraction, the numerator of which is (A) the number of calendar days in the Pre-Signing portion of the Straddle Taxable Period and (B) the denominator of which is the number of calendar days in the entire relevant Straddle Taxable Period. For the avoidance of doubt, the amount of Income Taxes allocated to the Pre-Signing portion of a Straddle Taxable Period shall exclude any such Income Taxes that would not have been payable if not for the effect of transactions or events after the date hereof, including the Closing, on any net operating loss carryforwards or other tax attributes of the Company or its Subsidiaries.

(c) The Buyer shall (and shall cause the Company or its Subsidiaries, as applicable, to) give written notice to the Sellers of its receipt of any notice of any audit, examination, Legal Proceeding or assessment for any Income Tax for which the Sellers may have an indemnification obligation under Section 9.2 within 15 days after its receipt of such notice; provided, however, that a failure to provide such notice within such 15-day period shall not affect the rights or obligations of the Buyer other than if the Sellers shall have been actually prejudiced as a result of such failure.

(d) With respect to any contest relating to Income Taxes (a “**Tax Action**”) relating to a Pre-Interim Period Taxable Period for which Sellers could have an indemnification obligation under Section 9.2, the Sellers may, solely at their own cost and expense, control all proceedings and may make all decisions taken in connection with such Tax Action and, without limiting the foregoing, may in their sole discretion pursue or forego any and all administrative appeals, proceedings, hearings and conferences with any Taxing Authority with respect thereto. The Buyer shall cooperate with the Sellers, including agreeing to extension of the statute of limitations, the selection of counsel and experts and the execution of powers of attorney, relating to Tax Actions by the Sellers for any such Pre-Signing Period Taxable Periods.

(e) The Sellers and the Buyer shall jointly control and participate in all proceedings taken in connection with any Tax Action relating to (i) Income Taxes of the

Company or any of its Subsidiaries for a Straddle Taxable Period, and (ii) Income Taxes of the Company or any of its Subsidiaries for a Pre-Signing Taxable Period to the extent that the Tax Action relating to such Pre-Signing Taxable Period could materially impact the Tax liability of the Buyer, the Company, or any of its Subsidiaries in any Straddle Taxable Period or any taxable period that begins after the date hereof, and shall bear their own respective costs and expenses. Neither the Sellers nor the Buyer shall settle any such Tax Action relating to a Straddle Taxable Period without the prior written consent of the others, such consent not to be unreasonably delayed, conditioned or withheld.

(f) Each of the Sellers shall grant to the Buyer (or its designees) access at all reasonable times to all of the information, books and records relating to the Company and its Subsidiaries within the possession of such Seller (including workpapers and correspondence with Taxing Authorities), and shall afford the Buyer (or its designees) the right (at the Buyer's expense) to take extracts therefrom and to make copies thereof, to the extent reasonably necessary to permit the Buyer (or its designees) to prepare Tax Returns, respond to Tax audits and investigations, prosecute Tax protests, appeals and refund Legal Proceeding and to conduct negotiations with Taxing Authorities. The Buyer shall grant or cause the Company and its Subsidiaries to grant to the Sellers (or their designees) access at all reasonable times to all of the information, books and records relating to the Company and its Subsidiaries within the possession of the Buyer (including workpapers and correspondence with Taxing Authorities) and to the employees of such entities, and shall afford the Sellers (or their designees) the right (at the Sellers' expense) to take extracts therefrom and to make copies thereof, to the extent reasonably necessary to permit the Sellers (or their designees) to prepare Tax Returns, respond to Tax audits and investigations, prosecute Tax protests, appeals and refund Legal Proceedings and to conduct negotiations with Taxing Authorities. After the Closing Date, the Sellers and the Buyer will preserve all information, records or documents in their respective possessions relating to liabilities for Taxes of the Company and its Subsidiaries until six months after the expiration of any applicable statute of limitations (including extensions thereof) with respect to the assessment of such Taxes; provided, that none of the Parties shall dispose of any of the foregoing items without first offering such items to the other Parties.

SECTION 6.10. Schedule Update. Prior to the Closing, each Party may (a) provide the other Party with written notice as soon as practicable upon becoming aware that any representation or warranty made by such Party in this Agreement is inaccurate in any material respect and (b) supplement, modify, update or amend its respective Disclosure Schedule, as appropriate (any such supplement, modification, update or amendment, a **“Disclosure Schedule Update”**); provided, however, that except as provided in the next sentence, no Disclosure Schedule Update shall be taken into account in determining (i) whether any representation or warranty has been breached for purposes of any claims for indemnification or (ii) whether the conditions to Closing set forth in Section 7.1(a) or Section 7.2(a) have been satisfied. Notwithstanding the foregoing, the Disclosure Schedule shall be deemed to be supplemented, modified, updated or amended to reflect (x) any activities permitted under Section 6.2(a) or otherwise consented to in writing by Buyer and, as so supplemented, modified, updated or amended, shall be taken into account in determining (i) whether any representation or warranty has been breached for purposes of any claims for indemnification or (ii) whether the conditions to Closing set forth in Section 7.1(a) or 7.2(a) have been satisfied.

SECTION 6.11. Further Actions.

(a) Subject to the terms and conditions of this Agreement, the Buyer and each of the Sellers agree to use their reasonable best efforts (except where a different efforts standard is specifically contemplated by this Agreement, in which case such different standard shall apply) to take, or cause to be taken, all actions and to do, or cause to be done, all things necessary, proper or advisable to consummate and make effective the transactions contemplated by this Agreement. Subject to Section 6.7(d), the Buyer and each of the Sellers agree not to take any action, or fail to take any action (and Sellers shall cause the Company and its Subsidiaries not to take any action or fail to take any action), that would otherwise have the effect of preventing or materially delaying the consummation of the Closing.

(b) Subject to the terms and conditions of this Agreement, at any time and from time to time after the Closing, at a Party's request and without further consideration, the other Parties shall execute and deliver to such requesting Party such other instruments of sale, transfer, conveyance, assignment and confirmation, provide such materials and information and take such other actions as such Party may reasonably request in order to consummate or evidence the transactions contemplated by this Agreement.

SECTION 6.12. VCS Payments. The Parties shall cause the Company to, concurrently with the Closing, pay to each holder of a Value Creation Share immediately prior to the Closing, the amount owed to such holder pursuant to Section 2.3(c).

SECTION 6.13. Non-Solicitation of Employees. Each Seller agrees not to, for a period of two years after the Closing Date, directly or indirectly solicit any employee of the Company or any of its Subsidiaries as of the Closing Date or any former employee of the Company or any of its Subsidiaries who was employed by the Company or any of its Subsidiaries during the one-year period prior to the date hereof or during the Interim Period or intentionally encourage any employee of the Company or any of its Subsidiaries as of the Closing Date to leave such employee's employment with the Company or any of its Subsidiaries, as applicable; provided, however, that this Section 6.13 shall not prohibit any Seller from (A) engaging in any general advertisements or solicitations which are not directed specifically to any Employees or former Employees (including general solicitations and advertisements by recruiting firms) and hiring any Employees or former Employees that respond to such a solicitation or (B) soliciting and hiring any Employee or former Employee who voluntarily, and without any inducement from such Seller, terminated his or her employment with the Company or any of its Subsidiaries, as applicable after the Closing Date, or any such Employee or former Employee whose employment with the Company or any of its Subsidiaries, as applicable, is terminated after the Closing Date.

SECTION 6.14. Employee Matters.

(a) For the 12-month period following the Closing Date (the "**Continuation Period**"), the Buyer shall provide, or shall cause to be provided, to each individual who is an Employee at the Closing (each, a "**Continuing Employee**") base salary, bonus and other incentive compensation opportunities and employee benefits that are no less favorable, in the aggregate, than those provided to such Continuing Employee immediately prior to Closing;

provided, however, that no equity or equity based rights or amounts determined in respect of Value Creation Shares shall be taken into account for purposes of determining whether such employee benefits are no less favorable in the aggregate. Prior to the Closing, the Sellers shall make available to the Buyer a list of (i) base salary in effect for each Continuing Employee; (ii) bonus and other incentive compensation opportunities in effect for each Continuing Employee; and (iii) employee benefits provided to each Continuing Employee.

