Re: Case No. 2012-000520

Dear Mr. Derouen:

Enclosed please find Kentucky American Water's Responses to Commission Staff's First Request for Information. In accordance with Ordering Paragraphs 5 and 10 of the Commission's December 17, 2012 Order in this matter, I certify that: (1) the electronically filed documents are a true and accurate copy of the original documents that will be submitted in paper medium except as noted below; (2) the electronic documents have been transmitted to the Commission on January 23, 2012; and (3) no party has been excused from participating in this case by electronic means. Further, the electronic filing does not include documents for which Kentucky American Water is seeking confidential protection by virtue of a contemporaneously filed Petition for Confidential Protection. Also, per an agreement with Commission Staff, the electronic filing does not include the numerous Excel files that are responsive to Commission Staff Request No. 3(c) as those are being provided on a CD, the public version of which will be hand-delivered to the Commission and counsel of record in this matter.

Very truly yours,

Stoll Keenon Ogden PLLC
