Re: *Notice of Intent to File Application for Prepay Metering and Revised Deposit Tariff and Use Electronic Filing Procedures, Case Number 2013-00198; Revised Notice*

Dear Mr. Derouen:

South Kentucky RECC originally filed a notice of intent to file an application for prepay metering and revised deposit tariff and to use electronic filing procedures on May 20, 2013. Since that time, South Kentucky RECC has decided to file the deposit tariff as an electronic tariff filing and not as part of the application in this case. Therefore, South Kentucky RECC is filing a revised notice of intent to file the prepay metering application only. The deposit tariff will be filed at a later date using the Commission's electronic tariff filing system.

Please let me know if you have any questions.

Sincerely,

Mark David Goss ^{MDG}