(b) For purposes of vesting and eligibility to participate (and for purposes of vacation and severance programs, level of benefits) under the Benefit Plans of the Buyer or its Affiliates (as applicable) providing benefits to Continuing Employees after the Closing (the “**New Plans**”), each Continuing Employee in such plans shall be credited with his or her years of service with the Company or its Subsidiaries, as applicable, and their respective predecessors before the Closing, to the same extent as such Continuing Employee was entitled, before the Closing, to credit for such service under any similar Company Benefit Plan in which such Continuing Employee participated or was eligible to participate immediately prior to Closing; provided, for the avoidance of any doubt, that the foregoing shall not apply to the extent that its application would result in a duplication of benefits with respect to the same period of service. In addition, and without limiting the generality of the foregoing, (i) each Continuing Employee shall be immediately eligible to participate, without any waiting time, in any and all New Plans to the extent coverage under such New Plan is comparable to a Company Benefit Plan in which such Continuing Employee participated immediately before the Closing (such plans, collectively, the “**Old Plans**”); and (ii) for purposes of each New Plan providing medical, dental, pharmaceutical, vision, disability, life insurance and/or other welfare benefits to any Continuing Employee (collectively, the “**New Welfare Plans**”): (1) the Buyer shall use its commercially reasonable efforts to cause all pre-existing conditions, exclusions and actively-at-work requirements of such New Welfare Plan to be waived for such Continuing Employee and his or her covered dependents (to the extent such conditions, exclusions and requirements were waived or satisfied as of immediately prior to the Closing under comparable Old Plans in which such Continuing Employee participated immediately prior to the Closing); and (2) the Buyer shall cause any eligible expenses incurred by each Continuing Employee and his or her covered dependents during the portion of the plan year of the Old Plan ending on the date such Continuing Employee’s participation in the corresponding New Welfare Plan begins to be taken into account under such New Welfare Plan for purposes of satisfying all deductible, coinsurance and maximum out-of-pocket requirements applicable to such Continuing Employee and his or her covered dependents for the applicable plan year as if such amounts had been paid in accordance with such New Welfare Plan. During the Continuation Period, the participation cost to a Continuing Employee under the New Welfare Plans shall be not more than the participation cost to substantially similarly situated employees of the Buyer and its affiliates.

(c) Nothing contained in this Section 6.14 or elsewhere in this Agreement, express or implied, shall confer upon any Employee or Continuing Employee or legal representative or beneficiary thereof any rights or remedies of any nature or kind whatsoever under or by reason of this Agreement, including any right to employment or continued employment for any specified period, or level of compensation or benefits.

SECTION 6.15. Indemnification and Insurance.

(a) The Buyer agrees that all rights to exculpation, indemnification and advancement of expenses now existing in favor of the current or former directors, officers or employees, as the case may be, of the Company or its Subsidiaries as provided in their respective Organizational Documents or in any agreement with the Company or any of its Subsidiaries that is disclosed to the Buyer prior to the date hereof shall survive the Closing and shall continue in full force and effect. For a period of six years from the Closing Date, the Buyer shall cause the Company and its Subsidiaries to maintain in effect the exculpation, indemnification and advancement of expenses provisions of the Company's and its Subsidiaries' Organizational Documents as in effect immediately prior to the Closing Date or in any indemnification agreements of the Company or its Subsidiaries with any of their current or former respective directors, officers or employees as in effect immediately prior to the Closing Date and disclosed to the Buyer prior to the date hereof, and the Buyer shall cause the Company and its Subsidiaries to not amend, repeal or otherwise modify any such provisions in any manner that would adversely affect the rights thereunder of any individuals who at the Closing Date were current or former directors, officers or employees of the Company or any of its Subsidiaries; provided, however, that all rights to indemnification or advancement of expenses in respect of any Legal Proceedings pending or asserted or any claim made within such period shall continue until the disposition of such Legal Proceeding or resolution of such claim. From and after the Closing Date, the Buyer shall cause the Company and its Subsidiaries to honor, in accordance with their respective terms, each of the covenants contained in this Section 6.15 without limit as to time.

(b) From and after the Closing Date, each of the Buyer, the Company and its Subsidiaries shall, to the fullest extent permitted under applicable Law, indemnify and hold harmless (and advance funds in respect of each of the foregoing, following receipt of any undertakings required by applicable Law) each current and former director, officer or employee of the Company or any of its Subsidiaries and each person who served as a director, officer, member, trustee or fiduciary of another corporation, partnership, joint venture, trust, pension or other employee benefit plan or enterprise at the request or for the benefit of the Company or any of its Subsidiaries (each, together with such person's heirs, executors or administrators, a "**Director Indemnified Party**") against any loss in connection with any actual or threatened Legal Proceeding, arising out of, relating to or in connection with any action or omission occurring or alleged to have occurred in such Director Indemnified Party's capacity as a director, officer or employee of the Company or any of its Subsidiaries or in such Director Indemnified Party's capacity as a director, officer, member, trustee or fiduciary of another corporation, partnership, joint venture, trust, pension or other employee benefit plan or enterprise at the request or for the benefit of the Company or any of its Subsidiaries, before the Closing Date (including acts or omissions in connection with such persons serving as an officer, director or other fiduciary in any entity if such service was at the request or for the benefit of the Company or any of its Subsidiaries). In the event of any such Legal Proceeding, the Buyer, the Company and its Subsidiaries, as applicable shall reasonably cooperate with the Director Indemnified Party in the defense of any such Legal Proceeding.

(c) The Sellers shall cause the Company and its Subsidiaries to obtain prior to the Closing Date fully-paid six-year "tail" insurance policies (the "**D&O Tail**") with respect to directors' and officers' liability insurance of the type and with the amount of coverage no less favorable than those of the directors' and officers' liability insurance maintained as of the date hereof by the Company and its Subsidiaries (the "**Current Policies**"), and with such other terms

as are no less favorable in the aggregate than those in the Current Policies. The Buyer shall cause the Company and its Subsidiaries to maintain the D&O Tail in full force and effect, for its full term, and cause all obligations thereunder to be honored by the Company and its Subsidiaries, as applicable, and no other party shall have any further obligation to purchase or pay for such insurance pursuant to this Section 6.15(c).

(d) The Buyer shall or shall cause the Company to pay all expenses, including reasonable attorneys' fees, that may be incurred by any Director Indemnified Party in enforcing the indemnity and other obligations provided in this Section 6.15.

(e) The rights of each Director Indemnified Party hereunder shall be in addition to, and not in limitation of, any other rights such person may have under the Organizational Documents of the Company or any of its Subsidiaries, any other indemnification arrangement, any Law or otherwise. The provisions of this Section 6.15 shall survive the Closing and expressly are intended to benefit, and are enforceable by, each of the Director Indemnified Parties, each of whom is an intended third-party beneficiary of this Section 6.15.

(f) In the event the Company or any of its successors or assigns (i) consolidates with or merges into any other person and shall not be the continuing or surviving corporation or entity in such consolidation or merger or (ii) transfers all or substantially all of its properties and assets to any person, then, and in either such case, proper provision shall be made so that the successors and assigns of the Company shall assume the obligations set forth in this Section 6.15.

SECTION 6.16. Additional Financial Statements. From the date hereof until the Closing, the Sellers will cause the Company to use commercially reasonable efforts to prepare and deliver to the Buyer, (i) no later than sixty (60) days following the end of each fiscal quarter, an unaudited consolidated balance sheet of HSHC and its Subsidiaries and (ii) no later than ninety (90) days following the end of each fiscal quarter, an unaudited balance sheet of the Company, in each case for the period then ended, together with unaudited consolidated statements of income and retained earnings and of cash flows of (a) HSHC and its Subsidiaries and (b) the Company, in each case for the period then ended (collectively for each period, an “**Additional Financial Statement**”); provided, however, that the Sellers will cause the Company to use commercially reasonable efforts to prepare and deliver to the Buyer, no later than one hundred and twenty (120) days following the end of each fiscal year, (x) an audited consolidated balance sheet of HSHC and its Subsidiaries for the period then ended, together with audited consolidated statements of income and retained earnings and of cash flows of HSHC and its Subsidiaries for the period then ended and (y) an unaudited balance sheet of the Company for the period then ended, together with unaudited statements of income and retained earnings and of cash flows for the period then ended (also, an “**Additional Financial Statement**”).

