RE: *Case No. 2012-00520*

Dear Mr. Derouen:

Enclosed please find Kentucky American Water's Petition for Confidential Treatment for the Supplemental Response to Item No. 168(c) of the Attorney General's First Request for Information. In accordance with Ordering Paragraphs 5 and 10 of the Commission's December 17, 2012 Order in this matter, I certify that: (1) the electronically filed documents are a true and accurate copy of the original documents that will be submitted in paper medium, except as noted below; (2) the electronic documents have been transmitted to the Commission on March 29, 2013; and (3) no party has been excused from participating in this case by electronic means.

Kentucky American Water is providing a copy the Petition for Confidential Treatment electronically and in paper. Because Kentucky American Water has filed a Motion to Deviate from the filing requirement that it provide a paper copy of the confidential information, Kentucky American Water is instead filing a compact disc that contains the confidential attachment to Item No. 168(c). The disc denotes that confidential treatment is sought for every file on the disc.

Sincerely,

Stoll Keenon Ogden PLLC

Monica H. Braun
