<u>Item</u>	<u>Actual + Budget Base Year Ended 3/31/2013</u>	<u>Actuals 12 Months Ended 11/30/2012</u>	<u>Variance of Base Year to Actuals Ended 11/30/12</u>	<u>Variance %</u>	<u>Reconciliation</u>
<b>Operating Revenues</b>	\$ 87,282,760	\$ 85,519,268	\$ (1,763,492)	-2%	Actuals are lower due primarily to low actual winter usage & fewer late fees than in the base period. Offsetting this is higher revenues collected for others in actuals than were budgeted.
<b>Operating Expenses:</b>					
O&M	\$ 33,903,162	\$ 33,683,008	\$ (220,155)	-1%	Actuals lower due to production costs and support services increases post November 2012 in the base year, net of decreases to labor and various sundry items post November 2012.
Depreciation & Cost of Removal	11,872,191	11,436,655	(435,536)	-4%	Actuals lower due to timing. This is primarily due to less plant and to base year inclusion of several months of BT assets depreciating at 20%.

CASE NO. 2012-00520  
COMMISSION STAFF'S FIRST REQUEST FOR INFORMATION**

**Witness:** Lance E. Williams

9. Describe the process that Kentucky-American uses to plan and approve construction projects.

**Response:**

The long-term construction planning begins with the Least Cost/Comprehensive Planning Study, which evaluates the distribution system, storage facilities and production capacities. The study identifies projects for construction over a fifteen-year planning horizon, with immediate needs identified for construction within five years. KAW's most recent formal study was completed in 1992, although a draft update to the plan for distribution, storage and production systems was developed in 1999. This draft was not finalized due to the continued concerns and impact of the system from the source of supply solution. The storage analysis was finalized and updated and filed with the PSC in December 2005 as part of KAW's initial application in Case No. 2005-00546.

The Engineering group works with the Vice President Operations, Operations Superintendents and Operations Supervisors to prioritize projects and identify any projects that may not have been included in the five-year plan. This is reviewed by the President and submitted to the Capital Investment Management Committee ("CIMC"). The five-year plan is utilized to develop immediate year budgets based on urgency of the projects. Project authorization is submitted with the annual budget to the CIMC and then approved by the Capital Investment Review Committee. Projects over \$10 million are approved by the Board of Directors individually; otherwise the projects are authorized by the Board of Directors as part of the entire annual strategic capital expenditures plan. The CIMC also authorizes changes to project scope or cost within the Strategic Capital Expenditure Plan. Projects for compliance with local, state, and federal regulations, improvement of service and fire flows, and reductions of maintenance problems are given priorities.

The 1992 LC/CPS was filed originally with the PSC in July 1992 and filed electronically in the Case Number 2004-00103 as KAW\_R\_PSCDR1#8\_052004.pdf.

**Witness:**      **Lance E. Williams**

- 11.**    a.    For each construction project that Kentucky-American has commenced from January 1, 2002 through December 31, 2011, provide the information listed below in the format contained in Schedule 1:
- (1)    Project number;
  - (2)    Project title and description;
  - (3)    Annual actual cost;
  - (4)    Annual original budgeted cost;
  - (5)    Variance between annual actual cost and annual original budgeted cost in dollars;
  - (6)    Variance between annual actual cost and annual original budgeted cost as a percentage;
  - (7)    Percentage of total construction budget that proposed project comprises for the budgeted year;
  - (8)    Total actual project cost;
  - (9)    Total budgeted project cost;
  - (10)    Variance between total actual project cost and total budgeted project cost;
  - (11)    Date the original budget projected the project to start;
  - (12)    Date the original budget projected the project to be completed;
  - (13)    Date construction of project actually commenced; and
  - (14)    Date construction of the project was actually completed.
- b.    For each project in which a variance between actual and budgeted cost occurred, or in which a delay in its start or completion occurred, describe the variance or delay and the reasons for such variance or delay.
- c.    Provide the information requested in 11(a) and 11(b) for the calendar year 2012 when available.
- d.    Provide a copy of the construction budget variance information requested in Item 11(a) and 11(c) on a CD-ROM in Microsoft Excel format.

**Response:**

- a.    Please see attached.
- b.    Please see attached.
- c.    This response will be updated when the information for 2012 is completed.

- d. Please refer to the excel file that was filed electronically as KAW\_R\_PSCDR1\_NUM11\_012313.xlsx.

Construction was shutdown during peak demand. Bids exceeded original estimate and scope was expanded during construction.  
KAW was looking to increase the size of Yarnallton as a possible secondary feed to the 42-inch transmission main. After careful consideration it was determined not to be effective. Scope was expanded during construction from original budget.

Note: Budget Projects DV - 5 represent normal on-going construction expenditures and are comprised of numerous construction jobs. The cost of these projects can range from approximately \$1,000 to \$95,000. The construction period may be as little as one week or as long as two months.

**KENTUCKY-AMERICAN WATER COMPANY**  
**CASE NO. 2012-00520**  
**COMMISSION STAFF'S FIRST REQUEST FOR INFORMATION**

---

**Witness:**      **Linda C. Bridwell**

- 13.** For each construction project listed in Kentucky-American's response to Item 10, provide the information listed below in the format contained in Schedule 3:
- a. Project number;
  - b. Date on which construction began;
  - c. Estimated date of project completion;
  - d. Time elapsed since the beginning of construction as a percentage of total estimated time of construction;
  - e. Original budget estimate of project's cost;
  - f. Most recent budget estimate of project's cost;
  - g. Total expenditure on project; and
  - h. Total project expenditure as percentage of total budgeted estimate.

**Response:**

For each construction project listed in the response to Item 12, see the attached schedule for the 12 months preceding the base period. Also attached is Exhibit B-4.1, page 1 of 2, detailing the base period and Exhibit B-4.1, page 2 of 2, detailing the forecasted test year.

- 16.**    Provide a complete copy of all wage, compensation, and employee benefits studies, analyses, and surveys that Kentucky-American has conducted, commissioned, or used.

**Response:**

The Company has used a wage band survey study prepared by its corporate parent. Providing the study publicly would place the Company at a competitive disadvantage. Therefore, the Company has filed a Petition for Confidential Treatment of the study contemporaneously with these responses. The Company will provide copies of the study to all parties in this case upon execution of an appropriate confidentiality agreement.

- 18.**
- a. Identify the amounts of incentive pay that are included in base year and forecasted labor. Describe the incentive pay plans and explain why such a plan is necessary and reasonable.
  - b. List each Kentucky-American employee who is eligible to participate in the incentive pay program.
  - c. State the level of incentive pay awarded to all individuals participating in the program for the previous five calendar years compared to the level of incentive pay available to each participant in the forecasted period.
  - d. For the previous five calendar years, provide a comparison of the incentive pay that was budgeted to the actual amounts paid in each year. Include detailed explanations for any variance between the budgeted and actual payments.

**Response:**

- a. The amount of incentive pay in the base year Kentucky American Salaries and Wages is \$276,917. Forecasted incentive pay included in Kentucky American Salaries and Wages is \$349,221. However, incentive pay is not included in the revenue requirement in this proceeding.

For a description of incentive pay plans, please see the attached brochures.

The incentive plans are necessary because they drive performance of employees which benefits customers in a number of ways. KAW's customer satisfaction, safety and operational performance indicators are very positive and the Company believes these results are directly tied to the Company's performance in these areas. Establishing goals that stretch the employee efforts leads to better service, lower employee turnover, and increase customer satisfaction. Incenting employees to perform at above average levels reduces the number of employees required to provide the appropriate level of service, which directly impacts customer rates.

As stated in previous rate cases, KAW believes the annual incentive plan is necessary because it is part of the overall compensation package for KAW and AWWSC employees providing service to KAW customers. The at-risk incentive pay is not just an add-on to base pay, but is in place to drive performance to the benefit of the customers through better service and more efficient costs. The

target for base pay for employees is the 50<sup>th</sup> percentile of the wage band, and the at-risk compensation from the incentive plan has been targeted to permit an eligible employee to achieve target compensation at 65<sup>th</sup> percentile of the wage band, given strong job performance on specific job performance goals. These goals are designed to improve customer service and satisfaction, and promote effective and efficient operation of the employee's areas of responsibility.

The incentive plans are necessary because the Company must compete for qualified employees in the various markets where KAW and AWWSC operate. KAW and American Water believe that the incentive plan is necessary to compete in the markets where it must attract and retain highly qualified and strong performing employees when other surrounding businesses offer more competitive compensations, including incentive pay to award that strong performance. KAW has submitted testimony in previous cases regarding the prevalence of at-risk incentive pay plans at other major utilities and the job market in general.

- b. Please see attached.
- c. The attached information contains confidential information regarding individual compensation information for KAW employees that is not included in the current rate request. ## THE 2012 AMERICAN WATER ANNUAL INCENTIVE PLAN

### Your Performance — Your Award

*At American Water, your performance counts. We rely on our employees' knowledge and skills to help the company achieve its business objectives.*

- The American Water 2012 Annual Incentive Plan (AIP) is designed to give eligible exempt employees an annual opportunity to earn a cash award that recognizes and rewards their contributions to the company's success. This means that company and ***individual performance*** are both taken into account to determine cash awards under the plan. We continue to make adjustments to the AIP design to reinforce the link between company and individual performance and award payouts. This year will include a new goal of Business Transformation Performance.
- We are continuing the funding approach that was used in 2011, which directly ties the amount of available cash for AIP payouts to company performance against specific metrics. AIP funding for all eligible, exempt employees will depend on the company's achieving its financial, business transformation and operational goals.
- ***Your individual performance continues to play a large role in determining the amount of your payout.*** Employees who exceed their performance targets could receive higher payouts. Conversely, employees who under-perform and do not meet their performance targets could receive lower payouts or no payout at all. In short, ***your performance directly impacts the amount of your award.***

The 2012 AIP is designed to challenge and motivate you to perform at your highest level, and promote the creation of value to the customer and shareholder. Read this brochure to learn about how the 2012 plan works and what it means for you.

Involuntary termination for cause would not be eligible.</li> </ul> </li> </ul>

## Eligibility

- You are eligible for an AIP award opportunity if you are a regular, full-time exempt employee of American Water.
  - Regular, full-time exempt employees who join American Water on or before September 30, 2012 are also eligible to participate in the AIP on a prorated basis.
  - Employees transferred from nonexempt to exempt status on or after September 30<sup>th</sup> are not eligible in the current plan year.
- You must be an active employee with American Water on the date the payout is made in order to receive the award. You (or your beneficiary) may be eligible for

a prorata award if you are disabled, retire, die, involuntarily terminate (not “for cause”) or a divestiture occurred after June 30, 2012. (Retirement under this plan is age 55 and 10 years of service.)

- If you are promoted during the plan year to a position with a *higher* AIP target level, or if you are reclassified/transferred to a position with a *lower* AIP target level, your award payout will be based on your new target level as of December 14, 2012, except ML4s and above who will be prorated at each salary and target level.
- You are **not** eligible for an AIP award if:
  - you transfer from exempt status to nonexempt status during the current plan year or your job was reclassified to nonexempt status,
  - your performance rating is “Unacceptable” or “Too Soon to Rate,”
  - you have not complied with the company’s annual Code of Ethics certification by the established deadline,
  - your employment was involuntarily terminated for cause.

#### Why Is the Plan Based on Individual Performance?

Since the value (as reflected in our share price and our return to shareholders) and success of our business depend on the achievement of annual company and individual performance goals, American Water recognizes the need to differentiate and reward the performance of employees who enable us to reach these goals. The 2012 AIP is designed to ensure that award payouts are directly tied to measurable contributions — both company and individual — to American Water’s success.

## DETERMINING AIP AWARDS

*AIP award payouts depend on individual performance; they also depend on overall corporate performance and organizational group/functional area results (which determine award pool funding).*

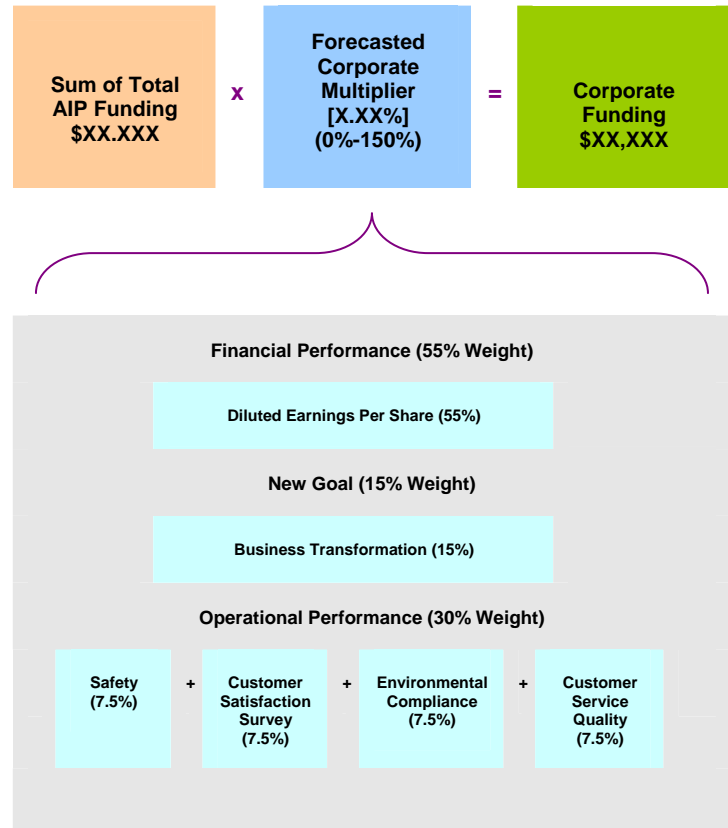

AIP awards will be determined according to the following three-step process:

Step 1:	Establish initial award pool based on overall corporate performance
Step 2:	Allocate overall corporate funding to organizational groups/functional areas, and adjust specific organizational group/functional area funding to reflect results
Step 3:	Determine AIP award based on individual performance; awards are paid from available organizational group/functional area funding

Step 1: Establish initial award pool based on overall corporate performance

Based on financial (weighted 55%), business transformation (weighted 15%) and operational (weighted 30%) goals

Each year, American Water establishes funding for the AIP award pool. In 2012, the funding will be directly tied to company performance and represented by the **Corporate Multiplier**. The Corporate Multiplier can range from 0% to 150% depending on how well the company performed against the financial, business transformation and operational goals described below. Note that a pre-determined **threshold** for company performance - **2012 Diluted Earnings Per Share (EPS) must be at least 90% of target** - must be met in order for funding of any award to be provided under the AIP for Business Transformation and Operational Performance Factors.

- **Financial Metric (Weighted 55%) \***

- *Diluted Earnings Per Share* is a widely tracked measure of financial performance/profitability, and is calculated as follows:

$$\begin{array}{r}
 \text{Net Income to Common Stockholders} \\
 \div \\
 \text{Average Outstanding Shares (including dilutive securities such as} \\
 \text{stock options)} \\
 = \\
 \text{Diluted Earnings per Share}
 \end{array}$$

\* 2012 Diluted Earnings Per Share (EPS) must be at least 94.3% of target for any financial funding and award to be provided under the AIP.

- **Business Transformation (Weighted 15%)**

- Enterprise Resource Plan (ERP) go live with successful third quarter close (Judgment of Management with Discretion of the Board of Directors.)

- **Operational Performance (Weighted 30%)\***

- Environmental Compliance Notices of Violation (NOVs) (7.5%)
  - Safety Performance (7.5%)
  - Customer Satisfaction Survey (7.5%)
  - Customer Service Quality Survey (7.5%)

*\*These outcomes are based on a combination of surveys, end-of-year results, data and other annual reports (For more details on these performance measures, see Attachment A at the back of this brochure).*

Please note that AIP funding for all employees will depend on how well the company achieves its financial, business transformation and operational goals. A pre-determined financial threshold for company performance must be met in order for funding and any award to be provided under the AIP. For 2012, the threshold is 90% of EPS target.

The financial, business transformation and operational metrics are added together to determine the Corporate Multiplier. So, even if certain metrics are not achieved, the

funding may be reduced, but not eliminated altogether. However, if the company's financial performance does not meet the threshold, the Corporate Multiplier will be reduced to zero, which would eliminate any award payout. The Corporate Multiplier (and thus funding for payouts) may be adjusted to take into account nonrecurring items such as impairment charges, dissolutions or acquisitions of businesses or costs associated with one-time events.

Step 2: Allocate overall corporate funding to organizational groups/functional areas, and adjust specific organizational group/functional area funding to reflect results

Once the overall corporate funding is determined as described under Step 1, senior management will allocate the Corporate funding to American Water's organizational groups and functional areas. The funding for each organizational group/functional area may be increased or decreased, at senior management's discretion, to reflect specific organizational group/functional area results.

Step 3: Determine individual AIP award based on (a) individual performance, and (b) available organizational group/functional area funding; awards are paid from available organizational group/functional area award pool

Your **AIP target award** (i.e., your award opportunity) is based on your job with the company and is expressed as a percentage of your base salary. Your actual award payout may be higher or lower than target depending on whether **individual** and company performance goals have been met, and your organizational group's/functional area's results. Contact your manager for information on your individual AIP Target Award.

Your individual performance factor is based on (a) your performance against specific targets, and (b) the amount of organizational group/functional area funding available

The sum of individual awards for a specific organizational group/functional area must not exceed the funding allocated to that organizational group/functional area

The **Individual Performance Factor** represents how well you achieve your annual individual performance goals. Your **Individual Performance Factor (IPF)** can range from 0% to 200%, depending on your performance for the plan year and the amount of organizational group/functional area funding available. This performance factor will then be multiplied by your Target Award to determine your 2012 AIP award payout. Individual payouts will be capped at 200% of AIP target award.

Individual AIP awards are then paid from the available organizational group/functional area award funding, which may impact the original IPF determination. The sum of all individual awards within a given organizational group/functional area must not exceed its allocated pool of dollars.

## WHAT THE 2012 AIP MEANS FOR YOU

### Performance Ratings

Most people are motivated to do their best; therefore ***the better you perform, the greater your potential award will be under the Plan.*** It is your responsibility to maximize your award opportunity by achieving or exceeding your goals.

Each year, you and your manager identify four to six high priority and challenging performance targets, which represent where you can directly impact the company's success. These performance targets and their weightings should be specific, measurable and aligned with the company's performance targets. During your year-end performance review, you and your manager will discuss how well you performed against the established targets, and rate your performance using one of the following performance ratings:

Rating
Exceptional
Highly Effective
Commendable
Needs Improvement
Unacceptable
Too Soon to Rate

Later, during the AIP process, your manager will use your rating to determine your Individual Performance Factor. Depending on how you performed during the year, you could potentially earn a higher payout than in previous years — or you could earn a lower payout or no payout at all. In other words, ***the AIP design gives you more power to impact the size of your award. It also means that you are accountable for meeting your performance goals.***

#### Award Funding Determination

Below are four scenarios that demonstrate how AIP funding may be calculated:

AIP Funding Assumptions				
Total AIP Funding *				\$20,000,000
Total AIP Funding for Organizational Group*				\$2,000,000
* The total is the sum of the target awards for the eligible employees.

*Both company and individual performance can significantly impact your final payout. Also, remember that the sum of individual awards for a specific organizational group/functional area must equal the funding allocated to that organizational group/functional area.*

**Please discuss the AIP with your manager to ensure you clearly understand how the formula works and how your performance impacts your potential award payout.**

### Receiving Your AIP Award

Awards will be paid in cash no later than March 15, 2013. If you are eligible for an award payout, please keep in mind that:

- You must be actively employed with the company on the date of payout.
- The payout will be based on your annual base salary as of December 14, 2012 and subject to all federal, state and local income tax withholdings.
- The American Water Board of Directors or its Designee has the right to adjust the award determination(s) and/or award payouts(s) at its discretion.

*Remember, **it's your performance** — and your award: The contributions you make to American Water's success throughout the year ultimately impact the amount of your payout. Be sure to carefully review this brochure; then speak with your manager about the AIP and about what you can do to improve your performance and share the financial rewards of American Water's success.*

## FREQUENTLY ASKED QUESTIONS

Question	Answer
How does the plan reward performance?	The AIP allows us to differentiate and reward the performance of employees who contribute to the achievement of the company's goals. The 2012 AIP directly ties award payouts to measurable contributions (company, organizational group/functional area and individual) to American Water's success.
Who is eligible for the AIP?	All regular, full-time exempt employees are eligible to participate. If you join American Water on or before September 30, 2012, you are also eligible to participate in the plan on a prorated basis.
What do I have to do to receive an AIP award?	<p>Any payout will depend largely on your performance, as well as on company, organizational group/functional area performance (including financial, business transformation and operational), which determines funding.</p> <p>If your performance is rated "Needs Improvement" or higher, you may receive an award payout — but only if threshold company performance metrics have been met. If your performance rating is "Unacceptable" or "Too Soon to Rate," you will not receive a payout. To maximize your award opportunity, it's important to meet with your manager to establish meaningful performance goals, then work hard throughout the year to achieve those goals.</p>
How is my AIP target award opportunity determined? How can I find out what it is?	Your AIP target award opportunity is based on your job and is expressed as a percentage of your base salary. Please see your manager to learn more about your target award opportunity for 2012.
How will my AIP award payout be calculated?	The size of the pool which funds your award is determined based on overall corporate performance and adjusted to reflect specific organizational group/functional area results. AIP funding for all eligible employees will depend on the company and/or organizational group/functional area achieving its operational and business transformation as well as financial goals. Once individual awards are calculated, they are paid from the organizational group/functional area funding.

Question	Answer
What is the minimum and maximum that could be paid under the plan (as a percent of target)?	AIP award payouts can range from zero, to a maximum of an Individual Performance Factor of 200%. Payouts are capped at 200% of AIP target award.
Will I receive an award payout if I meet my individual performance goals but the company <i>does not</i> achieve minimum (threshold) performance?	No. A pre-determined financial threshold for company performance must be met in order for funding and any award to be provided under the AIP.
What happens if I leave American Water before I receive my award payout?	To receive the award payout, you must be actively employed with American Water on the date the payment is to be made. You (or your beneficiary) may be eligible for a prorata award if you are disabled, retire, die, involuntarily terminate (not "for cause") or a divestiture occurred after June 30, 2012. (Retirement under this plan is age 55 and 10 years of service.) Employees involuntarily terminated for cause would not be eligible.
What happens if I change job positions within American Water during the plan year?	Your award payout will be based on your base salary and target level percentage as of December 14, 2012.

This brochure is the 2012 American Water Annual Incentive Plan. The American Water Board of Directors or its Designee, whose decisions will be final and binding, will determine interpretations of the Plan. The company reserves the right to amend, modify, or discontinue the Plan during the plan year or at any time in the future. Participation in the Plan does not convey any commitment to ongoing employment.

## 2012 AIP OPERATIONAL MEASURES

### Service Quality (7.5%)

This metric is measured by the Service Quality Survey (SQS) which is conducted throughout the year for customers requesting service resulting in completion of a service order by a Field Service Representative (FSR). The score is based on the survey question: "Overall, how satisfied were you with the outcome of your service contact?" taking the top two response categories of a 5 point response scale (5. Extremely Satisfied, 4. Very Satisfied, 3. Somewhat Satisfied, 2. Somewhat Dissatisfied, 1. Very Dissatisfied). The AW goal for 2012 is 85% and the graduated award scale is provided below.

*This guide provides an overview of your 2012 equity awards granted to you under the American Water Works Company, Inc. 2007 Omnibus Equity Compensation Plan (the “Plan”). The Equity Award — a key component of your American Water compensation package — promotes the achievement of the Company’s long-term, strategic business objectives. Read this guide to learn about Equity Awards and how they reward you for contributing to American Water’s long-term financial success.*

## AN OVERVIEW OF THE EQUITY AWARD

You have been granted a 2012 Equity Award, which represents your Long-Term Incentive Compensation. Your award is determined by the Compensation Committee of the American Water Board of Directors (“the Committee”).

### An Award Based on American Water’s Success

As a publicly-held company, American Water has a responsibility to its shareholders to drive long-term success and increase the value of American Water stock.

You can make a difference. Think about the activities you perform on a day-to-day basis. Your contributions can help generate results that lead to success for American Water and significant rewards for you. As an American Water management employee and shareholder, you not only have the ability to influence our day-to-day performance, you also share in the long-term rewards of American Water’s success.

Equity awards under the Plan allow you to share in the company’s success by providing opportunities for rewards based on long-term performance. The 2012 award includes stock options and a performance-based stock component, which awards Performance Stock Units (PSUs) based on American Water’s Total Shareholder Return (TSR) ranking among peer companies in the Dow Jones U.S. Utilities Index as well as PSUs based on certain Company internal metrics. This design aligns more closely with the market and helps keep American Water competitive with our peers in the utilities industry.

### The Amount of Your Award Grant

Your individual award grant amount is based on a percentage of your base salary, granted in the form of equity in the Company: 40% of the value in stock options, 30% of the value in PSUs based on TSR ranking, and 30% value in PSUs based on internal performance goals: compounded earnings per share (EPS) growth and operational efficiency improvement.

## ABOUT OPTIONS AND PERFORMANCE STOCK UNITS <sup>1</sup>

*The following sections describe how the options and PSUs granted to you vest and are distributed.*

### Stock Options

- **40% of Equity Award**
- **Exercise price is the closing price on the date of grant, which was \$34.12 on February 23, 2012.**
- **Options vest 33.3% each on January 1 of 2013, 2014 and 2015. Options are 100% vested as of January 1, 2015.**

**A stock option is your right to purchase a share of American Water stock at the exercise price, once vested, for a set period of time.**

A stock option gives you the right to purchase a share of American Water stock at an “exercise price” for a set period of time.

Stock options represent 40% of your equity award. The number of options you are granted is based on the monetary value of your option award and a value determination called the **Black-Scholes value** for an option on the date of the grant. The exercise price of the options is based on the closing price of the company’s stock on the date of grant. The 2012 equity awards were granted on February 23, 2012. The closing price on the grant date was \$34.12.

### **Vesting**

Your options vest in three equal installments (33.3% each) on January 1 of 2013, 2014 and 2015. Once options vest, you may purchase (or “exercise”) your options, until their December 31, 2018 expiration date and subject to employment requirements as defined in the Plan and summarized in the Appendix. Any options not exercised by the expiration date will be forfeited.

### **The Value of Your Options**

The value of your options depends on American Water’s stock performance in the future. This means they may or may not have value at the time they expire. The greater the increase in American Water’s market price, the greater the value of your award.

The value you receive is the difference between (a) the exercise price, and (b) the market price of the stock at the time you exercise your options.

You will benefit if the market price of American Water’s stock at exercise is *greater* than its exercise price on the date of the grant. However, if the market price at exercise is *lower* than the exercise price, the options have no value.

### **Exercising Your Options**

You may choose to exercise all or a portion of your vested stock options before the expiration date on December 31, 2018. When you are ready to exercise your options, contact E\*TRADE at **www.etrade.com** or at 1-800-838-0908. (See “Managing Your 2012 Equity Award” in the Appendix for more information.)

<sup>1</sup> Before trading in the company’s securities, including exercising any options, you must review the Company’s Insider Trading Policy. In addition, under the Insider Trading Policy, certain persons (Section 16 and Restricted Individuals) are subject to the affirmative obligation to “pre-clear” any proposed purchase or sale of Company securities with the CFO, General Counsel, or inside SEC Counsel. If you have any questions about the Insider Trading Policy and pre-clearance process, please call SEC Compliance Specialist (856-346-8257) or SEC Counsel (856-309-4589).

You may exercise your options using any of the following methods <sup>2</sup>:

1. **Exercise and sell.** You can exercise your vested options by either (a) selling just enough stock to cover the exercise price, taxes and transaction fees; **or** (b) selling additional shares to cover the exercise price, taxes and fees *and* receive the net proceeds in cash.
2. **Cash.** You can exercise your options and buy the shares with money from personal funds to cover the exercise price, taxes and transaction fees.
3. **Stock swap.** You can instruct E\*TRADE to use shares of American Water common stock you currently own to fund the exercise of your stock options, provided that it is approved by the Committee.

### Example

Let's assume you are awarded 3,000 stock options:

- The options vest in three installments: 33.3% each on January 1 of 2013, 2014 and 2015.
- You exercise the first vested installment on June 1, 2014 (market price = \$30 per share), the second vested installment on April 1, 2017 (market price = \$33 per share) and the third vested installment on July 1, 2018 (market price = \$38 per share).

Options Awarded in 2012	Number of Options Vested	Vesting Date	Exercise Date	Future Value When You Exercise your Options <sup>(1)</sup>	Amount You Pay to Exercise Options	Fees Charged <sup>(2)</sup>	Your Pre-tax Gain at Exercise
3,000	1,000	Jan. 1, 2013	June 1, 2014	\$30,000 (1,000×\$30)	\$27,080 (1,000×\$27.08)	Determined by E*TRADE	\$2,920
	1,000	Jan. 1, 2014	Apr. 1, 2017	\$33,000 (1,000×\$33)	\$27,080 (1,000×\$27.08)	Determined by E*TRADE	\$5,920
	1,000	Jan. 1, 2015	July 1, 2018	\$38,000 (1,000×\$38)	\$27,080 (1,000×\$27.08)	Determined by E*TRADE	\$10,920

<sup>(1)</sup> You can exercise your vested options until December 31, 2018, subject to employment requirements as defined by the Plan and summarized in the Appendix.

<sup>(2)</sup> Costs and fees associated with exercising your stock options will be determined by E\*TRADE.

## Performance Stock Units

- **30% of Equity Award – Total Shareholder Return**
- **30% of Equity Award – Internal Performance Goals**
- **You earn a right to your PSUs in three equal installments on January 1 of 2013, 2014 and 2015. Shares are awarded based on Company performance and paid in early 2015.**
- **Actual awards may range from 0% to 175% of target based on Company performance.**

**A Performance Stock Unit is an award that represents a “notional” share of American Water stock.**

A PSU gives you the right to receive one share of American Water common stock without paying an

<sup>2</sup> For the company's executives (ML3b and above), all equity awards are subject to the company's executive stock retention program. In order to closely align the interests of our executives with those of our stockholders, our board of directors has adopted the Stock Retention Program for Executives. Under the Program, our executive officers are required to retain 50 percent of the after-tax value realized on each equity grant until termination of employment or a change in control, whichever occurs earlier.

exercise price upon the achievement by the Company of certain goals. So, you benefit by receiving actual shares of American Water stock — after the end of the three-year performance period.

PSUs represent 60% of your equity award – 30% based on TSR and 30% based on internal goals. Unlike stock options, which are valued based on the *appreciation* of the stock after the grant date, PSUs have value even if the stock price falls after the date you receive your award.

You earn a right to your PSUs in three equal installments (33.3% each) on January 1, 2013, January 1, 2014 and January 1, 2015. However, your shares are not awarded to you until after the three-year performance period ends on January 1, 2015. The number of shares that are actually awarded depends on Company performance against specific metrics (see “PSUs Based on Total Shareholder Return (TSR)” below, and “PSUs Based on Internal Goals” on page 5). In early 2015, Company performance will be measured and earned PSUs (if applicable) will be distributed within 70 calendar days of January 1, 2015.

During the performance period, you do not actually own the shares, which means you do not have voting rights and you cannot sell or transfer the units. If dividends are paid during the performance period, those dividends will accrue in a “notional” personal account until the end of the performance period. You will then be paid in cash for any accrued dividends at the end of the performance period based on the number of PSUs earned.

After the end of the three-year performance period, you can hold or sell your shares<sup>3</sup>—the choice is yours. Unlike options, the shares never expire so there is no time limit associated with them. If you choose to sell the shares, you will receive the current market price at the time of sale.

### ***PSUs Based on Total Shareholder Return (TSR) – 30% of Equity Award***

To determine the final award of shares underlying the PSUs based on Total Shareholder Return (TSR) at the end of the three-year performance period, the Company uses American Water’s rank relative to the other companies in the Dow Jones U.S. Utilities Index. TSR is calculated as the change in share price over the three-year performance period **plus** dividends paid over the three-year performance period **divided by** American Water’s share price at the beginning of the period. The initial stock price and the ending stock price are determined using the average stock price for the twenty trading days that end on December 31, 2011 and December 31, 2014.

The Company’s TSR performance is assessed using a percentile ranking approach, as follows:

American Water’s Rank on TSR Relative to the Dow Jones U.S. Utilities Index	Payout Factor
25 <sup>th</sup> Percentile	25%
50 <sup>th</sup> Percentile	100%
75 <sup>th</sup> Percentile	175%

<sup>3</sup> Before trading in the company’s securities, including exercising any options, you must review the Company’s Insider Trading Policy. In addition, under the Insider Trading Policy, certain persons (Section 16 and Restricted Individuals) are subject to the affirmative obligation to “pre-clear” any proposed purchase or sale of Company securities with the CFO, General Counsel, or inside SEC Counsel. If you have any questions about the Insider Trading Policy and pre-clearance process, please call SEC Compliance Specialist (856-346-8257) or SEC Counsel (856-309-4589).

**Example**

Let's assume you receive 357 PSUs on the grant date (2/23/12):				
<ul style="list-style-type: none"> <li>■ The PSUs are earned in three installments: 33.3% each on January 1, of 2013, 2014 and 2015. They are 100% vested as of January 1, 2015.</li> <li>■ At the end of the three-year performance period, American Water's TSR performance is ranked at the 60<sup>th</sup> percentile relative to the Dow Jones U.S. Utilities Index, which results in a 130% payout.</li> </ul>				
Total PSUs Granted in 2012	Number of PSUs Vested	Date Earned	TSR Percentile Ranking Relative To Dow Jones U.S. Utilities Index At End of Three-Year Performance Period	Total Shares Awarded at end of Three-Year Performance Period
357	119	Jan. 1, 2013	60th percentile	464 (357 x 130%)
	119	Jan. 1, 2014		
	119	Jan. 1, 2015		

If you decide to sell your awarded shares and the market price at the time of sale is \$35 per share, you would receive \$16,240 from the sale — minus taxes and applicable fees.

***PSUs Based on Internal Performance Goals – 30% of Equity Award***

To determine the final award of shares underlying the PSUs based on internal performance measures, the company assesses its performance against goals related to compounded Earnings per Share (EPS) Growth and Operational Efficiency Improvement. Operational Efficiency is calculated by dividing the operation and maintenance expense by the operating revenues (excluding purchased water and net negative salvage) for the regulated operations.

The Company's internal performance is assessed using the following award scale:

EPS Three-Year Compounded Annual Growth Rate	Payout Factor	Operational Efficiency Improvement Three-Year Average
5%	25%	43.2%
7%	100%	41.2%
10% or more	175%	39.2% or less

**Example**

Let's assume you receive 444 PSUs on the grant date (2/23/12):				
<ul style="list-style-type: none"> <li>■ The PSUs are earned in three installments: 33.3% each on January 1, of 2013, 2014 and 2015. They are 100% vested as of January 1, 2015.</li> <li>■ At the end of the three-year performance period, American Water's Earnings per Share compounded annual growth rate was 6.8% and its average Operational Efficiency Improvement was 42.8%, which results in a 103.8% payout.</li> </ul>				
Total PSUs Granted in 2012	Number of PSUs Vested	Date Earned	EPS Growth Rate and Operational Efficiency Improvement at End of Three-Year Performance Period	Total Shares Awarded at End of Three-Year Performance Period
444	148	Jan. 1, 2013	EPS – 6.8% Operational Efficiency – 42.8%	444 x 50% x 92.5% = 205 444 x 50% x 115.0% = <u>255</u> 460
	148	Jan. 1, 2014		
	148	Jan. 1, 2015		

If you decide to sell your awarded shares and the market price at the time of sale is \$35 per share, you would receive \$16,100 from the sale — minus taxes and applicable fees.

## Deferring Your Awarded Shares

You may elect to defer receiving all of your awarded shares until after the scheduled distribution date, provided you make the election by December 31, 2013. Your deferral form (Subsequent Deferral Election Form) is Attachment A at the end of this brochure. Please complete the form if you elect to defer and forward to Corporate Compensation in Voorhees.

**You must make your election to defer by December 31, 2013.**

## APPENDIX

### MANAGING YOUR 2012 EQUITY AWARD

E\*TRADE is the record keeper for the American Water Equity Awards. When you receive an Equity Award grant, an Equity Award account is established on your behalf through E\*TRADE. You can manage your account online through [www.etrade.com](http://www.etrade.com), or by phone at 1-800-838-0908.

#### Activating Your E\*TRADE Account

Employees who received a prior equity award will be able to access the 2012 award using your existing E\*TRADE account. If this is your first year receiving an Equity Award, you will first need to activate your E\*TRADE account in order to access it. You will receive a packet of materials from E\*TRADE with instructions on how to activate your account. **If you do not activate your E\*TRADE account, you will not be able to access or manage your Equity Awards.**

Once you've activated your account, go to [www.etrade.com](http://www.etrade.com) (or call E\*TRADE at 1-800-838-0908) to track vesting, conduct transactions and model the long-term value of your awards.

## GLOSSARY OF TERMS

Term	Definition
Black-Scholes Valuation	An internationally-recognized mathematical valuation model used to value stock options, which incorporates various types of inputs (such as the stock volatility and interest rates). We use this formula to establish the value of option grants. The use of this model for this purpose is consistent with standard market practice.
Board	The Board of Directors of American Water Works Company.
Common Stock	Units of ownership of a corporation.
Equity	Awards that are linked to American Water's share price.
Exercise	The transaction in which you sell your vested options to buy shares of American Water common stock.
Exercise date	The date on which you buy actual shares of American Water common stock at the market price on the date of grant. Following exercise, you may decide to keep or sell the shares.
Exercise period	The period during which you may exercise your vested options under the grant. The exercise period for the 2012 grant ends December 31, 2018.
Exercise price	The fixed price for which an option holder may purchase a single share of American Water common stock after the options become vested.
Grant	The awarding of a specified number of options or Performance Stock Units.
Performance period	The three-year period from January 1, 2012 through December 31, 2014.
Performance Stock Unit (PSU)	Performance Stock Units (PSUs) are "notional" shares of company stock. At the end of the three-year performance period, PSUs will convert to actual shares of American Water common stock based on Company performance. Their value will depend on the market value of the stock at that time.
PSU grant agreement	Your American Water Works Company, Inc. 2007 Omnibus Equity Compensation Plan Performance Stock Unit Grant agreements.
Market price	The price at which American Water shares trade on the stock market.
Stock option	Your right to purchase shares of American Water stock at the exercise price, on or after vesting, during the exercise period — provided you continue to be employed by American Water.
Stock option grant agreement	Your American Water Works Company, Inc. 2007 Omnibus Equity Compensation Plan Nonqualified Stock Option Grant agreement.
Total disability	You are considered to have a "total disability" as determined by the Social Security Administration.

Term	Definition
Total Shareholder Return (TSR)	TSR equals: Change in share price over the three-year performance period; <b>PLUS</b> Dividends paid over the three-year period; <b>DIVIDED BY</b> The share price at the beginning of the period.* <i>*American Water uses an average stock price at the beginning and end of the performance period to calculate TSR.</i>
Vesting	Becoming entitled to all or a portion of an Equity Award.
Vesting period	<ul style="list-style-type: none"> <li>■ <i>With respect to stock options</i>, the period of time that must elapse before options can be used to buy shares of American Water common stock.*</li> <li>■ <i>With respect to Performance Stock Units (PSUs)</i>, the period of time that must elapse before you have earned the right to the PSUs.* The PSUs will not be converted into shares and distributed until the end of the three-year performance period (if earned based on performance).  <i>*Provided you continue to be employed by American Water.</i></li> </ul>

## TAXATION OF EQUITY AWARDS

### How Options are Taxed

Options are not taxed until you exercise them and/or sell the stock after an increase in value.

- **At exercise.** When you exercise your options (regardless of whether you sell the stock you receive), you will owe ordinary income tax on the difference between the market price on the date of grant and the market price of American Water's stock at the time you exercise. Your tax liability is reported to the Internal Revenue Service by American Water payroll. This means that in the example on page 3, you would owe taxes on \$2,920\* for the 2014 tax year, \$5,920\* for the 2017 tax year and \$10,920\* for the 2018 tax year.

*\*Your pre-tax gain at exercise.*

- **At sale of the shares.** If you exercise your options, hold the stock for a period of time then later sell the stock at a higher price than what you paid for it, you will owe capital gains tax. This tax will be assessed on any *additional* appreciation on the market price of American Water's stock between the time of exercise and the time of sale. (Note that these taxes are not reported to the Internal Revenue Service by American Water, and that these taxes are in addition to the ordinary income taxes incurred at each option exercise.)

**Consult your personal tax advisor to learn more about your tax situation.**

### How PSUs are Taxed

You will not be responsible for any taxes when the PSUs are granted. However, you will owe ordinary income tax on the full value of the shares at the end of the three-year performance period (unless the PSUs are deferred- deferrals will have to pay Social Security and Medicare taxes at the end of the three-year performance period.) American Water will withhold a portion of your earned shares to cover the minimum required withholding for Federal (including Social Security and Medicare), state, local and other tax liabilities. See your PSU grant agreements on the E\*Trade site for details.

**TAX EXAMPLE**

American Water will withhold shares to cover the tax withholding obligation if you did not defer. For example, if you have 464 vested PSUs, we will calculate the taxes that must be withheld and deduct the amount of shares to satisfy the tax withholding requirements. Therefore, you may have 302 shares remaining from your original 464 shares.

Payroll Stub After Earned Shares Were Determined  
Earnings and Deductions Attachment

Restricted Stock (PSU):	\$16,240.00 (464 shares x \$35.00 share price)
Taxes:	<u>-5,670.00 (162 shares x \$35.00 share price)</u>
<b>Net:</b>	<b>\$10,570.00 / \$35.00 share price</b>

**302 shares will be posted to your E\*Trade Account**

Dividends would be calculated and taxed at this time. Shares calculated using \$35.00 price for illustration purposes only.

If you hold the shares received, you will owe capital gains tax for any additional share price appreciation between the market price on the date the shares are received and the market price on the date of the sale. **Consult your personal tax advisor to learn more about your tax situation.**

(2): Schedule will be updated when the 2012 AIP payment is made in March 2013.

**Explanations:**

- 1 The 2008 AIP payment (for AIP earned in 2007) was over the Plan by \$34,830. This increase in the Plan level of AIP was related to further transfer of five AWWSC employees to KAWC because they were caharging at least 90% of their time to KAWC. The increase in the AIP payment over the Plan was related to several promotions that occurred during the year, and an increase in the salary band (AIP % available) to the President of KAWC.
- 2 The 2009 budget reflected the AIP for Mr. Rowe at KAW, and did not recognize his shift to a new position at AWWSC. In addition, the timing of hiring a number of employees resulted in them not receiving AIP or only receiving a pro-rata share based on their hiring date.
- 3 The 2010 award was lower due to a number of vacancies during the year.
- 4 The 2011 award was essentially on budget for the year. Higher levels of AIP award due to excellent performance by the company was offset by lower than budget LTIP award.
- 5 The 2012 AIP was substantially over plan due to a significant level of high performance on operating metrics including customer satisfaction, environmental protection and sustainability, and employee safety.

AMERICAN WATER

1025 Laurel Oak Road  
Voorhees, NJ 08043  
[www.amwater.com](http://www.amwater.com)

October 19, 2012

Dear American Water Retiree,

The 2013 healthcare open enrollment period for retirees will begin on Oct. 22, 2012 and extend through Nov. 16, 2012.

I am pleased to share with you information about the 2013 American Water health benefits plan. Enclosed you will find all you need to make informed decisions on the best coverage for you and your eligible dependents. The plan is similar to last year's plan. One change to note this year is the ability for retirees 65 and older to add eligible children up to the age of 26.

The health plan at American Water is better than the average plan found today in the utility industry and provides a balance between highly competitive benefits and reasonable cost sharing. We urge you to take steps to be part of the solution for a healthier future to help control health care costs. Some services that could help you and the company are available through Horizon's website at [www.horizonblue.com/nationalaccounts](http://www.horizonblue.com/nationalaccounts). We encourage you to use this website to access generic vs. brand drug alternatives.

**If you are making changes to benefits you are currently enrolled in you must contact the HR Service Center toll free at 1.866.777.8426, Option 2 no later than Nov. 16, 2012.**

More information regarding your health benefits and monthly contribution rates are illustrated on the enclosed Health Plan Fact Sheet.

### Notices

Information is attached concerning our annual obligation to provide notice as required under federal law, including a notice about Medicare Part D and a Summary of Benefits and Coverage.

**Medicare Part D** – with this letter, we have included information for you if you or one of your dependents are eligible for Medicare – (e.g.: are age 65 or about to turn age 65). The attached Notice of Creditable Coverage is about Medicare Part D's prescription drug benefit. You will likely find that your American Water retiree medical plan provides more generous prescription drug benefits than Part D and you should not take any action during the Medicare Part D enrollment period. **If you do enroll in Part D, you will lose your comprehensive American Water medical and prescription drug coverage.**

**ID Cards**

You will not receive a new ID card unless a change is made to the coverage you are currently enrolled in.

**Please Note:**

If you do not want to make any changes, your current elections will remain the same. If you would like to add or remove a dependent, change plans, or cancel coverage, please contact the HR Service Center toll free at 1.866.777.8426, Option, 2 no later than Nov. 16, 2012.

After Open Enrollment, you will only be able to make changes to your benefits if you experience a qualified family status change and notify the Benefits Service Center within 31 days of the status change.

**What Do You Need To Do**

Decide if you want to make changes to your current coverage. Please see options you may have on the enclosed Health Plan Fact Sheet. If so, please contact the HR Service Center toll free at 1.866.777.8426, Option 2 no later than Nov. 16, 2012.

Sincerely,

Deborah L. Krauss-Kelleher

- **Changes you can make to your elections include:**
  - Decline coverage
  - Add / remove a spouse
  - Add / remove a dependent child
  
- **Verification is required when adding dependents**
  - **For Dependent Spouse** – you must provide a marriage certificate and a current tax return showing “married filing jointly or married filing separately.
  - **For Dependent Children** – For each dependent child under the age of 26, you will be required to provide a birth certificate. If the dependent is not your natural born child, you will be required to submit additional documentation.

## **Important Notices Regarding Your Rights Under Federal Law**

### **Oct. 1, 2012**

#### **Women's Health and Cancer Rights Act**

The Women's Health and Cancer Rights Act requires group health plans that provide coverage for mastectomies to also cover reconstructive surgery and prosthesis following mastectomies.

All medical plan options are in compliance with this law. The law mandates that a member receiving benefits for a medically necessary mastectomy who elects breast reconstruction after the mastectomy will also receive coverage for:

- Reconstruction of the breast on which the mastectomy has been performed.
- Surgery and reconstruction of the other breast to produce a symmetrical appearance.
- Prosthesis.
- Treatment of the physical complications of all stages of mastectomy, including lymphedemas.

This coverage will be provided in consultation with the attending physician and the patient, and will be subject to the same annual deductibles and coinsurance that apply for the mastectomy.

If you have any questions about coverage of mastectomies or reconstructive surgery, please contact the Horizon Member Services number on the back of your Horizon BC/BS ID card.

#### **Special Enrollment Notice**

If you are declining enrollment for yourself or your dependents (including your spouse) because of other health insurance or group health plan coverage, you may be able to enroll yourself and your dependents in the American Water health plans if you or your dependents lose eligibility for that other coverage (or if the employer stops contributing toward your or your dependents' other coverage). However, you must request enrollment within 31 days after your or your dependents' other coverage ends (or after the employer stops contributing toward the other coverage).

In addition, if you have a new dependent as a result of marriage, birth, adoption or placement for adoption, you may be able to enroll yourself and your dependents. However, you must request enrollment within 31 days after the marriage, birth, adoption or placement for adoption.

Effective April 1, 2009, if either of the following two events occur, you will have *60 days* from the date of the event to request enrollment in your employer's plan:

- Your dependents lose Medicaid or CHIP coverage because they are no longer eligible.
- Your dependents become eligible for a state's premium assistance program.

To request special enrollment or obtain more information, contact the HR Service Center at 1 866 777 – 8426, Option 2.

#### **New Dependent Child Eligibility Rule**

As a result of Health Care Reform legislation, individuals whose coverage ended, or who were denied coverage (or were not eligible for coverage), because the availability of dependent coverage of children ended before attainment of age 26 are eligible to enroll in American Water health care benefits.

Individuals may request enrollment for such children for 30 days from the date of this notice. Enrollment will be effective Jan. 1, 2013. For more information, contact the HR Service Center at 1-866-777-8426, Option 2.

**Plan Documents Govern**

This benefit guide highlights some important information about these benefit plans. If a question ever arises concerning the nature and extent of the benefits under any of the plans described here, the terms of the plans as described in the actual legal documents will always govern.

**Medicare Part D Notice of Creditable Coverage for Employees Over 65 Still Actively at Work**

If you are actively at work at age 65 or older and you then retire and become Medicare-eligible, you must call the Benefits Service Center to request a Notice of Creditable Coverage to avoid the Medicare Part D late enrollment fee.

**Continuing Coverage**

If your coverage or a dependent's coverage is terminated during the year, you may be able to continue some benefits coverage as provided for under a federal law known as the Consolidated Omnibus Reconciliation Act of 1986 (COBRA), as amended. A separate notice is provided to all employees and spouse once coverage begins, and an additional copy will be provided on request. For detailed information on COBRA, please refer to the American Water Summary Plan Description.

**Patient Protection Notice**

American Water's Medical Plan generally allows the designation of a primary care provider. You have the right to designate any primary care provider who participates in your medical plan's network and who is available to accept you or your family members.

In addition, you do not need prior authorization from your medical plan or from any other person, including a primary care provider, to obtain access to obstetrical or gynecological care from a health care professional in your network who specializes in obstetrics or gynecology. The health care professional, however, may be required to comply with certain procedures, including obtaining prior authorization for certain services, following a pre-approved treatment plan or following procedures for making referrals.

For information on primary care providers and health care professionals who specialize in obstetrics or gynecology in your medical plan's network is available, contact your Medical Plan's customer service center or visit their website for information on in-network providers.

**Important Notice from American Water for Employees and Dependents**  
**Eligible for Medicare About Your Prescription Drug Coverage and Medicare**  
**Annual Notice of Creditable Coverage**

Please read this notice carefully and keep it where you can find it. This notice has information about your current prescription drug coverage with American Water and about your options under Medicare's prescription drug coverage. This information can help you decide whether or not you want to join a Medicare drug plan. If you are considering joining, you should compare your current coverage, including which drugs are covered at what cost, with the coverage and costs of the plans offering Medicare prescription drug coverage in your area. Information about where you can get help to make decisions about your prescription drug coverage is at the end of this notice.

There are two important things you need to know about your current coverage and Medicare's prescription drug coverage:

1. Medicare prescription drug coverage became available in 2006 to everyone with Medicare. You can get this coverage if you join a Medicare Prescription Drug Plan or join a Medicare Advantage Plan (like an HMO or PPO) that offers prescription drug coverage. All Medicare drug plans provide at least a standard level of coverage set by Medicare. Some plans may also offer more coverage for a higher monthly premium.
2. American Water has determined that the prescription drug coverage offered by the Group Insurance Plan for Employees of American Water Works Co. Inc. and Its Designated Subsidiaries is, on average for all plan participants, expected to pay out at least as much as standard Medicare prescription drug coverage pays and is therefore considered Creditable Coverage. Because your existing coverage is Creditable Coverage, you can keep this coverage and not pay a higher premium (a penalty) if you later decide to join a Medicare drug plan.

**When Can You Join A Medicare Drug Plan?**

You can join a Medicare drug plan when you first become eligible for Medicare and each year from November 15<sup>th</sup> through December 31<sup>st</sup>.

However, if you lose creditable prescription drug coverage, through no fault of your own, you will be eligible for a two (2) month Special Enrollment Period (SEP) to join a Medicare Drug plan. *In addition, if you lose or decide to leave American Water's coverage, you will be eligible to join a Part D plan at that time using an Employer Group Special Enrollment Period.*

**What Happens to Your Current Coverage if You Decide to Join a Medicare Drug Plan?**

If you decide to join a Medicare drug plan, your American Water coverage will be affected. See below for more information about what happens to your current coverage if you join a Medicare drug plan.

If you do decide to join a Medicare drug plan and drop your American Water coverage, be aware that you and your dependents will not be able to get this coverage back until the next year, provided you are still employed.

**When Will You Pay a Higher Premium (Penalty) to Join a Medicare Drug Plan?**

You should also know that if you drop or lose your coverage with American Water and don't join a Medicare drug plan within 63 continuous days after your current coverage ends, you may pay a higher premium (a penalty) to join a Medicare drug plan later.

If you go 63 continuous days or longer without creditable prescription drug coverage, your monthly premium may go up by at least 1% of the Medicare base beneficiary premium per month for every month that you did not have that coverage. For example, if you go nineteen months without creditable coverage, your premium may consistently be at least 19% higher than the Medicare base beneficiary premium. You may have to pay this higher premium (a penalty) as long as you have Medicare prescription drug coverage. In addition, you may have to wait until the following November to join.

**For More Information About This Notice or Your Current Prescription Drug Coverage ...**

Contact the Benefits Service Center at 866-888-8269. **NOTE:** You also may request a copy of this notice at any time.

**For More Information About Your Options Under Medicare Prescription Drug Coverage**

More detailed information about Medicare plans that offer prescription drug coverage is in the "Medicare & You" handbook. You'll get a copy of the handbook in the mail every year from Medicare. You may also be contacted directly by Medicare drug plans.

For more information about Medicare prescription drug coverage:

- Visit [www.medicare.gov](http://www.medicare.gov)
- Call your State Health Insurance Assistance Program (see the inside back cover of your copy of the "Medicare & You" handbook for their telephone number) for personalized help,
- Call 1-800-MEDICARE (1-800-633-4227). TTY users should call 1-877-486-2048.

If you have limited income and resources, extra help paying for Medicare prescription drug coverage is available. For information about this extra help, visit Social Security on the Web at [www.socialsecurity.gov](http://www.socialsecurity.gov), or call the department at 1-800-772-1213 (TTY 1-800-325-0778).

**Remember: Keep this Creditable Coverage notice. If you decide to join one of the Medicare drug plans, you may be required to provide a copy of this notice when you join to show whether or not you have maintained creditable coverage and, therefore, whether or not you are required to pay a higher premium (a penalty).**

## Premium Assistance Under Medicaid and the Children's Health Insurance Program (CHIP)

If you or your children are eligible for Medicaid or CHIP and you are eligible for health coverage from your employer, your state may have a premium assistance program that can help pay for coverage. These states use funds from their Medicaid or CHIP programs to help people who are eligible for these programs, but also have access to health insurance through their employer. If you or your children are not eligible for Medicaid or CHIP, you will not be eligible for these premium assistance programs.

If you or your dependents are already enrolled in Medicaid or CHIP and you live in a state listed below, you may contact your state Medicaid or CHIP office to find out if premium assistance is available.

If you or your dependents are NOT currently enrolled in Medicaid or CHIP, and you think you or any of your dependents might be eligible for either of these programs, you may contact your state Medicaid or CHIP office or dial **1-877-KIDS NOW** or visit **www.insurekidsnow.gov** to find out how to apply. If you qualify, you may ask the state if it has a program that might help you pay the premiums for an employer-sponsored plan.

Once it is determined that you or your dependents are eligible for premium assistance under Medicaid or CHIP, as well as eligible under your employer plan, your employer must permit you to enroll in your employer plan if you are not already enrolled. This is called a "special enrollment" opportunity, and **you must request coverage within 60 days of being determined eligible for premium assistance**. If you have questions about enrolling in your employer plan, you may contact the Department of Labor electronically at [www.askebsa.dol.gov](http://www.askebsa.dol.gov) or by calling toll-free 1-866-444-EBSA (3272).

**If you live in one of the following states, you may be eligible for assistance paying your employer health plan premiums. The following list of states is current as of July 31, 2012. You should contact your state for further information on eligibility:**

Coverage Period: 01/01/2013-12/31/2013

Summary of Benefits and Coverage: What this Plan Covers & What it Costs Coverage for: All Coverage Types | Plan Type: PPO

**This is only a summary.** If you want more detail about your coverage and costs, you can get the complete terms in the policy or plan document at [www.HorizonBlue.com](http://www.HorizonBlue.com) or by calling 1-800-355-2583.

Important Questions	Answers	Why this Matters:
What is the overall <u>deductible</u> ?	<b>\$200</b> person/ <b>\$600</b> family for out-of-network services . Doesn't apply to preventive care.	You must pay all the costs up to the <b>deductible</b> amount before this plan begins to pay for covered services you use. Check your policy or plan document to see when the <b>deductible</b> starts over (usually, but not always, January 1st). See the chart starting on page 2 for how much you pay for covered services after you meet the <b>deductible</b> .
Are there other <u>deductibles</u> for specific services?	No.	You don't have to meet <b>deductibles</b> for specific services, but see the chart starting on page 2 for other costs for services this plan covers.
Is there an <u>out-of-pocket limit</u> on my expenses?	Yes. For in-network providers <b>\$2,500</b> person/ <b>\$5,000</b> family. For out-of-network providers <b>\$5,000</b> person. The prescription coinsurance is included in the out-of-pocket.	The <b>out-of-pocket limit</b> is the most you could pay during a coverage period (usually one year) for your share of the cost of covered services. This limit helps you plan for health care expenses.
What is not included in the <u>out-of-pocket limit</u> ?	Premiums, deductible, balance-billed charges, penalties for failure to obtain pre-authorization for services, and health care this plan doesn't cover.	Even though you pay these expenses, they don't count toward the <b>out-of-pocket limit</b> .
Is there an overall annual limit on what the plan pays?	No.	The chart starting on page 2 describes any limits on what the plan will pay for <i>specific</i> covered services, such as office visits.
Does this plan use a network of providers?	Yes. For a list on in-network providers, see <a href="http://www.HorizonBlue.com">www.HorizonBlue.com</a> or call 1-888-556-5592.	If you use an in-network doctor or other health care <b>provider</b> , this plan will pay some or all of the costs of covered services. Be aware, your in-network doctor or hospital may use an out-of-network <b>provider</b> for some services. Plans use the term in-network, <b>preferred</b> , or participating for <b>providers</b> in their <b>network</b> . See the chart starting on page 2 for how this plan pays different kinds of <b>providers</b> .
Do I need a referral to see a specialist?	No. You don't need a written referral to see a specialist.	You can see the <b>specialist</b> you choose without permission from this plan.
Are there services this plan doesn't cover?	Yes.	Some of the services this plan doesn't cover are listed on page 6. See your policy or plan document for additional information about <b>excluded services</b> .

Coverage Period: 01/01/2013-12/31/2013

Summary of Benefits and Coverage: What this Plan Covers & What it Costs Coverage for: All Coverage Types | Plan Type: PPO

- **Copayments** are fixed dollar amounts (for example, \$15) you pay for covered health care, usually when you receive the service.
- **Coinsurance** is *your* share of the costs of a covered service, calculated as a percent of the **allowed amount** for the service. For example, if the plan's **allowed amount** for an overnight hospital stay is \$1,000, your **coinsurance** payment of 20% would be \$200. This may change if you haven't met your **deductible**.
- The amount the plan pays for covered services is based on the **allowed amount**. If an out-of-network **provider** charges more than the **allowed amount**, you may have to pay the difference. For example, if an out-of-network hospital charges \$1,500 for an overnight stay and the **allowed amount** is \$1,000, you may have to pay the \$500 difference. (This is called **balance billing**.)
- This plan may encourage you to use in-network providers by charging you lower deductibles, copayments and coinsurance amounts.

## Your Rights to Continue Coverage:

If you lose coverage under the plan, then, depending upon the circumstances, Federal and State laws may provide protections that allow you to keep health coverage. Any such rights may be limited in duration and will require you to pay a **premium**, which may be significantly higher than the premium you pay while covered under the plan. Other limitations on your rights to continue coverage may also apply.

For more information on your rights to continue coverage, contact the plan at 1-888-556-5592. You may also contact your state insurance department, the U.S. Department of Labor, Employee Benefits Security Administration at 1-866-444-3272 or [www.dol.gov/ebsa](http://www.dol.gov/ebsa), or the U.S. Department of Health and Human Services at 1-877-267-2323 x61565 or [www.cciio.cms.gov](http://www.cciio.cms.gov)

## About these Coverage Examples:

These examples show how this plan might cover medical care in given situations. Use these examples to see, in general, how much financial protection a sample patient might get if they are covered under different plans.

### This is not a cost estimator.

Don't use these examples to estimate your actual costs under this plan. The actual care you receive will be different from these examples, and the cost of that care will also be different.

See the next page for important information about these examples.

## Questions and answers about the Coverage Examples:

### What are some of the assumptions behind the Coverage Examples?

- Costs don't include premiums.
- Sample care costs are based on national averages supplied by the U.S. Department of Health and Human Services, and aren't specific to a particular geographic area or health plan.
- The patient's condition was not an excluded or preexisting condition.
- All services and treatments started and ended in the same coverage period.
- There are no other medical expenses for any member covered under this plan.
- Out-of-pocket expenses are based only on treating the condition in the example.
- The patient received all care from in-network providers. If the patient had received care from out-of-network providers, costs would have been higher.

### What does a Coverage Example show?

For each treatment situation, the Coverage Example helps you see how deductibles, copayments, and coinsurance can add up. It also helps you see what expenses might be left up to you to pay because the service or treatment isn't covered or payment is limited.

### Does the Coverage Example predict my own care needs?

- ✗ No. Treatments shown are just examples. The care you would receive for this condition could be different based on your doctor's advice, your age, how serious your condition is, and many other factors.

### Does the Coverage Example predict my future expenses?

- ✗ No. Coverage Examples are not cost estimators. You can't use the examples to estimate costs for an actual condition. They are for comparative purposes only. Your own costs will be different depending on the care you receive, the prices your providers charge, and the reimbursement your health plan allows.

### Can I use Coverage Examples to compare plans?

- ✓ Yes. When you look at the Summary of Benefits and Coverage for other plans, you'll find the same Coverage Examples. When you compare plans, check the "Patient Pays" box in each example. The smaller that number, the more coverage the plan provides.

### Are there other costs I should consider when comparing plans?

- ✓ Yes. An important cost is the premium you pay. Generally, the lower your premium, the more you'll pay in out-of-pocket costs, such as copayments, deductibles, and coinsurance. You should also consider contributions to accounts such as health savings accounts (HSAs), flexible spending arrangements (FSAs) or health reimbursement accounts (HRAs) that help you pay out-of-pocket expenses.

Coverage Period: 01/01/2013-12/31/2013  
 Summary of Benefits and Coverage: What this Plan Covers & What it Costs Coverage for: All Coverage Types | Plan Type: Indemnity

**This is only a summary.** If you want more detail about your coverage and costs, you can get the complete terms in the policy or plan document at [www.HorizonBlue.com](http://www.HorizonBlue.com) or by calling 1-800-355-2583.

Important Questions	Answers	Why this Matters:
What is the overall <u>deductible</u> ?	<b>\$150</b> person/ <b>\$300</b> family.	You must pay all the costs up to the <b>deductible</b> amount before this plan begins to pay for covered services you use. Check your policy or plan document to see when the <b>deductible</b> starts over (usually, but not always, January 1st). See the chart starting on page 2 for how much you pay for covered services after you meet the <b>deductible</b>
Are there other <u>deductibles</u> for specific services?	No.	You don't have to meet <b>deductibles</b> for specific services, but see the chart starting on page 2 for other costs for services this plan covers.
Is there an <u>out-of-pocket limit</u> on my expenses?	Yes, <b>\$1,000</b> person/ <b>\$3,000</b> family.	The <b>out-of-pocket limit</b> is the most you could pay during a coverage period (usually one year) for your share of the cost of covered services. This limit helps you plan for health care expenses.
What is not included in the <u>out-of-pocket limit</u> ?	Premiums, deductibles, balance-billed charges, penalties for failure to obtain pre-authorization for services, and health care this plan doesn't cover.	Even though you pay these expenses, they don't count toward the <b>out-of-pocket limit</b> .
Is there an overall annual limit on what the plan pays?	No.	You don't have to meet <b>deductibles</b> for specific services, but see the chart starting on page 2 for other costs for services this plan covers.
Does this plan use a <u>network of providers</u> ?	Yes. For a list on in-network providers, see <a href="http://www.HorizonBlue.com">www.HorizonBlue.com</a> or call 1-800-355-2583.	If you use an in-network doctor or other health care <b>provider</b> , this plan will pay some or all of the costs of covered services. Be aware, your in-network doctor or hospital may use an out-of-network <b>provider</b> for some services. Plans use the term in-network, <b>preferred</b> , or participating for <b>providers</b> in their <b>network</b> . See the chart starting on page 2 for how this plan pays different kinds of <b>providers</b> .
Do I need a referral to see a <u>specialist</u> ?	No. You don't need a written referral to see a specialist.	You can see the <b>specialist</b> you choose without permission from this plan.
Are there services this plan doesn't cover?	Yes.	Some of the services this plan doesn't cover are listed on page 6. See your policy or plan document for additional information about <b>excluded services</b> .

Coverage Period: 01/01/2013-12/31/2013

## Summary of Benefits and Coverage: What this Plan Covers & What it Costs Coverage for: All Coverage Types | Plan Type: Indemnity

- **Copayments** are fixed dollar amounts (for example, \$15) you pay for covered health care, usually when you receive the service.
- **Coinsurance** is *your* share of the costs of a covered service, calculated as a percent of the **allowed amount** for the service. For example, if the plan's **allowed amount** for an overnight hospital stay is \$1,000, your **coinsurance** payment of 20% would be \$200. This may change if you haven't met your **deductible**.
- The amount the plan pays for covered services is based on the **allowed amount**. If an out-of-network **provider** charges more than the **allowed amount**, you may have to pay the difference. For example, if an out-of-network hospital charges \$1,500 for an overnight stay and the **allowed amount** is \$1,000, you may have to pay the \$500 difference. (This is called **balance billing**.)
- This plan may encourage you to use **in-network providers** by charging you lower **deductibles**, **copayments** and **coinsurance** amounts.

## Your Rights to Continue Coverage:

If you lose coverage under the plan, then, depending upon the circumstances, Federal and State laws may provide protections that allow you to keep health coverage. Any such rights may be limited in duration and will require you to pay a **premium**, which may be significantly higher than the premium you pay while covered under the plan. Other limitations on your rights to continue coverage may also apply.

For more information on your rights to continue coverage, contact the plan at 1-888-556-5592. You may also contact your state insurance department, the U.S. Department of Labor, Employee Benefits Security Administration at 1-866-444-3272 or [www.dol.gov/ebsa](http://www.dol.gov/ebsa), or the U.S. Department of Health and Human Services at 1-877-267-2323 x61565 or [www.cciio.cms.gov](http://www.cciio.cms.gov)

## AGREEMENT

THIS AGREEMENT executed on November 18, 2010 and effective as of the 22nd of November, 2010, by and between KENTUCKY-AMERICAN WATER of Lexington, Kentucky, party of the first part, hereinafter referred to as the "Company," and NATIONAL CONFERENCE OF FIREMEN AND OILERS, LOCAL 320, of Louisville, Kentucky, party of the second part, hereinafter referred to as the "Union;"

### WITNESSETH:

WHEREAS, the Company is engaged in furnishing an essential public service which vitally affects the health, safety, comfort, and general well-being of a large number of people in the communities furnished water service by the Company; and

WHEREAS, the very existence of the Company is conditioned upon carrying out its obligations and responsibilities to the public served; and

WHEREAS, this responsibility to the public is a mutual responsibility of Employees and management which requires that any disputes arising between the Employees and management be settled in an orderly way without interruption of water service; and

WHEREAS, both parties to this Agreement hereby recognize this mutual responsibility of service to the public.

NOW, THEREFORE, in furtherance of harmonious relations among Employees, the Management, and the public, it is mutually agreed by the parties hereto that there shall be no strike or lockout during the term of this Agreement, and this mutually agreed covenant shall continue through the future relations between the parties hereto, and that all matters of dispute pertaining to the interpretation or application of the terms of this Agreement shall be settled by arbitration as hereinafter provided.

It is further agreed as follows:

### SECTION 1. RECOGNITION

The Company shall recognize the Union as the sole representative of employees covered by this Agreement except for the employees covered by what is known as the Inside Contract group, non-union/non-management and management personnel. The Company agrees to bargain collectively with the properly constituted and proven representatives of the Union on the matters affecting such employees.

### SECTION 2. NEW EMPLOYEES

It is recognized by the parties hereto that in the operation of the water works property of the Company on account of the responsibility at all times to furnish a safe and adequate supply of water to the City of Lexington and surrounding territory, there can be no division of this responsibility, and it is agreed that the Company, therefore, must be unhampered in the selection of its employees.

The Company agrees that in the filling of vacancies it will give preference to former qualified employee of the Company whose employment was terminated by layoff. Moreover, the Company agrees that this Section is to be understood as subject to the provisions of this Agreement in regard to

seniority, and any differences between the Company and the Union under this Section will be subject to the arbitration provisions of this Agreement.

It is agreed that new employees, (those who have less than ninety (90) calendar days of continuous employment), shall not be eligible for pay for vacation or holidays until after the probationary period has ended.

### SECTION 3. UNION SECURITY

The Company agrees that all present employees of the Company represented by the Bargaining Unit must, as a condition of continued employment, become members of the Union within thirty (30) calendar days from the effective date of this Agreement and remain members in good standing for the duration of this Agreement.

The Company further agrees that all new employees eligible for membership in the Bargaining Unit will be required as a condition of continued employment to become members of the Union within thirty (30) calendar days from the date of their employment and remain members in good standing for the duration of this Agreement.

It is further agreed that each new employee shall be granted a period not to exceed ninety (90) calendar days as a probationary period to demonstrate their ability and qualifications to perform the duties for which they were hired. In the event a new employee fails to qualify within the ninety- (90) calendar day period following the date of their employment they shall be discharged. This provision in no way relieves the employee of joining the Union as provided above.

It is agreed between the parties that seniority rights for the new employee shall not exist until after ninety- (90) calendar day's continuous employment by the Company. However, after ninety- (90) calendar day's continuous employment, seniority rights shall revert to, and be considered to have been in full force and effect, since the beginning of the ninety- (90) calendar day's continuous employment. An evaluation shall be performed at interim periods during the employment.

### SECTION 4. UNION DUES

Dues shall be deducted bi-weekly by the Company from the wages of each member of the Union who is an employee of the Company, and who requests and authorizes the Company in writing to make such deductions from their wages or salary. Deductions shall be made by the Company every other week and shall be remitted once per month to the Secretary-Treasurer of the Union.

### SECTION 5. RULES, REGULATIONS, AND GOOD FAITH

The Union agrees that its officers and members will live up to the Company's reasonable rules and regulations in the interest of safety, economy and continuity of service to the public.

The Union and Company agree that they will not engage in subterfuge for the purpose of defeating or evading the provisions of this Agreement.

SECTION 6. SENIORITY

Beginning with the effective date of this contract, the seniority provisions are as follows:

It is understood and agreed that in all cases of job bidding and transfer of employees, the following factors shall be considered.

1. Length of continuous service. (defined as seniority within the outside union group)
2. Qualifications.
3. Physical fitness.

The Company will review all relevant information relating to all bidders on any job and has the right to determine which bidder has the qualifications for the position. Only if it is determined that items 2 and 3 are equal, shall item 1 govern. The first criteria determining the length of continuous service will be company-wide seniority. All employees in the Union are divided into two departments:

Production

Employees in the Production Department are classified as follows:

Treatment Plant Operator  
 Maintenance Technician I  
 Maintenance Technician II  
 Treatment Plant Operator - Fixed Relief  
 Treatment Plant Operator - Relief  
 Treatment Plant Operator – Utility

Field Operations

The employees in the Field Operations Department are classified as follows:

Backhoe Operator  
 Junior Backhoe/Crew Leader  
 Crew Leader  
 Utility  
 Meter Technician  
 Field Service Representative  
 Meter Reader (as of 11-1-88)  
 Meter Reader (after 11-1-88 but prior to 11-1-98)  
 Meter Reader (as of 11-1-98)

The employees in the Utility classification may be assigned to either the Field Operations or Production Departments.

The evening shift crew/s, if qualified, will be allowed to use the small backhoe without calling in a Backhoe Operator.

Whenever a large backhoe is needed, the senior available qualified Backhoe Operator must be contacted. The Junior Backhoe/Crew Leader will relieve the Backhoe Operator during vacancies, if in

the judgment of the company it is needed. The Company reserves the right to fill the Junior Backhoe/Crew Leader position with the senior qualified employee when the position is vacant.

In cases of job bidding or transfer or decrease of employees in any particular department, factor 1 in this Section shall be interpreted to mean length of continuous service within the company.

Seniority shall be in accordance with overall company-wide seniority within the outside union group.

Notice of vacancy in an existing position or a newly created position shall be posted at places accessible to employees affected, and shall remain posted for a period of four consecutive days, within which time applicants eligible and desiring to fill such vacancy shall apply in writing to the official of the Company designated in the notice. Such notice shall set forth title of position to be filled, hours of work, days of relief, rate of pay and outline of duties. Within four consecutive days after the expiration of the posting period, the Company shall have assigned the accepted applicant to such vacancy or newly created position. In the event circumstances exist which will not allow the Company to move the successful bidder, the Company will be granted up to thirty (30) calendar days to move the employee to the duties of the bid position. If at the end of this thirty- (30) calendar day period the employee is not actually performing these duties, the rate of pay for the bid position will begin, provided pay scales are not a lower rate of pay.

The decision to apply or not to apply for promotion or transfer to an existing position or a newly created position is entirely within the employee's own option. The Union shall receive a copy of all bids.

When a job vacancy is posted and awarded to the successful bidder in accordance with the provisions of this Agreement, the second successful bidder will be listed on the Notice of Assignment. If the successful bidder who was awarded the position in accordance with this section does not qualify, or within the first 15 working days voluntarily steps down, the job will be awarded to the second successful bidder on the Notice of Assignment. If the second successful bidder does not qualify, or within the first 15 working days voluntarily steps down, the job will be reposted. This procedure will be applicable to all job vacancies, which will be affected by such disqualification or voluntary disqualification, within the first 15 working days, providing the employee, or employees involved have not qualified for the position they presently hold.

In the event a vacancy occurs while an employee is on vacation or sick leave, it is agreed that the Union and Company will jointly notify said employee of the existing vacancy. The Company will send a copy of this notice by regular U.S. mail delivery. The notice will be sent to the address of an employee as listed in the Company files. A copy of all mailed notices will be given to the appropriate shop stewards.

If the Union and the Company are unable to contact said employee, the employee shall be granted 48 hours at the conclusion of their vacation or sick leave the opportunity to bid on the vacancy.

Any employee assigned to a new position shall have up to ninety (90) working days in which to demonstrate their qualifications to perform the duties of that position as determined by the Company. If an employee is unable to qualify, or within the first 15 working days voluntarily steps down, they may return to the position from which they came without loss of seniority, even though an extension of the period has been granted, but shall forfeit for twelve (12) months all rights to bid for any job requiring like skills which may be subsequently posted. When an employee qualifies for a position, their seniority reverts back to the date of the awarding of the job. Company agrees to pay an employee in training for a classified position the rate of pay for that position when they perform the duties by themselves. An employee in training for a higher paying job shall be paid their present rate of pay for the first 90 working days or less if they are qualified sooner by the Company. Payment of the rate of pay as mentioned above shall in no way indicate that the employee has qualified for the position.

When an employee permanently fills a vacancy that requires certification by federal, state or local governmental agencies, they must demonstrate their ability to pass the certification test within ninety (90) calendar days. However, if the employee does not have the required job experience to fulfill the certification requirements of the governmental agency, they may be granted the necessary time to gain the job experience.

The Company reserves the right to temporarily fill any vacancy pending the operation of the procedure described hereinbefore. Temporary layoff shall be considered permanent when the employee has been laid off for twenty-four (24) consecutive months, and any seniority rights established prior to permanent layoff shall, in event of rehiring, be considered nil.

If an employee fails to return to work within ten (10) working days after they have been notified by registered mail to return to work after such layoffs, and does not give a satisfactory reason after investigation by the Company and the Union for their failure to return within said ten (10) working days, any seniority record theretofore established shall be broken and such seniority record shall thereupon be considered nil.

The senior employee in the top ranking classification in each of the shift departments shall have the right to select the shift they are to work and shall have the right to choose their weekly days off; provided, however, that after the choice is made by the senior operator in the Production Department, the other seniors in the department must choose their days and shifts so as not to require a swing shift employee to work sixteen (16) hours per day, or require the services of more than one (1) swing shift employee for operators. The selection, once made, shall be final unless changed under provision of Section 14.

It is mutually understood and agreed by all parties hereto that because of the Company's responsibility hereinbefore mentioned, the management must and shall be the judge of any employee's qualifications for promotion. However, should any difference of opinion occur in this regard, such differences shall be settled in accordance with the arbitration provisions of this Agreement.

The Company agrees to post permanently, in a conspicuous place in each department and plant, a company-wide seniority list, and such list shall be posted every six- (6) months. After the seniority list is posted, the employees will have thirty (30) calendar days during which they may protest the accuracy of the list in writing. Failing to make such protest within the thirty-(30) calendar day period shall constitute agreement and the list shall become permanent.

In the event an employee is displaced from their classification or department due to a cutback or revision of production or field operations methods, they may exercise their seniority rights in accordance with their overall company seniority within the outside union group.

## SECTION 7. RESPONSIBILITY

The shift operator on duty shall be in charge of the normal operation of the Pumping Station.

It is agreed by the parties that the Treatment Plant Operators may be assigned to other non-operator duties within the Plant during emergencies and/or when the plant is shut down.

It is agreed that employees in the various shift classifications will not be transferred from their normal duties to perform duties normally performed by employees in other classifications when it is necessary to replace this employee, except in cases of emergency.

## SECTION 8. TEMPORARY TRANSFERS

Employees may be assigned temporarily to positions on a reverse seniority basis when feasible and practical, provided no senior employee desires the assignment. Employees temporarily assigned shall be returned to their normal positions within a period not to exceed twenty-five (25) calendar days unless an extension be granted by mutual consent.

When it becomes necessary for the Company to shift an employee temporarily to new assignments, there shall be no change in the rate of pay to the employee so temporarily assigned except when such temporary assignment shifts an employee into a higher classification. In such cases the employee shifted temporarily to a higher classification shall receive for such temporary assignment the basic rate of pay established for the position. Employees transferred temporarily to lower paid positions shall continue to receive their regular rate of pay during such temporary transfer. Employees transferred permanently to other positions shall receive the rate of pay for the position to which they are transferred.

It is mutually agreed that adjustments in pay shall not be made under the provisions of this Section unless the transfer continues in effect for two (2) hours or more, and in no case shall the rate of pay of an employee be changed during any work shift or any work day except that when an employee continues without interruption for two (2) hours or more in such temporary assignment, that employee shall be paid the higher rate of pay for all time worked in the higher paid assignment.

## SECTION 9. DEMOTION OR DECREASE

When and if it should become necessary to curtail employment in any department employees affected are to be laid off in the inverse order of their employment in accordance with their overall company seniority and re-employed in the reverse order. An employee laid off from any department because of lack of work, may exercise their Company seniority by bumping any less senior employee, provided that they are able to perform the required duties of the new position and meet all the requirements in Section 6 Seniority. In all such cases the Company agrees to notify the Union ten (10) calendar days in advance where the layoff affects permanent full-time employees, and to seek an agreement as to the application of the seniority rights under this Section and under the Seniority Section of the Agreement. If such an agreement cannot be reached, then the question shall be settled under the arbitration provisions of this Agreement.

## SECTION 10. REPRESENTATION AND ARBITRATION

The direct representatives of the Union shall be employees of the Company and shall be known as "Shop Stewards."

The Shop Stewards shall first attempt to handle all grievances before such grievances are referred to an International Representative of the Union. The employee may have a Shop Steward or witness present when conferences are held between employees and supervisors. Supervisors or other management personnel may require that a Shop Steward or witness be present when conferences are held with employees.

1. Should grievances arise over interpretation or application of the items of this Agreement, the aggrieved party must submit their grievance in writing to a Shop Steward whose duty it will be to confer, within three (3) working days of the occurrence, with the supervisor in an attempt to effect a settlement. The supervisor will have three (3) working days to respond to the grievance at this first step in writing.

2. Should this procedure not result in a settlement, within five (5) working days of the denial at the first step, the matter shall be referred in writing to the Production or Field Operations Manager or a designated representative who shall give a reply in writing within five (5) working days of the receipt of the grievance at this level.
3. Failing satisfactory settlement through this office, within fifteen (15) working days of the denial at the second step, the matter shall be referred in writing to the senior ranking official or a designated representative and to an International Representative of the Union. The senior ranking official or a designated representative shall give a reply in writing within a period of fifteen (15) working days of the receipt of the grievance at this level.
4. Should this procedure fail to effect a settlement, the matter shall be referred within five (5) working days, (unless an extension of time is requested by either party, not to exceed fifteen (15) working days), of the denial at the third step, to a mediator who will be selected from either the State Mediation or Federal Mediation services.
5. Should this procedure fail to effect a settlement, the matter shall be referred within five (5) working days, (unless an extension of time is requested by either party, not to exceed fifteen (15) working days), of the denial at the fourth step, to an arbitration board for the selection of an arbitrator.

The Company and the Union will request a representative from the American Arbitration Association who would be mutually accepted by the Company and the Union.

The Arbitrator so constituted shall render a decision within sixty (60) calendar days after meeting, such decision being final and binding upon both parties to this Agreement.

The expense, if any, of the Arbitrator and rental of meeting facilities, shall be shared equally by the parties hereto. Both parties must agree on the location of the meeting facilities.

If an employee claims to have been unjustly discharged, they must file a complaint with the Union to this effect within five (5) working days after the effective date of the discharge. The Union and Company agree that steps 1 and 2 of the grievance procedure will be waived and the grievance moved to the 3rd step. The 3rd step procedure for discharges is that the Union must submit this grievance in writing within fifteen (15) working days of the effective date of the discharge to the senior ranking official of the Company or a designated representative. The senior ranking official or a designated representative shall give a reply in writing within a period of thirty (30) working days of the receipt of the grievance at this level. No person will be terminated without the chief steward, or an international union representative present.

#### SECTION 11. LEAVE OF ABSENCE

Employees may be granted ninety (90) calendar days leave of absence for good cause but without pay and without prejudice to seniority or other rights and such leave of absence may be renewed for one or more successive ninety (90) calendar day periods by mutual agreement between the Company and the Union. Employees seeking such leave of absence must make a request in writing stating the cause, and must present such request to a joint conference between Shop Stewards and management for consideration. If the Shop Stewards and management fail to agree on the granting or denial of the request for leave of absence, then the questions shall be settled under the arbitration provision of this Agreement. Should such leave of absence be granted as herein provided and the employee is employed by another concern, or should they violate the terms of their leave during such leave of absence, said employee shall forfeit any or all seniority rights herein established.

SECTION 12. WAGES AND HOURS – FIELD OPERATIONS DEPARTMENT

The provisions of this Section shall apply to all employees in the Field Operations Department who are engaged in reading, testing, repairing, removing and resetting meters, discontinuing and restoring service to consumers, engaged in excavation, backfilling, and other work necessary in the construction, operation and maintenance of the system; in installing and maintaining mains, servicing meters, meter installation, hydrants and valves, including pipe joiners' work, cutting and replacing pavements, yarning, caulking, heating and pouring jointing material, operating and using air compressor, using air compressor tools and equipment, machinery work, carpenter work, painting work and any other trade work necessary in construction and maintaining of vaults, manholes, any other structure in the system, or installation and maintenance of drainage, bracing or sheathing; in loading and unloading pipe, service material, meters, hydrants, and other equipment or materials necessary in the construction, operation or maintenance of the system; in the operating and maintenance of watershed buildings, equipment or any other property; and in the driving of automobiles or trucks incidental to the performance of the various types of work above mentioned.

The Company agrees that present employees of record on November 1, 1982, who are members of the Union shall be assured forty (40) hours of pay per week, provided that the employees are at all times, during such work week, available for work. This assurance will not be applicable to any employee hired after November 1, 1982.

Except in cases of emergency, employees performing the classes of work specified in this Section shall not be required to work on Sundays and the following holidays:

New Year's Day	(2) Personal Floating Holidays*
Good Friday**	Thanksgiving Day
Memorial Day	Friday after Thanksgiving
Fourth of July	Christmas Eve (December 24th)
Labor Day	Christmas

Personal Floating Holidays may be taken with as much notification as possible, with the supervisor' approval. The Company has the final decision to grant the day off as determined by the current workload. Personal Floating Holidays shall be taken within the calendar year January 1 through December 31.

\*\*The Sunday Field Operations crew will substitute Easter Sunday for the Good Friday holiday that is observed by all other bargaining unit employees.

When any of these holidays falls on Sunday, it will be observed on the Monday following, except when a holiday falls on Sunday and is followed on Monday by another holiday. In this case the holidays will be observed on Sunday and Monday. Employees not required to work on either holiday will be assured of eight- (8) hours pay at their regular hourly rate for these holidays. Also, any holiday that falls on Saturday will be observed on the preceding Friday, except when such holiday is preceded by a holiday on Friday, the holidays will be observed on Friday and Saturday.