SECTION 6.17. Intercompany Accounts. Except as set forth on Section 6.17 of the Disclosure Schedule, all Contracts between the Sellers or any of their respective Affiliates (other than the Company and its Subsidiaries), on the one hand, and the Company or any of its Subsidiaries, on the other hand, will be terminated at or prior to the Closing with no ongoing liabilities or obligations to any of the Sellers, the Buyer, the Company or any Subsidiary with respect thereto.

SECTION 6.18. Transition Committee. On or following the date hereof, the Parties shall form a transition committee (“**Transition Committee**”) comprised of three members appointed by the Buyer and three members appointed by the Sellers, which Transition Committee shall be permitted to monitor the business of the Company and its Subsidiaries and compliance with the terms of this Agreement, liaise with the Company’s management team regarding the transactions contemplated by this Agreement, make non-binding recommendations to the Parties with respect to certain decisions that may be required in advance of the Closing and develop a communication strategy and an integration plan. The Transition Committee will meet, either telephonically or otherwise, as often as its members reasonably deem necessary (but in any event at least once per month) and upon the reasonable call of either Party. In addition, the Transition Committee shall use its commercially reasonable efforts to establish such integration teams as mutually agreed upon by the Parties to (a) monitor the business of the Company and its Subsidiaries and (b) prepare for the consummation of the transactions contemplated hereby. The Buyer shall be deemed to have consented to any action consented to in writing by the lead member of the Transition Committee appointed by the Buyer.

SECTION 6.19. Additional Information. The Sellers shall promptly provide, or cause the Company and its Subsidiaries to promptly provide, to Buyer: (i) copies of all material, court-filed pleadings filed on or after the date hereof in any lawsuit involving the Sellers (in respect of the Company, its Subsidiaries or this Agreement), the Company or any of its Subsidiaries to the extent such pleading is actually possessed by the Sellers or members of the senior management team of Utilities, Inc., including its general counsel and (ii) copies of all written notices of violation received on or after the date hereof involving the alleged violation of Law, including Environmental Law, by the Company or any of its Subsidiaries to the extent such notices are actually possessed by the Sellers or members of the senior management team of Utilities, Inc., including its general counsel.

SECTION 6.20. Financing. Prior to Closing, the Sellers shall, and shall cause the Company and its Subsidiaries to, use commercially reasonable efforts to provide such cooperation as may be reasonably requested by the Buyer in connection with the financing of the transactions contemplated by this Agreement, if any, including using commercially reasonable efforts to cause appropriate officers and employees to be available, on a customary and reasonable basis and upon reasonable notice, to discuss pertinent matters with prospective lenders and investors in connection with the preparation of any information memos, offering memoranda or other marketing and disclosure documents and customary information in connection therewith (including (a) discussions with such officers and employees regarding the preparation of appropriate discussions of business, financial statements, pro forma financials, projections, management discussion and analysis, and other customary financial data of the Company and its Subsidiaries, and (b) one in-person meeting with the Buyer’s syndicate lenders in Northbrook, Illinois or the surrounding area and one on-site visit by such lenders, following which such officers and employees, subject to the terms of this Agreement, shall answer any reasonable questions arising from such meeting); provided, however, that nothing contained in this Section 6.20 shall require, and in no event shall the commercially reasonable efforts of the Sellers be deemed or construed to require, the Sellers or the Company or any of the Company’s Subsidiaries to (i) allow any arranger or syndicate lender access to the personnel or facilities of the Company or its Subsidiaries that is greater in scope or frequency than the access afforded to the Buyer under this Agreement, (ii) require the Sellers, the Company or any of the Company’s

Subsidiaries to make any representations or warranties in connection the Financing or otherwise incur any actual or potential liability or cost in connection with the Financing, (iii) be in privity with any arranger, lender or other party to the Financing, (iv) make any disclosure not required under this Agreement, (v) waive or modify any terms of this Agreement or any other Contract to which the Sellers the Company or any of the Company's Subsidiaries is a party or (vi) make any binding commitment by the Company or any of the Subsidiaries which commitment is not conditioned on the Closing and does not terminate without liability to the Company or any of its Subsidiaries upon the termination of this Agreement. The Buyer shall indemnify and defend the Sellers, their Affiliates and their respective stockholders, members, partners, managers, officers, directors, employees and agents against, and shall hold each of them harmless from, any Loss arising out of or resulting from any act taken by the Sellers, the Company or the Company's Subsidiaries pursuant to this Section 6.20. The Buyer shall, promptly upon request by the Sellers, reimburse the Sellers, the Company and the Company's Subsidiaries for any and all documented out-of-pocket costs or expenses incurred by the Sellers, the Company and/or any of the Company's Subsidiaries, as applicable, in connection with its cooperation pursuant to this Section 6.20.

SECTION 6.21. Indebtedness. The Sellers shall cause all Terminated Indebtedness to be cancelled at or prior to the Closing.

ARTICLE VII

CLOSING CONDITIONS

SECTION 7.1. The Buyer's Conditions to Closing. The obligation of the Buyer to consummate the transactions contemplated by this Agreement shall be subject to fulfillment at or prior to the Closing of the following conditions, any one or more of which may be waived in writing by the Buyer:

(a) **Representations and Warranties.** The Fundamental Representations of the Sellers shall be true and correct in all respects and all other representations and warranties of the Sellers set forth in Article III and Article IV hereof shall be true and correct (without giving effect to any limitation as to "materiality" or "Material Adverse Effect" or any similar limitation contained herein), in each case, as of the Closing Date as though made on and as of such date and time (except to the extent that any such representation and warranty expressly speaks as of an earlier date, in which case such representation and warranty shall be true and correct as of such earlier date), except where the failure of such representations and warranties of the Sellers to be so true and correct, individually or in the aggregate, has not had and is not reasonably likely to have a Material Adverse Effect.

(b) **Compliance with Agreements.** The covenants, agreements and obligations required by this Agreement to be performed and complied with by the Sellers prior to or at the Closing shall have been performed and complied with in all material respects prior to or at the Closing Date.

(c) **No Material Adverse Effect.** No Material Adverse Effect shall have occurred and there shall exist no facts or circumstances that, individually or in the aggregate,

would be reasonably expected to result in a Material Adverse Effect.

(d) Certificate. The Sellers shall execute and deliver to the Buyer a certificate executed by an authorized officer of each of the Sellers, dated as of the Closing Date, stating that the conditions specified in Section 7.1(a), Section 7.1(b) and Section 7.1(c) of this Agreement have been satisfied.

(e) Permits. (a) The Permits or Filings set forth on Section 7.1(e) of the Disclosure Schedule shall have been duly obtained, made or given (as applicable) and shall be in full force and effect, and, to the extent applicable, shall have become Final Orders and shall not impose terms and conditions that, individually or in the aggregate, have had, or would reasonably be expected to have, a Material Adverse Effect or a material adverse effect on the business, assets, properties, condition (financial or otherwise) or results of operations of the Buyer, the Company and its Subsidiaries, taken as a whole, after giving effect to the transactions contemplated hereby and the terms and conditions of any such Final Orders, and all terminations or expirations of applicable waiting periods imposed by any Governmental Entity with respect to the transactions contemplated thereby (including under the HSR Act) shall have occurred; provided, that absence of any appeals and the expiration of any appeal period with respect to any of the foregoing shall not constitute a condition to Closing hereunder and (b) the Buyer shall have received the CFIUS Clearance.

