**RE: Application of Kentucky Utilities Company for an Adjustment of Its
Electric Rates - Case No. 2012-00221**

Dear Mr. DeRouen:

Enclosed please find and accept for filing the original and two copies of Kentucky Utilities Company's ("KU") September 13, 2012 Amended Response to Attorney General's Initial Requests for Information Dated July 31, 2012, Question No. 286 in the above-referenced matter. Please confirm your receipt of this filing by placing the stamp of your Office with the date received on the enclosed additional copies.

In responding to a supplemental request to Louisville Gas and Electric Company ("LG&E") from the Attorney General on the same question posed to KU in Question No. 286, KU identified that the original response filed electronically on August 14, 2012 included an amount for secondary circuit miles that was inadvertently transposed with the amount for LG&E, affecting the answer to both subparts (a) and (b). In addition, since the original response was submitted, KU has endeavored to collect the necessary data to provide a more detailed response to part (c).

In accordance with Ordering Paragraphs 5 and 10 of the Commission's June 22, 2012 Order, I certify that the electronically filed document is a true representation of the original document in paper medium to be filed by hand delivery with the Commission within two business days from the date of this

electronic filing, and that all materials in the paper documents are included in the electronic filing.

In addition to the electronic filing today, pursuant to Ordering Paragraph 13 of the June 22, 2012 Order, the Company is filing with the Commission within two business days one original and two copies in paper medium of Amended Response.

Should you have any questions regarding the enclosed, please contact me at your convenience.

Sincerely,

A handwritten signature in blue ink, appearing to read "Robert M. Conroy". The signature is stylized and fluid, with a long horizontal stroke extending to the right.
