Re: Petition of the Kentucky Cable Telecommunications Association for a Declaratory Order that the Commission Has Jurisdiction to Regulate the Pole Attachment Rates, Terms, and Conditions of Cooperatives that Purchase Electricity from the Tennessee Valley Authority, Case No. 2012-00544

Dear Mr. DeRouen:

Please accept the attached Notices of Deposition to each of the Respondents in this matter and Motion for Issuance of a Subpoena *Duces Tecum* to the Tennessee Valley Public Power Association in the above-referenced case.

With regard to the Notices of Deposition, counsel for the Kentucky Cable Telecommunications Association ("KCTA") worked with counsel for the Tennessee Valley Authority Cooperatives ("TVA Cooperatives") to set tentative dates and locations. Because neither party has finalized its witness list, KCTA and the TVA Cooperatives reserve the right to depose additional witnesses before the hearing. In addition, KCTA reserves the right to amend its Notices of Deposition and to depose additional witnesses pending the outcome of its pending motions to compel the TVA Cooperatives to produce documents and information.

The attached Notices of Deposition and Motion for Issuance of a Subpoena *Duces Tecum* are true copies of the documents filed electronically on this date.

Sincerely,

Janice M. Theriot