(f) No Injunctions. On the Closing Date, there shall be no Laws or Orders in effect that operate to restrain, enjoin or otherwise prevent or make illegal the consummation of the transactions contemplated by this Agreement.

(g) Indebtedness. The Sellers shall have delivered to the Buyer evidence of (a) cancellation of all Indebtedness of the Company and its Subsidiaries listed on Section 7.1(g) of the Disclosure Schedule (the Indebtedness to be so cancelled, the “**Terminated Indebtedness**”); and (b) release of the Liens, if any, on the assets of the Company and its Subsidiaries (other than any Lien (i) arising pursuant to, or as a result of the transactions contemplated by, or described in, this Agreement (ii) arising pursuant to applicable securities Laws and (iii) Permitted Liens (other than Liens arising pursuant to, or as a result of the transactions contemplated by, or described in, the HSHC Credit Agreement (which Liens will be released prior to the Closing together with reasonable evidence of same))).

(h) Documents. Each of the Sellers shall have delivered to the Buyer a duly executed Instrument of Assignment in respect of all such Seller’s Company Interests and shall have delivered or shall stand ready to deliver all of the certificates, instruments, Contracts and other documents specified, or reasonably requested by Buyer, to be delivered by it hereunder.

(i) Resignation of Manager. The Company’s Manager (as defined in the Company’s Organizational Documents) shall have executed and delivered to the Company a letter of resignation resigning as Manager effective as of the Closing.

(j) Good Standing Certificates. Sellers shall have delivered to Buyer good standing certificates, dated no earlier than 5 days prior to Closing, for each of the Company, HSHC and Utilities, Inc.

SECTION 7.2. The Sellers' Conditions to Closing. The obligation of the Sellers to consummate the transactions contemplated by this Agreement shall be subject to fulfillment at or prior to the Closing of the following conditions, any one or more of which may be waived in writing by the Sellers:

(a) Representations and Warranties. The representations and warranties of the Buyer set forth in Article V hereof shall be true and correct (without giving effect to any limitation as to "materiality" or "material adverse effect" or any similar limitation contained herein) as of the Closing Date as though made on and as of such date and time (except to the extent that any such representation and warranty expressly speaks as of an earlier date, in which case such representation and warranty shall be true and correct as of such earlier date), except where the failure of such representations and warranties of the Buyer to be so true and correct, individually or in the aggregate, would not reasonably be expected to prevent or materially delay the consummation of any of the transactions contemplated by this Agreement.

(b) Compliance with Agreements. The covenants, agreements and obligations required by this Agreement to be performed and complied with by the Buyer prior to or at the Closing shall have been performed and complied with in all material respects prior to or at the Closing Date.

(a) The Permits or Filings set forth on Section 7.1(e) of the Disclosure Schedule shall have been duly obtained, made or given (as applicable) and shall be in full force and effect, and, to the extent applicable, shall have become Final Orders, and all terminations or expirations of applicable waiting periods imposed by any Governmental Entity with respect to the transactions contemplated thereby (including under the HSR Act) shall have occurred; provided, that the absence of any appeals and the expiration of any appeal period with respect to any of the foregoing shall not constitute a condition to Closing hereunder and (b) the Buyer shall have received the CFIUS Clearance.

(e) No Injunctions. On the Closing Date, there shall be no Laws or Orders in effect that operate to restrain, enjoin or otherwise prevent or make illegal the consummation of the transactions contemplated by this Agreement.

(f) Documents. The Buyer shall have delivered or shall stand ready to deliver all of the certificates, instruments, Contracts and other documents specified to be delivered by it hereunder.

ARTICLE VIII

TERMINATION

SECTION 8.1. Grounds for Termination.

This Agreement may be terminated:

(a) by either the Buyer or the Sellers (provided that the terminating Party is not then in breach of any representation, warranty, covenant or other agreement contained herein in a manner that the conditions to Closing set forth in Section 7.1(a), Section 7.1(b), Section 7.1(c), Section 7.1(g), Section 7.2(a) or Section 7.2(b), as applicable, would not be satisfied) if the Closing shall not have occurred within 18 months after the date of this Agreement (the “**Outside Date**”); provided, that (i) if on the Outside Date all the Permits required in order to satisfy the conditions set forth in Section 7.1(e) and Section 7.2(d) have not been obtained and such Permits are being diligently pursued by the appropriate Party, and all of the other conditions to Closing contained in Article VII have been fulfilled or are capable of being fulfilled, then, at the option of either the Buyer or the Sellers (which shall be exercised in the sole discretion of the Buyer or the Sellers, as applicable, by written notice any time before termination of this Agreement), the Outside Date shall automatically be extended for an additional six-month period; and thereafter, only upon mutual agreement of the Parties; and (ii) neither the Buyer nor the Sellers shall have the right to terminate this Agreement pursuant to this Section 8.1(a) if all of the conditions set forth in Section 7.1 with respect to the Buyer or Section 7.2 with respect to the Sellers, have been satisfied (other than those conditions that by their nature are to be satisfied by actions taken at the Closing);

(b) by the Buyer if (i) the Sellers shall have breached any of the covenants or agreements contained in this Agreement to be complied with by the Sellers such that the Closing conditions set forth in Section 7.1(b), Section 7.1(c) or Section 7.1(g) would not be satisfied or (ii) there exists a breach of any representation or warranty of the Sellers contained in this Agreement such that the closing condition set forth in Section 7.1(a) would not be satisfied; provided, (A) in the case of (i) or (ii), that such breach is not cured by the Sellers within 30 Business Days after the Sellers receive written notice of such breach from the Buyer and (B) the Buyer shall not be entitled to terminate this Agreement pursuant to this Section 8.1(b) if, at the time of such termination the Buyer is in breach of any representation, warranty, covenant or other agreement contained herein in a manner that the conditions to Closing set forth in Section 7.2(a) or Section 7.2(b) as applicable, would not be satisfied;

(c) by the Sellers if (i) the Buyer shall have breached any of the covenants or agreements contained in this Agreement to be complied with by the Buyer such that the closing condition set forth in Section 7.2(b) would not be satisfied or (ii) there exists a breach of any representation or warranty of the Buyer contained in this Agreement such that the closing condition set forth in Section 7.2(a) would not be satisfied; provided, (A) in the case of (i) or (ii), that such breach is not cured by the Buyer within 30 Business Days after the Buyer receives written notice of such breach from the Sellers; and (B) the Sellers shall not be entitled to terminate this Agreement pursuant to this Section 8.1(c) if, at the time of such termination the Sellers are in breach of any representation, warranty, covenant or other agreement contained herein in a manner that the conditions to Closing set forth in Section 7.1(a), Section 7.1(b), Section 7.1(c) or Section 7.1(g), as applicable, would not be satisfied;

(d) by either the Buyer or the Sellers if there shall be in effect a nonappealable Order prohibiting, enjoining, restricting or making illegal the transactions contemplated by this Agreement; or

(e) at any time prior to the Closing Date by mutual written agreement of the

Buyer and the Sellers.

SECTION 8.2. Effect of Termination. Termination of this Agreement pursuant to this Article VIII shall terminate all obligations of the Parties, except for the obligations under Section 6.3, Section 6.5, Section 6.6, Section 8.3, Article X and the Confidentiality Agreement; provided, that termination pursuant to clause (b), (c), (d) or (e) of Section 8.1 shall not relieve a defaulting or breaching Party (whether or not the terminating Party) from any liability to the other Party resulting from any default or breach hereunder unless, with respect to a termination pursuant to clause (e) of Section 8.1, the Parties have expressly waived such default or breach.

SECTION 8.3. Termination Fee.

