RE: *Application of Louisville Gas and Electric Company to Modify Its Certificate of Public Convenience and Necessity as to the Mill Creek Unit 3 Flue-Gas-Desulfurization Unit* - Case No. 2012-00469

Dear Mr. DeRouen:

Enclosed please find and accept for filing Louisville Gas and Electric Company's ("LG&E" or "Company") Motion for Leave to Amend, an Amended Application and Supplemental Testimony in electronic medium in the above referenced matter. The Amended Application seeks an order declaring that LG&E may recover its cost to construct a new wet flue gas desulfurization system ("WFGD") to serve Unit 3 at the Mill Creek Generating Station instead of rehabilitating the existing WFGD at Unit 4 through its environmental cost recovery mechanism.

In accordance with Ordering Paragraphs 5 and 10 of the Commission's October 25, 2012 Order, I certify that the electronically filed documents are a true representation of the documents in paper medium to be filed by hand delivery with the Commission within two business days from the date of this electronic filing, and that all materials in the paper documents are included in the electronic filing.

In addition to the electronic filing today, pursuant to Ordering Paragraph 13 of the October 25, 2012 Order, the Company will file with the Commission within two business days one original and one copy in paper medium of the