Each employee with ninety (90) calendar days of continuous service covered by provisions of this Section who does not work on a holiday is assured of eight- (8) hours pay at their regular hourly rate for these holidays.

If the employee is absent anytime during the last four and one-half (4-1/2) hours of their last scheduled work day prior to a holiday(s) or anytime during the first four and one-half (4-1/2) hours of their first scheduled work day following the holiday(s) (or the day the holiday(s) is/are observed) when they are scheduled to work, they shall not be paid for the holiday(s) unless they are subpoenaed or entitled to

pay under leave of absence for sickness or accident disability, paid jury duty, paid vacation, or paid funeral leave.

When a holiday falls on Saturday or Sunday and is observed by the company on Friday or Monday as the case may be, the holiday bonus will be paid to shift workers for time actually worked on the Saturday and Sunday that the holiday actually falls on, but shall not be paid for time worked by those employees on the Friday or Monday on which the company observes the holiday. An employee required to work on such a holiday shall receive, in addition, one and one-half (1-1/2) times their regular rate of pay for the hours worked up to eight (8) hours per day or forty (40) hours per week and shall be paid double-time for all time worked in excess of eight (8) hours per day on such Holiday. However, employee shall not be paid both daily and weekly overtime for the same hours worked.

Overtime will be paid at one and one half (1 1/2) times their regular hourly rate of pay for all time worked in excess of forty (40) hours per week or eight (8) hours per day. All employees covered by this Section who are required to work on their second scheduled day off shall be paid two (2) times their regular hourly rate of pay. Employees shall not be paid both daily and weekly overtime for the same hours worked.

Employees engaged in programmed inspecting and flushing of fire hydrants shall be paid the regular straight time hourly rate of the Field Service Representative classification and the appropriate shift differential for the hours actually worked as set forth in this contract.

Applications will be received from employee in the Crew Leader and Utility Classifications after a notice has been posted by the Company setting forth its intention to inspect and flush fire hydrants. Selection of the employee for this job shall be in accordance with Section 6 - Seniority.

For the employee covered by this Section, the regular hourly rates of pay shall be as follows:

<u>CLASSIFICATIONS</u>	<u>REGULAR HOURLY RATE EFFECTIVE</u>			
	<u>11/22/10</u>	<u>11/1/11</u>	<u>11/1/12</u>	<u>11/1/13</u>
<u>FIELD OPERATIONS DEPARTMENT</u>				
Backhoe Operator	\$23.58	\$24.17	\$24.77	\$25.39
Junior Backhoe/Crew Leader	\$23.04	\$23.62	\$24.21	\$24.82
Crew Leader	\$22.51	\$23.07	\$23.65	\$24.24
Utility	\$21.35	\$21.88	\$22.43	\$22.99
Meter Technician	\$23.97	\$24.57	\$25.18	\$25.81
Field Service Representative	\$23.58	\$24.17	\$24.77	\$25.39
Meter Reader (as of 11-1-88)	\$23.58	\$24.17	\$24.77	\$25.39
Meter Reader (after 11-2-88 but prior to 11-1-98)	\$22.51	\$23.07	\$23.65	\$24.24
Meter Reader (as of 11-1 98)	\$21.35	\$21.88	\$22.43	\$22.99

The Company has the right to increase or decrease the number of shifts necessary to perform the work of the Company. A lunch period of thirty minutes will be allowed during each shift. If employees are assigned to shifts other than 7:30 a.m. - 4:00 p.m. or 8:00 a.m. to 4:30 p.m., they will receive shift differential premium rate, when appropriate, including overtime on a continuation basis.

The night shift field operations crew/s will consist of Crew Leader and Utility. This crew will substitute Sunday and Monday for the current listed Saturday and Sunday under Section 12 in regard to holiday observance. Examples of work schedules for the field operations crews are as follows:

Monday – Friday	7:00 a.m. – 3:30 p.m.
Monday – Friday	7:30 a.m. – 4:00 p.m.
Monday – Friday	12:30 p.m. – 9:00 p.m.
Tuesday – Saturday	7:30 a.m. – 4:00 p.m.
Sunday – Thursday	7:30 a.m. – 4:00 p.m.
Monday – Friday	9:00 a.m. – 5:30 p.m.

In the event no employees bid on the open positions in the Field Operations department, the Junior Crew Leader/s and Junior Qualified Utility/s will fill these positions. The night shift Crew Leader position will be bid. If no one bids this relief position, the next Junior Utility Person will be assigned these duties.

The night shift crew will arrange all vacations with the Field Operations supervisor.

The Company will make the decision to fill a vacancy due to sickness, personal business, short-term absences, etc. depending on the workload and anticipated duration of the absence.

When any employee covered by the provisions of this Section is directed to report for work they shall receive four (4) hours pay at the rate prescribed in this Agreement, unless notified the night before not to report for work.

There shall be ten (10) employees who will be classified as Crew Leader and who shall receive the Crew Leader rate of pay. When a vacancy occurs in the Crew Leader classification it will be bid.

If a Utility is assigned to be in charge of a vehicle, they shall be paid at the Crew Leader rate of pay.

An employee called back to work after having left the premises of the Water Company will be paid a minimum of two (2) hours pay at one and one-half (1-1/2) times their regular hourly rate, unless called in less than two (2) hours prior to their regular scheduled working hours in which event they shall be paid for the hours worked. Call-in pay is not applicable to those employees awaiting emergency calls or standby duties as covered by Section 13.

If an employee is required to work sixteen (16) or more consecutive hours, he/she shall be permitted to take up to an eight (8) hour rest period. This rest period will be excused but unpaid by the Company.

Employees covered by this Section (Hydrant Flushing), and also Section 13 of this contract, who are required to work on either of the two shifts between 4:00 p.m. and 8:00 a.m. will be paid an additional thirty cents (\$0.30) per hour for the 4:00 p.m. to 12:00 midnight shift and forty cents (\$0.40) per hour for the 12:00 midnight to 8:00 a.m. shift for those hours actually worked. The Field Service Representative employees working other than the normal day shift will receive the shift differential that is applicable from 4:30 p.m. till 8:00 a.m.

When an employee is assigned to repair AMR meters, the Company agrees to pay for work performed at the field service representative rate of pay.

### SECTION 13. AWAITING EMERGENCY CALLS

Four (4) qualified employees with the greatest continuous length of service in the Field Operations Department will be called upon, one each week, to receive and respond to emergency Field Operations calls. The employees so assigned shall be assured of eight (8) hours of standby pay per week to be paid at one and one-half (1-1/2) times their regular rate of pay after meeting the requirements of the eight (8) hours per day/forty (40) hours per week overtime eligibility provision. Work performed on Sunday, or their regular scheduled second day off, will be paid at two (2) times their regular rate of pay. Once these four (4) employees assume this duty they must continue to perform such duties unless they notify the Company in writing sixty (60) calendar days prior to the date they desire to be relieved of such duties. Once a request of this type is received they will not be eligible for eighteen (18) months to reassume these duties and then only if there is such a vacancy in existence. When one of these four (4) employees is on vacation or off for sickness and is scheduled for this duty, the next standby person on the scheduled standby roster will be called upon to fill these duties for that standby period.

#### Field Operations Maintenance On Call

One Utility and one Crew Leader in the Field Operations Department will be called upon each week to receive and respond to maintenance related emergency calls. The employees so assigned shall be assured of eight (8) hours of standby pay per week to be paid at one and one half (1½) times their regular rate of pay after meeting the requirements of the eight (8) hours per day/forty (40) hours per week eligibility provision. Work performed on their normal second day off will be paid at two (2) times their regular rate of pay.

The next person in the classification of the absent employee on the standby roster will be called upon to fill these duties for that standby period when one of these employees is sick or on vacation at the time of their scheduled assignment. The absent employee will be reassigned to the next regular standby assignment scheduled for the employee who was assigned to fill in or wherever needed. This make up assignment shall be for the number of hours the employee was absent.

Should an employee be off work for a period extending beyond on rotation of the schedule and there are no volunteers, the assigned week for the absent employee will be filled by employees having worked the least amount of overtime year to date. They will be drawn from the same classification as the absent employee, with each being assigned one day of week. Choice of assigned days will be given in reverse order, starting with those persons having the most overtime YTD.

Employees may, if they so desire, exchange their standby assignments provided the change is agreeable to the Company and the Union. Once the yearly schedule has been posted and at any time assignment changes are desired, it will be the responsibility of the scheduled employee to find their replacement from the classification of which they hold a position. Crew Leaders and Utility persons assigned to Field Service Emergency Standby duty will not be assigned to the yearly Field Operations on Call schedule, but may fill vacancies on a volunteer basis provided the change is agreeable with the Company and the Union.

SECTION 14. WAGES AND HOURS - PRODUCTION DEPARTMENT

This section shall apply to all employees engaged in the operation and maintenance of the Pumping Station and Filter Plants, pumping and transmitting equipment now maintained at tank sites.

The normal workweek for all employees performing the classes of work specified in this Section shall be forty (40) hours consisting of five (5) consecutive eight (8) hour days. Days off shall be consecutive except in the case of the Treatment Plant Operator-Relief classification. For all time worked in excess of forty (40) hours in any one week or eight (8) hours per day, one and one-half (1-1/2) times the regular hourly rate of pay shall be paid, with the understanding that because of the necessity of continuous operation there shall be no premium pay for work done on Sundays as such. If the employee covered by this Section is required or requested by the Company to perform work on a day which is normally their second day off, they shall in that event be paid two (2) times their regular hourly rate of pay for all time worked on such day.

No daily overtime shall be paid when employees are changing from one shift to another, or when employees at their own request are working extra time in order to get off during regular shifts. Employees shall not be paid daily and weekly overtime for the same hours worked.

The Company agrees that present employees of record on November 1, 1982, who are members of this Union shall be assured forty (40) hours of pay per week, provided that the employees are at all times, during such work week, available for work. This assurance will not be applicable to any employee hired after November 1, 1982.

Employees performing classes of work specified in this Section are normally required to work on the following eleven (11) holidays, namely;

New Year's Day	(2) Personal Floating Holidays*
Good Friday	Thanksgiving Day
Memorial Day	Friday after Thanksgiving
Fourth of July	Christmas Eve (December 24th)
Labor Day	Christmas

when such holidays fall on what are scheduled working days for the employees.

Personal Floating Holidays may be taken with as much notification as possible, with the supervisor' approval. The Company has the final decision to grant the day off as determined by the current workload. Personal Floating Holidays shall be taken within the calendar year January 1 through December 31.

If the employee is absent any time during the last four and one-half (4-1/2) hours of their last scheduled work day prior to a holiday(s) or any time during the first four and one-half (4-1/2) hours of their first scheduled work day following the holiday(s) (or the day the holiday(s) is/are observed) when they are scheduled to work, they shall not be paid for the holiday(s) unless they are subpoenaed or entitled to pay under leave of absence for sickness or accident disability, paid jury duty, paid vacations or paid funeral leave.

When a holiday falls on Saturday or Sunday and is observed by the company on Friday or Monday as the case may be, the holiday bonus will be paid to shift workers for time actually worked on the Saturday and Sunday that the holiday actually falls on, but shall not be paid for time worked by

those employees on the Friday or Monday on which the company observes the holiday. An employee required to work on such a holiday shall receive, in addition, one and one-half (1-1/2) times their regular rate of pay for the hours worked up to eight (8) hours per day or forty (40) hours per week and shall be paid double-time for all time worked in excess of eight (8) hours per day on such Holiday. However, employees shall not be paid both daily and weekly overtime for the same hours worked.

Employees who are scheduled to work on such holidays, but who are not required to do so shall be paid eight (8) hours pay for each such holiday at regular hourly rates of pay. On a holiday, the employee working the actual holiday will receive the premium pay for that day.

When any of these holidays falls on Sunday, it will be observed on the Monday after, except when a holiday falls on Sunday and is followed on Monday by another holiday. In this case the holiday will be observed on Sunday and Monday. Also, any holiday that falls on Saturday will be observed on the preceding Friday except when such holiday is preceded by a holiday on Friday, the holidays will be observed on Friday and Saturday.

Each employee with ninety (90) calendar days or more of continuous service covered by provisions of this Section who does not work on the observed holiday is assured of eight (8) hours pay at their regular hourly rate for the holiday.

For employees covered by this Section, the regular hourly rate of pay shall be as follows:

<u>CLASSIFICATIONS</u>	<u>REGULAR HOURLY RATE EFFECTIVE</u>			
	<u>11/22/10</u>	<u>11/1/11</u>	<u>11/1/12</u>	<u>11/1/13</u>

Treatment Plant Operator – Utility (Swing Shift)	\$23.18	\$23.76	\$24.35	\$24.96

**NOTE for Reference:**

The following shift differential rates will be included for these affected shifts.

Fixed Relief	\$0.12	Swing Shift	\$0.28
12 Midnight – 8:00 a.m. shift -	\$0.40	Swing Shift Utility	\$0.22
4-12 Midnight shift -	\$0.30		

**Note: Annual wage increases are based on base rate but the rate does not include shift differential.**

The senior Treatment Plant Operator-Relief employee will have the right to select the shift they are to relieve, however, once assigned they shall remain on this shift for the duration of the vacancy.

**Production Maintenance On Call:**

The employees in the Maintenance Technician I & II classifications will be called upon, one each week, to be available at all times to receive and take calls in the Production Department. They will receive during that week two (2) times their regular rate of pay for all hours worked due to being called out for overtime. If they are called out to work overtime on their second day off they will receive two and one half (2 ½) times their regular rate of pay for those hours worked.

If an employee is required to work sixteen (16) or more consecutive hours, he/she shall be permitted to take up to an eight (8) hour rest period. This rest period will be excused but unpaid by the Company.

SECTION 15. RIGHT TO CHANGE SHIFTS

Employees may, if they so desire, temporarily exchange their shifts provided the change is agreeable to the Company and the Union, and does not interfere with the orderly operation of pumping and filter plants. There will be no change in the employee's normal rate of pay during these exchanges. Temporary exchanges of shifts may be affected if agreeable to employees directly concerned but must occur during the bi-weekly pay period. Any overtime worked as a result of such exchange shall be paid at the employee's normal rate of pay.

SECTION 16. SHARING OF OVERTIME

All overtime shall be shared equally and alike in each classification insofar as reasonable and practical (Changing the words "class of work" to "classification" will not change the intent or present interpretation in the handling or sharing of overtime.) If overtime must be assigned, it will be assigned to the individual or individuals in each classification with the least amount of documented overtime, year to date, through the most recent payroll period. Note: The sharing of overtime by the three (3) Backhoe Operators will occur with as much time as reasonably possible.

SECTION 17. PAY DAYS

All employees shall be paid BI-weekly for work done during the two workweeks ending on the preceding Sunday midnight. All pay will be made by direct deposit and will be available in the employee's financial institution on the Friday following the end of the payroll period. Payroll advice statements will be placed in the employee's company mailbox as they become available. All employees hired after 11-1-2010 will be required to enroll in the I-Pay electronic system in order to view the employee's payroll.

SECTION 18. VACATIONS

The vacation year shall be January 1 through December 31. All full time employees shall be entitled to vacation as listed in the schedule below. Any earned vacation must be used within the current vacation year. Should an illness or injury occur that precludes the employee from taking vacation during the calendar year, the Company will agree to pay the employee up to five days of unused vacation.

Employees will be responsible for scheduling vacation when notified by the supervisor to do so. In an extreme situation (i.e. weather condition precludes employees from taking vacation) whereby the Company is unable to accommodate vacation, the Company will agree in those cases only, to pay for unused vacation that cannot be scheduled. Employees must schedule vacation based on available days. Failure to do so will forfeit vacation with the exception of the aforementioned paragraph.

Employees who have been continuously in the service of the Company shall be entitled to the following week's vacation annually:

## Vacation Based on Completed Years of Continuous Service

1 year	10 days	14 years	19 days
2 years	11 days	15 years	20 days
3 years	12 days	16 years	20 days
4 years	13 days	17 years	21 days
5 years	15 days	18 years	21 days
6 years	15 days	19 years	22 days
7 years	16 days	20 years	22 days
8 years	16 days	21 years	23 days
9 years	17 days	22 years	23 days
10 years	17 days	23 years	24 days
11 years	18 days	*24 years	24 days
12 years	18 days	*25 years plus	25 days
13 years	19 days	*30 years plus	30 days

**\*NOTE: Any new hires after November 1, 1998 will no longer be able to earn more than the current allowance of five (5) weeks of vacation for working 24 or more years of service.**

**Effective January 1, 2008, employees hired during the current vacation year will be entitled to one (1) day of vacation for each "Completed Month of Continuous Service" up to 10 days, provided the employee has successfully completed their probationary period. This vacation must be taken before the end of the calendar year, with approval of the supervisor. The Company will allow an exception to this clause for a new employee who is hired during the last quarter of the year.**

Vacation pay shall be equal to the normal weekly wage of the employee, which is forty (40) hours at a regular straight time hourly rate, with the exception of those employees who work from 4:00 p.m. to 12:00 midnight, or 12:00 midnight to 8:00 a.m., and their pay shall be equal to the normal weekly wage plus shift differential.

The Company will allow employees who have earned up to ten (10) days of vacation the option to take two (2) weeks of vacation in increments of one day with as much notification as reasonably possible to their supervisor. The first period will be selected in order of Company seniority and the second pick selected when an opening exists. The Company has the sole right to determine the number of employees exercising this option at any given time.

The company agrees to grant vacations at the time most desired by the employees if possible to do so without interfering with the orderly operation of the plant. In order to provide each employee with the most desirable dates to schedule their vacation, it is agreed that the vacation roster listing employees in descending order of the company seniority be posted November 1 and removed December 15 of each year. The senior employee shall list their desired date as soon as possible, and will post their desired date within 24 hours after being notified by their supervisor to do so. It is further understood that the 24-hour directive will not be given prior to November 5 of each year.

Employees shall be allowed to change their vacation schedule by giving the Company a ten (10) calendar-day notice, provided it does not conflict with another employee's vacation.

An employee bidding into different classifications after the vacation schedule has been posted will reschedule their vacation so that it will not conflict with other employees in that classification or category for that year. All following years, vacation schedules will be made by seniority.

Seniority for vacation purposes shall be divided into five categories as follows:

1. Two employees in the Production Department, exclusive of Maintenance Persons will be permitted to take their vacation at the same time. The senior Treatment Plant Operator-Relief employee would have the right to select the shift they are to relieve, however, once assigned; they shall remain on this shift for the duration of the vacancy.
2. Maintenance Persons. The Maintenance Persons in the Production Department will arrange their vacation schedule with the supervisor of the department.
3. Meter Reader Classification. Two employees in this classification may take their vacations at the same time.
4. Crew Leader and Utility. Two employees in these classifications may take their vacations at the same time.
5. Backhoe Operator. The Backhoe Operators will arrange their vacation schedule with the supervisor of the department.
6. Field Service Representative Classification. Two employees in this classification may take their vacations at the same time.

In the event that a holiday occurs during an employee's vacation, they shall be given, in addition to their regular vacation pay, a bonus equal to the number of hours they would normally work on such day multiplied by their straight time hourly rate.

SECTION 19. DEATH IN FAMILY

The Company shall grant three (3) consecutive scheduled working days at straight time in the event of the death of one of the following members of the employees' immediate family. Immediate family includes husband and wife, children, mother or father, brother, sister and mother-in-law or father-in-law, current step relatives including step children, stepfather or stepmother only. The company shall grant two (2) scheduled work days with pay at straight time in the event of the death of a grandchild, grandmother and grandfather and one (1) scheduled work day with pay at straight time in the event of the death of an immediate son-in-law, daughter-in-law, brother-in-law, sister-in-law, grandmother and grandfather of spouse. The employee shall report to work no later than the second scheduled workday following the funeral. The employee shall advise the Company when he or she shall return to work.

An employee requesting leave must notify their supervisor as early as possible prior to the need for the leave. Employees requesting bereavement leave should be prepared to provide proof of the death in the form of a newspaper obituary notice, a copy of the death certificate, or certified copy of the coroner's report, and the name, telephone number, and address of the funeral home, if their supervisor so requests.

SECTION 20. DISABILITY BENEFITS AND LIFE INSURANCEA. Leaves of Absence for Sickness or Accident Disability

Employees will be granted leaves of absence for sickness or accident disability for the maximum periods shown below:

<u>Length of Service</u>	<u>Maximum Period of Leave of Absence</u>
Up to six months	Two weeks
Six months but less than two years	Twenty-eight weeks
Two years but less than five years	One year
Five years and over	Two years

B. Payments During Leaves of Absence for Sickness or Accident Disability

During periods of leave of absence for sickness or accident disability, except for occupational disability incurred while in the employ of another employer or while self-employed, employees will be paid in maximum amounts hereinafter set forth (as referenced in the Group Insurance Summary Plan Description booklet that is supplied by American Water and is in effect during the terms of the contract.

Each employee who is disabled and unable to perform their regular duties as a consequence of illness or accident shall be paid as follows during such disability:

<u>Length of Service</u>	<u>Maximum Number of Weeks in Any "Disability Year" in Which Payment Will Be Made by Company</u>
At least 90 workdays of service	Ten days per calendar year
<ol style="list-style-type: none"> <li>1. If the employee is entitled to, in any given week, Weekly Sickness and Non-Occupational Benefits under the Group Insurance Plan or Temporary Total Disability Benefits under the Kentucky Workers' Compensation Act, the payment by the Company in such week shall be limited to the difference between the employee's normal weekly earnings and the amount of such benefits.</li> <li>2. The company may require a suitable statement from the employee's medical doctor certifying to the disability or may elect to have a medical doctor selected by it examine the employee.</li> <li>3. The "Disability Year" shall be defined as the twelve month period between January and December. The disability period will renew in January of each year.</li> </ol>	

Effective January 1, 2011, employees will be able to establish a one-time sick bank. The sick bank shall be based on the employee's completed years of service as of December 31, 2010 (i.e. one week of sick for each year of service). Those employees hired prior to November 1, 2010 who have not completed one year of service, shall have a maximum of five days in their sick bank. Employees hired after November 1, 2010 will not be eligible for a sick bank.

Each full-time employee who has completed 90 work days of service will be eligible for 10 days of sick leave at full pay per calendar year to be used for legitimate illness. The Company reserves the right to require proof from the health care provider to certify the need for the medical absence. Employees are required to contact the Company's short-term disability provider if an absence is expected to continue longer than five day. Employees shall exhaust their sick bank prior to going onto to short-term disability.

If an illness continues from one year to another, the employee will continue to draw pay from the company until they have received the maximum weeks available in the year the illness originally occurred. The employee shall not then be entitled to further payments until they return to active employment at least one day, nor shall they be entitled to further payments for the same or related disability until they have returned to active employment for two weeks.

In recognition of the fact that delay sometimes occurs in the determination of benefits payable under the Workers' Compensation Law, the company agrees in order to assure the continuity of income to a disabled employee that it will pay the employee's normal weekly wages in full for the period indicated to the schedule above, subject to agreement by the employee that any benefits currently or subsequently received from the Workers' Compensation Carrier (other than reimbursement of expenses) with respect to said period of disability, shall be assigned to the company.

It is understood that these payments from the Compensation Carrier to be assigned to the company include only weekly benefits for temporary disability.

## SECTION 21. INSURANCE PLAN, PENSION AND 401 (K) SAVINGS PLANS

The Company and the Union agree that the provisions of the American Water System Group Insurance Plan, Pension Plan and 401 (K) Savings Plan shall be in full force and effect through July 31, 2010. The respective Plans may thereafter be amended, modified or terminated through negotiations between American Water Works Company, Inc. and The National Conference of Firemen and Oilers Union. The Company and Union agree to be bound by the results of any renegotiations of the Group Insurance Plan, Pension Plan and 401 (K) Savings Plan between the American Water Works Company, Inc. and the National Conference of Firemen and Oilers Union. Group Insurance, Pension Plan and 401 (K) Savings Plan issues shall not be subject to any local negotiations.

## SECTION 22. DEPARTMENT HEAD NOT TO PERFORM WORK - EXCEPTION

Except in case of actual emergency, the head of a department or foreman covered by this Agreement shall not perform any of the work normally performed by employees under their supervision, but they shall have the right to demonstrate how they desire to have the work performed.

The company may temporarily assign a trainee to work with one of the maintenance or construction crews for the purpose of acquainting the trainee with the various elements of the job to be carried out, along with acquainting the trainee with the various terminology that is used in describing the materials used for a particular job, as well as the type of equipment, etc. that is used. The Company agrees that when this trainee is actually performing the duties that would normally be carried out by members of the bargaining unit, that a member of the bargaining unit will not be required to perform any work, and will simply advise the trainee as to the procedure to be used to carry out the particular job. The Company's intention is to not replace a member of the bargaining unit with the trainee, but to simply assign the trainee as an additional person to a particular job for training purposes.

## SECTION 23. GUARANTEED WORK WEEK AND RIGHT TO SUBCONTRACTING

1. The Company may contract for the following:
  - A. Installation of mains and new fire hydrants.
  - B. Service line renewals which include the tap, the service line, the meter setter and meter box, meter and initiation of service.
  - C. All new service lines which includes the tap, the service line, the meter setter and meter box, meter and initiation of service.
  - D. Painting of fire hydrants.
  - E. Changing length of service meters.

Provided, however, that present employees of record on November 1, 1982, who are members of this union shall be assured forty (40) hours of pay per week, provided that the employees are at all times, during such work week, available for work. This assurance will not be applicable to any employee hired after November 1, 1982.

2. It is further agreed that all maintenance work required, except for the field repair and testing of large (larger than 2") meters in the Meter Repair Program, after the completion of the contracted work referenced in paragraph one of this Section will be performed by members of this Union.

3. It is further understood that members of this Union will perform the installation of other meters, not covered in 1-B, 1-C, and 1-E above.
4. In addition, the Company may, by giving a fifteen- (15) day written notification to the Union, be permitted to utilize contractors to perform union work during peak periods. The notification will include what work is to be performed and the duration of the contracting period.

The Company may contract with temporary employment firms to fulfill summer temporary laborer openings in any Department covered by this contract for periods not to exceed 90 calendar days.

#### SECTION 24. EQUAL OPPORTUNITY EMPLOYER

The employer and the Union agree not to discriminate against any individual with respect to employment matters, including transfer, recruitment, selection for training, discipline, layoff, or rates of pay and other compensation. Further there shall be no discrimination in terms or conditions of employment because of such individual's gender, marital status, race, color, religion, sex, national origin or age, disability, veteran status, sexual orientation or any other characteristic protected by law nor will they limit, segregate or classify employees in any way to deprive any individual employee of employment opportunities because of their race, color, religion, sex, national origin, or age.

#### SECTION 25. SAFETY SHOES

All employees affected by this agreement will wear safety shoes and these shoes will meet with the current OSHA and ANSI Z41.1 standards. The employees will make all safety shoe purchases and the style of shoe to be purchased will be determined by the company. These purchases will not be made while on company time. Whenever an employee feels new shoes are needed they are to check with their immediate supervisor who will issue an authorization form to allow the employee to purchase a new pair of safety shoes. Safety shoe purchases will be made at the approved Shoe-Supplier who will provide a list of approved styles. If the cost of the safety shoes selected exceeds the established dollar limit designated by the Company the employee will pay any overage at the time of purchase to the shoe supplier. Employees will not be allowed to utilize the supplier's online service for this transaction.

#### SECTION 26. SMOKING IN THE WORKPLACE POLICY

Kentucky-American Water is dedicated to providing a healthy and safe work environment for its employees. Efforts to maintain clean indoor air, in facilities and vehicles, by minimizing exposure to side-stream or secondary tobacco smoke are consistent with this goal. The Company will reach this goal by prohibiting the smoking or use of tobacco products in any company facility or vehicle. The chewing of tobacco, use of snuff, etc. are prohibited in all Company facilities and vehicles due to sanitary conditions poor appearance and reduced image which is reflected negatively toward the Company. In addition, these tobacco products will not be allowed at any outdoor job-site if employees are working with or around asbestos cement pipe, underground petroleum tanks, or any chemical storage tank or area. This policy will use the progressive disciplinary steps as outlined in the Company Code of Conduct.

## SECTION 27: MEAL ALLOWANCE

The Company will allow employees to purchase a meal in accordance with the Local Company policy. Employees who have worked an eight (8) hour shift followed by two (2) hours of overtime will be allowed to purchase a meal. The cost of each meal will not exceed \$10.00. An additional meal may be purchased after working an additional four (4) hours.

Generally, meals provided to employees are taxable as fringe benefits and subject to the appropriate taxes. Therefore, employees must attach the meal receipt to the applicable timesheet for reimbursement with the normal wages.

Overtime meals may be purchased with a company credit card if it has been authorized by the supervisor and if the individual is continuing on with their work assignment. The supervisor may also use the company credit card to purchase meals and bring to the site for the purpose of continuing the work. In this situation the expense is borne by the Company and is not considered a taxable fringe benefit.

## SECTION 28. MANAGEMENT OF BUSINESS

The Union recognizes that except as expressly limited by this agreement, the management of the employees, the direction of the workforce and the operation of the plant are vested in the employer. The Union further recognizes that as an aspect of such management rights, the employer may make and enforce such rules as the Company may deem necessary or proper for the conduct of its employees and the operation of the plant, except to the extent that such rules may conflict with the provisions of this agreement.

The above-mentioned management rights are not to be interpreted as being all-inclusive, but merely indicate the type of rights, which belong to and are inherent to management. It is understood that any of the rights, power or authority the Company had prior to the signing of this agreement are retained by the Company, except those specifically abridged, granted or delegated to others or modified by this agreement.

## SECTION 29. COMPLETE AGREEMENT

It is the intent of the parties hereto that the provisions of this agreement, which supersedes all prior agreements and understandings including past practices, oral or written, expressed or implied, between such parties, shall govern their entire relationship and shall be the sole source of any and all rights or claims which may be asserted in arbitration hereunder, or otherwise.

The provisions of this agreement can be amended, supplemented, rescinded or otherwise altered only by mutual agreement in writing hereafter signed by the parties.

SECTION 30. DURATION OF AGREEMENT

This agreement shall be in effect from 12:01 a.m., November 22, 2010, and continue until 12:00 midnight, October 31, 2014. Notwithstanding any other provision of this contract, the parties agree that either party may, during the sixty (60) calendar period immediately proceeding the anniversary date of this contract, give notice, in writing, to the other party of its desire to renegotiate a revised agreement.

IN WITNESS WHEREOF, the parties hereto have hereunto set their hands the day and year first above written.

AGREEMENT

THIS AGREEMENT executed on \_\_\_\_\_ and effective as of the \_\_\_\_\_ th of \_\_\_\_\_ by and between KENTUCKY AMERICAN WATER of Lexington, Kentucky party of the first part, hereinafter referred to as the "Company," and NATIONAL CONFERENCE OF FIREMEN AND OILERS, LOCAL 320, of Louisville, Kentucky, party of the second part, hereinafter referred to as the "Union;"

WITNESSETH:

WHEREAS, the Company is engaged in furnishing an essential public service which vitally affects the health, safety, comfort, and general well-being of a large number of people in the communities furnished water service by the Company; and

WHEREAS, the very existence of the Company is conditioned upon carrying out its obligations and responsibilities to the public served; and

WHEREAS, this responsibility to the public is a mutual responsibility of Associates and management which requires that any disputes arising between the Associates and management be settled in an orderly way without interruption of water service; and

WHEREAS, both parties to this Agreement hereby recognize this mutual responsibility of service to the public.

NOW, THEREFORE, in furtherance of harmonious relations among Associates, the Management, and the public, it is mutually agreed by the parties hereto that there shall be no strike or lockout during the term of this Agreement, and this mutually agreed covenant shall continue through the future relations between the parties hereto, and that all matters of dispute pertaining to the interpretation or application of the terms of this Agreement shall be settled by arbitration as hereinafter provided.

It is further agreed as follows:

SECTION 1. RECOGNITION

The Company shall recognize the Union as the sole representative of Associates covered by this Agreement except for the associates covered by what is known as the Inside Contract group, non-union/non-management and management personnel. The Company agrees to bargain collectively with the properly constituted and proven representatives of the Union on the matters affecting such associates.

## SECTION 2. NEW ASSOCIATES

It is recognized by the parties hereto that in the operation of the water works property of the Company on account of the responsibility at all times to furnish a safe and adequate supply of water to the City of Lexington and surrounding territory, there can be no division of this responsibility, and it is agreed that the Company, therefore, must be unhampered in the selection of its associates.

The Company agrees that in the filling of vacancies it will give preference to former qualified associates of the Company whose employment was terminated by layoff. Moreover, the Company agrees that this Section is to be understood as subject to the provisions of this Agreement in regard to seniority, and any differences between the Company and the Union under this Section will be subject to the arbitration provisions of this Agreement.

## SECTION 3. UNION SECURITY

The Company agrees that all present associates of the Company represented by the Bargaining Unit must, as a condition of continued employment, become members of the Union within thirty (30) calendar days from the effective date of this Agreement and remain members in good standing for the duration of this Agreement.

The Company further agrees that all new associates eligible for membership in the Bargaining Unit will be required as a condition of continued employment to become members of the Union within thirty (30) calendar days from the date of their employment and remain members in good standing for the duration of this Agreement.

It is further agreed that each new associate shall be granted a period not to exceed ninety (90) calendar days as a probationary period to demonstrate their ability and qualifications to perform the duties for which they were hired. In the event a new associate fails to qualify within the ninety- (90) calendar day period following the date of their employment they shall be discharged. This provision in no way relieves the associate of joining the Union as provided above.

It is agreed between the parties that seniority rights for new associates shall not exist until after ninety- (90) calendar day's continuous employment by the Company. However, after ninety- (90) calendar day's continuous employment, seniority rights shall revert to, and be considered to have been in full force and effect, since the beginning of the ninety- (90) calendar day's continuous employment. An evaluation shall be performed at interim periods during the employment.

#### SECTION 4. UNION DUES

Dues shall be deducted bi-weekly by the Company from the wages of each member of the Union who is an associate of the Company, and who requests and authorizes the Company in writing to make such deductions from their wages or salary. Deductions shall be made by the Company every other week and shall be remitted once per month to the Secretary-Treasurer of the Union.

#### SECTION 5. RULES, REGULATIONS, AND GOOD FAITH

The Union agrees that its officers and members will live up to the Company's reasonable rules and regulations in the interest of safety, economy and continuity of service to the public.

The Union and Company agree that they will not engage in subterfuge for the purpose of defeating or evading the provisions of this Agreement.

#### SECTION 6. SENIORITY

Beginning with the effective date of this contract, the seniority provisions are as follows:

It is understood and agreed that in all cases of job bidding and transfer of associates, the following factors shall be considered.

1. Length of continuous service. (defined as seniority within the outside union group)
2. Qualifications.
3. Physical fitness.

The Company will review all relevant information relating to all bidders on any job and has the right to determine which bidder has the qualifications for the position. Only if it is determined that items 2 and 3 are equal, shall item 1 govern. The first criteria determining the length of continuous service will be company-wide seniority. All associates in the Union are divided into two departments:

#### Production

Associates in the Production Department are classified as follows:

Treatment Plant Operator  
Maintenance Technician I  
Maintenance Technician II  
Treatment Plant Operator - Fixed Relief  
Treatment Plant Operator - Relief  
Treatment Plant Operator - Utility

Network

The associates in the Network Department are classified as follows:

Backhoe Operator  
Junior Backhoe/Crew Leader  
Crew Leader  
Utility  
Meter Technician  
Field Service Representative  
Meter Reader (as of 11-1-88)  
Meter Reader (after 11-1-88 but prior to 11-1-98)  
Meter Reader (as of 11-1-98)

The associates in the Utility classification may be assigned to either the Network or Production Departments.

The evening shift crew/s, if qualified, will be allowed to use the small backhoe without calling in a Backhoe Operator.

Whenever a large backhoe is needed, the senior available qualified Backhoe Operator must be contacted. The Junior Backhoe/Crew Leader will relieve the Backhoe Operator during vacancies, if in the judgment of the company it is needed. The Company reserves the right to fill the Junior Backhoe/Crew Leader position with the senior qualified associate when the position is vacant.

In cases of job bidding or transfer or decrease of associates in any particular department, factor 1 in this Section shall be interpreted to mean length of continuous service within the company.

Seniority shall be in accordance with overall company-wide seniority within the outside union group.

Notice of vacancy in an existing position or a newly created position shall be posted at places accessible to associates affected, and shall remain posted for a period of four consecutive days, within which time applicants eligible and desiring to fill such vacancy shall apply in writing to the official of the Company designated in the notice. Such notice shall set forth title of position to be filled, hours of work, days of relief, rate of pay and outline of duties. Within four consecutive days after the expiration of the posting period, the Company shall have assigned the accepted applicant to such vacancy or newly created position. In the event circumstances exist which will not allow the Company to move the successful bidder, the Company will be granted up to thirty (30) calendar days to move the associate to the duties of the bidden position. If at the end of this thirty- (30) calendar day period the associate is not actually performing these duties, the rate of pay for the bidden position will begin, provided pay scales are not a lower rate of pay.

The decision to apply or not to apply for promotion or transfer to an existing position or a newly created position is entirely within the associate's own option. The Union shall receive a copy of all bids.

When a job vacancy is posted and awarded to the successful bidder in accordance with the provisions of this Agreement, the second successful bidder will be listed on the Notice of Assignment. If the successful bidder who was awarded the position in accordance with this section does not qualify, or within the first 15 working days voluntarily steps down, the job will be awarded to the second successful bidder on the Notice of Assignment. If the second successful bidder does not qualify, or within the first 15 working days voluntarily steps down, the job will be reposted. This procedure will be applicable to all job vacancies, which will be affected by such disqualification or voluntary disqualification, within the first 15 working days, providing the associate, or associates involved have not qualified for the position they presently hold.

In the event a vacancy occurs while an associate is on vacation or sick leave, it is agreed that the Union and Company will jointly notify said associate of the existing vacancy. The Company will send a copy of this notice by regular U.S. mail delivery. The notice will be sent to the address of an associate as listed in the Company files. A copy of all mailed notices will be given to the appropriate shop stewards.

If the Union and the Company are unable to contact said associate, the associate shall be granted 48 hours at the conclusion of their vacation or sick leave the opportunity to bid on the vacancy.

Any associate assigned to a new position shall have up to ninety (90) working days in which to demonstrate their qualifications to perform the duties of that position as determined by the Company. If an associate is unable to qualify, or within the first 15 working days voluntarily steps down, they may return to the position from which they came without loss of seniority, even though an extension of the period has been granted, but shall forfeit for twelve (12) months all rights to bid for any job requiring like skills which may be subsequently posted. When an associate qualifies for a position, their seniority reverts back to the date of the awarding of the job. Company agrees to pay an associate in training for a classified position the rate of pay for that position when they perform the duties by themselves. An associate in training for a higher paying job shall be paid their present rate of pay for the first 90 working days or less if they are qualified sooner by the Company. Payment of the rate of pay as mentioned above shall in no way indicate that the associate has qualified for the position.

When an associate permanently fills a vacancy that requires certification by federal, state or local governmental agencies, they must demonstrate their ability to pass the certification test within ninety (90) calendar days. However, if the associate does not have the required job experience to fulfill the certification requirements of the governmental agency, they may be granted the necessary time to gain the job experience.

The Company reserves the right to temporarily fill any vacancy pending the operation of the procedure described hereinbefore. Temporary layoff shall be considered permanent when the associate has been laid off for twenty-four (24) consecutive months, and any seniority rights established prior to permanent layoff shall, in event of rehiring, be considered nil.

If an associate fails to return to work within ten (10) working days after they have been notified by registered mail to return to work after such layoffs, and does not give a satisfactory reason after investigation by the Company and the Union for their failure to return within said ten

(10) working days, any seniority record theretofore established shall be broken and such seniority record shall thereupon be considered nil.

The senior associate in the top ranking classification in each of the shift departments shall have the right to select the shift they are to work and shall have the right to choose their weekly days off; provided, however, that after the choice is made by the senior operator in the Production Department, the other seniors in the department must choose their days and shifts so as not to require a swing shift associate to work sixteen (16) hours per day, or require the services of more than one (1) swing shift associate for operators. The selection, once made, shall be final unless changed under provision of Section 14.

It is mutually understood and agreed by all parties hereto that because of the Company's responsibility hereinbefore mentioned, the management must and shall be the judge of any associate's qualifications for promotion. However, should any difference of opinion occur in this regard, such differences shall be settled in accordance with the arbitration provisions of this Agreement.

The Company agrees to post permanently, in a conspicuous place in each department and plant, a company-wide seniority list, and such list shall be posted every six- (6) months. After the seniority list is posted, the associates will have thirty (30) calendar days during which they may protest the accuracy of the list in writing. Failing to make such protest within the thirty-(30) calendar day period shall constitute agreement and the list shall become permanent.

In the event an associate is displaced from their classification or department due to a cutback or revision of production or network methods, they may exercise their seniority rights in accordance with their overall company seniority within the outside union group.

#### SECTION 7. RESPONSIBILITY

The shift operator on duty shall be in charge of the normal operation of the Pumping Station.

It is agreed by the parties that the Treatment Plant Operators may be assigned to other non-operator duties within the Plant during emergencies and/or when the plant is shut down.

It is agreed that associates in the various shift classifications will not be transferred from their normal duties to perform duties normally performed by associates in other classifications when it is necessary to replace this associate, except in cases of emergency.

#### SECTION 8. TEMPORARY TRANSFERS

Associates may be assigned temporarily to positions on a reverse seniority basis when feasible and practical, provided no senior associate desires the assignment. Associates temporarily assigned shall be returned to their normal positions within a period not to exceed twenty-five (25) calendar days unless an extension be granted by mutual consent; provided, however, that where such temporary assignments are made to fill vacancies due to vacations, they may be continued for a period of thirty-five (35) calendar days.

When it becomes necessary for the Company to shift associates temporarily to new assignments, there shall be no change in the rate of pay to the associate so temporarily assigned except when such temporary assignment shifts an associate into a higher classification. In such cases the associate shifted temporarily to a higher classification shall receive for such temporary assignment the basic rate of pay established for the position. Associates transferred temporarily to lower paid positions shall continue to receive their regular rate of pay during such temporary transfer. Associates transferred permanently to other positions shall receive the rate of pay for the position to which they are transferred.

It is mutually agreed that adjustments in pay shall not be made under the provisions of this Section unless the transfer continues in effect for two (2) hours or more, and in no case shall the rate of pay of an associate be changed during any work shift or any work day except that when an associate continues without interruption for two (2) hours or more in such temporary assignment, that associate shall be paid the higher rate of pay for all time worked in the higher paid assignment.

When an associate is assigned to repair AMR meters, the Company agrees to pay for work performed at the field service representative rate of pay.

#### SECTION 9. DEMOTION OR DECREASE

When and if it should become necessary to curtail employment in any department associates affected are to be laid off in the inverse order of their employment in accordance with their overall company seniority and re-employed in the reverse order. An associate laid off from any department because of lack of work, may exercise their Company seniority by bumping any less senior associate, provided that they are able to perform the required duties of the new position and meet all the requirements in Section 6 Seniority. In all such cases the Company agrees to notify the Union ten (10) calendar days in advance where the layoff affects permanent full-time associates, and to seek an agreement as to the application of the seniority rights under this Section and under the Seniority Section of the Agreement. If such an agreement cannot be reached, then the question shall be settled under the arbitration provisions of this Agreement.

#### SECTION 10. REPRESENTATION AND ARBITRATION

The direct representatives of the Union shall be associates of the Company and shall be known as "Shop Stewards."

The Shop Stewards shall first attempt to handle all grievances before such grievances are referred to an International Representative of the Union. Associates may have a Shop Steward or witness present when conferences are held between associates and supervisors. Supervisors or other management personnel may require that a Shop Steward or witness be present when conferences are held with associates.

1. Should grievances arise over interpretation or application of the items of this Agreement, the aggrieved party must submit their grievance in writing to a Shop Steward whose duty it will be to confer, within three (3) working days of the occurrence, with the supervisor in an attempt to effect a settlement. The supervisor will have three (3) working days to respond to the grievance at this first step in writing.

2. Should this procedure not result in a settlement, within five (5) working days of the denial at the first step, the matter shall be referred in writing to the Production or Network Superintendent or a designated representative who shall give a reply in writing within five (5) working days of the receipt of the grievance at this level.
3. Failing satisfactory settlement through this office, within fifteen (15) working days of the denial at the second step, the matter shall be referred in writing to the senior ranking official or a designated representative and to an International Representative of the Union. The senior ranking official or a designated representative shall give a reply in writing within a period of fifteen (15) working days of the receipt of the grievance at this level.
4. Should this procedure fail to effect a settlement, the matter shall be referred within five (5) working days, (unless an extension of time is requested by either party, not to exceed fifteen (15) working days), of the denial at the third step, to a mediator who will be selected from either the State Mediation or Federal Mediation services.
5. Should this procedure fail to effect a settlement, the matter shall be referred within five (5) working days, (unless an extension of time is requested by either party, not to exceed fifteen (15) working days), of the denial at the fourth step, to an arbitration board for the selection of an arbitrator.

The Company and the Union will request a representative from the American Arbitration Association who would be mutually accepted by the Company and the Union.

The Arbitrator so constituted shall render a decision within sixty (60) calendar days after meeting, such decision being final and binding upon both parties to this Agreement.

The expense, if any, of the Arbitrator and rental of meeting facilities, shall be shared equally by the parties hereto. Both parties must agree on the location of the meeting facilities.

If an associate claims to have been unjustly discharged, they must file a complaint with the Union to this effect within five (5) working days after the effective date of the discharge. The Union and Company agree that steps 1 and 2 of the grievance procedure will be waived and the grievance moved to the 3rd step. The 3rd step procedure for discharges is that the Union must submit this grievance in writing within fifteen (15) working days of the effective date of the discharge to the senior ranking official of the Company or a designated representative. The senior ranking official or a designated representative shall give a reply in writing within a period of thirty (30) working days of the receipt of the grievance at this level. No person will be terminated without the chief steward, or an international union representative present.

#### SECTION 11. LEAVE OF ABSENCE

Associates may be granted ninety (90) calendar days leave of absence for good cause but without pay and without prejudice to seniority or other rights and such leave of absence may be renewed for one or more successive ninety (90) calendar day periods by mutual agreement between the Company and the Union. Associates seeking such leave of absence must make a request in writing stating the cause, and must present such request to a joint conference between Shop Stewards and management for consideration. If the Shop Stewards and management fail to agree on the granting or denial of the request for leave of absence, then the questions shall be

settled under the arbitration provision of this Agreement. Should such leave of absence be granted as herein provided and the associate is employed by another concern, or should they violate the terms of their leave during such leave of absence, said associate shall forfeit any or all seniority rights herein established.

## SECTION 12. WAGES AND HOURS - NETWORK DEPARTMENT

The provisions of this Section shall apply to all associates in the Network Department who are engaged in reading, testing, repairing, removing and resetting meters, discontinuing and restoring service to consumers, engaged in excavation, backfilling, and other work necessary in the construction, operation and maintenance of the system; in installing and maintaining mains, servicing meters, meter installation, hydrants and valves, including pipe joiners' work, cutting and replacing pavements, yarning, caulking, heating and pouring jointing material, operating and using air compressor, using air compressor tools and equipment, machinery work, carpenter work, painting work and any other trade work necessary in construction and maintaining of vaults, manholes, any other structure in the system, or installation and maintenance of drainage, bracing or sheathing; in loading and unloading pipe, service material, meters, hydrants, and other equipment or materials necessary in the construction, operation or maintenance of the system; in the operating and maintenance of watershed buildings, equipment or any other property; and in the driving of automobiles or trucks incidental to the performance of the various types of work above mentioned.

The Company agrees that present associates of record on November 1, 1982, who are members of the Union shall be assured forty (40) hours of pay per week, provided that the associates are at all times, during such work week, available for work. This assurance will not be applicable to any associate hired after November 1, 1982.

Except in cases of emergency, associates performing the classes of work specified in this Section shall not be required to work on Sundays and the following holidays:

New Year's Day	(2) Personal Floating Holidays*
Good Friday**	Thanksgiving Day
Memorial Day	Friday after Thanksgiving
Fourth of July	Christmas Eve (December 24th)
Labor Day	Christmas

\*One (1) of the Personal Floating Holidays may be taken with as much notification as reasonably possible to their supervisor. The remaining Personal Floating Holiday may be taken with at least three (3) working days notice to the Company. The Company has the final decision to grant the day off as determined by the current workload. The Company has the right to deny the request the day prior to this scheduled day off, if conditions warrant. Personal Floating Holidays shall be taken within the calendar year January 1 through December 31.

\*\*The Sunday Network crew will substitute Easter Sunday for the Good Friday holiday that is observed by all other bargaining unit employees.

When any of these holidays falls on Sunday, it will be observed on the Monday following, except when a holiday falls on Sunday and is followed on Monday by another holiday. In this case the holidays will be observed on Sunday and Monday. Associates not required to work on either holiday will be assured of eight- (8) hours pay at their regular hourly rate for these

holidays. Also, any holiday that falls on Saturday will be observed on the preceding Friday, except when such holiday is preceded by a holiday on Friday, the holidays will be observed on Friday and Saturday.

Each associate with ninety (90) calendar days of continuous service covered by provisions of this Section who does not work on a holiday is assured of eight (8) hours pay at their regular hourly rate for these holidays.

If the associate is absent anytime during the last four and one-half (4-1/2) hours of their last scheduled work day prior to a holiday(s) or anytime during the first four and one-half (4-1/2) hours of their first scheduled work day following the holiday(s) (or the day the holiday(s) is/are observed) when they are scheduled to work, they shall not be paid for the holiday(s) unless they are subpoenaed or entitled to pay under leave of absence for sickness or accident disability, paid jury duty, paid vacation, or paid funeral leave.

When a holiday falls on Saturday or Sunday and is observed by the company on Friday or Monday as the case may be, the holiday bonus will be paid to shift workers for time actually worked on the Saturday and Sunday that the holiday actually falls on, but shall not be paid for time worked by those employees on the Friday or Monday on which the company observes the holiday. An employee required to work on such a holiday shall receive, in addition, one and one-half (1-1/2) times their regular rate of pay for the hours worked up to eight (8) hours per day or forty (40) hours per week and shall be paid double-time for all time worked in excess of eight (8) hours per day on such Holiday. However, associates shall not be paid both daily and weekly overtime for the same hours worked.

Overtime will be paid at one and one half (1 1/2) times their regular hourly rate of pay for all time worked in excess of forty (40) hours per week or eight (8) hours per day. All associates covered by this Section who are required to work on their second scheduled day off shall be paid two (2) times their regular hourly rate of pay. Associates shall not be paid both daily and weekly overtime for the same hours worked.

Associates engaged in programmed inspecting and flushing of fire hydrants shall be paid the regular straight time hourly rate of the Field Service Representative classification and the appropriate shift differential for the hours actually worked as set forth in this contract.

Applications will be received from associates in the Crew Leader and Utility Classifications after a notice has been posted by the Company setting forth its intention to inspect and flush fire hydrants. Selection of the associates for this job shall be in accordance with Section 6 - Seniority.

For the associates covered by this Section, the regular hourly rates of pay shall be as follows:

CLASSIFICATIONS	REGULAR HOURLY RATE EFFECTIVE		
	11/1/07	11/1/08	11/1/09
NETWORK DEPARTMENT			
Backhoe Operator	\$21.68	\$22.33	\$23.00
Junior Backhoe/Crew Leader	\$21.19	\$21.83	\$22.48
Crew Leader	\$20.70	\$21.32	\$21.96
Utility	\$19.63	\$20.22	\$20.83
Meter Technician	\$22.05	\$22.71	\$23.39
Field Service Representative	\$21.68	\$22.33	\$23.00
Meter Reader (as of 11-1-88)	\$21.68	\$22.33	\$23.00
Meter Reader (after 11-2-88 but prior to 11-1-98)	\$20.70	\$21.32	\$21.96
Meter Reader (as of 11-1 98)	\$19.63	\$20.22	\$20.83

The Company has the right to increase or decrease the number of shifts necessary to perform the work of the Company. A lunch period of thirty minutes will be allowed during each shift. If associates are assigned to shifts other than 7:30 a.m. - 4:00 p.m. or 8:00 a.m. to 4:30 p.m., they will receive shift differential premium rate, when appropriate, including overtime on a continuation basis.

The night shift network crew/s will consist of Crew Leader and Utility. This crew will substitute Sunday and Monday for the current listed Saturday and Sunday under Section 12 in regard to holiday observance. Examples of work schedules for the network crews are as follows:

Monday – Friday	7:00 a.m. – 3:30 p.m.
Monday – Friday	7:30 a.m. – 4:00 p.m.
Monday – Friday	12:30 p.m. – 9:00 p.m.
Tuesday – Saturday	7:30 a.m. – 4:00 p.m.
Sunday – Thursday	7:30 a.m. – 4:00 p.m.

In the event no associates bid on the open positions in the network department, the Junior Crew Leader/s and Junior Qualified Utility/s will fill these positions. The night shift Crew Leader position will be bid. If no one bids this relief position, the next Junior Utility Person will be assigned these duties.

The night shift crew will arrange all vacations with the network supervisor.

-12-

The Company will make the decision to fill a vacancy due to sickness, personal business, short-term absences, etc. depending on the workload and anticipated duration of the absence. Only one night shift Field Service Representative associate will be allowed to take their vacation at a time arranged through their immediate supervisor

When any associate covered by the provisions of this Section is directed to report for work they shall receive four (4) hours pay at the rate prescribed in this Agreement, unless notified the night before not to report for work.

There shall be ten (10) associates who will be classified as Crew Leader and who shall receive the Crew Leader rate of pay. When a vacancy occurs in the Crew Leader classification it will be bid.

If a Utility is assigned to be in charge of a vehicle, they shall be paid at the Crew Leader rate of pay.

An associate called back to work after having left the premises of the Water Company will be paid a minimum of two (2) hours pay at one and one-half (1-1/2) times their regular hourly rate, unless called in less than two (2) hours prior to their regular scheduled working hours in which event they shall be paid for the hours worked. Call-in pay is not applicable to those associates awaiting emergency calls or standby duties as covered by Section 16.

If an associate is required to work sixteen (16) or more consecutive hours, he/she shall be permitted to take up to an eight (8) hour rest period. This rest period will be excused but unpaid by the Company.

Associates covered by this Section (Hydrant Flushing), and also Section 16 of this contract, who are required to work on either of the two shifts between 4:00 p.m. and 8:00 a.m. will be paid an additional thirty cents (\$0.30) per hour for the 4:00 p.m. to 12:00 midnight shift and forty cents (\$0.40) per hour for the 12:00 midnight to 8:00 a.m. shift for those hours actually worked. The Field Service Representative associates working other than the normal day shift will receive the shift differential that is applicable from 4:30 p.m. till 8:00 a.m.

It is agreed that the hauling and unloading of chemicals will be performed by associates with less seniority when feasible and practical.

### SECTION 13. WAGES AND HOURS - PRODUCTION DEPARTMENT

This section shall apply to all associates engaged in the operation and maintenance of the Pumping Station and Filter Plants, pumping and transmitting equipment now maintained at tank sites.

The normal workweek for all associates performing the classes of work specified in this Section shall be forty (40) hours consisting of five (5) consecutive eight (8) hour days. Days off shall be consecutive except in the case of the Treatment Plant Operator-Relief classification. For all time worked in excess of forty (40) hours in any one week or eight (8) hours per day, one and one-half (1-1/2) times the regular hourly rate of pay shall be paid, with the understanding that

because of the necessity of continuous operation there shall be no premium pay for work done on Sundays as such. If the associate covered by this Section is required or requested by the Company to perform work on a day which is normally their second day off, they shall in that event be paid two (2) times their regular hourly rate of pay for all time worked on such day.

No daily overtime shall be paid when associates are changing from one shift to another, or when associates at their own request are working extra time in order to get off during regular shifts. Associates shall not be paid daily and weekly overtime for the same hours worked.

The Company agrees that present associates of record on November 1, 1982, who are members of this Union shall be assured forty (40) hours of pay per week, provided that the associates are at all times, during such work week, available for work. This assurance will not be applicable to any associate hired after November 1, 1982.

Associates performing classes of work specified in this Section are normally required to work on the following eleven (11) holidays, namely;

New Year's Day	(2) Personal Floating Holidays*
Good Friday	Thanksgiving Day
Memorial Day	Friday after Thanksgiving
Fourth of July	Christmas Eve (December 24th)
Labor Day	Christmas

when such holidays fall on what are scheduled working days for the associates.

\*One (1) of the Personal Floating Holidays may be taken with as much notification as reasonably possible to their supervisor. The remaining Personal Floating Holiday may be taken with at least three-(3) working days notice to the Company. The Company has the final decision to grant the day off as determined by the current workload. The Company has the right to deny the request the day prior to this scheduled day off, if conditions warrant. Personal Floating Holidays shall be taken within the calendar year January 1 through December 31.

If the associate is absent any time during the last four and one-half (4-1/2) hours of their last scheduled work day prior to a holiday(s) or any time during the first four and one-half (4-1/2) hours of their first scheduled work day following the holiday(s) (or the day the holiday(s) is/are observed) when they are scheduled to work, they shall not be paid for the holiday(s) unless they are subpoenaed or entitled to pay under leave of absence for sickness or accident disability, paid jury duty, paid vacations or paid funeral leave.

When a holiday falls on Saturday or Sunday and is observed by the company on Friday or Monday as the case may be, the holiday bonus will be paid to shift workers for time actually worked on the Saturday and Sunday that the holiday actually falls on, but shall not be paid for time worked by those employees on the Friday or Monday on which the company observes the holiday. An employee required to work on such a holiday shall receive, in addition, one and one-half (1-1/2) times their regular rate of pay for the hours worked up to eight (8) hours per day or forty (40) hours per week and shall be paid double-time for all time worked in excess of eight (8) hours per day on such Holiday. However, associates shall not be paid both daily and weekly overtime for the same hours worked.

-14-

Associates who are scheduled to work on such holidays, but who are not required to do so shall be paid eight (8) hours pay for each such holiday at regular hourly rates of pay. On a holiday, the associate working the actual holiday will receive the premium pay for that day.

When any of these holidays falls on Sunday, it will be observed on the Monday after, except when a holiday falls on Sunday and is followed on Monday by another holiday. In this case the holiday will be observed on Sunday and Monday. Also, any holiday that falls on Saturday will be observed on the preceding Friday except when such holiday is preceded by a holiday on Friday, the holidays will be observed on Friday and Saturday.

Each associate with ninety (90) calendar days or more of continuous service covered by provisions of this Section who does not work on the observed holiday is assured of eight (8) hours pay at their regular hourly rate for the holiday.

For associates covered by this Section, the regular hourly rate of pay shall be as follows:

Treatment Plant Operator – Utility (4:00 p.m. – 12 Mid.)	\$21.39	\$22.03	\$22.69
Treatment Plant Operator – Utility (Swing Shift)	\$21.31	\$21.95	\$22.61

*Rate in 2023  
premium***NOTE for Reference:**

The following shift differential rates will be included for these affected shifts.

Fixed Relief	\$0.12	Swing Shift	\$0.28
12 Midnight - 8:00 a.m. shift	\$0.40	Swing Shift Utility	\$0.22
4-12 Midnight shift	\$0.30		

*Differential  
Added by  
M. J. [unclear]*

Note: Annual wage increases are based on base rate but the rate does not include shift differential.

The senior Treatment Plant Operator-Relief associate will have the right to select the shift they are to relieve, however, once assigned they shall remain on this shift for the duration of the vacancy.

**Production Maintenance On Call:**

The associates in the Maintenance Technician I & II classifications will be called upon, one each week, to be available at all times to receive and take calls in the Production Department. They will receive during that week two (2) times their regular rate of pay for all hours worked due to being called out for overtime. If they are called out to work overtime on their second day off they will receive two and one half (2 ½) times their regular rate of pay for those hours worked.

If an associate is required to work sixteen (16) or more consecutive hours, he/she shall be permitted to take up to an eight (8) hour rest period. This rest period will be excused but unpaid by the Company.

**SECTION 14. RIGHT TO CHANGE SHIFTS**

Associates may, if they so desire, temporarily exchange their shifts provided the change is agreeable to the Company and the Union, and does not interfere with the orderly operation of pumping and filter plants. There will be no change in the employee's normal rate of pay during these exchanges. Temporary exchanges of shifts may be effected if agreeable to associates directly concerned but must occur during the bi-weekly pay period.

Any overtime worked as a result of such exchange shall be paid at the employee's normal rate of pay.

**SECTION 15. SHARING OF OVERTIME**

All overtime shall be shared equally and alike in each classification insofar as reasonable and practical (Changing the words "class of work" to "classification" will not change the intent or present interpretation in the handling or sharing of overtime.) If overtime must be assigned, it will be assigned to the individual with the least amount of overtime in each classification. Note: The sharing of overtime by the three (3) Backhoe Operators will occur with as much time as reasonably possible.

## SECTION 16. AWAITING EMERGENCY CALLS

Four (4) qualified associates with the greatest continuous length of service in the Network Department will be called upon, one each week, to receive and respond to emergency Network calls. The associates so assigned shall be assured of eight (8) hours of standby pay per week to be paid at one and one-half (1-1/2) times their regular rate of pay after meeting the requirements of the eight (8) hours per day/forty (40) hours per week overtime eligibility provision. Work performed on Sunday, or their regular scheduled second day off, will be paid at two (2) times their regular rate of pay. Once these four (4) associates assume this duty they must continue to perform such duties unless they notify the Company in writing sixty (60) calendar days prior to the date they desire to be relieved of such duties. Once a request of this type is received they will not be eligible for eighteen (18) months to reassume these duties and then only if there is such a vacancy in existence. When one of these four (4) associates is on vacation or off for sickness and is scheduled for this duty, the next standby person on the scheduled standby roster will be called upon to fill these duties for that standby period.

### Network Maintenance On Call

One Utility and one Crew Leader in the Network Department will be called upon each week to receive and respond to maintenance related emergency calls. The associates so assigned shall be assured of eight (8) hours of standby pay per week to be paid at one and one half (1½) times their regular rate of pay after meeting the requirements of the eight (8) hours per day/forty (40) hours per week eligibility provision. Work performed on their normal second day off will be paid at two (2) times their regular rate of pay.

When one of these associates is sick or on vacation at the time of their scheduled assignment, the next person in the classification of the absent associate on the standby roster will be called upon to fill these duties for that standby period.

Associates may, if they so desire, exchange their standby assignments provided the change is agreeable to the Company and the Union. Once the yearly schedule has been posted and at any time assignment changes are desired, it will be the responsibility of the scheduled associate to find their replacement from the classification of which they hold a position. Crew Leaders and Utility persons assigned to Field Service Emergency Standby duty will not be assigned to the yearly Network on Call schedule, but may fill vacancies on a volunteer basis provided the change is agreeable with the Company and the Union.

## SECTION 17. PAY DAYS

All associates shall be paid BI-weekly for work done during the two workweeks ending on the preceding Sunday midnight. All pay will be made by direct deposit and will be available in the employee's financial institution on the Friday following the end of the payroll period. Payroll stubs will be placed in the employee's company mailbox as they become available.

SECTION 18. VACATIONS

Associates who have been continuously in the service of the Company shall be entitled to the following weeks vacation annually:

## Vacation Based on Completed Years of Continuous Service

1 year	10 days	14 years	19 days
2 years	11 days	15 years	20 days
3 years	12 days	16 years	20 days
4 years	13 days	17 years	21 days
5 years	15 days	18 years	21 days
6 years	15 days	19 years	22 days
7 years	16 days	20 years	22 days
8 years	16 days	21 years	23 days
9 years	17 days	22 years	23 days
10 years	17 days	23 years	24 days
11 years	18 days	*24 years	24 days
12 years	18 days	*25 years plus	25 days
13 years	19 days	*30 years plus	30 days

**\*NOTE: Any new hires after November 1, 1998 will no longer be able to earn more than the current allowance of five (5) weeks of vacation for working 24 or more years of service.**

**Effective January 1, 2008, employees hired during the current vacation year will be entitled to one (1) day of vacation for each "Completed Month of Continuous Service" up to 10 days, provided the employee has successfully completed their probationary period. This vacation must be taken before the end of the calendar year, with approval of the supervisor. The Company will allow an exception to this clause for a new associate who is hired during the last quarter of the year.**

Vacation pay shall be equal to the normal weekly wage of the associate, which is forty (40) hours at a regular straight time hourly rate, with the exception of those associates who work from 4:00 p.m. to 12:00 midnight, or 12:00 midnight to 8:00 a.m., and their pay shall be equal to the normal weekly wage plus shift differential.

The Company will allow associates who have earned up to ten (10) days of vacation the option to take two (2) weeks of vacation in increments of one day with as much notification as reasonably possible to their supervisor. The first period will be selected in order of Company seniority and the second pick selected when an opening exists. The Company has the sole right to determine the number of associates exercising this option at any given time.

The company agrees to grant vacations at the time most desired by the associates if possible to do so without interfering with the orderly operation of the plant.

In order to provide each associate with the most desirable dates to schedule their vacation, it is agreed that the vacation roster listing associates in descending order of the company seniority be posted November 1 and removed December 15 of each year. The senior associate shall list their desired date as soon as possible, and will post their desired date within 24 hours after being

notified by their supervisor to do so. It is further understood that the 24-hour directive will not be given prior to November 5 of each year.

Associates shall be allowed to change their vacation schedule by giving the Company a ten (10) calendar-day notice, provided it does not conflict with another associate's vacation.

An associate bidding into different classifications after the vacation schedule has been posted will reschedule their vacation so that it will not conflict with other associates in that classification or category for that year. All following years, vacation schedules will be made by seniority.

Seniority for vacation purposes shall be divided into five categories as follows:

1. Three associates in the Production Department, exclusive of Maintenance Persons will be permitted to take their vacation at the same time. The senior Treatment Plant Operator-Relief associate would have the right to select the shift they are to relieve, however, once assigned; they shall remain on this shift for the duration of the vacancy.
2. Maintenance Persons. The Maintenance Persons in the Production Department will arrange their vacation schedule with the supervisor of the department.
3. Meter Reader Classification. Two associates in this classification may take their vacations at the same time.
4. Crew Leader and Utility. Two associates in these classifications may take their vacations at the same time.
5. Backhoe Operator. The Backhoe Operators will arrange their vacation schedule with the supervisor of the department.
6. Field Service Representative Classification. Two associates in this classification may take their vacations at the same time.

In the event that a holiday occurs during an associate's vacation, they shall be given, in addition to their regular vacation pay, a bonus equal to the number of hours they would normally work on such day multiplied by their straight time hourly rate.

#### SECTION 19. DEATH IN FAMILY

The Company shall grant three (3) consecutive scheduled working days at straight time in the event of the death of one of the following members of the associates' immediate family. Immediate family includes husband and wife, children, mother or fathers, brother, sister and mother-in-law or father-in-law, stepfather or stepmother only. The company shall grant two (2) scheduled work days with pay at straight time for the purpose of attending the funeral of a grandchild, grandmother and grandfather and one (1) scheduled work day with pay at straight time for the purpose of attending the funeral of an immediate brother-in-law, sister-in-law, grandmother and grandfather of spouse. The associate shall report to work no later than the second scheduled workday following the funeral. The associate shall advise the Company when he or she shall return to work.

SECTION 20. DISABILITY BENEFITS AND LIFE INSURANCEA. Leaves of Absence for Sickness or Accident Disability

Associates will be granted leaves of absence for sickness or accident disability for the maximum periods shown below:

<u>Length of Service</u>	<u>Maximum Period of Leave of Absence</u>
Up to six months	Two weeks
Six months but less than two years	Twenty-eight weeks
Two years but less than five years	One year
Five years and over	Two years

B. Payments During Leaves of Absence for Sickness or Accident Disability

During periods of leave of absence for sickness or accident disability, except for occupational disability incurred while in the employ of another employer or while self-employed, associates will be paid in maximum amounts hereinafter set forth (as referenced in the Group Insurance SPD Plan booklet, page 149, regarding 52 weeks of coverage):

An associate shall not be paid for the first day sick leave unless they have not been absent on sick leave during the previous six (6) months or unless they are hospitalized.

The six months above will be reduced to five months for associates with five years of continuous service and will be reduced one additional month for each additional year of continuous service with the company.

Each associate who is disabled and unable to perform their regular duties as a consequence of illness or accident shall be paid as follows during such disability:

<u>Length of Service</u>	<u>Maximum Number of Weeks in Any "Disability Year" in Which Payment Will Be Made by Company</u>
At least six months but less than One year	One week
Over one year	One week for each complete year of service with a minimum of two weeks

1. If the associate is entitled to, in any given week, Weekly Sickness and Non-Occupational Benefits under the Group Insurance Plan or Temporary Total Disability Benefits under the Kentucky Workers' Compensation Act, the payment by the Company in such week shall be limited to the difference between the associate's normal weekly earnings and the amount of such benefits.
2. The company may require a suitable statement from the associate's medical doctor certifying to the disability or may elect to have a medical doctor selected by it examine the associate.
3. The associate's anniversary date of employment shall be used to determine the maximum benefits to which they are entitled.
4. The "Disability Year" shall be defined as the twelve month period between January and December. The disability period will renew in January of each year. The commencement of such a disability year is activated by an absence due to sickness or accident and the extent of benefits for that disability year is determined by the length of service at the beginning of the disability year.

If an illness continues from one year to another, the employee will continue to draw pay from the company until they have received the maximum weeks available in the year the illness originally occurred. Employees shall not then be entitled to further payments until they return to active employment at least one day, nor shall they be entitled to further payments for the same or related disability until they have returned to active employment for two weeks.

In recognition of the fact that delay sometimes occurs in the determination of benefits payable under the Workers' Compensation Law, the company agrees in order to assure the continuity of income to a disabled associate that it will pay the associate's normal weekly wages in full for the period indicated to the schedule above, subject to agreement by the associate that any benefits currently or subsequently received from the Workers' Compensation Carrier (other than reimbursement of expenses) with respect to said period of disability, shall be assigned to the company.

It is understood that these payments from the Compensation Carrier to be assigned to the company include only weekly benefits for temporary disability.

#### SECTION 21. INSURANCE PLAN, PENSION AND 401 (K) SAVINGS PLANS

The Company and the Union agree that the provisions of the American Water System Group Insurance Plan, Pension Plan and 401 (K) Savings Plan shall be in full force and effect through July 31, 2010. The respective Plans may thereafter be amended, modified or terminated through negotiations between American Water Works Company, Inc. and The National Conference of Firemen and Oilers Union. The Company and Union agree to be bound by the results of any renegotiations of the Group Insurance Plan, Pension Plan and 401 (K) Savings Plan between the American Water Works Company, Inc. and the National Conference of Firemen and Oilers Union. Group Insurance, Pension Plan and 401 (K) Savings Plan issues shall not be subject to any local negotiations.

## SECTION 22. DEPARTMENT HEAD NOT TO PERFORM WORK - EXCEPTION

Except in case of actual emergency, the head of a department or foreman covered by this Agreement shall not perform any of the work normally performed by associates under their supervision, but they shall have the right to demonstrate how they desire to have the work performed.

The company may temporarily assign a trainee to work with one of the maintenance or construction crews for the purpose of acquainting the trainee with the various elements of the job to be carried out, along with acquainting the trainee with the various terminology that is used in describing the materials used for a particular job, as well as the type of equipment, etc. that is used. The Company agrees that when this trainee is actually performing the duties that would normally be carried out by members of the bargaining unit, that a member of the bargaining unit will not be required to perform any work, and will simply advise the trainee as to the procedure to be used to carry out the particular job. The Company's intention is to not replace a member of the bargaining unit with the trainee, but to simply assign the trainee as an additional person to a particular job for training purposes.

## SECTION 23. GUARANTEED WORK WEEK AND RIGHT TO SUBCONTRACTING

1. The Company may contract for the following:
  - A. Installation of mains and new fire hydrants.
  - B. Service line renewals which include the tap, the service line, the meter setter and meter box, meter and initiation of service.
  - C. All new service lines which includes the tap, the service line, the meter setter and meter box, meter and initiation of service.
  - D. Painting of fire hydrants.
  - E. Changing length of service meters.

Provided, however, that present associates of record on November 1, 1982, who are members of this union shall be assured forty (40) hours of pay per week, provided that the associates are at all times, during such work week, available for work. This assurance will not be applicable to any associate hired after November 1, 1982.

2. It is further agreed that all maintenance work required, except for the field repair and testing of large (larger than 2") meters in the Meter Repair Program, after the completion of the contracted work referenced in paragraph one of this Section will be performed by members of this Union.
3. It is further understood that members of this Union will perform the installation of other meters, not covered in 1-B, 1-C, and 1-E above.

4. In addition, the Company may, by giving a fifteen- (15) day written notification to the Union, be permitted to utilize contractors to perform union work during peak periods. The notification will include what work is to be performed and the duration of the contracting period.

The Company may contract with temporary employment firms to fulfill summer temporary laborer openings in any Department covered by this contract for periods not to exceed 90 calendar days.

#### SECTION 24. EQUAL OPPORTUNITY EMPLOYER

The employer and the Union agree not to discriminate against any individual with respect to employment matters, including transfer, recruitment, selection for training, discipline, layoff, or rates of pay and other compensation. Further there shall be no discrimination in terms or conditions of employment because of such individual's gender, marital status, race, color, religion, sex, national origin or age, disability, veteran status, sexual orientation or any other characteristic protected by law nor will they limit, segregate or classify associates in any way to deprive any individual associate of employment opportunities because of their race, color, religion, sex, national origin, or age.

#### SECTION 25. SAFETY SHOES

All associates affected by this agreement will wear safety shoes and these shoes will meet with the current OSHA and ANSI Z41.1 standards. The associates will make all safety shoe purchases and the style of shoe to be purchased will be determined by the company. These purchases will not be made while on company time. Whenever an associate feels new shoes are needed they are to check with their immediate supervisor who will issue an authorization form to allow the employee to purchase a new pair of safety shoes. Safety shoe purchases will be made at the approved Shoe-Supplier who will provide a list of approved styles. If the cost of the safety shoes selected exceeds the established dollar limit designated by the Company the associate will pay any overage at the time of purchase to the shoe supplier. Employees will not be allowed to utilize the supplier's online service for this transaction.

#### SECTION 26. SMOKING IN THE WORKPLACE POLICY

Kentucky-American Water is dedicated to providing a healthy and safe work environment for its associates. Efforts to maintain clean indoor air, in facilities and vehicles, by minimizing exposure to side-stream or secondary tobacco smoke are consistent with this goal. The Company will reach this goal by prohibiting the smoking or use of tobacco products in any company facility or vehicle. The chewing of tobacco, use of snuff, etc. are prohibited in all Company facilities and vehicles due to sanitary conditions poor appearance and reduced image which is reflected negatively toward the Company. In addition, these tobacco products will not be allowed at any outdoor job-site if associates are working with or around asbestos cement pipe, underground petroleum tanks, or any chemical storage tank or area. This policy will use the progressive disciplinary steps as outlined in the Company Code of Conduct.

## SECTION 27. MANAGEMENT OF BUSINESS

The Union recognizes that except as expressly limited by this agreement, the management of the associates, the direction of the workforce and the operation of the plant are vested in the employer. The Union further recognizes that as an aspect of such management rights, the

employer may make and enforce such rules as the Company may deem necessary or proper for the conduct of its associates and the operation of the plant, except to the extent that such rules may conflict with the provisions of this agreement.

The above-mentioned management rights are not to be interpreted as being all-inclusive, but merely indicate the type of rights, which belong to and are inherent to management. It is understood that any of the rights, power or authority the Company had prior to the signing of this agreement are retained by the Company, except those specifically abridged, granted or delegated to others or modified by this agreement.

## SECTION 28. COMPLETE AGREEMENT

It is the intent of the parties hereto that the provisions of this agreement, which supersedes all prior agreements and understandings including past practices, oral or written, expressed or implied, between such parties, shall govern their entire relationship and shall be the sole source of any and all rights or claims which may be asserted in arbitration hereunder, or otherwise.

The provisions of this agreement can be amended, supplemented, rescinded or otherwise altered only by mutual agreement in writing hereafter signed by the parties.

SECTION 29. DURATION OF AGREEMENT

This agreement shall be in effect from 12:01 a.m., November 1, 2007, and continue until 12:00 midnight, October 31, 2010. Notwithstanding any other provision of this contract, the parties agree that either party may, during the sixty (60) calendar period immediately proceeding the anniversary date of this contract, give notice, in writing, to the other party of its desire to renegotiate a revised agreement.

IN WITNESS WHEREOF, the parties hereto have hereunto set their hands the day and year first above written.

## *Introduction*

Just as American Water provides a comprehensive range of products and services which can be tailored for our customers' individual needs, we provide a flexible, comprehensive benefits package which allows our employees to select the benefits that best meet their needs.

This Summary Plan Description ("SPD") of the Group Insurance Plan of American Water Works Co., Inc. and Its Designated Subsidiaries and Affiliates (the "Plan") supplements the documents and certificates provided by the various insurance carriers and provides a general description, written in non-technical language, of the important provisions of the Plan. There may be other materials (such as an insurance policy or other contractual agreement with a health care or other service provider) that contain more detailed information about Plan benefits. Every effort has been made to ensure that all of these materials contain a consistent description of the Plan's benefits. However, if there is any conflict or inconsistency between these materials, it is the Plan Administrator's responsibility to interpret the conflicting provisions and determine what benefits will be provided under the Plan.

American Water provides this SPD to comply with certain laws and to give you the information you need to use your benefits. Nothing in this document is meant to interpret, extend, or change in any way the provisions of this Plan. No one speaking on behalf of the Plan or the Company can alter the terms of the Plan.

---

## *About This Document*

The benefits described in this document may vary depending on the terms of your collective bargaining agreement. Please refer to your collective bargaining agreement for details. The benefits described are provided by American Water Works Company, Inc., referred to as "American Water" or "the Company" throughout this Summary Plan Description.

Please read this Summary Plan Description carefully and refer to it whenever you have questions about the American Water benefits program or the specific coverages that apply to you. If you have questions about these benefit plans, please contact the Benefits Service Center at (866) 888-8269 or email [Benefits\\_Service\\_Center@amwater.com](mailto:Benefits_Service_Center@amwater.com).

American Water reserves the right to amend the benefit plans described in this SPD. Some of the employees who participate in this Plan do so under the terms of collective bargaining agreements. The Company takes its obligations under those agreements very seriously and will, as required either by the Company's contractual agreements or by law, negotiate changes to the Plan affecting union members with those unions whose members participate in the Plan.

If a question should ever arise concerning the nature and extent of benefits under any aspect of this Plan, the actual legal plan documents – and not this Summary Plan Description – will govern.

---

## *The Benefit Programs*

Your American Water benefits have been designed to reward your commitment to provide excellent service and drive business performance. It can add up to a significant part of your total compensation, giving you added security and peace of mind.

This SPD describes the following employee benefit programs:

- Medical
- Prescription Drug
- Dental/Vision
- Flexible Spending Accounts  
(Health Care and Dependent Care)
- Disability and Sick Leave
- Life Insurance  
(Basic Life, Voluntary Life, AD&D, Spouse or Same-Sex Domestic Partner Life, and Dependent Life)
- Employee Assistance Program

---

## *Eligibility*

You and your eligible spouse or eligible same-sex domestic partner and your eligible child(ren) are eligible to participate in the benefits described in this Summary Plan Description if you are an American Water employee represented by a collective bargaining unit and you are a full-time employee (working not less than 35 hours each week). You are ineligible to participate in the Plan if you:

- Are a part-time employee (working less than 35 hours each week);
- Are classified as a temporary employee in accordance with the Company's personnel policies and practices;
- Perform services for the Company pursuant to an arrangement with a leasing organization or any other third-party, including but not limited to a "leased employee" within the meaning of section 414(n) of the Internal Revenue Code; or
- Are a person who is classified as an independent contractor or otherwise as a person who is not treated as an employee for purposes of withholding federal employment taxes, regardless of any contrary governmental or judicial determination relating to such employment status or tax withholding obligation. If a person described in the preceding sentence is subsequently reclassified as, or determined to be, an employee by the Internal Revenue Service, any other governmental agency or authority, or a court, or if the Company is required to reclassify such an individual as an employee as a result of such reclassification or determination (including any reclassification by the Company in settlement of any claim or action relating to such individual's employment status), such individual shall not become eligible to become a participant in the Plan by reason of such reclassification or determination.

Your eligibility and participation date depends upon the terms of your collective bargaining agreement. A copy of your collective bargaining agreement has been previously provided to you by your union. If you need another copy of this document, contact the Benefits Service Center. If you are on a layoff, on disability, or on leave of absence on your eligibility date, coverage will begin on the day you return to active work.

For purposes of the Medical Plan, the Dental/Vision Plans, and the Health Care Flexible Spending Account, you may provide coverage (subject to your collective bargaining agreement) for:

- Your eligible spouse or eligible same-sex domestic partner.
- Your eligible children from birth to age 26 (i.e., if your child's 26<sup>th</sup> birthday is February 2, 2012, the coverage will end on February 1, 2012) including your:
  - Natural born children;
  - Adopted children;
  - Foster children;
  - Stepchildren or same-sex domestic partner's children; or
  - Grandchildren who live with you in a parent-child relationship; and for whom you are the legal guardian and who reside with you and fully depend on you for support

For purposes of Dependent Voluntary Life Insurance (VLI) (subject to your collective bargaining agreement), you may provide coverage for:

- Your eligible spouse or eligible same-sex domestic partner.
- Your unmarried eligible children from birth to age 19 who are:
  - Fully dependent on you for support;
  - Not employed full-time; and
  - Not in the military service.
- Your unmarried eligible children ages 19 to 23, while:
  - Fully dependent on you for support;
  - Full-time students (attending high school or attending an accredited learning institution with at least 12 credits);
  - Not employed full-time; and
  - Not in the military service.

The word "children" includes natural born children, adopted children, foster children, grandchildren, and stepchildren who meet all of the above criteria, live with you in a parent-child relationship, and must be claimed as tax dependents for federal income tax purposes. The phrase "live with you in a parent-child relationship" means that the child resides in your home on a permanent basis as the place of his or her legal residence – even though the child may be away from your home during certain periods of the year (e.g., to attend school).

To be considered a full-time student, the child must be enrolled in an educational institution and taking at least 12 credit hours per semester/quarter or attend a post-secondary technical school.

When you enroll your same-sex domestic partner, you will be asked to submit an Affidavit of Same-Sex Partnership for Benefit Coverage attesting to certain requirements. If you do not complete the certification process and submit the evidence required within 30 days, your same-sex domestic partner will be removed from coverage. You and your domestic partner must certify that all of the following are true:

- You reside in a state or federal district that recognizes civil unions (defined as a legally recognized union between same-sex domestic partners) or grants or recognizes same-sex marriage certificates, and provide a copy of evidence; or:
- You and your same-sex domestic partner share a permanent residence (unless residing in different cities, states, or countries on a temporary basis);
- You and your same-sex domestic partner are each other's sole same-sex domestic partner, have been in this relationship for at least six continuous months prior to the date of the Affidavit, and intend to remain in this relationship indefinitely;
- You and your same-sex domestic partner are of the same sex as each other and neither is currently married or legally separated from another person by law;
- You and your same-sex domestic partner are responsible for each other's common welfare;
- You and your domestic partner are at least age 18;
- You and your domestic partner are not related to each other by blood any closer than would prohibit legal marriage.
- You and your same-sex domestic partner are financially interdependent;
- You and your domestic partner are able to present three or more of the following as evidence of this:
  - Joint ownership of real estate property or joint tenancy on a residential lease;
  - Joint ownership of an automobile;
  - Joint bank or credit account;
  - Joint liabilities (for example, credit cards or loans);
  - A will designating the same-sex domestic partner as primary beneficiary;

- A retirement plan or life insurance policy beneficiary designation form designating the same-sex domestic partner as primary beneficiary; or
- A durable power of attorney signed to the effect that you and your same-sex domestic partner have granted powers to one another.

If you cover a same-sex domestic partner, American Water is required to report income for you that reflects the value of the coverage for tax-reporting purposes. This is known as imputed income. You will receive a W-2 annually for the value of coverage for any domestic partner who is not an IRS tax dependent.

Your eligible spouse, same-sex domestic partner, or child(ren) cannot participate unless you, the employee, also participate.

## Dual Eligibility

An individual is not eligible as both an employee and an eligible spouse, same-sex domestic partner, or child, nor as the eligible spouse, same-sex domestic partner, or child of more than one employee.

---

## *Coverage for Disabled Children*

Coverage for your fully disabled child may be continued past the maximum age for an eligible child.

Your child is fully disabled if:

- He or she is unable to earn his or her own living because of mental disability or a physical disability which started before the date he or she reaches the maximum age for eligible children; and
- He or she depends chiefly on you for support and maintenance.

Proof that your child is fully disabled must be submitted to Horizon no later than 31 days after the date your child reaches the maximum age of 26 for Medical, Dental/Vision, or Health Care Flexible Spending Account coverage; 19, or up to age 23 if attending school full-time for Voluntary Life Insurance.