(a) If this Agreement is terminated pursuant to Section 8.1(a) (or is terminated pursuant to another subsection of Section 8.1 but at such time the Sellers could have validly terminated pursuant to Section 8.1(a)) of and all conditions to Closing contained in Section 7.1 have been fulfilled or are capable of being fulfilled except for Section 7.1(e) and/or Section 7.1(f), then notwithstanding any other provision of this Agreement but without limiting any right of the Sellers to an injunction, specific performance or other non-monetary equitable relief in accordance with Section 10.8, the Sellers shall have the right to require the Buyer to pay, and if so elected, the Buyer hereby agrees to pay immediately to the Sellers, as liquidated damages in connection with any such termination, an amount equal to Regulatory Termination Fee by wire transfer of immediately available funds in U.S. dollars to an account designated in writing by the Sellers; provided, the Sellers shall have the right immediately to draw on the Letter of Credit to satisfy such payment obligation of the Buyer in their sole discretion. Notwithstanding the foregoing, the Regulatory Termination Fee shall not be due pursuant to this Section 8.3(a) in the event of a termination pursuant to Section 8.1(a) in the event that the condition(s) set forth in Section 7.1(e) and/or Section 7.1(f) are not fulfilled solely as a result of (x) a failure to obtain any Permits that a Governmental Entity has conditioned upon the Buyer taking an action or refraining to take any action in order to obtain such Permits that, individually or in the aggregate, would reasonably be expected to have, a Material Adverse Effect or a material adverse effect on the business, assets, properties, condition (financial or otherwise) or results of operations of the Buyer, the Company and its Subsidiaries, taken as a whole, after giving effect to the transactions contemplated hereby and/or (y) any action or failure to act by the Sellers, the Company or its Subsidiaries that is a breach of the Sellers' obligations under this Agreement and/or (z) (A) any Law issued by a Governmental Entity from whom a Permit is required in order to consummate the transactions contemplated by this Agreement or (B) an Order in effect prohibiting, enjoining, restricting or making illegal the transaction contemplated by this Agreement, and such Order was sought by a Person other than a Governmental Entity from whom a Permit is required in order to consummate the transactions contemplated by this Agreement.

(b) If this Agreement is terminated pursuant to Section 8.1(d) (or is terminated pursuant to another subsection of Section 8.1 but at such time the Sellers could have validly terminated pursuant to Section 8.1(d)), then notwithstanding any other provision of this Agreement but without limiting any right of the Sellers to an injunction, specific performance or other non-monetary equitable relief in accordance with Section 10.8, the Sellers shall have the right to require the Buyer to pay, and if so elected, the Buyer hereby agrees to pay immediately

to the Sellers, as liquidated damages in connection with any such termination, an amount equal to Regulatory Termination Fee by wire transfer of immediately available funds in U.S. dollars to an account designated in writing by the Sellers; provided, the Sellers shall have the right immediately to draw on the Letter of Credit to satisfy such payment obligation of the Buyer in their sole discretion. Notwithstanding the foregoing, the Regulatory Termination Fee shall not be due pursuant to this Section 8.3(b) in the event of a termination pursuant to Section 8.1(d) in the event that a nonappealable Order prohibiting, enjoining, restricting or making illegal the transaction contemplated by this Agreement is entered solely as a result of (x) a failure by the Buyer to take any action or refrain from taking any action requested by a Governmental Entity that, individually or in the aggregate, would reasonably be expected to have, a Material Adverse Effect or a material adverse effect on the business, assets, properties, condition (financial or otherwise) or results of operations of the Buyer, the Company and its Subsidiaries, taken as a whole, after giving effect to the transactions contemplated hereby and/or (y) any action or failure to act by the Sellers, the Company or its Subsidiaries that is a breach of the Sellers' obligations under this Agreement and/or (z) (A) any Law issued by a Governmental Entity from whom a Permit is required in order to consummate the transactions contemplated by this Agreement or (B) an Order in effect prohibiting, enjoining, restricting or making illegal the transaction contemplated by this Agreement, and such Order was sought by a Person other than a Governmental Entity from whom a Permit is required in order to consummate the transactions contemplated by this Agreement.

(c) If this Agreement is terminated pursuant to Section 8.1(c) (or is terminated pursuant to another subsection of Section 8.1 but at such time the Sellers could have validly terminated pursuant to Section 8.1(c)), then notwithstanding any other provision of this Agreement but without limiting any right of the Sellers to an injunction, specific performance or other non-monetary equitable relief in accordance with Section 10.8, the Sellers shall have the right to require the Buyer to pay, and if so elected, the Buyer hereby agrees to pay immediately to the Sellers, as liquidated damages in connection with any such termination, an amount equal to [REDACTED] (the "**Breach Termination Fee**", and together with the Regulatory Failure Termination Fee, a "**Termination Fee**") by wire transfer of immediately available funds in U.S. dollars to an account designated in writing by the Sellers; provided, the Sellers shall have the right immediately to draw on the Letter of Credit in their sole discretion to satisfy a portion of such payment obligation of the Buyer equal to the face amount of the Letter of Credit.

(d) Notwithstanding anything to the contrary contained herein, the rights of the Sellers under this Section 8.3 in the event this Agreement is terminated pursuant to Section 8.1(a), Section 8.1(c) or Section 8.1(d) are independent of and in addition to such rights and remedies the Sellers may have under Section 10.8 for any misrepresentation, breach of warranty or failure to fulfill any agreement or covenant hereunder on the part of any Party hereto.

(e) The Buyer acknowledges that (i) the agreements contained in this Section 8.3 are an integral part of the transactions contemplated in this Agreement, (ii) the damages resulting from termination of this Agreement under circumstances where a Termination Fee is payable are uncertain and incapable of accurate calculation and therefore, the amount payable pursuant to this Section 8.3 is not a penalty but rather constitutes liquidated damages in a reasonable amount that will compensate the Sellers for the efforts and resources expended and opportunities foregone while negotiating this Agreement and in reliance on this Agreement and

on the expectation of the consummation of the transactions contemplated hereby and (iii) without the agreements contained in this Section 8.3, the Parties would not have entered into this Agreement. Accordingly, if the Buyer fails promptly to pay the amounts due pursuant to this Section 8.3, the Buyer shall pay to the Sellers interest on the applicable Termination Fee from and including the date payment of such amount was due at a rate of 10% per annum, together with reasonable legal fees and expenses incurred in connection with the collection of such amount.

(f) The Parties acknowledge and agree that in no event will the Buyer be required to pay more than \$ [REDACTED] to the Sellers pursuant to this Section 8.3.

ARTICLE IX

(a) Except as otherwise set forth in this Section 9.1(a), all representations and warranties contained in this Agreement shall survive the Closing for a period of twelve months. The representations and warranties contained in Section 3.2 (Authority and Enforceability), Section 3.5 (Capitalization), Section 4.2 (Capitalization), Section 5.1 (Organization and Existence), Section 5.2 (Authority and Enforceability), Section 5.6 (No Distribution) and Section 5.7 (Investigation) (collectively, the “**Fundamental Representations**”) shall survive the Closing indefinitely, the representation set forth in Section 4.11 (Employee Benefits), Section 4.13 (Environmental Matters) shall survive the Closing for a period of 36 months, and the representations and warranties contained in Section 4.15 (Taxes) shall survive until the earlier of (i) sixty (60) days following the close of the applicable statute of limitations and (ii) the six year anniversary of the Closing Date.

(b) The covenants and agreements contained in this Agreement which by their terms do not contemplate performance after the Closing shall terminate as of the Closing. The covenants and agreements contained in this Agreement which by their terms contemplate performance after the Closing Date shall survive the Closing in accordance with their terms until 60 days following the expiration of any applicable statute of limitations; provided that any such covenant or agreement which expires on a date certain shall survive until such date certain.

(c) The period for which a representation or warranty, covenant or agreement survives the Closing is referred to herein as the “**Applicable Survival Period.**” In the event notice of claim for indemnification under Section 9.2 or Section 9.3 is given within the Applicable Survival Period, the representation or warranty, covenant or agreement that is the subject of such indemnification claim shall survive with respect to such claim until such claim is finally resolved.

SECTION 9.2. Indemnification by the Sellers.

