Re: Case No. 2012-000520

Dear Mr. Derouen:

Enclosed please find Kentucky American Water's Petition for Confidential Treatment of Responses to Items 3(a) and (c), 4(b), 16, and 18(c) of the Commission Staff's First Set of Information Requests. In accordance with Ordering Paragraphs 5 and 10 of the Commission's December 17, 2012 Order in this matter, I certify that: (1) the electronically filed documents are a true and accurate copy of the original documents that will be submitted in paper medium; (2) the electronic documents have been transmitted to the Commission on January 23, 2012; and (3) no party has been excused from participating in this case by electronic means.

In addition to the Petition, a copy of which has been provided electronically and in paper, Kentucky American Water is also filing with the Commission a paper and CD-ROM copy of the material for which Kentucky American Water is seeking confidential treatment, with the confidential information highlighted in yellow. The only exception is the response to Item No. 3(c), which are the Excel workpapers Kentucky American Water utilized in preparing its filing schedules. A "Confidential" CD-ROM containing the Excel files has also been provided to the Commission.

Sincerely,

Stoll Keenon Ogden PLLC