Coverage will cease on the first to occur of:

- Cessation of the disability;
- Failure to give proof that the disability continues;
- Failure to have any required exam; or
- Termination of coverage for your child for any reason other than reaching the maximum age.

Horizon will have the right to require proof of the continuation of the disability. Horizon also has the right to examine your child, at its own expense, as often as needed while the disability continues. An exam will not be required more often than once each year after two years from the date your child reaches the maximum age.

---

### *Special Rules That Apply to an Adopted Child*

Medical/Dental/Vision coverage for an adopted child will become effective on the date the child is placed with you for adoption, **if you make a written request for coverage within 31 days of his or her placement with your family.**

---

### *Enrolling for Coverage*

*You have the option of declining Medical/Dental/Vision coverage for yourself or your eligible spouse, same-sex domestic partner, or child(ren), or electing only Dental/Vision coverage.*

When enrolling in Medical/Dental/Vision, Health Care Flexible Spending Account, Dependent Care Flexible Spending Account, Voluntary Life Insurance and Dependent Life Insurance coverage, you will need to complete the enrollment process. For health insurance, you will need to indicate if you want to participate in either:

- The Preferred Provider Organization (PPO)/Dental/Vision Plan; or
- Dental/Vision only.

If you are a newly hired eligible employee (see "Eligibility" on page 5) and you want to enroll yourself and your eligible spouse or same-sex domestic partner or child(ren) in these plans, you must complete the enrollment **process within 31 days of your date of hire.**

**Enrolling for benefits and making changes to benefit elections are time-sensitive.**

*Effective August 1, 2012 American Water employees must enroll online through Employee Self Service. Those without access to Employee Self Service should return the completed enrollment forms to the Benefits Service Center within 31 days of the date of hire or life event. In addition, all required documentation must be provided within 30 days following approval of your request.*

**To enroll, you must submit your completed enrollment forms to the Benefits Service Center within 31 days of your date of hire or life event.** Effective August 1, 2012 American Water employees will be able to expedite the enrollment process by enrolling online through Employee Self Service and must utilize this site to enroll or change benefit elections as of this date. All other employees without access to Employee Self Service should continue to submit their completed enrollment forms to the Benefits Service Center. **All required documentation must be provided within 30 days following approval of your enrollment request.** If you do not complete your request and send all required documentation within the required timeframe, you will be unable to make changes to your benefits until the next scheduled open enrollment period.

Your **Benefits Eligibility Date** is the first day of the month following completion of one full month of continuous employment (subject to your collective bargaining agreement). **Example:** If your start date is January 21, your Benefits Eligibility Date is March 1 and your enrollment form should be returned by February 20.

When you enroll your eligible spouse or same-sex domestic partner and child(ren), you will need to provide their names, gender, birth dates, and Social Security numbers.

You also may be asked to provide proof of eligible spouse or same-sex domestic partner and child(ren) status, including but not limited to:

- A marriage certificate;
- A birth certificate;
- Guardianship/adoption papers;
- College report card or transcript (for Voluntary Life Insurance coverage);
- An Affidavit of Domestic Partnership and related documents that prove domestic partnership, as explained on page 7.

**If you are unable to provide the required documentation within 30 days following approval of your enrollment request to enroll or make changes to your election(s), your eligible spouse, same-sex domestic partner, or child(ren) will not be covered.** In addition, you may be required to reimburse American Water for any costs associated with covering an individual who is not an eligible spouse, same-sex domestic partner, or child(ren) and your, as well as your eligible spouse's or same-sex domestic partner's and child(ren)'s coverage may be terminated.

In addition, you will not be able to enroll in a Medical or Dental/Vision Plan, Health Care and Dependent Care Flexible Spending Accounts, Voluntary Life Insurance, or Dependent Life Insurance until the next Open Enrollment period unless you have a Change in Status or a Special Enrollment Period.

The annual Open Enrollment period is an important opportunity to review your coverage levels and make changes to meet your benefit needs for the next Plan Year.

**Coverage levels** are defined as:

- You only.
- Family (you + spouse or same-sex domestic partner + child(ren)).

---

## *Changes in Status*

You may enroll in a Plan as an eligible new hire or during the annual Open Enrollment period. However, if you or your family experiences a Change in Status (as described below), you may enroll in or add or drop coverage for yourself, your eligible spouse, same-sex domestic partner, or child(ren) during the Plan Year on account of, and consistent with, the Change in Status.

**You must complete your request for enrollment within 31 days of the event (see “Enrolling for Coverage” on page 9), and all required documentation must be provided within 30 days following approval of your request. If you do not complete your request and send all required documentation within the required timeframe, you will be unable to make changes to your benefits until the next scheduled open enrollment period. Benefit changes are effective on the date of the life event.**

The following events are changes in status:

- Marriage, registration or dissolving of same-sex domestic partnership, death of spouse, divorce, legal separation, or annulment.
- A child qualifies as an eligible child (see “Eligibility” on page 5).
- Birth, adoption, placement for adoption, or death of an eligible child.
- Termination or commencement of employment by you, your eligible spouse, same-sex domestic partner, or child(ren).

- Reduction or increase in hours of employment by you, your eligible spouse, same-sex domestic partner, or child(ren) that results in a change in employment status, including a switch between part-time and full-time, strike or lockout, or taking or returning from an unpaid leave.
- Your eligible child no longer qualifies because of age or student status.
- Change in residence or worksite of you, your eligible spouse, same-sex domestic partner, or child(ren), if the change results in gain or loss of coverage.
- Your eligible spouse's or same sex domestic partner's employer holds open enrollment at a time other than American Water.
- You become disabled.
- Coverage changes, such as a change in coverage under an eligible spouse's plan.

You can also enroll in or add or drop coverage for your eligible spouse, same-sex domestic partner, or child(ren) during the Plan Year if a judgment, decree, or order resulting from divorce, legal separation, annulment or change in custody requires health coverage for your eligible spouse, same-sex domestic partner, or child(ren) or eligible foster child, or if you or an eligible spouse, same-sex domestic partner, or child(ren) become entitled (or cease to be entitled) to Medicare or Medicaid.

For Life Insurance, your eligible child no longer qualifies because of age, student status, or marriage.

### **Special Enrollment Rights**

If you decline enrollment for yourself or your eligible spouse, same-sex domestic partner, or child(ren) because of other health insurance or group health plan coverage, you may be able to enroll yourself and your eligible spouse or same-sex domestic partner and child(ren) in this Plan if you or your eligible spouse, same-sex domestic partner, or child(ren) loses eligibility for that other coverage (or if the employer stops contributing towards your or your eligible spouse's, same-sex domestic partner's, or child(ren)'s other coverage). However, you must enroll within 31 days after your or your eligible spouse's, same-sex domestic partner's, or child(ren)'s other coverage ends (or after the employer stops contributing toward the other coverage).

A newborn child, an adopted child, or a child placed with you for adoption is automatically covered for the first 31 days of life, the date the child was adopted, or the date the child was placed for adoption.

**To continue coverage for a newborn beyond 31 days, you must complete your request for enrollment within 31 days of the event (i.e., birth or placement for adoption), and all required documentation must be provided within 30 days following approval of your request. If you do not complete your request and send all required documentation within the required timeframe, you will be unable to make changes to your benefits until the next scheduled open enrollment period. Approved benefits changes are effective on the date of the Life Event.**

In addition, if you have a new eligible spouse or child as a result of marriage, you may be able to enroll yourself and your eligible spouse or child(ren). **However, you must complete your request for enrollment within 31 days of the event (e.g., marriage), and all required documentation must be provided within 30 days following approval of your request. If you do not complete your request and send all required documentation within the required timeframe, you will be unable to make changes to your benefits until the next scheduled open enrollment period. Approved benefits changes are effective on the date of the Life Event.**

To request special enrollment **submit your completed enrollment form to the Benefits Service Center within 31 days of your date of hire or life event.** Effective August 1, 2012 American Water employees will be able to expedite the enrollment process by enrolling online through Employee Self Service and must utilize this site to enroll or change benefit elections as of this date. All other employees without access to Employee Self Service should continue to submit their completed enrollment forms to the Benefits Service Center. To obtain more information, contact the Benefits Service Center.

*Note:* Certain events could result in an immediate loss of eligibility for eligible spouses, same-sex domestic partners, and child(ren): if you get divorced or legally separated; if you terminate your domestic partnership; if your eligible child reaches the maximum age for coverage.

Under the Children's Health Insurance Program Reauthorization Act of 2009 ("CHIP"), employer-sponsored group health plans are required to update their mid-year special enrollment period rules. If you, your eligible spouse, or child is eligible, but not enrolled, for coverage under the Plan (including Medical and Dental/Vision), you are eligible to enroll for coverage if you meet either of the following conditions and you request enrollment with the Plan (including Medical/Dental/Vision) no later than 60 days after the date of the event:

- You or your eligible spouse or child(ren) loses eligibility for Medicaid or CHIP coverage; or
- You or your eligible spouse or child(ren) becomes eligible for premium assistance, with respect to coverage under the Plan (including Medical/Dental/Vision), due to coverage with Medicaid or state child health plan.

To request special enrollment or obtain more information, contact the Benefits Service Center.

## *The Medical Plan*

Eligible employees and their eligible spouse or same-sex domestic partner and child(ren) may participate in the PPO Plan.

*The PPO Plan emphasizes both preventive care and protection against the cost of illness and serious injury.*

The PPO Plan is administered by Horizon Blue Cross Blue Shield (Horizon). Horizon has negotiated special rates with in-network health care providers in the plans to offer you competitive health care. To locate participating network providers, call (800) 810-BLUE (2583) or use the Provider Finder at [http://www.horizon-bcbsnj.com/national\\_accounts.html](http://www.horizon-bcbsnj.com/national_accounts.html).

*Note: Eligible Hawaii employees and their eligible spouse and child(ren) may participate in the Hawaii Medical Service Association (HMSA) Medical Plan. The plans administered by Horizon do not apply to Hawaii employees. The HMSA medical plan is part of the American Water Group Insurance Plan, the terms of which are incorporated in this Summary Plan Description by reference.*

### **PPO Plan**

With the PPO Plan, you have a choice to make each time you use the Plan: whether to receive care from a doctor, hospital, or health care provider that is part of the plan's network, or from any provider outside the network. You will receive a higher level of coverage (i.e., the Plan will pay a higher percentage of the cost of service) when you receive care through the network and your out-of-pocket costs will be lower compared to receiving care outside of the network.

You do not have to select a primary care doctor to coordinate your care (e.g., when you need specialty services). However, it is always a good idea to maintain a relationship with a doctor who knows you and your medical history and who can help you make the right choices about your care.

**Listings of Network Providers**

To locate providers that participate in the Horizon network, you can call (800) 810-BLUE (2583) or use the *Provider Finder* at [http://www.horizon-bcbsnj.com/national\\_accounts.html](http://www.horizon-bcbsnj.com/national_accounts.html).

**Local 68 Union Medical Plan**

Eligible employees of Local 68 Union and their eligible spouse or same-sex domestic partner and eligible children participate in the medical plan as outlined in the Appendix-Local 68, incorporated into this Plan by reference, and the applicable collective bargaining agreement. If there is a conflict between the terms of this Plan and Appendix-Local 68, the terms of Appendix-Local 68 shall control.

**Hawaii**

Your medical plan is administered by HMSA. Please contact the Benefits Service Center for information.

## *The Preferred Provider Organization Plan*

*The Plan is self-insured by American Water. Horizon provides certain administrative services under the Plan.*

The Preferred Provider Organization (PPO) Plan is self-insured by American Water. A plan is considered to be “self-insured” when a company uses its own funds to pay claims. Horizon provides certain administrative and claim payment services under the Plan but does not guarantee benefit payments. The PPO Plan emphasizes preventive care and protects you from the cost of illness and serious injury while providing you with access to a high level of benefits.

**If you want to receive the advantages of the PPO Plan, you should select a doctor within Horizon’s network.** As you may know, Horizon maintains a nationally recognized health care provider network. In fact, most providers and hospitals currently used by our employees are members of the Horizon network. If you cover any college-age children, we anticipate that they will have access to network doctors when they are away at school. To learn which doctors are in the network, call Horizon at (800) 810-BLUE (2583) or use the Provider Finder at [http://www.horizon-bcbsnj.com/national\\_accounts.html](http://www.horizon-bcbsnj.com/national_accounts.html).

You do not have to coordinate your care through a primary care physician (PCP) to receive a high level of benefits. In addition, you do not need to obtain a referral from your PCP in order to see a specialist. However, it’s a good idea to see a PCP first to make sure you are getting appropriate care.

If you obtain care from an out-of-network doctor, the Plan may pay a lower level of benefits and some services (such as preventive care services) are not covered at all.

The PPO Plan provides reasonable access to primary care, specialists, and network hospitals. The standard for distance from an employee’s home to a provider who is accepting new patients is set forth in the following chart, although the actual distance may be greater in some cases:

	Urban Area	Rural Area
<b>Adult Doctor</b> <i>(includes Family Practice and General Internal Medicine)</i>	3 doctors in 8 miles	2 doctors in 12 miles
<b>Pediatrician</b>	2 doctors in 8 miles	2 doctors in 12 miles
<b>OB/GYN</b>	2 doctors in 8 miles	2 doctors in 12 miles
<b>Hospital</b>	1 hospital within 10 miles	1 hospital within 15 miles

---

## ***How the Preferred Provider Organization Plan Works***

With the PPO Plan, you do not need to select a PCP before you receive medical care, nor do you need to obtain referrals to see a specialist. However, when you need care, you should choose a doctor from a “network” of health care providers to receive the highest level of benefits under the Plan.

You can select a network provider from among those listed on Horizon's website at [http://www.horizon-bcbsnj.com/national\\_accounts.html](http://www.horizon-bcbsnj.com/national_accounts.html) or by calling Horizon at (800) 810-BLUE (2583).

**If you choose a provider in the network**, you receive a higher level of reimbursement for your medical expenses than you would receive if you chose a provider outside the network.

- You do not have to meet an annual deductible if you use an in-network provider.
- Your in-network health care providers file all your claims.
- Your in-network doctor initiates all required precertification.
- You will not experience any reduction in benefits under the “reasonable and customary” rule because health care providers in the network are allowed to charge only the special rates that Horizon has negotiated with them. (See the Glossary for a definition of “reasonable and customary charge.”)

Under the PPO, you may receive care from any provider you choose.

**If the provider is outside the network:**

- You will have to meet an annual deductible;
- Your level of benefits reimbursable will be lower;
- You will have to file your own claims;
- You will need to initiate precertification for inpatient hospitalization and certain outpatient procedures; and
- You will have to pay any expenses in excess of the “reasonable and customary charges” on which Plan payment is based, in addition to the applicable coinsurance amount.

---

## *When You Need a Specialist*

If you need specialized care, you do not need a referral. Remember, in order to receive the highest level of benefits, you must use a specialist who belongs to the network.

If you need medical services or treatment that is not available within the PPO network, your doctor may recommend a specialist who does not belong to the network. In this case, your doctor must obtain precertification from Horizon and you will receive the higher level of benefits.

---

## *Coverage When You Are Traveling*

You should call Horizon Member Services at (800) 355-BLUE (2583) for a list of participating doctors and hospitals to receive the highest level of benefits.

---

## *In Case of Emergency*

*An emergency is a sudden and unexpected life-threatening medical condition that requires immediate medical or surgical care.*

In case of emergency, get the care you need from the nearest health care facility or doctor. A medical emergency is defined as “a sudden and unexpected life-threatening medical condition that requires immediate medical or surgical care in order to prevent death or a severe health crisis.” Examples include convulsions, excessive bleeding, serious burns, and suspected heart attack.

You will be paid at the Plan’s higher benefit level for emergency care – 24 hours a day, 365 days a year – whether you are at home or away. When you need emergency care, it’s important to seek **immediate** care at the nearest appropriate facility.

When a covered person is confined as a full-time inpatient as the result of an **emergency** admission, you, the person’s doctor, or the hospital must call Horizon Member Services to request certification within 48 hours of the start of the confinement. If the call cannot be made within 48 hours, the call must be made as soon as reasonably possible. The 48-hour requirement is extended to 72 hours when the confinement starts on a Friday or Saturday.

---

## *Precertification*

Precertification is an important feature of the PPO Plan. In order for you to receive the highest level of benefits available, **you, the network hospital, or your doctor** must notify Horizon to precertify any hospital admission and certain outpatient surgical procedures, treatments, and tests. The purpose of this process is to review the medical necessity of a procedure and to approve an appropriate length of stay.

If you elect to get care from an out-of-network provider you will have to initiate the precertification process yourself.

## Procedures Which Must Be Precertified

Precertification is required for:

- All hospital and skilled nursing/convalescent facility admissions;
- Home health care, hospice care, and skilled nursing care; and
- Inpatient treatment for substance abuse and mental disorders.

Call Horizon for all other procedures.

## How to Request Precertification for a Medical Procedure or Admission

To request precertification of an admission or procedure, call the precertification telephone number listed on your PPO Plan ID card, or call Horizon Member Services, toll-free, at **(800) 355-BLUE (2583)** to be directed to the Patient Management site for your area.

To request precertification of an out-of-network admission or procedure, just call the precertification telephone number listed on your ID card or Horizon Member Services, toll-free, at **(800) 355-BLUE (2583)**. You should call at least 14 days before any scheduled admission or outpatient procedure, or as soon as you are aware you need medical care. **In case of emergency, you or a family member should contact Horizon Member Services within 48 hours after the admission or procedure.**

When you call, you will speak to a Medical Consultant who will ask you:

- Your name and PPO Plan identification number;
- The relationship of the patient to you;
- The type of surgical procedure or test you need;
- The name and telephone number of your doctor; and
- When the procedure is scheduled.

The Medical Consultant will review the medical necessity of the proposed inpatient admission, the proposed surgical procedures and treatments, or the proposed inpatient treatment for substance abuse and mental disorders. He or she will compare information about your case with generally accepted medical standards.

For precertification of Mental Health and Substance Abuse admissions, call Magellan at (800) 626-2212.

If the proposed inpatient admission or treatment is medically necessary in accordance with such standards, it will be certified by the Medical Consultant. On the other hand, if other treatment is more appropriate, alternative treatment settings may be suggested. See page 37 for more information regarding precertification.

### **There's a Penalty If You Do Not Precertify**

If you do not call to precertify a hospital admission or any of the procedures or tests listed, you will have to pay a separate \$150 penalty charge, in addition to your applicable coinsurance and/or deductible, before benefits are paid for covered services. This penalty charge will not be applied toward your deductible or your out-of-pocket limit.

### **If Your Hospital Stay Is Longer Than Expected**

If your hospital stay is longer than the approved period, you must notify Horizon Member Services as soon as you are aware your stay must be extended. The Medical Consultant can then work with your doctor to extend the certification of your hospital stay.

---

## ***Your Share of Medical Expenses***

The American Water Medical Plan has been carefully designed to provide quality care and the most value for each dollar spent by you and the Company. Here is how we share the costs of these valuable benefits.

### **Deductibles (out- of-network only)**

A deductible is the amount you must pay before the Plan begins to pay benefits for covered expenses. All deductibles are calculated on an annual basis and must be met every year. Inpatient hospital copayments **do not count** toward meeting the annual deductibles.

- **Single Deductible Limit (per calendar year):** \$200 (out-of-network only; no deductible for in-network).

This calendar year deductible applies to all expenses incurred for out-of-network and for care for your eligible spouse or same-sex domestic partner and child(ren) who live permanently outside the network.

- **Family Deductible Limit (per calendar year) (must be met by expenses of more than one family member):** \$600 (out-of-network only; no deductible for in-network).

This calendar year deductible applies to all expenses incurred for out-of-network and for care for your eligible spouse or same-sex domestic partner and child(ren) who live permanently outside the network.

### **Inpatient Hospital Copayment (out- of-network only)**

There is a separate \$250 copayment for each confinement in an out-of-network hospital. This is a separate amount you pay for each hospital confinement. The inpatient hospital copayment will be applied only once to each hospital confinement, regardless of cause, which is separated by less than 10 days from another confinement.

Expenses used to meet the inpatient hospital copayment cannot be used to meet any other applicable deductible. Expenses used to meet any other applicable deductible cannot be used to meet the inpatient hospital copayment.

The inpatient hospital copayment is \$250 per confinement (out-of-network only).

However, for a confinement of a well newborn child that starts on the day of birth, the inpatient hospital copayment will not exceed the hospital’s actual charge for room and board for the first day of confinement on which the child’s coverage is in force. To maintain continuous coverage on the newborn, you must add him or her to the Plan through American Water as an eligible child within 31 days of birth.

## Coinsurance

After you meet the applicable annual deductible (out-of-network only), you and American Water share the remaining expenses through coinsurance.

If you use **network doctors, hospitals or hospital alternatives**, the Plan generally pays as follows (although there may be other limits, such as limits on the number of treatments or visits):

Plan Pays	You Pay	Up to 2012 Annual Out-of-Pocket Limit (single/family)
80%	20%	\$2,500 / \$5,000 including prescription drug coverage

If you use **out-of-network doctors, hospitals or hospital alternatives**, the Plan generally pays as follows (although there may be other limits, such as limits on the number of treatments or visits):

Plan Pays	You Pay	Up to 2012 Annual Out-of-Pocket Limit (single/family)
50%	50%	\$5,000 per person

Your in-network coinsurance amounts do not count toward your out-of-network deductible and coinsurance limits.

## Out-of-Pocket Limits

There is a limit to your share of medical expenses each calendar year, called the “out-of-pocket” limit. Your coinsurance amounts count toward these out-of-pocket limits and deductibles, and amounts you are required to pay to out-of-network providers in excess of the reasonable and customary charge **do not** count toward out-of-pocket limits and deductibles.

- **2012 Out-of-Pocket Limits (single/family)**
  - \$2,500 / \$5,000 (in-network)
  - \$5,000 per person (out-of-network)

If you reach your out-of-pocket limit during a calendar year, your covered expenses will be paid at 100% for the remainder of that year (in-network) and at 100% of reasonable and customary charges (out-of-network). Your out-of-pocket limit will be reset to \$0 at the beginning of each year.

However, any expense not determined to be a covered expense, and precertification penalties, do not count toward your out-of-pocket limit.

**Note: In-network prescription drug charges will contribute to the in-network out-of-pocket limit.**

## Lifetime Maximum Benefit

The PPO Plan provides an unlimited lifetime maximum benefit for you and each covered member of your family.

## Your Contributions

You pay your share of the cost for your benefits each pay cycle through convenient *pre-tax* payroll deductions. *Pre-tax* means that your contributions are withheld before federal (and in most cases, state and local) income and FICA (Social Security) taxes are withheld. This reduces your taxable income and the amount of tax you pay. As a result, you have more take-home pay. Because your pre-tax contributions are not subject to FICA taxes, your Social Security benefit at retirement may be slightly reduced if your earnings are under the Social Security Taxable Wage Base (\$110,100 for 2012). However, the loss in future retirement benefits should be more than offset by the current tax savings under the Plan.

---

## *Benefits Payable*

*American Water pays the majority of your benefit costs.*

After any applicable deductible, coinsurance, or copayment amount, the Plan pays benefits subject to the applicable coinsurance and copayment provisions which apply to the type of Covered Medical Expense, except for any different benefit levels described elsewhere in this Summary Plan Description. If an expense is covered as one type of Covered Medical Expense, it cannot be covered as any other type.

---

## *Benefit Maximums*

All maximums included in this Plan are combined maximums between in-network and out-of-network, where applicable, unless specifically stated otherwise.

The following limitations apply to some of the benefits under the PPO Plan:

- **Private Duty Nursing Care**  
70 shifts per calendar year
- **Home Health Care**  
120 visits per calendar year  
(a “visit” is considered to be four hours or less in duration)
- **Skilled Nursing/Convalescent Facility**  
120 days per calendar year
- **Short-Term Rehabilitation**  
60 days per calendar year
- **Private Room Limit**  
The institution’s semi-private rate

---

## *Covered Expenses*

### **Inpatient Hospital Care**

*Inpatient admissions must be precertified to qualify for the maximum benefit payable.*

The Plan covers charges made by a hospital for room (semi-private only), board, and other hospital services and supplies for a person who is confined as a full-time inpatient for the treatment of an injury or illness.

The Plan covers charges made by a hospital for services and supplies for a person who is not confined as a full-time inpatient.

### **Skilled Nursing/ Convalescent Facility**

*Precertification of skilled nursing/convalescent facility services is necessary to receive the maximum benefit payable by the Plan.*

The Plan covers charges made by a skilled nursing/convalescent facility for the following services and supplies furnished to a person while confined to convalesce from an illness or injury.

- Room and board. This includes charges for services such as general nursing care made in connection with room occupancy. Charges for daily room and board in a private room over the Private Room Limit are not covered.
- Use of special treatment rooms.
- X-ray and lab work.
- Physical, occupational, or speech therapy.
- Oxygen and other gas therapy.

- Other medical services usually given by a skilled nursing/convalescent facility, excluding private or special nursing, or doctors' services.
- Medical supplies.

The Plan does not cover skilled nursing/convalescent facility charges made for treatment of:

- Drug addiction.
- Chronic brain syndrome.
- Alcoholism.
- Senility.
- Mental retardation.
- Any other mental disorder.

## Home Health Care

*Home health care is limited to 120 visits in a calendar year. Each visit by a nurse or therapist is one visit. Each visit of up to four hours by a home health aide is one visit.*

Home health care expenses are covered if they are precertified and:

- The charge is made by a home health care agency;
- The care is given under a home health care plan; and
- The care is given to a person in his or her home.

Home health care expenses are charges for:

- Part-time or intermittent care by an RN, or by an LPN if an RN is not available.
- Part-time or intermittent home health aide services for patient care.
- Physical, occupational, and speech therapy.
- Expenses covered to the extent they would have been covered under this Plan if the person had been confined in a hospital or skilled nursing/convalescent facility:
  - Medical supplies, drugs, and medicines prescribed by a doctor; and
  - Lab services provided by or for a home health care agency.

The Plan covers a maximum of 120 home health care visits in a calendar year. Each visit by a nurse or therapist is one visit. Each visit of up to four hours by a home health aide is one visit.

### **The Plan does not cover charges made for:**

- Services or supplies that are not a part of the home health care plan.
- Services of a person who usually lives with you or is a member of your, your spouse's, or your same-sex domestic partner's family.
- Services of a social worker.
- Transportation.

## Routine Physical Exams

*The charges made by your doctor for a routine physical exam given to you, your eligible spouse, your eligible same-sex domestic partner, or your eligible child may be included as Covered Medical Expenses.*

Covered Medical Expenses include charges made by your doctor for a routine physical exam given to you, your spouse, your same-sex domestic partner, or your eligible child.

A routine physical exam is a medical exam given by a doctor for a reason other than to diagnose or treat a suspected or identified injury or illness. Included are:

- X-rays and laboratory and other tests given in connection with the exam; and
- Materials for the administration of immunizations for infectious illness and testing for tuberculosis.

To qualify as a covered physical exam, the doctor's exam must include at least:

- A review and written record of the patient's complete medical history;
- A check of all body systems; and
- A review and discussion of the exam results with the patient or the parent or guardian.

For a child age six and over, Covered Medical Expenses do not include charges for more than one exam in a period of 12 consecutive months.

For you or your spouse or same-sex domestic partner, Covered Medical Expenses do not include charges for more than one exam in a period of 12 consecutive months.

### **Charges for routine physical exams do not include:**

- Services and supplies furnished by an out-of-network provider.
- Services covered to any extent under any other part of this Plan or any other group plan sponsored by American Water.
- Services to diagnose or treat a suspected or identified injury or illness.
- Exams given to a person confined in a hospital or other facility for medical care.
- Services not given by a doctor or under his or her direction.
- Medicines, drugs, appliances, equipment, or supplies.
- Psychiatric, psychological, personality, or emotional testing or exams.
- Exams in any way related to employment.
- Premarital exams.

## Routine Hearing Exams

*The American Water Plan covers a routine hearing exam by a participating provider once every 12 months under the PPO Plan.*

- Vision, hearing, or dental exams.
- Doctor's office visits in connection with immunization or testing for tuberculosis.

Covered Medical Expenses include charges for an audiometric exam. The services must be performed by a network doctor who is certified as an otolaryngologist or otologist, or by an audiologist who:

- Is legally qualified in audiology or holds a certificate of Clinical Competence in Audiology from the American Speech and Hearing Association in the absence of any applicable licensing requirements; and
- Performs the exam at the written direction of a legally qualified otolaryngologist or otologist.

Covered Medical Expenses will not include charges for more than one hearing exam in a period of 12 consecutive months under the PPO Plan.

### **Charges for routine hearing exams do not include:**

- Ear or hearing exams to diagnose or treat an illness or injury.
- Drugs or medicines.
- Hearing care services or supplies covered to any extent under any other part of this Plan or any other group plan sponsored by American Water.
- Hearing care services or supplies for which benefits are provided under any Workers' Compensation law or any other law of similar purpose, whether benefits are payable for all or only part of the charges.
- Hearing care services or supplies which do not meet professionally accepted standards.
- Services or supplies received while the person is not covered.
- Exams given while the person is confined in a hospital or other facility for medical care.
- Exam required by an employer as a condition of employment, or that an employer is required to provide under a labor agreement or required by law.
- Services or supplies furnished by an out-of-network provider.

Covered Medical Expenses include charges for one routine Pap smear and related laboratory expenses each calendar year.

## Routine Pap Smear

## Routine Mammogram

Covered Medical Expenses include charges incurred by a female for one routine mammogram each calendar year, in accordance with American Medical Association Guidelines.

## Benefits Related to Breast Reconstruction

The Plan provides benefits related to breast reconstruction in compliance with the Women's Health and Cancer Rights Act of 1998. This federal law states that group health plans that provide medical and surgical benefits for mastectomy must provide certain additional benefits related to breast reconstruction.

If you (or a covered eligible spouse, same-sex domestic partner, or child) are receiving mastectomy benefits, you are entitled to coverage for:

- Reconstruction of the breast on which the mastectomy has been performed;
- Surgery and reconstruction of the other breast to produce a symmetrical appearance; and
- Prostheses and treatment for physical complications for all stages of a mastectomy, including lymphedemas (swelling associated with the removal of lymph nodes).

The Plan will determine the manner of coverage in consultation with you and your attending doctor. Coverage for breast reconstruction and related services will be subject to the same annual deductibles and coinsurance provisions that apply for the mastectomy.

## Voluntary Sterilization

The charges made by a doctor or hospital for a vasectomy or tubal ligation for voluntary sterilization, even though not incurred in connection with the diagnosis or treatment of an illness or injury, are Covered Medical Expenses. Charges for the reversal of a sterilization procedure are not covered.

## Annual Gynecological Exam

*You may visit your network gynecologist once a year for a routine exam.*

Expenses incurred for one routine self-referred gynecological exam per calendar year, performed by a network doctor, will be considered a Covered Medical Expense. The routine gynecological exam, including one Pap smear and related laboratory expenses, is considered Office Care. No coverage is provided if the exam is performed by an out-of-network provider.

## Maternity

*Benefits are payable for pregnancy-related expenses of female employees and female eligible spouse, same-sex domestic partner, or child(ren) on the same basis as for an illness.*

Pregnancy expenses must be incurred while the person is covered under this Plan. If expenses are incurred after the coverage ceases, they will be considered for benefits only if satisfactory evidence is furnished to Horizon that the person has been totally disabled since her coverage terminated.

Any pregnancy benefits payable by previous group health coverage will be subtracted from health benefits payable for the same expenses under this Plan.

Medical care related to pregnancy, childbirth, abortion, or miscarriage includes the hospital delivery and hospital stay for at least 48 hours after a vaginal delivery or 96 hours after a cesarean section, if the attending practitioner determines that inpatient care is medically necessary and appropriate or if requested by the eligible mother notwithstanding medical necessity and appropriateness.

The attending provider, after consulting with the mother, may discharge the mother and newborn earlier than 48 hours following a vaginal delivery or 96 hours following a caesarean section.

## Mouth, Jaws, and Teeth

*The Medical Plan covers certain treatments of the mouth, jaws, and teeth only in the event of injury. Treatment must be of, or related to, the teeth, mouth, jaws, jaw joints, or supporting tissues (these include bones, muscles, and nerves).*

The Medical Plan will cover certain dental expenses, but only in the event of injury. Charges for root canal therapy; routine tooth removal (which does not involve cutting of the bone); and in-mouth appliances, crowns, bridgework, dentures, tooth restorations, and any related fitting or adjustment services (whether or not their purpose is to relieve pain) are covered if they are required as the result of injury to the mouth, jaw, or teeth.

The Medical Plan does not cover charges to remove, repair, replace, restore, or reposition teeth which are lost or damaged in the course of biting or chewing. Charges to repair, replace, or restore fillings, crowns, dentures, or bridgework are not covered by the Medical Plan. Non-surgical periodontal treatment is excluded, as are charges for dental cleaning; in-mouth scaling, planing, or scraping; and myofunctional therapy (muscle training therapy to correct or control harmful habits).

The following services and supplies furnished for the treatment of the mouth, jaws, jaw joints, teeth, and supporting tissues (including bones, muscles, and nerves) are Covered Medical Expenses and not part of the Dental Plan. For these expenses, “doctor” includes a dentist.

- Surgery needed to treat a fracture, dislocation, or wound or to cut out teeth partly or completely impacted in the jawbone. Covered surgery may cut out teeth that will not erupt through the gum, as well as other teeth that cannot be removed without cutting into bone.
- Also covered are surgeries that cut out the roots of a tooth without removing the entire tooth, as well as removing cysts, tumors, or other diseased tissues while cutting into the gums and tissues of the mouth. This is covered only when not done in connection with the removal, replacement, or repair of teeth. Covered surgery may also alter the jaw, jaw joints, or bite relationships by a cutting procedure when appliance therapy alone cannot result in functional improvement.

- Non-surgical treatment of infections or illnesses of the mouth, jaws, jaw joints, and supporting tissues (including bones, muscles, and nerves). This does not include those of, or related to, the teeth.
- Dental work, surgery, and orthodontic treatment needed to remove, repair, replace, restore, or reposition natural teeth damaged, lost, or removed, and other body tissues of the mouth fractured or cut due to injury. The accident causing the injury must occur while the person is covered under the Medical Plan.

Any such teeth must have been free from decay or in good repair and firmly attached to the jawbone at the time of the injury.

If crowns (caps), dentures (false teeth), bridgework, or in-mouth appliances are installed due to such injury, Covered Medical Expenses include only charges for the following:

- The first denture or fixed bridgework to replace lost teeth;
- The first crown needed to repair each damaged tooth; and
- An in-mouth appliance used in the first course of orthodontic treatment after the injury.

Except as provided for injury, the Medical Plan does not cover charges for in-mouth appliances, crowns, bridgework, dentures, tooth restorations, or any related fitting or adjustment services, whether or not the purpose of such services or supplies is to relieve pain. In addition, the Medical Plan does not cover root canal therapy or routine tooth removal (not needing cutting of the bone).

## Skilled Nursing Care

*Coverage for private duty nursing is limited to 70 shifts per calendar year. Each period of private duty nursing of up to eight hours will be considered one private duty nursing shift.*

Facility charges for bed and board, including diets, drugs, medicines and dressings and general nursing service in a “Skilled Nursing Facility. Benefits are available for 120 days of care during any one benefit period.

Home Health Agency care services and supplies are covered only if furnished by providers on a part-time or intermittent basis, except when full-time or 24-hour service is needed on a short-term basis.

The home health care plan must be established in writing by the patient’s practitioner within 14 days after home health care starts and it must be reviewed by the patient’s practitioner at least once every 60 days.

No prior inpatient admission is required.

Each visit by a home health aid, nurse, or other provider whose services are authorized under the home health care plan can last up to four hours. This does not include:

- Services furnished to family members, other than the patient; or
- Services and supplies not included in the home health care plan.

## Hospice Care

*The Plan covers inpatient or outpatient hospice care for an individual who has been diagnosed as having six months or less to live.*

*Inpatient hospice care must be precertified to be covered at the highest level payable by the Plan.*

Charges made for the following inpatient services furnished to a person for hospice care when given as a part of a Hospice Care Program are included as Covered Medical Expenses, provided pre-certification is received.

### **Inpatient Care**

Room and board and other services and supplies furnished to a full-time inpatient for pain control and other acute and chronic symptom management.

Charges for daily room and board in a semi-private room over the Private Room Limit are not included.

### **Facility and Doctor Expenses**

*The Plan covers charges made on its own behalf by a:*

- Hospice Care Facility;
- Hospital;
- Skilled Nursing/Convalescent Facility; or
- Doctor.

### **Outpatient Care**

The Plan covers charges made by a Hospice Care Agency for the following outpatient services and supplies (if precertified).

- Part-time or intermittent nursing care by an RN or LPN for up to eight hours per day.
- Medical social services under the direction of a doctor, including:
  - Assessment of the person's social, emotional, and medical needs, and the home and family situation;
  - Identification of available community resources; and
  - Assisting the person to obtain resources needed to meet the person's assessed needs.
- Psychological and dietary counseling.
- Consultation or case management services by a doctor.
- Physical and occupational therapy.
- Part-time or intermittent home health aide services (consisting mainly of caring for the person) for up to eight hours per day.
- Medical supplies, drugs, and medicines prescribed by a doctor.

Charges made by the providers below for Outpatient Care, but only if the provider is not an employee of a Hospice Care Agency and the agency retains responsibility for the care of the person:

- A doctor for consultant or case management services.
- A physical or occupational therapist.
- A Home Health Care Agency for:
  - Physical or occupational therapy.
  - Part-time or intermittent home health aide services consisting mainly of caring for the person for up to eight hours per day.
  - Medical supplies, drugs, and medicines prescribed by a doctor.
  - Psychological and dietary counseling.

**Charges for the following services are not included:**

- Bereavement counseling.
- Funeral arrangements.
- Pastoral counseling.
- Financial or legal counseling, including estate planning or the drafting of a will.
- Homemaker or caretaker services. These are services which are not solely related to care of the person, including sitter or companion services for either the person who is ill or to other members of the family, transportation, housecleaning, and maintenance of the house.
- Respite care. This is care furnished during a period of time when the person's family or usual caretaker is unable or unwilling to attend to the person's needs.

**Short-Term  
Rehabilitation**

Charges made by a doctor or a licensed or certified physical, occupational, or speech therapist for Short-Term Rehabilitation services to treat acute conditions are Covered Medical Expenses.

Short-Term Rehabilitation services consist of the following services furnished to a person who is not confined as an inpatient in a hospital or other facility for medical care:

- Physical therapy;
- Occupational therapy; or
- Speech therapy.

*Short-Term Rehabilitation is therapy which is expected to result in the improvement of a body function (including the restoration of the level of an existing speech function) which has been lost or impaired due to an injury, an illness, or a congenital defect.*

*You and your covered eligible spouse or same-sex domestic partner and child(ren) are covered for a maximum of 60 days of Short-Term Rehabilitation services during a calendar year, as long as the treatment is certified by Horizon.*

This therapy shall be expected to result in significant improvement of the person's condition within 60 days from the date the therapy begins.

Charges for Short-Term Rehabilitation services are covered for a maximum of 60 days per calendar year, as long as the treatment is precertified.

**The following services are not covered as Short-Term Rehabilitation services:**

- Services covered to any extent under any other part of this Plan or any other group plan sponsored by American Water.
- Services received while the person is confined in a hospital or other facility for medical care.
- Services not performed by a doctor or not under his or her direct supervision.
- Services rendered by a physical, occupational, or speech therapist who lives in the person's home, or who is a part of the family of either the person or the person's spouse or same-sex domestic partner.
- Services rendered for the treatment of delays in speech development, unless resulting from:
  - Illness;
  - Injury; or
  - Congenital defect.
- Special education, including lessons in sign language, to instruct a person whose ability to speak has been lost or impaired, to function without that ability.
- Any services not provided in accordance with a specific treatment plan that:
  - Details the treatment to be rendered and the frequency and duration of the treatment.
  - Provides for ongoing reviews and is renewed only if therapy is still necessary.

## Emergency Care

*In the event of a medical emergency, the Plan covers treatment in a hospital emergency room.*

If emergency care is received in a hospital emergency room while a person is not a full-time inpatient, the hospital's charges will be Covered Medical Expenses and paid at the appropriate copayment/coinsurance.

“Emergency care” means the first treatment given in a hospital emergency room right after the sudden and (at that time) unexpected onset of a change in a person's physical or mental condition that requires hospital level care because:

- The care could not safely and adequately have been provided other than in a hospital or adequate care was not available elsewhere in the area at the time and place it was needed; and
- If the hospital level care were not given, the emergency described above could, as determined by Horizon, reasonably be expected to result in:
  - Loss of life or limb;
  - Significant impairment to bodily function; or
  - Permanent dysfunction of a body part.

## Non-Emergency Care in an Emergency Room Other Covered Medical Expenses

If non-emergency treatment is received in a hospital emergency room while a person is not a full-time inpatient, benefits will be denied.

Other Covered Medical Expenses include:

- Doctor's charges.
- Diagnostic lab work and X-rays.
- X-ray, radium, and radioactive isotope therapy.
- Anesthetics and oxygen.
- Rental of durable medical or surgical equipment. Not included are charges for more than one item of equipment for the same or similar purpose.
  - “Durable Medical and Surgical Equipment” is equipment made to withstand prolonged use and used mainly in the treatment of an illness or injury. It must be suited for use in the home, not normally of use to persons without an illness or injury, and not used to alter quality or temperature, or for exercise or training.
- The purchase, repair, or replacement of durable medical and surgical equipment and accessories needed to operate it.
  - The initial purchase is covered only if Horizon agrees that long-term use is planned and the equipment cannot be rented, or it is likely to cost less to buy it than to rent it.
  - Replacement is covered only if Horizon agrees that it is needed because of a change in the person's physical condition, or it is likely to cost less to buy a replacement than to repair the existing equipment or to rent similar equipment.

- Artificial limbs and eyes. However, eyeglasses, hearing aids, orthopedic shoes, or other devices to support the feet are not included.
- Professional ambulance service to transport a person from the place of the injury or onset of illness to the first hospital where treatment is given.

## ***Pre-Existing Conditions***

Pre-existing conditions do not apply under any Horizon Plan.

---

## ***Certification for Hospital Admissions (including hospitalizations for alcoholism, drug abuse, or mental disorders)***

*Inpatient hospital confinements must be precertified to qualify for the highest level of benefits paid by the Plan. If precertification is not obtained, benefits will be reduced or denied.*

Inpatient hospital confinements must be precertified to qualify for the highest level of benefits paid by the Plan. Covered Medical Expenses incurred on any day not certified during the confinement will be paid as shown below if:

- You become confined in a hospital as a full-time inpatient; and
- It has not been certified that the confinement (or any day of the confinement) is necessary; and
- The confinement has not been ordered and prescribed by your doctor.

### **Hospital Expenses Incurred During the Confinement**

If certification has been requested and denied for part of the confinement, no benefits will be paid for Hospital Expenses incurred for room and board for that day(s). Benefits for all other Hospital Expenses will be paid at the appropriate copayment/coinsurance.

If certification has not been obtained, you will have to pay a \$150 penalty charge before benefits are paid for covered services.

Benefits for expenses in excess of the Excluded Amount will be paid at the appropriate copayment/coinsurance.

If certification has not been requested and the confinement (or any day of the confinement) is necessary, Hospital Expenses up to the Excluded Amount will not be deemed to be Covered Medical Expenses. Benefits for all other Hospital Expenses will be payable at the appropriate copayment/coinsurance.

### **Other Covered Medical Expenses**

Benefits will be paid at the appropriate copayment/coinsurance.

Whether or not a day of confinement is certified, no benefit will be paid for expenses incurred on any day of confinement as a full-time inpatient if excluded by any other terms of this Plan, except that if certification has been given for a day of confinement, excluding services and supplies because they are not necessary will not be applied to expenses for hospital room and board.

In the event of an **urgent** admission, you, the person's doctor, or the hospital must call Horizon Member Services for certification before the person is confined as a full-time inpatient.

An urgent admission is one required as the result of an injury caused by an accident; the diagnosis of an illness; or the onset of, or change in, an illness. The person's condition does not require emergency medical care, but is severe enough to require confinement in a hospital within two weeks of the date the doctor determines that confinement is required.

A "non-urgent admission" is one which is not an emergency admission or an urgent admission.

When a covered person is confined as a full-time inpatient as the result of an **emergency** admission, you, the person's doctor, or the hospital must call Horizon Member Services to request certification within 48 hours of the start of the confinement. If the call cannot be made within 48 hours, the call must be made as soon as reasonably possible. The 48-hour requirement is extended to 72 hours when the confinement starts on a Friday or Saturday.

*Call the precertification number on your ID card or Horizon Member Services at (800) 355-BLUE (2583) to obtain certification of a hospital inpatient admission. Written notice of the number of days certified will be sent promptly to the hospital. A copy will be sent to you and the doctor.*

An admission is considered to be an **emergency** when the doctor admits the person to the hospital right after the sudden and (at that time) unexpected onset of a change in the person's physical or mental condition which could be life-threatening or result in significant impairment or permanent dysfunction if the person is not immediately confined as a full-time hospital inpatient.

If, in your doctor's opinion, it is necessary for you to be confined for a longer time than already certified, you, the doctor, or the hospital may request that more days be certified by calling the precertification number on your ID card or Horizon Member Services at **(800) 355-BLUE (2583)**. This must be done on or before the last day that has already been certified.

Written notice of the number of days certified will be sent promptly to the hospital. A copy will be sent to you and the doctor.

---

## ***Certification for Skilled Nursing/Convalescent Facility Care, Home Health Care, and Hospice Care***

*Precertification is required for confinements in a Skilled Nursing/Convalescent Facility or hospice, and for home health care and outpatient hospice care. If precertification is not obtained, benefits may be reduced.*

Covered Medical Expenses will be paid as shown below if incurred:

- While a person is confined in a Skilled Nursing/Convalescent Facility or hospice; or
- For services or supplies for home health care, hospice care, or skilled nursing care when a person is not confined as an inpatient; and
- It has been certified that such confinement or care is necessary; and
- The confinement or care has been ordered and prescribed by your doctor.

### **Facility Expenses**

If certification has been requested and denied, no benefits will be paid for Skilled Nursing/Convalescent Facility expenses or Hospice Care Facility expenses incurred for room and board. Benefits for all other Skilled Nursing/Convalescent Facility expenses or Hospice Care Facility expenses incurred during the confinement will be paid at the appropriate copayment/coinsurance.

If certification has not been requested and the confinement (or any day of the confinement) is not necessary, no benefits will be paid for Skilled Nursing/Convalescent Facility expenses or Hospice Care Facility expenses incurred for room and board. For all other Skilled Nursing/Convalescent Facility expenses or Hospice Care Facility expenses incurred during the confinement:

- Expenses up to the Excluded Amount will not be deemed to be Covered Medical Expenses.
- Benefits for all other such expenses will be paid at the appropriate copayment/coinsurance.

If certification has not been requested and the confinement (or any day of the confinement) is necessary, Skilled Nursing/Convalescent Facility expenses or Hospice Care Facility expenses incurred during the confinement, up to the Excluded Amount, will not be deemed to be Covered Medical Expenses. Benefits for all other such expenses incurred during the confinement will be paid at the appropriate copayment/coinsurance. As to all other Covered Medical Expenses incurred during the confinement, benefits will be paid at the appropriate copayment/coinsurance.

If certification for a service or supply has been requested and denied, or if certification has not been requested and the service or supply is not necessary, no benefits will be paid for the denied or unnecessary service or supply.

If certification has not been requested for a service or supply and the service or supply is necessary, benefits for the necessary service or supply will be paid as follows:

- Expenses incurred for the service or supply, up to the Excluded Amount, will not be deemed to be Covered Medical Expenses;
- Benefits for all other Covered Medical Expenses incurred for the service or supply will be paid at the appropriate copayment/coinsurance.

Whether or not a day of confinement or a service or supply has been certified, no benefit will be paid if the charges for the confinement or service or supply are excluded by any other terms of this Plan, except that, to the extent a day of confinement has been certified, excluding services and supplies because they are not necessary will not apply to:

- Skilled Nursing/Convalescent Facility expenses for room and board.
- Hospice Care Facility expenses for room and board.

## Expenses for Services or Supplies

*To get certification you must call the precertification number on your ID card or Horizon Member Services at (800) 355-BLUE (2583). Such certification must be obtained before an expense is incurred.*

*Prompt written notice will be provided to you of the days of confinement and services or supplies which have been certified.*

To the extent that such service or supply has been certified for home health care, hospice care, or skilled nursing care, excluding services or supplies because they are not necessary will not apply to the service or supply.

If a person's doctor believes that the person needs more days of confinement or services or supplies beyond those which have been already certified, a call must be made to the precertification number on your ID card or Horizon Member Services at **(800) 355-BLUE (2583)** to certify more days of confinement or services or supplies.

Prompt written notice will be provided to you of the days of confinement and services or supplies which have been certified.

If services and supplies for hospice care have been certified and the person later requires hospital confinement for pain control or acute symptom management, any other certification requirement in this Plan will be waived for any such day of hospital confinement.

---

## ***Certification for Certain Procedures and Treatments***

Certification for certain procedures and treatments is required:

- Before the procedure is performed; or
- Before the treatment starts, unless the procedure or treatment has been ordered and prescribed by your doctor.

Covered Medical Expenses for procedures or treatments (whether performed on an inpatient or outpatient basis) will be payable as follows:

- If the procedure or treatment is not necessary, no benefits will be payable whether or not certification has been requested.
- If certification has been requested and the procedure or treatment is necessary, benefits will be payable at the appropriate copayment/coinsurance.
- If certification has not been requested and the procedure or treatment is necessary, expenses up to the Excluded Amount will not be considered to be Covered Medical Expenses. Benefits for Covered Medical Expenses in excess of the Excluded Amount will be payable at the appropriate copayment/coinsurance.

*Certification for certain procedures and treatment is required when they are performed on either an inpatient or outpatient basis.*

Certain procedures or treatments require precertification before they are performed, regardless of whether done on an inpatient or outpatient basis. Call Horizon to determine if your procedure requires precertification.

You or the provider performing the procedure or treatment must call the precertification number on your ID card or Horizon Member Services at (800) 355-BLUE (2583) to request certification.

If the procedure or treatment is performed due to an emergency condition, the call must be made:

- Before the procedure or treatment is performed; or
- Not later than 48 hours after the procedure or treatment is performed, unless the call cannot be made within that time. In that case, the call must be made as soon as it is reasonably possible. In the event the procedure or treatment is performed on a Friday or Saturday, the 48-hour requirement will be extended to 72 hours.

If the procedure or treatment is performed for any condition other than an emergency condition, the call must be made at least 14 days before the date of the procedure or the date treatment begins. If it is not possible to make the call during the specified time, it must be made as soon as reasonably possible before the date of the procedure or the date treatment begins.

Written notice of the certification decision will be sent promptly to you and the provider performing the procedure or treatment. This decision will be valid for 60 days from the date you receive the notice. If the procedure or treatment is to be performed after this 60-day period, certification must again be requested, as described above.

---

## ***Submitting Claims***

*You should file your claim(s) during the calendar year in which the service or treatment was provided.*

All claims must be filed within two years from the date of the incurred expense. Your claims must be in writing and you must give proof of the nature and extent of the expense. You may obtain Medical Plan Benefits Request forms from the Benefits Service Center, directly from Horizon's website ([http://www.horizon-bcbsnj.com/national\\_accounts.html](http://www.horizon-bcbsnj.com/national_accounts.html)), or by contacting Horizon Member Services at (800) 355-BLUE (2583).

## *How Your Benefits Are Paid*

American Water has contracted with Horizon to assist in administering benefits under the PPO Plan as the Claims Administrator. Your claims will be paid as soon as Horizon receives the necessary written proof supporting your claim. In order to speed claims processing, Horizon will pay medical benefits directly to the provider unless you specify that you want the benefits paid to you. If you are a minor or otherwise legally unable to give a valid release, Horizon may make payment to any of your relatives whom it determines to be fairly entitled to the payment.

You should never pay a provider directly until you receive an Explanation of Benefits (EOB).

---

## *Filing Medical Claims*

*When you use a network provider, you will not have to complete a Medical Plan Benefits Request form. The network provider will handle all claim filing for you.*

Fast processing of your out-of-network claim depends on complete, accurate information on your National Account Health Insurance Claim Form (available online at [http://www.horizon-bcbsnj.com/national\\_accounts.html](http://www.horizon-bcbsnj.com/national_accounts.html)). When filing a claim, please remember to:

- Complete all applicable sections of your Benefits Request form. Any unanswered questions will cause delay in processing your claim.
- Include your PPO Plan identification number on all claims, including claims for your eligible spouse or same-sex domestic partner and child(ren), and be sure to sign the form.
- Attach the itemized bill to the form. An itemized bill must be submitted within 24 months of incurring the expense and include the following information:
  - The patient’s full name;
  - The patient’s relationship to you;
  - The date the service was provided;
  - The name of the health care professional providing the service;
  - The provider’s taxpayer identification number;
  - The type of service provided;
  - The nature of the illness or injury; and
  - The charges for the service or treatment (multiple expenses should be itemized).

Page 44 of 187

If any of this information is missing, write it on the bill yourself and sign your name. Your health care provider should complete the doctor/supplier section of the claim form if he or she has not given you an itemized statement.

If you have other group coverage (or Medicare coverage) that pays benefits before the American Water Plan, you will need to provide Horizon with a copy of the other carrier's Explanation of Benefits (EOB) reflecting the benefits paid under the other coverage for the expenses being submitted for payment to this Plan.

Once you have completed the Medical Plan Benefits Request form and attached the itemized bills, send everything to:

**Horizon Blue Cross Blue Shield of New Jersey**  
**P.O. Box 1219**  
**Newark, NJ 07101-1219**

If you have any questions about the status of your claim, call Horizon Member Services at **(800) 355-BLUE (2583)**.

## ***General Provisions of the PPO Plan***

*Note: The benefits described in this section may vary depending on the terms of your collective bargaining agreement. Please refer to your collective bargaining agreement for details.*

---

## *General Provisions of the PPO Plan*

**This section describes General Exclusions that apply under the Horizon PPO Plan.**

**Coverage is not provided for the following charges:**

- Those for services and supplies not necessary, as determined by Horizon, for the diagnosis, care, or treatment of the illness or injury involved.
- Those for care, treatment, or services that are recommended and approved by your physician but are not medically necessary and appropriate.
- Those for care, treatment, services, or supplies that are not prescribed, recommended, and approved by your attending doctor or dentist.
- Those for, or in connection with, services or supplies that are, as determined by Horizon, considered to be experimental or investigational. A drug, device, procedure, or treatment will be determined to be experimental or investigational if:
  - There are insufficient outcomes data available from controlled clinical trials published in the peer reviewed literature to substantiate its safety and effectiveness for the illness or injury involved; or
  - Required by the FDA, approval has not been granted for marketing; or
  - A recognized national medical or dental society or regulatory agency has determined, in writing, that it is experimental, investigational, or for research purposes; or
  - The written protocol or protocols used by the treating facility or the protocol or protocols of any other facility studying substantially the same drug, device, procedure, or treatment or the written informed consent used by the treating facility studying the same drug, device, procedure, or treatment states that it is experimental, investigational, or for research purposes.

However, this exclusion will not apply with respect to services or supplies (other than drugs) received in connection with an illness, if Horizon determines that:

- The illness can be expected to cause death within one year, in the absence of effective treatment; and
- The care or treatment is effective for that illness or shows promise of being effective for that illness as demonstrated by scientific data. In making this determination Horizon will take into account the results of a review by a panel of independent medical professionals. They will be selected by Horizon. This panel will include professionals who treat the type of illness involved.

Also, if Horizon determines that available scientific evidence demonstrates that the drug is effective or shows promise of being effective for the illness, this exclusion will not apply with respect to drugs that:

- Have been granted approval as an investigational new drug with treatment status; or
  - Have been granted approval as an investigational new drug with cancer treatment status.
- Those for or related to services, treatment, education, testing, or training related to learning disabilities or developmental delays.
  - Those for care furnished mainly to provide a surrounding free from exposure that can worsen the person's illness or injury.
  - Those for, or related to, the following types of treatment:
    - Primal therapy.
    - Rolfing.
    - Psychodrama.
    - Megavitamin therapy.
    - Bioenergetic therapy.
    - Vision perception training.
    - Carbon dioxide therapy.
  - Those for treatment of covered health care providers who specialize in the mental health care field and who receive treatment as a part of their training in that field.
  - Those for services of a resident doctor or intern rendered in that capacity.
  - Those to the extent they are not reasonable charges, as determined by Horizon.
  - Those that are made only because there is health coverage.
  - Those that a covered person is not legally obliged to pay.

- Those, as determined by Horizon to be for custodial care.
- Those for services and supplies:
  - Furnished, paid for, or for which benefits are provided or required by reason of the past or present service of any person in the armed forces of a government.
  - Furnished, paid for, or for which benefits are provided or required under any law of a government. (This does not include a plan established by a government for its own employees or their eligible spouses, same-sex domestic partners, or child(ren) or Medicaid.)
- Those for or related to any eye surgery mainly to correct refractive errors.
- Those for education, special education, or job training, whether or not given in a facility that also provides medical or psychiatric treatment.
- Those for plastic surgery, reconstructive surgery, cosmetic surgery, or other services and supplies that improve, alter, or enhance appearance, whether or not for psychological or emotional reasons, except to the extent needed to:
  - Improve the function of a part of the body that is not a tooth or structure that supports the teeth;
  - Repair a malformation as a result of a severe birth defect (this includes harelip or webbed fingers or toes), or a direct result of surgery performed to treat an illness or injury; or
  - Repair an injury that occurs while the person is covered under this Plan.
- Those that are for therapy or for supplies or for counseling for sexual dysfunctions or inadequacies that do not have a physiological or organic basis.
- Those for or related to sex change surgery or to any treatment of gender identity disorders.
- Those for or related to artificial insemination, in vitro fertilization, or embryo transfer procedures.
- Those for the reversal of a sterilization procedure.
- Those for routine physical exams, routine vision exams, routine hearing exams, routine dental exams, immunizations, or other preventive services and supplies, except as otherwise stated in this document.
- Those for or in connection with marriage, family, child, career, social adjustment, pastoral, or financial counseling.

- Those for acupuncture therapy. Not excluded is acupuncture when it is:
  - Performed by a doctor; and
  - As a form of anesthesia in connection with surgery that is covered under this Plan.
- Those for or in connection with speech therapy. This exclusion does not apply to charges for speech therapy that is expected to restore speech to a person who has lost existing speech function (the ability to express thoughts, speak words, and form sentences) as the result of an illness or injury.

Any exclusion above will not apply to the extent that:

- Coverage is specifically provided by name in this Summary Plan Description; or
- Coverage of the charges is required under any law that applies to the coverage.

These excluded charges will not be used when calculating benefits.

The law of the jurisdiction where a person lives when a claim occurs may prohibit some benefits. If so, they will not be paid.

Any charge for a service or supply furnished by a network provider in excess of such provider's Negotiated Charge for that service or supply will not be a covered expense under the Plan. This rule will not apply to any service or supply for which a benefit is provided under Medicare before the benefits of the group contract are paid.

---

## ***Coordination of Your Benefits With Other Plans, Not Including Medicare***

*If you have other group coverage, the benefits from those plans will be taken into account when you have a claim.*

Today, it is common for individual members of a family to be eligible for benefits under more than one group medical or dental plan. In such situations the benefits of the various plans are “coordinated” to determine how covered expense will be paid by your American Water Plan and the other plans. This may mean a reduction in benefits under this Plan. The combined benefits will not be more than the expenses recognized under these American Water Plans.

“Other plans” means:

- Any group medical or dental plan for which an employer pays all or part of the costs or makes payroll deductions;
- Any plan that you purchase through a group such as AARP; or
- Any government program, coverage required or provided by any law, or vehicle insurance (uninsured/underinsured motorist and casualty/liability).

If the American Water Plan is determined to be the primary plan (the plan that pays its benefits first), it will pay its regular benefits in full without regard to any payment that may be made under any other plan.

If the American Water Plan is determined to be the secondary plan (the plan that pays its benefits after the primary plan pays benefits), it will pay a reduced amount of benefits that will in no event cause the total benefit from all plans to exceed the benefit that would have been paid by the American Water Plan if it had been the primary plan. However, if benefits under the primary plan are reduced because a covered person does not comply with the plan provisions (such as penalties resulting from the failure to comply with cost management provisions of the plan), the amount of the reduction will not be considered for payment under the American Water Plan.

For example, if you have coverage under the PPO Plan and the primary plan pays 70% of eligible charges to an in-network provider, the American Water Plan will pay an additional 10% of covered charges for a total benefit equal to 80% of covered charges, which is the benefit the American Water Plan would have paid as the primary plan.

When other coverage exists in addition to your American Water coverage, the following rules will be used to determine which medical or dental plan is primary and pays first, and which medical or dental plan is secondary and pays second:

- A plan with no rules for coordination with other benefits will pay its benefits before a plan which contains such rules.
- A plan that covers a person as an employee pays before the plan that covers the person as an eligible spouse, same-sex domestic partner or child. However, there may be situations where the person is a Medicare beneficiary and not working and has a working spouse or same-sex domestic partner. In such a situation,
  - The spouse’s or same-sex domestic partner’s plan which covers the person as an eligible spouse or eligible same-sex domestic partner pays first;
  - Medicare pays second; and
  - The plan covering the person as an employee pays third.

- Except in the case of an eligible child whose parents are divorced or separated, the plan which covers the person as an eligible spouse, same-sex domestic partner or child of a person whose birthday comes first in a calendar year will be primary to the plan which covers the person as an eligible spouse, same-sex domestic partner or child of a person whose birthday comes later in that calendar year. If both parents have the same birthday, the benefits of a plan which covered one parent longer are determined before those of a plan which covered the other parent for a shorter period of time.
- If the other plan does not have the rule described in the above provision and, as a result, the plans do not agree on the order of benefits, the rule in the other plan will determine the order of benefits.
- In the case of an eligible child whose parents are divorced or separated:
  - If there is a court decree which states that the parents shall share joint custody of an eligible child, without stating that one of the parents is responsible for the health care expenses of the child, the order of benefit determination rules specified in the above provision will apply.
  - If there is a court decree which makes one parent financially responsible for the medical, dental, or other health care expenses of such child, the benefits of a plan which covers the child as an eligible child of such parent will be determined before the benefits of any other plan which covers the child as an eligible child.
  - If there is not such a court decree:

If the parent with custody of the child has not remarried, the benefits of a plan which covers the child as an eligible child of the parent with custody of the child will be determined before the benefits of a plan which covers the child as an eligible child of the parent without custody.

If the parent with custody of the child has remarried, the benefits of a plan which covers the child as an eligible child of the parent with custody shall be determined before the benefits of a plan which covers that child as an eligible child of the stepparent. The benefits of a plan which covers that child as an eligible child of the stepparent will be determined before the benefits of a plan which covers that child as an eligible child of the parent without custody.

- If the above rules do not establish an order of payment, the plan under which the person has been covered for the longest will be deemed to pay its benefits first, except that the benefits of a plan which covers the person as:
  - A laid-off or retired employee; or
  - The eligible spouse, same-sex domestic partner or child of such person, shall be determined **after** the benefits of any other plan which covers such person as:
    - An employee who is not laid-off or retired; or
    - An eligible spouse, same-sex domestic partner or child of such person.
- If the other plan does not have a provision regarding laid-off or retired employees and, as a result, each plan determines its benefits after the other, then the previous paragraph will not apply.
- The benefits of a plan which covers the person under a right of continuation pursuant to federal or state law shall be determined after the benefits of any other plan which covers the person other than under such right of continuation.
- If the other plan does not have a provision regarding right of continuation pursuant to federal or state law, and as a result, each plan determines its benefits after the other, then the above paragraph will not apply.

Horizon has the right to release or obtain any information and to make or recover any payment it considers necessary in order to administer this provision.

When this provision operates to reduce the total amount of benefits otherwise payable to you under this Plan during a calendar year, each benefit that would be payable in the absence of this provision will be reduced proportionately. Such reduced amount will be charged against any applicable benefit limit of your American Water Plan.

---

### ***Automobile Personal Injury Protection (PIP)***

If you are injured in an automobile accident and become eligible for benefits under the personal injury protection (PIP) provision of an automobile insurance policy, benefits under the American Water Medical Plan are payable after the automobile insurance policy benefits have been paid, even if you have designated the American Water Medical Plan as primary to your automobile insurance coverage in exchange for reduced automobile insurance premiums.

---

## ***Third Party Liability and Subrogation***

### **General Principle**

When you or your eligible spouse, same-sex domestic partner, or child(ren) receive benefits under the Plan which are related to medical expenses that are also payable under Workers' Compensation, any statute, any uninsured or underinsured motorist program, any no fault or school insurance program, any other insurance policy or any other plan of benefits, or when related medical expenses that arise through an act or omission of another person are paid by a third party, whether through legal action, settlement or for any other reason, you or your eligible spouse, same-sex domestic partner, or child(ren) shall reimburse the Plan for the related benefits received out of any funds or monies you or your eligible spouse, same-sex domestic partner, or child(ren) recovers from any third party.

### **Specific Requirements and Plan Rights**

Because the Plan is entitled to reimbursement, the Plan shall be fully subrogated to any and all rights, recovery, or causes of actions or claims that you or your eligible spouse, same-sex domestic partner, or child(ren) may have against any third party. The Plan is granted a specific and first right of reimbursement from any payment, amount, or recovery from a third party. This right to reimbursement is regardless of the manner in which the recovery is structured or worded, and even if you or your eligible spouse, same-sex domestic partner, or child(ren) has not been paid or fully reimbursed for all of their damages or expenses.

The Plan's share of the recovery shall not be reduced because the full damages or expenses claimed have not been reimbursed, unless the Plan agrees in writing to such reduction. Further, the Plan's right to subrogation or reimbursement will not be affected or reduced by the "make whole" doctrine, the "fund" doctrine, the "common fund" doctrine, comparative/contributory negligence, "collateral source" rule, "attorney's fund" doctrine, regulatory diligence, or any other equitable defenses that may affect the Plan's right to subrogation or reimbursement.

The Plan may enforce its subrogation or reimbursement rights by requiring you or your eligible spouse, same-sex domestic partner, or child(ren) to assert a claim to any of the benefits to which you or your eligible spouse, same-sex domestic partner, or child(ren) may be entitled. The Plan will not pay attorneys' fees or costs associated with the claim or lawsuit without express written authorization from the Company.

If the Plan should become aware that you or your eligible spouse, same-sex domestic partner, or child(ren) has received a third party payment, amount, or recovery and not reported such amount, the Plan, in its sole discretion, may suspend all further benefits payments related to you or your eligible spouse, same-sex domestic partner, or child(ren) until the reimbursable portion is returned to the Plan or offset against amounts that would otherwise be paid to or on behalf of you or your eligible spouse, same-sex domestic partner or child(ren).

### **Participant Duties and Actions**

By participating in the Plan you and your eligible spouse or same-sex domestic partner and child(ren) consent and agree that a constructive trust, lien, or equitable lien by agreement in favor of the Plan exists with regard to any settlement or recovery from a third person or party. In accordance with that constructive trust, lien, or equitable lien by agreement, you and your eligible spouse or same-sex domestic partner and child(ren) agree to cooperate with the Plan in reimbursing it for Plan costs and expenses.

Once you or your eligible spouse, same-sex domestic partner or child(ren) has any reason to believe that you or they may be entitled to recovery from any third party, you or your eligible spouse, same-sex domestic partner, or child(ren) must notify the Plan. And, at that time, you and your eligible spouse or same-sex domestic partner and child(ren) (and your or their attorney, if applicable) must sign a subrogation/reimbursement agreement that confirms the prior acceptance of the Plan's subrogation rights and the Plan's right to be reimbursed for expenses arising from circumstances that entitle you or your eligible spouse, same-sex domestic partner, or child(ren) to any payment, amount, or recovery from a third party.

If you or your eligible spouse, same-sex domestic partner, or child(ren) fails or refuses to execute the required subrogation/reimbursement agreement, the Plan may deny payment of any benefits to you and your eligible spouse, same-sex domestic partner, or child(ren) until the agreement is signed. Alternatively, if you or your eligible spouse, same-sex domestic partner, or child(ren) fails or refuses to execute the required subrogation/reimbursement agreement and the Plan nevertheless pays benefits to or on behalf of you or your eligible spouse, same-sex domestic partner, or child(ren), your or your eligible spouse's, same-sex domestic partner's, or child(ren)'s acceptance of such benefits shall constitute agreement to the Plan's right to subrogation or reimbursement.

You and your eligible spouse or same-sex domestic partner and child(ren) consent and agree that you or they shall not assign your or their rights to settlement or recovery against a third person or party to any other party, including their attorneys, without the Plan's consent.

As such, the Plan's reimbursement will not be reduced by attorneys' fees and expenses without express written authorization from the Company.

---

### ***Recoupment***

The Plan has the right to recover any mistaken payment, any overpayment, any payment that is made to any individual who was not eligible for that payment, or any payment that was required to have been made to the Plan under the "Third Party Liability and Subrogation" section above. The Plan, or its designee, may withhold or offset future benefit payments, sue to recover such amounts, or use any other lawful remedy to recoup any such amounts.

---

### ***No Assignment of Benefits***

You cannot assign, pledge, encumber, or otherwise alienate any legal or beneficial interest in benefits under the Plan, and any attempt to do so will be void. The payment of benefits directly to a health care provider, if any, shall be done as a convenience to the covered person and shall not constitute an assignment of benefits under the Plan.

---

### ***When an Active Employee Is Eligible for Medicare***

If an active employee or covered eligible spouse, same-sex domestic partner, or child is eligible for Medicare, the American Water Medical Plan will be primary and Medicare will be secondary.

A person is "eligible for Medicare" if he or she:

- Is covered under it; or
- Is not covered under it because of:
  - Having refused it;
  - Having dropped it; or
  - Having failed to make proper request for it.

Any rule for coordinating "other plan" benefits with those under this Plan will be applied.

---

## *When Coverage Is Terminated*

Coverage under the Plan terminates when the first of these events happens:

- The day your employment ends.
- When the group contract terminates as to the coverage.
- When you are no longer in an Eligible Class. (This may apply to all or part of your coverage.)
- When you fail to make any required contribution.

Under certain circumstances, American Water may continue your coverage when you are not actively at work. If you are not at work due to illness or injury, American Water medical coverage will be continued for the length of your approved leave of absence, not to exceed 24 months from the date you are disabled as long as appropriate contributions are made.

An eligible spouse, same-sex domestic partner, or child's coverage will terminate at the first to occur of:

- The termination of all eligible spouse's, same-sex domestic partner's, or child(ren)'s coverage under the group contract.
- When an eligible spouse, same-sex domestic partner, or child becomes covered as an employee.
- When such person is no longer an eligible spouse, same-sex domestic partner, or child.
- When your coverage terminates.

You may be entitled to continue your medical coverage (see "Continuation of Health Coverage" on page 163).

---

## *Certificate of Creditable Coverage*

When you or your covered eligible spouse, same-sex domestic partner, or child terminates coverage under the Plan, a Notice of Creditable Coverage will be issued to you specifying your coverage dates under the health plan and any probationary periods you were required to satisfy. The certificate will contain all the necessary information another health plan will need to determine if you have prior continuous coverage that should be credited toward any pre-existing condition limitation period. Health plans may require that you submit a copy of this form when you apply for coverage.

The Notice of Creditable Coverage will be issued to you when you terminate coverage with the group and, if applicable, at the expiration of any continuation period. The Plan will also issue the certification of coverage form if you request an additional copy at any time within the 24 months after your coverage terminates.

---

## ***Qualified Medical Child Support Orders (QMCSOs)***

*A “Qualified Medical Child Support Order” (QMCSO) is an order by a court directing an employer to extend health plan participation to an employee’s child who might not otherwise be covered under the Plan.*

QMCSOs are usually issued for children who reside with a former spouse. A QMCSO designates the affected child as an “alternate recipient.”

American Water must treat an alternate recipient as an eligible child and must deduct any applicable contributions from the employee’s pay. A QMCSO may also require the Claim Administrator to issue claim payments directly to the health care provider, the alternate recipient, or his or her legal representative. A custodial parent or guardian may be designated to receive claim payments on the child’s behalf. American Water is required to furnish an alternate recipient or his or her legal representative a copy of the Summary Plan Description. In addition, the alternate recipient or his or her legal representative may receive, without charge, a copy of the Plan’s QMCSO procedures.

*If American Water receives a QMCSO affecting one of your children, you and your child will be notified. Once American Water has determined that the medical child support order is qualified, you and your child will be advised. American Water will enroll the child and instruct Horizon to make all claim payments to either the health care provider, the alternate recipient, or his or her legal representative.*

To be “qualified,” a medical child support order must:

- Be issued by a court of competent jurisdiction;
- Include the name and last mailing address of both the employee and the affected child;
- Identify the health benefit plan subject to the order, and also the applicable time period;
- Provide a reasonable description of the type of benefits that must be provided for the child; and
- Not impose any benefits requirements that do not apply to other plan participants.

If a child meets the definition of an eligible child and you are required to provide health care benefits for that child as the result of a QMCSO, his or her initial participation in an American Water Medical Plan will not be affected by any provision that:

- Requires evidence of good health as a condition of participation;
- Delays participation due to a confinement; or

- Limits participation due to a pre-existing condition.

Coverage for the child will become effective on the date of such court order.

If you are the non-custodial parent, proof of claim for such child may be given by the custodial parent. Benefits for such claim will be paid to the custodial parent.

---

### ***Individual Policy If Your Employment or COBRA Continuation Ends***

*If your medical coverage ceases under the PPO Plan, you may be able to enroll in an individual medical policy.*

If your medical coverage ends under the PPO Plan, you may be able to enroll in an individual medical policy underwritten by Horizon. No evidence of insurability is required.

If you are interested in enrolling in an individual medical policy log on to [www. bcbs](http://www.bcbs) or call Horizon.

# *Condition Management Program*

---

## *Condition Management Program*

The Condition Management Program helps you and your family members who are covered under the Medical Plan manage your health care if you have one of the conditions listed below:

- Asthma;
- Coronary artery disease;
- Chronic obstructive pulmonary disease (COPD);
- Diabetes; or
- Heart failure.

The Condition Management Program is part of American Water's Healthy Solutions Wellness Program, and provides tools to help you better manage your condition and improve your quality of life in collaboration with your health care provider's recommended treatment. If you participate in the program, you will have support in understanding:

- Your medications;
- How to communicate effectively with your health care professionals; and
- How lifestyle changes can affect your condition, plus much more.

If you have an illness covered by the Condition Management Program, Alere, American Water's wellness partner, will contact you about the program and how participation can help you better manage your health. Visits to hospitals or doctors' offices, lab tests and prescriptions filled may initiate a call. Condition management is strictly confidential. Participation is voluntary. Learn more about the Condition Management Program through our wellness website at [www.AWHealthySolutions.com](http://www.AWHealthySolutions.com) or by calling Alere at (866) 674-9108.

## *The Prescription Drug Program*

*Note: The benefits described in this section may vary depending on the terms of your collective bargaining agreement. Please refer to your collective bargaining agreement for details.*

---

## *Prescription Drug Program*

Horizon’s Prescription Drug Program is administered by CVS Caremark. You are automatically covered by the Prescription Drug Program if you enroll in the American Water Medical Plan.

*Note: Prescription drug benefits for Hawaii employees are covered under the HMSA plan. Prescription drug benefits for Eligible Employees of Union Local 68 are described in the Appendix-Local 68 .*

The program offers you two ways to receive medications – at a retail pharmacy or by mail order.

- For your short-term and immediate prescription drug needs, you may use local participating pharmacies that have agreed to charge discounted prices.
- For medications you use on an extended or maintenance basis, you may purchase up to a 90-day supply through CVS Caremark, the administrator of the mail order program. They will be delivered by mail directly to your home.

Coverage under the Prescription Drug Program ends when your American Water Medical Plan terminates.

---

## *What You Pay for Prescription Drugs*

	<b>Retail Pharmacy (up to 34-day supply)</b>	<b>Mail Order (up to 90-day supply)</b>
<b>Generic</b>	You pay 0%	You pay 0%
<b>Preferred Brand</b>	You pay 20%	You pay 20%
<b>Non-Preferred Brand</b>	You pay 20%	You pay 20%

This chart is only a highlight of the prescription drug features, and certain limits may apply to some features. Official Plan documents govern in the event of any inconsistency between the provisions shown here and in the Plan documents.

*Note:* Coinsurance may not be applied to Medical Plan deductibles. In addition, certain controlled substances and other prescription medications may be subject to dispensing limitations and to the professional judgment of the pharmacist. Also, in-network prescription drug charges will contribute to the in-network out-of-pocket maximum.

---

## *Preferred Drug List*

Your prescription drug coverage levels are based on the program's Preferred Drug List – also called a “formulary.” When your prescription medication is on the Preferred Drug List, you may pay a lower cost than when the drug is not on the Preferred Drug List. If you receive a prescription for a drug that is not on the list, you should ask your doctor if there is another drug on the Preferred Drug List for your specific condition.

As part of our commitment to provide the best Prescription Drug Program possible, we continue to seek ways to help control the rising costs of health care without compromising quality. As a result, the Horizon's Prescription Drug Guide is continually reviewed to help ensure that the list of preferred medications remains responsive to the needs of the member and the prescriber.

In general, medications are moved to non-preferred status for one or more of the following reasons:

- A generic equivalent product becomes available;
- New safety or clinical effectiveness information supports the move to non-preferred status; or
- Drug use information shows that preferred alternatives with better patient compliance rates are available.

To find out if your prescription is on the Preferred Drug List, call CVS Caremark Member Services at (866) 881-5603 or log on to [www.horizonblue.com/nationalaccounts](http://www.horizonblue.com/nationalaccounts).

---

## *Save With Generics*

When using your Prescription Drug Program, you will not be required to pay any coinsurance if you receive a prescription for a generic drug. The Food and Drug Administration (FDA) regulates generic drugs and requires that they contain the same active ingredients, strength, and dosage as the original brand-name drug. Although generic and brand-name drugs may work the same way in the body and may have the same risks and benefits, generic drugs cost significantly less than their brand-name counterparts.

When you receive a prescription from your doctor, discuss with him or her whether a generic substitution would be suitable for you.

---

## *Covered Drugs*

The Prescription Drug Program covers drugs that require a doctor's written prescription and are medically necessary for the treatment of illness or injury. Covered drugs include, but are not limited to:

- Federal legend drugs;
- State restricted drugs;
- Compounded medications;
- Injectable drugs, including insulin, needles, and syringes; and
- Oral contraceptives.

---

## *Specialty Drugs*

Specialty Drugs (also called Specialty Pharmaceuticals) are a class of medications typically produced through biotechnology (sometimes known as biologicals), administered by injection, and/or requiring special patient monitoring and handling.

Horizon members who are required to take a specialty pharmaceutical must obtain their medication from a specialty pharmacy contracted by Horizon. These pharmacies will provide members with a high level of prescription delivery service along with the following:

- Drug/disease-specific education and support;
- Convenient home or doctor office delivery;
- Claims assistance;
- Easy ordering with a dedicated toll-free number; and
- Helpful follow-up care calls to remind members when it is time to refill a prescription, check on therapy progress, and answer questions.

If you have any questions, experience any difficulty in filling your specialty pharmaceutical prescription, or would like to obtain a listing of specialty pharmacies or pharmaceuticals, please call CVS Caremark Member Services at (866) 881-5603. In most cases your doctor will advise you if your medication is a Specialty Drug.

---

## ***How to Use the Prescription Drug Program***

If you use a participating pharmacy, you will receive discounted prices and will not need to complete a claim form. Otherwise, you will pay more and must complete a claim form to receive reimbursement. You can locate participating pharmacies by calling Horizon Member Services at (800) 355- BLUE (2583) or by logging on to [http://www.horizon-bcbsnj.com/national\\_accounts.html](http://www.horizon-bcbsnj.com/national_accounts.html).

### **Using a Participating Pharmacy**

When you need medication immediately, simply present your ID card at a participating pharmacy and pay a percent of the discounted prescription cost for a 34-day supply of medication. You will pay 20% for brand names and 0% for generic drugs. There is no deductible to meet. You will have no claim forms to complete and no waiting for reimbursement.

### **Using an Out-of-Network Pharmacy**

When you have a prescription filled at *non-participating* pharmacy, you must pay the regular charge. To receive reimbursement, submit a claim form to Horizon at the address printed on the back of the Prescription Benefits claim form.

The Prescription Drug Program will pay 80% of the retail (non-discounted) cost of your prescription as if you went to a participating pharmacy. If your claim is approved, your reimbursement check should arrive about two weeks after you mail the claim form.

Remember, these charges are included in your out-of-pocket maximum.

---

## ***How the Mail Order Program Works***

The mail order program is designed to save you money on medications that you use on a long-term or maintenance basis. The program allows you to receive up to a 90-day supply of medication as follows: 0% coinsurance for generic, 20% coinsurance for preferred and non-preferred brand.

### **Mail Order Program**

The mail order program gives you the convenience of ordering medication for direct delivery by mail to your home, office, or other location. Your doctor may call in your new prescription to CVS Caremark, or you can simply fill out the mail service order form and send it in with your prescription(s).

## Ordering for the First Time

For your first mail order prescription, complete the Participant Profile/Order Form in your Welcome Package. You can also print an order form from [www.caremark.com](http://www.caremark.com). Log in with your login ID and password, click on the “Prescriptions and Coverage” tab, and select “Print Forms” from the menu on the left.

Attach your 90-day supply prescription and mail it along with the appropriate copayment to:

CVS Caremark  
P.O. Box 659541  
San Antonio, TX 78265-9085

Your prescription should arrive within 10 to 14 days from the date CVS Caremark receives your order.

## Ordering Refills

You can order refills online, by mail, or over the phone.

To place a refill order online:

- Go to [www.caremark.com](http://www.caremark.com) and log in with your login ID and password. Click on the “Prescriptions and Coverage” tab, select “Refill Prescriptions,” and choose the prescription(s) that you want to refill. Because the system retains your information, you do not need to complete an order form for each refill.

To place a refill order by mail:

- Use the computerized pre-printed CVS Caremark Mail Order Form and pre-addressed envelope that comes with each CVS Caremark prescription mailed to you. If your address, doctor, or health condition information changes, please note them on the form and be sure to make the same changes to your account on [www.caremark.com](http://www.caremark.com).

To place a refill order over the phone:

- Call CVS Caremark toll-free at (800) 213-0879 using a touch-tone phone. This service is available 24 hours a day, seven days a week. Enter the patient’s Prescription Drug Program identification number and year of birth. For payment of your share, enter your credit card number and expiration date.

## *Drugs and Supplies Not Covered*

The following drugs and supplies are not covered under the Prescription Drug Benefit Program.

- Bandages.
- Braces.
- Cosmetics.
- Dietary supplements.
- Drugs intended for use in a doctor's office or other setting that is not the participant's home.
- Certain experimental or investigational drugs.
- Fertility drugs.
- Health and beauty aids.
- Heat lamps.
- Non-legend drugs.
- Norplant.
- Injectable drugs (other than insulin).
- Prescriptions that a participant is entitled to receive without charge under any Workers' Compensation or municipal, state, or federal program.
- Retin-A.
- Splints and artificial appliances.
- Appetite suppressants that are not medically necessary.
- Any prescription medication that is also available over the counter.
- Devices and equipment.

In addition, certain controlled substances and other prescription medications may be subject to dispensing limitations and to the professional judgment of the pharmacist.

---

## *Termination of Coverage*

Your prescription drug coverage ends when your Medical Plan terminates.

---

## ***Prescription Drug Program Administrator***

CVS Caremark Rx, Inc. ([www.caremark.com](http://www.caremark.com)) administers the program, with a national retail pharmacy network of over 62,000 participating pharmacies. Their online tools and other communications provide you with convenient service, personal care and attention, and up-to-date information.

---

## ***No Assignment of Benefits***

You cannot assign, pledge, encumber or otherwise alienate any legal or beneficial interest in benefits under the Plan, and any attempt to do so will be void. The payment of benefits directly to a health care provider, if any, shall be done as a convenience to the covered person and shall not constitute an assignment of benefits under the Prescription Drug Program.

## *The Dental/Vision Plans*

*Note: The benefits described in this section may vary depending on the terms of your collective bargaining agreement. Please refer to your collective bargaining agreement for details.*

*Note: Dental and vision benefits are bundled into the “Dental/Vision Plan.”*

---

## ***Dental Benefits***

*To help you take good care of your teeth, the American Water Dental/Vision Plan covers preventive, restorative, major, and orthodontic dental services.*

---

### **Enrolling for benefits and making changes to benefit elections are time-sensitive.**

*Effective August 1, 2012 American Water employees must enroll online through Employee Self Service. Those without access to Employee Self Service should return the completed enrollment forms to the Benefits Service Center within 31 days of the date of hire or life event. In addition, all required documentation must be provided within 30 days following approval of your request.*

---

Your dental health is an important aspect of your overall health and well-being. This valuable benefit is self-insured by American Water, and Aetna provides certain administrative services under this Plan. The provisions of the Plan will remain effective only while you are covered under the Plan.