(a) Subject to the limitations set forth herein, after the Closing, each of the Sellers shall (jointly and severally in the case of the Highstar Sellers, and severally, but not jointly in the case of American General Life Insurance Company), in accordance with its Pro

Rata Share (with such Pro Rata Share limitation applicable only in respect of breaches of the representations and warranties contained in Article IV), indemnify and defend the Buyer against, and shall hold the Buyer, its Representatives and its Affiliates (including the Company), each of their respective shareholders, members, partners, officers, directors, managers, employees, agents, and each of the heirs, executors, successors and assigns of any of the foregoing (collectively, the “**Buyer Indemnitees**”) harmless from, any loss, liability, claim, charge, action, suit, proceeding, assessed interest, penalty, damage, Tax or expense (collectively, “**Losses**”) resulting from, arising out of or incurred by such Buyer Indemnitee in connection with, or otherwise with respect to, (i) any breach of any representation and warranty of such Seller contained in Article III or Article IV, (ii) any breach of the covenants or agreements of such Seller (with respect to the Company and its Subsidiaries, only in respect of covenants and agreements that are required to be performed prior to or contemporaneously with the Closing) contained in this Agreement, (iii) any Income Taxes paid after the date hereof that are attributable to a Pre-Signing Taxable Period or the Pre-Signing portion of any Straddle Taxable Period pursuant to Section 6.9, (iv) any Income Taxes which the Company or any Subsidiary has paid or for which the Company or any Subsidiary is liable in connection with the consummation of the Bayside Transaction, the Bradfield Farms Transaction, the Cabarrus Woods Transaction and the Sandy Creek Transaction, as applicable, and Transfer Taxes for which Sellers are liable pursuant to Section 6.8 and (iv) any indemnification or other post-closing obligations in respect of the Bayside Transaction, the Cabarrus Woods Transaction, the Bradfield Farms Transaction and the Sandy Creek Transaction and any liabilities remaining with the Company or any Subsidiary in respect of the assets sold pursuant to such transactions. If any representation or warranty contained herein is limited or qualified based on materiality, including the terms “material,” “Material Adverse Effect” or similar qualifications, such limitation or qualification shall in all respects be ignored and given no effect for purposes of determining the amount of Losses resulting from any breach of any such representation or warranty, but shall not be ignored for purposes of determining if there has been such a breach.

(b) No Seller shall be liable for any Loss or Losses (i) unless the claim for such Loss or Losses is brought within the Applicable Survival Period and (ii) with respect to claims for Losses under Section 9.2(a)(i) (other than a Loss or Losses arising from a breach of any Fundamental Representation or a breach of Section 4.18), unless and until the aggregate amount of all Losses incurred by Buyer Indemnitees exceeds [REDACTED] (the “**Deductible**”), and then only to the extent that such Losses exceed the Deductible; provided, that the cumulative indemnification obligation of the Sellers under Section 9.2(a)(i), other than with respect to a Loss or Losses arising from a breach of any Fundamental Representations or a breach of Section 4.15 or Section 4.18) shall in no event exceed [REDACTED] in the aggregate; provided, further, that the cumulative indemnification obligations of the Sellers under this Article IX, with respect to any Loss or Losses shall in no event exceed the Base Purchase Price in the aggregate (the “**Indemnity Cap**”).

(c) In addition to the limitations set forth in Section 9.2(b), with respect to any claim for indemnification regarding any breach of any representation and warranty set forth in Section 4.13 (Environmental), the Sellers shall not have an obligation to indemnify any Indemnitee for Losses arising out of a remediation that exceeds the least restrictive standard or remedy acceptable under Environmental Law based on the uses of the property in question as of the Closing Date, which remedy may rely on the use of engineering or institutional controls if

acceptable under applicable Environmental Law; provided, that said Indemnitee shall not be required to limit its remediation to such a standard if such remediation (including the use of engineering or institutional controls) (x) would unduly interfere with on-going operations at said property and (y) would require Indemnitee to incur on-going operations and monitoring costs after completion of the remediation, unless Seller agrees to reimburse Indemnitee for the costs and expense that are expected to be incurred over the life of the operations and monitoring period (not to exceed 30 years).

(d) In addition to the limitations set forth in Section 9.2(b), the Sellers shall not be obligated to indemnify any Buyer Indemnitee under this Section 9.2 with respect to any indirect, special, incidental, consequential or punitive damages, other than such damages payable by a Buyer Indemnitee pursuant to a Third Party Claim.

(e) No Buyer Indemnitee shall have any claim or right to indemnification pursuant to this Article IX or otherwise, and none of the Sellers or any other Person shall have or be subject to any liability to any Buyer Indemnitee or any other Person, with respect to any Evaluation Material.

(f) The Buyer acknowledges and agrees that, should the Closing occur, its and each Buyer Indemnitee's sole and exclusive remedy with respect to any and all matters arising out of, relating to or connected with this Agreement, the Company or its Subsidiaries and their respective assets and liabilities, the transactions contemplated hereby and the Company Interests shall be pursuant to the indemnification provisions set forth in this Article IX.

SECTION 9.3. Indemnification by the Buyer.

(a) Subject to the limitations set forth herein, after the Closing, the Buyer and the Company shall indemnify and defend the Sellers and their respective Representatives and Affiliates, including the Sellers Representative, and each of their respective shareholders, members, partners, officers, directors, managers, employees, agents, and each of the heirs, executors, successors and assigns of any of the foregoing (collectively, the "**Seller Indemnitees**") against, and shall hold each Seller Indemnitee harmless from, any Loss resulting from, arising out of, or incurred by such Seller Indemnitee in connection with, or otherwise with respect to (a) any breach of any representation and warranty of the Buyer contained in this Agreement and (b) any breach of any covenant or agreement of the Buyer contained in Article V.

(b) Neither the Buyer nor the Company shall be liable for any Loss or Losses (i) unless the claim for such Loss or Losses is brought within the Applicable Survival Period and (ii) other than a Loss or Losses arising from a breach of any Fundamental Representation, unless and until the aggregate amount of all Losses incurred by Seller Indemnitees exceeds the Deductible, and then only to the extent that such Losses exceed the Deductible; provided, further, that the cumulative indemnification obligations of the Buyer and the Company collectively under Section 9.3(a)(a) shall in no event exceed [REDACTED] in the aggregate; provided further that the cumulative indemnification obligations of the Buyer under this Article IX with respect to any Loss or Losses shall in no event exceed the Indemnity Cap.

(c) In addition to the limitations set forth in Section 9.3(b), neither the Buyer

nor the Company shall be obligated to indemnify any Seller Indemnitee under this Section 9.3 with respect to (i) any fact, event or action disclosed in the Disclosure Schedule, (ii) any covenant or condition waived by the Sellers on or prior to the Closing or (iii) any indirect, special, incidental, consequential or punitive damages, other than such damages payable by a Seller Indemnitee pursuant to a Third Party Claim.

(d) The Sellers acknowledge and agree that, should the Closing occur, its and each Seller Indemnitee's sole and exclusive remedy with respect to any and all matters arising out of, relating to or connected with this Agreement, the Company or its Subsidiaries and their respective assets and liabilities, the transactions contemplated hereby and the Company Interests shall be pursuant to the indemnification provisions set forth in this Article IX.

SECTION 9.4. Indemnification Procedure for Third Party Claims.

(a) In the event that any claim or demand, or other circumstance or state of facts which could give rise to any claim or demand, for which an Indemnitor may be liable to an Indemnitee hereunder is asserted or sought to be collected by a third party ("**Third Party Claim**"), the Indemnitee shall as soon as practicable notify the Indemnitor in writing of such Third Party Claim ("**Notice of Claim**"); provided, however, that a failure by an Indemnitee to provide notice as soon as practicable shall not affect the rights or obligations of such Indemnitee other than if the Indemnitor shall have been actually prejudiced as a result of such failure. The Notice of Claim shall (a) state that the Indemnitee has paid or properly accrued Losses or anticipates that it will incur liability for Losses for which such Indemnitee is entitled to indemnification pursuant to this Agreement, and (b) specify in reasonable detail each individual item of Loss included in the amount so stated, the date such item was paid or properly accrued, the basis for any anticipated Liability and the nature of the misrepresentation, breach of warranty, breach of covenant or claim to which each such item is related and the computation of the amount to which such Indemnitee claims to be entitled hereunder. The Indemnitee shall enclose with the Notice of Claim a copy of all papers served with respect to such Third Party Claim, if any, and any other documents evidencing such Third Party Claim.

