

## NOTICE

The Louisville Water Company has filed a proposed rate schedule which will increase by 3.45 % the rate(s) which it currently charges to West Shelby Water District for water service.

Louisville Water Company currently charges West Shelby Water District a \$135.45 and a \$ 232.20 monthly meter fee, \$1.69 per thousand gallons, and \$0.30 elevated service area surcharge per thousand gallons, for a total rate of \$1.99 per thousand gallons.

Louisville Water Company proposes to charge West Shelby Water District a \$148.40 and a \$254.40 monthly meter fee, and \$1.75 per thousand gallons, and \$0.30 elevated service area surcharge per thousand gallons, for a total rate of \$2.05 per thousand gallons, effective July 1, 2013.

The rates contained in this notice are the rates proposed by Louisville Water Company. The Public Service Commission, however, may order rates to be charged that differ from the proposed rates contained in this notice.

Any corporation, association or person with a substantial interest in the matter may, by written request, within thirty (30) days after publication or mailing of this notice of the proposed rate changes request to intervene. Intervention may be granted beyond the thirty (30) day period for good cause shown.

Any person who has been granted intervention by the Public Service Commission may obtain copies of the rate application and other filings made by Louisville Water Company by contacting Barbara Dickens at Louisville Water Company, 550 s. 3<sup>rd</sup> Street, Louisville, Kentucky. Her phone number is 502.569.0808.

Any person may examine the Louisville Water Company rate application and any other filings at its main office at 550 s. 3<sup>rd</sup> Street, Louisville, Kentucky or at the Public Service Commission's Office at 211 Sower Blvd, Frankfort, Kentucky.
