Hello Ms. Wilfong,

I am working on the Windstream invoice for the year 2013.

The contract says the rate will be adjusted this year by the HWI pursuant to Article XIV C.

I have been told that the Handy Whitman increase for 2012 was 2.1%

Last year's contract rate was \$29.50 so an increase of 2.1% would make this year's rate be \$30.11.

Please let me know if you are in agreement with this rate.

Thank you.