(b) The Indemnitor shall have the right, but not the obligation to assume the defense or prosecution of such Third Party Claim and any litigation resulting therefrom with counsel of its choice and at its sole cost and expense (a "**Third Party Defense**"). If the Indemnitor assumes the Third Party Defense in accordance herewith, (i) the Indemnitee may retain separate co-counsel at its sole cost and expense and participate in the defense of the Third Party Claim but the Indemnitor shall control the investigation, defense and settlement thereof, (ii) the Indemnitee will not file any papers or consent to the entry of any judgment or enter into any settlement with respect to the Third Party Claim without the prior written consent of the Indemnitor, and (iii) the Indemnitor will not consent to the entry of any judgment or enter into any settlement with respect to the Third Party Claim to the extent such judgment or settlement provides for equitable relief without the prior written consent of the Indemnitee. The Parties will use commercially reasonable efforts to minimize Losses from Third Party Claims and will act in good faith in responding to, defending against, settling or otherwise dealing with such claims. The Parties will also cooperate in any such defense and give each other reasonable access to all information relevant thereto. Whether or not the Indemnitor has assumed the Third Party Defense, such Indemnitor will not be obligated to indemnify the Indemnitee hereunder for any

settlement entered into or any judgment that was consented to without the Indemnitor's prior written consent.

(c) If the Indemnitor does not assume the Third Party Defense, the Indemnitee will be entitled to assume the Third Party Defense, at its sole cost and expense (or, if the Indemnitee incurs a Loss with respect to the matter in question for which the Indemnitee is entitled to indemnification pursuant to Section 9.2 or Section 9.3, as applicable, at the expense of the Indemnitor) upon delivery of notice to such effect to the Indemnitor; provided that the (i) Indemnitor shall have the right to participate in the Third Party Defense at its sole cost and expense, but the Indemnitee shall control the investigation, defense and settlement thereof; (ii) the Indemnitor may at any time thereafter assume the Third Party Defense, in which event the Indemnitor shall bear the reasonable fees, costs and expenses of the Indemnitee's counsel incurred prior to the assumption by the Indemnitor of the Third Party Defense; and (iii) the Indemnitor will not be obligated to indemnify the Indemnitee hereunder for any settlement entered into or any judgment that was consented to without the Indemnitor's prior written consent.

SECTION 9.5. Indemnification Procedures for Non-Third Party Claims.

The Indemnitee shall notify the Indemnitor in writing promptly of its discovery of any matter that does not involve a Third Party Claim, such notice shall (a) state that the Indemnitee has paid or properly accrued Losses or anticipates that it will incur liability for Losses for which such Indemnitee is entitled to indemnification pursuant to this Agreement, and (b) specify in reasonable detail each individual item of Loss included in the amount so stated, the date such item was paid or properly accrued, the basis for any anticipated liability and the nature of the misrepresentation, breach of warranty, breach of covenant or claim to which each such item is related and the computation of the amount to which such Indemnitee claims to be entitled hereunder. The Indemnitee will reasonably cooperate and assist the Indemnitor in determining the validity of any claim for indemnity by the Indemnitee and in otherwise resolving such matters. Such assistance and cooperation will include providing reasonable access to and copies of information, records and documents relating to such matters, furnishing employees to assist in the investigation, defense and resolution of such matters and providing legal and business assistance with respect to such matters.

SECTION 9.6. Calculation of Indemnity Payments.

(a) Each Indemnitee shall use its commercially reasonable efforts to pursue and collect on any recovery available under any insurance policies. Each Indemnitor agrees that the Indemnitee shall have no obligation to maintain insurance other than against such losses and risks and in such amounts as are customary in the type and size of business to which the Indemnitee is engaged. The amount of Losses payable under this Article IX by the Indemnitor shall be reduced by any and all amounts recovered by the Indemnitee under applicable insurance policies or from any other Person alleged to be responsible therefor. If the Indemnitee receives any amounts under applicable insurance policies or from any other Person alleged to be responsible for any Losses, subsequent to an indemnification payment by the Indemnitor, then such Indemnitee shall promptly reimburse the Indemnitor for any payment made or expense incurred by such Indemnitor in connection with providing such indemnification up to the amount received by the Indemnitee, net of any expenses incurred by such Indemnitee in collecting such

amount.

(b) The amount of Losses incurred by an Indemnitee shall be reduced to take account of any net Tax benefit actually recognized by the Indemnitee or its affiliates (without treating the Company or any of its Subsidiaries as an Affiliate of a Seller) arising in connection with the circumstances relating to such Losses.

SECTION 9.7. Characterization of Indemnification Payments. Except as otherwise required by applicable law, the Parties shall treat any payment made pursuant to this Article IX as an adjustment to the Purchase Price.

SECTION 9.8. Assignment of Claims. If any Indemnitee receives any indemnification payment pursuant to this Article IX, at the election of the Indemnitor, such Indemnitee shall assign to the Indemnitor all of its claims for recovery against third Persons as to such Losses, whether by insurance coverage, contribution claims, subrogation or otherwise.

SECTION 9.9. Sellers Representative.

(a) Each Seller irrevocably appoints Highstar Capital Fund II, L.P. (the “**Sellers Representative**”) with power of designation and assignment as its true and lawful attorney-in-fact and agent with full power of substitution, to act solely and exclusively on behalf of, and in the name of, such Seller, with the full power, without the consent of such Seller, as applicable, to exercise as the Sellers Representative in its sole discretion deems appropriate, the powers which such Seller could exercise under the Letter of Credit, the provisions of this Article IX (including consenting to the settlement of any indemnification claim under this Article IX) or Section 2.1 and Section 2.5 and to take all actions necessary or appropriate in the judgment of the Sellers Representative in connection with this Agreement. In any Third Party Defense in which more than one Seller is an Indemnitor, the Sellers Representative shall act on behalf of all such Sellers. The Buyer and any Buyer Indemnitee shall be entitled to rely exclusively upon any notices and other acts of the Sellers Representative relating to the Sellers’ rights and obligations under the Letter of Credit, this Article IX or Section 2.1 and Section 2.5 as being legally binding acts of each Seller individually and the Sellers collectively and the Buyer and any Buyer Indemnitee shall deliver any notice required or permitted under the Letter of Credit, this Article IX or Section 2.1 or Section 2.5 to be delivered to the Sellers to the Seller Representative. The appointment and power of attorney granted by each Seller to the Sellers Representative shall be deemed coupled with an interest and all authority conferred hereby shall be irrevocable.

(b) Each Seller acknowledges and agrees that the Sellers Representative will not be liable to the Sellers for any act done or omitted hereunder as the Sellers Representative while acting in good faith and in the exercise of reasonable judgment, and any act done or omitted pursuant to the advice of counsel will be conclusive evidence of such good faith. The Sellers will jointly and severally indemnify the Sellers Representative and hold it harmless against any Losses incurred without gross negligence or bad faith on the part of the Sellers Representative and arising out of or in connection with the acceptance or administration of its duties under this Agreement.

(c) The Sellers will reimburse the Sellers Representative for their Pro Rata

Share, of any out-of-pocket, independent, third-party fees and expenses (including fees and expenses of counsel, accountants and other advisors) incurred by the Sellers Representative that arise out of or are in connection with the acceptance or administration of the Sellers Representative's duties under this Agreement.

SECTION 9.10. Release.