There is one Dental Plan option. The dental benefits for Eligible Employees of Union Local 68 are described in the attached Appendix-Local 68, incorporated into this Plan by reference. Otherwise, the dental benefits are described below. If there is any conflict between the terms of this Plan and the provisions of the Appendix-Local 68, the terms in the Appendix-Local 68 shall control.

The Plan pays benefits for charges for dental services and supplies incurred for treatment of dental disease or injury. These benefits apply separately to each covered person.

The dental plan offers both in-network and out-of-network benefits, however, in-network dentists have negotiated their fees with Aetna. They generally charge less than out-of-network dentists, so your benefits are based on a lower cost. This means you pay less and the Plan pays less for your dental care. To find a dentist or see if your dentist participates in Aetna’s provider network, visit [www.aetna.com](http://www.aetna.com) or contact Member Services at (877) 238-6200.

If you choose an out-of-network dentist, your benefits will be based on reasonable and customary charges – which is higher than the negotiated fee. As a result, your share of the cost may be higher.

## *Dental Plan Summary Chart*

The following chart provides a summary of your dental benefit levels and coverages:

	<b>Dental</b>
<b>Deductible (single / family)</b>	\$50 / \$100
<b>Preventive Care</b>	Plan pays 100% of covered expenses with no deductible
<b>Basic Services</b>	Plan pays 80% of covered expenses after deductible
<b>Major Services</b>	Plan pays 50% of covered expenses after deductible
<b>Calendar Year Maximum</b>	\$1,500
<b>Orthodontia</b>	Plan pays 50% of covered expenses after deductible up to a \$1,500 lifetime maximum (covers only eligible children)

---

## ***Covered Dental Expenses***

*Expenses that exceed the necessary and appropriate level, as determined by Aetna, will not be covered by the Plan.*

*Note:* You are responsible for any amounts billed by providers that are in excess of the amount paid by the Plan.

The Dental Plan pays the following benefits for Covered Dental Expenses up to the appropriate copayment/coinsurance:

- 100% of Preventive (Type A) expenses with no deductible.
- 80% of Basic Restorative Services (Type B) expenses after the deductible.
- 50% of Major Restorative Services (Type C) expenses after the deductible.
- 50% of Orthodontia (Type D) expenses after the deductible, up to a lifetime maximum of \$1,500.

The Dental Plan pays the dentist's charges for the services and supplies listed below which, for the condition being treated, are in Aetna's sole determination:

- Necessary;
- Customarily used nationwide; and
- Deemed by the profession to be appropriate. They must meet broadly accepted national standards of dental practice.

### **Type A Expenses – Preventive Services**

- Oral exams once every six months. This includes prophylaxis, scaling, and cleaning of teeth.
- X-rays for diagnosis.
- Other X-rays (up to one full mouth series in a 36-month period and one set of bitewings in a six-month period).

### **Type B Expenses – Basic Restorative Services**

- Topical application of sodium or stannous fluoride for persons under 15 years of age.
- Space maintainers up to age 19.
- Non-surgical extractions.
- Fillings.
- General anesthetics given in connection with covered dental services.
- Non-surgical treatment of diseased periodontal structures.

- Non-surgical endodontic treatment. This includes root canal therapy.
- Injection of antibiotic drugs.
- Repair or recementing of crowns, inlays, bridgework, or dentures.
- Relining of dentures.

### **Type C Expenses – Major Restorative Services**

- First installation of removable dentures to replace one or more natural teeth extracted while the person is covered. This includes adjustments for the six-month period following the date they were installed.
- Replacement of an existing removable denture or fixed bridgework by a new denture, or the adding of teeth to a partial removable denture. *Note:* The “Prosthesis Replacement Rule” on page 75 must be met.
- Inlays, gold fillings, or crowns. This includes precision attachments for dentures.
- First installation of fixed bridgework to replace one or more natural teeth extracted while the person is covered. This includes inlays and crowns as abutments.
- Replacement of an existing removable denture or fixed bridgework by new fixed bridgework, or the adding of teeth to existing fixed bridgework. *Note:* The “Prosthesis Replacement Rule” on page 75 must be met.

### **Type D Expenses – Orthodontic Treatment**

A dentist’s charges for services and supplies for orthodontic treatment are included as Covered Dental Expenses, in addition to all other terms of this dental benefit:

- The Plan pays 50% of Covered Dental Expenses after the deductible, up to a \$1,500 lifetime maximum, for eligible children.
- Benefits will not exceed the Orthodontic Maximum for all expenses incurred by a family member in his or her lifetime, even if there is a break in coverage.

*Note:* All claims for dental benefits must be submitted within 24 months from the start of treatment.

---

## *Advance Claim Review*

*You should request an Advance Claim Review of any dental treatment that will cost \$150 or more. The review will tell you and your dentist what the Plan will cover and how much you must pay out of your own pocket.*

Before starting a course of treatment for which the dentist's charges are expected to be \$150 or more, details of the proposed course of treatment and charges to be made should be filed with Aetna. Please contact Aetna Member Services at (877) 238-6200 for additional details and to obtain forms. Aetna will then estimate the benefits and notify you and your dentist before treatment starts. Advance review is not required as a condition of receiving benefits, but it will let you know what to expect as far as Plan benefits if you obtain more expensive treatment.

Some services may be given before an Advance Claim Review is made (emergency treatments and oral exams, including prophylaxis and X-rays).

A course of treatment is a planned program of one or more services or supplies to treat a dental condition. The condition must be diagnosed by the attending dentist as a result of an oral exam. The treatment may be given by one or more dentists. The course of treatment starts on the date a dentist first gives a service to correct or treat such dental condition.

**Note:** As a part of the Advance Claim Review and as part of proof of any claim, Aetna has the right to require an oral exam of the person at its own expense. You must give Aetna all diagnostic and evaluative material which it may require. These include: X-rays, models, charts, and written reports.

The benefits for a course of treatment may be less than you expect if an Advance Claim Review is not made or if any required verifying material is not furnished. Benefits will be reduced by the amount of expenses that Aetna cannot verify.

---

## *Alternate Treatment*

If alternate services or supplies may be used to treat a dental condition, Covered Dental Expenses will be limited to those services and supplies which, as determined by Aetna:

- Are customarily used nationwide for treatment; and
- Are deemed by the profession to be appropriate for treatment. They must meet broadly accepted national standards of dental practice. The person's total current oral condition will be taken into account.

The “Limitations” section has some examples of how this works. Please refer to page 76 for more information.

---

## *Prosthesis Replacement Rule*

Certain replacements or additions to existing dentures or bridgework will be covered under this Plan. Aetna must receive satisfactory proof that:

- The replacement or addition of teeth is required to replace teeth extracted after the present denture or bridgework was installed. The person must have been covered when the tooth was extracted.
- The present denture or bridgework cannot be made serviceable, and it must be at least five years old.
- The present denture is an immediate temporary one to replace one or more natural teeth extracted while the person is covered and cannot be made permanent. Replacement by a permanent denture is needed and takes place within 12 months from the date the immediate temporary denture was first installed.

---

## *Explanation of Some Important Plan Provisions*

### **Calendar Year Deductible**

The calendar year deductible is the amount of Covered Dental Expenses you must pay each calendar year before the Plan pays benefits.

### **Family Deductible Limit**

The family deductible limit is the amount of Covered Dental Expenses your family must pay before the Plan pays benefits. When these expenses exceed the family deductible limit, the Plan pays benefits at the percentage listed on the “Dental Plan Summary Chart” on page 71. The family deductible limit must be met by more than one person.

### **Coinsurance**

Coinsurance is the amount you must pay out of your own pocket for Covered Dental Expenses after you meet the calendar year deductible.

### **Calendar Year Maximum Benefit**

The calendar year maximum benefit is the most the Plan will pay for all dental expenses incurred by a covered person in a calendar year. It applies even if there is a break in coverage.

### **Coordination of Benefits**

In many families, both husbands and wives work and may be eligible for benefits under more than one group medical or dental plan. In such situations, the various plans “coordinate” benefits to determine how covered expenses will be paid by the American Water Plan and the other plans. This may mean a reduction in benefits under this Plan. The combined benefits will not be more than the expenses recognized under the American Water Plan.

If the American Water Plan is determined to be the primary plan (the plan that pays its benefits first), it will pay its regular benefits in full without regard to any payment that may be made under any other plan.

If the American Water Plan is determined to be the secondary plan (the plan that pays its benefits after the primary plan pays benefits), it will pay a reduced amount of benefits that will in no event cause the total benefit from all plans to exceed the benefit that would have been paid by the American Water Plan if it had been the primary plan. However, if benefits under the primary plan are reduced because a covered person does not comply with the plan provisions (such as penalties resulting from the failure to comply with cost management provisions of the plan), the amount of the reduction will not be considered for payment under the American Water Dental Plan.

For example, if you have coverage under the American Water Plan and receive Basic Restorative services, and the primary plan pays 70% of eligible charges to an in-network provider, the American Water Plan will pay an additional 10% of covered charges for a total benefit equal to 80% of covered charges, which is the benefit the American Water Plan would have paid as the primary plan.

### **Limitations**

When the Alternate Treatment part of this Plan applies, benefits will be limited. Here are some examples:

#### **Restorative and Reconstructive Services**

##### **■ Gold, Baked Porcelain, Crowns, and Jackets**

Covered Dental Expenses will be limited to the charges for the procedure using amalgam or like material, if it would restore a tooth. This limit applies even if you and the dentist choose some other type of restoration.

*Covered services and supplies must meet broadly accepted standards of dental practice. When your dentist uses an alternate method of treatment, the benefits paid by American Water Plan will be limited.*

■ **Reconstruction**

Covered Dental Expenses will be limited to the charges for the procedure needed to eliminate oral disease and replace missing teeth. Appliances or restorations needed to increase vertical dimension or restore the occlusion are deemed to be optional and are not covered.

**Prosthodontic Services**

■ **Partial Dentures**

Covered Dental Expenses will be limited to the charges for a cast chrome or acrylic denture if this would satisfactorily restore an arch. This limit applies even if you and the dentist choose a more elaborate or precision appliance.

■ **Complete Dentures**

Covered Dental Expenses will be limited to the charges for a standard procedure. This limit applies even if you and the dentist choose personalized or specialized treatment.

**Replacement of existing dentures** will be covered only if the existing denture cannot be used or repaired. If it can be used or repaired, Covered Dental Expenses will be limited to the charges for the services needed to make the denture usable.

***When Coverage Is Terminated***

Coverage under any section of this Plan will be in exchange for all privileges and benefits provided under any like prior coverage. Any benefits provided under such prior coverage may reduce benefits payable under this Plan.

Coverage under this Plan terminates when the first of these events happens:

- The day your employment ends.
- When the group contract terminates as to the coverage.
- When you are no longer in an Eligible Class. (This may apply to all or part of your coverage.)
- When you fail to make any required contribution.

Under certain circumstances, American Water may continue your coverage when you are not actively at work. If you are not at work due to illness or injury, American Water dental coverage will be continued for the length of your approved leave of absence, not to exceed 24 months from the date you are disabled as long as appropriate contributions are made.

An eligible spouse, same-sex domestic partner, or child's coverage will terminate at the first to occur of:

- The termination of all eligible spouse's, same-sex domestic partner's, or child(ren)'s coverage under the group contract.
- When an eligible spouse, same-sex domestic partner, or child becomes covered as an employee.
- When such person is no longer an eligible spouse, same-sex domestic partner, or child.
- When your coverage terminates.

You may be entitled to continue your dental coverage (see "Continuation of Health Coverage" on page 163).

---

## ***Benefits After Termination of Coverage***

*If your dental coverage ends while you are not totally disabled, charges for dentures, fixed bridgework, and crowns may be covered for a period of 60 days following the date coverage terminated if they were ordered before that date.*

Expenses incurred for the following after the person's dental coverage ends will be deemed to be incurred when ordered:

- Dentures;
- Fixed bridgework; and
- Crowns.

This applies only if the item is finally installed or delivered no more than 60 days after coverage ends.

"Ordered" means:

- Impressions have been taken from which the dentures, crowns, or fixed bridgework will be made; and
- For fixed bridgework and crowns, the teeth must have been fully prepared if they will serve as retainers or support or if they are being restored.

---

## *General Exclusions*

Coverage is not provided for the following expenses:

- Services and supplies not necessary, as determined by Aetna, for the diagnosis, care, or treatment of disease or injury. This applies even if they are prescribed, recommended, or approved by the person's attending dentist.
- Care, treatment, services, or supplies that are not prescribed, recommended, and approved by the person's attending dentist.
- Treatment by someone other than a licensed dentist. (The Plan will cover some treatments by a licensed dental hygienist if supervised by a dentist, including scaling of teeth, cleaning of teeth, and topical application of fluoride.)
- Services or supplies determined by Aetna to be experimental or investigational. A drug, device, procedure, or treatment will be determined to be experimental or investigational if:
  - There are insufficient outcomes data available from controlled clinical trials published in the peer reviewed literature to substantiate its safety and effectiveness for the disease or injury involved;
  - As required by the FDA, approval has not been granted for marketing;
  - A recognized national medical or dental society or regulatory agency has determined, in writing, that it is experimental, investigational, or for research purposes; or
  - The written protocol or protocols used by the treating facility or the protocol or protocols of any other facility studying substantially the same drug, device, procedure, or treatment or the written informed consent used by the treating facility or by another facility studying the same drug, device, procedure, or treatment states that it is experimental, investigational, or for research purposes.
- Services of a resident doctor, dentist, or intern rendered in that capacity.
- Charges which Aetna determines not to be reasonable.
- Charges for services and supplies which are covered in whole or in part under any other part of this Plan, or under any other group benefits plan provided by American Water.
- Charges that are made only because there is health coverage.
- Charges that a covered person is not legally obliged to pay.

- Charges for services and supplies:
  - Furnished, paid for, or for which benefits are provided or required by reason of the past or present service of any person in the armed forces of a government; or
  - Furnished, paid for, or for which benefits are provided or required under any law of a government. (This does not include a plan established by a government for its own employees or their eligible spouse, same-sex domestic partner, or child(ren) or Medicaid.) An example is benefits provided, to the extent required by law, under “no-fault” auto insurance.
- Charges for plastic surgery, reconstructive surgery, cosmetic surgery, or other services and supplies which improve, alter, or enhance appearance, whether or not for psychological or emotional reasons, including but not limited to charges for personalization or characterization of dentures, except to the extent needed to repair an injury which occurs while the person is covered under this Plan.
- Charges for routine dental exams or other preventive services and supplies.
- Charges for acupuncture therapy, unless performed by a doctor as a form of anesthesia in connection with surgery covered under the Plan.
- Charges for sealants.
- Charges for the replacement of a prosthetic device that is lost, missing, or stolen.
- Charges for services or supplies for orthodontic treatment, except as specifically provided.
- Charges for services or supplies to increase vertical dimension, such as dentures, crowns, inlays and onlays, bridgework, or any other appliance or service.

Any exclusion above will not apply to the extent that:

- Coverage is specifically provided by name in this Summary Plan Description; or
- Coverage of the charges is required under any law that applies to the coverage.

These excluded charges will not be used when calculating benefits.

The law of the jurisdiction where a person lives when a claim occurs may prohibit some benefits. If so, they will not be paid.

---

## *Submitting Claims*

*You should file your claim(s) during the calendar year in which the service or treatment was provided.*

### **How Your Benefits Are Paid**

**All claims must be filed within two years from the date of the incurred expense. (See page 73 for information on filing orthodontic claims.)** Claims must be in writing and must include proof of the nature and extent of the expense. To obtain Dental Benefits Request forms, call Aetna Member Services at (877) 238-6200 or visit their website at [www.aetna.com](http://www.aetna.com).

The Dental Plan is administered by Aetna. Claims will be paid as soon as Aetna receives the necessary written proof supporting your claim.

---

## *How to File a Dental Claim*

*Attach the original of each itemized bill to the Dentist's Statement form. Be sure to keep a copy of all bills and claim forms for your records.*

Fast processing of your claim depends on complete, accurate information. When filing a claim under the Dental Plan, please remember to:

- Complete all items under applicable sections of the claim form. Unanswered questions will cause delay in processing your claim.
- Be sure to include your Dental Plan identification number on all claims, including claims for your eligible spouse, same-sex domestic partner, or child(ren), and be sure to sign the form.
- Attach the itemized bill to the form. An itemized bill must contain the following information:
  - The patient's full name;
  - The patient's relationship to you;
  - The date service was provided;
  - The name of the dentist or other licensed health care professional providing service;
  - The provider's taxpayer identification number;
  - The type of service provided;
  - The nature of the condition being treated; and
  - The charges for the service or treatment (multiple expenses should be itemized).

If any of this information is missing, write it on the bill yourself and sign your name. Your dental provider should complete the provider section of the Benefits Request form if he or she has not given you an itemized statement.

If you have other group coverage that pays benefits before this Plan, you must provide Aetna with a copy of the other carrier's Explanation of Benefits (EOB) reflecting the benefits paid under the other coverage when you submit expenses for payment under this Plan.

Send the completed claim form and itemized bill(s) to:

**Aetna**  
**P.O. Box 14094**  
**Lexington, KY 40512-4094**

If you have any questions about the status of your claim, call Aetna Member Services at (877) 238-6200.

---

## ***No Assignment of Benefits***

You cannot assign, pledge, encumber or otherwise alienate any legal or beneficial interest in benefits under the Plan, and any attempt to do so will be void. The payment of benefits directly to a health care provider, if any, shall be done as a convenience to the covered person and shall not constitute an assignment of benefits under the Plan.

### **Your Contributions**

You pay your share of the cost for your benefits each pay cycle through convenient *pre-tax* payroll deductions. *Pre-tax* means that your contributions are withheld before federal (and in most cases, state and local) income and FICA (Social Security) taxes are withheld. This reduces your taxable income and the amount of tax you pay. As a result, you have more take-home pay. Because your pre-tax contributions are not subject to FICA taxes, your Social Security benefit at retirement may be slightly reduced if your earnings are under the Social Security Taxable Wage Base (\$110,100 for 2012). However, the loss in future retirement benefits should be more than offset by the current tax savings under the Plan.

## *Vision Benefits*

Healthy eyes and good vision are important to your overall well-being and quality of life. You may enroll separately in the Dental/Vision Plan.

The Vision Plan is administered by EyeMed. EyeMed provides certain administrative and claim payment services under the Plan, but does not guarantee benefit payments. You can receive routine eye exams, corrective lenses, frames, and contacts through EyeMed's nationwide network of over 16,000 participating providers – optometrists, ophthalmologists, and optical retail locations. The Vision Plan offers both in-network and out-of-network benefits, but your benefit levels are higher (and your out-of-pocket costs lower) when you use in-network providers.

To find a provider or to make sure your provider participates in the EyeMed network:

- Before you enroll: visit [www.enrollwitheyemed.com/access](http://www.enrollwitheyemed.com/access).
- Once you are enrolled: visit [www.eyemedvisioncare.com](http://www.eyemedvisioncare.com).

After you enroll in the Dental/Vision Plan, you will receive an identification card.

## *Vision Benefits Summary Chart*

The following chart provides a summary of your vision benefits. Keep in mind that the Network Providers column shows what *you* pay and the Out-of-Network Provider column shows what *the Plan* pays.

---

## *Visiting an Out-of-Network Provider*

All vision care services received from an out-of-network provider are paid up to a scheduled amount. You are responsible for paying any amount the provider charges in excess of that amount.

---

## *Services Not Covered*

The Vision Plan does not cover:

- Orthoptics or vision training.
- Subnormal vision aids and associated supplemental testing.
- Aniseikonic lenses.
- Medical and/or surgical treatment of the eyes.
- Corrective eyewear required by an employer as a condition of employment, and safety eyewear unless specifically covered under the Plan.
- Services provided as a result of Workers' Compensation law.
- Non-prescription lenses (plano lenses) and non-prescription sunglasses (except for the 20% EyeMed discount).
- Two pair of glasses in lieu of bifocals.
- Services or materials provided by any other group benefit providing for vision.
- Benefit allowances provide no remaining balance for future use within same benefit period.
- Lost or broken lenses, frames, glasses, or contact lenses will not be replaced except in the next benefit period.

---

## *When Coverage Is Terminated*

Coverage under any section of this Plan will be in exchange for all privileges and benefits provided under any like prior coverage. Any benefits provided under such prior coverage may reduce benefits payable under this Plan.

Coverage under the Plan terminates when the first of these events happens:

- The day your employment ends.
- When the group contract terminates as to the coverage.
- When you are no longer in an Eligible Class. (This may apply to all or part of your coverage.)
- When you fail to make any required contribution.

Under certain circumstances, American Water may continue your coverage when you are not actively at work. If you are not at work due to illness or injury, American Water vision coverage will be continued for the length of your approved leave of absence, not to exceed 24 months from the date you are disabled as long as appropriate contributions are made.

An eligible spouse's, same-sex domestic partner's, or child's coverage will terminate at the first to occur of:

- The termination of all eligible spouse, same-sex domestic partner, or child coverage under the group contract.
- When an eligible spouse, same-sex domestic partner, or child becomes covered as an employee.
- When such person is no longer an eligible spouse, same-sex domestic partner, or child.
- When your coverage terminates.

You may be entitled to continue your vision coverage (see "Continuation of Health Coverage" on page 163).

## *Filing a Claim*

When you visit an EyeMed network provider, you must present the provider with your EyeMed ID card or subscriber number at the time of service. Your provider will submit the benefit form for you. You are responsible for charged amounts that exceed your coverage.

If you visit an out-of-network provider, you must pay the provider at the time you receive vision care services. You must then submit an EyeMed claim form and an itemized paid receipt to receive reimbursement. Your itemized receipt must include:

- Patient's name;
- Date service began;

- The services and materials received; and
- Amount paid.

Claim forms and receipts should be mailed to:

EyeMed Vision Care  
Attention OON Claims  
P.O. Box 8504  
Mason, OH 45040-7111

Claim forms are available on EyeMed's website at [www.eyemedvisioncare.com](http://www.eyemedvisioncare.com). You can also obtain forms by contacting EyeMed Member Services at (866) 939-3633.

**EyeMed will not process claims submitted more than 12 months after the date of service or purchase.**

## *No Assignment of Benefits*

You cannot assign, pledge, encumber, or otherwise alienate any legal or beneficial interest in benefits under the Plan, and any attempt to do so will be void. The payment of benefits directly to a health care provider, if any, shall be done as a convenience to the covered person and shall not constitute an assignment of benefits under the Plan.

## **Your Contributions**

You pay your share of the cost for your benefits each pay cycle through convenient *pre-tax* payroll deductions. *Pre-tax* means that your contributions are withheld before federal (and in most cases, state and local) income and FICA (Social Security) taxes are withheld. This reduces your taxable income and the amount of tax you pay. As a result, you have more take-home pay. Because your pre-tax contributions are not subject to FICA taxes, your Social Security benefit at retirement may be slightly reduced if your earnings are under the Social Security Taxable Wage Base (\$110,100 for 2012). However, the loss in future retirement benefits should be more than offset by the current tax savings under the Plan.

## *Flexible Spending Accounts*

*Note: The benefits described in this section may vary depending on the terms of your collective bargaining agreement. Please refer to your collective bargaining agreement for details.*

---

## *Flexible Spending Accounts*

*Participation in the Health Care Flexible Spending Account and the Dependent Care Flexible Spending Account allows you to reduce your taxable income by paying for certain expenses with pre-tax dollars.*

To help you meet the high cost of health and dependent care in the most cost-efficient manner, American Water offers two programs which allow you to pay for qualifying expenses using *pre-tax* dollars. You pay fewer taxes because those amounts are not subject to federal income or Social Security taxes. You keep more of what you earn, increasing your disposable income.

You make voluntary contributions on a pre-tax basis to these spending accounts, from which you receive tax-free reimbursement to cover the cost of your qualifying medical and dependent care expenses.

*Horizon administers the Flexible Spending Accounts on behalf of American Water.*

**The Health Care Flexible Spending Account** reimburses you for most health-related expenses for yourself or your eligible spouse, same-sex domestic partner, or child(ren) that are not reimbursable through any health benefit plans.

*Note:* Health-related expenses for your same-sex domestic partner are only eligible for reimbursement if your same-sex domestic partner is also your tax dependent.

**The Dependent Care Flexible Spending Account** reimburses you for most dependent day care expenses for your qualifying dependents.

Reimbursements that you receive from your Health Care and/or Dependent Care Flexible Spending Accounts are tax-free to you.

Your contributions to your Health Care and/or Dependent Care Flexible Spending Accounts are deducted each pay cycle through convenient *pre-tax* payroll deductions. *Pre-tax* means that your contributions are withheld before federal (and in most cases, state and local) income and FICA (Social Security) taxes are withheld. (Note: In some states, your contributions to the Dependent Care Flexible Spending Account and/or the Health Care Flexible Spending Account may be subject to state income taxes. You should consult your tax advisor to determine if contributions to either of these accounts will be taxed in your state.) Pre-tax contributions reduce your taxable income and the amount of tax you pay. As a result, you have more take-home pay. Because your pre-tax contributions are not subject to FICA taxes, your Social Security benefit at retirement may be slightly reduced if your earnings are under the Social Security Taxable Wage Base (\$110,100 for 2012). However, the loss in future retirement benefits should be more than offset by the current tax savings under the Plan.

## *The Health Care Flexible Spending Account*

*You can use your Health Care Flexible Spending Account to pay for medical, dental, vision, and hearing care expenses that are not otherwise covered by any health care plan.*

The Health Care Flexible Spending Account allows you to contribute money on a pre-tax basis to an account set up for you. If you (or your eligible spouse, same-sex domestic partner, or child(ren)) incur qualifying health care expenses which are not covered, or are only partially covered, by insurance or any other source, you will be reimbursed from the spending account for these expenses.

Here is an example of the potential tax savings with a Health Care Flexible Spending Account:

	With Account	Without Account
Annual Family Income	\$50,000	\$50,000
Minus Pre-Tax Contributions to Account	\$ 2,400	None
Taxable Income	\$47,600	\$50,000
Federal, State, and Social Security Taxes	\$12,685	\$13,325
Minus After-Tax Health Care Expenses	None	\$ 2,400
Net Disposable Income	\$34,915	\$34,275
<b>Tax Savings (Extra Take-Home Pay)</b>	<b>\$ 640</b>	

*Estimates use tax rates of 15% federal, 4% state, and 7.65% Social Security. Actual tax savings could be greater or less than shown here. Consult your tax advisor to determine tax savings for your particular situation.*

## Eligibility

### Enrolling for benefits and making changes to benefit elections are time-sensitive.

If you are an eligible employee (see "Eligibility" on page 5), you are eligible to participate in the Health Care Flexible Spending Account as of the first day of the month following completion of one full month of continuous employment. You may enroll by completing the enrollment process (see "Enrolling for Coverage" on page 9). If you are newly hired, *you must enroll* and make your contribution election within the 31-day enrollment period. You will have the opportunity to change your elections in the fall of every year, effective for the upcoming plan year. You are not permitted to make changes to your election amount during the Plan Year, except under certain circumstances (see page 11).

## Eligible Individuals

In addition to your own expenses, you can also be reimbursed from the Health Care Flexible Spending Account for qualifying expenses incurred by an eligible spouse, child or qualifying individual (as defined by the IRS). For you to include these expenses, the person must have been your eligible spouse, child, or qualifying individual (as defined by the IRS) either at the time the medical services were provided or at the time you paid the expenses.

## How the Account Works

The spending account does not replace your medical benefits. It is a separate plan that reimburses you for qualifying expenses that are not covered, or only partially covered, by your Medical Plan/Dental/Vision Plan or Dental/Vision Plan, or by any other source (such as a spouse's or same-sex domestic partner's plan).

When you have an eligible medical expense, you pay the bill. You can be reimbursed for these expenses from your account by filing a claim form (see page 100).

For additional convenience, you will be issued a debit card. Use the card to pay for eligible medical expenses just as you would use your bank debit card. The money is automatically debited from your Health Care Flexible Spending Account. You should keep copies of all receipts for any expenses you pay for from your Health Care Flexible Spending Account in case further substantiation is required.

Prior to using the debit card you must certify that the card will only be used for qualifying health care expenses, that any qualifying health care expenses paid with the card have not already been reimbursed by any health plan.

## Claim Documentation

*Note:* You cannot use the card to prepay for qualifying health care expenses.

The debit card will be automatically cancelled upon your death or termination of employment, or if you have a change in status that results in your becoming ineligible for a Health Care Flexible Spending Account.

The dollar amount available on the debit card will be the Health Care Flexible Spending Account contribution amount you elected for the Plan Year, minus reimbursements paid for the Plan Year.

Your debit card will permit all transactions to be made in the pharmacy at the point of sale. This includes prescription and eligible over-the-counter products. Internal Revenue Service (IRS) regulations require documentation to verify that claims are legitimate. Therefore, any transaction that does not match a copayment/coinsurance from the American Water Medical Plan or Prescription Drug Program or is not otherwise clearly a medical expense based on the information obtained from the vendor's inventory system at the point of sale, will be audited by Horizon. If you do not use your debit card, you can submit a claim.

If you are audited for a transaction, you (the member) are required to provide documentation to validate the expense. Return the letter to Horizon along with a receipt or Explanation of Benefits (EOB) which includes the following:

- Provider;
- Service(s) received or item(s) purchased;
- Date of service;
- Amount of expenses incurred; and
- Amount covered by insurance.

If Horizon later determines that any purchase does not qualify as a qualifying health care expense, Horizon may, in its sole discretion, use one of the following correction methods to make the Plan whole:

- Require you to repay the improper amount to the Plan; or
- Offset future claims until the improper amount is repaid.

Until the amount is repaid, Horizon will take further steps to ensure that further violations of the terms of the debit card do not occur, up to and including denial of access to the card.

## How Much Can I Contribute?

*You may elect to contribute up to \$2,500 per year to your Health Care Flexible Spending Account. The maximum amount you may contribute may be further limited by applicable law.*

During open enrollment (or your 31-day enrollment period), you should estimate what you will spend during the next Plan Year (or the balance of the current Plan Year) (January 1 to December 31, plus the 2½ month grace period, see below) on unreimbursed medical expenses. The Company will deduct from your paycheck the amount of money you choose to set aside, in equal amounts over the course of the calendar year.

You may elect to contribute up to \$2,500 per year to the Health Care Flexible Spending Account. There is a minimum contribution of \$120 per calendar year. If your spouse also has a health care flexible spending account, whether through the Company or another employer, this will not affect the maximum amount of your contribution. You may each contribute the maximum amount.

## Use All the Money in Your Account

*You must request reimbursement by April 30 of the following year for health care expenses incurred during the Plan Year and the grace period (i.e., the following January 1 – March 15).*

The amount available to you for reimbursement for qualifying expenses incurred during the Plan Year (plus the 2½ month grace period) is the annual amount you have elected to contribute to the spending account, even if the full amount has not yet been deducted from your pay. For example, if you elect to contribute \$1,200 to the spending account, the entire \$1,200 will be available to you for reimbursement of your eligible expenses beginning January 1. *Note that there is a different rule for reimbursements from the Dependent Care Flexible Spending Account.*

According to IRS rules, any amounts remaining in your spending account after the deadline for submitting claims incurred during the Plan Year (plus the 2½ month grace period) will be forfeited. You may not carry forward unused amounts to the next Plan Year, and you may not transfer unused amounts from the Health Care Flexible Spending Account to another employee or to another plan or account (such as the Dependent Care Flexible Spending Account). Therefore, you should plan carefully before you make your annual contribution election. Any forfeited amounts are used by American Water to reduce future administrative expenses.

The claims accumulation period for the Health Care Flexible Spending Account is 14½ months – the current 12-month Plan Year (January 1 – December 31) plus the period January 1 through March 15 of the following calendar year. The deadline to submit claims for reimbursement from your Health Care Flexible Spending Account is April 30 of the following year. You must be an active participant or COBRA participant as of December 31 in order to take advantage of the grace period. Expenses incurred during the grace period that are not applied against your Health Care Flexible Spending Account balance for the prior Plan Year can be applied against the Health Care Flexible Spending Account for the current Plan Year. For example, if you establish a Health Care Flexible Spending Account for 2012, eligible expenses incurred during the period January 1, 2013 – March 15, 2013 can be applied against your 2012 account balance. If you have exhausted your 2012 account balance or you do not submit the grace period expenses by April 30, 2013, you can apply those expenses against your 2013 Health Care Flexible Spending Account, if any. If you do not have a 2013 Health Care Flexible Spending Account, you would not be able to be reimbursed for those grace period expenses.

### Can I Change the Amount of My Contributions?

You can start, stop, or change the automatic deductions from your paycheck during the calendar year only if you have a qualified change in status (as listed below). The change in status must be on account of, and correspond with, a change in status affecting eligibility. The following events are changes in status:

- **Change in your legal marital status** (marriage, death of spouse, divorce, legal separation, or annulment).
- **Change in the number of your eligible spouse, same-sex domestic partner, or child(ren)** (gain a child through birth, adoption, placement for adoption; loss of an eligible spouse, same-sex domestic partner, or child through death).
- **Change in your eligible spouse's, same-sex domestic partner's, or child(ren)'s eligibility status** (eligible spouse, same-sex domestic partner, or child qualifies or no longer qualifies because of age or marriage).

### Expenses Eligible for Reimbursement

Only “qualifying” expenses can be reimbursed through the Health Care Flexible Spending Account. These include:

- Medical, dental, and vision care expenses incurred by you or an eligible spouse, child(ren), or qualifying individual (as defined by the IRS) in the diagnosis, treatment, or prevention of disease, including prescription drug expenses and transportation or lodging expenses incurred in receiving treatment.

- Certain other medical expenses not covered by your medical insurance.
- Deductibles or copayments you have paid under any type of health care plan.
- Over-the-counter medicines and drugs only if accompanied by a written prescription, provided they are for the diagnosis, cure, mitigation, treatment, or prevention of disease or for the purpose of affecting any structure or function of the body. The over-the-counter drug must be more than just beneficial to general health and not “cosmetic” in nature.
- Some over-the-counter drugs have a dual purpose, serving a personal/cosmetic or general health purpose as well as a medical purpose. These drugs will require a letter from a doctor stating the medical condition or disease that is being treated.

*Remember, the following lists of eligible and ineligible expenses are not complete. If you have a question as to whether or not an expense is eligible, please call Horizon FSA at (800) 224-4426.*

Keep in mind that the expenses you submit for reimbursement may not be covered or reimbursed by other insurance or another source, including a plan sponsored by your spouse’s employer, Medicare, Workers’ Compensation, automobile insurance, or any recovery or settlement from a lawsuit.

For additional information, call Horizon FSA at (800) 224-4426. You can also refer to IRS Publication 502 (“Medical and Dental Expenses”). You can request a copy of Publication 502 from your local IRS office or go online at [www.irs.gov/publications/p502](http://www.irs.gov/publications/p502). But keep in mind, not all expenses listed in Publication 502 are eligible (like insurance premiums) and some expenses not listed in the publication are eligible (such as some over-the-counter drugs and medicines if accompanied by a written prescription).

Below is a list of some of the health care expenses eligible for reimbursement from your spending account. Only health care expenses not reimbursed by insurance can be claimed.

## Submitting Claims

You may be reimbursed from your Health Care Flexible Spending Account by completing a *Claim for Reimbursement* form, which can be downloaded from [www.horizonblue.com/fsa](http://www.horizonblue.com/fsa).

Any itemized bills that you submit should contain, at a minimum, the following information:

- The name of the patient and the employee;
- The date(s) the services were provided;
- A description of the service or item provided;
- The name and address of the provider;
- The cost of the service or item; and
- Amount covered by insurance.

Sign and date the claim form. Attach copies of bills, invoices, or other written statements from a third party that support each reimbursement request and mail or fax to:

**Horizon Blue Cross Blue Shield of New Jersey**  
**3 Penn Plaza East PP-05S**  
**Newark, NJ 07105-2200**  
**Fax: (973) 274-2215**

You will receive an Explanation of Payment (EOP) statement from Horizon detailing the status of your account with each reimbursement.

## Family and Medical Leaves of Absence

If you take a Family and Medical Leave of Absence (FMLA Leave) from American Water, your pre-tax payroll deductions to the Health Care Flexible Spending Account will stop. You may continue to make contributions on an after-tax basis only by sending a monthly check to American Water.

## Termination/Retirement of Employment

If you terminate or retire from American Water, your pre-tax payroll deductions to the Health Care Flexible Spending Account will stop. You may still continue to submit claims for reimbursement of expenses incurred **before** your date of termination/retirement.

Under certain circumstances, you may continue participating under COBRA and make contributions on an after-tax basis by sending a monthly check to American Water. Participants who continue to participate under COBRA will be able to submit claims for reimbursement of expenses incurred while they are participating in the Health Care Flexible Spending Account.

## *The Dependent Care Flexible Spending Account*

*The cost of caring for your dependents while you work can be more affordable when you participate in the American Water Dependent Care Flexible Spending Account.*

The Dependent Care Flexible Spending Account allows you to contribute money on a pre-tax basis to an account set up for you. These amounts can be used to reimburse you for most daycare or eldercare expenses you might incur for your qualifying dependents.

Here is an example of the potential tax savings with a Dependent Care Flexible Spending Account:

	With Account	Without Account
Annual Family Income	\$50,000	\$50,000
Minus Pre-Tax Contributions to Account	\$ 5,000	None
Taxable Income	\$45,000	\$50,000
Federal and Social Security Taxes	\$11,993	\$13,325
After-Tax Dependent Care Expenses	None	\$ 5,000
Net Disposable Income	\$33,007	\$31,675
<b>Tax Savings (Extra Take-Home Pay)</b>	<b>\$ 1,332</b>	

*Example uses tax rates of 15% federal, 4% state and 7.65% Social Security. Consult your tax advisor to determine tax savings for your particular situation.*

### **Eligibility**

If you are an eligible employee (see "Eligibility" on page 5), you are eligible to participate in the Dependent Care Flexible Spending Account as of the first day of the month following completion of one full month of continuous employment. You may enroll by completing and signing the appropriate Flexible Spending Account section on your enrollment form. If you are newly hired, **you must enroll** and make your contribution election within the 31-day enrollment period. You will have the opportunity to change your elections in the fall of every year, effective for the upcoming Plan Year. You are not permitted to make changes to your election amount during the Plan Year, except under certain circumstances (see page 94).

## Qualifying Dependents

Expenses are reimbursable for care of the following qualifying dependents:

- Your child, grandchild, brother or sister **who is under age 13**, who resides in your household for more than one-half of the year and who does not provide more than one-half of his or her own support for the year;
- A disabled spouse who resides in your household for more than one-half of the year; and
- A disabled relative or household member who is principally dependent on you for support and who resides in your household for more than one-half of the year.

In the case of a child who receives over one-half of his or her support during the calendar year from his or her parents (i) who are divorced or legally separated under a decree of divorce or separate maintenance, (ii) who are separated under a written separation agreement, (iii) who live apart at all times during the last six months of the year, (iv) who have agreed that the custodial parent will not claim the child as an income tax exemption, and (v) where such child is in the custody of one or both parents for more than one-half of the year, such child will be considered the dependent of both parents, regardless of the child's place of residence or the amount of support provided by either parent. Contact your tax advisor or refer to IRS Publication 503 (Child and Dependent Care Expenses) for more information.

## How the Account Works

When you have eligible dependent care expenses, you pay the bill and submit a reimbursement claim to Horizon, along with a copy of the bill. You can be reimbursed for these expenses from your account by filing a claim form, **assuming that you have enough money in your account**. If not, you will be reimbursed up to the amount in your account and the remainder of the claim will be held until the balance in your Dependent Care Flexible Spending Account is sufficient to cover the bill.

Keep in mind, however, that because you are contributing to the spending account through payroll deductions, you will have a period of increased expenses. You will have to pay your dependent care provider, as well as have payroll deductions, before receiving reimbursement from your account.

## How Much Can I Contribute?

You may contribute up to a maximum of \$5,000 per year (\$2,500 if married but filing a separate tax return), regardless of the actual number of qualifying dependents you have. Normally, amounts reimbursed from your Dependent Care Flexible Spending Account are tax-free to you. However, federal law states that the amount excluded from your gross income cannot exceed, in any calendar year (under all dependent care plans in which you or your spouse may participate) the lesser of:

- \$5,000 (\$2,500 if you are married and filing separate federal income tax returns);
- Your annual income; or
- Your spouse's annual income.

If your spouse is (1) a full-time student for at least five months during the year or (2) physically and/or mentally disabled, there is a special rule to determine his or her annual income. To calculate the income, determine your spouse's actual taxable income (if any) earned each month that he or she is a full-time student or disabled. Then, for each month, compare this amount to either \$250 (if you claim expenses for one dependent) or \$500 (if you claim expenses for two or more dependents). The amount you use to determine your spouse's annual income is the greater of the actual earned income or 12 times the assumed monthly income amounts of either \$250 or \$500.

If you are married and filing separate federal income tax returns, the \$2,500 limit described above will not apply if you are (1) legally separated or (2) separated for more than six months and pay for more than half of the household expenses.

By making an election under the Dependent Care Flexible Spending Account, you are representing to the Company that your contributions to the Dependent Care Flexible Spending Account are not expected to exceed these limits.

To qualify for tax-free treatment, you are required to list on your federal income tax return the name and taxpayer identification number of any person who provided you with dependent care services during the calendar year for which you have claimed a tax-free reimbursement. The identification number of a care provider who is an individual and not a care center is that individual's Social Security number. You should make your care provider aware of this reporting requirement.

*You may elect to contribute up to \$5,000 per household per year (or your or your spouse's earned wages, whichever is less) to your Dependent Care Flexible Spending Account.*

## **Determining How Much to Contribute**

In addition, your Dependent Care Flexible Spending Account contribution can never be more than your earned wages or your spouse's earned wages, whichever is less. If your spouse is a full-time student, the IRS considers him or her to be gainfully employed, with earned income of \$250 per month (if you have one qualifying dependent) or \$500 per month (if you have two or more qualifying dependents) for each month the spouse is a student. To be considered a "full-time student" as defined by the IRS, your spouse must maintain full-time status at a college or university during at least five months of the year.

The amount you elect to contribute will depend upon the amount you anticipate you will need to cover your dependent care expenses for the Plan Year (January 1 – December 31). You should compare the tax benefit you would receive with the Dependent Care Flexible Spending Account to the benefit that you would receive with the federal child and dependent care tax credit (see below), and then choose between them. For additional details about the federal tax credit, see IRS Publication 503 ("Child and Dependent Care Expenses") and IRS Tax Topic 602 ([www.irs.gov/taxtopics/tc602.html](http://www.irs.gov/taxtopics/tc602.html)). You can request a copy of Publication 503 from your local IRS office or go online at [www.irs.gov/publications/p503](http://www.irs.gov/publications/p503).

**Federal Earned Income Credit.** A tax credit available under current tax law is the earned income credit. This credit also reduces the federal tax you have to pay on a dollar-for-dollar basis, but is calculated somewhat differently from the child care credit described above. The credit is available to individuals with incomes below certain thresholds and the amount of the credit increases if you have qualified children. A qualified child is defined as a child who is under age 19 (under age 24 if a student) or who is totally and permanently disabled. The credit does not depend on the amount you pay in child care expenses. The earned income credit has no effect on the amount you can contribute under the Dependent Care Flexible Spending Account for dependent care expenses. Moreover, the use of the Dependent Care Flexible Spending Account may result in a reduction in your taxable income, thus qualifying you for the earned income credit where you would not otherwise have qualified.

## Use All the Money in Your Account

You must request reimbursement by March 31 of the following year for dependent care expenses incurred on or before December 31 of each Plan Year.

According to IRS rules, any amounts remaining in your spending account after the deadline for submitting claims for the Plan Year will be forfeited. You may not carry forward unused amounts to the next Plan Year, and you may not transfer unused amounts from the Dependent Care Flexible Spending Account to another employee or to another plan or account (such as the Health Care Flexible Spending Account). Therefore, you should plan carefully before you make your annual contribution election. Any forfeited amounts are used by American Water to reduce future administrative expenses.

## Expenses Eligible for Reimbursement

The following expenses may be reimbursed so that you, the employee (and your spouse, if you are married), can work or look for work. There is an exception to this rule if you or your spouse works part-time and the payment for care must be made on a periodic (for example, weekly or monthly) basis. In this case, expenses for both work and non-work days are eligible. If payment is made on a daily basis, expenses must be allocated between work and non-work days. Similarly, if you or your spouse is not working due to illness, and you must pay for care on a periodic basis, expenses for non-work days are eligible if the absence is considered short and temporary.

Expenses may also be reimbursed so that your spouse can attend school full-time or if your spouse is physically or mentally unable to care for himself or herself. Eligible expenses include:

*You may receive reimbursement from your account for expenses that have been incurred for services rendered during the Plan Year. In order to be reimbursed for these expenses, the taxpayer ID number or Social Security number of the provider must be submitted.*

- Qualified child or adult day care center expenses (if the center provides care for more than six non-resident persons, the center must meet state or local regulations and receives a fee for such services, whether or not for profit).
- Before-school care, after-school care, or extended day programs (supervised activities for children after the regular school program) if used to enable you and your spouse to work.
- A babysitter or companion inside or outside the home.
- A housekeeper, nanny, or au pair to the extent the expenses are for the care of a qualifying individual.
- A relative (who is not your dependent nor your child under age 19) who cares for a dependent.
- Someone who cares for an elderly or disabled dependent in your home.
- Nursery school or pre-kindergarten.

- Agency, application, deposit, or other registration fees if necessary to obtain the related care. Fees should not be reimbursed until care is provided, and fees that are forfeited (for example, because you select a different provider) do not qualify.
- Custodial expenses for a dependent over age 13, not attributable to medical services, provided the qualifying individual spends at least eight hours each day in your home.
- Summer day camp tuition (including specialty camp) or a similar program to care for a qualifying individual. Separate equipment or similar charges (e.g., a laptop rental fee) do not qualify.
- FICA and FUTA taxes of a day care provider, as long as the overall expenses of the care provider qualify.
- Late fees charged to care for the child because the child was picked up late. Late fees charged because the childcare bill was paid late do not qualify.
- Sick-child facility expenses (care to enable you to go to work when the child is ill).
- Transportation costs to and from the location where the care or program is provided, if the expense is part of the cost of the program.

### **Expenses Not Eligible for Reimbursement**

Expenses ineligible for reimbursement include the following:

- Payments for babysitters when you are not working, such as in the evening or on weekends.
- Private school tuition (except before-school and after-school care).
- Educational expenses for children in kindergarten or higher.
- Boarding school tuition.
- Overnight camp expenses.
- 24-hour-a-day nursing home expenses.
- Transportation costs to and from the location where the care or program is provided, unless the expense is part of the cost of the program.
- Expenses for food, clothing, education, or entertainment incurred for the normal care of an eligible dependent, unless these expenses are incidental and cannot be separated from the cost of care.
- Cost for care that enables your spouse to do volunteer work.

This list is intended to give you a general description of expenses not eligible for reimbursement through the spending account. There may be other expenses in addition to those listed above which are not eligible.

## Can I Change the Amount of My Contributions?

You can start, stop, or change the automatic deductions from your paycheck during the calendar year if there is a change in your dependent care provider, if there is a change in the cost of dependent care, or if your dependent no longer meets the definition of qualifying individual. Here are some examples of situations in which you can change your election:

- Change from one childcare center to another and the new center charges a different rate.
- Change in a home childcare provider, including a change in a nanny-sharing arrangement.
- A qualifying child reaches age 13 and is no longer an eligible dependent under the Dependent Care Flexible Spending Account.
- The employee marries and the new spouse has dependent children, increasing dependent care costs.
- Child of divorced parents switches residence between parents.

## Submitting Claims

You may be reimbursed from your Dependent Care Flexible Spending Account by completing a Claim for Reimbursement form, which can be downloaded from [www.horizonblue.com/fsa](http://www.horizonblue.com/fsa). You must submit the form along with proof of payment for the services (such as receipts, statements, canceled checks, etc.).

Any itemized bills that you submit should contain, at a minimum, the following information

- The dependent's name and age;
- The nature of the care provided;
- The date(s) the care was provided;
- The amount paid for the care;
- The dependent's relationship to you; and
- The name and taxpayer identification number (or Social Security number) of the care provider.

Sign and date the claim form. Attach copies of bills, invoices, or other written statements from a third party that support each reimbursement request and mail or fax to:

**Horizon Blue Cross Blue Shield of New Jersey**  
**3 Penn Plaza East PP-05S**  
**Newark, NJ 07105-2200**  
**Fax: (973) 274-2215**

Remember that you are entitled to reimbursement only *after* the care has been provided, even if you pay for dependent care in advance.

### **Family and Medical Leaves of Absence**

You will receive an Explanation of Payment (EOP) statement from Horizon detailing the status of your account with each reimbursement.

If you take a Family and Medical Leave of Absence (FMLA Leave) from American Water, your pre-tax payroll deductions to the Dependent Care Flexible Spending Account will stop. You may submit claims for reimbursement for care provided through your last day of work before your leave began.

### **Termination of Employment**

If you terminate or retire from American Water, your pre-tax payroll deductions to the Dependent Care Flexible Spending Account will stop. You may still continue to submit claims for reimbursement of expenses incurred **before** your date of termination. Expenses for care provided after your date of termination are not eligible for reimbursement. COBRA continuation coverage does not apply to the Dependent Care Flexible Spending Account.

## ***Disability Coverage (Sick Leave and Disability Coverage)***

*Note: The benefits described in this section may vary depending on the terms of your collective bargaining agreement. Please refer to your collective bargaining agreement for details.*

---

## *Disability Benefits*

Disability benefits provide income protection when you are unable to work because of an extended illness or injury. American Water provides you with paid sick leave, Short Term Disability (STD), and Long Term Disability (subject to your collective bargaining agreement) benefits – at no cost to you. If applicable, see the Appendix-Long Term Disability for a description of the Long Term Disability benefit. This Appendix- Long Term Disability is incorporated into this Plan by reference. To the extent the terms of this Plan conflict with the provisions of this Appendix- Long Term Disability, the terms of this Appendix- Long Term Disability shall control.

You are eligible for disability benefits if you are a full-time eligible employee. Part-time employees and temporary employees are not eligible, unless specified by state laws.

Your eligibility date is in accordance with the terms of your collective bargaining agreement. If you are on a layoff, on disability, or on leave of absence on your eligibility date, coverage or an increase in coverage will begin on the day you return to active full-time work for one full day.

The table on page 111 summarizes the Plan's disability benefits.

---

## *Short Term Disability Insurance Benefits*

If you are eligible for Short Term Disability (STD) benefits and are still disabled after you exhaust your paid sick leave and sick bank, STD coverage will start paying benefits. You will receive 70% of your base pay each week for 50 weeks, unless superseded by state law for a combined duration of 52 weeks of payments.

### **Prior to August 1, 2012**

A “disability absence” is time lost from work due to a non-occupational injury or illness which started while you were covered under this Plan.

**Effective August 1, 2012**

**Disabled or disability** means that, due to sickness or as a direct result of accidental injury:

- You are receiving Appropriate Care and Treatment and complying with the requirements of such treatment; and
- You are unable to earn more than 80% of your Predisability Earnings at your own occupation from any employer.

For purposes of determining whether a disability is the direct result of an accidental injury, the disability must have occurred within 90 days of the accidental injury and resulted from such injury independent of other causes.

If your occupation requires a license, the fact that you lose your license for any reason will not, in itself, constitute disability.

**Appropriate Care and Treatment** means medical care and treatment that is:

- Given by a physician whose medical training and clinical specialty are appropriate for treating your disability;
- Consistent in type, frequency, and duration of treatment with relevant guidelines of national medical research, health care coverage organizations and governmental agencies;
- Consistent with a physician’s diagnosis of your disability; and
- Intended to maximize your medical and functional improvement.

*Note: Short Term Disability does not begin until you have used your sick leave and all accumulated banked sick time.*

An illustrative example:

<b>Sick Leave</b>	2 weeks at 100% of pay each year
<b>Sick Bank (if available)</b>	100% of pay if you have banked sick leave remaining
<b>Short Term Disability (STD)</b>	70% of base pay, which ends when sick leave, sick bank, and STD equal 52 weeks combined

If your banked sick leave exceeds 52 weeks, you will continue to receive 100% of base pay until your sick leave is exhausted. When your banked sick leave is exhausted, you have the option of taking any unused eligible vacation time, which will extend your 100% of pay.

Your benefit amount will be reduced by the amount of all Other Income that was actually paid to you for the same disability for which you are claiming benefits under this certificate. Other Income includes the following:

- Any disability benefits for you, your spouse, or child(ren) under:
  - Federal Social Security Act;
  - Canadian Pension Plan;
  - Quebec Pension Plan;
  - Railroad Retirement Act; or
  - Any similar plan or act.
- Any retirement benefits under:
  - Federal Social Security Act;
  - Canadian Pension Plan;
  - Quebec Pension Plan;
  - Railroad Retirement Act;
  - Your retirement plan; or
  - Any similar plan or act.
- Any income received for disability under:
  - A government compulsory benefit plan or program which provides payment for loss of time from your job due to your disability, whether such payment is made directly by the plan or program or through a third party (these are state plan benefits);
  - Any sick pay that the Company pays to you;
  - Workers' Compensation or a similar law which provide periodic benefits;
  - Occupational disease laws; or
  - Any income that you receive from working while disabled to the extent that such income reduces the amount of your Weekly Benefit as described in "Work Incentive."

## **REDUCING YOUR DISABILITY BENEFIT BY AN ESTIMATED BENEFIT**

If there is reasonable, good faith belief that you are entitled to disability benefits under the following sources of Other Income, you must apply for such benefits:

- Federal Social Security Act (Primary and/or Family Benefits); and/or
- Any state compulsory/statutory benefit law.

To apply for the Other Income benefits referenced above means to pursue such benefits with reasonable diligence until you receive the respective approval from the Social Security Administration and/or the appropriate state agency or a final denial at the administrative level.

You must send proof that you have applied for such benefits. If your application for such benefits is approved, your disability benefit will be reduced by the amount actually paid to you from such source(s).

If you fail to apply for any of the above referenced Other Income benefits or pursue such benefits with reasonable diligence, and if there is a reasonable means of estimating the amount of such benefits which may become payable to you, the amount of your disability benefit will be reduced by the amount of such estimated benefits that you, your spouse, or child(ren) are eligible to receive because of your disability. This will start with the first disability benefit payment coincident with the date you were eligible to receive such benefits unless the following is received by the administrator:

- Proof that you have applied for and are pursuing such benefits with reasonable diligence;
- Approval of your claim for such benefits; or
- A notice of final denial of such benefits.

When you do receive approval or notice of final denial of the above referenced Other Income benefits, you must notify the administrator immediately so the amount of your disability benefit can be adjusted. You must promptly repay any overpayments.

Benefits start on Day 8 of a disability due to illness, including pregnancy, and on Day 1 of a disability due to injury (the Elimination Period). You must report your case to:

**Prior to August 1, 2012**

You must report your case to Aetna at (866) 280-8648 if you are (or expect to be) absent from work for more than five consecutive workdays. Even if you are receiving 100% of pay, **you must register your disability with Aetna.** You will not be eligible for STD benefits for any period of time in which you are eligible to receive paid sick leave, and the combination of paid sick leave and STD benefits will not exceed 52 weeks.

**Effective August 1, 2012**

You must report your case to MetLife at (855) 517-8273 if you are (or expect to be) absent from work for more than five consecutive workdays. Even if you are receiving 100% of pay, **you must register your disability with MetLife.** You will not be eligible for STD benefits for any period of time in which you are eligible to receive paid sick leave, and the combination of paid sick leave and STD benefits will not exceed 52 weeks.

You must provide a doctor's certification that you are disabled and medically unable to work because of the specific condition. The Claims Administrator may request any additional evidence it believes is necessary before deciding that benefits are payable.

More than one disability absence will be part of the same period of disability:

- If it is due to the same or a related cause; and
- If it is separated by less than two consecutive weeks of full-time work.

Your Maximum Period of Payment starts over if:

- A new disability absence is due to a cause different from that of any prior disability; and
- It is separated from the prior disability by at least one day of full-time active work.

---

## ***STD Benefit Limitations***

No benefits are payable for:

- Days on which you do work for pay or profit outside American Water.
- Any period of time you are not under a doctor's care. You must have been seen in person and treated by a doctor to be deemed under his or her care.
- The date you cease or refuse to participate in a required Rehabilitation Program.

---

## ***Coverage for Occupational Illness or Injury***

This Plan pays a weekly benefit if you are absent from work, while covered, because of an illness or injury resulting from employment with American Water. However, the weekly benefit amount will be reduced by the weekly amount for which you are eligible for time lost under any Workers' Compensation law or any other similar law or doctrine. This benefit runs concurrently with sick leave.

---

## ***Work Incentive***

Effective August 1, 2012, if you work while you are disabled and receiving weekly benefits, your weekly benefit will not be reduced by the amount you earn from working, except to the extent that such adjusted weekly benefit plus the amount you earn from working and the income you receive from other income exceeds 100% of your Predisability Earnings as calculated in the definition of disability.

---

## *Submitting STD Claims*

To apply for benefits under the Short Term Disability Plan, contact the Claims Administrator (see page 175).

To receive disability benefits, you must file a claim within 31 days of your disability. Even if you are using sick time, **you must register your disability with the Claims Administrator**. Benefits will begin after the Elimination Period as soon as the Claims Administrator receives the information to verify your disability.

While you are receiving STD benefits, you may be required to periodically provide the Claims Administrator with additional medical information from your doctor documenting your continued disability. The Claims Administrator may also require that an appointed doctor examine you in order to verify your disability.

**It is your responsibility to provide the Claims Administrator with the requested documentation supporting your claim. Otherwise, your benefits will stop.**

---

## *Legal Action*

No legal action can be brought to recover under any benefit after three years from the deadline for filing claims.

The Claims Administrator will not try to reduce or deny a benefit payment on the grounds that a condition existed before a person's coverage went into effect, if the loss occurs more than two years from the date coverage commenced. This will not apply to conditions excluded from coverage on the date of the loss.

---

## *Recovery of Overpayments*

If payments are made in amounts greater than the benefits that you are entitled to receive, the Claims Administrator, in its capacity as the provider of administrative services to this Plan, has the right to do any one or all of the following:

- To require you to return the overpayment on request;
- To stop payment of benefits until the overpayment is recovered;

- To take any legal action needed to recover the overpayment; and
- To place a lien, if not prohibited by law, in the amount of the overpayment on the proceeds of any other income, whether on a periodic or lump sum basis.

---

## *Types of Facility*

### **Hospital**

This is an institution that:

- Mainly provides, on an inpatient basis, diagnostic and therapeutic facilities for surgical and medical diagnosis, treatment, and care of injured and sick persons;
- Is supervised by a staff of doctors;
- Provides 24-hour-a-day registered nursing (RN) service; and
- Is not mainly a place for rest, for the aged, for drug addicts, for alcoholics, or a nursing home.

An institution which does not provide complete surgical services, but which meets all the other tests listed above, will also be deemed a hospital if:

- It provides services chiefly to patients all of whom have conditions related either by a medical specialty field or a specific disease category; and
- While confined, the patient is under regular therapeutic treatment by a doctor for the injury or disease.

### **Treatment Facility**

This is an institution (or distinct part thereof) that is for the treatment of alcoholism or drug abuse and which meets fully every one of the following tests:

- It is primarily engaged in providing on a full-time inpatient basis, a program for diagnosis, evaluation, and treatment of alcoholism or drug abuse.
- It provides all medical detoxification services on the premises, 24 hours a day.

- It provides all normal infirmary-level medical services required during the treatment period, whether or not related to the alcoholism or drug abuse, on a 24-hour daily basis. Also, it provides, or has an agreement with a hospital in the area to provide, any other medical services that may be required during the treatment period.
- On a continuous 24-hour daily basis, it is under the supervision of a staff of doctors, and provides skilled nursing services by licensed nursing personnel under the direction of a full-time registered graduate nurse.
- It prepares and maintains a written individual plan of treatment for each patient based on a diagnostic assessment of the patient's medical, psychological, and social needs with documentation that the plan is under the supervision of a doctor.
- It meets any applicable licensing standards established by the jurisdiction in which it is located.

---

## ***Third Party Liability and Subrogation***

### **General Principle**

When you receive disability benefits under the Plan which are related to disabilities for which benefits are payable under Workers' Compensation, any statute, any uninsured or underinsured motorist program, any no fault or school insurance program, any other insurance policy or any other plan of benefits, or when related expenses that arise through an act or omission of another person are paid by a third party, whether through legal action, settlement or for any other reason, you or your eligible spouse, same-sex domestic partner or child(ren) shall reimburse the Plan for the related benefits received out of any funds or monies you recover from any third party.

### **Specific Requirements and Plan Rights**

Because the Plan is entitled to reimbursement, the Plan shall be fully subrogated to any and all rights, recovery, or causes of actions or claims that you may have against any third party. The Plan is granted a specific and first right of reimbursement from any payment, amount, or recovery from a third party. This right to reimbursement is regardless of the manner in which the recovery is structured or worded, and even if you have not been paid or fully reimbursed for all damages or expenses.

The Plan's share of the recovery shall not be reduced because the full damages or expenses claimed have not been reimbursed, unless the Plan agrees in writing to such reduction. Further, the Plan's right to subrogation or reimbursement will not be affected or reduced by the "make whole" doctrine, the "fund" doctrine, the "common fund" doctrine, comparative/contributory negligence, "collateral source" rule, "attorney's fund" doctrine, regulatory diligence, or any other equitable defenses that may affect the Plan's right to subrogation or reimbursement.

The Plan may enforce its subrogation or reimbursement rights by requiring you to assert a claim to any of the benefits to which you may be entitled. The Plan will not pay attorneys' fees or costs associated with the claim or lawsuit without express written authorization from the Company.

If the Plan should become aware that you have received a third party payment, amount, or recovery and not reported such amount, the Plan, in its sole discretion, may suspend all further benefits payments related to you or your eligible spouse, same-sex domestic partner, or child(ren) until the reimbursable portion is returned to the Plan or offset against amounts that would otherwise be paid to or on behalf of you.

### **Participant Duties and Actions**

By participating in the Plan you consent and agree that a constructive trust, lien, or equitable lien by agreement in favor of the Plan exists with regard to any settlement or recovery from a third person or party. In accordance with that constructive trust, lien, or equitable lien by agreement, you agree to cooperate with the Plan in reimbursing it for Plan costs and expenses.

Once you have any reason to believe that you may be entitled to recovery from any third party, you must notify the Plan. And, at that time, you (and your attorney, if applicable) must sign a subrogation/reimbursement agreement that confirms the prior acceptance of the Plan's subrogation rights and the Plan's right to be reimbursed for expenses arising from circumstances that entitle you to any payment, amount, or recovery from a third party.

If you fail or refuse to execute the required subrogation/reimbursement agreement, the Plan may deny payment of any benefits to you and your eligible spouse or same-sex domestic partner and child(ren) until the agreement is signed. Alternatively, if you fail or refuse to execute the required subrogation/reimbursement agreement and the Plan nevertheless pays benefits to or on behalf of you, your acceptance of such benefits shall constitute agreement to the Plan's right to subrogation or reimbursement.

You consent and agree that you shall not assign your rights to settlement or recovery against a third person or party to any other party, including their attorneys, without the Plan's consent. As such, the Plan's reimbursement will not be reduced by attorneys' fees and expenses without express written authorization from the Plan.

## *Life Insurance Benefits*

**Note:** *The benefits described in this section may vary depending on the terms of your collective bargaining agreement. Please refer to your collective bargaining agreement for details.*

---

## *Life Insurance Benefits*

American Water helps you provide financial security for your family in the event of your death. You also have coverage in case of a specific accidental injury, or if you die as the result of an accident.

In addition to the coverage provided to you at no cost by American Water, you also have the option of buying supplemental Life Insurance coverage for you or your eligible dependents.

The following table summarizes the Plan's Life Insurance benefits.

<b>Basic Life</b>	1.25 times your base pay* (maximum benefit \$200,000)
<b>Accidental Death and Dismemberment</b>	Up to a maximum benefit of \$10,000
<b>Voluntary Life</b>	1, 2, or 3 times your base pay* (maximum benefit \$1,000,000)
<b>Voluntary Dependent Life</b>	\$20,000 (spouse or same-sex domestic partner) and \$10,000 per dependent child

*\*Rounded up to the next higher \$1,000*

---

## *Eligibility*

If you are a full-time eligible employee (see "Eligibility" on page 5), you are eligible to participate in American Water Life Insurance Benefit Plan. Your eligibility and participation date is in accordance with your collective bargaining agreement, provided you are then actively working or would have been able to work had you been scheduled to work that day. If you are on a layoff, on disability, or on leave of absence on your eligibility date, coverage or an increase in coverage will begin on the day you return to active work.

---

## ***Basic Life Insurance***

Your Company-paid Life Insurance amount is equal to 1.25 times your base pay (base pay does not include commissions, overtime, bonus pay, or any other special pay), rounded to the next higher \$1,000. The maximum benefit is \$200,000.

Your Life Insurance amount will increase automatically with salary increases. If you are an hourly-paid employee, your Life Insurance benefit is calculated based on your normally scheduled hours, excluding overtime.

This is an insured plan underwritten by MetLife. The provisions of the Plan will remain effective only while you are covered under the group contract.

---

## ***Imputed Income***

Federal law requires you to pay income taxes on the value of Company-provided group term Life Insurance coverage on your life (but not Voluntary Life Insurance) that exceeds \$50,000. Therefore, you have additional income called “imputed income” that is included in your annual compensation for income tax withholding and Social Security purposes. You do not actually receive additional income in your paycheck. The imputed income amount is determined by the IRS using age-related rates.

### **Accelerated Death Benefits**

If you (or your spouse or same-sex domestic partner, if enrolled in voluntary dependent coverage) become terminally ill while covered under the Life Insurance program, you may request that MetLife pay an Accelerated Death Benefit.

“Terminally ill” is defined as a person who:

- Suffers from an incurable, progressive, and medically recognized disease or condition; and
- To a reasonable medical probability and based on generally accepted protocols, will not survive longer than six months.

You may request an Accelerated Death Benefit on your own behalf or on behalf of your spouse or same-sex domestic partner (if enrolled in voluntary dependent coverage) at any time by completing a MetLife Request for Accelerated Death Benefit Form and submitting it to MetLife. The request must include the statement of a currently licensed United States doctor that you or your spouse or same-sex domestic partner is terminally ill.

The doctor's statement must include:

- All medical test results;
- Laboratory reports; and
- Any other information on which the statement is based, including the generally accepted protocols used by the doctor to determine the person's expected remaining life span.

Your request for an Accelerated Death Benefit must state the amount of the benefit requested. The Plan includes an Accelerated Death Benefit of 50% of your normal Death Benefit to you or your spouse or same-sex domestic partner in the event of a terminal illness. The Accelerated Death Benefit Minimum is \$5,000 and the Accelerated Death Benefit Maximum is \$100,000 of Basic Life Insurance and \$300,000 of Voluntary Life Insurance.

This benefit can be requested only once on your own behalf and once for your spouse or same-sex domestic partner. If someone other than you owns the Life Insurance coverage for you and your spouse or same-sex domestic partner, the Accelerated Death Benefit will not be available under this Plan for or on behalf of such person.

Payment of Accelerated Benefits will reduce your Life Insurance Benefits or Death Benefits and the amount available for you to convert to a personal policy of life insurance as described under "Conversion of Your Life Insurance."

**Age Reduction Rule** *(applies to Basic Life, Optional Life, Voluntary Life, and Accidental Death and Dismemberment)*

Your Life Insurance amount in force on the day before the month of your 70<sup>th</sup> birthday will be reduced by 35% at age 70; 60% at age 75; and 75% at age 80.

If you become insured during or after the month in which you reach the above ages (70, 75, or 80), your Life Insurance amount will be the applicable percentage of the amount shown for your classification.

### **Life Insurance After Termination**

In most cases, you may apply for an individual policy under the Conversion Privilege within 31 days after your American Water Life Insurance ceases. If you die during this 31-day period and before the individual policy goes into effect, the amount payable under the group policy is limited to the maximum that could have been converted. The limit applies even if you have not applied for, or paid the first premium on, the individual policy. This applies to Basic and Voluntary Life Insurance.

### **Conversion of Your Life Insurance**

If any of your Life Insurance ceases because your employment ends or you are no longer in a class eligible for that insurance, or because of age, pension, or retirement, you may convert the amount of insurance which ends (or a lesser amount, if desired) to an individual policy. This applies to Basic and Voluntary Life Insurance.

Your converted policy may be any kind of individual policy then customarily being issued by MetLife for the amount being converted and for your age (nearest birthday) on the date it will be issued, except a term policy or one with disability or other supplementary benefits.

When Life Insurance ends because that part of the group contract discontinues as to your employee class, and your insurance has been in force under the group contract for at least five years in a row before it was discontinued, you may convert the amount that ends (minus the amount of any group life insurance for which you become eligible within 31 days of discontinuance) to an individual policy. The maximum amount that can be converted by each person in any event is \$10,000.

### **Applying for an Individual Policy**

In order to convert, you must make written application for an individual policy and pay the first premium within 31 days after insurance ends for any of the above reasons. No evidence of insurability (that is, proof of good health) will be required. The individual policy will become effective at the end of the 31-day period during which conversion is possible.

The premiums for the converted policy will be at MetLife's then customary rates for the same policy issued to any other person of the same class of risk and age at the time the converted policy is to become effective.

After an individual policy becomes effective for any person, that policy will be in exchange for all benefits and privileges under the group contract as regards the person involved and the amount that could have been converted.

## Effect of Prior Coverage

In most cases, you may apply for an individual policy under the Conversion Privilege within 31 days after your American Water Life Insurance ceases. If you die during this 31-day period and before the individual policy goes into effect, the amount payable under the group policy is limited to the maximum that could have been converted. The limit applies even if you have not applied for, or paid the first premium on, the individual policy.

If the coverage of any person under any part of this Plan replaces any of the person's prior coverage, the rules below apply to that part.

"Prior coverage" is any plan of group insurance sponsored by American Water that has been replaced by coverage under part or all of this Plan. The replacement can be complete or in part for the Eligible Class to which you belong. Any such plan is prior coverage if provided by another group contract or any benefit section of this Plan.

A person's Life Insurance under this Plan replaces and supersedes any prior life insurance. It will be in exchange for everything under the prior life insurance. If you or your beneficiary becomes entitled to a claim under the prior life insurance, your Life Insurance under this Plan will be canceled as of its effective date and any premiums paid for your Life Insurance under this Plan will be returned to American Water.

The mode of settlement you chose and the beneficiary you named under a prior MetLife plan will apply to this Plan. This can be changed according to the terms of this Plan.

---

## *Voluntary Life Insurance*

## Voluntary Coverage for You

In addition to Company-paid Life Insurance, you can buy supplemental Life Insurance coverage for you or your eligible dependents on an after-tax basis.

You can buy Life Insurance of one, two, or three times your base pay, up to a maximum benefit of \$1,000,000. You must be actively at work in order for coverage to take effect.

If you want to buy coverage over \$300,000 at the initial offering, you will be required to show proof of good health. You will be enrolled in the level that does not exceed \$300,000 until proof of good health is approved by MetLife. If you do not elect supplemental coverage at the initial offering, proof of good health will be required for *any* amount of coverage.

**Voluntary  
Coverage for  
Your Dependents**

**Note:** You will be required to show proof of good health if you:

- Did not enroll previously for coverage;
- Elect coverage over \$300,000; or
- Elect more than one times your current Voluntary Life Insurance coverage amount.

If proof of good health is required, your election will be pended until you receive approval from MetLife.

You can also buy supplemental Life Insurance coverage of \$20,000 for your spouse or same-sex domestic partner and \$10,000 for each dependent. Eligible dependents include children age 14 days to age 19, or to age 23 if a full-time student.

*Note: To be considered a full-time student, you must be enrolled in an educational institution and taking at least 12 credit hours per semester/quarter or attend a post-secondary technical school.*

You will be required to show proof of good health if you:

- Did not previously enroll for coverage; or
- Previously elected no coverage.

**Cost**

The following table shows the premiums for Voluntary Life Insurance in 2012:

<b>Voluntary Life Insurance Premiums (per \$1,000 of base pay)</b>			
<b>Age</b>	<b>Monthly Cost*</b>	<b>Age</b>	<b>Monthly Cost</b>
Under 30	\$0.066	50-54	\$0.353
30 – 34	\$0.088	55-59	\$0.651
35 – 39	\$0.110	60-64	\$0.827
40 – 44	\$0.132	65-69	\$1.511
45 – 49	\$0.210	70 and over	\$2.437

*\*The monthly cost is calculated on your age as of December 31, 2012. For example, if you will reach age 35 on or after January 1, 2012, your monthly cost per \$1,000 will be \$0.110.*

The following table shows the premiums for voluntary spouse or same-sex domestic partner and dependent life insurance:

<b>Voluntary Spouse and Dependent Life Insurance Premiums</b>	
Spouse or Same-Sex Domestic Partner	\$5.00 per month
Dependent Child(ren)	\$1.20 per month per family

### *Optional Employee Group Term Life Insurance*

**Participation Frozen as of December 31, 1995**

Participation in the current Optional Employee Group Term Life Insurance Plan was frozen as of December 31, 1995. If you are currently enrolled in either of the two options of this Plan, your participation will continue while you remain actively employed. Participants' life insurance amounts will increase as their salary increases, according to the following Plan options:

**Option A**

100% of your Salary Scheduled Amount, up to \$40,000 of coverage.

**Option B**

50% of your Salary Scheduled Amount, up to \$20,000 of coverage.

Employees enrolled in this Plan have coverage as indicated in the following chart.

The Plan will pay a life insurance benefit equal to the amount of life insurance in force for you if you die from any cause while insured. This benefit will end upon retirement or termination, but can be converted to an individual policy.

<b>Annual Basic Earnings</b>	<b>Insurance</b>	
	<b>Option A (100%)</b>	<b>Option B (50%)</b>
\$38,000 or more	\$40,000	\$20,000
\$35,000 but less than \$38,000	\$38,000	\$19,000
\$32,000 but less than \$35,000	\$35,000	\$17,500
\$29,000 but less than \$32,000	\$32,000	\$16,000
\$26,000 but less than \$29,000	\$29,000	\$14,500

Annual Basic Earnings	Insurance	
	Option A (100%)	Option B (50%)
\$22,500 but less than \$26,000	\$26,000	\$13,000
\$19,500 but less than \$22,500	\$23,000	\$11,500
\$16,500 but less than \$19,500	\$20,000	\$10,000
\$13,500 but less than \$16,500	\$17,000	\$8,500
\$10,400 but less than \$13,500	\$14,000	\$7,000

## *Beneficiaries*

When you elect to participate in any of these Plans, you need to designate a beneficiary (or beneficiaries) to receive life insurance benefits if you die.

You may name or change your beneficiary by submitting a Beneficiary Designation Form, which is available from the Benefits Service Center. The naming or any change will take effect on the date the Benefits Service Center receives your completed and signed Beneficiary Designation Form.

Any amount payable to a beneficiary will be paid to those you name. Unless you state otherwise, if more than one beneficiary is named, they will share on equal terms.

If a named beneficiary dies before you, his or her share will be payable in equal shares to any other named beneficiaries who survive you, unless you have chosen otherwise.

If no named beneficiary survives you or if none has been designated, the payment would be made in the order below:

- Your spouse or same-sex domestic partner, if any.
- If you have no spouse or same-sex domestic partner, in equal shares to your children.
- If you have no spouse, same-sex domestic partner, or child, to your parents, equally or to the survivor.

- If you have no spouse, same-sex domestic partner, child, or parent, in equal shares to your brothers and sisters.
- If none of the above survives, to your executors or administrators.

---

## ***Total Disability Benefits***

For the purposes of a total disability benefit, you are considered permanently and totally disabled only if:

- An illness or injury stops you from working at:
  - Your own job; or
  - Any other job for which you are fit by your education, your training, or your experience.

You must meet all of the following to be eligible for a total disability benefit:

- Your Life Insurance must be in force when you become totally disabled.
- You must be under age 60 when you first become totally disabled.
- You must furnish all proof when requested. MetLife has the right to examine you, at its expense, before approving the proof.

### **Waiver**

If you are under age 60 and you are totally disabled while insured under the Plan (as defined above) for six or more months from the date you were last actively at work, and you furnish all information, notices, and proof when required, the amount of your Life Insurance in force on your last day actively at work may be extended during the disability, without payment of premiums and contributions. The duration, nature, and extent of disability determine eligibility for this extension. This insurance benefit reduces to \$10,000 when you reach age 70.

Any total disability should be reported immediately to American Water for help in determining whether you qualify for this extended insurance and the amount of insurance that may be continued. Refer to the “Age Reduction Rule” on page 124 and “Conversion of Your Life Insurance” on page 125 which may apply to this Life Insurance amount.

### **Effective August 1, 2012**

Waiver of premium will be initiated through the MetLife Disability Unit. If additional information is needed you may be requested to provide this information to MetLife.

**Prior to August 1, 2012**

Application for Waiver of Premium should be filed after your 8<sup>th</sup> month of disability but **before** the end of the 12<sup>th</sup> full month of disability. For example, if your first day of absence from work due to disability was February 15, 2012, the application should be filed after October 15, 2012 but **before** February 14, 2012. Your local HR representative will initiate the process by sending you the application and instructions. You will then be required to forward the completed application and any required documentation to MetLife. Please contact your HR representative if you have any questions or concerns.

If any individual policy has been issued to you under the Conversion Privilege, your rights under this section may be restored. In order to restore those rights, you must give up all such policies without claim, except for the return of the premiums you paid.

***Accidental Death and Dismemberment  
Coverage (AD&D)***

This Plan is an insured plan underwritten by MetLife. The provisions of the Plan will remain effective only while you are covered under the group contract.

Your Company-paid AD&D Insurance pays up to a maximum benefit of \$10,000, called the “Principal Sum.” The following must occur for benefits to become payable: while insured, you suffer a loss of life or bodily injury in an accident and, within one year after the accident and as a direct result of the injury, subject to exclusions:

<b>Covered Losses (Subject to Exclusions)</b>	<b>Benefit Amounts</b>
<b>Life</b>	Full Amount
<b>A hand</b>	One-half of the Full Amount
<b>A foot</b>	One-half of the Full Amount
<b>Sight of an eye</b>	One-half of the Full Amount
<b>Any combination of a hand, a foot, or sight of an eye</b>	Full Amount
<b>Thumb and index finger of same hand</b>	One-quarter of the Full Amount
<b>Speech and hearing</b>	Full Amount
<b>Speech or hearing in both ears</b>	One-half of the Full Amount

Covered Losses (Subject to Exclusions)	Benefit Amounts
<b>Quadriplegia</b>	Full Amount
<b>Paraplegia</b>	One-half of the Full Amount
<b>Hemiplegia</b>	One-half of the Full Amount
<b>Uniplegia</b>	One-quarter of the Full Amount

- Loss of sight of an eye means that the eye is entirely blind and that no sight can be restored in that eye.
- Loss of a hand means that all of the hand is cut off at or above the wrist.
- Loss of a foot means that all of the foot is cut off at or above the ankle.
- Loss of thumb and index finger means actual severance through or above the third joint from the tip of the index finger and the second joint from the tip of the thumb.
- Loss of speech and hearing means the entire and irrecoverable loss which has lasted continuously for 12 consecutive months following the injury.
- Quadriplegia means total paralysis of both upper and lower limbs on one side of the body.
- Paraplegia means total paralysis of both lower limbs.
- Hemiplegia means total paralysis of upper and lower limbs on one side of the body.
- Uniplegia means total paralysis of one limb.
- Paralysis means loss of use, without severance, of a limb. Paralysis must be determined by competent medical authority to be permanent, complete and irreversible.

No more than the Principal Sum is payable for all losses which result from one accident. Benefits are paid for losses caused by accidents only.

**No benefits are payable for a loss caused or contributed to by:**

- Physical or mental illness, diagnosis of or treatment for the illness;
- An infection, unless it is caused by an external wound that can be seen and which was sustained in an accident;
- Suicide or attempted suicide;
- Injuring oneself on purpose;
- The use of any drug or medicine;
- A war, or a warlike action in time of peace, including terrorist acts;
- Committing or trying to commit a felony or other serious crime or an assault;
- Any poison or gas, voluntarily taken, administered or absorbed;
- Service in the armed forces of any country or international authority, except the United States National Guard;
- Operating, learning to operate, or serving as a member of a crew of an aircraft; or while in any aircraft operated by or under any military authority (other than the Military Airlift Command); or while in any aircraft being used for a test or experimental purposes; or while in any aircraft used or designed for use beyond the Earth's atmosphere; or while in any aircraft for the purpose of descent from such aircraft while in flight (except for self preservation); or
- Driving a vehicle while intoxicated as defined by the laws of the jurisdiction in which the vehicle was being operated.

## *Submitting Claims*

Employee Life and AD&D Insurance benefits may be assigned in accordance with the MetLife contract. For more information on assignment you can contact the Benefits Service Center.

To receive Life Insurance benefits under the Basic Life Insurance Plan, Optional Employee Group Term Life Plan, or Voluntary Life Insurance Plan, your beneficiary must complete and submit the appropriate Statement of Claim form and provide a certified death certificate to the Benefits Service Center within one year of the death.

If you were totally disabled at the time of your death and American Water was continuing your coverages at no cost to you, your beneficiary may be required to submit proof that total disability was continuous up to the date of your death.

### **For Life Insurance Benefits**

## **For AD&D Insurance Benefits**

To receive AD&D Insurance benefits, you must complete and submit the appropriate Statement of Claim form and provide proof documenting your loss to the Benefits Service Center within 20 days after the loss occurs. In some cases, you may be requested to undergo an independent medical examination before benefits can be paid.

## **How Benefits Are Paid**

Approved Life and AD&D Insurance benefits are paid in a lump sum. However, other payment options may be available from MetLife. The Benefits Service Center will provide information about optional payment methods when you or your beneficiary is eligible to receive benefits.

## **When Benefits End**

Coverage under the Plan terminates when the first of these events happens:

- The day your employment ends.
- When the group contract terminates as to the coverage.
- When you are no longer in an eligible participant. (This may apply to all or part of your coverage.)
- When you fail to make any required contribution.

A dependent's coverage will terminate at the first to occur of:

- The termination of all dependents' coverage under the group contract.
- When such person is no longer an eligible dependent.
- When your coverage terminates.
- When you fail to make any required contribution.

*Employee Assistance  
Program (EAP)*

## *Employee Assistance Program*

The Employee Assistance Program (EAP), run by Carebridge, provides the support you need to deal with the variety of challenges you may face – financial, legal, family, emotional, etc. All EAP services are free and confidential for you and your eligible spouse or same-sex domestic partner and child(ren).

Carebridge also provides a website, [www.myliferesource.com](http://www.myliferesource.com), which puts a wealth of resources right at your fingertips. The Universal LifeHelps Library is one of the most extensive resources on the Web with over 1,474 Resource Centers centered on the five major areas of modern life: Myself, My Relationships, My Daily Life Concerns, My Wellness, and My Work. In addition, you will have access to legal documents and help finding service providers (e.g., childcare locations). You can visit the new, improved Carebridge website at [www.myliferesource.com](http://www.myliferesource.com). When visiting for the first time, enter the American Water organization code (HXSBJ) to register for your account.

You don't have to access the Internet to benefit from Carebridge services. You can contact an EAP counselor by phone 24 hours a day, seven days a week at (800) 437-0911.

## *Plan Notices*

### **Medicare Part D Notice**

If you are actively at work at age 65 or older and then you retire and become Medicare-eligible, you must call the Benefits Service Center to request a Notice of Creditable Coverage to avoid the Medicare Part D late enrollment fee.

### **Medicare Part B Enrollment**

The following information comes from <http://questions.medicare.gov>, the Official U.S. Government Site for People with Medicare.

#### **Can I delay Medicare Part B enrollment without paying higher premiums?**

Yes. In certain cases, you can delay your Medicare Part B enrollment without having to pay higher premiums. If you didn't take Medicare Part B when you were first eligible because you or your spouse was working and had group health plan coverage through your or your spouse's employer or union, you can sign up for Medicare Part B during a Special Enrollment Period. You can sign up:

- Anytime you are still covered by the employer or union group health plan through your or your spouse's current or active employment; or
- During the eight months following the month the employer or union group health plan coverage ends or when the employment ends (whichever is first).

If you are disabled and working (or you have coverage from a working family member), the Special Enrollment Period rules also apply.

#### **Effective date if you sign up during a Special Enrollment Period**

If you enroll in Medicare Part B while covered by the group health plan or during the first full month after coverage ends, your Medicare Part B coverage starts on the first day of the month you enroll. You also can delay the start date for Medicare Part B coverage until the first day of any of the following three months.

If you enroll during any of the seven remaining months of the Special Enrollment Period, your Medicare Part B coverage begins the month after you enroll.

