COMMONWEALTH OF KENTUCKY
BEFORE THE PUBLIC SERVICE COMMISSION

In the Matter of:

An Examination Of The Application Of The Fuel)
Adjustment Clause Of Kentucky Power Company) Case No. 2013-261
Company From November 1, 2012 Through)
April 30, 2013)

Motion For An Informal Conference

Kentucky Power Company moves the Commission pursuant to 807 KAR 5:001, Section 9(4) for an informal conference to address an accounting development that may affect the Company's monthly fuel adjustment clause and system sales clause filings and calculations during the review period.

1. On August 29, 2013 Kentucky Power Company filed its responses to Staff Data Requests in this proceeding. A hearing currently is scheduled in this matter for October 16, 2013.
2. Subsequent to filing the data request responses, the Company determined that because PJM marginal losses and credits, congestion costs and credits, and financial transmission rights were misallocated between the Company's jurisdictional customers and off-system sales during the period July 2011 through June 2013. As a result, the charges and credits payable or due during the review period under Tariff S.S.C. and Tariff F.A.C. may have been miscalculated.
3. An informal conference prior to the scheduled hearing in this matter would allow the Company to brief the Staff on the misallocation of the PJM costs and credits, and its likely effect on the Company's Tariff F.A.C. and Tariff S.S.C. filings during the review period. The

Company is available to attend an informal conference October 7, 8, or 10, 2013, or at some other mutually convenient time.

5. By separate motion, the Company is requesting an informal conference in Case No. 2013-00325, *In the Matter of: An Examination Of By The Public Service Commission Of The Environmental Surcharge Mechanism Of Kentucky Power Company For The Two-Year Billing Period Ending June 30, 2013* to address the misallocation issue and its effect on the Company's environmental surcharge filings and billings. The Company suggests that the two informal conferences be held together.

Wherefore, Kentucky Power Company respectfully requests that an informal conference in this case be convened and held in conjunction with the informal conference being requested in Case No. 2013-00325.

This 27th day of September, 2013.

Respectfully submitted,

Mark R. Overstreet
