**RE: *Application of Louisville Gas and Electric Company to Modify Its Certificate of Public Convenience and Necessity as to the Mill Creek Unit 3 Flue-Gas-Desulfurization Unit - Case No. 2012-00469***

Dear Mr. DeRouen:

Enclosed please find and accept for filing Louisville Gas and Electric Company's ("LG&E" or "Company") Responses to the Commission Staff's First Request for Information in electronic medium in the above referenced matter.

In accordance with Ordering Paragraphs 5 and 10 of the Commission's October 25, 2012 Order, subject to the motion for deviation described below, I certify that the electronically filed documents are a true representation of the documents in paper medium to be filed by hand delivery with the Commission within two business days from the date of this electronic filing, with the exception of those Requests for which attachments are being provided in native format, and that all materials in the paper documents are included in the electronic filing.

In addition to the electronic filing today, pursuant to Ordering Paragraph 13 of the October 25, 2012 Order, the Company will file with the Commission within two business days one original and one copy in paper medium of the Responses to the Commission Staff's First Request for Information (the paper copies being

in addition to the electronic version of the filing the Company is making today via the Commission's E-Filing System).

Also, included in this electronic filing is a Petition for Confidential Protection requesting protection from public disclosure of certain information LG&E considers to be confidential in nature. In accordance with Ordering Paragraph 15 of the October 25, 2012 Order, the confidential material that is the subject of the Petition is not included in the electronic submission of this filing. Subject to the Motion for Deviation, the original and one copy of the Petition in paper medium and one copy of the confidential information in paper medium and on CD-ROM are being filed today.

Finally, included in this electronic filing is a Motion for Deviation from the requirement in the Commission's October 25, 2012 Ordering Paragraph 15 that an original in paper medium of the material which should be classified as confidential also be filed as the request for deviation applies to the information identified therein.

Should you have any questions regarding the enclosed, please contact me at your convenience.

Sincerely,

Robert M. Conroy
