

EXHIBIT L

PRE-MOBILIZATION ACTIVITIES, SCHEDULE AND CANCELLATION SCHEDULE

PRE-MOBILIZATION ACTIVITIES

The list below indicates the activities the EPC contract intends to perform during the [REDACTED]. Detailed engineering will begin immediately to purchase long lead equipment and materials as well as initiate the site investigation work. [REDACTED] will commence and continue throughout the pre-mobilization period.

Planning

- Project Kick-off Meeting
- Constructability Reviews
- Further Development of:
 - Internal BPC Division of Responsibilities
 - WBS Breakdown Structure
 - Cost Breakdown Structure (Budget)
 - Work Package Definitions
 - Project Execution Plan
 - Engineering & Construction Detailed Schedule
 - Site Specific Safety Plan
 - Site Specific Quality Plan
 - Procurement Schedule (PSR)
 - Temporary Facilities Plan
 - Soil & Erosion Control Plan
 - Staffing & Indirects Schedule
 - Construction Equipment Schedule
 - Temporary Construction Power Plan
 - Preventative Maintenance Plan
 - TPMS

Construction and Sitework

- Geotechnical Investigation
- Site Survey
- Sitework Subcontract

- Prepare / Submit Bids
- Technical Evaluation
- Commercial Evaluation
- Negotiate & Award
- Auger Cast Piles Subcontract
- Prepare / Submit Bids
- Technical Evaluation
- Commercial Evaluation
- Negotiate & Award (FNTP)

Piping

- Concrete Pipe
 - Prepare / Submit Bids
 - Technical Evaluation
 - Commercial Evaluation
 - Negotiate & Award (FNTP)
 - Fabrication
- Underground Piping
 - Prepare / Submit Bids
 - Technical Evaluation
 - Commercial Evaluation
 - Negotiate & Award (FNTP)
- Alloy Pipe
 - Prepare / Submit Bids
 - Technical Evaluation
 - Commercial Evaluation
 - Negotiate & Award (FNTP)

Civil/Structural

- Structural Steel
 - Prepare / Submit Bids
 - Technical Evaluation
 - Commercial Evaluation

Negotiate & Award (FNTP)
Detailed Design
Building Materials
Prepare / Submit Bids
Technical Evaluation
Commercial Evaluation
Negotiate & Award (FNTP)

Mechanical

Steam Turbine
Negotiate & Award
Vendor Engineering
Fabrication

Combustion Turbine
Negotiate & Award
Vendor Engineering
Fabrication

HRSG
Negotiate & Award
Vendor Engineering
Fabrication

Condenser
Prepare / Submit Bids
Technical Evaluation
Commercial Evaluation
Negotiate & Award
Fabrication

Mechanical Continued:

Cooling Tower
Prepare / Submit Bids
Technical Evaluation
Commercial Evaluation
Negotiate & Award (FNTP)

Fuel Gas Equipment
Prepare / Submit Bids

Technical Evaluation
Commercial Evaluation
Negotiate & Award (FNTP)

Boiler Feed Pumps
Prepare / Submit Bids
Technical Evaluation
Commercial Evaluation
Negotiate & Award (FNTP)

Aux Boiler
Prepare / Submit Bids
Technical Evaluation
Commercial Evaluation
Negotiate & Award (FNTP)

Chemical

Raw Water / Pre-Treatment Equip
Prepare / Submit Bids
Equip Technical Evaluation
Commercial Evaluation
Negotiate & Award (FNTP)

Cycle Makeup / Demin Equip
Prepare / Submit Bids

Tank Material
Prepare / Submit Bids

Electrical

Electrical Equipment
Prepare / Submit Bids

GSU / AUX Transformers
Prepare / Submit Bids
Technical Evaluation
Commercial Evaluation
Negotiate & Award

In addition to the items above the Contractor will perform additional detailed engineering necessary to support the procurement and construction activities detailed above.

CANCELLATION SCHEDULE

Months After Effective Date	% of Total Contract Value (Cumulative – Not to Exceed)

SCHEDULE

The schedule attached below is indicative of the activities to be performed during the Pre-Mobilization period.
