Re: *Notice of Intent to File Application for Prepay Metering and Revised Deposit Tariff and Use Electronic Filing Procedures, Case Number 2013-00198; Application*

Dear Mr. Derouen:

South Kentucky RECC is filing an application for a prepay meter program, electronically. As stated in the amended notice of intent to file electronically filed on August 14, 2013, the deposit tariff will be filed at a later date using the Commission's electronic tariff filing system.

Both the amended notice of intent to file electronically and the application for a prepaid meter program that have been filed electronically are true and accurate copies of the originals provided to the Commission in paper format.

Please let me know if you have any questions.

Sincerely,

Mark David Goss
