ATTORNEY GENERAL'S NOTICE OF ERRATA

With

NOTICE OF MAILING

Comes the intervenor, the Attorney General, to submit his notice of errata and notice of mailing of copies of discs of his responses to the companies' requests for information to the parties.

NOTICE OF ERRATA

The Attorney General provides notice that the certificate in the responses to the companies' requests for information should be corrected to indicate that the paper copies were filed at the Commission on 29 October 2012.

NOTICE OF MAILING

On 29 October 2012, the Attorney General moved the Commission for a deviation from the requirement governing filing of hard copies in the above cases. While the Commission has yet to rule on that motion, the Attorney General stated that if the Commission granted the request, the Attorney General would mail a disc to the parties of record. In an attempt to maintain judicial economy and demonstrate the Attorney General's good faith efforts to comply with the Commission's rules, the Attorney General provides notice that on this date he has mailed discs that to the best of his knowledge and belief contain the materials that the Attorney General uploaded to the Commission's website¹.

Respectfully submitted,
JACK CONWAY
ATTORNEY GENERAL

¹ The Attorney General notes that the discs will likely provide easier and better reference to the materials to the specific attachments uploaded to the PSC website. Specifically, a review of the Attorney General's upload on the Commission's website provides definitive references to attachments in Case No. 2012-00221 whereas the attachments in Case No. 2012-00222 does not. The discs as provided for Case No. 2012-00221 consist of an exact replication of the download from the website but Case No. 2012-00222 contains a mirror image of the disc that the Attorney General presented to the Commission when the Commission accommodated the Attorney Generals' request for the upload given the Attorney General's technical difficulties.

Notice of Electronic Filing, Filing, and Certificate of Service

With regard to the foregoing pleading, undersigned counsel provides the following certification and notice: Pursuant to ordering paragraph 3 of the Commission's June 22, 2012, Order, the Attorney General files the original and one copy in paper medium and one copy in electronic medium. Per ordering paragraph 10 of the June 22, 2012 Order, undersigned counsel certifies that: (a) the electronic version is a true and accurate copy of the material filed in paper medium; (b) the electronic version has been transmitted to the Commission; and (c) there are currently no parties that the Commission has excused from participation by electronic means in this proceeding.

With regard to the electronic filing, in conformity with Ordering paragraph 3 of the June 22, 2012, Order, the Attorney General has submitted his electronic copies of the information by uploading the material to the PSC's Web Application Portal at <https://psc.ky.gov/Security/account/login.aspx> . With regard to the original and paper copy, the material will be filed at the Commission's offices no later than the second business day following the electronic filing (consistent with the instruction contained in ordering paragraph 13 of the June 22, 2012 Order).
