

COMMONWEALTH OF KENTUCKY
BEFORE THE PUBLIC SERVICE COMMISSION

IN THE MATTER OF:

AN EXAMINATION OF THE APPLICATION)
OF THE FUEL ADJUSTMENT CLAUSE OF) CASE NO. 2014-00228
LOUISVILLE GAS & ELECTRIC COMPANY)
FROM NOVEMBER 1, 2013 THROUGH APRIL)
30, 2014)

NOTICE OF WITHDRAWAL OF
KENTUCKY INDUSTRIAL UTILITY CUSTOMERS, INC.

On August 21, 2014, Kentucky Industrial Utility Customers, Inc. ("KIUC") filed a Motion to Intervene and a Petition to Amend Procedural Schedule in this proceeding. KIUC's intent in filing both pleadings was to better understand how Louisville Gas & Electric Company ("LG&E") allocated its fuel costs between native load and off-system sales during the review period and to assess the reasonableness of that approach. On August 27, 2014, LG&E filed Responses to Kentucky Public Service Commission Staff's data requests in this proceeding, which explain LG&E's fuel cost allocation approach. Having reviewed the additional information provided in LG&E's Responses, and having confirmed that LG&E allocates its lowest fuel cost resources to native load customers, KIUC no longer needs to continue its involvement in this proceeding. Consequently, KIUC hereby withdraws its Motion to Intervene and Petition to Amend Procedural Schedule.

Respectfully submitted,
