***In the Matter of: Joint Application of Louisville Gas and Electric Company and Kentucky Utilities Company for Certificates of Public Convenience and Necessity for the Construction of a Combined Cycle Combustion Turbine at the Green River Generating Station and a Solar Photovoltaic Facility at the E.W. Brown Generating Station, Case No. 2014-0002***

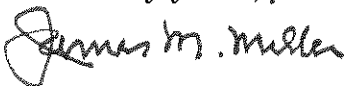

\*Also Licensed in Indiana

Dear Mr. Derouen:

Big Rivers Electric Corporation ("*Big Rivers*") has received the Sur-reply of the Applicants to Big Rivers' Reply to the Applicants' Response to Big Rivers' Motion to Intervene. If the Public Service Commission ("*Commission*") accepts that pleading, even though it is not authorized by 807 K.A.R. 5:001§5, Big Rivers assumes the Commission will afford Big Rivers an opportunity to respond since Big Rivers carries the burden of proof on its Motion to Intervene. Accordingly, to expedite consideration of its Motion to Intervene, Big Rivers states, through counsel, that it will have no further reply to the Applicants' responses to Big Rivers' Motion to Intervene.

Big Rivers files this letter using the Commission's electronic filing procedures. One paper copy of this letter is being filed with the Commission. In accordance with 807 KAR 5:001 Section 8(7), Big Rivers certifies that (a) the electronic version of this filing is a true and accurate copy of each paper filed in paper medium; (b) the electronic version of this filing has been submitted to the Commission; and (c) a copy of this filing in paper medium has been mailed to all parties that the Commission has excused from electronic filing procedures. No materials are being filed in paper that are not included in the electronic submission.

Sincerely yours, .

James M. Miller
