**RE: The 2014 Joint Integrated Resource Plan of Louisville Gas and Electric Company and Kentucky Utilities Company
Case No. 2014-00131**

Dear Mr. DeRouen:

Enclosed please find and accept for filing Louisville Gas and Electric Company's and Kentucky Utilities Company's (collectively "the Companies") supplemental materials ("2014 Resource Assessment Addendum") as specified in the Commission Order dated October 1, 2014 in this matter. The 2014 Resource Assessment Addendum provides updates to the load forecasts resulting from the municipal contract terminations, updates the capacity and energy needs considering the removal of the Green River natural gas combined cycle generating facility, and includes the addition of a short-term capacity purchase and tolling agreement.

The addendum is being filed electronically pursuant to 807 KAR 5:001, Section 8. I certify that the electronically filed documents are a true representation of the documents in paper medium to be filed with the Commission within two business days from the date of this electronic filing, and that all materials in the paper documents are included in the electronic filing.