**Remember:** If you do not enroll in Medicare Part B during your Special Enrollment Period, you'll have to wait until the next General Enrollment Period, which is January 1 through March 31 of each year. You may then have to pay a higher Medicare Part B premium because you could have had Medicare Part B and did not take it. Call the Social Security Administration at (800) 772-1213 for more information or to enroll in Medicare. You can visit the Social Security website at [www.socialsecurity.gov](http://www.socialsecurity.gov).

## *Amendment or Termination of the Plan*

### **The Right to Amend or Terminate the Plan**

American Water reserves the right to amend all or any of our employee benefit plans at any time, without prior notice to participants, including the right to change eligibility criteria or program costs and the right to restrict or eliminate benefits provided. The decision to change or end the plans may be caused by changes in federal or state laws governing benefits, the requirements of the Internal Revenue Code or ERISA, or any other reason.

The authority to make any such changes to the Plan generally rests with the Board of Directors of American Water or its designee, although the Plan Administrator may also change the Plan as required by law or in a manner which will not result in a material cost.

You will be notified if any material changes are made to the Plan or if it is terminated. No amendment, termination, or partial termination of the Plan will affect claims incurred for which items or services have been provided before the date of amendment, termination, or partial termination.

---

## *Filing a Claim*

The claim-filing procedures for each type of benefit are outlined in the individual sections describing the benefits. In general, you and your eligible spouse, same-sex domestic partner, child(ren), or designated beneficiary (when applicable) must file a written claim on the proper form. You can obtain the necessary claim forms from the Benefits Service Center.

---

## *Claim Determination and Appeals Process*

The contracts, booklets, and other materials that describe a particular benefit under the Plan will generally contain a specific set of claims and appeals procedures that you must follow to make a claim to receive that particular benefit and/or to appeal a denied claim for that particular benefit. Although these separate claims and appeals procedures will be very similar in most respects, there may be important differences. Because of this, you should follow the specific claims and appeals procedures for a particular benefit very carefully. If the documents and other materials that describe a particular benefit do not contain a specific set of claims and appeals procedures, the Plan's default procedures as described below will apply. Also, the Plan's default procedures shall apply to the extent the claims and/or appeals procedures do not comply with ERISA or other applicable law. If you have any questions about which set of claims and appeals procedures to follow or any other questions about making a claim, you should contact the Plan Administrator immediately.

For purposes of this section of the SPD describing the Plan's default claims and appeals procedures, the third parties to whom the Plan Administrator has delegated the authority to review and evaluate claims (in the case of the self-insured plans) and the insurance carriers (in the case of the insured plans) shall be referred to as the "Claims Administrator" at the initial claim level and the "Appeals Administrator" at the appeal level.

A request for benefits is a "claim" subject to these procedures only if you or your authorized representative files it in accordance with the Plan's claim filing guidelines. In general, claims must be filed in writing (except urgent care claims, which may be made orally) with the applicable provider. Any claim that does not relate to a specific benefit under the Plan (for example, a general eligibility claim) must be filed with the Plan Administrator at the address set forth in the "Additional Plan Information" section on page 138. A request for prior approval of a benefit or service where prior approval is not required under the Plan is not a "claim" under these rules. Similarly, a casual inquiry about benefits or the circumstances under which benefits might be paid under the Plan is not a "claim" under these rules, unless it is determined that your inquiry is an attempt to file a claim. If a claim is received but there is not enough information to allow the Claims Administrator to process the claim, you will be given an opportunity to provide the missing information.

## **Claims Not Involving Health Benefits**

If you want to bring a claim for benefits under the Plan, you may designate an authorized representative to act on your behalf as long as you provide written notice of such designation to the Claims Administrator and/or the Appeals Administrator identifying such authorized representative. In the case of a claim for medical benefits involving urgent care, a health care professional with knowledge of your medical condition may act as your authorized representative with or without prior notice.

In the case of a claim not involving health benefits (e.g., Life, AD&D, LTD, STD, and Dependent Care Flexible Spending Account), initial claims for benefits under the Plan should be made by you in writing to the Claims Administrator.

### **Time Periods for Responding to Initial Claims**

If you bring a claim for benefits under the Plan, the Claims Administrator will respond to you within 90 days (45 days for a claim involving disability benefits) after receipt of the claim. For claims not involving disability benefits, if the Claims Administrator determines that an extension is necessary due to matters beyond the control of the Plan, the Claims Administrator will notify you within the initial 90-day period that up to an additional 90 days is needed to review your claim. In the case of a claim involving disability benefits, the Claims Administrator will notify you within the initial 45-day period that up to an additional 30 days is needed to review your claim. If the Claims Administrator determines that additional time is necessary to review your claim for disability benefits, the Claims Administrator may notify you of an additional 30-day extension.

### **Notice and Information Contained in Notice Denying Initial Claim**

If the Claims Administrator denies your claim (in whole or in part), the Claims Administrator will provide you with written notice of the denial. This notice will include the following:

- Reason for the denial – the specific reason or reasons for the denial;
- Reference to plan provisions – reference to the specific plan provisions on which the denial is based;
- Description of additional material – a description of any additional material or information necessary for you to substantiate your claim and an explanation as to why such information is necessary;

- Description of any internal rules – in the case of any claim involving disability benefits, a copy of any internal rule, guideline, protocol, or other similar criterion relied upon in making the initial determination or a statement that such a rule, guideline, protocol, or other criterion was relied upon in making the determination and that a copy of such rule will be provided to you free of charge at your request; and
- Description of claims appeals procedures – a description of the Plan’s appeals procedures and the time limits applicable for such procedures, including a statement that you are eligible to bring a civil action in federal court under Section 502 of ERISA to appeal any adverse decision on appeal.

#### **Appealing a Denied Claim for Benefits**

If the Claims Administrator denies your initial claim for benefits, you may appeal the denial by filing a written request with the Appeals Administrator within 60 days (180 days in the case of a claim involving disability benefits) after you receive the notice denying your initial claim for benefits. If you decide to appeal a denied claim for benefits, you will be able to submit written comments, documents, records, and other information relating to your claim for benefits (regardless of whether such information was considered in your initial claim for benefits) to the Appeals Administrator for review and consideration. You will also be entitled to receive, upon request and free of charge, access to, and copies of all documents, records, and other information relevant to your appeal.

#### **Time Periods for Responding to Appealed Claims**

If you appeal a denied claim for benefits under the Plan, the Appeals Administrator will respond to you within 60 days (45 days in the case of a claim involving disability benefits) after receipt of the claim. If the Appeals Administrator determines that an extension is necessary due to matters beyond the control of the Plan, the Appeals Administrator will notify you within the initial 60-day period (the initial 45-day period in the case of a claim involving disability benefits) that up to an additional 60 days (45 days in the case of a claim involving disability benefits) is needed to review your claim.

#### **Notice and Information Contained in Notice Denying Appeal**

If the Appeals Administrator denies your claim (in whole or in part), the Appeals Administrator will provide you with written notice of the denial. This notice will include the following:

- Reason for the denial – the specific reason or reasons for the denial;
- Reference to plan provisions – reference to the specific plan provisions on which the denial is based;

- Statement of entitlement to documents – a statement that you are entitled to receive, upon request and free of charge, access to and copies of, all documents, records and other information that is relevant to your claim and/or appeal for benefits;
- Description of any internal rules – in the case of a claim involving disability benefits, a copy of any internal rule, guideline, protocol, or other similar criterion relied upon in making the appeal determination or a statement that such a rule, guideline, protocol, or other criterion was relied upon in making the appeal determination and that a copy of such rule will be provided to you free of charge at your request; and
- Statement of right to bring action – a statement that you are entitled to bring a civil action in federal court under Section 502 of ERISA to pursue your claim for benefits.

The decision of the Appeals Administrator shall be final and conclusive on all persons claiming benefits under the Plan, subject to applicable law. If you challenge the decision of the Appeals Administrator, a review by a court of law will be limited to the facts, evidence, and issues presented during the claims procedure set forth above. The appeal process described herein must be exhausted before you can pursue the claim in federal court. Facts and evidence that become known to you after having exhausted the appeals procedure may be submitted for reconsideration of the appeal in accordance with the time limits established above. Issues not raised during the appeal will be deemed waived.

## Claims Involving Medical Benefits

In the case of a claim involving medical benefits, initial claims for benefits under the Plan should be made by you in writing to the Claims Administrator.

### **Types of Claims**

There are several different types of claims that you may bring under the Plan. The Plan's procedures for evaluating claims (for example, the time limits for responding to claims and appeals) depend upon the particular type of claim. The types of claims that you generally may bring under the Plan are as follows:

- Pre-Service Claim – A “pre-service claim” is a claim for a particular benefit under the Plan that is conditioned upon you receiving prior approval in advance of receiving the benefit. A pre-service claim must contain, at a minimum, the name of the individual for whom benefits are being claimed, a specific medical condition or symptom, and a specific treatment, service, or product for which approval is being requested.

- **Post-Service Claim** – A “post-service claim” is a claim for payment for a particular benefit or for a particular service after the benefit or service has been provided. A post-service claim must contain the information requested on a claim form provided by the applicable provider. *Note: Claims under the Health Care Flexible Spending Account are always post-service claims.*
- **Urgent Care Claim** – An “urgent care claim” is a claim for benefits or services involving a sudden and urgent need for such benefits or services. A claim will be considered to involve urgent care if the Claims Administrator or a doctor with knowledge of your condition determines that the application of the claims review procedures for non-urgent claims (i) could seriously jeopardize your life or your health, or your ability to regain maximum function, or (ii) in your doctor’s opinion, would subject you to severe pain that cannot adequately be managed without the care or treatment that is the subject of the claim.
- **Concurrent Care Review Claim** – A “concurrent care review claim” is a claim relating to the continuation/reduction of an ongoing course of treatment.

#### **Time Periods for Responding to Initial Claims**

If you bring a claim for benefits under the Plan, the Claims Administrator will respond to your claim within the following time periods:

- **Post-Service Claim** – In the case of a post-service claim, the Claims Administrator shall respond to you within 30 days after receipt of the claim. If the Claims Administrator determines that an extension is necessary due to matters beyond the control of the Plan, the Claims Administrator will notify you within the initial 30-day period that the Claims Administrator needs up to an additional 15 days to review your claim. If such an extension is necessary because you failed to provide the information necessary to evaluate your claim, the notice of extension will describe the information that you need to provide to the Claims Administrator. You will have no less than 45 days from the date you receive the notice to provide the requested information.

- Pre-Service Claim – In the case of a pre-service claim, the Claims Administrator shall respond to you within 15 days after receipt of the claim. If the Claims Administrator determines that an extension is necessary due to matters beyond the control of the Plan, the Claims Administrator will notify you within the initial 15-day period that the Claims Administrator needs up to an additional 15 days to review your claim. If such an extension is necessary because you failed to provide the information necessary to evaluate your claim, the notice of extension will describe the information that you need to provide to the Claims Administrator. You will have no less than 45 days from the date you receive the notice to provide the requested information.
- Urgent Care Claim – In the case of an urgent care claim, the Claims Administrator shall respond to you within 72 hours after receipt of the claim. If the Claims Administrator determines that it needs additional information to review your claim, the Claims Administrator will notify you within 24 hours after receipt of the claim and provide you with a description of the additional information that it needs to evaluate your claim. You will have no less than 48 hours from the time you receive this notice to provide the requested information. Once you provide the requested information, the Claims Administrator will evaluate your claim within 48 hours after the earlier of the Claims Administrator's receipt of the requested information, or the end of the extension period given to you to provide the requested information. There is a special time period for responding to a request to extend an ongoing course of treatment if the request is an urgent care claim. For these types of claims, the Claims Administrator must respond to you within 24 hours after receipt of the claim by the Plan (provided, that you make the claim at least 24 hours prior to the expiration of the ongoing course of treatment).
- Concurrent Care Review Claim – If the Plan has already approved an ongoing course of treatment for you and contemplates reducing or terminating the treatment, the Claims Administrator will notify you sufficiently in advance of the reduction or termination of treatment to allow you to appeal the Claims Administrator's decision and obtain a determination on review before the treatment is reduced or terminated.

**Notice and Information Contained in Notice Denying Initial Claim**

If the Claims Administrator denies your claim (in whole or in part), the Claims Administrator will provide you with written notice of the denial (although initial notice of a denied urgent care claim may be provided to you orally). This notice will include the following:

- Reason for the denial – the specific reason or reasons for the denial;
- Reference to Plan provisions – reference to the specific Plan provisions on which the denial is based;
- Description of additional material - a description of any additional material or information necessary for you to substantiate your claim and an explanation as to why such information is necessary;
- Description of any internal rules – a copy of any internal rule, guideline, protocol, or other similar criterion relied upon in making the initial determination or a statement that such a rule, guideline, protocol, or other criterion was relied upon in making the appeal determination and that a copy of such rule will be provided to you free of charge at your request; and
- Description of claims appeals procedures – a description of the Plan’s appeals procedures and the time limits applicable for such procedures (such description will include a statement that you are eligible to bring a civil action in federal court under Section 502 of ERISA to appeal any adverse decision on appeal and a description of any expedited review process for urgent care claims).

**Appealing a Denied Claim for Benefits (Internal Appeal)**

If the Claims Administrator denies your initial claim for benefits, you may appeal the denial by filing a written request (or an oral request in the case of an urgent care claim) with the Appeals Administrator within 180 days after you receive the notice denying your initial claim for benefits.

If you decide to appeal a denied claim for benefits, you will be able to submit written comments, documents, records, and other information relating to your claim for benefits (regardless of whether such information was considered in your initial claim for benefits) to the Appeals Administrator for review and consideration. You will also be entitled to receive, upon request and free of charge, access to, and copies of, all documents, records, and other information that is relevant to your appeal.

**Time Periods for Responding to Internal Appeal Claims**

If you appeal a denied claim for benefits, the Appeals Administrator will respond to your claim within the following time periods:

- Post-Service Claim – In the case of an appeal of a denied post-service claim, the Appeals Administrator shall respond to you within 60 days after receipt of the appeal.
- Pre-Service Claim – In the case of an appeal of a denied pre-service claim, the Appeals Administrator shall respond to you within 30 days after receipt of the appeal.
- Urgent Care Claim – In the case of an appeal of a denied urgent care claim, the Appeals Administrator shall respond to you within 72 hours after receipt of the appeal.
- Concurrent Care Review Claim – In the case of an appeal of a denied concurrent care review claim, the Appeals Administrator shall respond to you before the concurrent or ongoing treatment in question is reduced or terminated.

**Notice and Information Contained in Notice Denying Appeal**

If the Appeals Administrator denies your claim (in whole or in part), the Appeals Administrator will provide you with written notice of the denial (although initial notice of a denied urgent care claim may be provided to you orally or via facsimile or other similarly expeditious means of communication). This notice will include the following:

- Reason for the denial – the specific reason or reasons for the denial;
- Reference to plan provisions – reference to the specific plan provisions on which the denial is based;
- Statement of entitlement to documents – a statement that you are entitled to receive, upon request and free of charge, access to and copies of, all documents, records, and other information that is relevant to your claim and/or appeal for benefits;
- Description of any internal rules – a copy of any internal rule, guideline, protocol, or other similar criterion relied upon in making the appeal determination or a statement that such a rule, guideline, protocol, or other criterion was relied upon in making the appeal determination and that a copy of such rule will be provided to you free of charge at your request; and
- Statement of right to bring action - a statement that you are entitled to bring a civil action in federal court under Section 502 of ERISA to pursue your claim for benefits.

If the time limitations set forth have not been exceeded, no person may bring an action in a court of law unless the claims review procedure is exhausted and a final determination has been made. The decision of the Appeals Administrator shall be final and conclusive on all persons claiming benefits under the Plan, subject to applicable law. If you challenge the decision of the Appeals Administrator, a review by a court of law will be limited to the facts, evidence and issues presented during the claims procedure set forth above. The appeal process described herein must be exhausted before you can pursue the claim in federal court. Facts and evidence that become known to you after having exhausted the appeals procedure may be submitted for reconsideration of the appeal in accordance with the time limits established above. Issues not raised during the appeal will be deemed waived.

**Further External Appeal Rights**

If you are dissatisfied with the results of the Appeals Administrator's internal appeal process, and you wish to pursue an external appeal with an independent review organization (IRO), you must submit a written request within four months from your receipt of our final adverse benefit determination of your appeal. Send your appeal to:

**Horizon BCBSNJ Appeals Department**  
**Mail Station PP-14E**  
**P.O. Box 420**  
**Newark, NJ 07101**

You may also initiate an appeal by calling (888) 221-6392. Upon receipt of your written request a preliminary review of your request will be conducted and completed within five business days by the Appeals Administrator to determine:

- Your eligibility under the Plan at the time the service was requested or provided;
- That the adverse benefit determination does not relate to your failure to meet eligibility requirements under the terms of the Plan;
- That the internal appeals process has been exhausted (if required); and
- That you have provided all the information and forms required to process the external review.

*Note:* You may request an expedited external review for appeal of a denied urgent care claim.

After the completion of this preliminary review, you will receive written notice within one business day informing you of the determination regarding the eligibility of your request for external review. If your request was complete but not eligible for external review, the notice will include the reasons for your appeal not being eligible, and you will be provided the contact information for the Employee Benefits Security Administration who you may contact regarding your appeal at (866) 444-EBSA (3272). If your request was not complete, you will be advised as to what information or materials are needed to make your appeal request complete. In such cases, you will have 48 hours from your receipt of the notice, or the balance of the four month filing period for external appeals, whichever is longer, to perfect your appeal.

If your request for an external review meets the eligibility requirements as discussed above, your appeal will be assigned to an independent review organization (IRO) by the Appeals Administrator. The IRO will timely notify you in writing of your request's eligibility and acceptance for external review. This notice will include a statement that you may submit in writing to the assigned IRO within 10 business days following your receipt of the notice additional information that the IRO must consider when conducting the external review.

Within five business days after the date of assignment of the IRO, the Plan must provide to the assigned IRO the documents and any information considered in making the initial adverse benefit determination or the final adverse benefit determination. Failure of the Plan to timely submit the documents and information will not delay the conduct of the external review. If the Plan fails to timely supply the documents and information, the IRO may terminate the review and reverse the adverse benefit determination. If this occurs, the IRO will notify you and the Plan within one business day of its decision.

If you submit additional information to the IRO the IRO will, within one business day, forward this information to the Plan for its consideration. Upon its receipt, the Plan may reconsider its adverse benefits determination. Reconsideration by the Plan will not delay the external review. The Plan will have up to the end of the IRO's review period to reconsider its adverse benefit determination. The external review may be terminated as a result of the reconsideration only if the Plan decides, upon completion of its reconsideration, to reverse its adverse benefit determination or final internal adverse benefit determination and provide coverage or payment. Within one business day of making such a decision, the Plan must provide written notice of the decision to you and the IRO, and the IRO must terminate the external review upon its receipt of such notice from the Plan.

The IRO will review all of the information and documents timely received. In reaching a decision, the IRO will review the claim *de novo* (anew) and is not bound by any decisions or conclusions reached during the Plan's internal claims and appeals processes. The IRO will provide its written final external review decision to the claimant and the plan within 45 days after the IRO first received the request for the external review, and will include a general description of the reasons for the requested review, including information sufficient to identify the claim, the dates of service, the health care provider's name, the claim amount, the diagnosis and treatment codes and their meanings, and the reason for the previous denial. The decision will also include the date the IRO received the request, references to the documentation relied on for its decision (including specific coverage provisions and evidence based standards, considered in reaching the decision), a statement that the determination is binding except to the extent that other remedies may be available under state or federal law to either you or the group health plan, a statement that judicial review may be available to you, and that additional assistance may be available to you by contacting the applicable office of health insurance consumer assistance or ombudsman whose contact information will be listed on the written final external review decision.

***Expedited External Review.*** An adverse benefit determination may be eligible for an expedited external review if:

- You have received an adverse benefit determination which involves a medical condition for which the timeframe for completion of an expedited internal appeal (as described above) would seriously jeopardize your life or health, or your ability to regain maximum function, and you have filed a request for an expedited internal appeal; or
- You have received an adverse benefit determination which involves a medical condition where the timeframe or completion of a standard external review would seriously jeopardize your life or health or would jeopardize your ability to regain maximum function, or if the adverse benefit determination concerns an admission, availability of care, continued stay, or health care item or service for which you have received emergency services, but you have not been discharged from a facility.

- If you make a request for an expedited external review, the Plan Administrator will immediately review the request and provide you with written notice of whether the adverse benefit determination is eligible for external review. If the adverse benefit determination is eligible for external review, the Appeals Administrator will forward the request to an IRO (electronically, by telephone or fax, or by other similar manner), along with all documents and information it considered in making its adverse benefit determination.

The IRO will follow the review process described above, and render a decision within 72 hours after it receives the request for review. The IRO will provide a written confirmation of its decision to both the claimant and the Plan with 48 hours thereafter.

Upon receipt of the final external review decision reversing the adverse benefit determination, the Appeals Administrator will immediately provide coverage or payment for the claim or service involved.

All medical appeals will provide:

- The opportunity to submit written comments, documents, records and other information relating to your claim for benefits, and that all such submissions will be considered by the Plan in deciding the appeal.
- The right to request that you be provided reasonable access to, and copies of, all documents, records, medical necessity criteria utilized to make the determination and other information relevant to your claim for benefits free of charge.
- A review that does not afford deference to the initial adverse utilization management determination, and is conducted by Medical Directors who are neither the person who made the initial decision nor a subordinate of the person who made the initial decision.
- That, in instances when the decision involves medical judgment, a health care professional who has appropriate training and experience in the field of medicine will be consulted, who again is neither the person who made the initial decision nor a subordinate of the person who made the initial decision.

- That the Appeals Administrator will identify, upon your request, the medical or vocational experts whose advice was obtained in connection with your medical appeal, whether we relied on the experts advice or not in making our decision. While your internal appeal is pending, the Appeals Administrator will provide you with a copy (free of charge) of any new or additional evidence considered, relied upon or generated by the plan in reaching our decision sufficiently in advance of the date by which we will decide your case to allow you the reasonable opportunity to respond prior to that date. In addition, before the Plan can issue a final appeal determination based on a new or additional rationale than what was previously relied upon, the Appeals Administrator will provide you with the new or additional rationale (free of charge) sufficiently in advance of the date by which we will decide your case to allow you the reasonable opportunity to respond to that rationale prior to that date.
- The diagnoses codes and its corresponding meaning and the treatment code(s) and their corresponding meanings that are involved in your appeal will be identified and included in all written communications regarding your appeal.

You also have the right to bring a civil action under Section 502(a) of ERISA following your appeal of our determination through the internal appeal process.

## Claims Involving Other Health Benefits

In the case of a claim involving other health benefits (e.g., Dental/Vision, Prescription Drug, Employee Assistance Program, and Health Care Flexible Spending Account), initial claims for benefits under the Plan should be made by you in writing to the Claims Administrator.

### Types of Claims

There are several different types of claims that you may bring under the Plan. The Plan's procedures for evaluating claims (for example, the time limits for responding to claims and appeals) depend upon the particular type of claim. The types of claims that you generally may bring under the Plan are as follows:

- Pre-Service Claim – A “pre-service claim” is a claim for a particular benefit under the Plan that is conditioned upon you receiving prior approval in advance of receiving the benefit. A pre-service claim must contain, at a minimum, the name of the individual for whom benefits are being claimed, a specific medical condition or symptom, and a specific treatment, service, or product for which approval is being requested.

- **Post-Service Claim** – A “post-service claim” is a claim for payment for a particular benefit or for a particular service after the benefit or service has been provided. A post-service claim must contain the information requested on a claim form provided by the applicable provider. *Note: Claims under the Health Care Flexible Spending Account are always post-service claims.*
- **Urgent Care Claim** – An “urgent care claim” is a claim for benefits or services involving a sudden and urgent need for such benefits or services. A claim will be considered to involve urgent care if the Claims Administrator or a doctor with knowledge of your condition determines that the application of the claims review procedures for non-urgent claims (i) could seriously jeopardize your life or your health, or your ability to regain maximum function, or (ii) in your doctor’s opinion, would subject you to severe pain that cannot adequately be managed without the care or treatment that is the subject of the claim.
- **Concurrent Care Review Claim** – A “concurrent care review claim” is a claim relating to the continuation/reduction of an ongoing course of treatment.

#### **Time Periods for Responding to Initial Claims**

If you bring a claim for benefits under the Plan, the Claims Administrator will respond to your claim within the following time periods:

- **Post-Service Claim** – In the case of a post-service claim, the Claims Administrator shall respond to you within 30 days after receipt of the claim. If the Claims Administrator determines that an extension is necessary due to matters beyond the control of the Plan, the Claims Administrator will notify you within the initial 30-day period that the Claims Administrator needs up to an additional 15 days to review your claim. If such an extension is necessary because you failed to provide the information necessary to evaluate your claim, the notice of extension will describe the information that you need to provide to the Claims Administrator. You will have no less than 45 days from the date you receive the notice to provide the requested information.

- **Pre-Service Claim** – In the case of a pre-service claim, the Claims Administrator shall respond to you within 15 days after receipt of the claim. If the Claims Administrator determines that an extension is necessary due to matters beyond the control of the Plan, the Claims Administrator will notify you within the initial 15-day period that the Claims Administrator needs up to an additional 15 days to review your claim. If such an extension is because you failed to provide the information necessary to evaluate your claim, the notice of extension will describe the information that you need to provide to the Claims Administrator. You will have no less than 45 days from the date you receive the notice to provide the requested information.
- **Urgent Care Claim** – In the case of an urgent care claim, the Claims Administrator shall respond to you within 72 hours after receipt of the claim. If the Claims Administrator determines that it needs additional information to review your claim, the Claims Administrator will notify you within 24 hours after receipt of the claim and provide you with a description of the additional information that it needs to evaluate your claim. You will have no less than 48 hours from the time you receive this notice to provide the requested information. Once you provide the requested information, the Claims Administrator will evaluate your claim within 48 hours after the earlier of the Claims Administrator's receipt of the requested information, or the end of the extension period given to you to provide the requested information. There is a special time period for responding to a request to extend an ongoing course of treatment if the request is an urgent care claim. For these types of claims, the Claims Administrator must respond to you within 24 hours after receipt of the claim by the Plan (provided, that you make the claim at least 24 hours prior to the expiration of the ongoing course of treatment).
- **Concurrent Care Review Claim** – If the Plan has already approved an ongoing course of treatment for you and contemplates reducing or terminating the treatment, the Claims Administrator will notify you sufficiently in advance of the reduction or termination of treatment to allow you to appeal the Claims Administrator's decision and obtain a determination on review before the treatment is reduced or terminated.

**Notice and Information Contained in Notice Denying Initial Claim**

If the Claims Administrator denies your claim (in whole or in part), the Claims Administrator will provide you with written notice of the denial (although initial notice of a denied urgent care claim may be provided to you orally). This notice will include the following:

- Reason for the denial – the specific reason or reasons for the denial;
- Reference to plan provisions – reference to the specific plan provisions on which the denial is based;
- Description of additional material – a description of any additional material or information necessary for you to substantiate your claim and an explanation as to why such information is necessary;
- Description of any internal rules – a copy of any internal rule, guideline, protocol, or other similar criterion relied upon in making the initial determination or a statement that such a rule, guideline, protocol, or other criterion was relied upon in making the appeal determination and that a copy of such rule will be provided to you free of charge at your request; and
- Description of claims appeals procedures – a description of the Plan's appeals procedures and the time limits applicable for such procedures (such description will include a statement that you are eligible to bring a civil action in federal court under Section 502 of ERISA to appeal any adverse decision on appeal and a description of any expedited review process for urgent care claims).

**Appealing a Denied Claim for Benefits**

If the Claims Administrator denies your initial claim for benefits, you may appeal the denial by filing a written request (or an oral request in the case of an urgent care claim) with the Appeals Administrator within 180 days after you receive the notice denying your initial claim for benefits. If you decide to appeal a denied claim for benefits, you will be able to submit written comments, documents, records, and other information relating to your claim for benefits (regardless of whether such information was considered in your initial claim for benefits) to the Appeals Administrator for review and consideration. You will also be entitled to receive, upon request and free of charge, access to, and copies of, all documents, records, and other information that is relevant to your appeal.

**Time Periods for Responding to Appealed Claims**

If you appeal a denied claim for benefits, the Appeals Administrator will respond to your claim within the following time periods:

- Post-Service Claim – In the case of an appeal of a denied post-service claim, the Appeals Administrator shall respond to you within 60 days after receipt of the appeal.

- Pre-Service Claim – In the case of an appeal of a denied pre-service claim, the Appeals Administrator shall respond to you within 30 days after receipt of the appeal.
- Urgent Care Claim – In the case of an appeal of a denied urgent care claim, the Appeals Administrator shall respond to you within 72 hours after receipt of the appeal.
- Concurrent Care Review Claim – In the case of an appeal of a denied concurrent care review claim, the Appeals Administrator shall respond to you before the concurrent or ongoing treatment in question is reduced or terminated.

**Notice and Information Contained in Notice Denying Appeal**

If the Appeals Administrator denies your claim (in whole or in part), the Appeals Administrator will provide you with written notice of the denial (although initial notice of a denied urgent care claim may be provided to you orally or via facsimile or other similarly expeditious means of communication). This notice will include the following:

- Reason for the denial – the specific reason or reasons for the denial;
- Reference to plan provisions – reference to the specific plan provisions on which the denial is based;
- Statement of entitlement to documents – a statement that you are entitled to receive, upon request and free of charge, access to and copies of, all documents, records and other information that is relevant to your claim and/or appeal for benefits;
- Description of any internal rules – a copy of any internal rule, guideline, protocol, or other similar criterion relied upon in making the appeal determination or a statement that such a rule, guideline, protocol, or other criterion was relied upon in making the appeal determination and that a copy of such rule will be provided to you free of charge at your request; and
- Statement of right to bring action – a statement that you are entitled to bring a civil action in federal court under Section 502 of ERISA to pursue your claim for benefits.

If the time limitations set forth have not been exceeded, no person may bring an action in a court of law unless the claims review procedure is exhausted and a final determination has been made. The decision of the Appeals Administrator shall be final and conclusive on all persons claiming benefits under the Plan, subject to applicable law. If you challenge the decision of the Appeals Administrator, a review by a court of law will be limited to the facts, evidence and issues presented during the claims procedure set forth above. The appeal process described herein must be exhausted before you can pursue the claim in federal court. Facts and evidence that become known to you after having exhausted the appeals procedure may be submitted for reconsideration of the appeal in accordance with the time limits established above. Issues not raised during the appeal will be deemed waived.

## *Your Rights Under ERISA*

### **What Are Your Rights?**

The intent of this SPD is to meet the Summary Plan Description requirements of the Employee Retirement Income Security Act of 1974, as amended (ERISA). However, if there is a conflict between the information contained in the official Plan documents and the information contained in this SPD, the information in the Plan documents will take precedence.

Under ERISA, you are entitled to:

### **Receive Information About Your Plan and Benefits**

- Examine, without charge, at the Plan Administrator's office and at other specified locations, such as worksites and union halls, all documents governing the Plan, including insurance contracts and collective bargaining agreements, and a copy of the latest annual report (Form 5500 Series) filed by the Plan with the U.S. Department of Labor and available at the Public Disclosure Room of the Employee Benefits Security Administration.
- Obtain, upon written request to the Plan Administrator, copies of documents governing the operation of the Plan, including insurance contracts and collective bargaining agreements, and copies of the latest annual report (Form 5500 Series) and updated Summary Plan Description. The administrator may make a reasonable charge for the copies.
- Receive a summary of the Plan's annual financial report. The Plan Administrator is required by law to furnish each participant with a copy of this summary annual report.

## **Continue Group Health Plan Coverage**

- Continue health care coverage for yourself, eligible spouse, or eligible child(ren) if there is a loss of coverage under the Plan as a result of a qualifying event. You or your eligible spouse or eligible child(ren) may have to pay for such coverage. Review this Summary Plan Description and the documents governing the Plan on the rules governing your COBRA continuation coverage rights.

## **Prudent Actions by Plan Fiduciaries**

In addition to creating rights for plan participants, ERISA imposes duties upon the people who are responsible for the operation of the employee benefit plan. The people who operate your Plan, called “fiduciaries” of the Plan, have a duty to do so prudently and in the interest of you and other plan participants and beneficiaries. No one, including your employer, or any other person, may fire you or otherwise discriminate against you in any way to prevent you from obtaining a welfare benefit or exercising your rights under ERISA.

## **Enforce Your Rights**

If your claim for a benefit is denied or ignored, in whole or in part, you have a right to know why this was done, to obtain copies of documents relating to the decision without charge, and to appeal any denial, all within certain time schedules. Under ERISA, there are steps you can take to enforce the above rights. For instance, if you request a copy of plan documents or the latest annual report from the Plan and do not receive them within 30 days, you may file suit in a federal court. In such a case, the court may require the Plan Administrator to provide the materials and pay you up to \$110 a day until you receive the materials, unless the materials were not sent because of reasons beyond the control of the Plan Administrator.

If you have a claim for benefits that is denied or ignored, in whole or in part, you may file suit in a state or federal court. In addition, if you disagree with the Plan’s decision or lack thereof concerning the qualified status of a medical child support order, you may file suit in federal court. If it should happen that plan fiduciaries misuse the Plan’s money, or if you are discriminated against for asserting your rights, you may seek assistance from the U.S. Department of Labor, or you may file suit in a federal court. The court will decide who should pay court costs and legal fees. If you are successful the court may order the person you have sued to pay these costs and fees. If you lose, the court may order you to pay these costs and fees, for example, if it finds your claim is frivolous.

## **Assistance With Your Questions**

If you have any questions about your Plan, you should contact the Plan Administrator. If you have any questions about this statement or about your rights under ERISA, or if you need assistance in obtaining documents from the Plan Administrator, you should contact the nearest office of the Employee Benefits Security Administration, U.S. Department of Labor, listed in your telephone directory or the Division of Technical Assistance and Inquiries, Employee Benefits Security Administration, U.S. Department of Labor, 200 Constitution Avenue NW, Washington, D.C. 20210. You may also obtain certain publications about your rights and responsibilities under ERISA by calling the publications hotline of the Employee Benefits Security Administration.

## **ERISA Claim Fiduciary**

For the purposes of ERISA, all third party administrators and insurance carriers are fiduciaries, with complete authority to review all denied claims for benefits under this program. This includes, but is not limited to, the denial of certification of the medical necessity of hospital or medical treatment.

In exercising its fiduciary responsibility, the American Water Retirement / Benefits Committee shall have discretionary authority to determine whether and to what extent employees and beneficiaries are entitled to benefits, and to interpret any disputed or doubtful terms of the Plan. The American Water Retirement / Benefits Committee shall be deemed to have properly exercised such authority unless it acts arbitrarily or capriciously.

Some of the employees who participate in this Plan do so under the terms of collective bargaining agreements. The Company takes its obligations under those agreements very seriously and will, as required either by the Company's contractual agreements or by law, negotiate changes to the Plan affecting union members with those unions whose members participate in the Plan.

## *Plan Documents*

In preparing this Summary Plan Description, American Water has attempted to avoid complex language and legal terms whenever possible. If a question should ever arise concerning the nature and extent of benefits under any aspect of the American Water Group Insurance Plan, the actual legal Plan documents and not this Summary Plan Description, will govern.

## *Continuation of Health Coverage*

### **Introduction**

This section contains important information about your right to COBRA continuation coverage, which is a temporary extension of coverage under the Plan. The right to COBRA continuation coverage was created by a federal law, the Consolidated Omnibus Budget Reconciliation Act of 1985 (COBRA). COBRA continuation coverage can become available to you and to other members of your family who are covered under the Plan when you would otherwise lose your group health coverage. This section generally explains COBRA continuation coverage, when it may become available to you and your family, and what you need to do to protect the right to receive it.

*Note: Eligible Hawaii employees and their eligible spouse or child(ren) may participate in the HMSA Medical Plan, and are eligible for COBRA continuation coverage under that plan.*

For more information about your rights and obligations under the Plan and under federal law, you should contact the Plan Administrator.

The Plan Administrator is Vice President Human Resources, American Water, 1025 Laurel Oak Road, Voorhees, NJ 08043, (856) 346-8200. The Plan Administrator is responsible for administering COBRA continuation coverage.

### **What Is COBRA Continuation Coverage?**

COBRA continuation coverage is a continuation of Plan coverage when coverage would otherwise end because of a life event known as a “qualifying event.” Specific qualifying events are listed later in this section. COBRA continuation coverage must be offered to each person who is a “qualified beneficiary.” A qualified beneficiary is someone who will lose coverage under the Plan because of a qualifying event. Depending on the type of qualifying event, employees, spouses of employees, same-sex domestic partners of employees, and children of employees may be qualified beneficiaries. Under the Plan, qualified beneficiaries who elect COBRA continuation coverage must pay for COBRA continuation coverage.

If you are an employee, you will become a qualified beneficiary if you will lose your coverage under the Plan because either one of the following qualifying events happens:

- Your hours of employment are reduced; or
- Your employment ends for any reason other than your gross misconduct.

If you are the spouse of an employee, you will become a qualified beneficiary if you will lose your coverage under the Plan because any of the following qualifying events happens:

- Your spouse dies;
- Your spouse's hours of employment are reduced;
- Your spouse's employment ends for any reason other than his or her gross misconduct;
- Your spouse becomes enrolled in Medicare benefits (Part A, Part B, or both); or
- You become divorced or legally separated from your spouse.

Your eligible children will become qualified beneficiaries if they will lose coverage under the Plan because any of the following qualifying events happens:

- The parent-employee dies;
- The parent-employee's hours of employment are reduced;
- The parent-employee's employment ends for any reason other than his or her gross misconduct;
- The parent-employee becomes enrolled in Medicare benefits (Part A, Part B, or both);
- The parents become divorced or legally separated; or
- The child stops being eligible for coverage under the Plan as an "eligible child."

*Note:* Same-sex domestic partners are not qualified beneficiaries for purposes of COBRA continuation. However, although these individuals do not have an independent right to elect COBRA continuation coverage, if you elect COBRA continuation coverage for yourself, you may also cover your same-sex domestic partner even if he or she is not considered a qualified beneficiary under COBRA. Your same-sex domestic partner's coverage will terminate when your COBRA coverage terminates.

**When is COBRA Coverage Available?**

The Plan will offer COBRA continuation coverage to qualified beneficiaries only after the Plan Administrator has been notified that a qualifying event has occurred. When the qualifying event is the end of employment or reduction of hours of employment, death of the employee, or the employee’s becoming entitled to Medicare benefits (Part A, Part B, or both), the employer must notify the Plan Administrator of the qualifying event.

**You Must Give Notice of Some Qualifying Events**

For the other qualifying events (divorce or legal separation of the employee and spouse or a child’s losing eligibility for coverage as an eligible child), you must notify the Plan Administrator in writing within 60 days after the qualifying event occurs. You must send this notice to the Benefits Service Center, American Water, 131 Woodcrest Road, Cherry Hill, NJ 08034, along with documentation of the event.

**COBRA Qualifying Events and Duration Overview**

<b>Maximum Continuation Period (Months) For:</b>			
<b>Qualifying Event</b>	<b>You</b>	<b>Eligible Spouse/Same-Sex Domestic Partner</b>	<b>Eligible Child</b>
You lose coverage because of reduced work hours or taking unpaid leave, other than leave under the FMLA	18	18	18
You terminate employment for any reason (except gross misconduct)	18	18	18
You, your spouse, or your eligible child is disabled – as defined by the Social Security Act – at the time of the qualifying event or during the first 60 days of COBRA continuation coverage	29 (Initial 18 months, plus additional 11 months)	29 (Initial 18 months, plus additional 11 months)	29 (Initial 18 months, plus additional 11 months)
Your child no longer qualifies as an eligible child	N/A	N/A	36
You die – <i>NOTE: the Company will pay 100% of the applicable COBRA premium for up to 18 months</i>	N/A	36	36

<b>Maximum Continuation Period (Months) For:</b>			
<b>Qualifying Event</b>	<b>You</b>	<b>Eligible Spouse/Same-Sex Domestic Partner</b>	<b>Eligible Child</b>
You and your spouse divorce or legally separate	N/A	36	36
You become entitled to Medicare benefits (under Part A, Part B or both)	N/A	36	36

**How Long Does COBRA Coverage Last?**

COBRA continuation coverage is a temporary extension of coverage. When the qualifying event is the death of the employee, the employee's becoming entitled to Medicare benefits (under Part A, Part B, or both), your divorce or legal separation, or a child's losing eligibility as an eligible child, COBRA continuation coverage lasts for up to a total of 36 months. When the qualifying event is the end of employment or reduction of the employee's hours of employment, and the employee became entitled to Medicare benefits less than 18 months before the qualifying event, COBRA continuation coverage for qualified beneficiaries other than the employee lasts until 36 months after the date of Medicare entitlement. For example, if a covered employee becomes entitled to Medicare eight months before the date on which his or her employment terminates, COBRA continuation coverage for the spouse and children can last up to 36 months after the date of Medicare entitlement, which is equal to 28 months after the date of the qualifying event (36 months minus eight months). Otherwise, when the qualifying event is the end of employment or reduction of the employee's hours of employment, COBRA continuation coverage generally lasts for only up to a total of 18 months.

There are two ways in which this 18-month period of COBRA continuation coverage can be extended.

**Disability extension of 18-month period of continuation coverage.**

If you or anyone in your family covered under the Plan is determined by the Social Security Administration to be disabled and you notify the Plan Administrator in a timely fashion, you and your entire family may be entitled to receive up to an additional 11 months of COBRA continuation coverage, for a total maximum of 29 months. The disability would have to have started at some time before the 60<sup>th</sup> day of COBRA continuation coverage and must last at least until the end of the 18-month period of continuation coverage. You must provide the Plan Administrator with notice of the Social Security Administration's determination within 60 days of the latest of (1) the date of the Social Security Administration's disability determination; (2) the date of the qualifying event; (3) the date on which the qualified beneficiary would lose coverage under the Plan; or (4) the date you are provided notice of your COBRA continuation coverage rights. Notice should be sent to the Benefits Service Center, American Water, 131 Woodcrest Road, Cherry Hill, NJ 08034, along with a copy of the determination received from the Social Security Administration.

**Second qualifying event extension of 18-month period of continuation coverage.**

If your spouse or eligible children experience another qualifying event while receiving 18 or 29 months of COBRA continuation coverage, the spouse and eligible children can get up to 36 total months of COBRA continuation coverage, if written notice of the second qualifying event is properly given to the Plan Administrator. This extension is available if the employee or former employee dies, becomes entitled to Medicare benefits (under Part A, Part B, or both), or gets divorced or legally separated, or if the child stops being eligible under the Plan as an eligible child, but only if the event would have caused the spouse or eligible child to lose coverage under the Plan had the first qualifying event not occurred. If the second qualifying event is divorce or legal separation or the child ceasing to be eligible under the Plan, written notice must be sent to the Benefits Service Center, American Water, 131 Woodcrest Road, Cherry Hill, NJ 08034, along with documentation of the second qualifying event.

**How Do You  
Elect COBRA  
Coverage?**

To elect continuation coverage, you must complete an election form supplied by the Plan Administrator within 60 days of the date you receive notice of your COBRA continuation coverage rights. Each qualified beneficiary has a separate right to elect continuation coverage. For example, the employee's spouse may elect continuation coverage even if the employee does not. Continuation coverage may be elected for only one, several, or for all eligible children who are qualified beneficiaries. A parent may elect to continue coverage on behalf of any eligible children. The employee or the employee's spouse can elect continuation coverage on behalf of all of the qualified beneficiaries.

## **How Much Does COBRA Coverage Cost?**

Generally, each qualified beneficiary may be required to pay the entire cost of continuation coverage. The amount a qualified beneficiary may be required to pay may not exceed 102% (or, in the case of an extension of continuation coverage due to a disability, 150%) of the cost to the group health plan (including both employer and employee contributions) for coverage of a similarly situated plan participant or beneficiary who is not receiving continuation coverage. The required payment for each continuation coverage period for each option is described in this notice.

### **Trade Act of 2002**

The Trade Act of 2002 amended COBRA to provide for a special second 60-day COBRA election period for certain employees who have experienced a termination or reduction of hours and who lose group health plan coverage as a result. The special second COBRA election period is available only to a very limited group of individuals: generally, those who are receiving trade adjustment assistance (TAA) or “alternative trade adjustment assistance” under a federal law called the Trade Act of 1974. These Employees are entitled to a second opportunity to elect COBRA coverage for themselves and certain family members (if they did not already elect COBRA coverage), but only within a limited period of 60 days from the first day of the month when an individual begins receiving TAA (or would be eligible to receive TAA but for the requirement that unemployment benefits be exhausted) and only during the six months immediately after their group health plan coverage ended.

If an employee qualifies or may qualify for assistance under the Trade Act of 1974, he or she should contact the Plan Administrator for additional information. The employee must contact the Plan Administrator promptly after qualifying for assistance under the Trade Act of 1974 or the employee may lose his or her special COBRA rights. COBRA coverage elected during the special second election period is not retroactive to the date that Plan coverage was lost, but begins on the first day of the special second election period.

### **Special Rules for the Health Care Flexible Spending Account**

COBRA coverage will consist of the Health Care Flexible Spending Account coverage in force at the time of the qualifying event (i.e., the elected annual limit reduced by expenses reimbursed up to the time of the qualifying event). The use-it-or-lose-it rule will continue to apply, so any unused amounts will be forfeited at the end of the Plan Year, and COBRA coverage will terminate at the end of the Plan Year. Under the special grace period rule described on page 93, if you make all required COBRA premium payments through December 31, expenses incurred for the period January 1 – March 15 of the following calendar year can be applied against any remaining balance in your Health Care Flexible Spending Account. Expenses must be submitted by April 30 of the year following the year in which COBRA coverage commenced.

Unless otherwise elected, all qualified beneficiaries who were covered under the Health Care Flexible Spending Account will be covered together for Health Care Flexible Spending Account COBRA coverage. However, each qualified beneficiary could alternatively elect separate COBRA coverage to cover that beneficiary only, with a separate Health Care Flexible Spending Account annual limit and a separate premium.

### **Keep Your Plan Informed of Address Changes**

In order to protect your family's rights, you should keep the Plan Administrator informed of any changes in the addresses of family members. You should also keep a copy, for your records, of any notices you send to the Plan Administrator.

### **If You Have Questions**

If you have questions about your COBRA continuation coverage, you should contact the Benefits Service Center, 131 Woodcrest Road, Cherry Hill, NJ 08034, (866) 888-8269, or you may contact the nearest Regional or District Office of the U.S. Department of Labor's Employee Benefits Security Administration (EBSA). Addresses and phone numbers of Regional and District EBSA Offices are available through EBSA's website at [www.dol.gov/ebsa](http://www.dol.gov/ebsa).

## *Continuation of Coverage During an Approved Leave of Absence Granted to Comply With Federal Law*

### **FMLA Leave**

This continuation of coverage section applies only for the period of any approved family or medical leave (approved FMLA leave) required by the Family and Medical Leave Act of 1993 (FMLA). If American Water grants you an approved FMLA leave for a period in excess of the period required by FMLA, any continuation of coverage during that excess period will be subject to prior written agreement between the appropriate carriers and American Water.

If American Water grants you an approved FMLA leave in accordance with FMLA, you may, during the continuance of such approved FMLA leave, continue any coverage you and your eligible spouse, same-sex domestic partner, and child(ren) have under the American Water Plan at the time the leave commences.

At the time you request the leave, you must agree to make any contributions required by American Water to continue coverage. At the time your leave begins, you will be advised on how to make payments. American Water will continue to make its contributions toward such coverage.

If any coverage you are allowed to continue has reduction rules applicable by reason of age or retirement, the coverage will be subject to such rules while you are on FMLA leave.

If you acquire a new eligible spouse, same-sex domestic partner, or child(ren) while your coverage is continued during an approved FMLA leave, the eligible spouse, same-sex domestic partner, or child(ren) will be eligible for the continued coverage on the same terms as would be applicable if you were actively at work, not on an approved FMLA leave.

### **Military Leave**

If you are absent from work for active military duty that is covered by the federal Uniformed Services Employment and Reemployment Rights Act (“USERRA”), your right to continued participation in the Plan will be as follows:

- If you are absent from work for less than 31 days, you, your eligible spouse or same-sex domestic partner, and your child(ren) may continue any coverage under this Plan in effect when your military leave begins.

- If you are absent for more than 30 days, you may elect to continue any coverage under this Plan for yourself, your eligible spouse, same-sex domestic partner, or child(ren) for up to 24 months or the period of your military service, whichever is shorter. You will be required to pay up to 102% of the normal premium for this continued coverage. If you elect not to continue coverage under a group health benefit, your coverage will be reinstated to the extent required under USERRA upon your return to employment.

### **When FMLA or Military Leave Terminates**

If health care coverage terminates because your approved FMLA leave is deemed terminated by American Water, you may, on the date of such termination, be eligible for continuation under federal law on the same terms as though your employment terminated, other than for gross misconduct, on such date.

### **If You Return to Work**

If you return to work for American Water following the date American Water determines the approved FMLA leave is terminated, or you return to work in accordance with requirements under USERRA following the date American Water determines the approved military leave is terminated, your coverage under the group contract will be in force as though you had continued in active employment rather than going on an approved FMLA or military leave, provided you make request for such coverage within 31 days of the date American Water determines the approved FMLA leave to be terminated. If you do not make such request within 31 days, you will not have a chance to re-enroll before the next Open Enrollment period.

### **Maximum Length of Coverage**

Coverage will not be continued beyond the first to occur of:

- The date you are required to make any contribution and you fail to do so.
- The date American Water determines your approved FMLA or military leave is terminated and you fail to return to work.
- The date the coverage involved discontinues as to your Eligible Class.

Any coverage being continued for an eligible spouse, same-sex domestic partner, or child(ren) will not be continued beyond the date it would otherwise terminate.

---

## *Continuation of Coverage During an Approved Non-FMLA and Non-Military Leave of Absence*

Except as otherwise indicated in this SPD, if you are absent from work on an approved non-FMLA and non-military leave for any reason, American Water will continue any coverage for you, your eligible spouse, same-sex domestic partner, or child(ren) in effect when your leave of absence begins as follows to the extent applicable premium payments are made.

- If you are receiving disability benefits under the Plan and you have less than one year of service with American Water, coverage may continue for up to 12 months.
- If you are receiving disability benefits under the Plan and you have one to five years of service with American Water, coverage may continue for up to 18 months.
- If you are receiving disability benefits under the Plan and you have more than five years of service with American Water, coverage may continue for up to 24 months.

At the time you request the leave, you must agree to make any contributions required by American Water to continue coverage. At the time your leave begins, you will be advised on how to make payments. American Water will continue to make its contributions toward such coverage.

If any coverage you are allowed to continue has reduction rules applicable by reason of age or retirement, the coverage will be subject to such rules while you are on non-FMLA and non-military leave.

If you acquire a new eligible spouse, same-sex domestic partner, or child(ren) while your coverage is continued during an approved non-FMLA and non-military leave, the eligible spouse, same-sex domestic partner, or child(ren) will be eligible for the continued coverage on the same terms as would be applicable if you were actively at work, not on an approved non-FMLA and non-military leave.

### **When Leave Terminates**

If health care coverage terminates because your approved non-FMLA and non-military leave is deemed terminated by American Water, you may, on the date of such termination, be eligible for continuation under federal law on the same terms as though your employment terminated, other than for gross misconduct, on such date.

## **If You Return to Work**

If you return to work for American Water following the date American Water determines the approved non-FMLA/non-military leave is terminated, your coverage under the group contract will be in force as though you had continued in active employment rather than going on an approved leave, provided you make request for such coverage within 31 days of the date American Water determines the approved leave to be terminated. If you do not make such request within 31 days, you will not have a chance to re-enroll before the next Open Enrollment period.

## **Maximum Length of Coverage**

Coverage will not be continued beyond the first to occur of:

- The date you are required to make any contribution and you fail to do so.
- The date American Water determines your approved non-FMLA/non-military leave is terminated and you fail to return to work.
- The date the coverage involved discontinues as to your Eligible Class.
- The last day of the maximum coverage period indicated above.

Any coverage being continued for an eligible spouse, same-sex domestic partner, or child(ren) will not be continued beyond the date it would otherwise terminate.

## ***Confidentiality of Protected Health Information***

Title II of the Health Insurance Portability and Accountability Act of 1996 and the privacy regulations issued thereunder (collectively called "HIPAA") requires group health plans to protect the confidentiality of your private health information. This Plan will not use or disclose information that is protected by HIPAA ("Protected Health Information") except as necessary for treatment, payment, health care operations, and plan administration functions, or as otherwise permitted or required by law, without your written authorization. According to the law, the Plan has required all of its Business Associates to comply with the HIPAA privacy rules.

Before this Plan may disclose, or permit one of its agents or contractors to disclose, Protected Health Information ("PHI") to the Company, the Plan will require the Company to:

- Certify that the information is necessary in connection with plan administration functions or other permitted functions performed or to be performed by the Company;

- Amend the Plan documents and provide certification of amendment to give assurances that the Company will use and disclose the information solely in connection with such plan administration or other permitted functions; and
- Not use or further disclose PHI for employment-related actions or decisions or in connection with any other benefit or employee benefit plan of the Company without your authorization.

Under HIPAA, you have certain rights with respect to your PHI, including the right to see and copy the information, to receive an accounting of certain disclosures of the information and, under certain circumstances, to amend the information. You also have the right to file a complaint with the Plan or with the Secretary of the Department of Health and Human Services if you believe your rights under HIPAA have been violated.

## *Glossary*

---

## *Glossary*

The following definitions of certain words and phrases will help you understand the benefits to which the definitions apply. Some definitions which apply only to a specific benefit appear in the benefit section. If a definition appears in a benefit section and also appears in the Glossary, the definition in the benefit section will apply in lieu of the definition in the Glossary.

### **Coinsurance**

Once you have met your annual deductible, if any, the Plan pays a certain percentage of Covered Medical Expenses and you pay the rest. Your share is called “coinsurance.”

### **Copayment**

A fee charged to a person for Covered Medical Expenses, as specified in the applicable Summary of Coverage.

### **Course of Treatment**

A planned program of services or supplies furnished by a health care provider. The program must be:

- In connection with the diagnosis and treatment of an injury or illness; and
- Of definite duration.

### **Custodial Care**

Services and supplies furnished to a person mainly to help him or her in the activities of daily life, including room and board and other institutional care. The person does not have to be disabled. These services and supplies are custodial care without regard to:

- By whom they are prescribed;
- By whom they are recommended; or
- By whom they are performed.

### **Dentist**

A legally qualified dentist, or a doctor who is licensed to do the dental work he or she performs.

### **Directory**

A listing of Network Providers in the Service Area covered under this Plan that is available to all employees covered under the Medical Plan.

### **Doctor**

A legally qualified, licensed doctor.

**Emergency Care**

The first care given in a hospital's emergency room after a sudden and, at the time, unexpected change in a person's physical or mental condition such that:

- Care cannot safely and adequately be provided other than in a hospital; or
- Adequate care is not available at the time and place it is needed.

**Emergency Condition**

The sudden and, at that time, unexpected onset of a change in a person's physical or mental condition which, if the procedure or treatment were not performed right away could reasonably be expected to result in:

- Loss of life or limb;
- Significant impairment to bodily function; or
- Permanent dysfunction of a body part.

**Family and Medical Leave Act of 1993 (FMLA)**

FMLA provides unpaid, job-protected leave for a period of:

- 12 weeks for incapacity due to pregnancy, prenatal medical care, or childbirth.
- 12 weeks to care for your child after birth, or placement for adoption or foster care.
- 12 weeks to care for your own or your spouse's, son or daughter's, or parent's serious health condition.
- 26 weeks if you are caring for a family member in the Armed Forces (including the National Guard and Reserves), who suffered an injury or illness while on active duty that may render the person unable to perform the duties of his or her office, grade, rank, or rating.

Additionally, in compliance with the National Defense Authorization Act of 2008, if you are an eligible employee, you can take up to 12 combined weeks of FMLA leave in a single 12-month period for a "qualifying exigency" to spend time with a spouse, son, daughter, or parent on active duty or notified of call to duty. Qualifying exigencies may include attending certain military events, arranging for alternative childcare, addressing certain financial and legal arrangements, attending certain counseling sessions, and attending post-deployment reintegration briefings.

### **Home Health Care Agency**

An agency that:

- Mainly provides skilled nursing and other therapeutic services;
- Is associated with a professional group which makes policy (this group must have at least one doctor and one RN);
- Has full-time supervision by a doctor or RN;
- Keeps complete medical records on each person;
- Has a full-time administrator; and
- Meets licensing standards.

### **Home Health Care Plan**

A plan that provides for care and treatment of an illness or injury. The care and treatment must be:

- Prescribed in writing by the attending doctor; and
- An alternative to confinement in a hospital or Skilled Nursing/Convalescent Facility.

### **Hospice Care**

Care given to a terminally ill person by or under arrangements with a Hospice Care Agency as part of a Hospice Care Program.

### **Hospice Care Agency**

An agency or organization which:

- Has Hospice Care available 24 hours a day.
- Meets any licensing or certification standards set forth by the jurisdiction where it is.
- Provides:
  - Skilled nursing services;
  - Medical social services;
  - Psychological and dietary counseling; and
  - Bereavement counseling for the immediate family.
- Provides or arranges for other services which include:
  - Services of a doctor;
  - Physical or occupational therapy;
  - Part-time home health aide services which mainly consist of caring for terminally ill persons; and
  - Inpatient care in a facility when needed for pain control and acute and chronic symptom management.

- Has personnel which include at least:
  - One doctor;
  - One RN;
  - One licensed or certified social worker employed by the agency; and
  - One pastoral or other counselor.
- Establishes policies governing the provision of Hospice Care.
- Assesses the patient's medical and social needs.
- Develops a Hospice Care Program to meet those needs.
- Provides an ongoing quality assurance program. This includes reviews by doctors, other than those who own or direct the Agency.
- Permits all area medical personnel to utilize its services for their patients.
- Keeps a medical record on each patient.
- Utilizes volunteers trained in providing services for non-medical needs.
- Has a full-time administrator.

#### **Hospice Care Facility**

A facility, or a distinct part of one, which:

- Mainly provides inpatient Hospice Care to terminally ill persons.
- Charges its patients.
- Meets any licensing or certification standards set forth by the jurisdiction where it is.
- Keeps a medical record on each patient.
- Provides an ongoing quality assurance program; this includes reviews by doctors other than those who own or direct the facility.
- Is run by a staff of doctors; at least one such doctor must be on call at all times.
- Provides 24-hour-a-day nursing services under the direction of an RN.
- Has a full-time administrator.

### **Hospice Care Program**

A written plan of Hospice Care, which:

- Is established by and reviewed from time to time by:
  - A doctor attending the person; and
  - Appropriate personnel of a Hospice Care Agency.
- Is designed to provide palliative and supportive care to terminally ill persons, and supportive care to their families.
- Includes an assessment of the person's medical and social needs, and a description of the care to be given to meet those needs.

### **Hospital**

A place that:

- Provides mainly inpatient facilities for the surgical and medical diagnosis, treatment, and care of injured and sick persons.
- Is supervised by a staff of doctors.
- Provides 24-hour-a-day RN services.
- Is not mainly a place for rest, for the aged, for drug addicts, for alcoholics, or a nursing home.
- Makes charges for services rendered.

### **In-Network Care**

A health care service or supply furnished by a Network Provider.

### **LPN**

A licensed practical nurse.

### **Mental Disorder**

An illness commonly understood to be a mental disorder whether or not it has a physiological or organic basis and for which treatment is generally provided by or under the direction of a mental health professional such as a psychiatrist, a psychologist, or a psychiatric social worker. A mental or nervous disorder includes, but is not limited to:

- Alcoholism and drug abuse.
- Schizophrenia.
- Bipolar disorder.
- Pervasive mental developmental disorder (Autism).
- Panic disorder.
- Major depressive disorder.

- Psychotic depression.
- Obsessive compulsive disorder.

Mental disorders will not include alcoholism and drug abuse if a separate benefit applies to treatment of alcoholism and drug abuse.

### **Necessary**

A service or supply furnished by a particular provider is necessary if Horizon determines that it is appropriate for the diagnosis, care, or treatment of the illness or injury involved.

To be appropriate, the service or supply must:

- Be care or treatment, as likely to produce a significant positive outcome as, and no more likely to produce a negative outcome than, any alternative service or supply, both as to the illness or injury involved and the person's overall health condition;
- Be a diagnostic procedure, indicated by the health status of the person and be as likely to result in information that could affect the course of treatment as, and no more likely to produce a negative outcome than, any alternative service or supply, both as to the illness or injury involved and the person's overall health condition; and
- As to diagnosis, care, and treatment be no more costly (taking into account all health expenses incurred in connection with the service or supply) than any alternative service or supply that meets the above tests.

In determining whether a service or supply is appropriate under the circumstances, Horizon will take into consideration:

- Information provided on the affected person's health status;
- Reports in peer reviewed medical literature;
- Reports and guidelines published by nationally recognized health care organizations that include supporting scientific data;
- Generally recognized professional standards of safety and effectiveness in the United States for diagnosis, care, or treatment;
- The opinion of health professionals in the generally recognized health specialty involved; and
- Any other relevant information brought to Horizon's attention.

In no event will the following services or supplies be considered to be necessary:

- Those that do not require the technical skills of a medical, mental health, or dental professional;
- Those furnished mainly for the personal comfort or convenience of the person, any person who cares for him or her, any person who is part of his or her family, any health care provider or health care facility;
- Those furnished solely because the person is an inpatient on any day on which the person's illness or injury could safely and adequately be diagnosed or treated while not confined; or
- Those furnished solely because of the setting if the service or supply could safely and adequately be furnished in a doctor's or a dentist's office or other less costly setting.

### **Negotiated Charge**

The maximum charge a Network Provider has agreed to make as to any service or supply for the purpose of the benefits under this Plan.

### **Network Provider**

A health care provider that has contracted to furnish services or supplies for a Negotiated Charge, but only if the provider is, with Horizon's consent, included in the Directory as a Network Provider for:

- The service or supply involved; and
- The class of employees of which you are a member.

### **Non-Occupational Illness**

A non-occupational illness is an illness that does not:

- Arise out of (or in the course of) any work for pay or profit; or
- Result in any way from an illness that does.

An illness will be deemed to be non-occupational regardless of cause if proof is furnished that the person:

- Is covered under any type of Workers' Compensation law; and
- Is not covered for that illness under such law.

### **Non-Occupational Injury**

A non-occupational injury is an accidental bodily injury that does not:

- Arise out of (or in the course of) any work for pay or profit; or
- Result in any way from an injury, which does.

### **Orthodontic Treatment**

Any:

- Medical service or supply;
- Dental service or supply, furnished to prevent or to diagnose or to correct a misalignment:
  - Of the teeth;
  - Of the bite; or
  - Of the jaws or jaw joint relationship, whether or not for the purpose of relieving pain.

Not included is:

- The installation of a space maintainer; or
- A surgical procedure to correct malocclusion.

### **Out-of-Network**

A health care service or supply furnished by a health care provider that is not in the network.

### **Out-of-Network Provider**

A health care provider that has not contracted to furnish services or supplies at a Negotiated Charge.

### **Reasonable and Customary Charge**

Only that part of a charge considered “reasonable” is covered. The reasonable charge for a service or supply is the lower of:

- The provider’s usual charge for furnishing it; or
- The charge Horizon determines to be the prevailing charge level made for it in the geographic area where it is furnished.

In determining the reasonable charge for a service or supply that is unusual, not often provided in the area, or provided by only a small number of providers in the area, Horizon may take into account such factors as:

- The complexity of the service or supply;
- The degree of skill needed;
- The type of specialty of the provider;
- The range of services or supplies provided by a facility; and
- The prevailing charge in other areas.

## **RN**

A registered nurse.

## **Room and Board Charges**

Charges made by an institution for room and board and other necessary services and supplies. They must be made regularly at a daily or weekly rate.

## **Semi-Private Rate**

The charge for room and board, which an institution applies to the most beds in its semi-private rooms with two or more beds. If there are no such rooms, Horizon will use the rate most commonly charged by similar institutions in the same geographic area.

## **Service Area**

The geographic area in which Network Providers for this Plan are located, as determined by Horizon.

## **Skilled Nursing/Convalescent Facility**

An institution that:

- Is licensed to provide, and does provide, the following on an inpatient basis for persons convalescing from illness or injury:
  - Professional nursing care by an RN, or by an LPN directed by a full-time RN; and
  - Physical restoration services to help patients to meet a goal of self-care in daily living activities.
- Provides 24-hour-a-day nursing care by licensed nurses directed by a full-time RN.
- Is supervised full-time by a doctor or RN.
- Keeps a complete medical record on each patient.
- Has a utilization review plan.
- Is not mainly a place for rest, for the aged, for drug addicts, for alcoholics, for mentally retarded persons, for custodial or educational care, or for care of mental disorders.
- Makes charges for services rendered.

## **Terminally Ill**

A medical prognosis of six months or less to live.

**Totally Disabled**

“Totally disabled” means that because of injury or illness:

- You are unable to engage in your customary occupation and are not working for pay or profit.
- Your eligible spouse or eligible child is unable to engage in most of the normal activities of a person of like age and sex in good health.

## *Introduction*

Just as American Water provides a comprehensive range of products and services which can be tailored for our customers' individual needs, we provide a flexible, comprehensive benefits package which allows our employees to select the benefits that best meet their needs.

This Summary Plan Description ("SPD") of the Group Insurance Plan of American Water Works Co., Inc. and Its Designated Subsidiaries and Affiliates (the "Plan") supplements the documents and certificates provided by the various insurance carriers and provides a general description, written in non-technical language, of the important provisions of the Plan. There may be other materials (such as an insurance policy or other contractual agreement with a health care or other service provider) that contain more detailed information about Plan benefits. Every effort has been made to ensure that all of these materials contain a consistent description of the Plan's benefits. However, if there is any conflict or inconsistency between these materials, it is the Plan Administrator's responsibility to interpret the conflicting provisions and determine what benefits will be provided under the Plan.

American Water provides this SPD to comply with certain laws and to give you the information you need to use your benefits. Nothing in this document is meant to interpret, extend, or change in any way the provisions of this Plan. No one speaking on behalf of the Plan or the Company can alter the terms of the Plan.

---

## *About This Document*

The benefits described in this document are provided by American Water Works Company, Inc., referred to as "American Water" or "the Company" throughout this Summary Plan Description.

Please read this Summary Plan Description carefully and refer to it whenever you have questions about the American Water benefits program or the specific coverages that apply to you. If you have questions about these benefit plans, please contact the Benefits Service Center at (866) 888-8269 or email [Benefits\\_Service\\_Center@amwater.com](mailto:Benefits_Service_Center@amwater.com).

American Water reserves the right to amend the benefit plans described in this SPD at any time, without prior notice to participants, including the right to change eligibility criteria or program costs and the right to restrict or eliminate benefits provided. American Water also reserves the right to terminate or discontinue these benefits any time, without prior notice to employees.

If a question should ever arise concerning the nature and extent of benefits under any aspect of these plans, the actual legal plan documents – and not this Summary Plan Description – will govern.

---

## *The Benefit Programs*

Your American Water benefits have been designed to reward your commitment to provide excellent service and drive business performance. It can add up to a significant part of your total compensation, giving you added security and peace of mind.

This SPD describes the following employee benefit programs:

- Medical
- Prescription Drug
- Dental/Vision
- Flexible Spending Accounts  
(Health Care and Dependent Care)
- Disability  
(Sick Leave, STD, and LTD)
- Life Insurance  
(Basic Life, Voluntary Life, AD&D, Spouse or Same-Sex Domestic Partner Life, and Dependent Life)
- Employee Assistance Program

---

## *Eligibility*

You and your eligible spouse or eligible same-sex domestic partner and your eligible child(ren) are eligible to participate in the benefits described in this Summary Plan Description if you are an American Water non-bargaining employee and you are a full-time employee (working not less than 35 hours each week) or a part-time employee (working 20 hours each week), except American Water Enterprise employees (who may only participate in the Flexible Spending Accounts and EAP). Part-time employees (and their eligible spouse or eligible same-sex domestic partner, and eligible children) who meet these requirements are eligible for Medical, Prescription Drug, Flexible Spending Accounts, and EAP coverage only.

You are ineligible to participate in the Plan if you:

- Are a part-time employee working less than 20 hours each week;
- Are classified as a temporary employee in accordance with the Company's personnel policies and practices;
- Are an employee covered by a collective bargaining unit;
- Perform services for the Company pursuant to an arrangement with a leasing organization or any other third-party, including but not limited to a "leased employee" within the meaning of section 414(n) of the Internal Revenue Code; or
- Are a person who is classified as an independent contractor or otherwise as a person who is not treated as an employee for purposes of withholding federal employment taxes, regardless of any contrary governmental or judicial determination relating to such employment status or tax withholding obligation. If a person described in the preceding sentence is subsequently reclassified as, or determined to be, an employee by the Internal Revenue Service, any other governmental agency or authority, or a court, or if the Company is required to reclassify such an individual as an employee as a result of such reclassification or determination (including any reclassification by the Company in settlement of any claim or action relating to such individual's employment status), such individual shall not become eligible to become a participant in the Plan by reason of such reclassification or determination.

Your eligibility and participation date is the first day of the month after you complete one full month of continuous service with the Company.

**Example:** If your start date is January 21, your Benefits Eligibility Date is March 1. If you are on a layoff, on disability, or on leave of

absence on your eligibility date, coverage will begin on the day you return to active work.

For purposes of the Medical Plan, the Dental/Vision Plan, and the Health Care Flexible Spending Account, you may provide coverage for:

- Your eligible spouse or eligible same-sex domestic partner.
- Your eligible children from birth to age 26 (i.e., if your child's 26<sup>th</sup> birthday is February 2, 2012, the coverage will end on February 1, 2012) including your:
  - Natural born children;
  - Adopted children;
  - Foster children;
  - Stepchildren or same-sex domestic partner's children; or
  - Grandchildren who live with you in a parent-child relationship; and for whom you are the legal guardian, who reside with you and fully depend on you for support.

For purposes of Dependent Voluntary Life Insurance (VLI), you may provide coverage for:

- Your eligible spouse or eligible same-sex domestic partner.
- Your unmarried eligible children from birth to age 19 who are:
  - Fully dependent on you for support;
  - Not employed full-time; and
  - Not in the military service.
- Your unmarried eligible children ages 19 to 23, while:
  - Fully dependent on you for support;
  - Full-time students (attending high school or attending an accredited learning institution with at least 12 credits);
  - Not employed full-time; and
  - Not in the military service.

The word "children" includes natural born children, adopted children, foster children, grandchildren, and stepchildren who meet all of the above criteria, live with you in a parent-child relationship, and must be claimed as tax dependents for federal income tax purposes. The phrase "live with you in a parent-child relationship" means that the child resides in your home on a permanent basis as the place of his or her legal residence – even though the child may be away from your home during certain periods of the year (e.g., to attend school).

To be considered a full-time student, the child must be enrolled in an educational institution and taking at least 12 credit hours per semester/quarter or attend a post-secondary technical school.

When you enroll your same-sex domestic partner, you will be asked to submit an Affidavit of Same-Sex Partnership for Benefit Coverage attesting to certain requirements. If you do not complete the certification process and submit the evidence required within 30 days, your same-sex domestic partner will be removed from coverage. You and your domestic partner must certify that all of the following are true:

- You reside in a state or federal district that recognizes civil unions (defined as a legally recognized union between same-sex domestic partners) or grants or recognizes same-sex marriage certificates, and provide a copy of evidence; or:
- You and your same-sex domestic partner share a permanent residence (unless residing in different cities, states, or countries on a temporary basis);
- You and your same-sex domestic partner are each other's sole same-sex domestic partner, have been in this relationship for at least six continuous months prior to the date of the Affidavit, and intend to remain in this relationship indefinitely;
- You and your same-sex domestic partner are of the same sex as each other and neither is currently married or legally separated from another person by law;
- You and your same-sex domestic partner are responsible for each other's common welfare;
- You and your domestic partner are at least age 18;
- You and your domestic partner are not related to each other by blood any closer than would prohibit legal marriage.
- You and your same-sex domestic partner are financially interdependent;
- You and your domestic partner are able to present three or more of the following as evidence of this:
  - Joint ownership of real estate property or joint tenancy on a residential lease;
  - Joint ownership of an automobile;
  - Joint bank or credit account;
  - Joint liabilities (for example, credit cards or loans);
  - A will designating the same-sex domestic partner as primary beneficiary;

- A retirement plan or life insurance policy beneficiary designation form designating the same-sex domestic partner as primary beneficiary; or
- A durable power of attorney signed to the effect that you and your same-sex domestic partner have granted powers to one another.

If you cover a same-sex domestic partner, American Water is required to report income for you that reflects the value of the coverage for tax-reporting purposes. This is known as imputed income. You will receive a W-2 annually for the value of coverage for any domestic partner who is not an IRS tax dependent.

Your eligible spouse, same-sex domestic partner, or child(ren) cannot participate unless you, the employee, also participate.

## Dual Eligibility

An individual is not eligible as both an employee and as an eligible spouse, same-sex domestic partner, or child, nor as the eligible spouse, same-sex domestic partner, or child of more than one employee.

---

## *Coverage for Disabled Children*

Coverage for your fully disabled child may be continued past the maximum age for an eligible child. Your child is fully disabled if:

- He or she is unable to earn his or her own living because of mental disability or a physical disability which started before the date he or she reaches the maximum age for eligible children; and
- He or she depends chiefly on you for support and maintenance.

Proof that your child is fully disabled must be submitted to Horizon no later than 31 days after the date your child reaches the maximum age of 26 for Medical, Dental/Vision, or Health Care Flexible Spending Account coverage; 19, or up to age 23 if attending school full-time for Voluntary Life Insurance.

Coverage will cease on the first to occur of:

- Cessation of the disability;
- Failure to give proof that the disability continues;
- Failure to have any required exam; or
- Termination of coverage for your child for any reason other than reaching the maximum age.

*You have the option of declining Medical/Dental/Vision coverage for yourself or your eligible spouse, same-sex domestic partner, or child(ren), or electing only Dental/Vision coverage.*

Horizon will have the right to require proof of the continuation of the disability. Horizon also has the right to examine your child, at its own expense, as often as needed while the disability continues. An exam will not be required more often than once each year after two years from the date your child reaches the maximum age.

---

## ***Special Rules That Apply to an Adopted Child***

Medical (or Dental/Vision) coverage for an adopted child will become effective on the date the child is placed with you for adoption, **if you make a written request for coverage within 31 days of his or her placement with your family.**

**Enrolling for benefits and making changes to benefit elections are time-sensitive.**

---

## ***Enrolling for Coverage***

When enrolling in Medical or Dental/Vision, Health Care Flexible Spending Account, Dependent Care Flexible Spending Account, Voluntary Life Insurance, and Dependent Life Insurance coverage, you will need to complete the enrollment process. For health insurance, you will need to indicate if you want to participate in either:

- The Preferred Provider Organization (PPO) Plan; and/or
- Dental/Vision Plans.

If you are a newly hired eligible employee (see "Eligibility" on page 5) and you want to enroll yourself and your eligible spouse or same-sex domestic partner or child(ren) in these plans, you must complete the enrollment process **within 31 days of your date of hire.**

**To enroll, you must submit your completed enrollment form to the Benefits Service Center within 31 days of your date of hire or life event.** Effective August 1, 2012 American Water employees will be able to expedite the enrollment process by enrolling online through Employee Self Service and must utilize this site to enroll or change benefit elections as of this date. All other employees without access to Employee Self Service should continue to submit their completed enrollment forms to the Benefits Service Center. **All required documentation must be provided within 30 days following approval of your request.** If you do not complete your request and send all required documentation within the required timeframe, you will be unable to make changes to your benefits until the next scheduled open enrollment period.

*Effective August 1, 2012 American Water employees must enroll online through Employee Self Service. Those without access to Employee Self Service should return the completed enrollment forms to the Benefits Service Center within 31 days of the date of hire or life event. In addition, all required documentation must be provided within 30 days following approval of your request.*

Your **Benefits Eligibility Date** is the first day of the month following completion of one full month of continuous employment. **Example:** If your start date is January 21, your Benefits Eligibility Date is March 1 and your enrollment request should be returned by February 20.

When you enroll your eligible spouse or same-sex domestic partner and child(ren), you will need to provide their names, gender, birth dates, and Social Security numbers.

You also may be asked to provide proof of eligible spouse or same-sex domestic partner and child(ren) status, including but not limited to:

- A marriage certificate.
- A birth certificate.
- Guardianship/adoption papers.
- College report card or transcript (for Voluntary Life Insurance coverage).
- An Affidavit of Domestic Partnership and related documents that prove domestic partnership, as explained on page 7.

**If you are unable to provide the required documentation within 30 days following approval of your request to enroll or make changes to your election(s), your eligible spouse or same-sex domestic partner, or child(ren) will not be covered.** In addition, you may be required to reimburse American Water for any costs associated with covering an individual who is not an eligible spouse, same-sex domestic partner, or child(ren) and your, as well as your eligible spouse's or same-sex domestic partner's and child(ren)'s coverage may be terminated.

In addition, you will not be able to enroll in a Medical or Dental/Vision Plan, the Health Care and Dependent Care Flexible Spending Accounts, Voluntary Life Insurance, or Dependent Life Insurance until the next Open Enrollment period unless you have a Change in Status or a Special Enrollment Period.

The annual Open Enrollment Period is an important opportunity to review your coverage levels and make changes to meet your benefit needs for the next Plan Year.

**Coverage levels** are defined as:

- You only.
- You + spouse or same-sex domestic partner.
- You + child(ren).
- Family (you + spouse or same-sex domestic partner + child(ren)).

---

## *Changes in Status*

You may enroll in a Plan as an eligible new hire or during the annual Open Enrollment period. However, if you or your family experiences a Change in Status (as described below), you may enroll in or add or drop coverage for yourself, your eligible spouse, same-sex domestic partner, or child(ren) during the Plan Year on account of, and consistent with, the Change in Status.

**You must complete your request for enrollment within 31 days of the event (see “Enrolling for Coverage” on page 9), and all required documentation must be provided within 30 days following approval of your request. If you do not complete your request and send all required documentation within the required timeframe, you will be unable to make changes to your benefits until the next scheduled open enrollment period. Benefit changes are effective on the date of the life event.**

The following events are changes in status:

- Marriage, registration or dissolving of same-sex domestic partnership, death of spouse, divorce, legal separation, or annulment.
- A child qualifies as an eligible child (see “Eligibility” on page 5).
- Birth, adoption, placement for adoption, or death of an eligible child.
- Termination or commencement of employment by you, your eligible spouse, same-sex domestic partner, or child(ren).
- Reduction or increase in hours of employment by you, your eligible spouse, same-sex domestic partner, or child(ren) that results in a change in employment status, including a switch between part-time and full-time, strike or lockout, or taking or returning from an unpaid leave.
- Your eligible child no longer qualifies because of age (for purposes of health insurance).
- Change in residence or worksite of you, your eligible spouse, same-sex domestic partner, or child(ren), if the change results in gain or loss of coverage.
- Your eligible spouse’s or same-sex domestic partner’s employer holds open enrollment at a time other than American Water.
- You become disabled.
- Coverage changes, such as a change in coverage under an eligible spouse's or same-sex domestic partner’s plan.

You can also enroll in or add or drop coverage for your eligible spouse, same-sex domestic partner, or child(ren) during the Plan Year if a judgment, decree, or order resulting from divorce, legal separation, annulment or change in custody requires health coverage for your eligible spouse, same-sex domestic partner, or child(ren), or eligible foster child, or if you or an eligible spouse, same-sex domestic partner, or child(ren) become entitled (or cease to be entitled) to Medicare or Medicaid.

For life insurance, your eligible child no longer qualifies because of age, student status, or marriage.

### ***Special Enrollment Rights***

If you decline enrollment for yourself or your eligible spouse, same-sex domestic partner, or child(ren) because of other health insurance or group health plan coverage, you may be able to enroll yourself and your eligible spouse or same-sex domestic partner and child(ren) in this Plan if you or your eligible spouse, same-sex domestic partner, or child(ren) loses eligibility for that other coverage (or if the employer stops contributing towards your or your eligible spouse's, same-sex domestic partner's, or child(ren)'s other coverage). However, you must enroll within 31 days after your or your eligible spouse's, same-sex domestic partner's, or child(ren)'s other coverage ends (or after the employer stops contributing toward the other coverage).

A newborn child, an adopted child, or a child placed with you for adoption is automatically covered for the first 31 days of life, the date the child was adopted, or the date the child was placed for adoption. **To continue coverage for a newborn beyond 31 days, you must complete your request for enrollment within 31 days of the event (i.e., birth or placement for adoption), and all required documentation must be provided within 30 days following approval of your request. If you do not complete your request and send all required documentation within the required timeframe, you will be unable to make changes to your benefits until the next scheduled open enrollment period. Approved benefits changes are effective on the date of the Life Event.**

In addition, if you have a new eligible spouse or child as a result of marriage, you may be able to enroll yourself and your eligible spouse or child(ren). **However, you must complete your request for enrollment within 31 days of the event (e.g., marriage), and all required documentation must be provided within 30 days following approval of your request. If you do not complete your request and send all required documentation within the required timeframe, you will be unable to make changes to your benefits until the next scheduled open enrollment period. Approved benefits changes are effective on the date of the Life Event.**

To request special enrollment **submit your completed enrollment form to the Benefits Service Center within 31 days of your date of hire or life event.** Effective August 1, 2012 American Water employees will be able to expedite the enrollment process by enrolling online through Employee Self Service and must utilize this site to enroll or change benefit elections as of this date. All other employees without access to Employee Self Service should continue to submit their completed enrollment forms to the Benefits Service Center. To obtain more information, contact the Benefits Service Center.

*Note:* Certain events could result in an immediate loss of eligibility for eligible spouses, same-sex domestic partners, and child(ren): if you get divorced or legally separated; if you terminate your domestic partnership; if your eligible child reaches the maximum age for coverage.

Under the Children's Health Insurance Program Reauthorization Act of 2009 ("CHIP"), employer-sponsored group health plans are required to update their mid-year special enrollment period rules. If you, your eligible spouse, or child is eligible, but not enrolled, for coverage under the Plan (including Medical and Dental/Vision), you are eligible to enroll for coverage if you meet either of the following conditions and you request enrollment with the Plan (including Medical and Dental/Vision) no later than 60 days after the date of the event:

- You or your eligible spouse or child(ren) loses eligibility for Medicaid or CHIP coverage; or
- You or your eligible spouse or child(ren) becomes eligible for premium assistance, with respect to coverage under the Plan (including Medical and Dental/Vision), due to coverage with Medicaid or state child health plan.

To request more information, contact the Benefits Service Center.

## *The Medical Plan*

Eligible employees and their eligible spouse or same-sex domestic partner and child(ren) may participate in the PPO Plan.

*The PPO Plan emphasizes both preventive care and protection against the cost of illness and serious injury.*

The PPO Plan is administered by Horizon Blue Cross Blue Shield (Horizon). Horizon has negotiated special rates with in-network health care providers in the plans to offer you competitive health care. To locate participating network providers, call (800) 810-BLUE (2583) or use the Provider Finder at [http://www.horizon-bcbnsj.com/national\\_accounts.html](http://www.horizon-bcbnsj.com/national_accounts.html).

*Note: Eligible Hawaii employees and their eligible spouse and child(ren) may participate in the Hawaii Medical Service Association (HMSA) Medical Plan. The plans administered by Horizon do not apply to Hawaii employees. HMSA medical plan is part of the American Water Group Insurance Plan, the terms of which are incorporated in this Summary Plan Description by reference.*

### **PPO Plan**

With the PPO Plan, you have a choice to make each time you use the Plan: whether to receive care from a doctor, hospital, or health care provider that is part of the plan's network, or from any provider outside the network. You will receive a higher level of coverage (i.e., the Plan will pay a higher percentage of the cost of service) when you receive care through the network and your out-of-pocket costs will be lower compared to receiving care outside of the network.

You do not have to select a primary care doctor to coordinate your care (e.g., when you need specialty services). However, it is always a good idea to maintain a relationship with a doctor who knows you and your medical history and who can help you make the right choices about your care.

### **Listings of Network Providers**

To locate providers that participate in the Horizon network, you can call (800) 810-BLUE (2583) or use the *Provider Finder* at [http://www.horizon-bcbnsj.com/national\\_accounts.html](http://www.horizon-bcbnsj.com/national_accounts.html).

### **Hawaii**

Your medical plan is administered by HMSA. Please contact the Benefits Service Center for information.

## *The Preferred Provider Organization Plan*

*The Plan is self-insured by American Water. Horizon provides certain administrative services under the Plan.*

The Preferred Provider Organization (PPO) Plan is self-insured by American Water. A plan is considered to be “self-insured” when a company uses its own funds to pay claims. Horizon provides certain administrative and claim payment services under the Plan but does not guarantee benefit payments. The PPO Plan emphasizes preventive care and protects you from the cost of illness and serious injury while providing you with access to a high level of benefits.