(a) Effective upon and following the Closing, the Buyer, on its own behalf and on behalf of the Company and the Subsidiaries of the Company, generally, irrevocably, unconditionally and completely releases and forever discharges the Sellers and any of their respective former, current and future direct or indirect equityholders, controlling persons, shareholders, directors, officers, employees, agents, Affiliates, members, managers, general or limited partners or assignees (collectively, the "**Released Parties**") from all past, present and future disputes, claims, losses, controversies, demands, rights, liabilities, actions and causes of action of every kind and nature that the Company or any of its Subsidiaries has or may have arising from any matter concerning the Company and its Subsidiaries occurring prior to the Closing Date (other than as contemplated hereby), including for controlling stockholder liability or breach of any fiduciary duty relating to any pre-Closing actions or failures to act by the Released Parties; provided that, nothing in this Section 9.10 shall release the Released Parties from their obligations under this Agreement or for their fraud or willful misconduct.

(b) Effective upon and following the Closing, each Seller, generally, irrevocably, unconditionally and completely releases and forever discharges the Company and its Subsidiaries and any of their respective former, current and future directors, officers, employees, agents, Affiliates, members, managers, general or limited partners or assignees from all past, present and future disputes, claims, losses, controversies, demands, rights, liabilities, actions and causes of action of every kind and nature that such Seller has or may have arising from any matter concerning such Seller occurring prior to the Closing Date (other than as contemplated hereby); provided that, nothing in this Section 9.10 shall release any of the Company and its Subsidiaries and any of their respective former, current and future directors, officers, employees, agents, Affiliates, members, managers, general or limited partners or assignees from their obligations under this Agreement or for their fraud or willful misconduct.

If any provision of this Agreement is held to be illegal, invalid or unenforceable under any present or future Law (a) such provision will be fully severable, (b) this Agreement will be construed and enforced as if such illegal, invalid or unenforceable provision had never comprised a part hereof, (c) the remaining provisions of this Agreement will remain in full force and effect and will not be affected by the illegal, invalid or unenforceable provision or by its severance herefrom and (d) in lieu of such illegal, invalid or unenforceable provision, there will be added automatically as a part of this Agreement a legal, valid and enforceable provision as similar in terms of such illegal, invalid or unenforceable

provision as may be possible; provided, that the Parties intend that the remedies and limitations thereon (including provisions that payment of the Termination Fee be the sole and exclusive remedy for the recipient thereof, except for the right of the Sellers to seek an injunction, specific performance or other equitable relief pursuant to, and only to the extent expressly permitted by this Agreement) contained in Article VIII are to be construed as an integral provision of this Agreement and that such remedies and limitations shall not be severable in any manner that increases a Party's liability or obligations hereunder or under the Financing.

SECTION 10.3. Limited Recourse. Each Party covenants and agrees that it shall not institute, and shall cause its Affiliates not to institute, a Legal Proceeding arising under or in connection with, this Agreement or the transactions contemplated hereby, except against the other parties hereto. Any claim or cause of action based upon, arising out of, or related to this Agreement may only be brought against Persons that are expressly named as parties hereto, and then only with respect to the specific obligations set forth herein. No former, current or future direct or indirect equity holders, controlling Persons, stockholders, directors, officers, employees, agents, Affiliates, members, managers, general or limited partners or assignees of any Party or any of their respective Affiliates shall have any liability or obligation for any of the representations, warranties, covenants, agreements, obligations or liabilities of any Party under this Agreement or of or for any Legal Proceeding based on, in respect of, or by reason of, the transactions contemplated hereby (including the breach, termination or failure to consummate such transactions), in each case whether based on Contract, tort, strict liability, other Laws or otherwise and whether by piercing the corporate veil, by a claim by or on behalf of a party hereto or another Person or otherwise.

SECTION 10.4. Counterparts. This Agreement may be executed in counterparts, and any Party hereto may execute any such counterpart, each of which when executed and delivered shall be deemed to be an original and all of which counterparts taken together shall constitute but one and the same instrument. This Agreement shall become effective when each Party hereto shall have received a counterpart hereof signed by the other Party hereto. The Parties agree that the delivery of this Agreement, and any other agreements and documents at the Closing, may be effected by means of an exchange of facsimile or electronically transmitted signatures.

SECTION 10.5. Entire Agreement; No Third Party Beneficiaries. This Agreement, the Schedules, Exhibits, Appendices and the other documents, instruments and agreements specifically referred to herein or delivered pursuant hereto set forth the entire understanding of the Parties hereto with respect to the transactions contemplated by this Agreement. All Schedules, Exhibits and Appendices referred to herein are intended to be and hereby are specifically made a part of this Agreement. Any and all previous agreements and understandings between or among the Parties regarding the subject matter hereof, whether written or oral, are superseded by this Agreement, except for the Confidentiality Agreement, between Corix Infrastructure Inc. and Highstar Capital Fund II, L.P., dated September 26, 2011 (the "**Confidentiality Agreement**"). This Agreement will not confer any rights or remedies upon any Person other than the Parties hereto and their respective successors and permitted assigns, other than Section 6.15 and Section 9.5.

SECTION 10.6. Governing Law. This Agreement and the exhibits and

schedules hereto shall be governed by and interpreted and enforced in accordance with the Laws of the State of New York, without giving effect to any choice of Law or conflict of Laws rules or provisions (whether of the State of New York or any other jurisdiction) that would cause the application of the Laws of any jurisdiction other than the State of New York.

SECTION 10.7. Consent to Jurisdiction; Waiver of Jury Trial. Each Party hereto irrevocably submits to the exclusive jurisdiction of any state or federal court located within the County of New York in the State of New York for the purposes of any suit, action or other proceeding arising out of this Agreement or any transaction contemplated hereby, and agrees to commence any such action, suit or proceeding only in such courts. Each Party further agrees that service of any process, summons, notice or document by United States registered mail to such Party's respective address set forth herein shall be effective service of process for any such action, suit or proceeding. Each Party irrevocably and unconditionally waives any objection to the laying of venue of any action, suit or proceeding arising out of this Agreement or the transactions contemplated hereby in such courts, and hereby irrevocably and unconditionally waives and agrees not to plead or claim in any such court that any such action, suit or proceeding brought in any such court has been brought in an inconvenient forum. Utilities, Inc., Bayside Utility Services, Inc. and Sandy Creek Utilities Co. are aware of a lawsuit by Bay County, Florida against those entities, which has been filed but has not been served, relating to unpaid regulatory assessment fees in the amount of approximately \$200,000. Upon closing of the sales of the Bayside Transaction and the Sandy Creek Transaction assets to the Cities of Panama City Beach, Florida and Callaway, Florida, respectively, the County has agreed to dismiss the lawsuit with prejudice and to permanently forbear any attempt to collect said fees.

Carolina Water Service of North Carolina, Inc. (“CWSNC”) was required to notify all affected customers of the Cabarrus Woods Transaction following the filing of CWSNC’s transfer application with the North Carolina Utility Commission (“NCUC”). Certain of those customers were not notified in a timely manner. The NCUC has been made aware of CWSNC’s failure to provide the required notice. While it is likely that the NCUC will issue an order commenting on CWSNC’s failure to provide timely notice to all affected customers, it is not anticipated that any NCUC order will affect the Cabarrus Woods Transaction, which closed January 31, 2012.

Section 4.8

Compliance with Laws; Permits; Filings

(a)

Perkins Mountain Water Company and Perkins Mountain Utility Company failed to make filings with the Arizona Corporation Commission regarding the current status of construction and water use in their service areas. The filings were due at the end of 2011. The companies are currently seeking an extension of time to file. The grant of such extensions is routine, so no penalty is expected.

CWSNC was required to notify all affected customers of the Cabarrus Woods Transaction following the filing of CWSNC's transfer application with the NCUC. Certain of those customers were not notified in a timely manner. The NCUC has been made aware of CWSNC's failure to provide the required notice. While it is likely that the NCUC will issue an order commenting on CWSNC's failure to provide timely notice to all affected customers, it is not anticipated that any NCUC order will affect the Cabarrus Woods Transaction, which closed January 31, 2012.

The amount of this benefit is based on length of service. If Utilities, Inc. is not able to move an employee into a similar position, and subsequently that individual is terminated due to a change in ownership, a severance benefit will be paid equal to one week's salary per year of service with Utilities, Inc. In addition, Utilities, Inc. maintains a separate severance plan for key management employees.
