Re: Atmos Energy Corporation  
Case No. 2013-00148

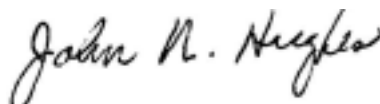

Dear Mr. Derouen:

Atmos Energy Corporation submits an additional response to discovery requests from the Commission's hearing held on January 23, 2014. After a review of the hearing video, Atmos discovered that it had failed to respond to a request from the Attorney General related to the NOLC debit balance in ADIT allocated to KY for all of the years that Atmos has had a debit balance for NOLC included in ADIT. That response is attached. If there are other requests that Atmos has inadvertently failed to provide responses or if the previously provided responses are not comprehensive, please let me know and additional information will be provided to the extent it is available.

I certify that the electronic documents are true and correct copies of the original documents.