**If you want to receive the advantages of the PPO Plan, you should select a doctor within Horizon’s network.** As you may know, Horizon maintains a nationally recognized health care provider network. In fact, most providers and hospitals currently used by our employees are members of the Horizon network. If you cover any college-age children, we anticipate that they will have access to network doctors when they are away at school. To learn which doctors are in the network, call Horizon at (800) 810-BLUE (2583) or use the Provider Finder at [http://www.horizon-bcbsnj.com/national\\_accounts.html](http://www.horizon-bcbsnj.com/national_accounts.html).

You do not have to coordinate your care through a primary care physician (PCP) to receive a high level of benefits. In addition, you do not need to obtain a referral from your PCP in order to see a specialist. However, it’s a good idea to see a PCP first to make sure you are getting appropriate care.

If you obtain care from an out-of-network doctor, the Plan may pay a lower level of benefits and some services (such as preventive care services) are not covered at all.

The PPO Plan provides reasonable access to primary care, specialists, and network hospitals. The standard for distance from an employee’s home to a provider who is accepting new patients is set forth in the following chart, although the actual distance may be greater in some cases:

	<b>Urban Area</b>	<b>Rural Area</b>
<b>Adult Doctor</b> <i>(includes Family Practice and General Internal Medicine)</i>	3 doctors in 8 miles	2 doctors in 12 miles
<b>Pediatrician</b>	2 doctors in 8 miles	2 doctors in 12 miles
<b>OB/GYN</b>	2 doctors in 8 miles	2 doctors in 12 miles
<b>Hospital</b>	1 hospital within 10 miles	1 hospital within 15 miles

## *How the Preferred Provider Organization Plan Works*

With the PPO Plan, you do not need to select a PCP before you receive medical care, nor do you need to obtain referrals to see a specialist. However, when you need care, you should choose a doctor from a “network” of health care providers to receive the highest level of benefits under the Plan.

You can select a network provider from among those listed on Horizon’s website at [http://www.horizon-bcbsnj.com/national\\_accounts.html](http://www.horizon-bcbsnj.com/national_accounts.html) or by calling Horizon at (800) 810-BLUE (2583).

**If you choose a provider in the network**, you receive a higher level of reimbursement for your medical expenses than you would receive if you chose a provider outside the network.

- You do not have to meet an annual deductible if you use an in-network provider.
- Your in-network health care providers file all your claims.
- Your in-network doctor initiates all required precertification.
- You will not experience any reduction in benefits under the “reasonable and customary” rule because health care providers in the network are allowed to charge only the special rates that Horizon has negotiated with them. (See the Glossary for a definition of “reasonable and customary charge.”)

Under the PPO, you may receive care from any provider you choose. If the provider is outside the network:

- You will have to meet an annual deductible;
- Your level of benefits reimbursable will be lower;
- You will have to file your own claims;
- You will need to initiate precertification for inpatient hospitalization and certain outpatient procedures; and
- You will have to pay any expenses in excess of the “reasonable and customary charges” on which Plan payment is based, in addition to the applicable coinsurance amount.

---

## *When You Need a Specialist*

If you need specialized care, you do not need a referral. Remember, in order to receive the highest level of benefits, you must use a specialist who belongs to the network.

If you need medical services or treatment that is not available within the PPO network, your doctor may recommend a specialist who does not belong to the network. In this case, your doctor must obtain precertification from Horizon and you will receive the higher level of benefits.

---

## *Coverage When You Are Traveling*

You should call Horizon Member Services at (800) 355-BLUE (2583) for a list of participating doctors and hospitals to receive the highest level of benefits.

---

## *In Case of Emergency*

*An emergency is a sudden and unexpected life-threatening medical condition that requires immediate medical or surgical care.*

In case of emergency, get the care you need from the nearest health care facility or doctor. A medical emergency is defined as “a sudden and unexpected life-threatening medical condition that requires immediate medical or surgical care in order to prevent death or a severe health crisis.” Examples include convulsions, excessive bleeding, serious burns, and suspected heart attack.

You will be paid at the Plan’s higher benefit level for emergency care – 24 hours a day, 365 days a year – whether you are at home or away. When you need emergency care, it’s important to seek **immediate** care at the nearest appropriate facility.

When a covered person is confined as a full-time inpatient as the result of an **emergency** admission, you, the person’s doctor, or the hospital must call Horizon Member Services to request certification within 48 hours of the start of the confinement. If the call cannot be made within 48 hours, the call must be made as soon as reasonably possible. The 48-hour requirement is extended to 72 hours when the confinement starts on a Friday or Saturday.

---

## *Precertification*

Precertification is an important feature of the PPO Plan. In order for you to receive the highest level of benefits available, **you, the network hospital, or your doctor** must notify Horizon to precertify any hospital admission and certain outpatient surgical procedures, treatments, and tests. The purpose of this process is to review the medical necessity of a procedure and to approve an appropriate length of stay.

If you elect to get care from an out-of-network provider you will have to initiate the precertification process yourself.

Precertification is required for:

- All hospital and skilled nursing/convalescent facility admissions;
- Home health care, hospice care, and skilled nursing care; and
- Inpatient treatment for substance abuse and mental disorders.

Call Horizon for all other procedures.

To request precertification of an admission or procedure, call the precertification telephone number listed on your PPO Plan ID card, or call Horizon Member Services, toll-free, at **(800) 355-BLUE (2583)** to be directed to the Patient Management site for your area.

To request precertification of an out-of-network admission or procedure, just call the precertification telephone number listed on your ID card or Horizon Member Services, toll-free, at **(800) 355-BLUE (2583)**. You should call at least 14 days before any scheduled admission or outpatient procedure, or as soon as you are aware you need medical care. **In case of emergency, you or a family member should contact Horizon Member Services within 48 hours after the admission or procedure.**

When you call, you will speak to a Medical Consultant who will ask you:

- Your name and PPO Plan identification number;
- The relationship of the patient to you;
- The type of surgical procedure or test you need;
- The name and telephone number of your doctor; and
- When the procedure is scheduled.

### **Procedures Which Must Be Precertified**

### **How to Request Precertification for a Medical Procedure or Admission**

The Medical Consultant will review the medical necessity of the proposed inpatient admission, the proposed surgical procedures and treatments, or the proposed inpatient treatment for substance abuse and mental disorders. He or she will compare information about your case with generally accepted medical standards.

For precertification of Mental Health and Substance Abuse admissions, call Magellan at (800) 626-2212.

If the proposed inpatient admission or treatment is medically necessary in accordance with such standards, it will be certified by the Medical Consultant. On the other hand, if other treatment is more appropriate, alternative treatment settings may be suggested. See page 36 for more information regarding precertification.

### **There's a Penalty If You Do Not Precertify**

If you do not call to precertify a hospital admission or any of the procedures or tests listed, you will have to pay a separate \$150 penalty charge, in addition to your applicable coinsurance and/or deductible, before benefits are paid for covered services. This penalty charge will not be applied toward your deductible or your out-of-pocket limit.

### **If Your Hospital Stay Is Longer Than Expected**

If your hospital stay is longer than the approved period, you must notify Horizon Member Services as soon as you are aware your stay must be extended. The Medical Consultant can then work with your doctor to extend the certification of your hospital stay.

## ***Your Share of Medical Expenses***

The American Water Medical Plan has been carefully designed to provide quality care and the most value for each dollar spent by you and the Company. Here is how we share the costs of these valuable benefits.

### **Deductibles (out-of-network only)**

A deductible is the amount you must pay before the Plan begins to pay benefits for covered expenses. All deductibles are calculated on an annual basis and must be met every year. Inpatient hospital copayments **do not count** toward meeting the annual deductibles.

- **Single Deductible Limit (per calendar year):** \$200 (out-of-network only; no deductible for in-network).

This calendar year deductible applies to all expenses incurred for out-of-network and for care for your eligible spouse or same-sex domestic partner and child(ren) who live permanently outside the network.

- **Family Deductible Limit (per calendar year) (must be met by expenses of more than one family member):** \$600 (out-of-network only; no deductible for in-network).

This calendar year deductible applies to all expenses incurred for out-of-network and for care for your eligible spouse or same-sex domestic partner and child(ren) who live permanently outside the network.

### Inpatient Hospital Copayment (out-of-network only)

There is a separate \$250 copayment for each confinement in an out-of-network hospital. This is a separate amount you pay for each hospital confinement. The inpatient hospital copayment will be applied only once to each hospital confinement, regardless of cause, which is separated by less than 10 days from another confinement.

Expenses used to meet the inpatient hospital copayment cannot be used to meet any other applicable deductible. Expenses used to meet any other applicable deductible cannot be used to meet the inpatient hospital copayment.

The inpatient hospital copayment is \$250 per confinement (out-of-network only).

However, for a confinement of a well newborn child that starts on the day of birth, the inpatient hospital copayment will not exceed the hospital's actual charge for room and board for the first day of confinement on which the child's coverage is in force. To maintain continuous coverage on the newborn, you must add him or her to the Plan through American Water (see "Enrolling for Coverage" on page 9) as an eligible child within 31 days of birth.

### Coinsurance

After you meet the applicable annual deductible (out-of-network only), you and American Water share the remaining expenses through coinsurance.

If you use **network doctors, hospitals or hospital alternatives**, the Plan generally pays as follows (although there may be other limits, such as limits on the number of treatments or visits):

Plan Pays	You Pay	Up to 2012 Annual Out-of-Pocket Limit (single/family)
80%	20%	\$2,500 / \$5,000 including prescription drug coverage

If you use **out-of-network doctors, hospitals or hospital alternatives**, the Plan generally pays as follows (although there may be other limits, such as limits on the number of treatments or visits):

Plan Pays	You Pay	Up to 2012 Annual Out-of-Pocket Limit (single/family)
50%	50%	\$5,000 per person

Your in-network coinsurance amounts do not count toward your out-of-network deductible and coinsurance limits.

## Out-of-Pocket Limits

There is a limit to your share of medical expenses each calendar year, called the “out-of-pocket” limit. Your coinsurance amounts count toward these out-of-pocket limits and deductibles, and amounts you are required to pay to out-of-network providers in excess of the reasonable and customary charge **do not** count toward out-of-pocket limits and deductibles.

### ■ 2012 Out-of-Pocket Limits (single/family)

- \$2,500 / \$5,000 (in-network)
- \$5,000 per person (out-of-network)

If you reach your out-of-pocket limit during a calendar year, your covered expenses will be paid at 100% for the remainder of that year (in-network) and at 100% of reasonable and customary charges (out-of-network). Your out-of-pocket limit will be reset to \$0 at the beginning of each year.

However, any expense not determined to be a covered expense, and precertification penalties, do not count toward your out-of-pocket limit.

**Note: In-network prescription drug charges will contribute to the in-network out-of-pocket limit.**

## Lifetime Maximum Benefit

## Your Contributions

The PPO Plan provides an unlimited lifetime maximum benefit for you and each covered member of your family.

You pay your share of the cost for your benefits each pay cycle through convenient *pre-tax* payroll deductions. *Pre-tax* means that your contributions are withheld before federal and in most cases, state and local income and FICA (Social Security) taxes are withheld. This reduces your taxable income and the amount of tax you pay. As a result, you have more take-home pay. Because your pre-tax contributions are not subject to FICA taxes, your Social Security benefit at retirement may be slightly reduced if your earnings are under the Social Security Taxable Wage Base (\$110,100 for 2012). However, the loss in future retirement benefits should be more than offset by the current tax savings under the Plan.

---

## *Benefits Payable*

*American Water pays the majority of your benefit costs.*

After any applicable deductible, coinsurance, or copayment amount, the Plan pays benefits subject to the applicable coinsurance and copayment provisions which applies to the type of Covered Medical Expense, except for any different benefit levels described elsewhere in this Summary Plan Description. If an expense is covered as one type of Covered Medical Expense, it cannot be covered as any other type.

---

## ***Benefit Maximums***

All maximums included in this Plan are combined maximums between in-network and out-of-network, where applicable, unless specifically stated otherwise.

The following limitations apply to some of the benefits under the PPO Plan:

- **Private Duty Nursing Care**  
70 shifts per calendar year
- **Home Health Care**  
120 visits per calendar year  
(a “visit” is considered to be four hours or less in duration)
- **Skilled Nursing/Convalescent Facility**  
120 days per calendar year
- **Short-Term Rehabilitation**  
60 days per calendar year
- **Private Room Limit**  
The institution’s semi-private rate

---

## ***Covered Expenses***

### **Inpatient Hospital Care**

*Inpatient admissions must be precertified to qualify for the maximum benefit payable.*

The Plan covers charges made by a hospital for room (semi-private only), board, and other hospital services and supplies for a person who is confined as a full-time inpatient for the treatment of an injury or illness.

The Plan covers charges made by a hospital for services and supplies for a person who is not confined as a full-time inpatient.

### **Skilled Nursing/ Convalescent Facility**

*Precertification of skilled nursing/convalescent facility services is necessary to receive the maximum benefit payable by the Plan.*

The Plan covers charges made by a skilled nursing/convalescent facility for the following services and supplies furnished to a person while confined to convalesce from an illness or injury.

- Room and board. This includes charges for services such as general nursing care made in connection with room occupancy. Charges for daily room and board in a private room over the Private Room Limit are not covered.
- Use of special treatment rooms.
- X-ray and lab work.

- Physical, occupational, or speech therapy.
- Oxygen and other gas therapy.
- Other medical services usually given by a skilled nursing/convalescent facility, excluding private or special nursing, or doctors' services.
- Medical supplies.

The Plan does not cover skilled nursing/convalescent facility charges made for treatment of:

- Drug addiction.
- Chronic brain syndrome.
- Alcoholism.
- Senility.
- Mental retardation.
- Any other mental disorder.

## Home Health Care

*Home health care is limited to 120 visits in a calendar year. Each visit by a nurse or therapist is one visit. Each visit of up to four hours by a home health aide is one visit.*

Home health care expenses are covered if they are precertified and:

- The charge is made by a home health care agency;
- The care is given under a home health care plan; and
- The care is given to a person in his or her home.

Home health care expenses are charges for:

- Part-time or intermittent care by an RN, or by an LPN if an RN is not available.
- Part-time or intermittent home health aide services for patient care.
- Physical, occupational, and speech therapy.
- Expenses covered to the extent they would have been covered under this Plan if the person had been confined in a hospital or skilled nursing/convalescent facility:
  - Medical supplies, drugs, and medicines prescribed by a doctor; and
  - Lab services provided by or for a home health care agency.

The Plan covers a maximum of 120 home health care visits in a calendar year. Each visit by a nurse or therapist is one visit. Each visit of up to four hours by a home health aide is one visit.

**The Plan does not cover charges made for:**

- Services or supplies that are not a part of the home health care plan.
- Services of a person who usually lives with you or is a member of your, your spouse's, or your same-sex domestic partner's family.
- Services of a social worker.
- Transportation.

**Routine Physical Exams**

*The charges made by your doctor for a routine physical exam given to you, your eligible spouse, your eligible same-sex domestic partner, or your eligible child may be included as Covered Medical Expenses.*

Covered Medical Expenses include charges made by your doctor for a routine physical exam given to you, your spouse, your same-sex domestic partner, or your eligible child.

A routine physical exam is a medical exam given by a doctor for a reason other than to diagnose or treat a suspected or identified injury or illness. Included are:

- X-rays and laboratory and other tests given in connection with the exam; and
- Materials for the administration of immunizations for infectious illness and testing for tuberculosis.

To qualify as a covered physical exam, the doctor's exam must include at least:

- A review and written record of the patient's complete medical history;
- A check of all body systems; and
- A review and discussion of the exam results with the patient or the parent or guardian.

For a child age six and over, Covered Medical Expenses do not include charges for more than one exam in a period of 12 consecutive months.

For you or your spouse or same-sex domestic partner, Covered Medical Expenses do not include charges for more than one exam in a period of 12 consecutive months.

**Charges for routine physical exams do not include:**

- Services and supplies furnished by an out-of-network provider.
- Services covered to any extent under any other part of this Plan or any other group plan sponsored by American Water.
- Services to diagnose or treat a suspected or identified injury or illness.
- Exams given to a person confined in a hospital or other facility for medical care.

- Services not given by a doctor or under his or her direction.
- Medicines, drugs, appliances, equipment, or supplies.
- Psychiatric, psychological, personality, or emotional testing or exams.
- Exams in any way related to employment.
- Premarital exams.
- Vision, hearing, or dental exams.
- Doctor's office visits in connection with immunization or testing for tuberculosis.

## Routine Hearing Exams

*The American Water Plan covers a routine hearing exam by a participating provider once every 12 months under the PPO Plan.*

Covered Medical Expenses include charges for an audiometric exam. The services must be performed by a network doctor who is certified as an otolaryngologist or otologist, or by an audiologist who:

- Is legally qualified in audiology or holds a certificate of Clinical Competence in Audiology from the American Speech and Hearing Association in the absence of any applicable licensing requirements; and
- Performs the exam at the written direction of a legally qualified otolaryngologist or otologist.

Covered Medical Expenses will not include charges for more than one hearing exam in a period of 12 consecutive months under the PPO Plan.

### **Charges for routine hearing exams do not include:**

- Ear or hearing exams to diagnose or treat an illness or injury.
- Drugs or medicines.
- Hearing care services or supplies covered to any extent under any other part of this Plan or any other group plan sponsored by American Water.
- Hearing care services or supplies for which benefits are provided under any Workers' Compensation law or any other law of similar purpose, whether benefits are payable for all or only part of the charges.
- Hearing care services or supplies which do not meet professionally accepted standards.
- Services or supplies received while the person is not covered.
- Exams given while the person is confined in a hospital or other facility for medical care.

- Exam required by an employer as a condition of employment, or that an employer is required to provide under a labor agreement or required by law.

- Services or supplies furnished by an out-of-network provider.

## **Routine Pap Smear**

Covered Medical Expenses include charges for one routine Pap smear and related laboratory expenses each calendar year.

## **Routine Mammogram**

Covered Medical Expenses include charges incurred by a female for one routine mammogram each calendar year, in accordance with American Medical Association Guidelines.

## **Benefits Related to Breast Reconstruction**

The Plan provides benefits related to breast reconstruction in compliance with the Women's Health and Cancer Rights Act of 1998. This federal law states that group health plans that provide medical and surgical benefits for mastectomy must provide certain additional benefits related to breast reconstruction.

If you (or a covered eligible spouse, same-sex domestic partner, or child) are receiving mastectomy benefits, you are entitled to coverage for:

- Reconstruction of the breast on which the mastectomy has been performed;
- Surgery and reconstruction of the other breast to produce a symmetrical appearance; and
- Prostheses and treatment for physical complications for all stages of a mastectomy, including lymphedemas (swelling associated with the removal of lymph nodes).

The Plan will determine the manner of coverage in consultation with you and your attending doctor. Coverage for breast reconstruction and related services will be subject to the same annual deductibles and coinsurance provisions that apply for the mastectomy.

## **Voluntary Sterilization**

The charges made by a doctor or hospital for a vasectomy or tubal ligation for voluntary sterilization, even though not incurred in connection with the diagnosis or treatment of an illness or injury, are Covered Medical Expenses. Charges for the reversal of a sterilization procedure are not covered.

## **Annual Gynecological Exam**

Expenses incurred for one routine self-referred gynecological exam per calendar year, performed by a network doctor, will be considered a Covered Medical Expense. The routine gynecological exam, including one Pap smear and related laboratory expenses, is considered Office Care. No coverage is provided if the exam is performed by an out-of-network provider.

*You may visit your network gynecologist once a year for a routine exam.*

## Maternity

*Benefits are payable for pregnancy-related expenses of female employees and female eligible spouse, same-sex domestic partner, or child(ren) on the same basis as for an illness.*

Pregnancy expenses must be incurred while the person is covered under this Plan. If expenses are incurred after the coverage ceases, they will be considered for benefits only if satisfactory evidence is furnished to Horizon that the person has been totally disabled since her coverage terminated.

Any pregnancy benefits payable by previous group health coverage will be subtracted from health benefits payable for the same expenses under this Plan.

Medical care related to pregnancy, childbirth, abortion, or miscarriage includes the hospital delivery and hospital stay for at least 48 hours after a vaginal delivery or 96 hours after a cesarean section, if the attending practitioner determines that inpatient care is medically necessary and appropriate or if requested by the eligible mother notwithstanding medical necessity and appropriateness.

The attending provider, after consulting with the mother, may discharge the mother and newborn earlier than 48 hours following a vaginal delivery or 96 hours following a caesarean section.

## Mouth, Jaws, and Teeth

*The Medical Plan covers certain treatments of the mouth, jaws, and teeth only in the event of injury. Treatment must be of, or related to, the teeth, mouth, jaws, jaw joints, or supporting tissues (these include bones, muscles, and nerves).*

The Medical Plan will cover certain dental expenses, but only in the event of injury. Charges for root canal therapy; routine tooth removal (which does not involve cutting of the bone); and in-mouth appliances, crowns, bridgework, dentures, tooth restorations, and any related fitting or adjustment services (whether or not their purpose is to relieve pain) are covered if they are required as the result of injury to the mouth, jaw, or teeth.

The Medical Plan does not cover charges to remove, repair, replace, restore, or reposition teeth which are lost or damaged in the course of biting or chewing. Charges to repair, replace, or restore fillings, crowns, dentures, or bridgework are not covered by the Medical Plan. Non-surgical periodontal treatment is excluded, as are charges for dental cleaning; in-mouth scaling, planing, or scraping; and myofunctional therapy (muscle training therapy to correct or control harmful habits).

The following services and supplies furnished for the treatment of the mouth, jaws, jaw joints, teeth, and supporting tissues (including bones, muscles, and nerves) are Covered Medical Expenses and not part of the Dental Plan. For these expenses, “doctor” includes a dentist.

- Surgery needed to treat a fracture, dislocation, or wound or to cut out teeth partly or completely impacted in the jawbone. Covered surgery may cut out teeth that will not erupt through the gum, as well as other teeth that cannot be removed without cutting into bone.

- Also covered are surgeries that cut out the roots of a tooth without removing the entire tooth, as well as removing cysts, tumors, or other diseased tissues while cutting into the gums and tissues of the mouth. This is covered only when not done in connection with the removal, replacement, or repair of teeth. Covered surgery may also alter the jaw, jaw joints, or bite relationships by a cutting procedure when appliance therapy alone cannot result in functional improvement.
- Non-surgical treatment of infections or illnesses of the mouth, jaws, jaw joints, and supporting tissues (including bones, muscles, and nerves). This does not include those of, or related to, the teeth.
- Dental work, surgery, and orthodontic treatment needed to remove, repair, replace, restore, or reposition natural teeth damaged, lost, or removed, and other body tissues of the mouth fractured or cut due to injury. The accident causing the injury must occur while the person is covered under the Medical Plan.

Any such teeth must have been free from decay or in good repair and firmly attached to the jawbone at the time of the injury.

If crowns (caps), dentures (false teeth), bridgework, or in-mouth appliances are installed due to such injury, Covered Medical Expenses include only charges for the following:

- The first denture or fixed bridgework to replace lost teeth;
- The first crown needed to repair each damaged tooth; and
- An in-mouth appliance used in the first course of orthodontic treatment after the injury.

Except as provided for injury, the Medical Plan does not cover charges for in-mouth appliances, crowns, bridgework, dentures, tooth restorations, or any related fitting or adjustment services, whether or not the purpose of such services or supplies is to relieve pain. In addition, the Medical Plan does not cover root canal therapy or routine tooth removal (not needing cutting of the bone).

## Skilled Nursing Care

*Coverage for private duty nursing is limited to 70 shifts per calendar year. Each period of private duty nursing of up to eight hours will be considered one private duty nursing shift.*

Facility charges for bed and board, including diets, drugs, medicines and dressings and general nursing service in a Skilled Nursing Facility. Benefits are available for 120 days of care during any one benefit period.

Home Health Agency care services and supplies are covered only if furnished by providers on a part-time or intermittent basis, except when full-time or 24-hour service is needed on a short-term basis.

The home health care plan must be established in writing by the patient's practitioner within 14 days after home health care starts and it must be reviewed by the patient's practitioner at least once every 60 days.

## Hospice Care

*The Plan covers inpatient or outpatient hospice care for an individual who has been diagnosed as having six months or less to live.*

*Inpatient hospice care must be precertified to be covered at the highest level payable by the Plan.*

No prior inpatient admission is required.

Each visit by a home health aid, nurse, or other provider whose services are authorized under the home health care plan can last up to four hours. This does not include:

- Services furnished to family members, other than the patient; or
- Services and supplies not included in the home health care plan.

Charges made for the following inpatient services furnished to a person for hospice care when given as a part of a Hospice Care Program are included as Covered Medical Expenses, provided pre-certification is received.

### **Inpatient Care**

Room and board and other services and supplies furnished to a full-time inpatient for pain control and other acute and chronic symptom management.

Charges for daily room and board in a semi-private room over the Private Room Limit are not included.

### **Facility and Doctor Expenses**

*The Plan covers charges made on its own behalf by a:*

- Hospice Care Facility;
- Hospital;
- Skilled Nursing/Convalescent Facility; or
- Doctor.

### **Outpatient Care**

The Plan covers charges made by a Hospice Care Agency for the following outpatient services and supplies (if precertified).

- Part-time or intermittent nursing care by an RN or LPN for up to eight hours per day.
- Medical social services under the direction of a doctor, including:
  - Assessment of the person's social, emotional, and medical needs, and the home and family situation;
  - Identification of available community resources; and
  - Assisting the person to obtain resources needed to meet the person's assessed needs.
- Psychological and dietary counseling.
- Consultation or case management services by a doctor.
- Physical and occupational therapy.

- Part-time or intermittent home health aide services (consisting mainly of caring for the person) for up to eight hours per day.
- Medical supplies, drugs, and medicines prescribed by a doctor.

Charges made by the providers below for Outpatient Care, but only if the provider is not an employee of a Hospice Care Agency and the agency retains responsibility for the care of the person:

- A doctor for consultant or case management services.
- A physical or occupational therapist.
- A Home Health Care Agency for:
  - Physical or occupational therapy.
  - Part-time or intermittent home health aide services consisting mainly of caring for the person for up to eight hours per day.
  - Medical supplies, drugs, and medicines prescribed by a doctor.
  - Psychological and dietary counseling.

**Charges for the following services are not included:**

- Bereavement counseling.
- Funeral arrangements.
- Pastoral counseling.
- Financial or legal counseling, including estate planning or the drafting of a will.
- Homemaker or caretaker services. These are services which are not solely related to care of the person, including sitter or companion services for either the person who is ill or to other members of the family, transportation, housecleaning, and maintenance of the house.
- Respite care. This is care furnished during a period of time when the person's family or usual caretaker is unable or unwilling to attend to the person's needs.

## **Short-Term Rehabilitation**

Charges made by a doctor or a licensed or certified physical, occupational, or speech therapist for Short-Term Rehabilitation services to treat acute conditions are Covered Medical Expenses.

Short-Term Rehabilitation services consist of the following services furnished to a person who is not confined as an inpatient in a hospital or other facility for medical care:

- Physical therapy;
- Occupational therapy; or
- Speech therapy.

*Short-Term Rehabilitation is therapy which is expected to result in the improvement of a body function (including the restoration of the level of an existing speech function) which has been lost or impaired due to an injury, an illness, or a congenital defect.*

*You and your covered eligible spouse or same-sex domestic partner and child(ren) are covered for a maximum of 60 days of Short-Term Rehabilitation services during a calendar year, as long as the treatment is certified by Horizon.*

## Emergency Care

*In the event of a medical emergency, the Plan covers treatment in a hospital emergency room.*

This therapy shall be expected to result in significant improvement of the person's condition within 60 days from the date the therapy begins.

Charges for Short-Term Rehabilitation services are covered for a maximum of 60 days per calendar year, as long as the treatment is precertified.

### **The following services are not covered as Short-Term Rehabilitation services:**

- Services covered to any extent under any other part of this Plan or any other group plan sponsored by American Water.
- Services received while the person is confined in a hospital or other facility for medical care.
- Services not performed by a doctor or not under his or her direct supervision.
- Services rendered by a physical, occupational, or speech therapist who lives in the person's home, or who is a part of the family of either the person or the person's spouse or same-sex domestic partner.
- Services rendered for the treatment of delays in speech development, unless resulting from:
  - Illness;
  - Injury; or
  - Congenital defect.
- Special education, including lessons in sign language, to instruct a person whose ability to speak has been lost or impaired, to function without that ability.
- Any services not provided in accordance with a specific treatment plan that:
  - Details the treatment to be rendered and the frequency and duration of the treatment.
  - Provides for ongoing reviews and is renewed only if therapy is still necessary.

If emergency care is received in a hospital emergency room while a person is not a full-time inpatient, the hospital's charges will be Covered Medical Expenses and paid at the appropriate copayment/coinsurance.

"Emergency care" means the first treatment given in a hospital emergency room right after the sudden and (at that time) unexpected onset of a change in a person's physical or mental condition that requires hospital level care because:

- The care could not safely and adequately have been provided other than in a hospital or adequate care was not available elsewhere in the area at the time and place it was needed; and
- If the hospital level care were not given, the emergency described above could, as determined by Horizon, reasonably be expected to result in:
  - Loss of life or limb;
  - Significant impairment to bodily function; or
  - Permanent dysfunction of a body part.

### **Non-Emergency Care in an Emergency Room**

If non-emergency treatment is received in a hospital emergency room while a person is not a full-time inpatient, benefits will be denied.

### **Other Covered Medical Expenses**

Other Covered Medical Expenses include:

- Doctor's charges.
- Diagnostic lab work and X-rays.
- X-ray, radium, and radioactive isotope therapy.
- Anesthetics and oxygen.
- Rental of durable medical or surgical equipment. Not included are charges for more than one item of equipment for the same or similar purpose.
  - “Durable Medical and Surgical Equipment” is equipment made to withstand prolonged use and used mainly in the treatment of an illness or injury. It must be suited for use in the home, not normally of use to persons without an illness or injury, and not used to alter quality or temperature, or for exercise or training.
- The purchase, repair, or replacement of durable medical and surgical equipment and accessories needed to operate it.
  - The initial purchase is covered only if Horizon agrees that long-term use is planned and the equipment cannot be rented, or it is likely to cost less to buy it than to rent it.
  - Replacement is covered only if Horizon agrees that it is needed because of a change in the person's physical condition, or it is likely to cost less to buy a replacement than to repair the existing equipment or to rent similar equipment.
- Artificial limbs and eyes. However, eyeglasses, hearing aids, orthopedic shoes, or other devices to support the feet are not included.
- Professional ambulance service to transport a person from the place of the injury or onset of illness to the first hospital where treatment is given.

## ***Pre-Existing Conditions***

Pre-existing conditions do not apply under this Horizon Plan.

---

## ***Certification for Hospital Admissions (including hospitalizations for alcoholism, drug abuse, or mental disorders)***

*Inpatient hospital confinements must be precertified to qualify for the highest level of benefits paid by the Plan. If precertification is not obtained, benefits will be reduced or denied.*

Inpatient hospital confinements must be precertified to qualify for the highest level of benefits paid by the Plan. Covered Medical Expenses incurred on any day not certified during the confinement will be paid as shown below if:

- You become confined in a hospital as a full-time inpatient;
- It has not been certified that the confinement (or any day of the confinement) is necessary; and
- The confinement has not been ordered and prescribed by your doctor.

### **Hospital Expenses Incurred During the Confinement**

If certification has been requested and denied for part of the confinement, no benefits will be paid for Hospital Expenses incurred for room and board for that day(s). Benefits for all other Hospital Expenses will be paid at the appropriate copayment/coinsurance.

If certification has not been obtained, you will have to pay a \$150 penalty charge before benefits are paid for covered services.

Benefits for expenses in excess of the Excluded Amount will be paid at the appropriate copayment/coinsurance.

If certification has not been requested and the confinement (or any day of the confinement) is necessary, Hospital Expenses up to the Excluded Amount will not be deemed to be Covered Medical Expenses. Benefits for all other Hospital Expenses will be payable at the appropriate copayment/coinsurance.

### Other Covered Medical Expenses

*Call the precertification number on your ID card or Horizon Member Services at (800) 355-BLUE (2583) to obtain certification of a hospital inpatient admission. Written notice of the number of days certified will be sent promptly to the hospital. A copy will be sent to you and the doctor.*

Benefits will be paid at the appropriate copayment/coinsurance.

Whether or not a day of confinement is certified, no benefit will be paid for expenses incurred on any day of confinement as a full-time inpatient if excluded by any other terms of this Plan, except that if certification has been given for a day of confinement, excluding services and supplies because they are not necessary will not be applied to expenses for hospital room and board.

In the event of an **urgent** admission, you, the person's doctor, or the hospital must call Horizon Member Services for certification before the person is confined as a full-time inpatient.

An urgent admission is one required as the result of an injury caused by an accident; the diagnosis of an illness; or the onset of, or change in, an illness. The person's condition does not require emergency medical care, but is severe enough to require confinement in a hospital within two weeks of the date the doctor determines that confinement is required.

A "non-urgent admission" is one which is not an emergency admission or an urgent admission.

When a covered person is confined as a full-time inpatient as the result of an **emergency** admission, you, the person's doctor, or the hospital must call Horizon Member Services to request certification within 48 hours of the start of the confinement. If the call cannot be made within 48 hours, the call must be made as soon as reasonably possible. The 48-hour requirement is extended to 72 hours when the confinement starts on a Friday or Saturday.

An admission is considered to be an **emergency** when the doctor admits the person to the hospital right after the sudden and (at that time) unexpected onset of a change in the person's physical or mental condition which could be life-threatening or result in significant impairment or permanent dysfunction if the person is not immediately confined as a full-time hospital inpatient.

If, in your doctor's opinion, it is necessary for you to be confined for a longer time than already certified, you, the doctor, or the hospital may request that more days be certified by calling the precertification number on your ID card or Horizon Member Services at **(800) 355-BLUE (2583)**. This must be done on or before the last day that has already been certified.

Written notice of the number of days certified will be sent promptly to the hospital. A copy will be sent to you and the doctor.

## ***Certification for Skilled Nursing/Convalescent Facility Care, Home Health Care, and Hospice Care***

*Precertification is required for confinements in a Skilled Nursing/Convalescent Facility or hospice, and for home health care and outpatient hospice care. If precertification is not obtained, benefits may be reduced.*

Covered Medical Expenses will be paid as shown below if incurred:

- While a person is confined in a Skilled Nursing/Convalescent Facility or hospice; or
- For services or supplies for home health care, hospice care, or skilled nursing care when a person is not confined as an inpatient; and
- It has been certified that such confinement or care is necessary; and
- The confinement or care has been ordered and prescribed by your doctor.

### **Facility Expenses**

If certification has been requested and denied, no benefits will be paid for Skilled Nursing/Convalescent Facility expenses or Hospice Care Facility expenses incurred for room and board. Benefits for all other Skilled Nursing/Convalescent Facility expenses or Hospice Care Facility expenses incurred during the confinement will be paid at the appropriate copayment/coinsurance.

If certification has not been requested and the confinement (or any day of the confinement) is not necessary, no benefits will be paid for Skilled Nursing/Convalescent Facility expenses or Hospice Care Facility expenses incurred for room and board. For all other Skilled Nursing/Convalescent Facility expenses or Hospice Care Facility expenses incurred during the confinement:

- Expenses up to the Excluded Amount will not be deemed to be Covered Medical Expenses.
- Benefits for all other such expenses will be paid at the appropriate copayment/coinsurance.

If certification has not been requested and the confinement (or any day of the confinement) is necessary, Skilled Nursing/Convalescent Facility expenses or Hospice Care Facility expenses incurred during the confinement, up to the Excluded Amount, will not be deemed to be Covered Medical Expenses. Benefits for all other such expenses incurred during the confinement will be paid at the appropriate copayment/coinsurance. As to all other Covered Medical Expenses incurred during the confinement, benefits will be paid at the appropriate copayment/coinsurance.

## Expenses for Services or Supplies

*To get certification you must call the precertification number on your ID card or Horizon Member Services at (800) 355-BLUE (2583). Such certification must be obtained before an expense is incurred. Prompt written notice will be provided to you of the days of confinement and services or supplies which have been certified.*

If certification for a service or supply has been requested and denied, or if certification has not been requested and the service or supply is not necessary, no benefits will be paid for the denied or unnecessary service or supply.

If certification has not been requested for a service or supply and the service or supply is necessary, benefits for the necessary service or supply will be paid as follows:

- Expenses incurred for the service or supply, up to the Excluded Amount, will not be deemed to be Covered Medical Expenses.
- Benefits for all other Covered Medical Expenses incurred for the service or supply will be paid at the appropriate copayment/coinsurance.

Whether or not a day of confinement or a service or supply has been certified, no benefit will be paid if the charges for the confinement or service or supply are excluded by any other terms of this Plan, except that, to the extent a day of confinement has been certified, excluding services and supplies because they are not necessary will not apply to:

- Skilled Nursing/Convalescent Facility expenses for room and board.
- Hospice Care Facility expenses for room and board.

To the extent that such service or supply has been certified for home health care, hospice care, or skilled nursing care, excluding services or supplies because they are not necessary will not apply to the service or supply.

If a person's doctor believes that the person needs more days of confinement or services or supplies beyond those which have been already certified, a call must be made to the precertification number on your ID card or Horizon Member Services at **(800) 355-BLUE (2583)** to certify more days of confinement or services or supplies.

Prompt written notice will be provided to you of the days of confinement and services or supplies which have been certified.

If services and supplies for hospice care have been certified and the person later requires hospital confinement for pain control or acute symptom management, any other certification requirement in this Plan will be waived for any such day of hospital confinement.

---

## *Certification for Certain Procedures and Treatments*

Certification for certain procedures and treatments is required:

- Before the procedure is performed; or
- Before the treatment starts, unless the procedure or treatment has been ordered and prescribed by your doctor.

Covered Medical Expenses for procedures or treatments (whether performed on an inpatient or outpatient basis) will be payable as follows:

- If the procedure or treatment is not necessary, no benefits will be payable whether or not certification has been requested.
- If certification has been requested and the procedure or treatment is necessary, benefits will be payable at the appropriate copayment/coinsurance.
- If certification has not been requested and the procedure or treatment is necessary, expenses up to the Excluded Amount will not be considered to be Covered Medical Expenses. Benefits for Covered Medical Expenses in excess of the Excluded Amount will be payable at the appropriate copayment/coinsurance.

*Certification for certain procedures and treatment is required when they are performed on either an inpatient or outpatient basis.*

Certain procedures or treatments require precertification before they are performed, regardless of whether done on an inpatient or outpatient basis. Call Horizon to determine if your procedure requires precertification.

You or the provider performing the procedure or treatment must call the precertification number on your ID card or Horizon Member Services at (800) 355-BLUE (2583) to request certification.

If the procedure or treatment is performed due to an emergency condition, the call must be made:

- Before the procedure or treatment is performed; or
- Not later than 48 hours after the procedure or treatment is performed, unless the call cannot be made within that time. In that case, the call must be made as soon as it is reasonably possible. In the event the procedure or treatment is performed on a Friday or Saturday, the 48-hour requirement will be extended to 72 hours.

If the procedure or treatment is performed for any condition other than an emergency condition, the call must be made at least 14 days before the date of the procedure or the date treatment begins. If it is not possible to make the call during the specified time, it must be made as soon as reasonably possible before the date of the procedure or the date treatment begins.

Written notice of the certification decision will be sent promptly to you and the provider performing the procedure or treatment. This decision will be valid for 60 days from the date you receive the notice. If the procedure or treatment is to be performed after this 60-day period, certification must again be requested, as described above.

---

## ***Submitting Claims***

*You should file your claim(s) during the calendar year in which the service or treatment was provided.*

---

All claims must be filed within two years from the date of the incurred expense. Your claims must be in writing and you must give proof of the nature and extent of the expense. You may obtain Medical Plan Benefits Request forms from the Benefits Service Center, directly from Horizon's website ([http://www.horizon-bcbsnj.com/national\\_accounts.html](http://www.horizon-bcbsnj.com/national_accounts.html)), or by contacting Horizon Member Services at (800) 355-BLUE (2583).

---

## ***How Your Benefits Are Paid***

American Water has contracted with Horizon to assist in administering benefits under the PPO Plan as the Claims Administrator. Your claims will be paid as soon as Horizon receives the necessary written proof supporting your claim. In order to speed claims processing, Horizon will pay medical benefits directly to the provider unless you specify that you want the benefits paid to you. If you are a minor or otherwise legally unable to give a valid release, Horizon may make payment to any of your relatives whom it determines to be fairly entitled to the payment.

You should never pay a provider directly until you receive an Explanation of Benefits (EOB).

---

## *Filing Medical Claims*

*When you use a network provider, you will not have to complete a Medical Plan Benefits Request form. The network provider will handle all claim filing for you.*

Fast processing of your out-of-network claim depends on complete, accurate information on your National Account Health Insurance Claim Form (available online at [http://www.horizon-bcbsnj.com/national\\_accounts.html](http://www.horizon-bcbsnj.com/national_accounts.html)). When filing a claim, please remember to:

- Complete all applicable sections of your Benefits Request form. Any unanswered questions will cause delay in processing your claim.
- Include your PPO Plan identification number on all claims, including claims for your eligible spouse or same-sex domestic partner and child(ren), and be sure to sign the form.
- Attach the itemized bill to the form. An itemized bill must be submitted within 24 months of incurring the expense and include the following information:
  - The patient’s full name;
  - The patient’s relationship to you;
  - The date the service was provided;
  - The name of the health care professional providing the service;
  - The provider’s taxpayer identification number;
  - The type of service provided;
  - The nature of the illness or injury; and
  - The charges for the service or treatment (multiple expenses should be itemized).

If any of this information is missing, write it on the bill yourself and sign your name. Your health care provider should complete the doctor/supplier section of the claim form if he or she has not given you an itemized statement.

If you have other group coverage (or Medicare coverage) that pays benefits before the American Water Plan, you will need to provide Horizon with a copy of the other carrier’s Explanation of Benefits (EOB) reflecting the benefits paid under the other coverage for the expenses being submitted for payment to this Plan.

Once you have completed the Medical Plan Benefits Request form and attached the itemized bills, send everything to:

**Horizon Blue Cross Blue Shield of New Jersey**  
**P.O. Box 1219**  
**Newark, NJ 07101-1219**

If you have any questions about the status of your claim, call Horizon Member Services at **(800) 355-BLUE (2583)**.

*General Provisions of the  
PPO Plan*

---

## *General Provisions of the PPO Plan*

**This section describes General Exclusions that apply under the Horizon PPO Plan.**

**Coverage is not provided for the following charges:**

- Those for services and supplies not necessary, as determined by Horizon, for the diagnosis, care, or treatment of the illness or injury involved.
- Those for treatment, care, or services that are recommended and approved by your physician but are not medically necessary and appropriate.
- Those for care, treatment, services, or supplies that are not prescribed, recommended, and approved by your attending doctor or dentist.
- Those for, or in connection with, services or supplies that are, as determined by Horizon, considered to be experimental or investigational. A drug, device, procedure, or treatment will be determined to be experimental or investigational if:
  - There are insufficient outcomes data available from controlled clinical trials published in the peer reviewed literature to substantiate its safety and effectiveness for the illness or injury involved;
  - Required by the FDA, approval has not been granted for marketing;
  - A recognized national medical or dental society or regulatory agency has determined, in writing, that it is experimental, investigational, or for research purposes; or
  - The written protocol or protocols used by the treating facility or the protocol or protocols of any other facility studying substantially the same drug, device, procedure, or treatment or the written informed consent used by the treating facility studying the same drug, device, procedure, or treatment states that it is experimental, investigational, or for research purposes.

However, this exclusion will not apply with respect to services or supplies (other than drugs) received in connection with an illness, if Horizon determines that:

- The illness can be expected to cause death within one year, in the absence of effective treatment; and
- The care or treatment is effective for that illness or shows promise of being effective for that illness as demonstrated by scientific data. In making this determination Horizon will take into account the results of a review by a panel of independent medical professionals. They will be selected by Horizon. This panel will include professionals who treat the type of illness involved.

Also, if Horizon determines that available scientific evidence demonstrates that the drug is effective or shows promise of being effective for the illness, this exclusion will not apply with respect to drugs that:

- Have been granted approval as an investigational new drug with treatment status; or
  - Have been granted approval as an investigational new drug with cancer treatment status.
- Those for or related to services, treatment, education, testing, or training related to learning disabilities or developmental delays.
  - Those for care furnished mainly to provide a surrounding free from exposure that can worsen the person's illness or injury.
  - Those for, or related to, the following types of treatment:
    - Primal therapy
    - Rolfing.
    - Psychodrama.
    - Megavitamin therapy.
    - Bioenergetic therapy.
    - Vision perception training.
    - Carbon dioxide therapy.
  - Those for treatment of covered health care providers who specialize in the mental health care field and who receive treatment as a part of their training in that field.
  - Those for services of a resident doctor or intern rendered in that capacity.
  - Those to the extent they are not reasonable charges, as determined by Horizon.

- Those that are made only because there is health coverage.
- Those that a covered person is not legally obliged to pay.
- Those, as determined by Horizon to be for custodial care.
- Those for services and supplies:
  - Furnished, paid for, or for which benefits are provided or required by reason of the past or present service of any person in the armed forces of a government.
  - Furnished, paid for, or for which benefits are provided or required under any law of a government. (This does not include a plan established by a government for its own employees or their eligible spouses, same-sex domestic partners, or child(ren) or Medicaid.)
- Those for or related to any eye surgery mainly to correct refractive errors.
- Those for education, special education, or job training, whether or not given in a facility that also provides medical or psychiatric treatment.
- Those for plastic surgery, reconstructive surgery, cosmetic surgery, or other services and supplies that improve, alter, or enhance appearance, whether or not for psychological or emotional reasons, except to the extent needed to:
  - Improve the function of a part of the body that is not a tooth or structure that supports the teeth;
  - Repair a malformation as a result of a severe birth defect (this includes harelip or webbed fingers or toes), or a direct result of surgery performed to treat an illness or injury; or
  - Repair an injury that occurs while the person is covered under this Plan.
- Those that are for therapy or for supplies or for counseling for sexual dysfunctions or inadequacies that do not have a physiological or organic basis.
- Those for or related to sex change surgery or to any treatment of gender identity disorders.
- Those for or related to artificial insemination, in vitro fertilization, or embryo transfer procedures.
- Those for the reversal of a sterilization procedure.
- Those for routine physical exams, routine vision exams, routine hearing exams, routine dental exams, immunizations, or other preventive services and supplies, except as otherwise stated in this document.

- Those for or in connection with marriage, family, child, career, social adjustment, pastoral, or financial counseling.
- Those for acupuncture therapy. Not excluded is acupuncture when it is:
  - Performed by a doctor; and
  - As a form of anesthesia in connection with surgery that is covered under this Plan.
- Those for or in connection with speech therapy. This exclusion does not apply to charges for speech therapy that is expected to restore speech to a person who has lost existing speech function (the ability to express thoughts, speak words, and form sentences) as the result of an illness or injury.

Any exclusion above will not apply to the extent that:

- Coverage is specifically provided by name in this Summary Plan Description; or
- Coverage of the charges is required under any law that applies to the coverage.

These excluded charges will not be used when calculating benefits.

The law of the jurisdiction where a person lives when a claim occurs may prohibit some benefits. If so, they will not be paid.

Any charge for a service or supply furnished by a network provider in excess of such provider's Negotiated Charge for that service or supply will not be a covered expense under the Plan. This rule will not apply to any service or supply for which a benefit is provided under Medicare before the benefits of the group contract are paid.

---

## ***Coordination of Your Benefits With Other Plans, Not Including Medicare***

*If you have other group coverage, the benefits from those plans will be taken into account when you have a claim.*

Today, it is common for individual members of a family to be eligible for benefits under more than one group medical or dental plan. In such situations the benefits of the various plans are “coordinated” to determine how covered expense will be paid by your American Water Plan and the other plans. This may mean a reduction in benefits under this Plan. The combined benefits will not be more than the expenses recognized under these American Water Plans.

“Other plans” means:

- Any group medical or dental plan for which an employer pays all or part of the costs or makes payroll deductions;
- Any plan that you purchase through a group such as AARP; or
- Any government program, coverage required or provided by any law, or vehicle insurance (uninsured/underinsured motorist and casualty/liability).

If the American Water Plan is determined to be the primary plan (the plan that pays its benefits first), it will pay its regular benefits in full without regard to any payment that may be made under any other plan.

If the American Water Plan is determined to be the secondary plan (the plan that pays its benefits after the primary plan pays benefits), it will pay a reduced amount of benefits that will in no event cause the total benefit from all plans to exceed the benefit that would have been paid by the American Water Plan if it had been the primary plan. However, if benefits under the primary plan are reduced because a covered person does not comply with the plan provisions (such as penalties resulting from the failure to comply with cost management provisions of the plan), the amount of the reduction will not be considered for payment under the American Water Plan.

For example, if you have coverage under the PPO Plan and the primary plan pays 70% of eligible charges to an in-network provider, the American Water Plan will pay an additional 10% of covered charges for a total benefit equal to 80% of covered charges, which is the benefit the American Water Plan would have paid as the primary plan.

When other coverage exists in addition to your American Water coverage, the following rules will be used to determine which medical or dental plan is primary and pays first, and which medical or dental plan is secondary and pays second:

- A plan with no rules for coordination with other benefits will pay its benefits before a plan which contains such rules.
- A plan that covers a person as an employee pays before the plan that covers the person as an eligible spouse, same-sex domestic partner or child. However, there may be situations where the person is a Medicare beneficiary and not working and has a working spouse or same-sex domestic partner. In such a situation,
  - The spouse’s or same-sex domestic partner’s plan which covers the person as an eligible spouse or eligible same-sex domestic partner pays first;
  - Medicare pays second; and
  - The plan covering the person as an employee pays third.

- Except in the case of an eligible child whose parents are divorced or separated, the plan which covers the person as an eligible spouse, same-sex domestic partner or child of a person whose birthday comes first in a calendar year will be primary to the plan which covers the person as an eligible spouse, same-sex domestic partner or child of a person whose birthday comes later in that calendar year. If both parents have the same birthday, the benefits of a plan which covered one parent longer are determined before those of a plan which covered the other parent for a shorter period of time.
- If the other plan does not have the rule described in the above provision and, as a result, the plans do not agree on the order of benefits, the rule in the other plan will determine the order of benefits.
- In the case of an eligible child whose parents are divorced or separated:
  - If there is a court decree which states that the parents shall share joint custody of an eligible child, without stating that one of the parents is responsible for the health care expenses of the child, the order of benefit determination rules specified in the above provision will apply.
  - If there is a court decree which makes one parent financially responsible for the medical, dental, or other health care expenses of such child, the benefits of a plan which covers the child as an eligible child of such parent will be determined before the benefits of any other plan which covers the child as an eligible child.
  - If there is not such a court decree:

If the parent with custody of the child has not remarried, the benefits of a plan which covers the child as an eligible child of the parent with custody of the child will be determined before the benefits of a plan which covers the child as an eligible child of the parent without custody.

If the parent with custody of the child has remarried, the benefits of a plan which covers the child as an eligible child of the parent with custody shall be determined before the benefits of a plan which covers that child as an eligible child of the stepparent. The benefits of a plan which covers that child as an eligible child of the stepparent will be determined before the benefits of a plan which covers that child as an eligible child of the parent without custody.

- If the above rules do not establish an order of payment, the plan under which the person has been covered for the longest will be deemed to pay its benefits first, except that the benefits of a plan which covers the person as:
  - A laid-off or retired employee; or
  - The eligible spouse, same-sex domestic partner or child of such person, shall be determined **after** the benefits of any other plan which covers such person as:
    - An employee who is not laid-off or retired, or
    - An eligible spouse, same-sex domestic partner or child of such person.
- If the other plan does not have a provision regarding laid-off or retired employees and, as a result, each plan determines its benefits after the other, then the previous paragraph will not apply.
- The benefits of a plan which covers the person under a right of continuation pursuant to federal or state law shall be determined after the benefits of any other plan which covers the person other than under such right of continuation.
- If the other plan does not have a provision regarding right of continuation pursuant to federal or state law, and as a result, each plan determines its benefits after the other, then the above paragraph will not apply.

Horizon has the right to release or obtain any information and to make or recover any payment it considers necessary in order to administer this provision.

When this provision operates to reduce the total amount of benefits otherwise payable to you under this Plan during a calendar year, each benefit that would be payable in the absence of this provision will be reduced proportionately. Such reduced amount will be charged against any applicable benefit limit of your American Water Plan.

---

### ***Automobile Personal Injury Protection (PIP)***

If you are injured in an automobile accident and become eligible for benefits under the personal injury protection (PIP) provision of an automobile insurance policy, benefits under the American Water Medical Plan are payable after the automobile insurance policy benefits have been paid, even if you have designated the American Water Medical Plan as primary to your automobile insurance coverage in exchange for reduced automobile insurance premiums.

---

## ***Third Party Liability and Subrogation***

### **General Principle**

When you or your eligible spouse, same-sex domestic partner, or child(ren) receive benefits under the Plan which are related to medical expenses that are also payable under Workers' Compensation, any statute, any uninsured or underinsured motorist program, any no fault or school insurance program, any other insurance policy or any other plan of benefits, or when related medical expenses that arise through an act or omission of another person are paid by a third party, whether through legal action, settlement or for any other reason, you or your eligible spouse, same-sex domestic partner, or child(ren) shall reimburse the Plan for the related benefits received out of any funds or monies you or your eligible spouse, same-sex domestic partner, or child(ren) recovers from any third party.

### **Specific Requirements and Plan Rights**

Because the Plan is entitled to reimbursement, the Plan shall be fully subrogated to any and all rights, recovery, or causes of actions or claims that you or your eligible spouse, same-sex domestic partner, or child(ren) may have against any third party. The Plan is granted a specific and first right of reimbursement from any payment, amount, or recovery from a third party. This right to reimbursement is regardless of the manner in which the recovery is structured or worded, and even if you or your eligible spouse, same-sex domestic partner, or child(ren) has not been paid or fully reimbursed for all of their damages or expenses.

The Plan's share of the recovery shall not be reduced because the full damages or expenses claimed have not been reimbursed, unless the Plan agrees in writing to such reduction. Further, the Plan's right to subrogation or reimbursement will not be affected or reduced by the "make whole" doctrine, the "fund" doctrine, the "common fund" doctrine, comparative/contributory negligence, "collateral source" rule, "attorney's fund" doctrine, regulatory diligence, or any other equitable defenses that may affect the Plan's right to subrogation or reimbursement.

The Plan may enforce its subrogation or reimbursement rights by requiring you or your eligible spouse, same-sex domestic partner, or child(ren) to assert a claim to any of the benefits to which you or your eligible spouse, same-sex domestic partner, or child(ren) may be entitled. The Plan will not pay attorneys' fees or costs associated with the claim or lawsuit without express written authorization from the Company.

If the Plan should become aware that you or your eligible spouse, same-sex domestic partner, or child(ren) has received a third party payment, amount, or recovery and not reported such amount, the Plan, in its sole discretion, may suspend all further benefits payments related to you or your eligible spouse, same-sex domestic partner, or child(ren) until the reimbursable portion is returned to the Plan or offset against amounts that would otherwise be paid to or on behalf of you or your eligible spouse, same-sex domestic partner or child(ren).

### **Participant Duties and Actions**

By participating in the Plan you and your eligible spouse or same-sex domestic partner and child(ren) consent and agree that a constructive trust, lien, or equitable lien by agreement in favor of the Plan exists with regard to any settlement or recovery from a third person or party. In accordance with that constructive trust, lien, or equitable lien by agreement, you and your eligible spouse, same-sex domestic partner, and child(ren) agree to cooperate with the Plan in reimbursing it for Plan costs and expenses.

Once you or your eligible spouse, same-sex domestic partner or child(ren) has any reason to believe that you or they may be entitled to recovery from any third party, you or your eligible spouse, same-sex domestic partner, or child(ren) must notify the Plan. And, at that time, you and your eligible spouse or same-sex domestic partner and child(ren) (and your or their attorney, if applicable) must sign a subrogation/reimbursement agreement that confirms the prior acceptance of the Plan's subrogation rights and the Plan's right to be reimbursed for expenses arising from circumstances that entitle you or your eligible spouse, same-sex domestic partner, or child(ren) to any payment, amount, or recovery from a third party.

If you or your eligible spouse, same-sex domestic partner, or child(ren) fails or refuses to execute the required subrogation/reimbursement agreement, the Plan may deny payment of any benefits to you and your eligible spouse, same-sex domestic partner, or child(ren) until the agreement is signed. Alternatively, if you or your eligible spouse, same-sex domestic partner, or child(ren) fails or refuses to execute the required subrogation/reimbursement agreement and the Plan nevertheless pays benefits to or on behalf of you or your eligible spouse, same-sex domestic partner, or child(ren), your or your eligible spouse's, same-sex domestic partner's, or child(ren)'s acceptance of such benefits shall constitute agreement to the Plan's right to subrogation or reimbursement.

You and your eligible spouse or same-sex domestic partner and child(ren) consent and agree that you or they shall not assign your or their rights to settlement or recovery against a third person or party to any other party, including their attorneys, without the Plan's consent.

As such, the Plan's reimbursement will not be reduced by attorneys' fees and expenses without express written authorization from the Company.

---

### ***Recoupment***

The Plan has the right to recover any mistaken payment, any overpayment, any payment that is made to any individual who was not eligible for that payment, or any payment that was required to have been made to the Plan under the "Third Party Liability and Subrogation" section above. The Plan, or its designee, may withhold or offset future benefit payments, sue to recover such amounts, or use any other lawful remedy to recoup any such amounts.

---

### ***No Assignment of Benefits***

You cannot assign, pledge, encumber, or otherwise alienate any legal or beneficial interest in benefits under the Plan, and any attempt to do so will be void. The payment of benefits directly to a health care provider, if any, shall be done as a convenience to the covered person and shall not constitute an assignment of benefits under the Plan.

---

### ***When an Active Employee Is Eligible for Medicare***

If an active employee or covered eligible spouse, same-sex domestic partner, or child is eligible for Medicare, the American Water Medical Plan will be primary and Medicare will be secondary.

A person is "eligible for Medicare" if he or she:

- Is covered under it; or
- Is not covered under it because of:
  - Having refused it;
  - Having dropped it; or
  - Having failed to make proper request for it.

Any rule for coordinating "other plan" benefits with those under this Plan will be applied.

---

## *When Coverage Is Terminated*

Coverage under the Plan terminates when the first of these events happens:

- The day your employment ends.
- When the group contract terminates as to the coverage.
- When you are no longer in an Eligible Class. (This may apply to all or part of your coverage.)
- When you fail to make any required contribution.

Under certain circumstances, American Water may continue your coverage when you are not actively at work. If you are not at work due to illness or injury, American Water medical coverage will be continued for the length of your approved leave of absence, not to exceed 24 months from the date you are disabled as long as appropriate contributions are made.

An eligible spouse, same-sex domestic partner, or child's coverage will terminate at the first to occur of:

- The termination of all eligible spouse's, same-sex domestic partner's, or child(ren)'s coverage under the group contract.
- When an eligible spouse, same-sex domestic partner, or child becomes covered as an employee.
- When such person is no longer an eligible spouse, same-sex domestic partner, or child.
- When your coverage terminates.

You may be entitled to continue your medical coverage (see "Continuation of Health Coverage" on page 181).

---

## *Certificate of Creditable Coverage*

When you or your covered eligible spouse, same-sex domestic partner, or child terminates coverage under the Plan, a Notice of Creditable Coverage will be issued to you specifying your coverage dates under the health plan and any probationary periods you were required to satisfy. The certificate will contain all the necessary information another health plan will need to determine if you have prior continuous coverage that should be credited toward any pre-existing condition limitation period. Health plans may require that you submit a copy of this form when you apply for coverage.

The Notice of Creditable Coverage will be issued to you when you terminate coverage with the group and, if applicable, at the expiration of any continuation period. The Plan will also issue the certification of coverage form if you request an additional copy at any time within the 24 months after your coverage terminates.

---

## ***Qualified Medical Child Support Orders (QMCSOs)***

*A “Qualified Medical Child Support Order” (QMCSO) is an order by a court directing an employer to extend health plan participation to an employee’s child who might not otherwise be covered under the Plan.*

QMCSOs are usually issued for children who reside with a former spouse. A QMCSO designates the affected child as an “alternate recipient.”

American Water must treat an alternate recipient as an eligible child and must deduct any applicable contributions from the employee’s pay. A QMCSO may also require the Claims Administrator to issue claim payments directly to the health care provider, the alternate recipient, or his or her legal representative. A custodial parent or guardian may be designated to receive claim payments on the child’s behalf. American Water is required to furnish an alternate recipient or his or her legal representative a copy of the Summary Plan Description. In addition, the alternate recipient or his or her legal representative may receive, without charge, a copy of the Plan’s QMCSO procedures.

*If American Water receives a QMCSO affecting one of your children, you and your child will be notified. Once American Water has determined that the medical child support order is qualified, you and your child will be advised. American Water will enroll the child and instruct Horizon to make all claim payments to either the health care provider, the alternate recipient, or his or her legal representative.*

To be “qualified,” a medical child support order must:

- Be issued by a court of competent jurisdiction;
- Include the name and last mailing address of both the employee and the affected child;
- Identify the health benefit plan subject to the order, and also the applicable time period;
- Provide a reasonable description of the type of benefits that must be provided for the child; and
- Not impose any benefits requirements that do not apply to other plan participants.

If a child meets the definition of an eligible child and you are required to provide health care benefits for that child as the result of a QMCSO, his or her initial participation in an American Water Medical Plan will not be affected by any provision that:

- Requires evidence of good health as a condition of participation;
- Delays participation due to a confinement; or
- Limits participation due to a pre-existing condition.

Coverage for the child will become effective on the date of such court order.

If you are the non-custodial parent, proof of claim for such child may be given by the custodial parent. Benefits for such claim will be paid to the custodial parent.

---

### ***Individual Policy If Your Employment or COBRA Continuation Ends***

*If your medical coverage ceases under the PPO Plan, you may be able to enroll in an individual medical policy.*

If your medical coverage ends under the PPO Plan, you may be able to enroll in an individual medical policy underwritten by Horizon. No evidence of insurability is required.

If you are interested in enrolling in an individual medical policy log on to [www.bcbs](http://www.bcbs) or call Horizon.

# *Condition Management Program*

---

## *Condition Management Program*

The Condition Management Program helps you and your family members who are covered under the Medical Plan manage your health care if you have one of the conditions listed below:

- Asthma;
- Coronary artery disease;
- Chronic obstructive pulmonary disease (COPD);
- Diabetes; or
- Heart failure.

The Condition Management Program is part of American Water's Healthy Solutions Wellness Program, and provides tools to help you better manage your condition and improve your quality of life in collaboration with your health care provider's recommended treatment. If you participate in the program, you will have support in understanding:

- Your medications;
- How to communicate effectively with your health care professionals; and
- How lifestyle changes can affect your condition, plus much more.

If you have an illness covered by the Condition Management Program, Alere, American Water's wellness partner, will contact you about the program and how participation can help you better manage your health. Visits to hospitals or doctors' offices, lab tests, and prescriptions filled may initiate a call. Condition management is strictly confidential. Participation is voluntary. Learn more about the Condition Management Program through our wellness website at [www.AWHealthySolutions.com](http://www.AWHealthySolutions.com) or by calling Alere at (866) 674-9108.

*The Prescription Drug  
Program*

---

## *Prescription Drug Program*

Horizon’s Prescription Drug Program is administered by CVS Caremark. You are automatically covered by the Prescription Drug Program if you enroll in the American Water Medical Plan.

*Note: Prescription drug benefits for Hawaii employees are covered under the HMSA plan.*

The program offers you two ways to receive medications – at a retail pharmacy or by mail order.

- For your short-term and immediate prescription drug needs, you may use local participating pharmacies that have agreed to charge discounted prices.
- For medications you use on an extended or maintenance basis, you may purchase up to a 90-day supply through CVS Caremark, the administrator of the mail order program. They will be delivered by mail directly to your home.

Coverage under the Prescription Drug Program ends when your American Water Medical Plan terminates.

---

## *What You Pay for Prescription Drugs*

	<b>Retail Pharmacy (up to 34-day supply)</b>	<b>Mail Order (up to 90-day supply)</b>
<b>Generic</b>	You pay 0%	You pay 0%
<b>Preferred Brand</b>	You pay 20%	You pay 20%
<b>Non-Preferred Brand</b>	You pay 20%	You pay 20%

This chart is only a highlight of the prescription drug features, and certain limits may apply to some features. Official Plan documents govern in the event of any inconsistency between the provisions shown here and in the Plan documents.

*Note:* Coinsurance may not be applied to Medical Plan deductibles. In addition, certain controlled substances and other prescription medications may be subject to dispensing limitations and to the professional judgment of the pharmacist. Also, in-network prescription drug charges will contribute to the in-network out-of-pocket maximum.

---

## *Preferred Drug List*

Your prescription drug coverage levels are based on the program's Preferred Drug List – also called a “formulary.” When your prescription medication is on the Preferred Drug List, you may pay a lower cost than when the drug is not on the Preferred Drug List. If you receive a prescription for a drug that is not on the list, you should ask your doctor if there is another drug on the Preferred Drug List for your specific condition.

As part of our commitment to provide the best Prescription Drug Program possible, we continue to seek ways to help control the rising costs of health care without compromising quality. As a result, the Horizon's Prescription Drug Guide is continually reviewed to help ensure that the list of preferred medications remains responsive to the needs of the member and the prescriber.

In general, medications are moved to non-preferred status for one or more of the following reasons:

- A generic equivalent product becomes available;
- New safety or clinical effectiveness information supports the move to non-preferred status; or
- Drug use information shows that preferred alternatives with better patient compliance rates are available.

To find out if your prescription is on the Preferred Drug List, call CVS Caremark Member Services at (866) 881-5603 or log on to [http://www.horizon-bcsnj.com/national\\_accounts.html](http://www.horizon-bcsnj.com/national_accounts.html).

---

## *Save With Generics*

When using your Prescription Drug Program, you will not be required to pay any coinsurance if you receive a prescription for a generic drug. The Food and Drug Administration (FDA) regulates generic drugs and requires that they contain the same active ingredients, strength, and dosage as the original brand-name drug. Although generic and brand-name drugs may work the same way in the body and may have the same risks and benefits, generic drugs cost significantly less than their brand-name counterparts.

When you receive a prescription from your doctor, discuss with him or her whether a generic substitution would be suitable for you.

---

## *Covered Drugs*

The Prescription Drug Program covers drugs that require a doctor's written prescription and are medically necessary for the treatment of illness or injury. Covered drugs include, but are not limited to:

- Federal legend drugs;
- State restricted drugs;
- Compounded medications;
- Injectable drugs, including insulin, needles, and syringes; and
- Oral contraceptives.

---

## *Specialty Drugs*

Specialty Drugs (also called Specialty Pharmaceuticals) are a class of medications typically produced through biotechnology (sometimes known as biologicals), administered by injection, and/or requiring special patient monitoring and handling.

Horizon members who are required to take a specialty pharmaceutical must obtain their medication from a specialty pharmacy contracted by Horizon. These pharmacies will provide members with a high level of prescription delivery service along with the following:

- Drug/disease-specific education and support;
- Convenient home or doctor office delivery;
- Claims assistance;
- Easy ordering with a dedicated toll-free number; and
- Helpful follow-up care calls to remind members when it is time to refill a prescription, check on therapy progress, and answer questions.

If you have any questions, experience any difficulty in filling your specialty pharmaceutical prescription, or would like to obtain a listing of specialty pharmacies or pharmaceuticals, please call CVS Caremark Member Services at (866) 881-5603. In most cases your doctor will advise you if your medication is a Specialty Drug.

---

## ***How to Use the Prescription Drug Program***

If you use a participating pharmacy, you will receive discounted prices and will not need to complete a claim form. Otherwise, you will pay more and must complete a claim form to receive reimbursement. You can locate participating pharmacies by calling Horizon Member Services at (800) 355- BLUE (2583) or by logging on to [http://www.horizon-bcbsnj.com/national\\_accounts.html](http://www.horizon-bcbsnj.com/national_accounts.html).

### **Using a Participating Pharmacy**

When you need medication immediately, simply present your ID card at a participating pharmacy and pay a percent of the discounted prescription cost for a 34-day supply of medication. You will pay 20% for brand names and 0% for generic drugs. There is no deductible to meet. You will have no claim forms to complete and no waiting for reimbursement.

### **Using an Out-of-Network Pharmacy**

When you have a prescription filled at *non-participating* pharmacy, you must pay the regular charge. To receive reimbursement, submit a claim form to Horizon at the address printed on the back of the Prescription Benefits claim form.

The Prescription Drug Program will pay 80% of the retail (non-discounted) cost of your prescription as if you went to a participating pharmacy. If your claim is approved, your reimbursement check should arrive about two weeks after you mail the claim form.

Remember, these charges are included in your out-of-pocket maximum.

---

## ***How the Mail Order Program Works***

The mail order program is designed to save you money on medications that you use on a long-term or maintenance basis. The program allows you to receive up to a 90-day supply of medication as follows: 0% coinsurance for generic, 20% coinsurance for preferred and non-preferred brand.

### **Mail Order Program**

The mail order program gives you the convenience of ordering medication for direct delivery by mail to your home, office, or other location. Your doctor may call in your new prescription to CVS Caremark, or you can simply fill out the mail service order form and send it in with your prescription(s).

## Ordering for the First Time

For your first mail order prescription, complete the Participant Profile/Order Form in your Welcome Package. You can also print an order form from [www.caremark.com](http://www.caremark.com). Log in with your login ID and password, click on the “Prescriptions and Coverage” tab, and select “Print Forms” from the menu on the left.

Attach your 90-day supply prescription and mail it along with the appropriate copayment to:

CVS Caremark  
P.O. Box 659541  
San Antonio, TX 78265-9085

Your prescription should arrive within 10 to 14 days from the date CVS Caremark receives your order.

## Ordering Refills

You can order refills online, by mail, or over the phone.

To place a refill order online:

- Go to [www.caremark.com](http://www.caremark.com) and log in with your login ID and password. Click on the “Prescriptions and Coverage” tab, select “Refill Prescriptions,” and choose the prescription(s) that you want to refill. Because the system retains your information, you do not need to complete an order form for each refill.

To place a refill order by mail:

- Use the computerized pre-printed CVS Caremark Mail Order Form and pre-addressed envelope that comes with each CVS Caremark prescription mailed to you. If your address, doctor, or health condition information changes, please note them on the form and be sure to make the same changes to your account on [www.caremark.com](http://www.caremark.com).

To place a refill order over the phone:

- Call CVS Caremark toll-free at (800) 213-0879 using a touch-tone phone. This service is available 24 hours a day, seven days a week. Enter the patient’s Prescription Drug Program identification number and year of birth. For payment of your share, enter your credit card number and expiration date.

---

## *Drugs and Supplies Not Covered*

The following drugs and supplies are not covered under the Prescription Drug Program.

- Bandages.
- Braces.
- Cosmetics.
- Dietary supplements.
- Drugs intended for use in a doctor's office or other setting that is not the participant's home.
- Certain experimental or investigational drugs.
- Fertility drugs.
- Health and beauty aids.
- Heat lamps.
- Non-legend drugs.
- Norplant.
- Injectable drugs (other than insulin).
- Prescriptions that a participant is entitled to receive without charge under any Workers' Compensation or municipal, state, or federal program.
- Retin-A.
- Splints and artificial appliances.
- Appetite suppressants that are not medically necessary.
- Any prescription medication that is also available over the counter.
- Devices and equipment.

In addition, certain controlled substances and other prescription medications may be subject to dispensing limitations and to the professional judgment of the pharmacist.

---

## ***Termination of Coverage***

Your prescription drug coverage ends when your Medical Plan terminates.

---

## ***Prescription Drug Program Administrator***

CVS Caremark Rx, Inc. ([www.caremark.com](http://www.caremark.com)) administers the program, with a national retail pharmacy network of over 62,000 participating pharmacies. Their online tools and other communications provide you with convenient service, personal care and attention, and up-to-date information.

---

## ***No Assignment of Benefits***

You cannot assign, pledge, encumber or otherwise alienate any legal or beneficial interest in benefits under the Plan, and any attempt to do so will be void. The payment of benefits directly to a health care provider, if any, shall be done as a convenience to the covered person and shall not constitute an assignment of benefits under the Prescription Drug Program.

## *The Dental/Vision Plans*

*Note:* Dental and vision benefits are bundled into the “Dental/Vision Plan.”

---

## ***Dental Benefits***

*To help you take good care of your teeth, the American Water Dental/Vision Plan covers preventive, restorative, major, and orthodontic dental services.*

**Enrolling for benefits and making changes to benefit elections are time-sensitive.**

*Effective August 1, 2012 American Water employees must enroll online through Employee Self Service. Those without access to Employee Self Service should return the completed enrollment forms to the Benefits Service Center within 31 days of the date of hire or life event. In addition, all required documentation must be provided within 30 days following approval of your request.*

Your dental health is an important aspect of your overall health and well-being. This valuable benefit is self-insured by American Water, and Aetna provides certain administrative services under this Plan. The provisions of the Plan will remain effective only while you are covered under the Plan.

There is one Dental Plan option. You must enroll separately in the Dental/Vision Plan (see “Enrolling for Coverage” on page 9).

The Plan pays benefits for charges for dental services and supplies incurred for treatment of dental disease or injury. These benefits apply separately to each covered person.

The dental plan offers both in-network and out-of-network benefits; however, in-network dentists have negotiated their fees with Aetna. They generally charge less than out-of-network dentists, so your benefits are based on a lower cost. This means you pay less and the Plan pays less for your dental care. To find a dentist or see if your dentist participates in Aetna’s provider network, visit [www.aetna.com](http://www.aetna.com) or contact Member Services at (877) 238-6200.

If you choose an out-of-network dentist, your benefits will be based on reasonable and customary charges – which is higher than the negotiated fee. As a result, your share of the cost may be higher.

## *Dental Plan Summary Chart*

The following chart provides a summary of your dental benefit levels and coverages:

	<b>Dental</b>
<b>Deductible (single / family)</b>	\$50 / \$100
<b>Preventive Care</b>	Plan pays 100% of covered expenses with no deductible
<b>Basic Services</b>	Plan pays 80% of covered expenses after deductible
<b>Major Services</b>	Plan pays 50% of covered expenses after deductible
<b>Calendar Year Maximum</b>	\$1,500
<b>Orthodontia</b>	Plan pays 50% of covered expenses after deductible up to a \$1,500 lifetime maximum (covers only eligible children)

## *Covered Dental Expenses*

*Expenses that exceed the necessary and appropriate level, as determined by Aetna, will not be covered by the Plan.*

*Note:* You are responsible for any amounts billed by providers that are in excess of the amount paid by the Plan.

The Dental Plan pays the following benefits for Covered Dental Expenses up to the appropriate copayment/coinsurance:

- 100% of Preventive (Type A) expenses with no deductible.
- 80% of Basic Restorative Services (Type B) expenses after the deductible.
- 50% of Major Restorative Services (Type C) expenses after the deductible.
- 50% of Orthodontia (Type D) expenses after the deductible, up to a lifetime maximum of \$1,500.

The Dental Plan pays the dentist's charges for the services and supplies listed below which, for the condition being treated, are in Aetna's sole determination:

- Necessary;
- Customarily used nationwide; and
- Deemed by the profession to be appropriate. They must meet broadly accepted national standards of dental practice.

### **Type A Expenses – Preventive Services**

- Oral exams once every six months. This includes prophylaxis, scaling, and cleaning of teeth.
- X-rays for diagnosis.
- Other X-rays (up to one full mouth series in a 36-month period and one set of bitewings in a six-month period).

### **Type B Expenses – Basic Restorative Services**

- Topical application of sodium or stannous fluoride for persons under 15 years of age.
- Space maintainers up to age 19.
- Non-surgical extractions.
- Fillings.
- General anesthetics given in connection with covered dental services.
- Non-surgical treatment of diseased periodontal structures.
- Non-surgical endodontic treatment. This includes root canal therapy.
- Injection of antibiotic drugs.
- Repair or recementing of crowns, inlays, bridgework, or dentures.
- Relining of dentures.

### **Type C Expenses – Major Restorative Services**

- First installation of removable dentures to replace one or more natural teeth extracted while the person is covered. This includes adjustments for the six-month period following the date they were installed.
- Replacement of an existing removable denture or fixed bridgework by a new denture, or the adding of teeth to a partial removable denture. *Note:* The “Prosthesis Replacement Rule” on page 72 must be met.
- Inlays, gold fillings, or crowns. This includes precision attachments for dentures.
- First installation of fixed bridgework to replace one or more natural teeth extracted while the person is covered. This includes inlays and crowns as abutments.
- Replacement of an existing removable denture or fixed bridgework by new fixed bridgework, or the adding of teeth to existing fixed bridgework. *Note:* The “Prosthesis Replacement Rule” on page 72 must be met.

## Type D Expenses – Orthodontic Treatment

A dentist's charges for services and supplies for orthodontic treatment are included as Covered Dental Expenses, in addition to all other terms of this dental benefit:

- The Plan pays 50% of Covered Dental Expenses after the deductible, up to a \$1,500 lifetime maximum, for eligible children.
- Benefits will not exceed the Orthodontic Maximum for all expenses incurred by a family member in his or her lifetime, even if there is a break in coverage.

*Note:* All claims for dental benefits must be submitted within 24 months from the start of treatment.

---

## *Advance Claim Review*

*You should request an Advance Claim Review of any dental treatment that will cost \$150 or more. The review will tell you and your dentist what the Plan will cover and how much you must pay out of your own pocket.*

Before starting a course of treatment for which the dentist's charges are expected to be \$150 or more, details of the proposed course of treatment and charges to be made should be filed with Aetna. Please contact Aetna Member Services at (877) 238-6200 for additional details and to obtain forms. Aetna will then estimate the benefits and notify you and your dentist before treatment starts. Advance review is not required as a condition of receiving benefits, but it will let you know what to expect as far as Plan benefits if you obtain more expensive treatment.

Some services may be given before an Advance Claim Review is made (emergency treatments and oral exams, including prophylaxis and X-rays).

A course of treatment is a planned program of one or more services or supplies to treat a dental condition. The condition must be diagnosed by the attending dentist as a result of an oral exam. The treatment may be given by one or more dentists. The course of treatment starts on the date a dentist first gives a service to correct or treat such dental condition.

**Note:** As a part of the Advance Claim Review and as part of proof of any claim, Aetna has the right to require an oral exam of the person at its own expense. You must give Aetna all diagnostic and evaluative material which it may require. These include: X-rays, models, charts, and written reports.

The benefits for a course of treatment may be less than you expect if an Advance Claim Review is not made or if any required verifying material is not furnished. Benefits will be reduced by the amount of expenses that Aetna cannot verify.

---

### *Alternate Treatment*

If alternate services or supplies may be used to treat a dental condition, Covered Dental Expenses will be limited to those services and supplies which, as determined by Aetna:

- Are customarily used nationwide for treatment;, and
- Are deemed by the profession to be appropriate for treatment. They must meet broadly accepted national standards of dental practice. The person's total current oral condition will be taken into account.

The "Limitations" section has some examples of how this works. Please refer to page 74 for more information.

---

### *Prosthesis Replacement Rule*

Certain replacements or additions to existing dentures or bridgework will be covered under this Plan. Aetna must receive satisfactory proof that:

- The replacement or addition of teeth is required to replace teeth extracted after the present denture or bridgework was installed. The person must have been covered when the tooth was extracted.
- The present denture or bridgework cannot be made serviceable, and it must be at least five years old.
- The present denture is an immediate temporary one to replace one or more natural teeth extracted while the person is covered and cannot be made permanent. Replacement by a permanent denture is needed and takes place within 12 months from the date the immediate temporary denture was first installed.

---

## *Explanation of Some Important Plan Provisions*

### **Calendar Year Deductible**

The calendar year deductible is the amount of Covered Dental Expenses you must pay each calendar year before the Plan pays benefits.

### **Family Deductible Limit**

The family deductible limit is the amount of Covered Dental Expenses your family must pay before the Plan pays benefits. When these expenses exceed the family deductible limit, the Plan pays benefits at the percentage listed on the “Dental Plan Summary Chart” on page 69. The family deductible limit must be met by more than one person.

### **Coinsurance**

Coinsurance is the amount you must pay out of your own pocket for Covered Dental Expenses after you meet the calendar year deductible.

### **Calendar Year Maximum Benefit**

The calendar year maximum benefit is the most the Plan will pay for all dental expenses incurred by a covered person in a calendar year. It applies even if there is a break in coverage.

### **Coordination of Benefits**

In many families, both husbands and wives work and may be eligible for benefits under more than one group medical or dental plan. In such situations, the various plans “coordinate” benefits to determine how covered expenses will be paid by the American Water Plan and the other plans. This may mean a reduction in benefits under this Plan. The combined benefits will not be more than the expenses recognized under the American Water Plan.

If the American Water Plan is determined to be the primary plan (the plan that pays its benefits first), it will pay its regular benefits in full without regard to any payment that may be made under any other plan.

If the American Water Plan is determined to be the secondary plan (the plan that pays its benefits after the primary plan pays benefits), it will pay a reduced amount of benefits that will in no event cause the total benefit from all plans to exceed the benefit that would have been paid by the American Water Plan if it had been the primary plan. However, if benefits under the primary plan are reduced because a covered person does not comply with the plan provisions (such as penalties resulting from the failure to comply with cost management provisions of the plan), the amount of the reduction will not be considered for payment under the American Water Dental Plan.

For example, if you have coverage under the American Water Plan and receive Basic Restorative services, and the primary plan pays 70% of eligible charges to an in-network provider, the American Water Plan will pay an additional 10% of covered charges for a total benefit equal to 80% of covered charges, which is the benefit the American Water Plan would have paid as the primary plan.

*Covered services and supplies must meet broadly accepted standards of dental practice. When your dentist uses an alternate method of treatment, the benefits paid by American Water Plan will be limited.*

### **Limitations**

When the Alternate Treatment part of this Plan applies, benefits will be limited. Here are some examples:

#### Restorative and Reconstructive Services

##### ■ **Gold, Baked Porcelain, Crowns, and Jackets**

Covered Dental Expenses will be limited to the charges for the procedure using amalgam or like material, if it would restore a tooth. This limit applies even if you and the dentist choose some other type of restoration.

##### ■ **Reconstruction**

Covered Dental Expenses will be limited to the charges for the procedure needed to eliminate oral disease and replace missing teeth. Appliances or restorations needed to increase vertical dimension or restore the occlusion are deemed to be optional and are not covered.

#### Prosthodontic Services

##### ■ **Partial Dentures**

Covered Dental Expenses will be limited to the charges for a cast chrome or acrylic denture if this would satisfactorily restore an arch. This limit applies even if you and the dentist choose a more elaborate or precision appliance.

##### ■ **Complete Dentures**

Covered Dental Expenses will be limited to the charges for a standard procedure. This limit applies even if you and the dentist choose personalized or specialized treatment.

**Replacement of existing dentures** will be covered only if the existing denture cannot be used or repaired. If it can be used or repaired, Covered Dental Expenses will be limited to the charges for the services needed to make the denture usable.

---

## *When Coverage Is Terminated*

Coverage under any section of this Plan will be in exchange for all privileges and benefits provided under any like prior coverage. Any benefits provided under such prior coverage may reduce benefits payable under this Plan.

Coverage under this Plan terminates when the first of these events happens:

- The day your employment ends.
- When the group contract terminates as to the coverage.
- When you are no longer in an Eligible Class. (This may apply to all or part of your coverage.)
- When you fail to make any required contribution.

Under certain circumstances, American Water may continue your coverage when you are not actively at work. If you are not at work due to illness or injury, American Water dental coverage will be continued for the length of your approved leave of absence, not to exceed 24 months from the date you are disabled as long as appropriate contributions are made.

An eligible spouse, same-sex domestic partner, or child's coverage will terminate at the first to occur of:

- The termination of all eligible spouse's, same-sex domestic partner's, or child(ren)'s coverage under the group contract.
- When an eligible spouse, same-sex domestic partner, or child becomes covered as an employee.
- When such person is no longer an eligible spouse, same-sex domestic partner, or child.
- When your coverage terminates.

You may be entitled to continue your dental coverage (see "Continuation of Health Coverage" on page 181).

---

## ***Benefits After Termination of Coverage***

*If your dental coverage ends while you are not totally disabled, charges for dentures, fixed bridgework, and crowns may be covered for a period of 60 days following the date coverage terminated if they were ordered before that date.*

Expenses incurred for the following after the person's dental coverage ends will be deemed to be incurred when ordered:

- Dentures;
- Fixed bridgework; and
- Crowns.

This applies only if the item is finally installed or delivered no more than 60 days after coverage ends.

“Ordered” means:

- Impressions have been taken from which the dentures, crowns, or fixed bridgework will be made; and
- For fixed bridgework and crowns, the teeth must have been fully prepared if they will serve as retainers or support or if they are being restored.

