Dear Ms. Lanham:

This acknowledges receipt of your letter dated October 24, 2013, requesting information under the Freedom of Information Act (FOIA) 5 U.S.C. § 552 (2012). You requested records pertaining to pole attachment rates charged by five TVA Electric Cooperatives in Kentucky.

We estimate the fees to process your request will be \$2,000.00. This amount represents the amount of time we estimate will be required to locate and review the information you requested. This is an estimate and the actual fee may be more or less than this amount.

If we reach an agreement regarding payment of fees, your request will be placed in Track 3 in accordance with TVA's multi-track processing system. The response time will depend upon the number and complexity of the other requests received in Track 3 before yours. In addition, an advance payment of the fee may be required. See TVA's FOIA regulations at 18 C.F.R. § 1301.10(i) for information on fees over \$250.

We welcome the opportunity to discuss ways your request could be modified in order to be processed faster and at a lesser or no cost. You may contact me at (865) 632-6945 if you would like to discuss your request.

Sincerely,

A handwritten signature in cursive script that reads "Denise Smith".
