AFFIDAVIT OF ALICE HOWELL

1. My name is Alice Howell. I am of legal age and competent to give this affidavit. All of the information herein is based on my own personal knowledge unless otherwise indicated.
2. From January 23, 2011 until January 26, 2014, I was the Chair of the Cumberland Chapter of the Sierra Club in Kentucky.
3. I drafted a fundraising letter dated March 7, 2011, mailed only to Sierra Club members of the Cumberland chapter, which is included as Attachment A to the Attorney General's Notice of Contest in the above-captioned case.
4. In that letter, I mistakenly stated that East Kentucky Power Cooperative ("EKPC") had promised to invest \$5 million in renewable energy and energy efficiency projects. The mistake occurred because I confused EKPC's efforts with another utility's, and was entirely unintentional.

5. It is my recollection that EKPC brought the mistake to the Chapter's attention. Upon learning of the mistake, and after discussing the matter with EKPC, the Chapter decided that the quickest way to fix the unintentional error was to publish a statement of correction and apology in the next issue of the Sierra Club Cumberland Chapter newsletter, *The Cumberland*, April 2011, which is included as Exhibit C to Sierra Club's Motion to Strike or, in the Alternative, Reply to Attorney General's Notice of Contest.
6. It is my understanding that this approach was acceptable to EKPC and resolved the matter.

I declare under penalty of perjury that the foregoing statements are true and correct to the best of my knowledge, information, and belief.

Executed in Lexington, KY on February 24, 2014