---

## ***General Exclusions***

Coverage is not provided for the following expenses:

- Services and supplies not necessary, as determined by Aetna, for the diagnosis, care, or treatment of disease or injury. This applies even if they are prescribed, recommended, or approved by the person's attending dentist.
- Care, treatment, services, or supplies that are not prescribed, recommended, and approved by the person's attending dentist.
- Treatment by someone other than a licensed dentist. (The Plan will cover some treatments by a licensed dental hygienist if supervised by a dentist, including scaling of teeth, cleaning of teeth, and topical application of fluoride.)

- Services or supplies determined by Aetna to be experimental or investigational. A drug, device, procedure, or treatment will be determined to be experimental or investigational if:
  - There are insufficient outcomes data available from controlled clinical trials published in the peer reviewed literature to substantiate its safety and effectiveness for the disease or injury involved;
  - As required by the FDA, approval has not been granted for marketing;
  - A recognized national medical or dental society or regulatory agency has determined, in writing, that it is experimental, investigational, or for research purposes; or
  - The written protocol or protocols used by the treating facility or the protocol or protocols of any other facility studying substantially the same drug, device, procedure, or treatment or the written informed consent used by the treating facility or by another facility studying the same drug, device, procedure, or treatment states that it is experimental, investigational, or for research purposes.
- Services of a resident doctor, dentist, or intern rendered in that capacity.
- Charges which Aetna determines not to be reasonable.
- Charges for services and supplies which are covered in whole or in part under any other part of this Plan, or under any other group benefits plan provided by American Water.
- Charges that are made only because there is health coverage.
- Charges that a covered person is not legally obliged to pay.
- Charges for services and supplies:
  - Furnished, paid for, or for which benefits are provided or required by reason of the past or present service of any person in the armed forces of a government; or
  - Furnished, paid for, or for which benefits are provided or required under any law of a government. (This does not include a plan established by a government for its own employees or their eligible spouse, same-sex domestic partner, or child(ren) or Medicaid.) An example is benefits provided, to the extent required by law, under “no-fault” auto insurance.

- Charges for plastic surgery, reconstructive surgery, cosmetic surgery, or other services and supplies which improve, alter, or enhance appearance, whether or not for psychological or emotional reasons, including but not limited to charges for personalization or characterization of dentures, except to the extent needed to repair an injury which occurs while the person is covered under this Plan.
- Charges for routine dental exams or other preventive services and supplies.
- Charges for acupuncture therapy, unless performed by a doctor as a form of anesthesia in connection with surgery covered under the Plan.
- Charges for sealants.
- Charges for the replacement of a prosthetic device that is lost, missing, or stolen.
- Charges for services or supplies for orthodontic treatment, except as specifically provided.
- Charges for services or supplies to increase vertical dimension, such as dentures, crowns, inlays and onlays, bridgework, or any other appliance or service.

Any exclusion above will not apply to the extent that:

- Coverage is specifically provided by name in this Summary Plan Description; or
- Coverage of the charges is required under any law that applies to the coverage.

These excluded charges will not be used when calculating benefits.

The law of the jurisdiction where a person lives when a claim occurs may prohibit some benefits. If so, they will not be paid.

---

## *Submitting Claims*

*You should file your claim(s) during the calendar year in which the service or treatment was provided.*

**All claims must be filed within two years from the date of the incurred expense. (See page 71 for information on filing orthodontic claims.)** Claims must be in writing and must include proof of the nature and extent of the expense. To obtain Dental Benefits Request forms, call Aetna Member Services at (877) 238-6200 or visit their website at [www.aetna.com](http://www.aetna.com).

## How Your Benefits Are Paid

The Dental Plan is administered by Aetna. Claims will be paid as soon as Aetna receives the necessary written proof supporting your claim.

---

### *How to File a Dental Claim*

*Attach the original of each itemized bill to the Dentist's Statement form. Be sure to keep a copy of all bills and claim forms for your records.*

Fast processing of your claim depends on complete, accurate information. When filing a claim under the Dental Plan, please remember to:

- Complete all items under applicable sections of the claim form. Unanswered questions will cause delay in processing your claim.
- Be sure to include your Dental Plan identification number on all claims, including claims for your eligible spouse, same-sex domestic partner, or child(ren), and be sure to sign the form.
- Attach the itemized bill to the form. An itemized bill must contain the following information:
  - The patient's full name;
  - The patient's relationship to you;
  - The date service was provided;
  - The name of the dentist or other licensed health care professional providing service;
  - The provider's taxpayer identification number;
  - The type of service provided;
  - The nature of the condition being treated; and
  - The charges for the service or treatment (multiple expenses should be itemized).

If any of this information is missing, write it on the bill yourself and sign your name. Your dental provider should complete the provider section of the Benefits Request form if he or she has not given you an itemized statement.

If you have other group coverage that pays benefits before this Plan, you must provide Aetna with a copy of the other carrier's Explanation of Benefits (EOB) reflecting the benefits paid under the other coverage when you submit expenses for payment under this Plan.

Send the completed claim form and itemized bill(s) to:

**Aetna**  
**P.O. Box 14094**  
**Lexington, KY 40512-4094**

If you have any questions about the status of your claim, call Aetna Member Services at (877) 238-6200.

## Your Contributions

---

### *No Assignment of Benefits*

You cannot assign, pledge, encumber, or otherwise alienate any legal or beneficial interest in benefits under the Plan, and any attempt to do so will be void. The payment of benefits directly to a health care provider, if any, shall be done as a convenience to the covered person and shall not constitute an assignment of benefits under the Plan.

You pay your share of the cost for your benefits each pay cycle through convenient *pre-tax* payroll deductions. *Pre-tax* means that your contributions are withheld before federal (and in most cases, state and local) income and FICA (Social Security) taxes are withheld. This reduces your taxable income and the amount of tax you pay. As a result, you have more take-home pay. Because your pre-tax contributions are not subject to FICA taxes, your Social Security benefit at retirement may be slightly reduced if your earnings are under the Social Security Taxable Wage Base (\$110,100 for 2012). However, the loss in future retirement benefits should be more than offset by the current tax savings under the Plan.

---

### *Vision Benefits*

Healthy eyes and good vision are important to your overall well-being and quality of life. You must enroll separately in the Dental/Vision Plan.

The Vision Plan is administered by EyeMed. EyeMed provides certain administrative and claim payment services under the Plan, but does not guarantee benefit payments. You can receive routine eye exams, corrective lenses, frames, and contacts through EyeMed's nationwide network of over 16,000 participating providers – optometrists, ophthalmologists, and optical retail locations.

The Vision Plan offers both in-network and out-of-network benefits, but your benefit levels are higher (and your out-of-pocket costs lower) when you use in-network providers.

To find a provider or to make sure your provider participates in the EyeMed network:

- Before you enroll: visit [www.enrollwiththeyemed.com/access](http://www.enrollwiththeyemed.com/access).
- Once you are enrolled: visit [www.eyemedvisioncare.com](http://www.eyemedvisioncare.com).

After you enroll in the Dental/Vision Plan, you will receive an identification card.

## *Vision Benefits Summary Chart*

The following chart provides a summary of your vision benefits. Keep in mind that the Network Providers column shows what *you* pay and the Out-of-Network Provider column shows what *the Plan* pays.

<b><i>Additional Purchases and Out-of-Pocket Discount:</i></b> Members will receive a 20% discount on remaining balance at participating providers beyond plan coverage, which may not be combined with any other discounts or promotional offers, and the discount does not apply to EyeMed's providers' professional services or disposable contact lenses.		

---

## *Visiting an Out-of-Network Provider*

All vision care services received from an out-of-network provider are paid up to a scheduled amount. You are responsible for paying any amount the provider charges in excess of that amount.

---

## *Services Not Covered*

The Vision Plan does not cover:

- Orthoptics or vision training.
- Subnormal vision aids and associated supplemental testing.
- Aniseikonic lenses.
- Medical and/or surgical treatment of the eyes.
- Corrective eyewear required by an employer as a condition of employment, and safety eyewear unless specifically covered under the Plan.
- Services provided as a result of Workers' Compensation law.
- Non-prescription lenses (plano lenses) and non-prescription sunglasses (except for the 20% EyeMed discount).
- Two pair of glasses in lieu of bifocals.
- Services or materials provided by any other group benefit providing for vision.
- Benefit allowances provide no remaining balance for future use within same benefit period.
- Lost or broken lenses, frames, glasses, or contact lenses will not be replaced except in the next benefit period.

---

## *When Coverage Is Terminated*

Coverage under any section of this Plan will be in exchange for all privileges and benefits provided under any like prior coverage. Any benefits provided under such prior coverage may reduce benefits payable under this Plan.

Coverage under the Plan terminates when the first of these events happens:

- The day your employment ends.
- When the group contract terminates as to the coverage.
- When you are no longer in an Eligible Class. (This may apply to all or part of your coverage.)
- When you fail to make any required contribution.

Under certain circumstances, American Water may continue your coverage when you are not actively at work. If you are not at work due to illness or injury, American Water vision coverage will be continued for the length of your approved leave of absence, not to exceed 24 months from the date you are disabled as long as appropriate contributions are made.

An eligible spouse's, same-sex domestic partner's, or child's coverage will terminate at the first to occur of:

- The termination of all eligible spouse, same-sex domestic partner, or child coverage under the group contract.
- When an eligible spouse, same-sex domestic partner, or child becomes covered as an employee.
- When such person is no longer an eligible spouse, same-sex domestic partner, or child.
- When your coverage terminates.

You may be entitled to continue your vision coverage (see "Continuation of Health Coverage" on page 181).

---

## *Filing a Claim*

When you visit an EyeMed network provider, you must present the provider with your EyeMed ID card or subscriber number at the time of service. Your provider will submit the benefit form for you. You are responsible for charged amounts that exceed your coverage.

If you visit an out-of-network provider, you must pay the provider at the time you receive vision care services. You must then submit an EyeMed claim form and an itemized paid receipt to receive reimbursement. Your itemized receipt must include:

- Patient's name;
- Date service began;

- The services and materials received; and
- Amount paid.

Claim forms and receipts should be mailed to:

EyeMed Vision Care  
Attention OON Claims  
P.O. Box 8504  
Mason, OH 45040-7111

Claim forms are available on EyeMed's website at [www.eyemedvisioncare.com](http://www.eyemedvisioncare.com). You can also obtain forms by contacting EyeMed Member Services at (866) 939-3633.

**EyeMed will not process claims submitted more than 12 months after the date of service or purchase.**

---

## *No Assignment of Benefits*

You cannot assign, pledge, encumber, or otherwise alienate any legal or beneficial interest in benefits under the Plan, and any attempt to do so will be void. The payment of benefits directly to a health care provider, if any, shall be done as a convenience to the covered person and shall not constitute an assignment of benefits under the Plan.

## **Your Contributions**

You pay your share of the cost for your benefits each pay cycle through convenient *pre-tax* payroll deductions. *Pre-tax* means that your contributions are withheld before federal (and in most cases, state and local) income and FICA (Social Security) taxes are withheld. This reduces your taxable income and the amount of tax you pay. As a result, you have more take-home pay. Because your pre-tax contributions are not subject to FICA taxes, your Social Security benefit at retirement may be slightly reduced if your earnings are under the Social Security Taxable Wage Base (\$110,100 for 2012). However, the loss in future retirement benefits should be more than offset by the current tax savings under the Plan.

## *Flexible Spending Accounts*

---

## *Flexible Spending Accounts*

*Participation in the Health Care Flexible Spending Account and the Dependent Care Flexible Spending Account allows you to reduce your taxable income by paying for certain expenses with pre-tax dollars.*

*Horizon administers the Flexible Spending Accounts on behalf of American Water.*

To help you meet the high cost of health and dependent care in the most cost-efficient manner, American Water offers two programs which allow you to pay for qualifying expenses using *pre-tax* dollars. You pay fewer taxes because those amounts are not subject to federal income or Social Security taxes. You keep more of what you earn, increasing your disposable income.

You make voluntary contributions on a pre-tax basis to these spending accounts, from which you receive tax-free reimbursement to cover the cost of your qualifying medical and dependent care expenses.

**The Health Care Flexible Spending Account** reimburses you for most health-related expenses for yourself or your eligible spouse, same-sex domestic partner, or child(ren) that are not reimbursable through any health benefit plans.

**Note: Health-related expenses for your same-sex domestic partner are only eligible for reimbursement if your same-sex domestic partner is also your tax dependent.**

**The Dependent Care Flexible Spending Account** reimburses you for most dependent day care expenses for your qualifying dependents.

Reimbursements that you receive from your Health Care and/or Dependent Care Flexible Spending Accounts are tax-free to you.

Your contributions to your Health Care and/or Dependent Care Flexible Spending Accounts are deducted each pay cycle through convenient *pre-tax* payroll deductions. *Pre-tax* means that your contributions are withheld before federal (and in most cases, state and local) income and FICA (Social Security) taxes are withheld. (Note: In some states, your contributions to the Dependent Care Flexible Spending Account and/or the Health Care Flexible Spending Account may be subject to state income taxes. You should consult your tax advisor to determine if contributions to either of these accounts will be taxed in your state.) Pre-tax contributions reduce your taxable income and the amount of tax you pay. As a result, you have more take-home pay. Because your pre-tax contributions are not subject to FICA taxes, your Social Security benefit at retirement may be slightly reduced if your earnings are under the Social Security Taxable Wage Base (\$110,100 for 2012). However, the loss in future retirement benefits should be more than offset by the current tax savings under the Plan.

## *The Health Care Flexible Spending Account*

*You can use your Health Care Flexible Spending Account to pay for medical, dental, vision, and hearing care expenses that are not otherwise covered by any health care plan.*

The Health Care Flexible Spending Account allows you to contribute money on a pre-tax basis to an account set up for you. If you (or your eligible spouse, same-sex domestic partner, or child(ren)) incur qualifying health care expenses which are not covered, or are only partially covered, by insurance or any other source, you will be reimbursed from the spending account for these expenses.

Here is an example of the potential tax savings with a Health Care Flexible Spending Account:

	<b>With Account</b>	<b>Without Account</b>
Annual Family Income	\$50,000	\$50,000
Minus Pre-Tax Contributions to Account	\$ 2,400	None
Taxable Income	\$47,600	\$50,000
Federal, State, and Social Security Taxes	\$12,685	\$13,325
Minus After-Tax Health Care Expenses	None	\$ 2,400
Net Disposable Income	\$34,915	\$34,275
<b>Tax Savings (Extra Take-Home Pay)</b>	<b>\$ 640</b>	

*Estimates use tax rates of 15% federal, 4% state, and 7.65% Social Security. Actual tax savings could be greater or less than shown here. Consult your tax advisor to determine tax savings for your particular situation.*

## Eligibility

### Enrolling for benefits and making changes to benefit elections are time-sensitive.

If you are an eligible employee (see "Eligibility" on page 5), you are eligible to participate in the Health Care Flexible Spending Account as of the first day of the month following completion of one full month of continuous employment. You may enroll by completing the enrollment process (see "Enrolling for Coverage" on page 9). If you are newly hired, *you must enroll* and make your contribution election within the 31-day enrollment period. You will have the opportunity to change your elections in the fall of every year, effective for the upcoming plan year. You are not permitted to make changes to your election amount during the Plan Year, except under certain circumstances (see page 91).

## Eligible Individuals

In addition to your own expenses, you can also be reimbursed from the Health Care Flexible Spending Account for qualifying expenses incurred by an eligible spouse, child or qualifying individual (as defined by the IRS). For you to include these expenses, the person must have been your eligible spouse, child, or qualifying individual (as defined by the IRS) either at the time the medical services were provided or at the time you paid the expenses.

## How the Account Works

The spending account does not replace your medical benefits. It is a separate plan that reimburses you for qualifying expenses that are not covered, or only partially covered, by your Medical Plan or Dental/Vision Plan, or by any other source (such as a spouse's or same-sex domestic partner's plan).

When you have an eligible medical expense, you pay the bill. You can be reimbursed for these expenses from your account by filing a claim form (see page 97).

For additional convenience, you will be issued a debit card. Use the card to pay for eligible medical expenses just as you would use your bank debit card. The money is automatically debited from your Health Care Flexible Spending Account. You should keep copies of all receipts for any expenses you pay for from your Health Care Flexible Spending Account in case further substantiation is required.

Prior to using the debit card you must certify that the card will only be used for qualifying health care expenses, that any qualifying health care expenses paid with the card have not already been reimbursed by any health plan.

## Claim Documentation

*Note:* You cannot use the card to prepay for qualifying health care expenses.

The debit card will be automatically cancelled upon your death or termination of employment, or if you have a change in status that results in your becoming ineligible for a Health Care Flexible Spending Account.

The dollar amount available on the debit card will be the Health Care Flexible Spending Account contribution amount you elected for the Plan Year, minus reimbursements paid for the Plan Year.

Your debit card will permit all transactions to be made in the pharmacy at the point of sale. This includes prescriptions and eligible over-the-counter products. Internal Revenue Service (IRS) regulations require documentation to verify that claims are legitimate. Therefore, any transaction that does not match a copayment/coinsurance from the American Water Medical Plan or Prescription Drug Program or is not otherwise clearly a medical expense based on the information obtained from the vendor's inventory system at the point of sale, will be audited by Horizon. If you do not use your debit card, you can submit a claim.

If you are audited for a transaction, you (the member) are required to provide documentation to validate the expense. Return the letter to Horizon along with a receipt or Explanation of Benefits (EOB) which includes the following:

- Provider;
- Service(s) received or item(s) purchased;
- Date of service;
- Amount of expenses incurred; and
- Amount covered by insurance.

If Horizon later determines that any purchase does not qualify as a qualifying health care expense, Horizon may, in its sole discretion, use one of the following correction methods to make the Plan whole:

- Require you to repay the improper amount to the Plan; or
- Offset future claims until the improper amount is repaid.

Until the amount is repaid, Horizon will take further steps to ensure that further violations of the terms of the debit card do not occur, up to and including denial of access to the card.

## How Much Can I Contribute?

*You may elect to contribute up to \$3,000 per year to your Health Care Flexible Spending Account. The maximum amount you may contribute may be further limited by applicable law.*

During open enrollment (or your 31-day enrollment period), you should estimate what you will spend during the next Plan Year (or the balance of the current Plan Year) (January 1 to December 31, plus the 2½ month grace period, see below) on unreimbursed medical expenses. The Company will deduct from your paycheck the amount of money you choose to set aside, in equal amounts over the course of the calendar year.

You may elect to contribute up to \$3,000 per year to the Health Care Flexible Spending Account (subject to limits under applicable law). There is a minimum contribution of \$120 per calendar year. If your spouse also has a health care flexible spending account, whether through the Company or another employer, this will not affect the maximum amount of your contribution. You may each contribute the maximum amount.

## Use All the Money in Your Account

*You must request reimbursement by April 30 of the following year for health care expenses incurred during the Plan Year and the grace period (the following January 1 – March 15).*

The amount available to you for reimbursement for qualifying expenses incurred during the Plan Year (plus the 2½ month grace period) is the annual amount you have elected to contribute to the spending account, even if the full amount has not yet been deducted from your pay. For example, if you elect to contribute \$1,200 to the spending account, the entire \$1,200 will be available to you for reimbursement of your eligible expenses beginning January 1. *Note that there is a different rule for reimbursements from the Dependent Care Flexible Spending Account.*

According to IRS rules, any amounts remaining in your spending account after the deadline for submitting claims incurred during the Plan Year (plus the 2½ month grace period) will be forfeited. You may not carry forward unused amounts to the next Plan Year, and you may not transfer unused amounts from the Health Care Flexible Spending Account to another employee or to another plan or account (such as the Dependent Care Flexible Spending Account). Therefore, you should plan carefully before you make your annual contribution election. Any forfeited amounts are used by American Water to reduce future administrative expenses.

The claims accumulation period for the Health Care Flexible Spending Account is 14½ months – the current 12-month Plan Year (January 1 – December 31) plus the period January 1 through March 15 of the following calendar year. The deadline to submit claims for reimbursement from your Health Care Flexible Spending Account is April 30 of the following year. You must be an active participant or COBRA participant as of December 31 in order to take advantage of the grace period. Expenses incurred during the grace period that are not applied against your Health Care Flexible Spending Account balance for the prior Plan Year can be applied against the Health Care Flexible Spending Account for the current Plan Year. For example, if you establish a Health Care Flexible Spending Account for 2012, eligible expenses incurred during the period January 1, 2013 – March 15, 2013 can be applied against your 2012 account balance. If you have exhausted your 2012 account balance or you do not submit the grace period expenses by April 30, 2013, you can apply those expenses against your 2013 Health Care Flexible Spending Account, if any. If you do not have a 2013 Health Care Flexible Spending Account, you would not be able to be reimbursed for those grace period expenses.

### Can I Change the Amount of My Contributions?

You can start, stop, or change the automatic deductions from your paycheck during the calendar year only if you have a qualified change in status (as listed below). The change in status must be on account of, and correspond with, a change in status affecting eligibility. The following events are changes in status:

- **Change in your legal marital status** (marriage, death of spouse, divorce, legal separation, or annulment).
- **Change in the number of your eligible spouse, same-sex domestic partner, or child(ren)** (gain a child through birth, adoption, placement for adoption; loss of an eligible spouse, same-sex domestic partner, or child through death).
- **Change in your eligible spouse's, same-sex domestic partner's, or child(ren)'s eligibility status** (eligible spouse, same-sex domestic partner, or child qualifies or no longer qualifies because of age or marriage).

### Expenses Eligible for Reimbursement

Only “qualifying” expenses can be reimbursed through the Health Care Flexible Spending Account. These include:

- Medical, dental, and vision care expenses incurred by you or an eligible spouse, child(ren), or qualifying individual (as defined by the IRS) in the diagnosis, treatment, or prevention of disease, including prescription drug expenses and transportation or lodging expenses incurred in receiving treatment.

- Certain other medical expenses not covered by your medical insurance.
- Deductibles or copayments you have paid under any type of health care plan.
- Over-the-counter medicines and drugs only if accompanied by a written prescription, provided they are for the diagnosis, cure, mitigation, treatment, or prevention of disease or for the purpose of affecting any structure or function of the body. The over-the-counter drug must be more than just beneficial to general health and not “cosmetic” in nature.

Some over-the-counter drugs have a dual purpose, serving a personal/cosmetic or general health purpose as well as a medical purpose. These drugs will require a letter from a doctor stating the medical condition or disease that is being treated.

*Remember, the following lists of eligible and ineligible expenses are not complete. If you have a question as to whether or not an expense is eligible, please call Horizon FSA at (800) 224-4426.*

Keep in mind that the expenses you submit for reimbursement may not be covered or reimbursed by other insurance or another source, including a plan sponsored by your spouse’s employer, Medicare, Workers’ Compensation, automobile insurance, or any recovery or settlement from a lawsuit.

For additional information, call Horizon FSA at (800) 224-4426. You can also refer to IRS Publication 502 (“Medical and Dental Expenses”). You can request a copy of Publication 502 from your local IRS office or go online at [www.irs.gov/publications/p502](http://www.irs.gov/publications/p502). But keep in mind, not all expenses listed in Publication 502 are eligible (like insurance premiums) and some expenses not listed in the publication are eligible (such as some over-the-counter drugs and medicines if accompanied by a written prescription).

Below is a list of some of the health care expenses eligible for reimbursement from your spending account. Only health care expenses not reimbursed by insurance can be claimed.

- Expenses for general health purposes, such as fitness, exercise, or health club dues unless recommended by a doctor for a particular medical condition.
- Expenses for weight loss programs *unless* recommended by a doctor to treat obesity.
- Expenses in excess of the amount you have elected to contribute to the Health Care Flexible Spending Account.
- Expenses of someone who is not an eligible spouse, same-sex domestic partner, or child.
- Funeral expenses.
- Hair restoration (procedures, drugs, or medications).
- Hair transplants.
- Health club or gym memberships for general health.
- Household help.
- Insurance premiums (including COBRA premiums).
- Liposuction.
- Marriage and family counseling.
- Maternity clothes.
- Over-the-counter supplies, drugs, or medications that are not medically necessary or are not prescribed by your doctor.

- Over-the-counter drugs or medications that are not prescribed by your doctor.
- Premiums you or your spouse pays for insurance coverage.
- Rogaine, when used for cosmetic purposes; that is, to stimulate growth, and not for a specific medical condition.
- School tuition.
- Swimming lessons.
- Transportation costs of a disabled person to and from work.
- Vacation or travel costs to improve health.
- YMCA/YWCA memberships.

This list is intended to give you a general description of expenses not eligible for reimbursement through the spending account. *There may be other expenses, in addition to those listed above, which are not eligible.*

**Over-the-Counter Expenses Not Eligible for Reimbursement**

The following over-the-counter items do not qualify for reimbursement from the Health Care Flexible Spending Account:

- Aromatherapy.
- Baby bottles and cups.
- Baby oil.
- Baby wipes.
- Breast enhancement system.
- Cosmetics.
- Cotton swabs.
- Dental floss.
- Deodorants.
- Facial care.
- Feminine care.
- Fragrances.
- Hair regrowth.
- Low "carb" foods.
- Low calorie foods.
- Oral care.
- Petroleum jelly.
- Shampoo and conditioner.
- Skin care.
- Spa salts.
- Sun tanning products.
- Toothbrushes.

## Submitting Claims

You may be reimbursed from your Health Care Flexible Spending Account by completing a *Claim for Reimbursement* form, which can be downloaded from [www.horizonblue.com/fsa](http://www.horizonblue.com/fsa).

Any itemized bills that you submit should contain, at a minimum, the following information:

- The name of the patient and the employee;
- The date(s) the services were provided;
- A description of the service or item provided;
- The name and address of the provider;
- The cost of the service or item; and
- Amount covered by insurance.

Sign and date the claim form. Attach copies of bills, invoices, or other written statements from a third party that support each reimbursement request and mail or fax to:

**Horizon Blue Cross Blue Shield of New Jersey**  
**3 Penn Plaza East PP-05S**  
**Newark, NJ 07105-2200**  
**Fax: (973) 274-2215**

You will receive an Explanation of Payment (EOP) statement from Horizon detailing the status of your account with each reimbursement.

## Family and Medical Leaves of Absence

If you take a Family and Medical Leave of Absence (FMLA Leave) from American Water, your pre-tax payroll deductions to the Health Care Flexible Spending Account will stop. You may continue to make contributions on an after-tax basis only by sending a monthly check to American Water.

## Termination/ Retirement of Employment

If you terminate or retire from American Water, your pre-tax payroll deductions to the Health Care Flexible Spending Account will stop. You may still continue to submit claims for reimbursement of expenses incurred **before** your date of termination/retirement.

Under certain circumstances, you may continue participating under COBRA and make contributions on an after-tax basis by sending a monthly check to American Water. Participants who continue to participate under COBRA will be able to submit claims for reimbursement of expenses incurred while they are participating in the Health Care Flexible Spending Account.

## *The Dependent Care Flexible Spending Account*

*The cost of caring for your dependents while you work can be more affordable when you participate in the American Water Dependent Care Flexible Spending Account.*

The Dependent Care Flexible Spending Account allows you to contribute money on a pre-tax basis to an account set up for you. These amounts can be used to reimburse you for most daycare or eldercare expenses you might incur for your qualifying dependents.

Here is an example of the potential tax savings with a Dependent Care Flexible Spending Account:

	With Account	Without Account
Annual Family Income	\$50,000	\$50,000
Minus Pre-Tax Contributions to Account	\$ 5,000	None
Taxable Income	\$45,000	\$50,000
Federal and Social Security Taxes	\$11,993	\$13,325
After-Tax Dependent Care Expenses	None	\$ 5,000
Net Disposable Income	\$33,007	\$31,675
<b>Tax Savings (Extra Take-Home Pay)</b>	<b>\$ 1,332</b>	

*Example uses tax rates of 15% federal, 4% state and 7.65% Social Security. Consult your tax advisor to determine tax savings for your particular situation.*

### **Eligibility**

If you are an eligible employee (see "Eligibility" on page 5), you are eligible to participate in the Dependent Care Flexible Spending Account as of the first day of the month following completion of one full month of continuous employment. You may enroll by completing the enrollment process (See "Enrolling for Coverage" on page 9) If you are newly hired, **you must enroll** and make your contribution election within the 31-day enrollment period. You will have the opportunity to change your elections in the fall of every year, effective for the upcoming Plan Year. You are not permitted to make changes to your election amount during the Plan Year, except under certain circumstances (see page 104).

## Qualifying Dependents

Expenses are reimbursable for care of the following qualifying dependents:

- Your child, grandchild, brother or sister who is **under age 13**, who resides in your household for more than one-half of the year, and who does not provide more than one-half of his or her own support for the year;
- A disabled spouse who resides in your household for more than one-half of the year; and
- A disabled relative or household member who is principally dependent on you for support and who resides in your household for more than one-half of the year.

In the case of a child who receives over one-half of his or her support during the calendar year from his or her parents (i) who are divorced or legally separated under a decree of divorce or separate maintenance, (ii) who are separated under a written separation agreement, (iii) who live apart at all times during the last six months of the year, (iv) who have agreed that the custodial parent will not claim the child as an income tax exemption, and (v) where such child is in the custody of one or both parents for more than one-half of the year, such child will be considered the dependent of both parents, regardless of the child's place of residence or the amount of support provided by either parent. Contact your tax advisor or refer to IRS Publication 503 (Child and Dependent Care Expenses) for more information.

## How the Account Works

When you have eligible dependent care expenses, you pay the bill and submit a reimbursement claim to Horizon, along with a copy of the bill. You can be reimbursed for these expenses from your account by filing a claim form, **assuming that you have enough money in your account**. If not, you will be reimbursed up to the amount in your account and the remainder of the claim will be held until the balance in your Dependent Care Flexible Spending Account is sufficient to cover the bill.

Keep in mind, however, that because you are contributing to the spending account through payroll deductions, you will have a period of increased expenses. You will have to pay your dependent care provider, as well as have payroll deductions, before receiving reimbursement from your account.

## How Much Can I Contribute?

You may contribute up to a maximum of \$5,000 per year (\$2,500 if married but filing a separate tax return), regardless of the actual number of qualifying dependents you have. Normally, amounts reimbursed from your Dependent Care Flexible Spending Account are tax-free to you. However, federal law states that the amount excluded from your gross income cannot exceed, in any calendar year (under all dependent care plans in which you or your spouse may participate) the lesser of:

- \$5,000 (\$2,500 if you are married and filing separate federal income tax returns);
- Your annual income; or
- Your spouse's annual income.

If your spouse is (1) a full-time student for at least five months during the year or (2) physically and/or mentally disabled, there is a special rule to determine his or her annual income. To calculate the income, determine your spouse's actual taxable income (if any) earned each month that he or she is a full-time student or disabled. Then, for each month, compare this amount to either \$250 (if you claim expenses for one dependent) or \$500 (if you claim expenses for two or more dependents). The amount you use to determine your spouse's annual income is the greater of the actual earned income or 12 times the assumed monthly income amounts of either \$250 or \$500.

If you are married and filing separate federal income tax returns, the \$2,500 limit described above will not apply if you are (1) legally separated or (2) separated for more than six months and pay for more than half of the household expenses.

By making an election under the Dependent Care Flexible Spending Account, you are representing to the Company that your contributions to the Dependent Care Flexible Spending Account are not expected to exceed these limits.

To qualify for tax-free treatment, you are required to list on your federal income tax return the name and taxpayer identification number of any person who provided you with dependent care services during the calendar year for which you have claimed a tax-free reimbursement. The identification number of a care provider who is an individual and not a care center is that individual's Social Security number. You should make your care provider aware of this reporting requirement.

*You may elect to contribute up to \$5,000 per household per year (or your or your spouse's earned wages, whichever is less) to your Dependent Care Flexible Spending Account.*

## **Determining How Much to Contribute**

In addition, your Dependent Care Flexible Spending Account contribution can never be more than your earned wages or your spouse's earned wages, whichever is less. If your spouse is a full-time student, the IRS considers him or her to be gainfully employed, with earned income of \$250 per month (if you have one qualifying dependent) or \$500 per month (if you have two or more qualifying dependents) for each month the spouse is a student. To be considered a "full-time student" as defined by the IRS, your spouse must maintain full-time status at a college or university during at least five months of the year.

The amount you elect to contribute will depend upon the amount you anticipate you will need to cover your dependent care expenses for the Plan Year (January 1 – December 31). You should compare the tax benefit you would receive with the Dependent Care Flexible Spending Account to the benefit that you would receive with the federal child and dependent care tax credit (see below), and then choose between them. For additional details about the federal tax credit, see IRS Publication 503 ("Child and Dependent Care Expenses") and IRS Tax Topic 602 ([www.irs.gov/taxtopics/tc602.html](http://www.irs.gov/taxtopics/tc602.html)). You can request a copy of Publication 503 from your local IRS office or go online at [www.irs.gov/publications/p503](http://www.irs.gov/publications/p503).

**Federal Earned Income Credit.** A tax credit available under current tax law is the earned income credit. This credit also reduces the federal tax you have to pay on a dollar-for-dollar basis, but is calculated somewhat differently from the child care credit described above. The credit is available to individuals with incomes below certain thresholds and the amount of the credit increases if you have qualified children. A qualified child is defined as a child who is under age 19 (under age 24 if a student) or who is totally and permanently disabled. The credit does not depend on the amount you pay in child care expenses. The earned income credit has no effect on the amount you can contribute under the Dependent Care Flexible Spending Account for dependent care expenses. Moreover, the use of the Dependent Care Flexible Spending Account may result in a reduction in your taxable income, thus qualifying you for the earned income credit where you would not otherwise have qualified.

## Use All the Money in Your Account

You must request reimbursement by March 31 of the following year for dependent care expenses incurred on or before December 31 of each Plan Year.

According to IRS rules, any amounts remaining in your spending account after the deadline for submitting claims for the Plan Year will be forfeited. You may not carry forward unused amounts to the next Plan Year, and you may not transfer unused amounts from the Dependent Care Flexible Spending Account to another employee or to another plan or account (such as the Health Care Flexible Spending Account). Therefore, you should plan carefully before you make your annual contribution election. Any forfeited amounts are used by American Water to reduce future administrative expenses.

## Expenses Eligible for Reimbursement

The following expenses may be reimbursed so that you, the employee (and your spouse, if you are married), can work or look for work. There is an exception to this rule if you or your spouse works part-time and the payment for care must be made on a periodic (for example, weekly or monthly) basis. In this case, expenses for both work and non-work days are eligible. If payment is made on a daily basis, expenses must be allocated between work and non-work days. Similarly, if you or your spouse is not working due to illness, and you must pay for care on a periodic basis, expenses for non-work days are eligible if the absence is considered short and temporary.

Expenses may also be reimbursed so that your spouse can attend school full-time or if your spouse is physically or mentally unable to care for himself or herself. Eligible expenses include:

*You may receive reimbursement from your account for expenses that have been incurred for services rendered during the Plan Year. In order to be reimbursed for these expenses, the taxpayer ID number or Social Security number of the provider must be submitted.*

- Qualified child or adult day care center expenses (if the center provides care for more than six non-resident persons, the center must meet state or local regulations and receives a fee for such services, whether or not for profit).
- Before-school care, after-school care, or extended day programs (supervised activities for children after the regular school program) if used to enable you and your spouse to work.
- A babysitter or companion inside or outside the home.
- A housekeeper, nanny, or au pair to the extent the expenses are for the care of a qualifying individual.
- A relative (who is not your dependent nor your child under age 19) who cares for a dependent.
- Someone who cares for an elderly or disabled dependent in your home.
- Nursery school or pre-kindergarten.

- Agency, application, deposit, or other registration fees if necessary to obtain the related care. Fees should not be reimbursed until care is provided, and fees that are forfeited (for example, because you select a different provider) do not qualify.
- Custodial expenses for a dependent over age 13, not attributable to medical services, provided the qualifying individual spends at least eight hours each day in your home.
- Summer day camp tuition (including specialty camp) or a similar program to care for a qualifying individual. Separate equipment or similar charges (e.g., a laptop rental fee) do not qualify.
- FICA and FUTA taxes of a day care provider, as long as the overall expenses of the care provider qualify.
- Late fees charged to care for the child because the child was picked up late. Late fees charged because the childcare bill was paid late do not qualify.
- Sick-child facility expenses (care to enable you to go to work when the child is ill).
- Transportation costs to and from the location where the care or program is provided, if the expense is part of the cost of the program.

### **Expenses Not Eligible for Reimbursement**

Expenses ineligible for reimbursement include the following:

- Payments for babysitters when you are not working, such as in the evening or on weekends.
- Private school tuition (except before-school and after-school care).
- Educational expenses for children in kindergarten or higher.
- Boarding school tuition.
- Overnight camp expenses.
- 24-hour-a-day nursing home expenses.
- Transportation costs to and from the location where the care or program is provided, unless the expense is part of the cost of the program.
- Expenses for food, clothing, education, or entertainment incurred for the normal care of an eligible dependent, unless these expenses are incidental and cannot be separated from the cost of care.
- Cost for care that enables your spouse to do volunteer work.

This list is intended to give you a general description of expenses not eligible for reimbursement through the spending account. There may be other expenses in addition to those listed above which are not eligible.

## Can I Change the Amount of My Contributions?

You can start, stop, or change the automatic deductions from your paycheck during the calendar year if there is a change in your dependent care provider, if there is a change in the cost of dependent care, or if your dependent no longer meets the definition of qualifying individual. Here are some examples of situations in which you can change your election:

- Change from one childcare center to another and the new center charges a different rate.
- Change in a home childcare provider, including a change in a nanny-sharing arrangement.
- A qualifying child reaches age 13 and is no longer an eligible dependent under the Dependent Care Flexible Spending Account.
- The employee marries and the new spouse has dependent children, increasing dependent care costs.
- Child of divorced parents switches residence between parents.

## Submitting Claims

You may be reimbursed from your Dependent Care Flexible Spending Account by completing a Claim for Reimbursement form, which can be downloaded from [www.horizonblue.com/fsa](http://www.horizonblue.com/fsa). You must submit the form along with proof of payment for the services (such as receipts, statements, canceled checks, etc.).

Any itemized bills that you submit should contain, at a minimum, the following information

- The dependent's name and age;
- The nature of the care provided;
- The date(s) the care was provided;
- The amount paid for the care;
- The dependent's relationship to you; and
- The name and taxpayer identification number (or Social Security number) of the care provider.

Sign and date the claim form. Attach copies of bills, invoices, or other written statements from a third party that support each reimbursement request and mail or fax to:

**Horizon Blue Cross Blue Shield of New Jersey**  
**3 Penn Plaza East PP-05S**  
**Newark, NJ 07105-2200**  
**Fax: (973) 274-2215**

Remember that you are entitled to reimbursement only *after* the care has been provided, even if you pay for dependent care in advance.

### **Family and Medical Leaves of Absence**

You will receive an Explanation of Payment (EOP) statement from Horizon detailing the status of your account with each reimbursement.

If you take a Family and Medical Leave of Absence (FMLA Leave) from American Water, your pre-tax payroll deductions to the Dependent Care Flexible Spending Account will stop. You may submit claims for reimbursement for care provided through your last day of work before your leave began.

### **Termination of Employment**

If you terminate or retire from American Water, your pre-tax payroll deductions to the Dependent Care Flexible Spending Account will stop. You may still continue to submit claims for reimbursement of expenses incurred **before** your date of termination. Expenses for care provided after your date of termination are not eligible for reimbursement. COBRA continuation coverage does not apply to the Dependent Care Flexible Spending Account.

***Disability Coverage  
(Sick Leave, STD, and LTD)***

---

## *Disability Benefits*

Disability benefits provide income protection when you are unable to work because of an extended illness or injury. American Water provides you with paid sick leave, Short Term Disability (STD), and Long Term Disability (LTD) benefits – at no cost to you.

You are eligible for disability benefits (sick leave, STD, and LTD) if you are a full-time eligible employee (see "Eligibility" on page 5). Part-time employees and temporary employees are not eligible, unless specified by state laws.

Your eligibility date is the first day of the month following completion of one full month of continuous service, provided you are then actively working or would have been able to work had you been scheduled to work that day. If you are on a layoff, on disability, or on leave of absence on your eligibility date, coverage or an increase in coverage will begin on the day you return to active full-time work for one full day.

The table on page 109 summarizes the Plan's disability benefits.

---

## *Sick Leave Policy*

Effective July 1, 2001, all then-current employees were eligible to bank their sick leave under the existing policy effective June 30, 2001. Every employee is eligible for two weeks of paid sick leave per calendar year. Employees must use their two weeks of annual sick leave before having to access sick time in their bank. The sick leave bank (which pays 100% of pay) must be used before receiving Short Term Disability (which pays 75% of pay). However, the sick time and Short Term Disability run concurrently; therefore, if you have used 15 weeks of sick time, only 37 weeks of Short Term Disability remain. Once the bank has been exhausted, it will not be reinstated. Unused sick days cannot be carried over into the next calendar year. Unused sick leave will not be paid out upon termination.

---

## ***Short Term Disability Insurance Benefits***

If you are eligible for Short Term Disability (STD) benefits and are still disabled after you exhaust your paid sick leave and sick bank, STD coverage will start paying benefits. You will receive 75% of your base pay each week for 50 weeks (unless superseded by state law), for a combined duration of 52 weeks of payments.

### **Effective August 1, 2012**

**Disabled or disability** means that, due to sickness or as a direct result of accidental injury:

- You are receiving Appropriate Care and Treatment and complying with the requirements of such treatment; and
- You are unable to earn more than 80% of your Predisability Earnings at your own occupation from any employer.

For purposes of determining whether a disability is the direct result of an accidental injury, the disability must have occurred within 90 days of the accidental injury and resulted from such injury independent of other causes.

If your occupation requires a license, the fact that you lose your license for any reason will not, in itself, constitute disability.

**Appropriate Care and Treatment** means medical care and treatment that is:

- Given by a physician whose medical training and clinical specialty are appropriate for treating your disability;
- Consistent in type, frequency, and duration of treatment with relevant guidelines of national medical research, health care coverage organizations and governmental agencies;
- Consistent with a physician's diagnosis of your disability; and
- Intended to maximize your medical and functional improvement.

### **Prior to August 1, 2012**

A "disability absence" is time lost from work because of a non-occupational injury or illness which started while you were covered under this Plan.

*Note: Short Term Disability does not begin until you have used your two weeks of sick leave and all accumulated banked sick time.*

**Example:** Tony has completed 10 years of service as of June 30, 2001. This entitles him to 10 weeks of banked sick leave. On June 30, 2011, he suffers an illness that lasts 15 weeks.

For the first two weeks, Tony will use his two weeks of sick leave at 100% of base pay.

For the next 10 weeks, Tony will use his sick leave bank at 100% of base pay.

For the next three weeks, Tony will receive 75% of his base pay under the STD plan.

If Tony's disability lasts more than 52 weeks, he would start to receive LTD benefits of 60% of his base pay for as long as he remained disabled up to age 65.

<b>Sick Leave</b>	2 weeks at 100% of pay each year
<b>Sick Bank (if available)</b>	100% of pay if you have banked sick leave remaining
<b>Short Term Disability (STD)</b>	75% of base pay, which ends when sick leave, sick bank, and STD equal 52 weeks combined
<b>Long Term Disability (LTD) BEGINS AFTER 52 WEEKS</b>	<ul style="list-style-type: none"> <li>• 100% of pay for any unused banked sick leave in excess of 50 weeks</li> <li>• 100% of pay for unused eligible vacation time at employee's discretion</li> <li>• 60% of base pay (up to \$15,000 benefit per month), with offsets, to age 65, as long as you remain disabled</li> </ul>

If your banked sick leave exceeds 52 weeks, you will continue to receive 100% of base pay until your sick leave is exhausted. Even though LTD benefits begin after 52 weeks, they are offset by your banked sick leave. Since you will already be receiving 100% of pay from American Water, you will not receive an additional check for LTD benefits (but your period of disability will be running). When your banked sick leave is exhausted, you have the option of taking any unused eligible vacation time, which will extend your 100% of pay.

Your benefit amount will be reduced by the amount of all Other Income that was actually paid to you for the same disability for which you are claiming benefits. Other Income includes the following:

- Any disability benefits for you, your spouse, or child(ren) under:
  - Federal Social Security Act;
  - Canadian Pension Plan;
  - Quebec Pension Plan;
  - Railroad Retirement Act; or

- Any similar plan or act.
- Any retirement benefits under:
  - Federal Social Security Act;
  - Canadian Pension Plan;
  - Quebec Pension Plan;
  - Railroad Retirement Act;
  - Your retirement plan; or
  - Any similar plan or act.
- Any income received for disability under:
  - A government compulsory benefit plan or program which provides payment for loss of time from your job due to your disability, whether such payment is made directly by the plan or program or through a third party (these are state plan benefits);
  - Any sick pay that the Company pays to you;
  - Workers’ Compensation or a similar law which provide periodic benefits;
  - Occupational disease laws; or
  - Any income that you receive from working while disabled to the extent that such income reduces the amount of your Weekly Benefit as described in “Work Incentive.”

**REDUCING YOUR DISABILITY BENEFIT BY AN ESTIMATED BENEFIT**

If there is reasonable, good faith belief that you are entitled to disability benefits under the following sources of Other Income, you must apply for such benefits:

- Federal Social Security Act (Primary and/or Family Benefits); and/or
- Any state compulsory/statutory benefit law.

To apply for the Other Income benefits referenced above means to pursue such benefits with reasonable diligence until you receive the respective approval from the Social Security Administration and/or the appropriate state agency or a final denial at the administrative level.

You must send proof that you have applied for such benefits. If your application for such benefits is approved, your disability benefit will be reduced by the amount actually paid to you from such source(s).

If you fail to apply for any of the above referenced Other Income benefits or pursue such benefits with reasonable diligence, and if there is a reasonable means of estimating the amount of such benefits which may become payable to you, the amount of your disability benefit will be reduced by the amount of such estimated benefits that you, your spouse, or child(ren) are eligible to receive because of your disability. This will start with the first disability benefit payment coincident with the date you were eligible to receive such benefits unless the following is received by the administrator:

- Proof that you have applied for and are pursuing such benefits with reasonable diligence;
- Approval of your claim for such benefits; or
- A notice of final denial of such benefits.

When you do receive approval or notice of final denial of the above referenced Other Income benefits, you must notify the administrator immediately so the amount of your disability benefit can be adjusted. You must promptly repay any overpayments.

Benefits start on Day 8 of a disability due to illness, including pregnancy, and on Day 1 of a disability due to injury (the Elimination Period).

#### **Prior to August 1, 2012**

You must report your case to Aetna at (866) 280-8648 if you are (or expect to be) absent from work for more than five consecutive workdays. Even if you are receiving 100% of pay, **you must register your disability with Aetna.** You will not be eligible for STD benefits for any period of time in which you are eligible to receive paid sick leave, and the combination of paid sick leave and STD benefits will not exceed 52 weeks.

#### **Effective August 1, 2012**

You must report your case to Met Life at (855) 517-8273 if you are (or expect to be) absent from work for more than five consecutive workdays. Even if you are receiving 100% of pay, **you must register your disability with MetLife.** You will not be eligible for STD benefits for any period of time in which you are eligible to receive paid sick leave, and the combination of paid sick leave and STD benefits will not exceed 52 weeks.

You must provide a doctor's certification that you are disabled and medically unable to work because of the specific condition. The Claims Administrator may request any additional evidence it believes is necessary before deciding that benefits are payable.

More than one disability absence will be part of the same period of disability:

- If it is due to the same or a related cause; and
- If it is separated by less than two consecutive weeks of full-time work.

Your Maximum Period of Payment starts over if:

- A new disability absence is due to a cause different from that of any prior disability, and
- It is separated from the prior disability by at least one day of full-time active work.

---

### ***STD Benefit Limitations***

No benefits are payable for:

- Days on which you do work for pay or profit outside American Water.
- Any period of time you are not under a doctor's care. You must have been seen in person and treated by a doctor to be deemed under his or her care.
- The date you cease or refuse to participate in a required Rehabilitation Program.

---

### ***Coverage for Occupational Illness or Injury***

This Plan pays a Weekly Benefit if you are absent from work, while covered, because of an illness or injury resulting from employment with American Water. However, the weekly benefit amount will be reduced by the weekly amount for which you are eligible for time lost under any Workers' Compensation law or any other similar law or doctrine. This benefit runs concurrently with sick leave.

---

## *Work Incentive*

Effective August 1, 2012 – If you work while you are disabled and receiving weekly benefits, your weekly benefit will not be reduced by the amount you earn from working, except to the extent that such adjusted weekly benefit plus the amount you earn from working and the income you receive from Other Income exceeds 100% of your predisability earnings as calculated in the definition of disability.

---

## *Submitting STD Claims*

To apply for benefits under the Short Term Disability Plan, contact the Claims Administrator (see page 193).

To receive disability benefits, you must file a claim within 31 days of your disability. Even if you are using sick time, **you must register your disability with the Claims Administrator.** Benefits will begin after the Elimination Period as soon as the Claims Administrator receives the information to verify your disability.

While you are receiving STD benefits, you may be required to periodically provide the Claims Administrator with additional medical information from your doctor documenting your continued disability. The Claims Administrator may also require that an appointed doctor examine you in order to verify your disability.

**It is your responsibility to provide the Claims Administrator with the requested documentation supporting your claim. Otherwise, your benefits will stop.**

---

## ***Long Term Disability (LTD) Benefits***

### **Waiting Period**

If you remain disabled after exhausting your paid sick leave and STD benefits, you are eligible to receive LTD benefits. You will receive a scheduled Monthly Benefit equal to a percentage of your predisability earnings.

The Waiting Period before LTD benefits begin is the greater of:

- The first 52 weeks of a period of disability; and
- The period of time when disability benefits are payable from any Short Term Disability benefits or salary continuation program sponsored by the Company . This could occur if banked sick time exceeds 52 weeks.

### **Scheduled Monthly Benefit**

The monthly LTD benefit is 60% of your monthly predisability earnings. Benefits will be reduced by “Other Income benefits,” as described on page 122.

The maximum monthly LTD benefit is \$15,000.

***Note:** Provisions of the Long Term Disability Plan identified as effective prior to August 1, 2012 shall apply to all disabilities where the period of disability began prior to August 1, 2012. Provisions identified as effective as of August 1, 2012 shall apply only to disabilities where the period of disability begins on or after August 1, 2012.*

---

## ***Long Term Disability***

### **Prior to August 1, 2012**

For purposes of receiving LTD benefits, you are deemed to be totally disabled if, in the first 24 months of a period of disability:

- You are unable to perform all the material duties of your regular occupation, because of injury or disease. If you start work at a reasonable occupation, you will no longer be deemed totally disabled.
- After disability benefits have been paid for 24 months, you are unable to perform all the duties of any occupation that you may reasonably become qualified based on education, training, or experience, or only because of injury or disease you are unable to earn more than 80% of your adjusted predisability earnings.

You will not be deemed to be performing the material duties of your own occupation or working at a reasonable occupation on any day if:

- You are not performing all of the material duties of your own occupation or you are working at any occupation (full-time or part-time); and
- Solely due to disease or injury, your income from either your own occupation or any occupation is 80% or less of your adjusted predisability earnings.

“Reasonable occupation” is any gainful activity for which you are, or may reasonably become, suited because of your education, training, or experience. It does not include work under an Approved Rehabilitation Program. This determination will be made by Aetna in its sole discretion.

**Effective August 1, 2012**

Disabled or Disability means that, due to sickness or as a direct result of accidental injury:

- You are receiving Appropriate Care and Treatment and complying with the requirements of such treatment; and
- You are unable to earn:
  - During the Elimination Period and the next 24 months of sickness or accidental injury, more than 80% of your Predisability Earnings at your own occupation from any employer in your local economy; and
  - After such period, more than 80% of your Predisability Earnings from any employer in your local economy at any gainful occupation for which you are reasonably qualified taking into account your training, education, and experience.

For purposes of determining whether a disability is the direct result of an accidental injury, the disability must have occurred within 90 days of the accidental injury and resulted from such injury independent of other causes.

**Effective August 1, 2012** – If you are disabled and have received a Monthly Benefit for 12 months, MetLife will adjust your Predisability Earnings only for the purposes of determining whether you continue to be disabled and for calculating the return-to-work incentive, if any. MetLife will make the initial adjustment as follows:

MetLife will add to your Predisability Earnings an amount equal to the product of:

- Your Predisability Earnings times
- The lesser of:
  - 10%; or
  - The annual rate of increase in the Consumer Price Index for the prior calendar year.

Annually thereafter, MetLife will add an amount to your adjusted Predisability Earnings calculated by the method set forth above but substituting your adjusted Predisability Earnings from the prior year for your Predisability Earnings. *This adjustment is not a cost-of-living benefit.*

If your occupation requires a license, the fact that you lose your license for any reason will not, in itself, constitute disability.

A period of “disability” begins on the first day you are disabled as a direct result of a significant change in your physical or mental condition that happens while you are covered under this Plan.

## When Disability Period Begins

### **Prior to August 1, 2012**

You must be under the care of a doctor. (You will not be deemed to be under the care of a doctor on any given day unless your doctor has seen and treated you in person for the disease or injury that caused the total disability in the prior 31-day period.)

### **Effective August 1, 2012**

You must be receiving Appropriate Care and Treatment for your disability.

**Appropriate Care and Treatment** means medical care and treatment that is:

- Given by a physician whose medical training and clinical specialty are appropriate for treating your disability;
- Consistent in type, frequency, and duration of treatment with relevant guidelines of national medical research, health care coverage organizations, and governmental agencies;
- Consistent with a physician’s diagnosis of your disability; and
- Intended to maximize your medical and functional improvement.

## When Disability Period Ends

Your period of disability ends on the first to occur of:

- The date you are not totally disabled.
- The date you start work at a reasonable occupation.
- The date you fail to give proof that you are still totally disabled.
- The date you refuse to be examined.
- The date you cease to be under a doctor's care.
- The expiration date of the Maximum Benefit Duration shown on the Summary of Coverage.
- The date you have income from any employer or from any occupation for compensation or profit equal to more than 80% of your adjusted predisability earnings (prior to August 1, 2012 only).
- The date you fail to give proof of your disability.
- The date of your death.
- The day after the Claims Administrator determines you are able to participate in an Approved Rehabilitation Program and you refuse to do so.

### **Prior to August 1, 2012**

A period of total disability will end after 24 Monthly Benefits are payable if it is determined that the disability is, at that time, caused to any extent by a mental condition (including conditions related to alcoholism or drug abuse) described in the most current edition of the Diagnostic and Statistical Manual of Mental Disorders (called "DSM"), published by the American Psychiatric Association.

Two exceptions to this rule apply if you are confined as an inpatient in a hospital or treatment facility (see "Types of Facility" on page 135) for that condition at the end of the 24 months.

- If the inpatient confinement lasts less than 30 days, the period of total disability will cease when you are no longer confined.
- If the inpatient confinement lasts 30 days or more, the period of total disability may continue until the date you have not been confined for that condition for a total of 90 days during any 12-month period.

### **Effective August 1, 2012**

**For Disabilities Due to Alcohol, Drug or Substance Abuse or Addiction, and Mental or Nervous Disorders or Diseases**

If you are disabled due to alcohol, drug, or substance abuse addiction or a Mental or Nervous Disorder or Disease, the limit to your disability benefits to a lifetime maximum equal to the lesser of:

- 24 months; or
- The Maximum Benefit Period.

**Effective August 1 2012**

If your disability is due to alcohol, drug, or substance addiction, you are required to participate in an alcohol, drug or substance addiction recovery program recommended by a physician. Your disability benefit payments will end at the earliest of the period described above or the date you cease, refuse to participate, or complete such recovery program.

If you are confined in a Hospital or Mental Health Facility at the end of the period shown above for which benefits are to be paid, your Monthly Benefits will continue until the end of your Hospital or Mental Health Facility confinement.

The Claims Administrator will determine if a disability is the result of a Mental or Nervous Disorder or Disease.

This limitation will not apply to a disability resulting from:

- Schizophrenia;
- Dementia; or
- Organic brain disease.

For purposes of this provision, Mental Health Facility means a facility licensed in the jurisdiction in which it is located to provide care and treatment for a Mental or Nervous Disorder or Disease. Such facility must provide care on a 24-hour-a-day basis under the supervision of a staff of physicians, and must provide a broad range of nursing care on a 24-hour-a-day basis by or under the direction of a registered professional nurse.

**Mental or Nervous Disorder or Disease** means a medical condition which meets the diagnostic criteria set forth in the most recent edition of the *Diagnostic and Statistical Manual of Mental Disorders* as of the date of your disability. A condition may be classified as a Mental or Nervous Disorder or Disease regardless of its cause.

The “Separate Periods of Disability” section below does not apply beyond 24 months to periods of disability that are subject to the above paragraph.

## Separate Periods of Disability

Once a period of total disability has ended, any new period of disability will be treated separately.

However, two or more separate periods of disability, due to the same or related causes and separated by less than six months, will be deemed to be one period of disability. Only one Waiting Period will apply.

Any day on which, solely due to disease or injury, your income is less than or equal to 80% of your adjusted predisability earnings, you will not, on that day, be deemed to be working at:

- Your own occupation; or
- Any reasonable occupation.

The first period will not be included if it began while you were not covered under this LTD Plan.

### **Prior to August 1, 2012**

**Rehabilitation Program** means a program of physical, mental or vocational rehabilitation which:

- Is expected to result in maximizing your employability; and
- Is approved, in writing, by the Claims Administrator.

The approval will be based on medical evidence and your potential for return to your own occupation or a reasonable occupation. A rehabilitation program will cease to be an approved rehabilitation program on the earliest to occur of:

- The date you are able to perform the material duties of your own occupation or work at any other reasonable occupation; or
- The date the Claims Administrator withdraws, in writing, its approval of the program.

### **Effective August 1, 2012**

**Rehabilitation program** means a program that has been approved by the Claims Administrator for the purpose of helping you return to work. It may include, but is not limited to, your participation in one or more of the following activities:

- Return to work on a modified basis with a goal of resuming employment for which you are reasonably qualified by training, education, experience, and past earnings;
- On-site job analysis;
- Job modification/accommodation;
- Training to improve job-seeking skills;

## Rehabilitation Program

- Vocational assessment;
- Short-term skills enhancement;
- Vocational training; or
- Restorative therapies to improve functional capacity to return to work.

### **Rehabilitation Program Incentive**

**Effective August 1, 2012** – If you participate in a rehabilitation program, the Claims Administrator will increase your Monthly Benefit by an amount equal to 10% of the Monthly Benefit. The Claims Administrator will do so before your Monthly Benefit is reduced by any Other Income. The available incentives are listed below.

### **Work Incentive**

While you are disabled, you are encouraged to work. If you work while you are disabled and receiving Monthly Benefits, your Monthly Benefit will be adjusted as follows:

- Your Monthly Benefit will be increased by your Rehabilitation Program, if any; and
- Reduced by Other Income as defined in the “Other Income” section.

Your Monthly Benefit as adjusted above will not be reduced by the amount you earn from working, except to the extent that such adjusted Monthly Benefit plus the amount you earn from working and the income you receive from Other Income exceeds 100% of your Predisability Earnings as calculated in the definition of disability.

In addition, the Minimum Monthly Benefit will not apply.

### **Limit on Work Incentive**

After the first 24 months following your Elimination Period, the Claims Administrator will reduce your Monthly Benefit by 50% of the amount you earn from working while disabled.

### **Family Care Incentive**

If you work or participate in a Rehabilitation Program while you are Disabled, the Claims Administrator will reimburse you for up to \$400 for monthly expenses you incur for each family member to provide:

- Care for your or your spouse's child, legally adopted child, or child for whom you or your spouse are legal guardian and who is:
  - Living with you as part of your household;
  - Dependent on you for support; and
  - Under age 13.

The child care must be provided by a licensed child care provider who may not be a member of your immediate family or living in your residence.

- Care for your family member who is:
  - Living with you as part of your household;
  - Chiefly dependent on you for support; and
  - Incapable of independent living, regardless of age, due to mental or physical handicap as defined by applicable law.

Care to your family member may not be provided by a member of your immediate family.

The Claims Administrator will make reimbursement payments to you on a monthly basis starting with the first Monthly Benefit payment until you have received 24 Monthly Benefit payments. Payments will not be made beyond the Maximum Benefit Period. The Claims Administrator will not reimburse you for any expenses for which you are eligible for payment from any other source. You must send proof that you have incurred such expenses.

### **Moving Expense Incentive**

If you participate in a Rehabilitation Program while you are disabled, the Claims Administrator may reimburse you for expenses you incur in order to move to a new residence recommended as part of such Rehabilitation Program. Such expenses must be approved by the Claims Administrator in advance.

You must send proof that you have incurred such expenses for moving.

The Claims Administrator will not reimburse you for such expenses if they were incurred for services provided by a member of your immediate family or someone who is living in your residence.

## *Other Income Benefits*

### **Other Income Benefits Which Reduce Your Monthly LTD Benefit**

Other income benefits are:

- 50% of any award provided under the Jones Act or the Maritime Doctrine of Maintenance, Wages and Cure.
- Disability, retirement, or unemployment benefits required or provided for under any law of a government. Examples are:
  - Unemployment compensation benefits.
  - Temporary or permanent, partial or total disability benefits under any state or federal Workers' Compensation law or any similar law, which are meant to compensate the worker for any one or more of the following: loss of past and future wages; impaired earning capacity; lessened ability to compete in the open labor market; any degree of permanent impairment; and any degree of loss of bodily function or capacity.
  - Automobile no-fault wage replacement benefits to the extent required by law.
  - Statutory disability benefits.
  - Benefits under the Federal Social Security Act, the Railroad Retirement Act, the Canada Pension Plan, and the Quebec Pension Plan, retirement benefits under your retirement plan, any similar plan or act.
  - Veterans' benefits.
- Disability or unemployment benefits under:
  - Any group insurance plan.
  - Any other type of coverage for persons in a group. This includes both plans that are insured and those that are not.
- Full retirement benefits for which you are or may become eligible under a group pension plan at the later of age 62 and the plan's normal retirement date, but only to the extent that such benefits were paid for by an employer.
- Retirement benefits received under any group pension plan, but only to the extent that such benefits were paid for by an employer.
- Disability payments that result from the act or omission of any person whose action caused your disability. These payments may be from insurance or other sources.
- Disability benefits under any group mortgage or group credit disability plan.

- Other income benefits include those payable to you, your spouse, your children, or your eligible spouse, same-sex domestic partner, or child(ren), due to your disability or retirement.
- Any income that you receive from working while disabled to the extent that such income reduces the amount of your Weekly Benefit as described in “Work Incentives” (prior to August 1, 2012 only).

Increases in the level of “Other Income benefits” due to the following **will reduce** your monthly LTD benefits:

- A change in the number of your family members;
- A recomputation or recalculation to correct or adjust your benefit level as first established for the period of total disability; or
- A change in the severity of your disability.

### **REDUCING YOUR DISABILITY BENEFIT BY AN ESTIMATED BENEFIT**

If there is reasonable, good faith belief that you are entitled to disability benefits under the following sources of Other Income, you must apply for such benefits:

- Federal Social Security Act (Primary and/or Family Benefits); and/or
- Any state compulsory/statutory benefit law.

To apply for the Other Income benefits referenced above means to pursue such benefits with reasonable diligence until you receive the respective approval from the Social Security Administration and/or the appropriate state agency or a final notice of denial at the administrative level.

You must send proof that you have applied for such benefits. If your application for such benefits is approved, your disability benefit will be reduced by the amount actually paid to you from such source(s).

If you fail to:

- Apply for any of the above referenced Other Income benefits; or
- Pursue such benefits with reasonable diligence, and if there is a reasonable means of estimating the amount of such benefits which may be payable to you, the amount of your disability benefit will be reduced by the amount of such estimated benefits that you, your spouse or child(ren) are eligible to receive because of your disability. This will start with the first disability benefit payment coincident with the date you were eligible to receive such benefits unless the following is received by the Claims Administrator:
  - Proof that you have applied for and are pursuing such benefits with reasonable diligence;
  - Approval of your claim for such benefits; or
  - A notice of final denial of such benefits.

When you do receive approval or notice of final denial of the above referenced Other Income benefits, you must notify the administrator immediately so the amount of your disability benefit can be adjusted. You must promptly repay any overpayments.

### **Effect of Cost-of-Living Increases**

Cost-of-living increases in the level of Other Income benefits received from a governmental source during a period of total disability **will not reduce** your monthly LTD benefits.

Cost-of-living or general increases in the level of Other Income benefits from a **non**-governmental source during a period of total disability **will not reduce** your monthly LTD benefits to the extent they are based on the annual average increase in the Consumer Price Index.

### **Increases in Other Income Benefits Which Do Not Reduce Your Monthly Benefit**

The amount of any retirement or disability benefits you were receiving from the following sources before the date you become disabled under this LTD Plan **will not reduce** your Monthly Benefits:

- A military and other government service pensions;
- Retirement benefits from a prior employer; and
- Veterans' benefits for service related disabilities.

The amount of any income or other benefits you receive from the following sources **will not reduce** your Monthly Benefits:

- Profit-sharing plans;
- Thrift plans;
- 401(k) plans;
- Keogh plans;
- Employee stock option plans; or
- Tax sheltered annuity plans.

---

### *Predisability Earnings*

This is the amount of salary or wages you were receiving from American Water on the day before a period of disability started, calculated on a monthly basis.

It will be figured from whichever rule below applies to you:

- If you are paid on an annual basis, your monthly salary is 1/12th of your annual salary.
- If you are paid on an hourly basis, the calculation of your monthly wages is based on your hourly pay rate multiplied by the number of hours you are regularly scheduled to work per month; but not more than 173 hours per month.
- If you do not have regular work hours, the calculation of your monthly salary or wages is based on the average number of hours you worked per month during the last 12 calendar months (or during your period of employment if fewer than 12 months); but not more than 173 hours per month.

### **What's Included in Salary or Wages**

Included in salary or wages are:

- Pre-tax contributions you make under the Medical Plan, Dental/Vision Plan, Health Care Flexible Spending Account, or Dependent Care Flexible Spending Account.
- Salary deferrals you make under an American Water 401(k) Plan.
- Salary deferrals you make under an executive nonqualified deferred compensation agreement.

## **What's Not Included in Salary or Wages**

Not included in salary or wages are:

- Awards and bonuses.
- Overtime pay.
- Contributions made by the Company to any deferred compensation arrangement or pension plan.

A retroactive change in your rate of earnings will not result in a retroactive change in coverage.

---

## ***Benefit Adjustment During Return to Work***

Prior to August 1, 2012, if while Monthly Benefits are payable, you have income from:

- Any employer; or
- Any occupation for compensation or profit, which is more than 20% of your adjusted predisability earnings; the Monthly Benefit as figured above will be adjusted as follows:
- During the first 12 months that you have such income, the Monthly Benefit will be reduced only to the extent the amount of that income and the Monthly Benefit payable, as figured above, exceeds 100% of your adjusted predisability earnings.
- Thereafter, the Monthly Benefit will be the product of the following:

(A divided by B) x C where:

A = Your adjusted predisability earnings minus such income.

B = Your adjusted predisability earnings.

C = The Monthly Benefit figured without regard to this paragraph.

In figuring the Monthly Benefit, Other Income benefits do not include income from any employer or income from any occupation for compensation or profit.

## *Maximum Benefit Duration*

Your period of disability will end as follows (unless it ends earlier for one or more of the reasons stated elsewhere in this SPD):

Effective August 1, 2012

- If your period of total disability starts before your 60<sup>th</sup> birthday, it will end with the calendar month in which you reach age 65.
- If your period of total disability starts on or after your 60<sup>th</sup> birthday, it will end when the number of months of total disability expire (after the Waiting Period is met) as figured from the following schedule:

### **Maximum Benefit Duration Schedule**

<b>Age When Period of Total Disability Starts</b>	<b>Months of Total Disability</b>
60 but less than 61	60 months
61 but less than 62	48 months
62 but less than 63	42 months
63 but less than 64	36 months
64 but less than 65	30 months
65 but less than 66	24 months
66 but less than 67	21 months
67 but less than 68	18 months
68 but less than 69	15 months
69 and over	12 months

### **Prior to August 1, 2012**

- If your period of total disability starts before your 62<sup>nd</sup> birthday, it will end with the calendar month in which you reach age 65.
- If your period of total disability starts on or after your 62<sup>nd</sup> birthday, it will end when the number of months of total disability expire (after the Waiting Period is met) as figured from the following schedule:

**Maximum Benefit Duration Schedule**

<b>Age When Period of Total Disability Starts</b>	<b>Months of Total Disability</b>
62 but less than 63	42 months
63 but less than 64	36 months
64 but less than 65	30 months
65 but less than 66	24 months
66 but less than 67	21 months
67 but less than 68	18 months
68 but less than 69	15 months
69 and over	12 months

---

***Pregnancy Coverage***

Benefits are payable on the same basis as for a disease if a female employee, while covered under this Plan, is absent from active work because of a totally disabling pregnancy-related condition. A doctor must certify in writing that the employee is totally disabled because of the condition. Further, Aetna may request additional evidence before deciding that benefits are payable.

If, during the three months before coverage began, services are provided or supplies are received in connection with a pregnancy or a pregnancy is confirmed, the pregnancy is a pre-existing condition whether or not the pregnancy commenced during that three-month period.

---

***Adjustment Rule***

If, for any reason, you are entitled to a different amount of coverage, coverage will be adjusted as provided elsewhere in the plan document on file with your Company.

Benefits for claims incurred after the date the adjustment becomes effective are payable in accordance with the revised plan provisions. In other words, there are no vested rights to benefits based upon provisions of this Plan in effect prior to the date of any adjustment.

---

## ***Limitations That Apply to Long Term Disability Coverage***

Long Term Disability coverage does not cover any disability that results from:

- Insurrection, rebellion, or terrorist act;
- Your active participation in a riot;
- Intentionally self-inflicted injury;
- Attempted suicide; or
- Commission of or attempt to commit a felony
- Starts during the first 12 months of your current Long Term Disability coverage, if it is caused or contributed to by a "pre-existing condition." A disease or injury is a pre-existing condition if, during the three months before the date you last became covered:
  - It was diagnosed or treated;
  - Services were received for the disease or injury; or
  - You took drugs or medicines prescribed or recommended by a doctor for that condition.

In the case of pregnancy, see "Pregnancy Coverage" on page 128 for rules.

On any day during a period of disability that a person is confined in a penal or correctional institution for conviction of a criminal or other public offense, the person will not be deemed to be totally disabled; and no benefits will be payable.

---

## *When LTD Coverage Ends*

LTD coverage ends at the first to occur of:

- When employment ceases except as defined below.
- When the group contract terminates as to the coverage.
- When you are no longer an eligible employee (see "Eligibility" on page 5).

Ceasing active work will be deemed to be cessation of employment. If you are not at work due to one of the following, employment may be deemed to continue up to the limits shown below.

- If you are not at work due to disease or injury, your employment may be continued until stopped by the Company.
- If you are not at work due to temporary lay-off or leave of absence, your employment will be deemed to cease on your last full day of active work before the start of the layoff or leave of absence.

If your coverage ends during a period of total disability which began while you had coverage, benefits will be available as long as your period of total disability continues.

### **Coverage After Termination**

---

## *Survivor Benefit*

Effective August 1, 2012 – If you die while you are disabled and you were entitled to receive Monthly Benefits, proof of your death must be sent to MetLife. When MetLife receives such proof, you will receive the benefit described in this section.

### **Benefit Amount**

The benefit amount will be equal to three times the lesser of:

- The Monthly Benefit you receive for the calendar month immediately preceding your death;
- The Monthly Benefit you receive for the calendar month immediately preceding your terminal illness if your Monthly Benefit amount was increased due to your terminal illness; or
- The Monthly Benefit you were entitled to receive for the month you die, if you die during the first month that Monthly Benefits are payable.

MetLife will reduce the benefit amount by any overpayment they are entitled to recover.

Prior to August 1, 2012

If you die while totally disabled, the LTD Plan will pay a single, lump sum benefit if there is an Eligible Survivor as defined below.

The benefit amount will be:

- Three times the Monthly Benefit, not reduced by Other Income benefits, for which you were eligible in the full month just before the month in which you die.

If you die before you are eligible for one full Monthly Benefit, however, the benefit will be:

- Three times the Monthly Benefit, not reduced by Other Income benefits, for which you would have been eligible if you had not died, for the first full month after the month in which you die.

## **Eligible Survivor**

An Eligible Survivor is:

- Your legally married spouse or same-sex domestic partner at the date of your death.
- If there is no such spouse or same-sex domestic partner, your biological or legally adopted child who, when you die:
  - Is not married;
  - Is depending mainly on you for support; and
  - Is under age 25. This age limit will not apply if the child is not capable of self-sustaining employment because of mental or physical handicap which existed before age 25.

## **Payment of Survivor Benefits**

The benefit will be paid as soon as the necessary written proof of your death and total disability status is received.

The benefit will be paid to your eligible surviving spouse, if any. Otherwise, it will be paid in equal shares to your eligible surviving children.

The Claims Administrator, in its capacity as the provider of administrative services to this Plan, may pay the benefit to anyone who, in the Claims Administrator's MetLife's opinion, is caring for and supporting the eligible survivor; or, if proper claim is made, to an eligible survivor's legally appointed guardian or committee.

---

## *Assignment of Insurance*

Coverage may be assigned only with the consent of the Claims Administrator.

---

## *How and When To Report Your LTD Claim*

You are required to submit a claim to the Claims Administrator. If the Claims Administrator requires that claim forms be submitted, they may be obtained from Aetna. Your claim must give proof of the nature and extent of the loss. The Claims Administrator may require copies of documents to support your claim, including data about any Other Income benefits. You must also provide the Claims Administrator with authorizations to allow it to investigate your claim and your eligibility for and the amount of Other Income benefits.

You must furnish such true and correct information as the Claims Administrator may reasonably request.

The deadline for filing a claim for benefits is 90 days after the end of the Waiting Period. If, through no fault of your own, you are unable to meet the deadline for filing a claim, your claim will be accepted if you file as soon as possible; but not later than one year after the deadline unless you are legally incapacitated. Otherwise, late claims will not be covered.

The Claims Administrator has the right to require proof of the following:

- You, your eligible spouse, same-sex domestic partner, or child has made application for all Other Income benefits which you or they are, or may be, eligible to receive relative to your disability and has made a timely appeal of any denial through the highest administrative level. Timely appeal means making such an appeal as required, but in no case later than 60 days from the latest denial;
- The person has furnished proofs needed to obtain Other Income benefits.
- The person has not waived any Other Income benefits without the Claims Administrator's written consent.
- The person has sent copies of documents to the Claims Administrator showing the effective dates and the amounts of Other Income benefits.

The Claims Administrator also requires:

- Proof of income you receive from any occupation for compensation or profit; and
- If your income from any such occupation is 80% or less of your adjusted predisability earnings, proof that you are unable, due to disease or injury, to earn more than 80% of your adjusted predisability earnings.

In addition to the above, for purposes of federal Social Security, when a timely application for benefits has been made and denied, a request for reconsideration must be made within 60 days after the denial, unless the Claims Administrator states, in writing, that it does not require you to do so. Also, if the reconsideration is denied, an application for a hearing before an Administrative Law Judge must be made within 60 days of that denial unless the Claims Administrator relieves you of that obligation.

You do not have to apply for:

- Retirement benefits paid only on a reduced basis; or
- Disability benefits under group life insurance if they would reduce the amount of group life insurance;

However, if you do apply for and receive these benefits, they will be deemed to be Other Income benefits for which proof is required.

If you do not furnish proof of Other Income benefits, your benefits may be suspended or adjusted by the estimated amount of such Other Income benefits.

---

## ***How Benefits Will Be Paid***

### **Prior to August 1, 2012**

Benefits will be paid to you at the end of each calendar month during the period for which benefits are payable. If a Monthly Benefit would be less than \$10, the Claims Administrator may make payments less often. They may be made on a quarterly, semi-annual, or annual basis. Benefits for a period of less than a month will be prorated. This will be done on the basis of the ratio, to 30 days, of the days of eligibility for benefits during the month.

The Claims Administrator, in its capacity as the provider of administrative services to this Plan, may pay up to \$1,000 of any benefit to any of your relatives whom it believes to be fairly entitled to it. This can be done if the benefit is payable to you and you are a minor or unable to give a valid release. It can also be done if a benefit is payable to your estate.

**Effective August 1, 2012**

If your claim is approved, benefits will begin to accrue on the day after you complete your Elimination Period. Your first benefit payment will be paid one month after your Long Term Disability benefits began to accrue. Subsequent monthly payments will be made thereafter. Payment will be based on the number of days you are disabled during each month and will be prorated for any partial month of disability.

If you die, any unpaid benefits will be paid as described in the Survivor Benefit section.

---

***Examinations and Evaluations***

The Claims Administrator will have the right and opportunity to examine and evaluate any person who is the basis of any claim at all reasonable times while that claim is pending or payable. This will be done at the Plan's expense.

---

***Legal Action***

No legal action can be brought to recover under any benefit after three years from the deadline for filing claims.

The Claims Administrator will not try to reduce or deny a benefit payment on the grounds that a condition existed before a person's coverage went into effect, if the loss occurs more than two years from the date coverage commenced. This will not apply to conditions excluded from coverage on the date of the loss.

---

## *Recovery of Overpayments*

If payments are made in amounts greater than the benefits that you are entitled to receive, the Claims Administrator, in its capacity as the provider of administrative services to this Plan, has the right to do any one or all of the following:

- To require you to return the overpayment on request;
- To stop payment of benefits until the overpayment is recovered;
- To take any legal action needed to recover the overpayment; and
- To place a lien, if not prohibited by law, in the amount of the overpayment on the proceeds of any Other Income, whether on a periodic or lump sum basis.

---

## *Types of Facility*

### **Hospital**

This is an institution that:

- Mainly provides, on an inpatient basis, diagnostic and therapeutic facilities for surgical and medical diagnosis, treatment, and care of injured and sick persons;
- Is supervised by a staff of doctors;
- Provides 24-hour-a-day registered nursing (RN) service; and
- Is not mainly a place for rest, for the aged, for drug addicts, for alcoholics, or a nursing home.

An institution which does not provide complete surgical services, but which meets all the other tests listed above, will also be deemed a hospital if:

- It provides services chiefly to patients all of whom have conditions related either by a medical specialty field or a specific disease category; and
- While confined, the patient is under regular therapeutic treatment by a doctor for the injury or disease.

### **Treatment Facility**

This is an institution (or distinct part thereof) that is for the treatment of alcoholism or drug abuse and which meets fully every one of the following tests:

- It is primarily engaged in providing on a full-time inpatient basis, a program for diagnosis, evaluation, and treatment of alcoholism or drug abuse.
- It provides all medical detoxification services on the premises, 24 hours a day.
- It provides all normal infirmary-level medical services required during the treatment period, whether or not related to the alcoholism or drug abuse, on a 24-hour daily basis. Also, it provides, or has an agreement with a hospital in the area to provide, any other medical services that may be required during the treatment period.
- On a continuous 24-hour daily basis, it is under the supervision of a staff of doctors, and provides skilled nursing services by licensed nursing personnel under the direction of a full-time registered graduate nurse.
- It prepares and maintains a written individual plan of treatment for each patient based on a diagnostic assessment of the patient's medical, psychological, and social needs with documentation that the plan is under the supervision of a doctor.
- It meets any applicable licensing standards established by the jurisdiction in which it is located.

## ***Third Party Liability and Subrogation***

### **General Principle**

When you receive disability benefits under the Plan which are related to disabilities for which benefits are payable under Workers' Compensation, any statute, any uninsured or underinsured motorist program, any no fault or school insurance program, any other insurance policy or any other plan of benefits, or when related expenses that arise through an act or omission of another person are paid by a third party, whether through legal action, settlement or for any other reason, you or your eligible spouse, same-sex domestic partner, or child(ren) shall reimburse the Plan for the related benefits received out of any funds or monies you recover from any third party.

**Specific Requirements and Plan Rights**

Because the Plan is entitled to reimbursement, the Plan shall be fully subrogated to any and all rights, recovery, or causes of actions or claims that you may have against any third party. The Plan is granted a specific and first right of reimbursement from any payment, amount, or recovery from a third party. This right to reimbursement is regardless of the manner in which the recovery is structured or worded, and even if you have not been paid or fully reimbursed for all damages or expenses.

The Plan's share of the recovery shall not be reduced because the full damages or expenses claimed have not been reimbursed, unless the Plan agrees in writing to such reduction. Further, the Plan's right to subrogation or reimbursement will not be affected or reduced by the "make whole" doctrine, the "fund" doctrine, the "common fund" doctrine, comparative/contributory negligence, "collateral source" rule, "attorney's fund" doctrine, regulatory diligence, or any other equitable defenses that may affect the Plan's right to subrogation or reimbursement.

The Plan may enforce its subrogation or reimbursement rights by requiring you to assert a claim to any of the benefits to which you may be entitled. The Plan will not pay attorneys' fees or costs associated with the claim or lawsuit without express written authorization from the Company.

If the Plan should become aware that you have received a third party payment, amount, or recovery and not reported such amount, the Plan, in its sole discretion, may suspend all further benefits payments related to you or your eligible spouse, same-sex domestic partner, or child(ren) until the reimbursable portion is returned to the Plan or offset against amounts that would otherwise be paid to or on behalf of you.

**Participant Duties and Actions**

By participating in the Plan you consent and agree that a constructive trust, lien, or equitable lien by agreement in favor of the Plan exists with regard to any settlement or recovery from a third person or party. In accordance with that constructive trust, lien, or equitable lien by agreement, you agree to cooperate with the Plan in reimbursing it for Plan costs and expenses.

Once you have any reason to believe that you may be entitled to recovery from any third party, you must notify the Plan. And, at that time, you (and your attorney, if applicable) must sign a subrogation/reimbursement agreement that confirms the prior acceptance of the Plan's subrogation rights and the Plan's right to be reimbursed for expenses arising from circumstances that entitle you to any payment, amount, or recovery from a third party.

If you fail or refuse to execute the required subrogation/reimbursement agreement, the Plan may deny payment of any benefits to you and your eligible spouse or same-sex domestic partner and child(ren) until the agreement is signed. Alternatively, if you fail or refuse to execute the required subrogation/reimbursement agreement and the Plan nevertheless pays benefits to or on behalf of you, your acceptance of such benefits shall constitute agreement to the Plan's right to subrogation or reimbursement.

You consent and agree that you shall not assign your rights to settlement or recovery against a third person or party to any other party, including their attorneys, without the Plan's consent. As such, the Plan's reimbursement will not be reduced by attorneys' fees and expenses without express written authorization from the Plan.

## *Life Insurance Benefits*

---

## *Life Insurance Benefits*

American Water helps you provide financial security for your family in the event of your death. You also have coverage in case of a specific accidental injury, or if you die as the result of an accident.

In addition to the coverage provided to you at no cost by American Water, you also have the option of buying supplemental Life Insurance coverage for you or your eligible dependents.

The following table summarizes the Plan's Life Insurance benefits:

<b>Basic Life</b>	1.5 times your base pay* (maximum benefit \$200,000)
<b>Accidental Death and Dismemberment</b>	1.5 times your base pay* (maximum benefit \$200,000)
<b>Voluntary Life</b>	1, 2, or 3 times your base pay* (maximum benefit \$1,000,000)
<b>Voluntary Dependent Life</b>	\$20,000 (spouse or same-sex domestic partner) and \$10,000 per dependent child

*\*Rounded up to the next higher \$1,000*

---

## *Eligibility*

If you are a full-time eligible employee (see "Eligibility" on page 5), you are eligible to participate in American Water Life Insurance Benefit Plan. Your eligibility participation date is the first day of the month following completion of one full month of continuous service with the Company, provided you are then actively working or would have been able to work had you been scheduled to work that day. If you are on a layoff, on disability, or on leave of absence on your eligibility date, coverage or an increase in coverage will begin on the day you return to active work.

---

## ***Basic Life Insurance***

Your Company-paid Life Insurance amount is equal to 1.5 times your base pay (base pay does not include commissions, overtime, bonus pay, or any other special pay), rounded to the next higher \$1,000. The maximum benefit is \$200,000.

Your Life Insurance amount will increase automatically with salary increases. If you are an hourly-paid employee, your Life Insurance benefit is calculated based on your normally scheduled hours, excluding overtime.

This is an insured plan underwritten by MetLife. The provisions of the Plan will remain effective only while you are covered under the group contract.

---

## ***Imputed Income***

Federal law requires you to pay income taxes on the value of Company-provided group term Life Insurance coverage on your life (but not Voluntary Life Insurance) that exceeds \$50,000. Therefore, you have additional income called “imputed income” that is included in your annual compensation for income tax withholding and Social Security purposes. You do not actually receive additional income in your paycheck. The imputed income amount is determined by the IRS using age-related rates.

### **Accelerated Death Benefits**

If you (or your spouse or same-sex domestic partner, if enrolled in voluntary dependent coverage) become terminally ill while covered under the Life Insurance Plan, you may request that MetLife pay an Accelerated Death Benefit.

“Terminally ill” is defined as a person who:

- Suffers from an incurable, progressive, and medically recognized disease or condition; and
- To a reasonable medical probability and based on generally accepted protocols, will not survive longer than six months.

