Re: Petition of the Kentucky Cable Telecommunications Association for a Declaratory Order that the Commission Has Jurisdiction to Regulate the Pole Attachment Rates, Terms, and Conditions of Cooperatives that Purchase Electricity from the Tennessee Valley Authority, Case No. 2012-00544

Dear Mr. DeRouen:

Please accept the Kentucky Cable Telecommunications Association's Supplemental Document Production.

The TVA Cooperatives' Second Data Request asked KCTA to produce all documents obtained from the Tennessee Valley Authority ("TVA") in response to KCTA's October 24, 2013 request under the federal Freedom of Information Act. On January 24, 2014, the TVA responded to KCTA's request by producing the attached documents. Accordingly, because of its continuing obligation to produce documents, KCTA files this supplemental production with the Commission.

This supplementation is a true copy of the documents filed in the above-referenced case electronically on this date.

Sincerely,

Janice M. Theriot
