RE: *Joint Application of Louisville Gas and Electric Company and Kentucky Utilities Company for Certificates of Public Convenience and Necessity for the Construction of a Combined Cycle Combustion Turbine at the Green River Generating Station and a Solar Photovoltaic Facility at the E.W. Brown Generating Station*
Case No. 2014-00002

Dear Mr. DeRouen:

On January 17, 2014 and pursuant to KRS 278.020 and 807 KAR 5:001, Sections 14 and 15(2), Louisville Gas and Electric Company's ("LG&E") and Kentucky Utilities Company's ("KU") (collectively "the Companies") filed a Joint Application seeking Certificates of Public Convenience and Necessity for the construction of an approximately 700 MW net summer rating natural gas combined cycle combustion turbine facility at KU's Green River Generating Station in Muhlenberg County, Kentucky, including a 20-inch natural gas pipeline to serve that facility, and an approximately 10 MW solar photovoltaic facility at KU's E.W. Brown Generating Station in Mercer County, Kentucky.

Enclosed please find and accept for filing a supplement to Mr. David S. Sinclair's Testimony, Exhibit DSS-1, Appendix A. Appendix A is a summary of responses to the Companies' September 2012 Request for Proposals, Self-Build Alternatives, and DSM Programs considered by the Companies. Although all the information in the enclosed supplemental Appendix A was fully considered in the analyses by the Companies, we recently realized that the Appendix A that was filed on January 17, 2014 inadvertently omitted some data from the summary page. Therefore, we submit the attached revised Appendix A, which includes the previously omitted data.

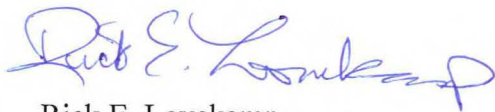

Mr. Jeff DeRouen
April 25, 2014

The Companies filed a Petition for Confidential Protection of Mr. Sinclair's Testimony and Exhibit DSS-1 on January 17, 2014. For the same reasons stated in that Petition, the Companies request confidential protection of the information in this filing.

This supplemental Appendix A to Exhibit DSS-1 of Mr. Sinclair's testimony is being filed electronically pursuant to 807 KAR 5:001, Section 8. I certify that the electronically filed documents are a true representation of the original paper documents to be filed with the Commission within two business days from the date of this electronic filing, and, with the exception of the obscured confidential information, all materials in the paper documents are included in the electronic filing. I further certify that notice of this filing will be made electronically upon all parties in this case and that no party has been excused from electronic participation.

Should you have any questions regarding the enclosed, please do not hesitate to contact me

Sincerely,

Rick E. Lovekamp