You may request an Accelerated Death Benefit on your own behalf or on behalf of your spouse or same-sex domestic partner (if enrolled in voluntary dependent coverage) at any time by completing a MetLife Request for Accelerated Death Benefit Form and submitting it to MetLife. The request must include the statement of a currently licensed United States doctor that you or your spouse or same-sex domestic partner is terminally ill.

The doctor's statement must include:

- All medical test results;
- Laboratory reports; and
- Any other information on which the statement is based, including the generally accepted protocols used by the doctor to determine the person's expected remaining life span.

Your request for an Accelerated Death Benefit must state the amount of the benefit requested. The Plan includes an Accelerated Death Benefit of 50% of your normal Death Benefit to you or your spouse or same-sex domestic partner in the event of a terminal illness. The Accelerated Death Benefit Minimum is \$5,000 and the Accelerated Death Benefit Maximum is \$100,000 of Basic Life Insurance and \$300,000 of Voluntary Life Insurance.

This benefit can be requested only once on your own behalf and once for your spouse or same-sex domestic partner. If someone other than you owns the Life Insurance coverage for you and your spouse or same-sex domestic partner, the Accelerated Death Benefit will not be available under this Plan for or on behalf of such person.

Payment of Accelerated Benefits will reduce your Life Insurance Benefits or Death Benefits and the amount available for you to convert to a personal policy of life insurance as described under "Conversion of Your Life Insurance."

Your Life Insurance amount in force on the day before the month of your 70<sup>th</sup> birthday will be reduced by 35% at age 70; 60% at age 75; and 75% at age 80.

If you become insured during or after the month in which you reach the above ages (70, 75, or 80), your Life Insurance amount will be the applicable percentage of the amount shown for your classification.

**Age Reduction  
Rule** *(applies to  
Basic Life, Optional  
life, Voluntary Life  
and Accidental Death  
and Dismemberment)*

### **Life Insurance After Termination**

In most cases, you may apply for an individual policy under the Conversion Privilege within 31 days after your American Water Life Insurance ceases. If you die during this 31-day period and before the individual policy goes into effect, the amount payable under the group policy is limited to the maximum that could have been converted. The limit applies even if you have not applied for, or paid the first premium on, the individual policy. This applies to Basic and Voluntary Life Insurance.

### **Conversion of Your Life Insurance**

If any of your life insurance ceases because your employment ends or you are no longer in a class eligible for that insurance, or because of age, pension, or retirement, you may convert the amount of insurance which ends (or a lesser amount, if desired) to an individual policy. This applies to Basic and Voluntary Life Insurance.

Your converted policy may be any kind of individual policy then customarily being issued by MetLife for the amount being converted and for your age (nearest birthday) on the date it will be issued, except a term policy or one with disability or other supplementary benefits.

When Life Insurance ends because that part of the group contract discontinues as to your employee class, and your insurance has been in force under the group contract for at least five years in a row before it was discontinued, you may convert the amount that ends (minus the amount of any group life insurance for which you become eligible within 31 days of discontinuance) to an individual policy. The maximum amount that can be converted by each person in any event is \$10,000.

### **Applying for an Individual Policy**

In order to convert, you must make written application for an individual policy and pay the first premium within 31 days after insurance ends for any of the above reasons. No evidence of insurability (that is, proof of good health) will be required. The individual policy will become effective at the end of the 31-day period during which conversion is possible.

The premiums for the converted policy will be at MetLife's then customary rates for the same policy issued to any other person of the same class of risk and age at the time the converted policy is to become effective.

After an individual policy becomes effective for any person, that policy will be in exchange for all benefits and privileges under the group contract as regards the person involved and the amount that could have been converted.

## Effect of Prior Coverage

In most cases, you may apply for an individual policy under the Conversion Privilege within 31 days after your American Water Life Insurance ceases. If you die during this 31-day period and before the individual policy goes into effect, the amount payable under the group policy is limited to the maximum that could have been converted. The limit applies even if you have not applied for, or paid the first premium on, the individual policy.

If the coverage of any person under any part of this Plan replaces any of the person's prior coverage, the rules below apply to that part.

"Prior coverage" is any plan of group insurance sponsored by American Water that has been replaced by coverage under part or all of this Plan. The replacement can be complete or in part for the Eligible Class to which you belong. Any such plan is prior coverage if provided by another group contract or any benefit section of this Plan.

A person's Life Insurance under this Plan replaces and supersedes any prior life insurance. It will be in exchange for everything under the prior life insurance. If you or your beneficiary becomes entitled to a claim under the prior life insurance, your Life Insurance under this Plan will be canceled as of its effective date and any premiums paid for your Life Insurance under this Plan will be returned to American Water.

The mode of settlement you chose and the beneficiary you named under a prior MetLife plan will apply to this Plan. This can be changed according to the terms of this Plan.

---

## *Voluntary Life Insurance*

## Voluntary Coverage for You

In addition to Company-paid Life Insurance, you can buy supplemental Life Insurance coverage for you or your eligible dependents on an after-tax basis.

You can buy Life Insurance of one, two, or three times your base pay, up to a maximum benefit of \$1,000,000. You must be actively at work in order for coverage to take effect.

If you want to buy coverage over \$300,000 at the initial offering, you will be required to show proof of good health. You will be enrolled in the level that does not exceed \$300,000 until proof of good health is approved by MetLife. If you do not elect supplemental coverage at the initial offering, proof of good health will be required for *any* amount of coverage.

## Voluntary Coverage for Your Dependents

**Note:** You will be required to show proof of good health if you:

- Did not enroll previously for coverage;
- Elect coverage over \$300,000; or
- Elect more than one times your current Voluntary Supplemental Life Insurance coverage amount.

If proof of good health is required, your election will be pended until you receive approval from MetLife.

You can also buy supplemental life insurance coverage of \$20,000 for your spouse or same-sex domestic partner and \$10,000 for each dependent. Eligible dependents include children age 14 days to age 19, or to age 23 if a full-time student.

*Note: To be considered a full-time student, you must be enrolled in an educational institution and taking at least 12 credit hours per semester/quarter or attend a post-secondary technical school.*

You will be required to show proof of good health if you:

- Did not previously enroll for coverage; or
- Previously elected no coverage.

## Cost

The following table shows the premiums for Voluntary Life Insurance in 2012:

Voluntary Life Insurance Premiums (per \$1,000 of base pay)			
Age	Monthly Cost*	Age	Monthly Cost
Under 30	\$0.066	50-54	\$0.353
30 – 34	\$0.088	55-59	\$0.651
35 – 39	\$0.110	60-64	\$0.827
40 – 44	\$0.132	65-69	\$1.511
45 – 49	\$0.210	70 and over	\$2.437

*\*The monthly cost is calculated on your age as of December 31, 2012. For example, if you will reach age 35 on or after January 1, 2012, your monthly cost per \$1,000 will be \$0.110.*

The following table shows the premiums for voluntary spouse or same-sex domestic partner and dependent life insurance:

<b>Voluntary Spouse and Dependent Life Insurance Premiums</b>	
Spouse or Same-Sex Domestic Partner	\$5.00 per month
Dependent Child(ren)	\$1.20 per month per family

### *Optional Employee Group Term Life Insurance*

**Participation Frozen as of December 31, 1995**

Participation in the current Optional Employee Group Term Life Insurance Plan was frozen as of December 31, 1995. If you are currently enrolled in either of the two options of this Plan, your participation will continue while you remain actively employed. Participants' life insurance amounts will increase as their salary increases, according to the following Plan options:

**Option A**

100% of your Salary Scheduled Amount, up to \$40,000 of coverage.

**Option B**

50% of your Salary Scheduled Amount, up to \$20,000 of coverage.

Employees enrolled in this Plan have coverage as indicated in the following chart.

The Plan will pay a life insurance benefit equal to the amount of life insurance in force for you if you die from any cause while insured. This benefit will end upon retirement or termination, but can be converted to an individual policy.

Annual Basic Earnings	Insurance	
	Option A (100%)	Option B (50%)
\$38,000 or more	\$40,000	\$20,000
\$35,000 but less than \$38,000	\$38,000	\$19,000
\$32,000 but less than \$35,000	\$35,000	\$17,500
\$29,000 but less than \$32,000	\$32,000	\$16,000
\$26,000 but less than \$29,000	\$29,000	\$14,500
\$22,500 but less than \$26,000	\$26,000	\$13,000
\$19,500 but less than \$22,500	\$23,000	\$11,500
\$16,500 but less than \$19,500	\$20,000	\$10,000
\$13,500 but less than \$16,500	\$17,000	\$8,500
\$10,400 but less than \$13,500	\$14,000	\$7,000
\$7,280 but less than \$10,400	\$10,000	\$5,000
\$5,200 but less than \$7,280	\$7,000	\$3,500
Less than \$5,200	\$5,000	\$2,500

## *Beneficiaries*

When you elect to participate in any of these Plans, you need to designate a beneficiary (or beneficiaries) to receive life insurance benefits if you die.

You may name or change your beneficiary by submitting a Beneficiary Designation Form, which is available from the Benefits Service Center. The naming or any change will take effect on the date the Benefits Service Center receives your completed and signed Beneficiary Designation Form.

Any amount payable to a beneficiary will be paid to those you name. Unless you state otherwise, if more than one beneficiary is named, they will share on equal terms.

If a named beneficiary dies before you, his or her share will be payable in equal shares to any other named beneficiaries who survive you, unless you have chosen otherwise.

If no named beneficiary survives you if one has not been made, the payment would be made in the order below:

- Your spouse or same-sex domestic partner, if any.
- If you have no spouse or same-sex domestic partner, in equal shares to your children.
- If you have no spouse, same-sex domestic partner, or child, to your parents, equally or to the survivor.
- If you have no spouse, same-sex domestic partner, child, or parent, in equal shares to your brothers and sisters.
- If none of the above survives, to your executors or administrators.

---

## ***Total Disability Benefits***

For the purposes of a total disability benefit, you are considered permanently and totally disabled only if:

- An illness or injury stops you from working at:
  - Your own job; or
  - Any other job for which you are fit by your education, your training or your experience.

You must meet all of the following to be eligible for a total disability benefit:

- Your Life Insurance must be in force when you become totally disabled.
- You must be under age 60 when you first become totally disabled.
- You must furnish all proof when requested. MetLife has the right to examine you, at its expense, before approving the proof.

## Waiver

If you are under age 60 and you are totally disabled while insured under the Plan (as defined above) for six or more months from date you were last actively at work, and you furnish all information, notices, and proof when required, the amount of your Life Insurance in force on your last day actively at work may be extended during the disability, without payment of premiums and contributions. The duration, nature, and extent of disability determine eligibility for this extension. This insurance benefit reduces to \$10,000 when you reach age 70.

Any total disability should be reported immediately to American Water for help in determining whether you qualify for this extended insurance and the amount of insurance that may be continued. Refer to “Age Reduction Rule” on page 142 and “Conversion of Your Life Insurance” on page 143, which may apply to this Life Insurance amount.

### **Effective August 1, 2012**

Waiver of premium will be initiated through the MetLife Disability Unit. If additional information is needed you may be requested to provide this information to MetLife.

### **Prior to August 1, 2012**

Application for Waiver of Premium should be filed after your 8<sup>th</sup> month of disability but **before** the end of the 12<sup>th</sup> full month of disability. For example, if your first day of absence from work due to disability was February 15, 2012, the application should be filed after October 15, 2012 but **before** February 14, 2012. Your local HR representative will initiate the process by sending you the application and instructions. You will then be required to forward the completed application and any required documentation to MetLife. Please contact your HR representative if you have any questions or concerns.

If any individual policy has been issued to you under the Conversion Privilege, your rights under this section may be restored. In order to restore those rights, you must give up all such policies without claim, except for the return of the premiums you paid.

## *Accidental Death and Dismemberment Coverage (AD&D)*

This Plan is an insured plan underwritten by MetLife. The provisions of the Plan will remain effective only while you are covered under the group contract.

Your Company-paid AD&D Insurance pays 1.5 times your base pay, rounded to the next higher \$1,000, up to a maximum benefit of \$200,000 (called the “Principal Sum”). The following must occur for benefits to become payable: while insured, you suffer a loss of life or bodily injury in an accident and, within one year after the accident and as a direct result of the injury, subject to exclusions:

<b>Covered Losses (Subject to Exclusions)</b>	<b>Benefit Amounts</b>
Life	Full Amount
A hand	One-half of the Full Amount
A foot	One-half of the Full Amount
Sight of an eye	One-half of the Full Amount
Any combination of a hand, a foot, or sight of an eye	Full Amount
Thumb and index finger of same hand	One-quarter of the Full Amount
Speech and hearing	Full Amount
Speech or hearing in both ears	One-half of the Full Amount
Quadriplegia	Full Amount
Paraplegia	One-half of the Full Amount
Hemiplegia	One-half of the Full Amount
Uniplegia	One-quarter of the Full Amount

- Loss of slight of an eye means that the eye is entirely blind and that no sight can be restored in that eye.
- Loss of a hand means that all of the hand is cut off at or above the wrist.
- Loss of a foot means that all of the foot is cut off at or above the ankle.

- Loss of thumb and index finger means actual severance through or above the third joint from the tip of the index finger and the second joint from the tip of the thumb.
- Loss of speech and hearing means the entire and irrecoverable loss which has lasted continuously for 12 consecutive months following the injury.
- Quadriplegia means total paralysis of both upper and lower limbs on one side of the body.
- Paraplegia means total paralysis of both lower limbs.
- Hemiplegia means total paralysis of upper and lower limbs on one side of the body.
- Uniplegia means total paralysis of one limb.
- Paralysis means loss of use, without severance, of a limb. Paralysis must be determined by competent medical authority to be permanent, complete and irreversible.

No more than the Principal Sum is payable for all losses which result from one accident. Benefits are paid for losses caused by accidents only.

**No benefits are payable for a loss caused or contributed to by:**

- Physical or mental illness, diagnosis of or treatment for the illness;
- An infection, unless it is caused by an external wound that can be seen and which was sustained in an accident;
- Suicide or attempted suicide;
- Injuring oneself on purpose;
- The use of any drug or medicine;
- A war, or a warlike action in time of peace, including terrorist acts;
- Committing or trying to commit a felony or other serious crime or an assault;
- Any poison or gas, voluntarily taken, administered or absorbed;
- Service in the armed forces of any country or international authority, except the United States National Guard;

- Operating, learning to operate, or serving as a member of a crew of an aircraft; or while in any aircraft operated by or under any military authority (other than the Military Airlift Command); or while in any aircraft being used for a test or experimental purposes; or while in any aircraft used or designed for use beyond the Earth's atmosphere; or while in any aircraft for the purpose of descent from such aircraft while in flight (except for self preservation); or
- Driving a vehicle while intoxicated as defined by the laws of the jurisdiction in which the vehicle was being operated.

## *Submitting Claims*

Employee Life and AD&D Insurance benefits may be assigned in accordance with the MetLife contract. For more information on assignment you can contact the Benefits Service Center.

### **For Life Insurance Benefits**

To receive Life Insurance benefits under the Basic Life Insurance Plan, Optional Employee Group Term Life Plan, or Voluntary Life Insurance Plan, your beneficiary must complete and submit the appropriate Statement of Claim form and provide a certified death certificate to the Benefits Service Center within one year of the death.

If you were totally disabled at the time of your death and American Water was continuing your coverages at no cost to you, your beneficiary may be required to submit proof that total disability was continuous up to the date of your death.

### **For AD&D Insurance Benefits**

To receive AD&D Insurance benefits, you must complete and submit the appropriate Statement of Claim form and provide proof documenting your loss to the Benefits Service Center within 20 days after the loss occurs. In some cases, you may be requested to undergo an independent medical examination before benefits can be paid.

### **How Benefits Are Paid**

Approved Life and AD&D Insurance benefits are paid in a lump sum. However, other payment options may be available from MetLife. The Benefits Service Center will provide information about optional payment methods when you or your beneficiary is eligible to receive benefits.

**When Benefits  
End**

Coverage under the Plan terminates when the first of these events happens:

- The day your employment ends.
- When the group contract terminates as to the coverage.
- When you are no longer an eligible participant. (This may apply to all or part of your coverage.)
- When you fail to make any required contribution.

A dependent's coverage will terminate at the first to occur of:

- The termination of all dependents' coverage under the group contract.
- When such person is no longer an eligible dependent.
- When your coverage terminates.
- When you fail to make any required contribution.

*Employee Assistance  
Program (EAP)*

## *Plan Notices*

### **Medicare Part D Notice**

If you are actively at work at age 65 or older and then you retire and become Medicare-eligible, you must call the Benefits Service Center to request a Notice of Creditable Coverage to avoid the Medicare Part D late enrollment fee.

### **Medicare Part B Enrollment**

The following information comes from <http://questions.medicare.gov>, the Official U.S. Government Site for People with Medicare.

#### **Can I delay Medicare Part B enrollment without paying higher premiums?**

Yes. In certain cases, you can delay your Medicare Part B enrollment without having to pay higher premiums. If you didn't take Medicare Part B when you were first eligible because you or your spouse was working and had group health plan coverage through your or your spouse's employer or union, you can sign up for Medicare Part B during a Special Enrollment Period. You can sign up:

- Anytime you are still covered by the employer or union group health plan through your or your spouse's current or active employment; or
- During the eight months following the month the employer or union group health plan coverage ends or when the employment ends (whichever is first).

If you are disabled and working (or you have coverage from a working family member), the Special Enrollment Period rules also apply.

#### **Effective date if you sign up during a Special Enrollment Period**

If you enroll in Medicare Part B while covered by the group health plan or during the first full month after coverage ends, your Medicare Part B coverage starts on the first day of the month you enroll. You also can delay the start date for Medicare Part B coverage until the first day of any of the following three months.

If you enroll during any of the seven remaining months of the Special Enrollment Period, your Medicare Part B coverage begins the month after you enroll.

**Remember:** If you do not enroll in Medicare Part B during your Special Enrollment Period, you'll have to wait until the next General Enrollment Period, which is January 1 through March 31 of each year. You may then have to pay a higher Medicare Part B premium because you could have had Medicare Part B and did not take it. Call the Social Security Administration at (800) 772-1213 for more information or to enroll in Medicare. You can visit the Social Security website at [www.socialsecurity.gov](http://www.socialsecurity.gov).

## *Amendment or Termination of the Plan*

### **The Right to Amend or Terminate the Plan**

American Water reserves the right to amend all or any of our employee benefit plans at any time, without prior notice to participants, including the right to change eligibility criteria or program costs and the right to restrict or eliminate benefits provided. The decision to change or end the plans may be caused by changes in federal or state laws governing benefits, the requirements of the Internal Revenue Code or ERISA, or any other reason.

The authority to make any such changes to the Plan generally rests with the Board of Directors of American Water or its designee, although the Plan Administrator may also change the Plan as required by law or in a manner which will not result in a material cost.

You will be notified if any material changes are made to the Plan or if it is terminated. No amendment, termination, or partial termination of the Plan will affect claims incurred for which items or services have been provided before the date of amendment, termination, or partial termination.

---

## *Filing a Claim*

The claim-filing procedures for each type of benefit are outlined in the individual sections describing the benefits. In general, you and your eligible spouse, same-sex domestic partner, child(ren), or designated beneficiary (when applicable) must file a written claim on the proper form. You can obtain the necessary claim forms from the Benefits Service Center.

---

## *Claim Determination and Appeals Process*

The contracts, booklets, and other materials that describe a particular benefit under the Plan will generally contain a specific set of claims and appeals procedures that you must follow to make a claim to receive that particular benefit and/or to appeal a denied claim for that particular benefit. Although these separate claims and appeals procedures will be very similar in most respects, there may be important differences. Because of this, you should follow the specific claims and appeals procedures for a particular benefit very carefully. If the documents and other materials that describe a particular benefit do not contain a specific set of claims and appeals procedures, the Plan's default procedures as described below will apply. Also, the Plan's default procedures shall apply to the extent the claims and/or appeals procedures do not comply with ERISA or other applicable law. If you have any questions about which set of claims and appeals procedures to follow or any other questions about making a claim, you should contact the Plan Administrator immediately.

For purposes of this section of the SPD describing the Plan's default claims and appeals procedures, the third parties to whom the Plan Administrator has delegated the authority to review and evaluate claims (in the case of the self-insured plans) and the insurance carriers (in the case of the insured plans) shall be referred to as the "Claims Administrator" at the initial claim level and the "Appeals Administrator" at the appeal level.

A request for benefits is a "claim" subject to these procedures only if you or your authorized representative files it in accordance with the Plan's claim filing guidelines. In general, claims must be filed in writing (except urgent care claims, which may be made orally) with the applicable provider. Any claim that does not relate to a specific benefit under the Plan (for example, a general eligibility claim) must be filed with the Plan Administrator at the address set forth in the "Additional Plan Information" section on page 157. A request for prior approval of a benefit or service where prior approval is not required under the Plan is not a "claim" under these rules. Similarly, a casual inquiry about benefits or the circumstances under which benefits might be paid under the Plan is not a "claim" under these rules, unless it is determined that your inquiry is an attempt to file a claim. If a claim is received but there is not enough information to allow the Claims Administrator to process the claim, you will be given an opportunity to provide the missing information.

## **Claims Not Involving Health Benefits**

If you want to bring a claim for benefits under the Plan, you may designate an authorized representative to act on your behalf as long as you provide written notice of such designation to the Claims Administrator and/or the Appeals Administrator identifying such authorized representative. In the case of a claim for medical benefits involving urgent care, a health care professional with knowledge of your medical condition may act as your authorized representative with or without prior notice.

In the case of a claim not involving health benefits (e.g., Life, AD&D, LTD, STD, and Dependent Care Flexible Spending Account), initial claims for benefits under the Plan should be made by you in writing to the Claims Administrator.

### **Time Periods for Responding to Initial Claims**

If you bring a claim for benefits under the Plan, the Claims Administrator will respond to you within 90 days (45 days for a claim involving disability benefits) after receipt of the claim. For claims not involving disability benefits, if the Claims Administrator determines that an extension is necessary due to matters beyond the control of the Plan, the Claims Administrator will notify you within the initial 90-day period that up to an additional 90 days is needed to review your claim. In the case of a claim involving disability benefits, the Claims Administrator will notify you within the initial 45-day period that up to an additional 30 days is needed to review your claim. If the Claims Administrator determines that additional time is necessary to review your claim for disability benefits, the Claims Administrator may notify you of an additional 30-day extension.

### **Notice and Information Contained in Notice Denying Initial Claim**

If the Claims Administrator denies your claim (in whole or in part), the Claims Administrator will provide you with written notice of the denial. This notice will include the following:

- Reason for the denial – the specific reason or reasons for the denial;
- Reference to plan provisions – reference to the specific plan provisions on which the denial is based;
- Description of additional material – a description of any additional material or information necessary for you to substantiate your claim and an explanation as to why such information is necessary;

- Description of any internal rules – in the case of any claim involving disability benefits, a copy of any internal rule, guideline, protocol, or other similar criterion relied upon in making the initial determination or a statement that such a rule, guideline, protocol, or other criterion was relied upon in making the determination and that a copy of such rule will be provided to you free of charge at your request; and
- Description of claims appeals procedures – a description of the Plan’s appeals procedures and the time limits applicable for such procedures, including a statement that you are eligible to bring a civil action in federal court under Section 502 of ERISA to appeal any adverse decision on appeal.

**Appealing a Denied Claim for Benefits**

If the Claims Administrator denies your initial claim for benefits, you may appeal the denial by filing a written request with the Appeals Administrator within 60 days (180 days in the case of a claim involving disability benefits) after you receive the notice denying your initial claim for benefits. If you decide to appeal a denied claim for benefits, you will be able to submit written comments, documents, records, and other information relating to your claim for benefits (regardless of whether such information was considered in your initial claim for benefits) to the Appeals Administrator for review and consideration. You will also be entitled to receive, upon request and free of charge, access to, and copies of all documents, records, and other information relevant to your appeal.

**Time Periods for Responding to Appealed Claims**

If you appeal a denied claim for benefits under the Plan, the Appeals Administrator will respond to you within 60 days (45 days in the case of a claim involving disability benefits) after receipt of the claim. If the Appeals Administrator determines that an extension is necessary due to matters beyond the control of the Plan, the Appeals Administrator will notify you within the initial 60-day period (the initial 45-day period in the case of a claim involving disability benefits) that up to an additional 60 days (45 days in the case of a claim involving disability benefits) is needed to review your claim.

**Notice and Information Contained in Notice Denying Appeal**

If the Appeals Administrator denies your claim (in whole or in part), the Appeals Administrator will provide you with written notice of the denial. This notice will include the following:

- Reason for the denial – the specific reason or reasons for the denial;
- Reference to plan provisions – reference to the specific plan provisions on which the denial is based;

- Statement of entitlement to documents – a statement that you are entitled to receive, upon request and free of charge, access to and copies of, all documents, records, and other information that is relevant to your claim and/or appeal for benefits;
- Description of any internal rules – in the case of a claim involving disability benefits, a copy of any internal rule, guideline, protocol, or other similar criterion relied upon in making the appeal determination or a statement that such a rule, guideline, protocol, or other criterion was relied upon in making the appeal determination and that a copy of such rule will be provided to you free of charge at your request; and
- Statement of right to bring action – a statement that you are entitled to bring a civil action in federal court under Section 502 of ERISA to pursue your claim for benefits.

The decision of the Appeals Administrator shall be final and conclusive on all persons claiming benefits under the Plan, subject to applicable law. If you challenge the decision of the Appeals Administrator, a review by a court of law will be limited to the facts, evidence, and issues presented during the claims procedure set forth above. The appeal process described herein must be exhausted before you can pursue the claim in federal court. Facts and evidence that become known to you after having exhausted the appeals procedure may be submitted for reconsideration of the appeal in accordance with the time limits established above. Issues not raised during the appeal will be deemed waived.

## Claims Involving Medical Benefits

In the case of a claim involving medical benefits, initial claims for benefits under the Plan should be made by you in writing to the Claims Administrator.

### Types of Claims

There are several different types of claims that you may bring under the Plan. The Plan's procedures for evaluating claims (for example, the time limits for responding to claims and appeals) depend upon the particular type of claim. The types of claims that you generally may bring under the Plan are as follows:

- Pre-Service Claim – A “pre-service claim” is a claim for a particular benefit under the Plan that is conditioned upon you receiving prior approval in advance of receiving the benefit. A pre-service claim must contain, at a minimum, the name of the individual for whom benefits are being claimed, a specific medical condition or symptom, and a specific treatment, service, or product for which approval is being requested.

- **Post-Service Claim** – A “post-service claim” is a claim for payment for a particular benefit or for a particular service after the benefit or service has been provided. A post-service claim must contain the information requested on a claim form provided by the applicable provider. *Note: Claims under the Health Care Flexible Spending Account are always post-service claims.*
- **Urgent Care Claim** – An “urgent care claim” is a claim for benefits or services involving a sudden and urgent need for such benefits or services. A claim will be considered to involve urgent care if the Claims Administrator or a doctor with knowledge of your condition determines that the application of the claims review procedures for non-urgent claims (i) could seriously jeopardize your life or your health, or your ability to regain maximum function, or (ii) in your doctor’s opinion, would subject you to severe pain that cannot adequately be managed without the care or treatment that is the subject of the claim.
- **Concurrent Care Review Claim** – A “concurrent care review claim” is a claim relating to the continuation/reduction of an ongoing course of treatment.

#### **Time Periods for Responding to Initial Claims**

If you bring a claim for benefits under the Plan, the Claims Administrator will respond to your claim within the following time periods:

- **Post-Service Claim** – In the case of a post-service claim, the Claims Administrator shall respond to you within 30 days after receipt of the claim. If the Claims Administrator determines that an extension is necessary due to matters beyond the control of the Plan, the Claims Administrator will notify you within the initial 30-day period that the Claims Administrator needs up to an additional 15 days to review your claim. If such an extension is necessary because you failed to provide the information necessary to evaluate your claim, the notice of extension will describe the information that you need to provide to the Claims Administrator. You will have no less than 45 days from the date you receive the notice to provide the requested information.

- Pre-Service Claim – In the case of a pre-service claim, the Claims Administrator shall respond to you within 15 days after receipt of the claim. If the Claims Administrator determines that an extension is necessary due to matters beyond the control of the Plan, the Claims Administrator will notify you within the initial 15-day period that the Claims Administrator needs up to an additional 15 days to review your claim. If such an extension is necessary because you failed to provide the information necessary to evaluate your claim, the notice of extension will describe the information that you need to provide to the Claims Administrator. You will have no less than 45 days from the date you receive the notice to provide the requested information.
- Urgent Care Claim – In the case of an urgent care claim, the Claims Administrator shall respond to you within 72 hours after receipt of the claim. If the Claims Administrator determines that it needs additional information to review your claim, the Claims Administrator will notify you within 24 hours after receipt of the claim and provide you with a description of the additional information that it needs to evaluate your claim. You will have no less than 48 hours from the time you receive this notice to provide the requested information. Once you provide the requested information, the Claims Administrator will evaluate your claim within 48 hours after the earlier of the Claims Administrator's receipt of the requested information, or the end of the extension period given to you to provide the requested information. There is a special time period for responding to a request to extend an ongoing course of treatment if the request is an urgent care claim. For these types of claims, the Claims Administrator must respond to you within 24 hours after receipt of the claim by the Plan (provided, that you make the claim at least 24 hours prior to the expiration of the ongoing course of treatment).
- Concurrent Care Review Claim – If the Plan has already approved an ongoing course of treatment for you and contemplates reducing or terminating the treatment, the Claims Administrator will notify you sufficiently in advance of the reduction or termination of treatment to allow you to appeal the Claims Administrator's decision and obtain a determination on review before the treatment is reduced or terminated.

**Notice and Information Contained in Notice Denying Initial Claim**

If the Claims Administrator denies your claim (in whole or in part), the Claims Administrator will provide you with written notice of the denial (although initial notice of a denied urgent care claim may be provided to you orally). This notice will include the following:

- Reason for the denial – the specific reason or reasons for the denial;
- Reference to plan provisions – reference to the specific plan provisions on which the denial is based;
- Description of additional material – a description of any additional material or information necessary for you to substantiate your claim and an explanation as to why such information is necessary;
- Description of any internal rules – a copy of any internal rule, guideline, protocol, or other similar criterion relied upon in making the initial determination or a statement that such a rule, guideline, protocol, or other criterion was relied upon in making the appeal determination and that a copy of such rule will be provided to you free of charge at your request; and
- Description of claims appeals procedures – a description of the Plan's appeals procedures and the time limits applicable for such procedures (such description will include a statement that you are eligible to bring a civil action in federal court under Section 502 of ERISA to appeal any adverse decision on appeal and a description of any expedited review process for urgent care claims).

**Appealing a Denied Claim for Benefits (Internal Appeal)**

If the Claims Administrator denies your initial claim for benefits, you may appeal the denial by filing a written request (or an oral request in the case of an urgent care claim) with the Appeals Administrator within 180 days after you receive the notice denying your initial claim for benefits.

If you decide to appeal a denied claim for benefits, you will be able to submit written comments, documents, records, and other information relating to your claim for benefits (regardless of whether such information was considered in your initial claim for benefits) to the Appeals Administrator for review and consideration. You will also be entitled to receive, upon request and free of charge, access to, and copies of, all documents, records, and other information that is relevant to your appeal.

**Time Periods for Responding to Internal Appeal Claims**

If you appeal a denied claim for benefits, the Appeals Administrator will respond to your claim within the following time periods:

- Post-Service Claim – In the case of an appeal of a denied post-service claim, the Appeals Administrator shall respond to you within 60 days after receipt of the appeal.
- Pre-Service Claim – In the case of an appeal of a denied pre-service claim, the Appeals Administrator shall respond to you within 30 days after receipt of the appeal.
- Urgent Care Claim – In the case of an appeal of a denied urgent care claim, the Appeals Administrator shall respond to you within 72 hours after receipt of the appeal.
- Concurrent Care Review Claim – In the case of an appeal of a denied concurrent care review claim, the Appeals Administrator shall respond to you before the concurrent or ongoing treatment in question is reduced or terminated.

**Notice and Information Contained in Notice Denying Appeal**

If the Appeals Administrator denies your claim (in whole or in part), the Appeals Administrator will provide you with written notice of the denial (although initial notice of a denied urgent care claim may be provided to you orally or via facsimile or other similarly expeditious means of communication). This notice will include the following:

- Reason for the denial – the specific reason or reasons for the denial;
- Reference to plan provisions – reference to the specific plan provisions on which the denial is based;
- Statement of entitlement to documents – a statement that you are entitled to receive, upon request and free of charge, access to and copies of, all documents, records, and other information that is relevant to your claim and/or appeal for benefits;
- Description of any internal rules – a copy of any internal rule, guideline, protocol, or other similar criterion relied upon in making the appeal determination or a statement that such a rule, guideline, protocol, or other criterion was relied upon in making the appeal determination and that a copy of such rule will be provided to you free of charge at your request; and
- Statement of right to bring action – a statement that you are entitled to bring a civil action in federal court under Section 502 of ERISA to pursue your claim for benefits.

If the time limitations set forth have not been exceeded, no person may bring an action in a court of law unless the claims review procedure is exhausted and a final determination has been made. The decision of the Appeals Administrator shall be final and conclusive on all persons claiming benefits under the Plan, subject to applicable law. If you challenge the decision of the Appeals Administrator, a review by a court of law will be limited to the facts, evidence and issues presented during the claims procedure set forth above. The appeal process described herein must be exhausted before you can pursue the claim in federal court. Facts and evidence that become known to you after having exhausted the appeals procedure may be submitted for reconsideration of the appeal in accordance with the time limits established above. Issues not raised during the appeal will be deemed waived.

**Further External Appeal Rights**

If you are dissatisfied with the results of the Appeals Administrator's internal appeal process, and you wish to pursue an external appeal with an independent review organization (IRO), you must submit a written request within four months from your receipt of our final adverse benefit determination of your appeal. Send your appeal to:

**Horizon BCBSNJ Appeals Department**  
**Mail Station PP-14E**  
**P.O. Box 420**  
**Newark, NJ 07101**

You may also initiate an appeal by calling (888) 221-6392. Upon receipt of your written request a preliminary review of your request will be conducted and completed within five business days by the Appeals Administrator to determine:

- Your eligibility under the Plan at the time the service was requested or provided;
- That the adverse benefit determination does not relate to your failure to meet eligibility requirements under the terms of the Plan;
- That the internal appeals process has been exhausted (if required); and
- That you have provided all the information and forms required to process the external review.

*Note:* You may request an expedited external review for appeal of a denied urgent care claim.

After the completion of this preliminary review, you will receive written notice within one business day informing you of the determination regarding the eligibility of your request for external review. If your request was complete but not eligible for external review, the notice will include the reasons for your appeal not being eligible, and you will be provided the contact information for the Employee Benefits Security Administration who you may contact regarding your appeal at (866) 444-EBSA (3272). If your request was not complete, you will be advised as to what information or materials are needed to make your appeal request complete. In such cases, you will have 48 hours from your receipt of the notice, or the balance of the four month filing period for external appeals, whichever is longer, to perfect your appeal.

If your request for an external review meets the eligibility requirements as discussed above, your appeal will be assigned to an independent review organization (IRO) by the Appeals Administrator. The IRO will timely notify you in writing of your request's eligibility and acceptance for external review. This notice will include a statement that you may submit in writing to the assigned IRO within 10 business days following your receipt of the notice additional information that the IRO must consider when conducting the external review.

Within five business days after the date of assignment of the IRO, the Plan must provide to the assigned IRO the documents and any information considered in making the initial adverse benefit determination or the final adverse benefit determination. Failure of the Plan to timely submit the documents and information will not delay the conduct of the external review. If the Plan fails to timely supply the documents and information, the IRO may terminate the review and reverse the adverse benefit determination. If this occurs, the IRO will notify you and the Plan within one business day of its decision.

If you submit additional information to the IRO, the IRO will, within one business day, forward this information to the Plan for its consideration. Upon its receipt, the Plan may reconsider its adverse benefits determination. Reconsideration by the Plan will not delay the external review. The Plan will have up to the end of the IRO's review period to reconsider its adverse benefit determination. The external review may be terminated as a result of the reconsideration only if the Plan decides, upon completion of its reconsideration, to reverse its adverse benefit determination or final internal adverse benefit determination and provide coverage or payment. Within one business day of making such a decision, the Plan must provide written notice of the decision to you and the IRO, and the IRO must terminate the external review upon its receipt of such notice from the Plan.

The IRO will review all of the information and documents timely received. In reaching a decision, the IRO will review the claim *de novo* (anew) and is not bound by any decisions or conclusions reached during the Plan's internal claims and appeals processes. The IRO will provide its written final external review decision to the claimant and the Plan within 45 days after the IRO first received the request for the external review, and will include a general description of the reasons for the requested review, including information sufficient to identify the claim, the dates of service, the health care provider's name, the claim amount, the diagnosis and treatment codes and their meanings, and the reason for the previous denial. The decision will also include the date the IRO received the request, references to the documentation relied on for its decision (including specific coverage provisions and evidence based standards, considered in reaching the decision), a statement that the determination is binding except to the extent that other remedies may be available under state or federal law to either you or the group health plan, a statement that judicial review may be available to you, and that additional assistance may be available to you by contacting the applicable office of health insurance consumer assistance or ombudsman whose contact information will be listed on the written final external review decision.

***Expedited External Review.*** An adverse benefit determination may be eligible for an expedited external review if:

- You have received an adverse benefit determination which involves a medical condition for which the timeframe for completion of an expedited internal appeal (as described above) would seriously jeopardize your life or health, or your ability to regain maximum function, and you have filed a request for an expedited internal appeal; or
- You have received an adverse benefit determination which involves a medical condition where the timeframe or completion of a standard external review would seriously jeopardize your life or health or would jeopardize your ability to regain maximum function, or if the adverse benefit determination concerns an admission, availability of care, continued stay, or health care item or service for which you have received emergency services, but you have not been discharged from a facility.

If you make a request for an expedited external review, the Plan Administrator will immediately review the request and provide you with written notice of whether the adverse benefit determination is eligible for external review. If the adverse benefit determination is eligible for external review, the Appeals Administrator will forward the request to an IRO (electronically, by telephone or fax, or by other similar manner), along with all documents and information it considered in making its adverse benefit determination.

The IRO will follow the review process described above, and render a decision within 72 hours after it receives the request for review. The IRO will provide a written confirmation of its decision to both the claimant and the Plan with 48 hours thereafter.

Upon receipt of the final external review decision reversing the adverse benefit determination, the Appeals Administrator will immediately provide coverage or payment for the claim or service involved.

All medical appeals will provide:

- The opportunity to submit written comments, documents, records and other information relating to your claim for benefits, and that all such submissions will be considered by the Plan in deciding the appeal.
- The right to request that you be provided reasonable access to, and copies of, all documents, records, medical necessity criteria utilized to make the determination and other information relevant to your claim for benefits free of charge.
- A review that does not afford deference to the initial adverse utilization management determination, and is conducted by Medical Directors who are neither the person who made the initial decision nor a subordinate of the person who made the initial decision.
- That, in instances when the decision involves medical judgment, a health care professional who has appropriate training and experience in the field of medicine will be consulted, who again is neither the person who made the initial decision nor a subordinate of the person who made the initial decision.
- That the Appeals Administrator will identify, upon your request, the medical or vocational experts whose advice was obtained in connection with your medical appeal, whether we relied on the experts advice or not in making our decision. While your internal appeal is pending, the Appeals Administrator will provide you with a copy (free of charge) of any new or additional evidence considered, relied upon or generated by the plan in reaching our decision sufficiently in advance of the date by which we will decide your case to allow you the reasonable opportunity to respond prior to that date. In addition, before the Plan can issue a final appeal determination based on a new or additional rationale than what was previously relied upon, the Appeals Administrator will provide you with the new or additional rationale (free of charge) sufficiently in advance of the date by which we will decide your case to allow you the reasonable opportunity to respond to that rationale prior to that date.

- The diagnoses codes and its corresponding meaning and the treatment code(s) and their corresponding meanings that are involved in your appeal will be identified and included in all written communications regarding your appeal.

You also have the right to bring a civil action under Section 502(a) of ERISA following your appeal of our determination through the internal appeal process.

## Claims Involving Other Health Benefits

In the case of a claim involving other health benefits (e.g., Dental/Vision, Prescription Drug, Employee Assistance Program, and Health Care Flexible Spending Account), initial claims for benefits under the Plan should be made by you in writing to the Claims Administrator.

### Types of Claims

There are several different types of claims that you may bring under the Plan. The Plan's procedures for evaluating claims (for example, the time limits for responding to claims and appeals) depend upon the particular type of claim. The types of claims that you generally may bring under the Plan are as follows:

- **Pre-Service Claim** – A “pre-service claim” is a claim for a particular benefit under the Plan that is conditioned upon you receiving prior approval in advance of receiving the benefit. A pre-service claim must contain, at a minimum, the name of the individual for whom benefits are being claimed, a specific medical condition or symptom, and a specific treatment, service, or product for which approval is being requested.
- **Post-Service Claim** – A “post-service claim” is a claim for payment for a particular benefit or for a particular service after the benefit or service has been provided. A post-service claim must contain the information requested on a claim form provided by the applicable provider. *Note: Claims under the Health Care Flexible Spending Account are always post-service claims.*

- **Urgent Care Claim** – An “urgent care claim” is a claim for benefits or services involving a sudden and urgent need for such benefits or services. A claim will be considered to involve urgent care if the Claims Administrator or a doctor with knowledge of your condition determines that the application of the claims review procedures for non-urgent claims (i) could seriously jeopardize your life or your health, or your ability to regain maximum function, or (ii) in your doctor’s opinion, would subject you to severe pain that cannot adequately be managed without the care or treatment that is the subject of the claim.
- **Concurrent Care Review Claim** – A “concurrent care review claim” is a claim relating to the continuation/reduction of an ongoing course of treatment.

**Time Periods for Responding to Initial Claims**

If you bring a claim for benefits under the Plan, the Claims Administrator will respond to your claim within the following time periods:

- **Post-Service Claim** – In the case of a post-service claim, the Claims Administrator shall respond to you within 30 days after receipt of the claim. If the Claims Administrator determines that an extension is necessary due to matters beyond the control of the Plan, the Claims Administrator will notify you within the initial 30-day period that the Claims Administrator needs up to an additional 15 days to review your claim. If such an extension is necessary because you failed to provide the information necessary to evaluate your claim, the notice of extension will describe the information that you need to provide to the Claims Administrator. You will have no less than 45 days from the date you receive the notice to provide the requested information.
- **Pre-Service Claim** – In the case of a pre-service claim, the Claims Administrator shall respond to you within 15 days after receipt of the claim. If the Claims Administrator determines that an extension is necessary due to matters beyond the control of the Plan, the Claims Administrator will notify you within the initial 15-day period that the Claims Administrator needs up to an additional 15 days to review your claim. If such an extension is because you failed to provide the information necessary to evaluate your claim, the notice of extension will describe the information that you need to provide to the Claims Administrator. You will have no less than 45 days from the date you receive the notice to provide the requested information.

- **Urgent Care Claim** – In the case of an urgent care claim, the Claims Administrator shall respond to you within 72 hours after receipt of the claim. If the Claims Administrator determines that it needs additional information to review your claim, the Claims Administrator will notify you within 24 hours after receipt of the claim and provide you with a description of the additional information that it needs to evaluate your claim. You will have no less than 48 hours from the time you receive this notice to provide the requested information. Once you provide the requested information, the Claims Administrator will evaluate your claim within 48 hours after the earlier of the Claims Administrator's receipt of the requested information, or the end of the extension period given to you to provide the requested information. There is a special time period for responding to a request to extend an ongoing course of treatment if the request is an urgent care claim. For these types of claims, the Claims Administrator must respond to you within 24 hours after receipt of the claim by the Plan (provided, that you make the claim at least 24 hours prior to the expiration of the ongoing course of treatment).
- **Concurrent Care Review Claim** – If the Plan has already approved an ongoing course of treatment for you and contemplates reducing or terminating the treatment, the Claims Administrator will notify you sufficiently in advance of the reduction or termination of treatment to allow you to appeal the Claims Administrator's decision and obtain a determination on review before the treatment is reduced or terminated.

**Notice and Information Contained in Notice Denying Initial Claim**

If the Claims Administrator denies your claim (in whole or in part), the Claims Administrator will provide you with written notice of the denial (although initial notice of a denied urgent care claim may be provided to you orally). This notice will include the following:

- Reason for the denial – the specific reason or reasons for the denial;
- Reference to plan provisions – reference to the specific plan provisions on which the denial is based;
- Description of additional material – a description of any additional material or information necessary for you to substantiate your claim and an explanation as to why such information is necessary;

- Description of any internal rules – a copy of any internal rule, guideline, protocol, or other similar criterion relied upon in making the initial determination or a statement that such a rule, guideline, protocol, or other criterion was relied upon in making the appeal determination and that a copy of such rule will be provided to you free of charge at your request; and
- Description of claims appeals procedures – a description of the Plan’s appeals procedures and the time limits applicable for such procedures (such description will include a statement that you are eligible to bring a civil action in federal court under Section 502 of ERISA to appeal any adverse decision on appeal and a description of any expedited review process for urgent care claims).

#### **Appealing a Denied Claim for Benefits**

If the Claims Administrator denies your initial claim for benefits, you may appeal the denial by filing a written request (or an oral request in the case of an urgent care claim) with the Appeals Administrator within 180 days after you receive the notice denying your initial claim for benefits. If you decide to appeal a denied claim for benefits, you will be able to submit written comments, documents, records, and other information relating to your claim for benefits (regardless of whether such information was considered in your initial claim for benefits) to the Appeals Administrator for review and consideration. You will also be entitled to receive, upon request and free of charge, access to, and copies of, all documents, records, and other information that is relevant to your appeal.

#### **Time Periods for Responding to Appealed Claims**

If you appeal a denied claim for benefits, the Appeals Administrator will respond to your claim within the following time periods:

- Post-Service Claim – In the case of an appeal of a denied post-service claim, the Appeals Administrator shall respond to you within 60 days after receipt of the appeal.
- Pre-Service Claim – In the case of an appeal of a denied pre-service claim, the Appeals Administrator shall respond to you within 30 days after receipt of the appeal.
- Urgent Care Claim – In the case of an appeal of a denied urgent care claim, the Appeals Administrator shall respond to you within 72 hours after receipt of the appeal.
- Concurrent Care Review Claim – In the case of an appeal of a denied concurrent care review claim, the Appeals Administrator shall respond to you before the concurrent or ongoing treatment in question is reduced or terminated.

**Notice and Information Contained in Notice Denying Appeal**

If the Appeals Administrator denies your claim (in whole or in part), the Appeals Administrator will provide you with written notice of the denial (although initial notice of a denied urgent care claim may be provided to you orally or via facsimile or other similarly expeditious means of communication). This notice will include the following:

- Reason for the denial – the specific reason or reasons for the denial;
- Reference to plan provisions – reference to the specific plan provisions on which the denial is based;
- Statement of entitlement to documents – a statement that you are entitled to receive, upon request and free of charge, access to and copies of, all documents, records and other information that is relevant to your claim and/or appeal for benefits;
- Description of any internal rules – a copy of any internal rule, guideline, protocol, or other similar criterion relied upon in making the appeal determination or a statement that such a rule, guideline, protocol, or other criterion was relied upon in making the appeal determination and that a copy of such rule will be provided to you free of charge at your request; and
- Statement of right to bring action – a statement that you are entitled to bring a civil action in federal court under Section 502 of ERISA to pursue your claim for benefits.

If the time limitations set forth have not been exceeded, no person may bring an action in a court of law unless the claims review procedure is exhausted and a final determination has been made. The decision of the Appeals Administrator shall be final and conclusive on all persons claiming benefits under the Plan, subject to applicable law. If you challenge the decision of the Appeals Administrator, a review by a court of law will be limited to the facts, evidence and issues presented during the claims procedure set forth above. The appeal process described herein must be exhausted before you can pursue the claim in federal court. Facts and evidence that become known to you after having exhausted the appeals procedure may be submitted for reconsideration of the appeal in accordance with the time limits established above. Issues not raised during the appeal will be deemed waived.

## *Your Rights Under ERISA*

### **What Are Your Rights?**

The intent of this SPD is to meet the Summary Plan Description requirements of the Employee Retirement Income Security Act of 1974, as amended (ERISA). However, if there is a conflict between the information contained in the official Plan documents and the information contained in this SPD, the information in the Plan documents will take precedence.

Under ERISA, you are entitled to:

### **Receive Information About Your Plan and Benefits**

- Examine, without charge, at the Plan Administrator's office and at other specified locations, such as worksites and union halls, all documents governing the Plan, including insurance contracts and collective bargaining agreements, and a copy of the latest annual report (Form 5500 Series) filed by the Plan with the U.S. Department of Labor and available at the Public Disclosure Room of the Employee Benefits Security Administration.
- Obtain, upon written request to the Plan Administrator, copies of documents governing the operation of the Plan, including insurance contracts and collective bargaining agreements, and copies of the latest annual report (Form 5500 Series) and updated Summary Plan Description. The administrator may make a reasonable charge for the copies.
- Receive a summary of the Plan's annual financial report. The Plan Administrator is required by law to furnish each participant with a copy of this summary annual report.

### **Continue Group Health Plan Coverage**

- Continue health care coverage for yourself, eligible spouse, or eligible child(ren) if there is a loss of coverage under the Plan as a result of a qualifying event. You or your eligible spouse or eligible child(ren) may have to pay for such coverage. Review this Summary Plan Description and the documents governing the Plan on the rules governing your COBRA continuation coverage rights.

### **Prudent Actions by Plan Fiduciaries**

In addition to creating rights for plan participants, ERISA imposes duties upon the people who are responsible for the operation of the employee benefit plan. The people who operate your Plan, called "fiduciaries" of the Plan, have a duty to do so prudently and in the interest of you and other plan participants and beneficiaries. No one, including your employer, or any other person, may fire you or otherwise discriminate against you in any way to prevent you from obtaining a welfare benefit or exercising your rights under ERISA.

## **Enforce Your Rights**

If your claim for a benefit is denied or ignored, in whole or in part, you have a right to know why this was done, to obtain copies of documents relating to the decision without charge, and to appeal any denial, all within certain time schedules. Under ERISA, there are steps you can take to enforce the above rights. For instance, if you request a copy of plan documents or the latest annual report from the Plan and do not receive them within 30 days, you may file suit in a federal court. In such a case, the court may require the Plan Administrator to provide the materials and pay you up to \$110 a day until you receive the materials, unless the materials were not sent because of reasons beyond the control of the Plan Administrator.

If you have a claim for benefits that is denied or ignored, in whole or in part, you may file suit in a state or federal court. In addition, if you disagree with the Plan's decision or lack thereof concerning the qualified status of a medical child support order, you may file suit in federal court. If it should happen that plan fiduciaries misuse the Plan's money, or if you are discriminated against for asserting your rights, you may seek assistance from the U.S. Department of Labor, or you may file suit in a federal court. The court will decide who should pay court costs and legal fees. If you are successful the court may order the person you have sued to pay these costs and fees. If you lose, the court may order you to pay these costs and fees, for example, if it finds your claim is frivolous.

## **Assistance With Your Questions**

If you have any questions about your Plan, you should contact the Plan Administrator. If you have any questions about this statement or about your rights under ERISA, or if you need assistance in obtaining documents from the Plan Administrator, you should contact the nearest office of the Employee Benefits Security Administration, U.S. Department of Labor, listed in your telephone directory or the Division of Technical Assistance and Inquiries, Employee Benefits Security Administration, U.S. Department of Labor, 200 Constitution Avenue NW, Washington, D.C. 20210. You may also obtain certain publications about your rights and responsibilities under ERISA by calling the publications hotline of the Employee Benefits Security Administration.

## **ERISA Claim Fiduciary**

For the purposes of ERISA, all third party administrators and insurance carriers are fiduciaries, with complete authority to review all denied claims for benefits under this program. This includes, but is not limited to, the denial of certification of the medical necessity of hospital or medical treatment.

In exercising its fiduciary responsibility, the American Water Retirement / Benefits Committee shall have discretionary authority to determine whether and to what extent employees and beneficiaries are entitled to benefits, and to interpret any disputed or doubtful terms of the Plan. The American Water Retirement / Benefits Committee shall be deemed to have properly exercised such authority unless it acts arbitrarily or capriciously.

## *Plan Benefits*

These benefits are provided by American Water. The following Plans are self-insured benefits that are paid for directly by American Water:

- Preferred Provider Organization (PPO) Plan
- Dental/Vision Plans
- Prescription Drug Program
- Short Term Disability Plan
- Long Term Disability Plan (except for American Water Enterprises for which LTD is fully insured)
- Health Care Flexible Spending Account
- Dependent Care Flexible Spending Account

Horizon provides certain administrative services for the Preferred Provider Organization and the Flexible Spending Account Plans. CVS Caremark administers the Prescription Drug Program. EyeMed provides certain administrative services for the Vision Plan. Aetna provides certain administrative services for the Dental Plan, and prior to August 1, 2012 certain administrative services for the Short Term Disability Plan, and effective August 1, 2012, MetLife provides certain administrative services for the Short Term Disability Plan. Prior to August 1, 2012, Aetna provides certain administrative services for the Long Term Disability Plan, and effective August 1, 2012, MetLife begins providing certain administrative services to the Long Term Disability Plan.

American Water, Horizon, CVS Caremark, Aetna, EyeMed, and MetLife reserve the right to interpret all plan provisions as necessary and to make all determinations regarding benefits payable under these American Water Employee Benefit Plans.

The following Plans are fully insured:

- Life Insurance Plan
- On or after August 1, 2012 the Long Term Disability Plan for all employees
- Prior to August 1, 2012 the Long Term Disability Plan for American Water Enterprises
- Employee Assistance Plan

---

## *Plan Documents*

In preparing this Summary Plan Description, American Water has attempted to avoid complex language and legal terms whenever possible. If a question should ever arise concerning the nature and extent of benefits under any aspect of the American Water Group Insurance Plan, the actual legal Plan documents and not this Summary Plan Description, will govern.

## *Continuation of Health Coverage*

### **Introduction**

This section contains important information about your right to COBRA continuation coverage, which is a temporary extension of coverage under the Plan. The right to COBRA continuation coverage was created by a federal law, the Consolidated Omnibus Budget Reconciliation Act of 1985 (COBRA). COBRA continuation coverage can become available to you and to other members of your family who are covered under the Plan when you would otherwise lose your group health coverage. This section generally explains COBRA continuation coverage, when it may become available to you and your family, and what you need to do to protect the right to receive it.

*Note: Eligible Hawaii employees and their eligible spouse, or child(ren) may participate in the HMSA Medical Plan, and are eligible for COBRA continuation coverage under that plan.*

For more information about your rights and obligations under the Plan and under federal law, you should contact the Plan Administrator.

The Plan Administrator is Vice President Human Resources, American Water, 1025 Laurel Oak Road, Voorhees, NJ 08043, (856) 346-8200. The Plan Administrator is responsible for administering COBRA continuation coverage.

## What is COBRA Continuation Coverage?

COBRA continuation coverage is a continuation of Plan coverage when coverage would otherwise end because of a life event known as a “qualifying event.” Specific qualifying events are listed later in this section. COBRA continuation coverage must be offered to each person who is a “qualified beneficiary.” A qualified beneficiary is someone who will lose coverage under the Plan because of a qualifying event. Depending on the type of qualifying event, employees, spouses of employees, same-sex domestic partners of employees, and children of employees may be qualified beneficiaries. Under the Plan, qualified beneficiaries who elect COBRA continuation coverage must pay for COBRA continuation coverage.

If you are an employee, you will become a qualified beneficiary if you will lose your coverage under the Plan because either one of the following qualifying events happens:

- Your hours of employment are reduced; or
- Your employment ends for any reason other than your gross misconduct.

If you are the spouse of an employee, you will become a qualified beneficiary if you will lose your coverage under the Plan because any of the following qualifying events happens:

- Your spouse dies;
- Your spouse’s hours of employment are reduced;
- Your spouse’s employment ends for any reason other than his or her gross misconduct;
- Your spouse becomes enrolled in Medicare benefits (Part A, Part B, or both); or
- You become divorced or legally separated from your spouse.

Your eligible children will become qualified beneficiaries if they will lose coverage under the Plan because any of the following qualifying events happens:

- The parent-employee dies;
- The parent-employee’s hours of employment are reduced;
- The parent-employee’s employment ends for any reason other than his or her gross misconduct;
- The parent-employee becomes enrolled in Medicare benefits (Part A, Part B, or both);
- The parents become divorced or legally separated; or
- The child stops being eligible for coverage under the Plan as an “eligible child.”

*Note:* Same-sex domestic partners are not qualified beneficiaries for purposes of COBRA continuation. However, although these individuals do not have an independent right to elect COBRA continuation coverage, if you elect COBRA continuation coverage for yourself, you may also cover your same-sex domestic partner even if he or she is not considered a qualified beneficiary under COBRA. Your same-sex domestic partner's coverage will terminate when your COBRA coverage terminates.

**When is COBRA Coverage Available?**

The Plan will offer COBRA continuation coverage to qualified beneficiaries only after the Plan Administrator has been notified that a qualifying event has occurred. When the qualifying event is the end of employment or reduction of hours of employment, death of the employee, or the employee's becoming entitled to Medicare benefits (Part A, Part B, or both), the employer must notify the Plan Administrator of the qualifying event.

**You Must Give Notice of Some Qualifying Events**

For the other qualifying events (divorce or legal separation of the employee and spouse or a child's losing eligibility for coverage as an eligible child), you must notify the Plan Administrator in writing within 60 days after the qualifying event occurs. You must send this notice to the Benefits Service Center, American Water, 131 Woodcrest Road, Cherry Hill, NJ 08034, along with documentation of the event.

**COBRA  
Qualifying Events  
and Duration  
Overview**

<b>Maximum Continuation Period (Months) For:</b>			
<b>Qualifying Event</b>	<b>You</b>	<b>Eligible Spouse/Same-Sex Domestic Partner</b>	<b>Eligible Child</b>
You lose coverage because of reduced work hours or taking unpaid leave, other than leave under the FMLA	18	18	18
You terminate employment for any reason (except gross misconduct)	18	18	18
You, your spouse, or your eligible child is disabled – as defined by the Social Security Act – at the time of the qualifying event or during the first 60 days of COBRA continuation coverage	29 (Initial 18 months, plus additional 11 months)	29 (Initial 18 months, plus additional 11 months)	29 (Initial 18 months, plus additional 11 months)
Your child no longer qualifies as an eligible child	N/A	N/A	36
You die – <i>NOTE: the Company will pay 100% of the applicable COBRA premium for up to 18 months</i>	N/A	36	36
You and your spouse divorce or legally separate	N/A	36	36
You become entitled to Medicare benefits (under Part A, Part B or both)	N/A	36	36

## How Long Does COBRA Coverage Last?

COBRA continuation coverage is a temporary extension of coverage. When the qualifying event is the death of the employee, the employee's becoming entitled to Medicare benefits (under Part A, Part B, or both), your divorce or legal separation, or a child's losing eligibility as an eligible child, COBRA continuation coverage lasts for up to a total of 36 months. When the qualifying event is the end of employment or reduction of the employee's hours of employment, and the employee became entitled to Medicare benefits less than 18 months before the qualifying event, COBRA continuation coverage for qualified beneficiaries other than the employee lasts until 36 months after the date of Medicare entitlement. For example, if a covered employee becomes entitled to Medicare eight months before the date on which his or her employment terminates, COBRA continuation coverage for the spouse and children can last up to 36 months after the date of Medicare entitlement, which is equal to 28 months after the date of the qualifying event (36 months minus 8 months). Otherwise, when the qualifying event is the end of employment or reduction of the employee's hours of employment, COBRA continuation coverage generally lasts for only up to a total of 18 months.

There are two ways in which this 18-month period of COBRA continuation coverage can be extended.

### **Disability extension of 18-month period of continuation coverage.**

If you or anyone in your family covered under the Plan is determined by the Social Security Administration to be disabled and you notify the Plan Administrator in a timely fashion, you and your entire family may be entitled to receive up to an additional 11 months of COBRA continuation coverage, for a total maximum of 29 months. The disability would have to have started at some time before the 60<sup>th</sup> day of COBRA continuation coverage and must last at least until the end of the 18-month period of continuation coverage. You must provide the Plan Administrator with notice of the Social Security Administration's determination within 60 days of the latest of (1) the date of the Social Security Administration's disability determination; (2) the date of the qualifying event; (3) the date on which the qualified beneficiary would lose coverage under the Plan; or (4) the date you are provided notice of your COBRA continuation coverage rights. Notice should be sent to the Benefits Service Center, American Water, 131 Woodcrest Road, Cherry Hill, NJ 08034, along with a copy of the determination received from the Social Security Administration.

**Second qualifying event extension of 18-month period of continuation coverage.** If your spouse or eligible children experience another qualifying event while receiving 18 or 29 months of COBRA continuation coverage, the spouse and eligible children can get up to 36 total months of COBRA continuation coverage, if written notice of the second qualifying event is properly given to the Plan Administrator. This extension is available if the employee or former employee dies, becomes entitled to Medicare benefits (under Part A, Part B, or both), or gets divorced or legally separated, or if the child stops being eligible under the Plan as an eligible child, but only if the event would have caused the spouse or eligible child to lose coverage under the Plan had the first qualifying event not occurred. If the second qualifying event is divorce or legal separation or the child ceasing to be eligible under the Plan, written notice must be sent to the Benefits Service Center, American Water, 131 Woodcrest Road, Cherry Hill, NJ 08034, along with documentation of the second qualifying event.

### **How Do You Elect COBRA Coverage?**

To elect continuation coverage, you must complete an election form supplied by the Plan Administrator within 60 days of the date you receive notice of your COBRA continuation coverage rights. Each qualified beneficiary has a separate right to elect continuation coverage. For example, the employee's spouse may elect continuation coverage even if the employee does not. Continuation coverage may be elected for only one, several, or for all eligible children who are qualified beneficiaries. A parent may elect to continue coverage on behalf of any eligible children. The employee or the employee's spouse can elect continuation coverage on behalf of all of the qualified beneficiaries.

### **How Much Does COBRA Coverage Cost?**

Generally, each qualified beneficiary may be required to pay the entire cost of continuation coverage. The amount a qualified beneficiary may be required to pay may not exceed 102% (or, in the case of an extension of continuation coverage due to a disability, 150%) of the cost to the group health plan (including both employer and employee contributions) for coverage of a similarly situated plan participant or beneficiary who is not receiving continuation coverage. The required payment for each continuation coverage period for each option is described in this notice.

## **Trade Act of 2002**

The Trade Act of 2002 amended COBRA to provide for a special second 60-day COBRA election period for certain employees who have experienced a termination or reduction of hours and who lose group health plan coverage as a result. The special second COBRA election period is available only to a very limited group of individuals: generally, those who are receiving trade adjustment assistance (TAA) or “alternative trade adjustment assistance” under a federal law called the Trade Act of 1974. These Employees are entitled to a second opportunity to elect COBRA coverage for themselves and certain family members (if they did not already elect COBRA coverage), but only within a limited period of 60 days from the first day of the month when an individual begins receiving TAA (or would be eligible to receive TAA but for the requirement that unemployment benefits be exhausted) and only during the six months immediately after their group health plan coverage ended.

If an employee qualifies or may qualify for assistance under the Trade Act of 1974, he or she should contact the Plan Administrator for additional information. The employee must contact the Plan Administrator promptly after qualifying for assistance under the Trade Act of 1974 or the employee may lose his or her special COBRA rights. COBRA coverage elected during the special second election period is not retroactive to the date that Plan coverage was lost, but begins on the first day of the special second election period.

## **Special Rules for the Health Care Flexible Spending Account**

COBRA coverage will consist of the Health Care Flexible Spending Account coverage in force at the time of the qualifying event (i.e., the elected annual limit reduced by expenses reimbursed up to the time of the qualifying event). The use-it-or-lose-it rule will continue to apply, so any unused amounts will be forfeited at the end of the Plan Year, and COBRA coverage will terminate at the end of the Plan Year. Under the special grace period rule described on page 90, if you make all required COBRA premium payments through December 31, expenses incurred for the period January 1 – March 15 of the following calendar year can be applied against any remaining balance in your Health Care Flexible Spending Account. Expenses must be submitted by April 30 of the year following the year in which COBRA coverage commenced.

Unless otherwise elected, all qualified beneficiaries who were covered under the Health Care Flexible Spending Account will be covered together for Health Care Flexible Spending Account COBRA coverage. However, each qualified beneficiary could alternatively elect separate COBRA coverage to cover that beneficiary only, with a separate Health Care Flexible Spending Account annual limit and a separate premium.

### **Keep Your Plan Informed of Address Changes**

In order to protect your family's rights, you should keep the Plan Administrator informed of any changes in the addresses of family members. You should also keep a copy, for your records, of any notices you send to the Plan Administrator.

### **If You Have Questions**

If you have questions about your COBRA continuation coverage, you should contact the Benefits Service Center, 131 Woodcrest Road, Cherry Hill, NJ 08034, (866) 888-8269, or you may contact the nearest Regional or District Office of the U.S. Department of Labor's Employee Benefits Security Administration (EBSA). Addresses and phone numbers of Regional and District EBSA Offices are available through EBSA's website at [www.dol.gov/ebsa](http://www.dol.gov/ebsa).

## ***Continuation of Coverage During an Approved Leave of Absence Granted to Comply With Federal Law***

### **FMLA Leave**

This continuation of coverage section applies only for the period of any approved family or medical leave (approved FMLA leave) required by the Family and Medical Leave Act of 1993 (FMLA). If American Water grants you an approved FMLA leave for a period in excess of the period required by FMLA, any continuation of coverage during that excess period will be subject to prior written agreement between the appropriate carriers and American Water.

If American Water grants you an approved FMLA leave in accordance with FMLA, you may, during the continuance of such approved FMLA leave, continue any coverage you and your eligible spouse, same-sex domestic partner, and child(ren) have under the American Water Plan at the time the leave commences.

At the time you request the leave, you must agree to make any contributions required by American Water to continue coverage. At the time your leave begins, you will be advised on how to make payments. American Water will continue to make its contributions toward such coverage.

If any coverage you are allowed to continue has reduction rules applicable by reason of age or retirement, the coverage will be subject to such rules while you are on FMLA leave.

If you acquire a new eligible spouse, same-sex domestic partner, or child(ren) while your coverage is continued during an approved

FMLA leave, the eligible spouse, same-sex domestic partner, or child(ren) will be eligible for the continued coverage on the same terms as would be applicable if you were actively at work, not on an approved FMLA leave.

## **Military Leave**

If you are absent from work for active military duty that is covered by the federal Uniformed Services Employment and Reemployment Rights Act (“USERRA”), your right to continued participation in the Plan will be as follows:

- If you are absent from work for less than 31 days, you, your eligible spouse or same-sex domestic partner, and your child(ren) may continue any coverage under this Plan in effect when your military leave begins.
- If you are absent for more than 30 days, you may elect to continue any coverage under this Plan for yourself, your eligible spouse, same-sex domestic partner or child(ren) for up to 24 months or the period of your military service, whichever is shorter. You will be required to pay up to 102% of the normal premium for this continued coverage. If you elect not to continue coverage under a group health benefit, your coverage will be reinstated to the extent required under USERRA upon your return to employment.

## **When FMLA or Military Leave Terminates**

If health care coverage terminates because your approved FMLA leave is deemed terminated by American Water, you may, on the date of such termination, be eligible for continuation under federal law on the same terms as though your employment terminated, other than for gross misconduct, on such date.

## **If You Return to Work**

If you return to work for American Water following the date American Water determines the approved FMLA leave is terminated or you return to work in accordance with requirements under USERRA following the date American Water determines the approved military leave is terminated, your coverage under the group contract will be in force as though you had continued in active employment rather than going on an approved FMLA leave or military leave, provided you make request for such coverage within 31 days of the date American Water determines the approved FMLA leave to be terminated. If you do not make such request within 31 days, you will not have a chance to re-enroll before the next Open Enrollment period.

## **Maximum Length of Coverage**

Coverage will not be continued beyond the first to occur of:

- The date you are required to make any contribution and you fail to do so.
- The date American Water determines your approved FMLA or military leave is terminated and you fail to return to work.
- The date the coverage involved discontinues as to your Eligible Class.

Any coverage being continued for an eligible spouse, same-sex domestic partner, or child(ren) will not be continued beyond the date it would otherwise terminate.

---

### *Continuation of Coverage During an Approved Non-FMLA and Non-Military Leave of Absence*

Except as otherwise indicated in this SPD, if you are absent from work on an approved non-FMLA and non-military leave for any reason, American Water will continue any coverage for you, your eligible spouse, same-sex domestic partner or child(ren) in effect when your leave of absence begins as follows to the extent applicable premium payments are made.

If you are receiving disability benefits under the Plan and you have less than one year of service with American Water, coverage may continue for up to 12 months.

If you are receiving disability benefits under the Plan and you have one to five years of service with American Water, coverage may continue for up to 18 months.

If you are receiving disability benefits under the Plan and you have more than five years of service with American Water, coverage may continue for up to 24 months.

At the time you request the leave, you must agree to make any contributions required by American Water to continue coverage. At the time your leave begins, you will be advised on how to make payments. American Water will continue to make its contributions toward such coverage.

If any coverage you are allowed to continue has reduction rules applicable by reason of age or retirement, the coverage will be subject to such rules while you are on non-FMLA and non-military leave.

If you acquire a new eligible spouse, same-sex domestic partner, or child(ren) while your coverage is continued during an approved non-FMLA and non-military leave, the eligible spouse, same-sex domestic partner, or child(ren) will be eligible for the continued coverage on the same terms as would be applicable if you were actively at work, not on an approved non-FMLA and non-military leave.

**When Leave Terminates**

If health care coverage terminates because your approved non-FMLA and non-military leave is deemed terminated by American Water, you may, on the date of such termination, be eligible for continuation under federal law on the same terms as though your employment terminated, other than for gross misconduct, on such date.

**If You Return to Work**

If you return to work for American Water following the date American Water determines the approved non-FMLA/non-military leave is terminated, your coverage under the group contract will be in force as though you had continued in active employment rather than going on an approved leave, provided you make request for such coverage within 31 days of the date American Water determines the approved leave to be terminated. If you do not make such request within 31 days, you will not have a chance to re-enroll before the next Open Enrollment period.

**Maximum Length of Coverage**

Coverage will not be continued beyond the first to occur of:

- The date you are required to make any contribution and you fail to do so.
- The date American Water determines your approved non-FMLA/non-military leave is terminated and you fail to return to work.
- The date the coverage involved discontinues as to your Eligible Class.
- The last day of the maximum coverage period indicated above.

Any coverage being continued for an eligible spouse, same-sex domestic partner, or child(ren) will not be continued beyond the date it would otherwise terminate.

---

***Confidentiality of Protected Health Information***

Title II of the Health Insurance Portability and Accountability Act of 1996 and the privacy regulations issued thereunder (collectively called "HIPAA") requires group health plans to protect the confidentiality of your private health information. This Plan will not use or disclose information that is protected by HIPAA ("Protected Health Information") except as necessary for treatment, payment, health care operations, and plan administration functions, or as otherwise permitted or required by law, without your written authorization. According to the law, the Plan has required all of its Business Associates to comply with the HIPAA privacy rules.

Before this Plan may disclose, or permit one of its agents or contractors to disclose, Protected Health Information (“PHI”) to the Company, the Plan will require the Company to:

- Certify that the information is necessary in connection with plan administration functions or other permitted functions performed or to be performed by the Company;
- Amend the Plan documents and provide certification of amendment to give assurances that the Company will use and disclose the information solely in connection with such plan administration or other permitted functions; and
- Not use or further disclose PHI for employment-related actions or decisions or in connection with any other benefit or employee benefit plan of the Company without your authorization.

Under HIPAA, you have certain rights with respect to your PHI, including the right to see and copy the information, to receive an accounting of certain disclosures of the information and, under certain circumstances, to amend the information. You also have the right to file a complaint with the Plan or with the Secretary of the Department of Health and Human Services if you believe your rights under HIPAA have been violated.

## *Glossary*

---

## ***Glossary***

The following definitions of certain words and phrases will help you understand the benefits to which the definitions apply. Some definitions which apply only to a specific benefit appear in the benefit section. If a definition appears in a benefit section and also appears in the Glossary, the definition in the benefit section will apply in lieu of the definition in the Glossary.

### **Coinsurance**

Once you have met your annual deductible, if any, the Plan pays a certain percentage of Covered Medical Expenses and you pay the rest. Your share is called “coinsurance.”

### **Copayment**

A fee charged to a person for Covered Medical Expenses, as specified in the applicable Summary of Coverage.

### **Course of Treatment**

A planned program of services or supplies furnished by a health care provider. The program must be:

- In connection with the diagnosis and treatment of an injury or illness; and
- Of definite duration.

### **Custodial Care**

Services and supplies furnished to a person mainly to help him or her in the activities of daily life, including room and board and other institutional care. The person does not have to be disabled. These services and supplies are custodial care without regard to:

- By whom they are prescribed;
- By whom they are recommended; or
- By whom they are performed.

### **Dentist**

A legally qualified dentist, or a doctor who is licensed to do the dental work he or she performs.

### **Directory**

A listing of Network Providers in the Service Area covered under this Plan that is available to all employees covered under the Medical Plan.

### **Doctor**

A legally qualified, licensed doctor.

### **Emergency Care**

The first care given in a hospital's emergency room after a sudden and, at the time, unexpected change in a person's physical or mental condition such that:

- Care cannot safely and adequately be provided other than in a hospital; or
- Adequate care is not available at the time and place it is needed.

### **Emergency Condition**

The sudden and, at that time, unexpected onset of a change in a person's physical or mental condition which, if the procedure or treatment were not performed right away could reasonably be expected to result in:

- Loss of life or limb;
- Significant impairment to bodily function; or
- Permanent dysfunction of a body part.

### **Family and Medical Leave Act of 1993 (FMLA)**

FMLA provides unpaid, job-protected leave for a period of:

- 12 weeks for incapacity due to pregnancy, prenatal medical care, or childbirth.
- 12 weeks to care for your child after birth, or placement for adoption or foster care.
- 12 weeks to care for your own or your spouse's, son or daughter's, or parent's serious health condition.
- 26 weeks if you are caring for a family member in the Armed Forces (including the National Guard and Reserves), who suffered an injury or illness while on active duty that may render the person unable to perform the duties of his or her office, grade, rank, or rating.

Additionally, in compliance with the National Defense Authorization Act of 2008, if you are an eligible employee, you can take up to 12 combined weeks of FMLA leave in a single 12-month period for a "qualifying exigency" to spend time with a spouse, son, daughter, or parent on active duty or notified of call to duty. Qualifying exigencies may include attending certain military events, arranging for alternative childcare, addressing certain financial and legal arrangements, attending certain counseling sessions, and attending post-deployment reintegration briefings.

### **Home Health Care Agency**

An agency that:

- Mainly provides skilled nursing and other therapeutic services;
- Is associated with a professional group which makes policy (this group must have at least one doctor and one RN);
- Has full-time supervision by a doctor or RN;
- Keeps complete medical records on each person;
- Has a full-time administrator; and
- Meets licensing standards.

### **Home Health Care Plan**

A plan that provides for care and treatment of an illness or injury. The care and treatment must be:

- Prescribed in writing by the attending doctor; and
- An alternative to confinement in a hospital or Skilled Nursing/Convalescent Facility.

### **Hospice Care**

Care given to a terminally ill person by or under arrangements with a Hospice Care Agency as part of a Hospice Care Program.

### **Hospice Care Agency**

An agency or organization which:

- Has Hospice Care available 24 hours a day.
- Meets any licensing or certification standards set forth by the jurisdiction where it is.
- Provides:
  - Skilled nursing services;
  - Medical social services;
  - Psychological and dietary counseling; and
  - Bereavement counseling for the immediate family.
- Provides or arranges for other services which include:
  - Services of a doctor;
  - Physical or occupational therapy;
  - Part-time home health aide services which mainly consist of caring for terminally ill persons; and
  - Inpatient care in a facility when needed for pain control and acute and chronic symptom management.

- Has personnel which include at least:
  - One doctor;
  - One RN;
  - One licensed or certified social worker employed by the agency; and
  - One pastoral or other counselor.
- Establishes policies governing the provision of Hospice Care.
- Assesses the patient's medical and social needs.
- Develops a Hospice Care Program to meet those needs.
- Provides an ongoing quality assurance program. This includes reviews by doctors, other than those who own or direct the Agency.
- Permits all area medical personnel to utilize its services for their patients.
- Keeps a medical record on each patient.
- Utilizes volunteers trained in providing services for non-medical needs.
- Has a full-time administrator.

#### **Hospice Care Facility**

A facility, or a distinct part of one, which:

- Mainly provides inpatient Hospice Care to terminally ill persons.
- Charges its patients.
- Meets any licensing or certification standards set forth by the jurisdiction where it is.
- Keeps a medical record on each patient.
- Provides an ongoing quality assurance program; this includes reviews by doctors other than those who own or direct the facility.
- Is run by a staff of doctors; at least one such doctor must be on call at all times.
- Provides 24-hour-a-day nursing services under the direction of an RN.
- Has a full-time administrator.

### **Hospice Care Program**

A written plan of Hospice Care, which:

- Is established by and reviewed from time to time by:
  - A doctor attending the person; and
  - Appropriate personnel of a Hospice Care Agency.
- Is designed to provide palliative and supportive care to terminally ill persons, and supportive care to their families.
- Includes an assessment of the person's medical and social needs, and a description of the care to be given to meet those needs.

### **Hospital**

A place that:

- Provides mainly inpatient facilities for the surgical and medical diagnosis, treatment, and care of injured and sick persons.
- Is supervised by a staff of doctors.
- Provides 24-hour-a-day RN services.
- Is not mainly a place for rest, for the aged, for drug addicts, for alcoholics, or a nursing home.
- Makes charges for services rendered.

### **In-Network Care**

A health care service or supply furnished by a Network Provider.

### **LPN**

A licensed practical nurse.

### **Mental Disorder**

An illness commonly understood to be a mental disorder whether or not it has a physiological or organic basis and for which treatment is generally provided by or under the direction of a mental health professional such as a psychiatrist, a psychologist, or a psychiatric social worker. A mental or nervous disorder includes, but is not limited to:

- Alcoholism and drug abuse.
- Schizophrenia.
- Bipolar disorder.
- Pervasive mental developmental disorder (Autism).
- Panic disorder.
- Major depressive disorder.

- Psychotic depression.
- Obsessive compulsive disorder.

Mental disorders will not include alcoholism and drug abuse if a separate benefit applies to treatment of alcoholism and drug abuse.

### **Necessary**

A service or supply furnished by a particular provider is necessary if Horizon determines that it is appropriate for the diagnosis, care, or treatment of the illness or injury involved.

To be appropriate, the service or supply must:

- Be care or treatment, as likely to produce a significant positive outcome as, and no more likely to produce a negative outcome than, any alternative service or supply, both as to the illness or injury involved and the person's overall health condition;
- Be a diagnostic procedure, indicated by the health status of the person and be as likely to result in information that could affect the course of treatment as, and no more likely to produce a negative outcome than, any alternative service or supply, both as to the illness or injury involved and the person's overall health condition; and
- As to diagnosis, care, and treatment be no more costly (taking into account all health expenses incurred in connection with the service or supply) than any alternative service or supply that meets the above tests

In determining whether a service or supply is appropriate under the circumstances, Horizon will take into consideration:

- Information provided on the affected person's health status;
- Reports in peer reviewed medical literature;
- Reports and guidelines published by nationally recognized health care organizations that include supporting scientific data;
- Generally recognized professional standards of safety and effectiveness in the United States for diagnosis, care, or treatment;
- The opinion of health professionals in the generally recognized health specialty involved; and
- Any other relevant information brought to Horizon's attention.

In no event will the following services or supplies be considered to be necessary:

- Those that do not require the technical skills of a medical, mental health, or dental professional;
- Those furnished mainly for the personal comfort or convenience of the person, any person who cares for him or her, any person who is part of his or her family, any health care provider or health care facility;
- Those furnished solely because the person is an inpatient on any day on which the person's illness or injury could safely and adequately be diagnosed or treated while not confined; or
- Those furnished solely because of the setting if the service or supply could safely and adequately be furnished in a doctor's or a dentist's office or other less costly setting.

### **Negotiated Charge**

The maximum charge a Network Provider has agreed to make as to any service or supply for the purpose of the benefits under this Plan.

### **Network Provider**

A health care provider that has contracted to furnish services or supplies for a Negotiated Charge, but only if the provider is, with Horizon's consent, included in the Directory as a Network Provider for:

- The service or supply involved; and
- The class of employees of which you are a member.

### **Non-Occupational Illness**

A non-occupational illness is an illness that does not:

- Arise out of (or in the course of) any work for pay or profit; or
- Result in any way from an illness that does.

An illness will be deemed to be non-occupational regardless of cause if proof is furnished that the person:

- Is covered under any type of Workers' Compensation law; and
- Is not covered for that illness under such law.

### **Non-Occupational Injury**

A non-occupational injury is an accidental bodily injury that does not:

- Arise out of (or in the course of) any work for pay or profit; or
- Result in any way from an injury, which does.

### **Orthodontic Treatment**

Any:

- Medical service or supply;
- Dental service or supply, furnished to prevent or to diagnose or to correct a misalignment:
  - Of the teeth;
  - Of the bite; or
  - Of the jaws or jaw joint relationship, whether or not for the purpose of relieving pain.

Not included is:

- The installation of a space maintainer; or
- A surgical procedure to correct malocclusion.

### **Out-of-Network**

A health care service or supply furnished by a health care provider that is not in the network.

### **Out-of-Network Provider**

A health care provider that has not contracted to furnish services or supplies at a Negotiated Charge.

### **Reasonable and Customary Charge**

Only that part of a charge considered “reasonable” is covered. The reasonable charge for a service or supply is the lower of:

- The provider’s usual charge for furnishing it; or
- The charge Horizon determines to be the prevailing charge level made for it in the geographic area where it is furnished.

In determining the reasonable charge for a service or supply that is unusual, not often provided in the area, or provided by only a small number of providers in the area, Horizon may take into account such factors as:

- The complexity of the service or supply;
- The degree of skill needed;
- The type of specialty of the provider;
- The range of services or supplies provided by a facility; and
- The prevailing charge in other areas.

## **RN**

A registered nurse.

## **Room and Board Charges**

Charges made by an institution for room and board and other necessary services and supplies. They must be made regularly at a daily or weekly rate.

## **Semi-Private Rate**

The charge for room and board, which an institution applies to the most beds in its semi-private rooms with two or more beds. If there are no such rooms, Horizon will use the rate most commonly charged by similar institutions in the same geographic area.

## **Service Area**

The geographic area in which Network Providers for this Plan are located, as determined by Horizon.

## **Skilled Nursing/Convalescent Facility**

An institution that:

- Is licensed to provide, and does provide, the following on an inpatient basis for persons convalescing from illness or injury:
  - Professional nursing care by an RN, or by an LPN directed by a full-time RN; and
  - Physical restoration services to help patients to meet a goal of self-care in daily living activities.
- Provides 24-hour-a-day nursing care by licensed nurses directed by a full-time RN.
- Is supervised full-time by a doctor or RN.
- Keeps a complete medical record on each patient.
- Has a utilization review plan.
- Is not mainly a place for rest, for the aged, for drug addicts, for alcoholics, for mentally retarded persons, for custodial or educational care, or for care of mental disorders.
- Makes charges for services rendered.

## **Terminally Ill**

A medical prognosis of six months or less to live.

**Totally Disabled**

“Totally disabled” means that because of injury or illness:

- You are unable to engage in your customary occupation and are not working for pay or profit.
- Your eligible spouse or eligible child is unable to engage in most of the normal activities of a person of like age and sex in good health.

**Witness: Linda C. Bridwell**

- 25.** a. Provide, for each major functional plant property group or account in the format shown in Schedule 5, the following:
- (1) Plant beginning balances;
  - (2) Plant ending balances;
  - (3) Gross additions occurring in the forecasted test period;
  - (4) Retirements occurring in the forecasted test period; and
  - (5) Transfers for Kentucky-American occurring in the forecasted test period.
- b. For any account in which transfers regularly occur in the normal course of business, provide a general description of the nature of the transfers.

**Response:**

- a. Please refer to Exhibit 37, Schedule B-2.3 of the Company's filing. The electronic version is in file KAW\_APP\_EX37B\_122812.pdf
- b. Please refer to Exhibit 37, Schedule B-2.3 of the Company's filing, which reflects transfers.

There is a \$238,252 asset related to business transformation that currently resides in account 339600 (NARUC account 339.1). KAW proposes to move this asset to utility plant account 340315 (NARUC 340.5) which represents a shift between NARUC accounts and consequently is shown on Schedule B-2.3. All other proposed transfers of assets related to business transformation to utility plant account 340315 (NARUC 340.5) are from other accounts within NARUC 340.5 and therefore are not reflected on Schedule B-2.3.
