STATEMENT SHOWING ORIGINAL COST OF TANGIBLE PROPERTY,
ACCUMULATED DEPRECIATION ATTRIBUTABLE THERETO, AND
NET BOOK VALUE
AT DECEMBER 31, 2009

NOTES:

- (1) Taxpayer's records do not provide a breakdown of accumulated depreciation into all of the components shown here. For that purpose the accumulated depreciation has been allocated to certain of the components on the basis of original cost.
 - (2) Land valued at a rate comparable to the assessment of adjacent land made by the local and state assessor except in some cases parcels that have been purchased recently are valued at cost.
 - (3) Valued at 100% of original cost.
 - (4) Includes property with no book cost.
